**Table of Contents****Item 6. Indemnification of Directors and Officers.**

The Company is a Massachusetts corporation. Massachusetts General Laws Chapter 156D, Part 8, Subdivision E, provides that a corporation may, subject to certain limitations, indemnify its directors, officers, employees and other agents, and individuals serving with respect to any employee benefit plan, and must, in certain cases, indemnify a director or officer for his reasonable costs if he is wholly successful in his defense in a proceeding to which he was a party because he was a director or officer of the corporation. In certain circumstances, a court may order a corporation to indemnify its officers or directors or advance their expenses. Chapter 156D, Section 8.58 allows a corporation to limit or expand its obligation to indemnify its directors, officers, employees and agents in the corporation's articles of organization, bylaws, or a resolution or contract adopted by its board of directors or shareholders.

Both Chapter 156D, Section 8.57 and the Company's Articles of Organization provide that the corporation may purchase and maintain insurance against liability incurred by an officer or director in his capacity as officer or director or while serving at the Company's request as a director, officer, partner, trustee, employee, or agent of another domestic or foreign corporation, partnership, joint venture, trust, employee benefit plan, or other entity, or arising out of his status as such. The Company currently maintains directors' and officers' liability insurance, which insures the officers and directors of the Company from any claim arising out of an alleged wrongful act by such person in their respective capacities as officers and directors of the Company.

Under the Company's Articles of Organization and its Bylaws, the Company may not indemnify a director or officer unless ordered to do so by a court if his or her conduct: (a) was a breach of the director's or officer's duty of loyalty to the Company or its shareholders, (b) was not in good faith or involved intentional misconduct or a knowing violation of law, (c) resulted in an improper distribution under Section 6.40 of Chapter 156D of the Massachusetts General Laws, (d) was conduct from which the director or officer derived an improper personal benefit, or (e) if the conduct was with respect to an employee benefit plan, was at least not opposed to the best interests of the Company, for a purpose he or she reasonably believed to be in the interests of the participants in, and the beneficiaries of, the plan.

The determination of whether the relevant standard of conduct has been met shall be made: (a) if there are two or more disinterested directors, by the board of directors by a majority vote of all the disinterested directors or by a majority of the members of a committee of two or more disinterested directors appointed by vote; (b) by special legal counsel selected by a majority vote of all the disinterested directors or by a majority of the members of a committee of two or more disinterested directors appointed by vote; (c) if there are fewer than two disinterested directors, selected by the board of directors, in which selection directors who do not qualify as disinterested directors may participate; or (d) by the shareholders (but shares owned by or voted under the control of a disinterested director may not be voted on the determination).

The Company is not obligated under its Articles of Organization to indemnify or advance expenses to a director or officer of a predecessor of the Company, pertaining to conduct with respect to the predecessor, unless otherwise specifically provided.

The Company's Articles of Organization provide that no amendment or repeal of the indemnification provision of its Bylaws or of the relevant provisions of Chapter 156D shall affect or diminish the rights of any indemnified person to indemnification with respect to any action or proceeding arising out of or relating to any actions occurring prior to the final adoption of the amendment or repeal. The Company's Articles of Organization provide that no amendment or repeal of the provision limiting the liability of directors shall adversely affect the rights and protections afforded to directors of the Company for acts or omissions occurring prior to the amendment or repeal. The Articles of Organization also provide that if the Massachusetts Business Corporation Act is subsequently amended to increase the scope of permitted indemnification, indemnification under the Articles of Organization shall be provided to the full extent permitted or required by the amendment.

In addition to the indemnification provided for in its Bylaws, the Company provides indemnification rights in employment agreements it has entered into with certain of its executive officers. The Company maintains, on behalf of its directors and officers, insurance protection against certain liabilities arising out of the discharge of their duties, as well as insurance covering the Company for indemnification payments made to its directors and officers for certain liabilities. The premiums for such insurance are paid by the Company.

In lieu of the opinion of counsel or determination letter contemplated by Item 601(b)(5) of Regulation S-K, the Company hereby confirms that it has submitted or will submit the Plan and undertakes that it will submit all amendments thereto to the Internal Revenue Service (the IRS) in a timely manner, and that it has made or will make all changes required by the IRS in order to qualify the Plan under Section 401 of the Internal Revenue Code of 1986, as amended.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the

Securities Act and will be governed by the final adjudication of such issue.
