On February 14, 2011, CryoPort, Inc. (the Registrant ) entered into definitive agreements for the second and final round of the previously announced private placement of its securities to certain institutional and accredited investors (the Investors ) for aggregate gross proceeds of an additional \$4,918,740 (approximately \$4,344,000 after estimated cash offering expenses) pursuant to the Securities Purchase Agreement between the Registrant and the Investors (the Purchase Agreement ) and the Registration Rights Agreement among the Registrant, Emergent Financial Group, Inc., Maxim Group LLC, and the Investors (the Registration Rights Agreement ). This second and final round is in addition to the initial closing of 6,335,318 units for \$4.4 million in proceeds announced on February 7, 2011. The Registrant intends to use the net proceeds for working capital purposes.

Pursuant to the Purchase Agreement executed in connection with the second closing, the Investors purchased an aggregate of 7,026,771 units (the Units ) at a price of \$0.70 per Unit, with each Unit consisting of (i) one share of common stock of the Registrant ( Common Stock ) and (ii) one warrant to purchase one share of Common Stock at an exercise price of \$0.77 per share. The warrants are immediately exercisable and have a term of five years.

Pursuant to the Registration Rights Agreement, the Registrant is obligated to file a registration statement with the Securities and Exchange Commission ( SEC ) registering the resale of the shares of Common Stock issued to the Investors and the shares of Common Stock underlying the warrants issued to the Investors within ninety (90) days following the close of the transaction. The Registration Rights Agreement also provides for (i) certain payments by the Registrant to the Investors if such registration statement is not filed within such period and (ii) indemnification by each of the Registrant and the Investors to the other party and certain affiliates of such party against certain liability related to such registration statement.

Emergent Financial Group, Inc. and Maxim Group LLC served as the Registrant's placement agents in this transaction and received, in the aggregate, commissions of up to 10% and a non-accountable finance fee of up to 3% of the aggregate gross proceeds received from the Investors, plus reimbursement of accountable out-of-pocket expenses, and were issued warrants to purchase 689,619 and 437,143 shares of Common Stock, respectively, at an exercise price of \$0.77 per share.

The foregoing summary of the terms and conditions of the Purchase Agreement, the Registration Rights Agreement, and the warrants does not purport to be complete and is qualified in its entirety by reference to the full text of each of the aforementioned documents which will be filed as exhibits with the Registrant's Form 10K filing for the fiscal year ended March 31, 2011.
