## INFORMATION TO BE INCLUDED IN THE REPORT

### Item 1.01. Entry into a Material Definitive Agreement.

On February 22, 2010, the Compensation Committee (the “**Committee**”) of the Board of Directors of Champions Biotechnology, Inc. (the “**Company**”) adopted the Director Compensation Plan of 2010 (the “**Director Plan**”) to replace the Company’s former compensation policy for directors, effective for the 2010 calendar year commencing January 1, 2010.

Under the Director Plan, on January 1 of each year, each independent director, other than the Chairman, will be granted an automatic award of five-year options to purchase 50,000 shares of the Company’s Common Stock, par value \$0.001 per share (“**Shares**”) pursuant to the Company’s 2008 Equity Incentive Plan (the “**Plan**”) at an exercise price equal to the last closing price of the Shares prior to the effective date of the grant. The Chairman will be granted an automatic annual award of five-year options to purchase 100,000 Shares pursuant to the Plan at an exercise price equal to the last closing price of the Shares prior to the effective date of the grant. All of the options vest quarterly at the rate of 25% each calendar quarter over that calendar year, commencing on the first day of each calendar quarter.

In addition, for service on one or more Board committees, independent directors (other than the Chairman) will receive on the first day of each calendar year either a grant of five-year options to purchase 50,000 Shares at an exercise price equal to the last closing price of the Shares prior to the effective date of the grant, or, at the election of the director, 50,000 restricted Shares. The Chairman will receive for his committee service, on the first day of each calendar year, either a grant of five-year options to purchase 100,000 Shares at an exercise price equal to the last closing price of the Shares prior to the effective date of the grant, or, at the election of the director, 100,000 restricted Shares. All of these option awards and share grants vest quarterly at the rate of 25% throughout the calendar year on the first day of each calendar quarter, commencing on January 1 of each calendar year.

The Company will also pay each independent director \$15,000 to offset the tax liability in respect of a restricted Shares award, paid 25% each quarter.

For the initial year of the Director Plan (2010), all initial grants and initial vesting dates are effective on the date the Plan was adopted (February 22, 2010), the value of the stock is based upon the closing price on the last trading day prior to adoption of the Plan, and a director may, at his or her election, elect to receive Committee fees in cash equal to the value of a restricted Share award.
