NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To Be Held On May 19, 2011

Dear Stockholder:

You are cordially invited to attend the 2011 Annual Meeting of Stockholders of Ardea Biosciences, Inc., a Delaware corporation (the Company). The meeting will be held on Thursday, May 19, 2011 at 2:00 p.m. local time at the offices of the Company located at 4939 Directors Place, San Diego, California 92121, for the following purposes:

1. To elect the seven nominees for director named herein to serve until the next annual meeting and until their respective successors are elected and qualified.
2. To ratify the selection by the Audit Committee of the Board of Directors of Marcum LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2011.
3. To approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in this proxy statement.
4. To indicate, on an advisory basis, the preferred frequency of stockholder advisory votes on the compensation of the Company's named executive officers.
5. To conduct any other business properly brought before the meeting.

These items of business are more fully described in the Proxy Statement accompanying this Notice.

The record date for the Annual Meeting is April 1, 2011. Only stockholders of record at the close of business on that date may vote at the meeting or any adjournment thereof.

Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to Be Held on Thursday, May 19, 2011 at 2:00 p.m. at 4939 Directors Place, San Diego, California 92121.

The proxy statement and annual report to stockholders are available at www.ardeabio.com.

By Order of the Board of Directors

Barry D. Quart, Pharm.D.
President & Chief Executive Officer

San Diego, California
April 15, 2011

You are cordially invited to attend the meeting in person. Whether or not you expect to attend the meeting, please complete, date, sign and return the enclosed proxy, or vote over the telephone or the internet as instructed in these materials, as promptly as possible in order to ensure your representation at the meeting. A return envelope (which is postage prepaid if mailed in the United States) has been provided for your convenience. Even if you have voted by proxy, you may still vote in person if you attend the meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

**PROXY STATEMENT
FOR THE 2011 ANNUAL MEETING OF STOCKHOLDERS**

May 19, 2011

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why am I receiving these materials?

We have sent you these proxy materials because the Board of Directors (the Board of Directors or Board) of Ardea Biosciences, Inc. (referred to herein as the Company or Ardea) is soliciting your proxy to vote at the 2011 Annual Meeting of Stockholders, including adjournments or postponements of the meeting. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to submit your proxy over the telephone or on the internet.

We intend to mail these proxy materials on or about April 15, 2011 to all stockholders of record entitled to vote at the annual meeting.

How do I attend the annual meeting?

The meeting will be held on Thursday, May 19, 2011 at 2:00 p.m. local time at 4939 Directors Place, San Diego, California 92121. Directions to the annual meeting may be found at www.ardeabio.com. Information on how to vote in person at the annual meeting is discussed below.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on April 1, 2011 will be entitled to vote at the annual meeting. On this record date, there were 26,660,586 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 1, 2011 your shares were registered directly in your name with Ardea's transfer agent, Computershare, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 1, 2011 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting

unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are four matters scheduled for a vote:

Election of seven directors;

Table of Contents

Ratification of selection by the Audit Committee of the Board of Directors of Marcum LLP as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2011;

Advisory approval of the compensation of the Company's named executive officers, as disclosed in this proxy statement in accordance with Securities and Exchange Commission (SEC) rules; and

Advisory indication of the preferred frequency of stockholder advisory votes on the compensation of the Company's named executive officers.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. With regard to your advisory vote on how frequently we should solicit stockholder advisory approval for executive compensation, you may vote for any one of the following: one year, two years or three years or you may abstain from voting on that matter. For each of the other matters to be voted on, you may vote For or Against or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone, or vote by proxy on the internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-652-8683 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:00 p.m., Pacific Daylight Time on May 18, 2011 to be counted.

To vote through the internet, go to <http://www.investorvote.com/ardc> to complete an electronic proxy card. You will be asked to provide the company number and control number from the enclosed proxy card. Your vote must be received by 11:00 p.m., Pacific Daylight Time on May 18, 2011 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Ardea. Simply complete and mail the proxy card to ensure that your vote is counted. Alternatively, you may be able to vote by telephone or over the internet as instructed by your broker or bank. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Table of Contents

Internet proxy voting allows you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 1, 2011.

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking any voting selections, your shares will be voted, as applicable, For the election of all seven nominees for director, For ratification of selection by the Audit Committee of the Board of Directors of Marcum LLP as our independent registered public accounting firm, For the advisory approval of executive compensation and For one year as the preferred frequency of advisory votes to approve executive compensation. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy by telephone or through the internet.

You may send a timely written notice that you are revoking your proxy to Ardea's Secretary at 4939 Directors Place, San Diego, California 92121.

You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by December 17, 2011, to the Secretary of the Company, 4939 Directors Place, San Diego, California 92121. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, you must

Table of Contents

do so no sooner than January 20, 2012 but no later than February 19, 2012. You are also advised to review the Company's Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for the proposal to elect directors, votes For, Withhold and broker non-votes; with respect to the proposal regarding frequency of stockholder advisory votes to approve executive compensation, votes for frequencies of one year, two years or three years, abstentions and broker non-votes; and, with respect to other proposals, votes For and Against, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal and, except in the case of the proposal regarding frequency of stockholder advisory votes to approve executive compensation, will have the same effect as Against votes. Broker non-votes and, in the case of the proposal regarding frequency of stockholder advisory votes to approve executive compensation, abstentions, will have no effect and will not be counted towards the vote total for any proposal.

What are broker non-votes ?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of the New York Stock Exchange (NYSE), non-routine matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, election of directors (even if not contested) and, for the first time, under a new amendment to the NYSE rules, executive compensation, including the advisory stockholder votes on executive compensation and on the frequency of stockholder votes on executive compensation.

How many votes are needed to approve each proposal?

For Proposal 1, the election of directors, the seven nominees receiving the most For votes (from the votes of holders of shares of common stock present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Only votes For or Withheld will affect the outcome.

To be approved, Proposal 2, the ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2011, must receive For votes from the holders of a majority of shares present and entitled to vote in person or by proxy. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

For Proposal 3, advisory approval of the compensation of the Company's named executive officers, will be considered to be approved if it receives For votes from the holders of a majority of shares either present in person or represented by proxy and entitled to vote. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will have no effect.

For Proposal 4, the advisory vote on the frequency of stockholder advisory votes on executive compensation, the frequency receiving the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the annual meeting will be considered the frequency preferred by the stockholders. Abstentions and broker non-votes will have no effect.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 26,660,586 shares of common stock outstanding and entitled to

Table of Contents

vote. Thus, the holders of 13,330,294 shares of voting stock must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares of voting stock present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

What proxy materials are available on the internet?

The proxy statement, Form 10-K and annual report to stockholders are available at *www.ardeabio.com*.

PROPOSAL 1

ELECTION OF DIRECTORS

There are currently eight board seats on Ardea's Board of Directors. There are seven nominees for director: Felix J. Baker, Ph.D., Wendy L. Dixon, Ph.D., Henry J. Fuchs, M.D., Craig A. Johnson, John W. Poyhonen, Barry D. Quart, Pharm.D., and Kevin C. Tang. Each of the nominees, except for Wendy L. Dixon, is currently a director of the Company who was previously elected by the stockholders. Wendy L. Dixon was recommended for election to the Company's Board of Directors by the Nominating and Corporate Governance Committee of the Board of Directors, and subsequently elected as a director by the unanimous consent of the Board of Directors on April 6, 2011. In April 2011, Jack S. Remington, M.D. informed the Company that he will retire and resign, effective as of date of the 2011 Annual Meeting, and accordingly, is not included among the nominees. The number of authorized board seats will be reduced to seven after Dr. Remington's retirement.

Proxies cannot be voted for a greater number of persons than the number of nominees named. Each of the nominees listed below was nominated by the Nominating and Corporate Governance Committee of the Board of Directors for election as a director at the 2011 Annual Meeting of Stockholders. It is Ardea's policy to encourage directors to attend our Annual Meeting. All directors other than Drs. Dixon and Remington attended the annual meeting held in 2010.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The seven director nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of each of the nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by Ardea. Each person nominated for election has agreed to serve, if elected, until the next annual meeting and until their respective successors are elected and qualified, or until their earlier death, resignation or removal. Our management has no reason to believe that any nominee will be unable to serve.

Nominees For Election At The 2011 Annual Meeting

The following is a brief biography of each nominee for director and a discussion of the specific experience, qualifications, attributes or skills of each nominee that led the Nominating and Corporate Governance Committee to recommend that person as a nominee for director, as of the date of this proxy statement.

The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct the Company's business. To that end, the Committee has identified and evaluated nominees in the broader context of the Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Committee views as critical to effective functioning of the Board. The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Committee to select that person as a nominee. However, each of the members of the Committee may have a variety of reasons why he or she believes a particular person would be an appropriate nominee for the board, and these views may differ from the views of other members.

Table of Contents

Felix J. Baker, Ph.D. Dr. Baker was appointed as one of our directors in February 2010. Dr. Baker is a Managing Partner of Baker Brothers Investments, which he and his brother, Julian Baker, founded in 2000. Baker Brothers Investments is a family of long-term investment funds for major endowments and foundations, which are focused on publicly traded life sciences companies. Dr. Baker's career as a fund manager began in 1994 when he co-founded a biotechnology investment partnership with the Tisch Family. Dr. Baker holds a B.S. and a Ph.D. in Immunology from Stanford University, where he also completed two years of medical school. He is also a director of Seattle Genetics, Inc. and Trimeris, Inc. Dr. Baker was previously a director of Conjuchem, Inc. until February 2010. Dr. Baker is a highly experienced director having served on the boards of directors of numerous public and private biopharmaceutical companies. Dr. Baker's scientific and medical background, coupled with his investment and leadership experience in the healthcare industry provides relevant expertise in strategic areas, as well as in-depth knowledge of the healthcare industry, providing valuable insight and guidance to the Board for matters such as, among others, scientific and corporate strategy, financial and risk management.

Wendy L. Dixon, Ph.D. Dr. Dixon was appointed as one of our directors in April 2011. From December 2001 to May 2009, Dr. Dixon was Chief Marketing Officer and President, Global Marketing for Bristol-Myers Squibb, a biopharmaceutical company and served on the CEO's Executive Committee. From 1996 to 2001, she was Senior Vice President, Marketing at Merck and prior to that she held executive management positions at West Pharmaceuticals, Osteotech, Inc. and Centocor, Inc. and various positions at SmithKline & French Pharmaceuticals (now GlaxoSmithKline) in marketing, regulatory affairs, project management and as a biochemist. Dr. Dixon serves on the boards of directors of Furiex Pharmaceuticals, Inc., Orexigen Therapeutics, Inc., Incyte Corporation and Alkermes, Inc., and was previously a director of DENTSPLY International from 2005 to 2010. Dr. Dixon received her MSc and BSc in Natural Science and her Ph.D. in Biochemistry from the University of Cambridge. Dr. Dixon's 33-year career in the pharmaceutical and biotechnology business, combining a technical background and experience in drug development and regulatory affairs with commercial responsibilities in building and leading organizations and launching and growing more than 20 pharmaceutical products including Tagamet®, Fosamax®, Singulair®, Plavix®, Abilify®, Reyataz® and Baraclude®, brings to the Board a wealth of broad-ranging and hands-on experience in drug development.

Henry J. Fuchs, M.D. Dr. Fuchs has served as one of our directors since November 2001. Dr. Fuchs presently serves as Executive Vice President and Chief Medical Officer of BioMarin Pharmaceutical Inc., a position he has held since March 2009. Dr. Fuchs was the Executive Vice President and Chief Medical Officer of Onyx Pharmaceuticals, Inc. from September 2005 to December 2008. He served as our Chief Executive Officer from January 2003 until June 2005. Dr. Fuchs joined us as Vice President, Clinical Affairs in October 1996 and was appointed President and Chief Operating Officer in November 2001. From 1987 to 1996, Dr. Fuchs held various positions at Genentech, Inc. where, among other things, he had responsibility for the clinical program that led to the approval of Pulmozyme® for the treatment of cystic fibrosis. Dr. Fuchs was also responsible for the Phase III development program that led to the approval of Herceptin® for the treatment of metastatic breast cancer. Dr. Fuchs received an M.D. degree from George Washington University and a B.A. degree in biochemical sciences from Harvard University. Dr. Fuchs' experience in senior management and the biotechnology industry provide strategic and practical knowledge to our Board related to regulatory, clinical research and other operational areas in our industry.

Craig A. Johnson. Mr. Johnson has served as one of our directors since July 2008. Mr. Johnson presently serves as the Chief Financial Officer of NovaDel Pharma Inc., a position he has held since June 2010. Mr. Johnson was the Vice President of TPTX, Inc., a wholly owned subsidiary of Raptor Pharmaceutical Corp from October 2009 to March 2010, and served as the Vice President and Chief Financial Officer of TorreyPines Therapeutics, Inc. from 2004 until its sale to Raptor Pharmaceuticals Corp. in 2009. From 1994 to 2004, Mr. Johnson was employed by MitoKor, Inc. and last held the position of Chief Financial Officer and Senior Vice President of Operations. Prior to joining MitoKor, he was a senior financial executive for several early-stage technology companies. From 1984 to 1988, Mr. Johnson worked for the accounting firm Price Waterhouse LLP. He has been actively involved in the Association

of Bioscience Financial Officers since 1998. Mr. Johnson received his B.B.A. in accounting from the University of Michigan and is a certified public accountant. He is also a director of Adamis Pharmaceuticals Corporation. Mr. Johnson's extensive public accounting, financial and executive management background provide valuable financial and accounting experience and auditing expertise to our Board.

Table of Contents

John W. Poyhonen. Mr. Poyhonen was appointed as a director in June 2007. Mr. Poyhonen is currently the President and Chief Operating Officer of Senomyx, Inc. He joined Senomyx in October 2003 as Vice President and Chief Business Officer and was promoted in April 2004 to Vice President and Chief Financial and Business Officer. He was promoted to his current position in September 2009. From 1996 until October 2003, Mr. Poyhonen served in various sales and marketing positions for Agouron Pharmaceuticals, a Pfizer, Inc. company, most recently as Vice President of National Sales. Prior to holding this position, Mr. Poyhonen served as Vice President of Marketing and Vice President of National Accounts. Mr. Poyhonen received his B.A. in Marketing from Michigan State University and his M.B.A. from the University of Kansas. Mr. Poyhonen's understanding of the biotechnology and pharmaceutical industries coupled with his broad management experience and responsibilities through the course of his career, provide relevant experience to our Board in a number of areas, including corporate and commercial strategy, business development risk management, financial and operational areas.

Barry D. Quart, Pharm.D. Dr. Quart was elected as a director and appointed as our President and Chief Executive Officer on December 21, 2006. From 2002 until December 2006, Dr. Quart was President of Napo Pharmaceuticals, Inc., where he was instrumental in bringing the company public on the London Stock Exchange in July 2006. Prior to Napo, Dr. Quart was Senior Vice President, Pfizer Global Research and Development and the Director of Pfizer's La Jolla Laboratories, where he was responsible for approximately 1,000 employees and an annual budget of almost \$300 million. Prior to Pfizer's acquisition of the Warner-Lambert Company, Dr. Quart was President of Research and Development at Agouron Pharmaceuticals, Inc., a division of the Warner-Lambert Company, since 1999. Dr. Quart joined Agouron in 1993 and was instrumental in the development and registration of nelfinavir (Viracept®), which went from the lab bench to NDA approval in 38 months. Dr. Quart spent over ten years at Bristol-Myers Squibb in both Clinical Research and Regulatory Affairs prior to Agouron and was actively involved in the development and registration of important drugs for the treatment of HIV and cancer, including paclitaxel (Taxol®), didanosine (Videx®), and stavudine (Zerit®). Dr. Quart currently serves as a director of Trimeris, Inc. He has a Pharm.D. from the University of California, San Francisco. Dr. Quart, with his three decades of experience in the biotechnology and pharmaceuticals industries and years in senior management as described above, brings necessary historic knowledge and continuity and invaluable experience to the Board and the entire organization at Ardea.

Kevin C. Tang. Mr. Tang has served as one of our directors since May 2003. Mr. Tang is the Managing Director of Tang Capital Management, LLC, a life sciences-focused investment company he founded in August 2002. From September 1993 to July 2001, Mr. Tang held various positions at Deutsche Banc Alex. Brown, Inc., an investment banking firm, most recently serving as Managing Director and head of the firm's life sciences research group. Mr. Tang currently serves as a director of A.P. Pharma, Inc. He was previously a director of Trimeris, Inc. until 2009 and Penwest Pharmaceuticals Co. until 2010. Mr. Tang received a B.S. degree from Duke University. Mr. Tang's investment and leadership experience in the healthcare industry provides relevant expertise in strategic areas, as well as in-depth knowledge of the healthcare industry, providing valuable insight and guidance to the Board for matters such as corporate strategy, financial and risk management, among others.

Jack S. Remington, M.D. Dr. Remington, age 80, has served as one of our directors since October 1996. Dr. Remington currently serves as Professor Emeritus (active), Department of Medicine, Division of Infectious Diseases and Geographic Medicine, at the Stanford University School of Medicine and as a consultant to the Research Institute of the Palo Alto Medical Foundation. He has been at Stanford and the Palo Alto Medical Foundation for more than 40 years. In addition, Dr. Remington serves as a consultant for leading pharmaceutical companies with regard to antibiotic research and development and has served on numerous editorial boards of medical and scientific journals. He is a past President of the Infectious Disease Society of America. Dr. Remington is a nationally and internationally recognized authority in the field of infectious disease medicine, and has received numerous awards including the Gold Medal from the Royal College of Physicians, London, England in 1999 and the 1996 Bristol Award of the Infectious Disease Society of America. Dr. Remington's experience in the pharmaceutical and biotechnology industries and scientific background provide practical knowledge to our Board related to scientific, regulatory, clinical research and other operational areas in our industry.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of The Board of Directors

As required under the Nasdaq Stock Market listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent as affirmatively determined by the Board. The Board of Directors consults with the Company's outside counsel to ensure that the Board of Directors' determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and the Company, its senior management and its independent registered public accounting firm, the Board has affirmatively determined that the following seven directors are independent directors within the meaning of the applicable Nasdaq listing standards: Dr. Baker, Dr. Dixon, Dr. Fuchs, Mr. Johnson, Mr. Poyhonen, Dr. Remington and Mr. Tang. In making this determination, the Board found that none of the above directors had a material or other disqualifying relationship with the Company. Dr. Quart is not independent under the Nasdaq rules by virtue of his current employment with the Company.

Meetings of the Board of Directors

During the fiscal year ended December 31, 2010, the Board of Directors held ten meetings, including telephone conference meetings, and acted by unanimous written consent three times. During the fiscal year ended December 31, 2010, each member of the Board of Directors attended 75% or more of the aggregate of the meetings of the Board of Directors and of the committees on which he served, held during the period for which he was a director or committee member, respectively.

Director Nominations

Qualifications and Process. The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance

Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee by majority vote.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on

Table of Contents

whether or not the candidate was recommended by a stockholder. The Company's Board has adopted a written Policy Regarding Stockholder Recommendations of Director Nominees that is available to stockholders on the Company's website at www.ardeabio.com. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become Company nominees for election to the Board at annual stockholders meetings must do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: 4939 Directors Place, San Diego California 92121, Attn: Secretary, no sooner than 120 days and no later than 90 days prior to the anniversary date of the last Annual Meeting of Stockholders, subject to adjustment as set forth in the Company's Bylaws. Submissions must include the name and address of the stockholder on whose behalf the submission is made, the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of the Company's stock, has been a holder for at least one year and the number of Ardea shares beneficially owned by the stockholder. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. Any stockholder who holds in excess of 15% of our outstanding voting stock on an as converted basis may call a special meeting of the stockholders of the Company for any purpose, including the election of directors, by giving notice to the Company identifying the matters to be considered at such meeting. In connection with any such special meeting the policies and procedures described in this paragraph do not apply. The Company is not required to solicit proxies on behalf of the greater than 15% stockholder, nor will the Company or the Company's Board be required to make any recommendation with respect to any matter to be considered at such meeting.

Information Regarding Committees of the Board of Directors

The Board of Directors currently has three committees: an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee.

A description of each committee of the Board of Directors follows. Each of the committees has authority to engage legal counsel or other experts or consultants, as it deems appropriate to carry out its responsibilities. The Board of Directors has determined that, except as specifically described below, each member of each committee meets the applicable Nasdaq rules and regulations regarding independence and that each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to the Company.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board of Directors to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of, and assesses the qualifications of, the independent auditors; determines and approves the engagement of the independent auditors; determines whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors; reviews and approves the retention of the independent auditors to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent auditors on the Company's audit engagement team as required by law; reviews and approves or rejects transactions between the Company and any related persons; confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and meets to review the Company's annual audited financial statements and quarterly financial statements with management and the independent auditor, including reviewing the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. The Audit Committee is comprised of

three directors: Dr. Fuchs and Messrs. Johnson and Poyhonen. The Audit Committee met four times and acted by unanimous written consent one time during 2010. The Audit Committee has adopted a written charter that is available to stockholders on the Company's website at www.ardeabio.com.

Table of Contents

The Company has an Open Door Policy for Reporting Complaints Regarding Accounting and Auditing Matters that describes how stockholders can communicate with the Audit Committee with respect to accounting and auditing concerns, which is available on the Company's website at www.ardeabio.com. All communications directed to the Audit Committee in accordance with this policy will be promptly and directly forwarded to the Audit Committee.

The Board of Directors reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the Nasdaq listing standards). The Board of Directors has also determined that Mr. Johnson qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Board of Directors made a qualitative assessment of Mr. Johnson's level of knowledge and experience based on a number of factors, including his formal education and 20 years of financial management experience.

Report of the Audit Committee of the Board of Directors*

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2010 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the PCAOB regarding the independent accountants' communication with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence.. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

Compensation Committee

The Compensation Committee is composed of three directors: Mr. Poyhonen, Dr. Remington and Mr. Tang. As noted above, Dr. Remington informed the Company that he will retire from the Board effective as of the date of the 2011 Annual Meeting. All members of the Company's Compensation Committee are independent as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards. The Compensation Committee met four times and acted by unanimous written consent two times in 2010 in accordance with the adopted written charter that is available to stockholders on the Company's website at www.ardeabio.com.

The Compensation Committee of the Board of Directors acts on behalf of the Board to review, adopt and oversee the Company's compensation strategy, policies, plans and programs, including:

*** The material in this report is not soliciting material, is not deemed filed with the Commission, and is not to be incorporated by reference in any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.**

establishment of corporate and individual performance objectives relevant to the compensation of the Company's executive officers and directors and evaluation of performance in light of these stated objectives;

review and approval of the compensation and other terms of employment or service, including severance and change-in-control arrangements, of the Company's Chief Executive Officer and the other executive officers, vice presidents and directors; and

administration of the Company's equity compensation plans, 401(k) plan and other similar plans and programs.

The Compensation Committee also reviews with management the Company's Compensation Discussion and Analysis and considers whether to recommend that it be included in the Company's proxy statement for each annual meeting of stockholders.

Compensation Committee Processes and Procedures

The Compensation Committee meets quarterly, or with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, Mr. Poyhonen, in consultation with the Chief Executive Officer and other members of senior management, including human resources. The Compensation Committee also meets regularly in executive session. From time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, provide financial or other background information or advice or otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company, as well as authority to obtain, at the expense of the Company, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms.

During the past fiscal year, the Compensation Committee engaged Compensia as independent compensation consultants. The Compensation Committee requested that Compensia:

evaluate and recommend a comparative, or peer group, of companies from which to perform analysis of competitive company performance and individual compensation levels for that group;

evaluate the competitiveness of our existing compensation strategy and practices in support of, and reinforcement of, our long-term strategic goals; and

assist in the refinement of our compensation strategy to develop an executive compensation program to execute that strategy.

In consultation with the Compensation Committee and senior management, Compensia ultimately developed recommendations that were presented to the Compensation Committee for its consideration. Following an active dialogue and modifications resulting from those discussions, the Compensation Committee approved the compensation for the Chief Executive Officer, other executive officers, vice presidents and directors.

Under its charter, the Compensation Committee may delegate authority to subcommittees, as appropriate. The Compensation Committee has formed a Non-Officer Stock Option Committee, or NOSOC, whose sole member is Dr. Quart, the Chief Executive Officer, to grant, within certain guidelines and without any further action required by the Compensation Committee, stock options to our employees who are not officers or vice presidents. The purpose of this delegation of authority is to enhance the flexibility of option administration and to facilitate the timely grant of options to non-management employees, particularly new employees, within specified limits approved by the Compensation Committee. The size of grants made by the NOSOC must be within limits pre-approved by the Compensation Committee. As part of its oversight function, the Compensation Committee reviews on a regular basis the grants made by the NOSOC.

Table of Contents

The Compensation Committee will consider matters related to individual compensation, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. Generally, the Compensation Committee's process would comprise two related elements: the determination of compensation components and levels and the establishment of performance objectives for the current year. For compensation of executives other than the Chief Executive Officer, the Compensation Committee will solicit and consider evaluations and recommendations submitted to the Compensation Committee by the Chief Executive Officer. In the case of the Chief Executive Officer's compensation, the evaluation of his performance will be conducted by the Compensation Committee, which recommends to the entire Board of Directors any adjustments to his compensation as well as awards to be granted for final determination. As part of its deliberations with respect to all executives and directors, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, Company stock performance data, analyses of historical executive compensation levels and current company-wide compensation levels, and recommendations of compensation consultants, including analyses of executive and director compensation paid at other companies.

The specific determinations of the Compensation Committee with respect to executive compensation for the year ended December 31, 2010 are described in greater detail in the Compensation Discussion and Analysis section of this proxy statement.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, selecting candidates for election to the Board of Directors, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of the Board, and developing a set of corporate governance principles for the Company. The Nominating and Corporate Governance Committee is composed of three directors: Dr. Fuchs, Dr. Remington and Mr. Tang. As noted above, Dr. Remington informed the Company that he will retire from the Board effective as of the date of the 2011 Annual Meeting. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards). The Nominating and Corporate Governance Committee met three times and acted by unanimous written consent one time during 2010. The Nominating and Corporate Governance Committee has adopted a written charter that is available to stockholders on the Company's website at www.ardeabio.com.

Board Leadership Structure

The Company does not currently have a Chairman of the Board or a lead independent director. Mr. Quart conducts meetings of the Board of Directors and facilitates the formation of an agenda for each meeting based on input from the other directors and our management. Each of the directors, other than Dr. Quart, is independent and the Board of Directors believes that the independent directors have been able to act collaboratively to provide effective oversight of management. Moreover, in addition to feedback provided during the course of Board of Directors meetings, the independent directors have regular executive sessions. Following an executive session of independent directors, the independent directors communicate with Dr. Quart regarding any specific feedback or issues, provide Dr. Quart with input regarding agenda items for Board of Directors and Committee meetings, and coordinate with Dr. Quart regarding information to be provided to the independent directors in performing their duties. The Board of Directors believes that this structure provides a flexible, appropriate and effective approach to management of the Board of Directors' functions.

Role of Board in Risk Oversight Process

The responsibility for the day-to-day management of risk lies with the Company's management, while the Board of Directors is responsible for overseeing the risk management process to ensure that it is properly designed, well-functioning and consistent with the Company's overall corporate strategy. The Company's management

Table of Contents

identifies what it believes are the top individual risks facing the Company. These risks are then discussed and analyzed with the Board of Directors. This enables the Board of Directors to coordinate the risk oversight role, particularly with respect to risk interrelationships. However, in addition to the Board of Directors, the committees of the Board of Directors consider the risks within their areas of responsibility. The Audit Committee oversees the risks associated with the Company's financial reporting and internal controls, the Compensation Committee oversees the risks associated with the Company's compensation practices, including an annual review of the Company's risk assessment of its compensation policies and practices for its employees, and the Nominating and Corporate Governance Committee oversees the risks associated with the Company's overall governance, corporate compliance policies and its succession planning process.

Stockholder Communications With The Board Of Directors

The Company's Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board or an individual director may do so by sending written communications addressed to the Secretary of Ardea at 4939 Directors Place, California 92121. The Company's Board has adopted a written Process for Stockholder Communications with the Board of Directors that is available to stockholders on the Company's website at www.ardeabio.com. All communications will be compiled by the Secretary of the Company, reviewed to determine whether they should be presented to the Board or the individual directors, and submitted to the Board, a committee of the Board or the individual directors on a periodic basis. The purpose of this screening is to allow the Board or individual directors to avoid having to consider irrelevant or inappropriate communications (such as advertisements, solicitations and hostile communications). The screening procedures have been approved by a majority of the independent directors of the Board. All communications directed to the Audit Committee in accordance with the Company's Open Door Policy for Reporting Complaints Regarding Accounting and Auditing Matters involving the Company will be promptly and directly forwarded to the Audit Committee. If no particular director is named, letters will be forwarded, depending upon the subject matter, to the Chair of the Audit, Compensation, or Nominating and Corporate Governance Committee.

Code Of Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees. The Code of Business Conduct and Ethics is available on our website at www.ardeabio.com. If we make any substantive amendments to the Code of Business Conduct and Ethics or grant any waiver from a provision thereof to any executive officer or director, we will promptly disclose the nature of the amendment or waiver on our website. The Code of Business Conduct and Ethics meets the requirements defined by Item 406 of Regulation S-K.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected Marcum LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011 and has further directed that management submit the selection of independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

Stonefield Josephson, Inc. (Stonefield) had audited the Company's financial statements since we engaged them in October 2004. On October 1, 2010, Stonefield combined its practice with Marcum LLP and began practicing in California and Hong Kong as MarcumStonefield, a division of Marcum LLP . Accordingly, effective October 1, 2010, Stonefield effectively resigned as the Company's independent registered public accounting firm and Marcum LLP became the Company's independent registered public accounting firm. This change in the Company's independent registered public accounting firm was approved by the Audit Committee of the Company's Board of Directors on October 1, 2010.

The principal accountant's reports of Stonefield on the financial statements of the Company as of and for the years ended December 31, 2008 and 2009 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 31, 2008 and 2009 and through the effective date of the merger between Stonefield and Marcum LLP, there were no disagreements with Stonefield on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which if not resolved to Stonefield's satisfaction would have caused it to make reference thereto in connection with its reports on the financial statements for such years. During the years ended December 31, 2008 and 2009 and through October 1, 2010, there were no reportable events of the type described in Item 304(a)(1)(v) of Regulation S-K.

During the years ended December 31, 2008 and 2009 and through October 1, 2010, the effective date of the merger between Stonefield and Marcum LLP, the Company did not consult with Marcum LLP with respect to any of (i) the application of accounting principles to a specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements; or (iii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or an event of the type described in Item 304(a)(1)(v) of Regulation S-K.

Representatives of Marcum LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the selection of Marcum LLP as the Company's independent registered public accounting firm. However, the Board is submitting the selection of Marcum LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

Required Vote

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting will be required to ratify the selection of Marcum LLP. Abstentions will be counted toward

the tabulation of votes cast on proposals presented to the stockholders and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Table of Contents**The Board Of Directors Recommends****A Vote In Favor Of Proposal 2.****Principal Accountant Fees and Services**

During the fiscal year ended December 31, 2010, the Audit Committee, reviewed and approved all audit and non-audit service engagements, after giving consideration as to whether the provision of such services was compatible with maintaining the independence of Marcum LLP.

The following table represents aggregate fees billed to us for the fiscal years ended December 31, 2010 and December 31, 2009, by Marcum LLP and/or Stonefield Josephson, Inc.

	Fiscal Year Ended	
	2010	2009
Audit fees(1)	\$ 279,175	\$ 261,639
Audit-related fees(2)	47,450	27,210
Tax fees		
All other fees		
	\$ 326,625	\$ 288,849

- (1) The fees identified under the Audit Fees caption were for professional services rendered by Marcum LLP and/or Stonefield Josephson, Inc. for the audit of our annual financial statements and internal control over financial reporting and for the review of the financial statements included in our quarterly reports on Form 10-Q. The amounts also include fees for services that are normally provided by the auditor in connection with regulatory filings and engagements for the years identified.
- (2) The audit-related fees for 2010 include fees for procedures performed in fiscal year 2010 in connection with registration statements on Form S-3. The audit-related fees for 2009 include fees for procedures performed in fiscal year 2009 in connection with registration statements on Forms S-3 and S-8.

All fees described above were approved in advance by the Audit Committee. During the fiscal year ended December 31, 2010 and 2009, none of the total hours expended on our financial audit by Marcum LLP or Stonefield Josephson, Inc. were provided by persons other than Marcum LLP or Stonefield Josephson's full-time permanent employees.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent auditor, Marcum LLP. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services, and tax services. Pre-approval may also be given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor or on an individual explicit case-by-case basis before the independent auditor is engaged to provide each service. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be reported to the full

Audit Committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of the services other than audit services by Marcum LLP is compatible with maintaining the principal accountant's independence.

PROPOSAL 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Exchange Act, the Company's stockholders are now entitled to vote to approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in this proxy statement in accordance with SEC rules. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in this proxy statement.

The compensation of the Company's named executive officers subject to the vote is disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosure contained in this proxy statement. As discussed in those disclosures, the Company believes that its compensation policies and decisions are focused on pay-for-performance principles; strongly aligned with our stockholders' interests; and consistent with current market practices. Compensation of the Company's named executive officers is designed to enable the Company to attract and retain talented and experienced executives to lead the Company successfully in a competitive environment.

Accordingly, the Board is asking the stockholders to indicate their support for the compensation of the Company's named executive officers as described in this proxy statement by casting a non-binding advisory vote FOR the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.

Because the vote is advisory, it is not binding on the Board of Directors or the Company. Nevertheless, the views expressed by the stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the annual meeting.

**The Board Of Directors Recommends
A Vote In Favor Of Proposal 3.**

PROPOSAL 4

**ADVISORY VOTE ON THE FREQUENCY OF SOLICITATION OF
ADVISORY STOCKHOLDER APPROVAL OF EXECUTIVE COMPENSATION**

The Dodd-Frank Act and Section 14A of the Exchange Act also enable the Company's stockholders to indicate their preference regarding how frequently the Company should solicit a non-binding advisory vote on the compensation of the Company's named executive officers as disclosed in the Company's proxy statements. Accordingly, the Company is asking stockholders to indicate whether they would prefer an advisory vote every year, every other year or every three years. Alternatively, stockholders may abstain from casting a vote.

After considering the benefits and consequences of each alternative, the Board recommends that the advisory vote on the compensation of the Company's named executive officers be submitted to the stockholders once every year.

The Board believes that yearly advisory vote on the compensation of the Company's named executive officers will most effectively provide the Company's stockholders with timely input on the Board's annual executive compensation decisions and allow the Board to consider this input in the next compensation decision cycle.

Accordingly, the Board is asking stockholders to indicate their preferred voting frequency by voting for one, two or three years, or abstaining from voting, on the resolution below:

RESOLVED, that the alternative of soliciting advisory stockholder approval of the compensation of the Company's named executive officers once every one, two or three calendar years that receives the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the annual meeting shall be considered the frequency preferred by the stockholders.

While the Board believes that its recommendation is appropriate at this time, the stockholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preferences, on an advisory basis, as to whether the non-binding advisory vote on the approval of the Company's executive officer compensation practices should be held every year, every other year or every three years. The option among those choices that receives the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the annual meeting will be deemed to be the frequency preferred by the stockholders.

The Board and the Compensation Committee value the opinions of the stockholders in this matter and, to the extent there is any significant vote in favor of one frequency over the other options, even if less than a majority, the Board will consider the stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and therefore not binding on the Board of Directors or the Company, the Board may decide that it is in the best interests of the stockholders that the Company hold an advisory vote on executive compensation more or less frequently than the option preferred by the stockholders. The vote will not be construed to create or imply any change or addition to the fiduciary duties of the Company or the Board.

**The Board Of Directors Recommends
A Vote In Favor Of One Year On Proposal 4.**

Table of Contents**Executive Officers**

The following table sets forth certain information about our executive officers as of the date of this proxy statement:

Name	Age	Position Held With the Company
Barry D. Quart, Pharm.D.	54	President and Chief Executive Officer / Director
Stephen R. Davis	50	Executive Vice President and Chief Operating Officer
John W. Beck	51	Senior Vice President, Finance and Operations and Chief Financial Officer
David T. Hagerty, M.D.	56	Senior Vice President and Chief Medical Officer
Kimberly J. Manhard	51	Senior Vice President of Regulatory Affairs and Development Operations

Barry D. Quart, Pharm.D. Dr. Quart's background is described above under Election of Directors.

Stephen R. Davis. Mr. Davis was appointed as our Executive Vice President and Chief Operating Officer on April 6, 2010. Mr. Davis was previously the President and Chief Executive Officer of Neurogen Corporation, a biotechnology company, which was acquired by Ligand Pharmaceuticals in December 2009. Prior to being named Chief Executive Officer of Neurogen in February 2008, Mr. Davis served as Chief Operating Officer of Neurogen beginning in April 2005 and Vice President from September 2001 through April 2005. Mr. Davis was also a director of Neurogen. Mr. Davis joined Neurogen in 1994 as Vice President of Finance and Chief Financial Officer. From 1990 through June 1994, Mr. Davis was employed by Milbank, Tweed, Hadley & McCloy LLP as a corporate and securities attorney. Previously, Mr. Davis practiced as a Certified Public Accountant with Arthur Andersen & Co. Mr. Davis received his B.S. in Accounting from Southern Nazarene University and a J.D. from Vanderbilt University.

John W. Beck. Mr. Beck was appointed as our Senior Vice President, Finance and Operations and Chief Financial Officer on May 27, 2008. Mr. Beck possesses more than 22 years of financial management experience. He was previously one of the founders of Metabasis Therapeutics, Inc. where he served as Senior Vice President of Finance, Treasurer and Chief Financial Officer. Prior to co-founding Metabasis, he served as Director of Finance at Neurocrine Biosciences, Inc. Mr. Beck previously held financial management positions at high technology and financial services companies including General Dynamics and Ernst and Young LLP. Mr. Beck received a BA in accounting from the University of Washington and also holds a ThB in theology from a Seattle, Washington-based seminary. Mr. Beck is a licensed certified public accountant in the state of California (inactive status) and is a member of the American Institute of Certified Public Accountants, the Association of Bioscience Financial Officers and Financial Executive's International.

David T. Hagerty, M.D. Dr. Hagerty was appointed as our Senior Vice President and Chief Medical Officer on March 1, 2011. He previously served as a Vice President of Immunology and Rheumatology Clinical Research at Biogen Idec Inc., since 2006. In this role, he was in charge of the Late Development Rheumatology Group and played a lead role in the joint development of Rituxan® (rituximab) for rheumatoid arthritis and lupus with development partner, Genentech. Previously, Dr. Hagerty held several management roles at the Bristol-Myers Squibb Pharmaceutical Research Institute from 1997 through 2006, where he most recently served as Executive Director of Immunology Global Clinical Research and was the medical lead for the Orenicia® (abatacept) clinical development program. Dr. Hagerty received an M.D. degree from St. Louis University of Medicine and a B.S. degree from the University of Notre Dame.

Kimberly J. Manhard. Ms. Manhard was appointed as our Senior Vice President of Regulatory Affairs and Development Operations on December 21, 2006. In May 2008, her title was changed to Senior Vice President of Regulatory Affairs and Development Operations. Prior to that Ms. Manhard was President of her own consultancy since 2003, specializing in the development of small molecules intended for the treatment of antiviral, oncology, central nervous system (CNS), and gastrointestinal indications, and was responsible for filing five initial US INDs and multiple clinical trial applications in the European Union and Canada. Prior to starting her consultancy, Ms. Manhard was Vice President of Regulatory Affairs for Exelixis, Inc. Previously, she was Head of Regulatory Affairs for Agouron Global Commercial Operations (a Pfizer company) supporting marketed HIV products. She joined Agouron in 1996 as Director of Regulatory Affairs responsible for anticancer and antiviral products, including nelfinavir (Viracept®). Prior to Agouron, she was with Bristol-Myers Squibb for over five years in

Regulatory Affairs and was responsible for investigational oncology compounds, including paclitaxel (Taxol®), and infectious disease compounds, including didanosine (Videx®) and stavudine (Zerit®). Ms Manhard began her industry career in Clinical Research with Eli Lilly and Company and G.H. Besselaar Associates (Covance). She earned a B.S. in Zoology and a B.A. in French from the University of Florida.

Security Ownership Of**Certain Beneficial Owners And Management**

The following table sets forth certain information regarding the ownership of our common stock by: (i) each director and nominee for director; (ii) each of the executive officers named in the Summary Compensation Table; (iii) all of our executive officers and directors as a group; and (iv) each person or group of affiliated persons known by us to be beneficial owners of more than five percent of our common stock. Except as indicated below, all information is as of April 1, 2011. The table is based upon information supplied by our officers, directors and principal stockholders and a review of Schedules 13D and 13G, if any, filed with the SEC. Unless otherwise indicated in the footnotes to the table and subject to community property laws where applicable, we believe that each of the stockholders named in the table has sole voting and investment power with respect to the shares indicated as beneficially owned.

Applicable percentages are based on 26,660,586 shares outstanding on April 1, 2011. Shares of common stock that (a) may be issued upon the exercise of warrants and (b) are subject to options to purchase common stock that were exercisable as of April 1, 2011 or that will become exercisable within 60 days after April 1, 2011 are deemed outstanding for purposes of computing the percentage of the person or group holding such convertible stock, warrants or options, but are not deemed outstanding for computing the percentage of any other person or group.

Shares Available for Issuance Under Equity Compensation Plans

The following table provides certain information with respect to all of our equity compensation plans in effect as of December 31, 2010.

Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options, Warrants and Rights (a)	Weighted-Average Exercise Price of Outstanding Options, Warrants and Rights (b)	Number of Securities Remaining Available for Issuance Under Equity Compensation Plans (Excluding Securities Reflected in Column (a))
Equity compensation plans approved by security holders			
2000 Employee Stock Purchase Plan(1)		\$	171,187
2004 Stock Incentive Plan(2)	3,538,191	14.46	948,019
Equity compensation plans not approved by security holders			

2002 Non-Officer Equity Incentive Plan				128,184
Total	3,538,191	\$	14.46	1,247,390

- (1) The 2000 Employee Stock Purchase Plan included an annual evergreen provision which provided that on December 31st of each year, the number of reserved shares were increased automatically by the lesser of (i) 1% of the total amount of shares of common stock outstanding, (ii) 500,000 shares or (iii) a lesser amount determined by the Board. This plan was suspended in March 2003 and reinstated in October 2007. During the period of suspension, no additional shares were added pursuant to this evergreen provision. The evergreen provision expired and the final increase under the provision occurred on December 31, 2008.
- (2) The number of shares of common stock reserved for issuance under the 2004 Stock Incentive Plan automatically increases on the first trading day in January each calendar year, beginning in calendar year 2005, by an amount equal to five percent of the sum of the following share numbers, calculated as of the last trading day in December of the immediately preceding calendar year: (i) the total number of shares of our common stock outstanding on that date and (ii) the number of shares of common stock into which the outstanding shares of our preferred stock are convertible on that date. In no event will any such annual increase exceed 2,000,000 shares.

Table of Contents

Accordingly, the number of shares available for issuance increased by 1,168,349 from the number shown in the table above, on January 3, 2011.

The following is a brief summary of material features of the 2002 Non-Officer Equity Incentive Plan, which was adopted without stockholder approval:

2002 Non-Officer Equity Incentive Plan

General. Our 2002 Non-Officer Equity Incentive Plan (the Non-Officer Equity Plan) provides for stock awards, including grants of nonstatutory stock options, stock bonuses or rights to acquire restricted stock, to employees and consultants who are not our executive officers. Executive officers not previously employed by us may also be granted stock awards as an inducement to their entering into an employment agreement with us. An aggregate of 208,333 shares of common stock have been authorized for issuance under the Non-Officer Equity Plan. As of December 31, 2009, there were no outstanding options to purchase common stock and 128,184 shares of common stock remained available for future grant. There have been 80,149 shares of common stock issued pursuant to the exercise of options granted under the plan since inception. The exercise price per share of options granted under the Non-Officer Equity Plan may not be less than 85% of the fair market value of our common stock on the date of the grant. Options granted under the Non-Officer Equity Plan have a maximum term of ten years and typically vest over a four-year period. Options may be exercised prior to vesting, subject to repurchase rights in favor of us that expire over the vesting period. Shares issued under a stock bonus award may be issued in exchange for past services performed for us and may be subject to vesting and a share repurchase option in our favor. Shares issued pursuant to restricted stock awards may not be purchased for less than 85% of the fair market value of our common stock on the date of grant or at the time the purchase is consummated. Shares issued pursuant to restricted stock awards may be subject to vesting and a repurchase option in our favor.

Adjustment Provisions. Transactions not involving receipt of consideration by us for common stock subject to the Non-Officer Equity Plan, or subject to any stock award, such as a merger, consolidation, reorganization, stock dividend, or stock split, may change the type(s), class(es) and number of shares of common stock subject to the Non-Officer Equity Plan and outstanding awards. In that event, the Non-Officer Equity Plan will be appropriately adjusted as to the type(s), class(es) and the maximum number of shares of common stock subject to the Non-Officer Equity Plan, and outstanding awards will be adjusted as to the type(s), class(es), number of shares and price per share of common stock subject to such awards.

Effect of Certain Corporate Transactions. In the event of (i) the sale, lease or other disposition of all or substantially all of the assets of us, (ii) a merger, consolidation or similar transactions in which our pre-corporate transaction stockholders do not hold securities representing a majority of voting power in the surviving corporation, or (iii) an acquisition, other than by virtue of a merger, consolidation or similar transaction, by any person, entity or group of our securities representing at least fifty percent (50%) of the combined voting power of our then outstanding securities (each, a corporate transaction), the surviving or acquiring corporation may continue or assume awards outstanding under the Non-Officer Equity Plan or may substitute similar awards.

If any surviving or acquiring corporation does not assume such awards or substitute similar awards, then with respect to awards held by participants whose service with us has not terminated as of the effective date of the transaction, the vesting of such awards will be accelerated in full, any reacquisition or repurchase rights held by us shall lapse, and the awards will terminate if not exercised (if applicable) at or prior to such effective date. With respect to any other awards, the vesting of such awards will not accelerate and the awards will terminate if not exercised (if applicable) at or prior to such effective date.

However, the following special vesting acceleration provisions will be in effect for all corporate transactions in which the outstanding awards under the plan are to be assumed or replaced: (i) the awards held by employees will vest and become immediately exercisable as to half of the otherwise unvested shares underlying those awards, (ii) the awards held by executives (vice president or higher) will vest with respect to the remaining unvested shares underlying those awards should either of the following events occur within 13 months after the transaction: the executive's employment is involuntarily terminated without cause (as defined in the Non-Officer Equity Plan) or the executive voluntarily resigns for good reason (as defined in the Non-Officer Equity Plan) and (iii) the awards held

Table of Contents

by non-employee Board members will vest and become immediately exercisable as to all shares underlying the award.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and executive officers and persons who own more than ten percent of our common stock and other equity securities to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2010, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten percent beneficial owners were satisfied on a timely basis.

Executive Compensation

Compensation Discussion and Analysis

General

The following Compensation Discussion and Analysis describes the material elements of compensation for our Named Executive Officers for 2010: Barry D. Quart, Pharm.D., President and Chief Executive Officer; Stephen R. Davis, Executive Vice President and Chief Operating Officer; John W. Beck, Senior Vice President, Finance and Operations and Chief Financial Officer; Kimberly J. Manhard, Senior Vice President Regulatory Affairs and Development Operations; and Christopher W. Krueger, our former Senior Vice President and Chief Business Officer. Mr. Davis joined our Company in April 2010. Mr. Krueger departed our Company in September 2010.

Our Compensation Committee is primarily responsible for decisions regarding compensation of our executive officers, other than our Chief Executive Officer, for whom compensation decisions are made by the full Board taking into account recommendations from the Compensation Committee.

Our goal is to provide a competitive total compensation package with significant emphasis on pay-for-performance. Accordingly, we favor equity and discretionary rewards over guaranteed cash compensation in order to drive accomplishments that enhance stockholder value and align the interests of our executives and our stockholders. This means that our executives will not realize the total potential value of their compensation package unless performance goals, the significant majority of which are directly tied to Company performance, are achieved. The Compensation Committee believes that our executive compensation program is appropriately designed and reasonable in light of the executive compensation programs of our peer group companies and responsible in that it is designed to incent our management team to achieve our short- and long-term corporate objectives while effectively managing business risks and challenges.

Compensation Consultants Participation in Compensation Decisions

For each of the past four years, the Compensation Committee has engaged Compensia, an independent compensation consulting firm, to assist in the process of peer group selection and related data analysis to determine relevant market practices with respect to executive compensation levels and mix. Compensia did not provide us with any other services during any of these years, and all of Compensia's services were performed under the direction of the Compensation Committee. Based on information and analysis from Compensia, the Compensation Committee approved in the first half of 2010 a peer group comprised of 20 companies in the biotechnology industry. Inclusion criteria consist of similarities to us at the time of selection with respect to market capitalization, stage of development, therapeutic area, number of employees and location. Changes in the companies comprising the 2010 peer group from the 2009 peer group were primarily due to companies either being acquired or no longer operational and/or the factors that we used for peer group selection that changed materially for us or for a peer group company (e.g., significant changes in market capitalization or head count, etc.). The 2010 peer group includes:

Affymax
Alnylam Pharmaceuticals
Amag Pharmaceuticals
Arena Pharmaceuticals
Cadence Pharmaceuticals
Clinical Data

Inspire Pharmaceuticals
Lexicon Pharmaceuticals
Momenta Pharmaceuticals
Optimer Pharmaceuticals
Orexigen Therapeutics
Pain Therapeutics

Enzon Pharmaceuticals
Geron
Idenix Pharmaceuticals
Immunogen

Pharmasset
Rigel Pharmaceuticals
Targacept
Zymogenetics

The Compensation Committee also directed Compensia to conduct a market study of executive compensation and board of director compensation utilizing data from our peer group and the 2010 Radford Global Life Sciences

Table of Contents

Survey. In the fourth quarter of 2010, Compensia met with the Compensation Committee and presented benchmark information and its recommendations with respect to our executive compensation, based on their market study and the program goals, as articulated by the Compensation Committee. The Compensation Committee took these recommendations into account in the process of making its executive compensation decisions in the last half of 2010 and in establishing the 2011 bonus plan discussed below.

Compensation Program Objectives

Our compensation and benefits programs are designed to facilitate the achievement of our business goals and align our executives' interests with those of our stockholders. The programs' objectives are to:

Attract, engage and retain highly qualified and talented executives to help ensure our future success;

Motivate and inspire executive behavior that fosters and enhances stockholder value;

Support overall business objectives identified and approved by our Board; and

Provide differentiated compensation based on individual performance.

Consequently, the guiding principles of our programs are:

Overall compensation should be weighted in favor of equity and discretionary rewards rather than guaranteed cash compensation, such as base salary;

Cash compensation above and beyond base salary should be paid in a way that motivates employees to strive to achieve individual and corporate goals; and

Compensation programs should be straightforward and easy to understand and administer.

Our compensation programs are designed to pay for performance by rewarding activities that result in the accomplishment of our corporate goals and enhance stockholder value. Each element of compensation is designed to contribute to these objectives as follows:

Base salary and benefits are designed to attract and retain employees by providing baseline cash compensation sufficient to satisfy basic needs and at a level consistent with industry standards. We evaluate our welfare benefit offerings for competitiveness against market standards on an ongoing basis, and extend these benefits to our Named Executive Officers, as well as the general staff.

Annual performance-based cash bonuses are designed to focus executives on achieving our current-year objectives as defined in our business plan, which may evolve throughout the year. As discussed in more detail below, we require a minimum threshold of corporate performance prior to any cash bonus payment, and allow for payments ranging from 0% up to 150% of target bonus amounts based upon a combination of individual and corporate accomplishments against our stated objectives.

Long-term equity-based incentives, which consist primarily of stock options, are designed to reward executives for long-term success over several years and to provide an opportunity to attain above-market total compensation, to the extent that the achievement of our key corporate goals is reflected in anticipated increases in our stock price. This is in keeping with our philosophy of favoring compensation vehicles that reflect pay for performance. We also maintain an employee stock purchase plan in which all of our employees, including our

Named Executive Officers, are eligible to participate.

Severance and change-in-control arrangements are designed to attract and retain executives in an employment market where such protections are commonly offered and ensure that employees continue to remain focused on our business in the event of rumored or actual fundamental corporate changes, particularly where their employment may be terminated as a result of such changes.

Table of Contents**Elements of Executive Compensation****Base Salary.**

The initial base salary for each of our executive officers was negotiated with each officer at the time of hire, taking into account the executive's qualifications, experience, prior salary, competitive salary information and internal equity. The Compensation Committee evaluates base salaries for each of our executive officers annually. Salaries for our Named Executive Officers are determined each year by the Compensation Committee based on an assessment of each executive's performance against job responsibilities, overall Company performance, competitive salary information, internal equity considerations and current economic conditions. In assessing competitive salary information, the Compensation Committee reviews and considers peer group and survey information provided by Compensia, as previously described. Furthermore, when considering base salary, the Compensation Committee considers total cash compensation, comprised of both base salary and the annual cash bonus described below, as they relate to each executive officer's overall compensation package. The Compensation Committee targets base salary amounts for each executive position at the median of market, as determined by reference to our peer group and survey information. This practice is consistent with the Compensation Committee's philosophy of remaining competitive in attracting and retaining individuals with strong qualifications for a certain position, but favoring compensation vehicles such as discretionary bonuses and equity compensation that reflect pay for performance, over guaranteed cash compensation.

In December 2010, the Compensation Committee set annual base salaries for our Named Executive Officers to be in effect commencing January 1, 2011 through December 31, 2011. The 2011 base salaries for our Named Executive Officers are as follows:

Name Executive Officer	Base Salary (\$)		Increase Over
	2011	2010	2010 Salary
Barry D. Quart, Pharm.D.	500,000	460,000	8.7%
Stephen R. Davis	375,000	350,000	7.1%
John W. Beck	309,900	297,900	4.0%
Christopher W. Krueger		280,800	
Kimberly J. Manhard	313,000	300,900	4.0%

The year-over-year increases made reflected strong performances from each of these Named Executive Officers in 2010 and adjustments to bring these base salaries closer to the targeted median market levels of our new peer group comprised of companies with significantly higher market capitalizations than our previous peer group. Detailed base salary information for our Named Executive Officers is provided in the Summary Compensation Table.

Annual Performance-Based Bonus.

It is the Compensation Committee's objective to have a significant percentage of each executive officer's total compensation contingent upon our overall performance, as well as upon his or her own performance and contribution to our overall performance. This allows executive officers to receive bonus compensation in the event certain corporate and, if applicable, individual, performance measures are achieved. Individual performance measures for each executive vary with respect to area and level of responsibility and ability to influence our overall performance.

2010 Bonus Plan. In early 2010, the Compensation Committee approved the 2010 Bonus Plan for our management team, including the Named Executive Officers. Under this plan, each participant was assigned an incentive target that was expressed as a percentage of annual base salary, and the participant's incentive award was based on the achievement of pre-established corporate and individual goals, other than in the case of Dr. Quart and Mr. Davis, whose awards are based entirely on corporate goals. The following table describes target bonus amounts

Table of Contents

and weighting between corporate and individual performance goals for 2010 for each of our Named Executive Officers:

Named Executive Officer	Title	Bonus Target (% of Salary)	Goal Weighting Corp/Individual (%)
Barry D. Quart, Pharm.D.	President & Chief Executive Officer	50	100/0
Stephen R. Davis	Exec. Vice President, Chief Operating Officer	40	100/0
John W. Beck	Sr. Vice President, Finance & Operations, Chief Financial Officer	35	75/25
Christopher W. Krueger	Sr. Vice President, Chief Business Officer	35	75/25
Kimberly J. Manhard	Sr. Vice President, Regulatory Affairs & Development Operations	35	75/25

These target amounts were intended to ensure that a significant portion of the executives' overall cash compensation was at the discretion of the Board and tied to the achievement of our corporate goals. The goals of Dr. Quart and Mr. Davis are weighted entirely to corporate goals to reflect their overall responsibility and oversight of Company-wide functions as our Chief Executive Officer and Chief Operating Officer, respectively. The goals of our other Named Executive Officers are weighted heavily to the corporate goals as their responsibilities also involve Company-wide functions, but the individual goals are intended to recognize contributions in the area of responsibility that is particular to their respective positions.

The minimum required threshold level of goal achievement under the 2010 Bonus Plan was 50% of total target goals, below which no incentive award would be paid to an executive officer. This minimum required threshold was established to ensure that no awards would be paid if the results actually achieved were significantly below the total target goals. The Compensation Committee sets goals that it believes will be difficult for our executive officers to achieve. Consequently, achieving all of the target goals is only expected to occur if both corporate and individual performances are high. To further reinforce the compensation philosophy and guidelines to favor discretionary awards to recognize performance, the Compensation Committee provided for up to 150% of target bonus amounts to be paid in the case of exemplary performance. The Compensation Committee retains the discretion to adjust the corporate goals during the course of the year to reflect any significant shifts in our corporate priorities or strategy as determined by the Board of Directors.

Corporate goals for 2010 related to the following areas: (i) progress in pre-clinical programs, (ii) progress in clinical programs, (iii) progress in business development and partnering activities, and (iv) finance. Significant corporate objectives and milestones for 2010 included:

RDEA594 (Gout) – complete and report results of Phase 2b clinical studies and implement extension program for Phase 2b clinical studies.

RDEA119 (Cancer) – provide data from Phase 1 and Phase 1/2 clinical studies to our partner, Bayer HealthCare AG, to facilitate initiation of Phase 2 sorafenib combination clinical study and trigger related first milestone payment of \$15 million under our MEK inhibitor license agreement with Bayer;

Make significant progress in formulation work and pre-clinical studies of back-up compounds;

Consume one or more partnering transactions with respect to the Company's compounds;

Achieve targeted year-end cash expense level; and

Secure additional financing as required on favorable terms.

Table of Contents

Each executive's individual performance goals for 2010 were determined by Dr. Quart. The goals relate specifically to each individual's job function and generally encompass for each individual the following:

Named Executive Officer

Goal Description

John W. Beck
Sr. Vice President, Finance & Operations, Chief Financial Officer

For the year ended December 31, 2010, achieve a cash expense level of less than \$53.0 million, as it may be adjusted by the Board of Directors from time to time
 Improve and maintain accounting, disclosure and forecasting systems, SEC compliance standards, risk management and media relations
 Maintain effective management, development and leadership of staff

Christopher W. Krueger
Sr. Vice President, Chief Business Officer

Identify, execute and manage collaborative and strategic relationships
 Manage legal matters and business development projects and related budgets
 Maintain effective management, development and leadership of staff

Kimberly J. Manhard
Sr. Vice President, Regulatory Affairs & Development Operations

Achieve clinical development and regulatory goals and milestones, as publicly disclosed from time to time
 Manage clinical development projects, maintain regulatory applications and communications and related budgets
 Manage and maintain compliance for manufacturing, laboratory and clinical functions
 Maintain effective management, development and leadership of staff

In determining actual performance, the Compensation Committee does not place specific weightings on the goals noted above, but performs, with recommendations from Dr. Quart, a holistic and subjective assessment of each individual executive officer's performance against these goals, taking into account the relative importance to our Company of each goal. As with the achievement of corporate goals, the percentage of individual goals achieved can range in value between 0% and 150%. To the extent individuals meet their individual goals, the value would be 100%. As performance falls short of or exceeds the goals, values will fall below or above 100%, subject to the 150% maximum. An individual must meet at least 50% of his or her individual performance goals in order to receive any portion of the bonus award attributable to individual performance goals. The Compensation Committee believes that the objectives underlying the individual goals for each Named Executive Officer are significant and meaningful to our Company's performance and value and, therefore, are reasonably difficult to attain.

After making the determinations described above, individual bonuses under the 2010 Bonus Plan are then calculated as follows:

Bonus = X+Y, where

$X = (\text{Base Salary} \times \% \text{ Target} \times \% \text{ of corporate goals achieved} \times \% \text{ weight given to corporate goals})$

$Y = (\text{Base Salary} \times \% \text{ Target} \times \% \text{ of individual goals achieved} \times \% \text{ weight given to individual goals}).$

The below Grants of Plan-Based Awards table shows the awards that could have been earned under the 2010 Bonus Plan, and the awards actually earned are included in the below Summary Compensation Table. In December 2010, the Compensation Committee reviewed our Company's achievements and the contributions of each executive toward corporate milestones and determined that 100% of the weighted value of the 2010 corporate goals was achieved. As noted above, because the award amounts for Dr. Quart and Mr. Davis are determined

Table of Contents

entirely by the achievement of corporate goals, they received 100% of their targeted awards (prorated in the case of Mr. Davis to reflect his less than full year employment). Each other Named Executive Officer's award actually earned reflects his or her achievement of individual goals and varies according to his or her individual performance. In the case of Mr. Beck, the Compensation Committee determined that he achieved 75% of his personal goals. The Compensation Committee determined that Ms. Manhard achieved 125% of her personal goals. In accordance with our Amended and Restated Senior Executive Severance Benefit Plan (discussed below), Mr. Krueger was paid 100% of his target bonus amount upon termination of his employment in September 2010, prorated to reflect his less than full year of employment.

In early 2011, the Compensation Committee approved corporate goals and a similar bonus plan for our executive officers for use in determining performance-based cash incentive awards for 2011. After careful consideration, the Compensation Committee and Dr. Quart decided not establish or approve individual performance goals for 2011 against which executives will be measured for determining awards under the 2011 Bonus Plan. As a result, any payments under the 2011 plan to the Named Executive Officers, other than Dr. Quart, will be made on the basis of the Compensation Committee's assessment of the corporate objectives achieved and the recommendation of Dr. Quart and the Compensation Committee's subjective assessment of each individual's performance during the year, subject to the final discretion of the Compensation Committee and Board of Directors. Any payment to Dr. Quart under the 2011 Bonus Plan will be made at the recommendation of the Compensation Committee and subject to the final discretion of the Board of Directors.

Long-Term Equity-Based Incentives.

Stock Option Awards. Our long-term equity-based incentives are primarily in the form of new hire and annual stock options awarded for performance. The objectives of the stock option awards are to drive long-term Company performance, align our executive officers' interests with those of our stockholders by encouraging their ownership in our Company and retain executives through long-term vesting. The Compensation Committee continues to believe that stock options generally are the most appropriate form of long-term incentive compensation to grant our executives because stock options have value only if our stock price increases over time. Moreover, stock options provide our executives with a potential source to fund their retirement in the absence of a traditional pension plan. Our long-term equity-based incentive plan is broad-based and all of our employees are eligible for option grants.

In general, each executive officer receives a stock option grant in connection with his or her hire or promotion and is eligible for annual performance-based option grants. The size of each annual performance-based stock option grant is based on a target economic value. When determining the number of options to be granted to the executive officers, the Compensation Committee considers the fair value of the grant using a Black-Scholes valuation for equity awards against the targeted value. The targeted economic value of each grant is based on a combination of analysis of the Compensia market study, corporate and individual performance against goals, individual stock ownership levels, the requirement to expense the value of the equity grants and internal equity considerations. The size of the stock awards are generally targeted at between the 50th percentile and 75th percentile of market, as determined by our peer group and survey information (subject to adjustment for actual performance), which is consistent with the Compensation Committee's favoring of compensation vehicles that reflect its pay-for-performance philosophy.

Stock options granted to our Named Executive Officers are approved by the Compensation Committee and are generally granted effective as of the date of approval. Stock options granted to our Named Executive Officers are incentive stock options, to the extent permissible under the Internal Revenue Code, and commence vesting upon the effective date of the grant. Generally, 25% of the shares subject to the stock options that are granted in connection with a new hire vest on the one-year anniversary of the effective date of grant and the remainder of the shares vest in equal monthly installments over the thirty-six (36) months of continuous employment thereafter, subject to acceleration of vesting in certain circumstances as described in the Employment and Change-in-Control Agreements

section of this proxy below. Annual performance-based grants of stock options vest and become exercisable in a series of forty-eight (48) successive, equal monthly installments over the 48-month period of continuous employment following the effective date of grant. All stock options expire ten years from the effective date of grant. The exercise price per share of each stock option granted is equal to the fair market value of our Common Stock on

Table of Contents

the effective date of grant, which is deemed to be equal to the closing sales price of our Common Stock as reported on the Nasdaq Stock Market on the effective date of grant. We have not re-priced stock options, although our equity incentive plan generally allows stock option re-pricing without stockholder approval. We do not backdate options or grant options retrospectively. In addition, we do not plan to coordinate future grants of options so that they are made before the announcement of favorable information, or after the announcement of unfavorable information. All grants to executive officers require the approval of our Compensation Committee.

At its meeting in December 2010, the Compensation Committee reviewed the Company's achievements and the individual achievements of each executive and approved grants of stock options to each of our employees, including the Named Executive Officers, with an effective grant date of December 14, 2010. Awards for Named Executive Officers were based upon a target of at or around the 75th percentile of market and reflected adjustments for individual performance over 2010. The option grants made to each Named Executive Officer at the December 2010 meeting are as follows:

Named Executive Officer	Title	Number of Shares Subject to Option Grant
Barry D. Quart, Pharm.D.	President & Chief Executive Officer	150,000
Stephen R. Davis	Exec. Vice President, Chief Operating Officer	80,000
John W. Beck	Sr. Vice President, Finance & Operations, Chief Financial Officer	20,000
Christopher W. Krueger	Sr. Vice President, Chief Business Officer	
Kimberly J. Manhard	Sr. Vice President, Regulatory Affairs & Development Operations	40,000

Additional information relating to 2010 stock option awards to our Named Executive Officers is detailed in the below Grants of Plan-Based Awards table.

Restricted Stock Awards. Under the terms of our 2004 Stock Incentive Plan, the Compensation Committee also has the ability to award restricted stock grants. In connection with his hiring in April 2010, Mr. Davis negotiated a restricted stock award of 25,000 shares. The shares subject to the award vest over four years, with 25% of the shares vesting on the one-year anniversary of the effective date of grant and the remainder of the shares vest in equal monthly installments over the thirty-six (36) months thereafter, subject to Mr. Davis' continued employment with the Company and subject to acceleration of vesting in certain circumstances as described in the Employment and Change-in-Control Agreements section of this proxy below. Under certain circumstances, we have the ability to reacquire for no consideration all or a portion of any unvested shares of restricted stock held by Mr. Davis in the event his employment is terminated. No other restricted stock awards have been made at this time.

Employee Stock Purchase Plan. We also maintain our 2000 Employee Stock Purchase Plan as a further benefit to executive officers, as well as all other employees, and to encourage employee ownership of our Company. The purchase plan allows all eligible employees, including our Named Executive Officers, to purchase shares of our Common Stock at the lower of (i) 85% of fair market value on the first day of a two-year offering period, or (ii) 85% of the fair market value on the last date of each six-month purchase period within the two-year offering period, with the objective of allowing employees to profit when the value of our Common Stock increases over time. The Compensation Committee believes that the purchase plan is a valuable tool to help align the interests of our employees and executives with those of our stockholders.

Other Benefits and Perquisites.

All of our executive officers, as well as our other regular, full-time employees are eligible for a variety of health and welfare benefits, including a non-employer matched 401(k) savings/retirement plan and medical, dental and life insurance and disability coverage. We also provide personal paid time off and other paid holidays to all of our employees, including our Named Executive Officers, which are comparable to those provided at similar companies. Our Named Executive Officers are not provided with any benefits or perquisites that are not generally available to all of our employees.

Table of Contents

Severance and Change-in-Control Arrangements.

Dr. Quart has an employment agreement that provides for the payment of certain post-employment benefits. Ms. Manhard and Messrs. Davis and Beck are entitled to severance benefits under our Amended and Restated Senior Executive Severance Benefit Plan. The amount of severance benefits is based on job responsibilities and is intended to be consistent with severance arrangements at similarly situated companies. In addition, all outstanding options, including those held by our Named Executive Officers, vest in certain circumstances following the option holder's termination of employment in connection with or following a change in our control. Each of these provisions is described below under the heading Potential Payments Upon Termination Or Change-In-Control. The benefits under the Amended and Restated Senior Executive Severance Plan paid to Mr. Krueger in connection with the termination of his employment in September 2010 are described below in the Summary Compensation table.

Sign-on Bonus.

From time to time, we pay sign-on bonuses where necessary or appropriate to attract top executive talent. Executive recruits often have a significant amount of unrealized value in the form of unvested equity and other foregone compensation opportunities with their former companies that may influence their decision to join us. A sign-on bonus is an effective way of addressing these issues. No sign-on bonuses were paid to any Named Executive Officers in 2010.

Relocation Assistance.

In the event that we require one of our executives to relocate, our policy is to pay the cost of the household goods and personal effects of the executive and his or her immediate family members and reimburse up to \$50,000 in additional relocation costs, including lodging and transportation costs for house-hunting and final move, temporary housing and real estate transaction fees and expenses. In 2010, we paid to relocate Mr. Davis, his family and household goods to San Diego. Mr. Davis is eligible for reimbursement of up to \$50,000 as and when he incurs additional qualifying relocation expenses.

Tax and Accounting Implications

In connection with the structuring and implementation of our executive compensation program, we have considered the provisions of the Internal Revenue Code of 1986, as amended, or the Code, and the related regulations of the Internal Revenue Service, which restrict deductibility of executive compensation to the extent such compensation exceeds \$1,000,000 in a given year and does not qualify for an exception under the statute or regulations. Our policy is to qualify compensation paid to our executives for deductibility under applicable tax laws to the extent practicable. However, we may from time to time pay compensation to our executive officers that may not be deductible. The Compensation Committee will continue to evaluate the advisability and practicality of qualifying its executive compensation for such tax deductibility.

We have also taken into consideration Section 409A of the Code in the design and implementation of our compensation programs. If an executive is entitled to non-qualified deferred compensation benefits that are subject to Section 409A, and such benefits do not comply with Section 409A, then the benefits are taxable in the first year they are not subject to a substantial risk of forfeiture. In such case, the executive is subject to regular federal income tax, interest and an additional federal income tax of 20% of the benefit includible in income. We have structured our compensation programs to be exempt from Section 409A or, if subject to Section 409A, to comply with the requirements of Section 409A.

Any payment or benefit provided under the severance provisions of Dr. Quart's employment agreement or under our Senior Executive Severance Benefits Plan in connection with a change-in-control transaction may be subject to an excise tax under Section 4999 of the Code. These payments also may not be eligible for a Company tax deduction pursuant to Section 280G of the Code. We do not provide any excise tax gross-ups to our executives. If any of these payments or benefits is subject to the excise tax, they may be reduced to provide the individual with the best after-tax result. Specifically, the individual will receive either a reduced amount so that the excise tax is not

Table of Contents

triggered, or the individual will receive the full amount of the payments and benefits and then be liable for any excise tax.

In accordance with generally accepted accounting standards, stock-based compensation cost is measured at grant date, based on the estimated fair value of the awards, and is recognized as an expense ratably over the requisite employee service period. The Compensation Committee has determined to retain for the foreseeable future our stock incentive program as the sole component of our long-term incentive compensation program, and, therefore, to record this expense on an ongoing basis. Accounting rules also require us to record cash compensation as an expense at the time the obligation is incurred.

Summary Compensation Table

The following table shows for the fiscal years ended December 31, 2010, 2009 and 2008 compensation awarded to, paid to or earned by our Chief Executive Officer, Chief Financial Officer and our three other most highly compensated executive officers.

Option Exercises and Stock Vested

The following table provides information regarding the number of shares of Common Stock acquired and the value realized pursuant to the exercise of stock options during 2010 by each of the Named Executive Officers.

Name	Option Awards	
	Number of Shares Acquired On Exercise (#)	Value Realized On Exercise(1)(\$)
Barry D. Quart, Pharm.D.	120,000	1,777,100
John W. Beck	7,500	127,725
Stephen R. Davis		
Christopher W. Krueger	213,477	3,315,313
Kimberly J. Manhard	47,500	856,262

- (1) Amounts shown do not reflect amounts actually received by the named individuals. The value realized on exercise is equal to the difference between the option exercise price and the closing price of our Common Stock on the date of exercise, multiplied by the number of shares subject to the option, regardless of whether the individual actually sold any of the shares received upon exercise or the amount received in connection with any such sale, and without taking into account any taxes that may be payable in connection with the transaction.

Post-Employment Compensation Pension Benefits

No Named Executive Officer participated in any plan that provided for payment or other benefits at, following or in connection with retirement in the fiscal year ended December 31, 2010.

Deferred Compensation Nonqualified Deferred Compensation

No Named Executive Officer participated in any defined contribution or other plan that provided for the deferral of compensation on a basis that is not tax-qualified in the fiscal year ended December 31, 2010.

Employment and Change-in-Control Agreements

We entered into an amended and restated employment agreement with Dr. Barry Quart, our President and Chief Executive Officer and member of our Board of Directors, effective November 7, 2008. The agreement provides for a base annual salary of \$400,000 (recently increased to \$500,000) a cash bonus target of 50% of the current base salary. The agreement also provides that if we terminate Dr. Quart's employment without cause or he resigns for good reason,

he will be entitled, upon execution of a designated release agreement, to (i) a severance payment equal to 12 months base salary plus Dr. Quart's target bonus payment for the year in which he is terminated, payable in a lump sum within 10 days of delivery of the release agreement, (ii) acceleration of 12 months of additional vesting with respect to any unvested stock awards, and (iii) payment for continuation of health care benefits for a period equal to the shorter of 12 months after termination of employment or such time as Dr. Quart obtains insurance benefits from a subsequent employer. If the termination without cause or resignation for good reason occurs within three months before or within 12 months following a change in control, Dr. Quart will be entitled to (i) a lump sum severance payment equal to 18 months base salary, payable within 10 days of delivery of a release agreement, and (ii) a payment equal to the greater of Dr. Quart's target bonus payment for (a) the year in which he is terminated or (b) the bonus payment earned by the Dr. Quart for the year preceding the year in which his termination occurs, unless no such bonus was paid, in which case the highest bonus previously paid, in each case payable in a lump sum within 10 days of delivery of the release agreement, and (iii) payment for continuation of

health care benefits for a period equal to the shorter of 18 months after termination of employment or such time as Dr. Quart obtains insurance benefits from a subsequent employer.

We entered into an employment agreement with Kimberly J. Manhard, our Senior Vice President of Regulatory Affairs and Operations, effective December 21, 2006. The agreement provides for an annual base salary of \$250,000 (recently increased to \$313,000), a cash bonus target of 30% (later increased to 35% of the current base salary) and upon commencement of employment, the grant of an option to purchase 175,000 shares of our Common Stock under the 2004 Stock Incentive Plan.

We entered into an employment agreement with Christopher W. Krueger, our Chief Business Officer, effective March 22, 2007. The agreement provides for an annual base salary of \$270,000, later increased to \$280,800, a cash bonus target of 35% of the current base salary, and upon commencement of employment, the grant of an option to purchase 190,000 shares our Common Stock under the 2004 Stock Incentive Plan. As noted above, Mr. Krueger's employment terminated in September 2010. In connection with his termination, and pursuant to our Senior Executive Severance Plan described below, we (i) paid Mr. Krueger a lump sum equal to 100% of his cash bonus target pro-rated to the date of termination of his employment, (ii) accelerated 12 months of additional vesting with respect to his unvested stock awards; (iii) provided payments equal to 12 months base salary, payable in installments on the Company's regular payroll dates; and (iv) pay for certain health care benefits for a period equal to the shorter of 12 months after termination of his employment or such time that Mr. Krueger obtains insurance benefits from a subsequent employer.

We entered into an employment agreement with John W. Beck, our Chief Financial Officer, effective May 27, 2008. The agreement provides for an annual base salary of \$285,000 (recently increased to \$309,900), cash bonus target of 35% of the current base salary and upon commencement of employment, the grant of an option to purchase 200,000 shares our Common Stock under the 2004 Stock Incentive Plan. The agreement also provides that the stock options Mr. Beck was granted in connection with his service as a member of the Board of Directors be amended to provide that his continued service as an employee of our Company shall satisfy any service requirements contained in such options for purposes of vesting and exercisability.

We entered into an employment agreement with Stephen R. Davis, our Executive Vice President and Chief Operating Officer, effective April 6, 2010. The agreement provides for an annual base salary of \$350,000 (recently increased to \$375,000), a cash bonus target of 40% of the current base salary, and upon commencement of employment, the grant of an option to purchase 150,000 shares our Common Stock under the 2004 Stock Incentive Plan and the grant of an award of 25,000 shares of restricted stock issued under our 2004 Stock Incentive Plan. As noted above, Mr. Davis is eligible to receive reimbursement of up to \$50,000 of his qualifying relocation costs incurred in relocating to San Diego.

Each of Ms. Manhard and Messrs. Davis and Beck is also entitled to participate in our Amended and Restated Senior Executive Severance Benefit Plan (the "Severance Plan"). The Severance Plan provides that if the executive is terminated without cause or resigns for good reason, the executive will be entitled, upon execution of a designated release agreement, to (i) severance payments equal to 12 months base salary, payable in installments on the Company's regular payroll dates, (ii) a payment equal to the executive's target bonus payment for the year in which she or he is terminated prorated to the date of termination, payable in a lump sum within 10 days of delivery of the release agreement, and (iii) acceleration of 12 months of additional vesting with respect to any unvested stock awards. If the termination without cause or resignation for good reason occurs within three months before or within 12 months following a change in control, the executive will be entitled to (i) a lump sum severance payment equal to 12 months base salary, payable within 10 days of delivery of a release agreement, and (ii) a payment equal to the greater of (a) executive's target bonus payment for the year in which the executive's termination occurs or (b) the bonus payment earned by the executive for the year preceding the year in which the executive's termination occurs, unless no such

bonus was paid, in which case the highest bonus previously paid, in each case payable in a lump sum within 10 days of delivery of the release agreement. In case of a termination without cause or resignation for good reason, whether or not in connection with a change in control, the executive will also be entitled to receive payment for certain health care benefits for a period equal to the shorter of 12 months after termination of employment or such time as the executive obtains insurance benefits from a subsequent employer.

Table of Contents

Pursuant to our 2004 Stock Incentive Plan, in the event of a sale or disposition of substantially all of our securities or assets, a merger with or into another corporation or a consolidation or other change of control transaction involving us, the stock awards held by our Named Executive Officers will vest and become immediately exercisable as to half of the otherwise unvested shares underlying those awards, and any remaining unvested shares underlying those stock awards will vest in full if the acquiring entity elects to not assume or substitute for the outstanding stock awards or should either of the following events occur within 3 months prior to or 13 months after the transaction: the executive officer's employment is involuntarily terminated without cause, or he or she voluntarily resigns for good reason.

Potential Payments Upon Termination or Change-in-Control

The following table sets forth potential payments to our Named Executive Officers upon various termination or change in control events assuming such events occurred as of December 31, 2010.

exercise price of the respective options, and for restricted stock awards the closing price of our Common Stock of \$26.00 on December 31, 2010.

- (3) Amounts represent the value of benefits and actual payments to Mr. Krueger in connection with the termination of his employment on September 21, 2010.

Compensation Policies and Practices as They Relate to Risk Management

In 2010, the Compensation Committee reviewed our compensation policies and practices and concluded that the mix and design of these policies and practices are not reasonably likely to encourage our employees to take excessive risks. In connection with its evaluation, the Compensation Committee considered, among other things, the structure, philosophy and design characteristics of our primary incentive compensation plans and programs in light of our risk management and governance procedures, as well as other factors that may calibrate or balance potential risk-taking incentives. Based on this assessment, the Compensation Committee concluded that risks arising from our compensation policies and practices for all employees, including executive officers, are not reasonably likely to have a material adverse effect on us.

Director Compensation

The following table shows for the fiscal year ended December 31, 2010 certain information with respect to the compensation of all our non-employee directors:

Director Compensation for Fiscal 2010

Name	Fees Earned or Paid in Cash (\$)	Option Awards (\$ (1))	Total (\$)
Felix J. Baker, Ph.D.	17,889	247,363	265,252
Henry J. Fuchs, M.D.	31,000	119,366	150,366
Craig A. Johnson	40,000	119,366	159,366
John W. Poyhonen	40,000	119,366	159,366
Jack S. Remington, M.D.	28,000	119,366	147,366
Kevin C. Tang	33,000	119,366	152,366

- (1) The amounts in this column reflect the aggregate grant date fair value of stock options granted in accordance with ASC 718. The assumptions used to calculate the value of stock option awards are set forth in Note 2 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 filed with the SEC on March 11, 2011.

The aggregate number of shares subject to outstanding stock options held by each director listed in the table above as of December 31, 2010 was as follows: 25,000 shares for Dr. Baker, 188,558 shares for Dr. Fuchs, 65,000 shares for Mr. Johnson, 75,500 shares for Mr. Poyhonen, 82,500 shares for Dr. Remington, and 121,250 shares for Mr. Tang. During fiscal 2010, each director was granted one stock option on 01/04/10 for the purchase of 12,500 shares, for which the grant date fair value is \$9.55 per share, except for Dr. Baker who was granted an option to purchase 25,000 shares on 02/08/10, which had a grant date fair value of \$9.89 per share.

Elements of Director Compensation

Annual Cash Payments. Our non-employee directors are entitled to receive a \$20,000 cash payment, payable in quarterly installments, for their service as non-employee members of our Board. Additionally, each non-

Table of Contents

employee director serving on a committee of the Board receives annual cash compensation for their service on each committee as follows:

Audit Committee Chairperson	\$ 20,000
Audit Committee Member	\$ 8,000
Compensation Committee Chairperson	\$ 12,000
Compensation Committee Member	\$ 5,000
Nominating & Corporate Governance Committee Chairperson	\$ 8,000
Nominating & Corporate Governance Committee Member	\$ 3,000

The payments listed above will be made to committee members in four equal payments at the end of each calendar quarter, contingent on their continued and uninterrupted service on the applicable committee(s). Payments will be prorated in the event of a termination or interruption in service.

Stock Options. Under the automatic option grant program included in our 2004 Plan, each individual who first becomes a non-employee Board member automatically receives an option grant for 25,000 shares on the date such individual joins the Board, provided such individual has not been in our prior employ. The option grant for 25,000 shares vests in a series of thirty-six successive equal monthly installments upon the optionee's completion of each month of Board service over the thirty-six month period measured from the grant date. In addition, on the first trading day in January each year, each individual serving as a non-employee Board member on the first trading day in January will automatically be granted an option to purchase 12,500 shares of Common Stock, provided such individual has served on our Board for at least six months. The option to purchase 12,500 shares of Common Stock vests one year from the date of grant. Prior to vesting, all of the foregoing director options are subject to a right of repurchase in favor of us.

Reimbursement of Expenses. Our non-employee Board members are also entitled to reimbursement of expenses they incur in connection with the performance of their duties as Board members or members of Board committees.

Compensation Committee Interlocks and Insider Participation

As indicated above, the Compensation Committee currently consists of three directors: Mr. Poyhonen, Dr. Remington and Mr. Tang. No member of the Compensation Committee has ever been an officer or employee of ours. None of our executive officers currently serves, or has served during the last completed fiscal year, on the board of directors or compensation committee of any company where any member of our Board of Directors is an executive officer.

Compensation Committee Report*

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis (CD&A) contained in this proxy statement. Based on this review and discussion, the Compensation Committee has recommended to the Board of Directors that the CD&A be included in this proxy statement and incorporated by reference into our Annual Report on Form 10-K for the fiscal year ended December 31, 2010.

Related-Person Transactions Policy and Procedures

The Company has a written Related-Person Transactions Policy that sets forth the Company's policies and procedures regarding the identification, review, consideration and approval or ratification of related-persons transactions. For purposes of our policy only, a related-person transaction is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Company and any related person are participants involving an amount that exceeds \$120,000. Transactions involving compensation for services provided to the Company as an employee, consultant or director are not covered by this policy. A related person is any executive officer or director of the Company who served in that capacity since the beginning of the Company's last fiscal year, any nominee for director, or any owner of more than 5% of any class of voting stock of the Company, including any of their immediate family members, and any entity owned or controlled by such persons.

Under the policy, where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to the Audit Committee (or, where Audit Committee approval would be inappropriate, to another independent body of the Board of Directors) for consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to the Company of the transaction and whether any alternative transactions were available. To identify related-person transactions in advance, the Company relies on information supplied by its executive officers, directors and certain significant stockholders. In considering related-person transactions, the Audit Committee takes into account the relevant available facts and circumstances including, but not limited to (a) the risks, costs and benefits to the Company, (b) the impact on a director's independence in the event the related person is a director, immediate family member of a director or an entity with which a director is affiliated, (c) the terms of the transaction, (d) the availability of other sources for comparable services or products and (e) the terms available to or from, as the case may be, unrelated third parties. In the event a director has an interest in the proposed transaction, the director must recuse himself or herself from the deliberations and approval. The policy requires that, in determining whether to approve, ratify or reject a related-person transaction, the Audit Committee looks at, in light of known circumstances, whether the transaction is in, or is not inconsistent with, the best interests of the Company and its stockholders, as the Audit Committee determines in the good faith exercise of its discretion.

Certain Related-Person Transactions

Our bylaws provide that we will indemnify our directors and executive officers, and may indemnify other officers, employees and other agents, to the fullest extent permitted by law. Our bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in connection with their services to us, regardless of whether our bylaws permit such indemnification. We have obtained a policy of directors' and officers' liability insurance.

The Company has also entered into indemnification agreements with our officers and directors, which provide, among other things, that we will indemnify such officer or director, as applicable, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he, she or it may be required to pay in actions or proceedings which he, she or it is or may be made a party by reason of his, her or its position as a director, officer, or other agent of the Company and otherwise to the fullest extent permitted under Delaware law and our Bylaws.

In April 2010, we completed a public offering of shares of our common stock for aggregate proceeds of approximately \$77.1 million, before expenses and after deducting underwriter discounts and commissions. Tang Capital Partners, LP with which Kevin Tang, a member of our board of directors, is affiliated, and Baker Biotech Funds, whom, with which Felix Baker, a member of our board of directors, is affiliated, were purchasers in the public offering on the

same terms and conditions as the other purchasers who participated in the public offering, purchasing approximately \$5,500,000 and \$9,500,000 worth of common stock, respectively. The Audit Committee preapproved the participation of Baker Biotech Funds and Tang Capital Partners, LP in the public offering in accordance with the Related-Person Transactions Policy. For more information regarding public offering, please refer to our Current Report on Form 8-K filed with the SEC on April 9, 2010.

In addition, see the Section entitled "Potential Payments Upon Termination or Change-In-Control" in this proxy statement for certain information regarding employment agreements between us and various of our executive officers.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single set of Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Ardea stockholders will be "householding" our proxy materials. A single set of Annual Meeting materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate set of Annual Meeting materials, please notify your broker. Direct your written request to Ardea Biosciences, Inc. 4939 Directors Place, San Diego, California 92121, Attention: Corporate Secretary or call (858) 652-6500. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request "householding" of their communications should contact their brokers.

Other Matters

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
