Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Partnership.

The information provided or incorporated by reference in Item 3 and Item 4 is hereby incorporated by reference herein.

Partnership Agreement

The General Partner, as the sole general partner of the Partnership, and OTA, as the initial limited partner of the Partnership, are party to the Partnership Agreement.

Cash Distributions

The Partnership's cash distribution policy will require it to pay cash distributions at an initial distribution rate of \$0.3375 per common unit per quarter (\$1.35 per common unit on an annualized basis) to the extent the Partnership has sufficient cash from operations after establishment of cash reserves and payment of fees and expenses, including payments to its general partner and its affiliates. The Partnership calls this quarterly distribution amount the minimum quarterly distribution, and the Partnership's ability to pay it is subject to various restrictions and other factors. The Partnership will adjust the minimum quarterly distribution for the period from the closing of the Offering through September 30, 2011, based on the actual length of that period.

The Partnership Agreement requires the Partnership to distribute, at the end of each quarter, all of its cash on hand, less reserves established by the General Partner. The Partnership refers to this amount as available cash. The Partnership Agreement requires that the Partnership distribute all of its available cash each quarter in the following manner:

first, 98% to the holders of common units and 2% to the General Partner, until each common unit has received a minimum quarterly distribution of \$0.3375 plus any arrearages from prior quarters;

second, 98% to the holders of subordinated units and 2% to the General Partner, until each subordinated unit has received a minimum quarterly distribution of \$0.3375; and

CUSIP No. 678049 107

third, 98% to all unitholders, pro rata, and 2% to the General Partner, until each unit has received a distribution of \$0.38813.

If cash distributions to the unitholders exceed \$0.38813 per unit in any quarter, the General Partner will receive, in addition to distributions on its 2% general partner interest, increasing percentages, up to 48%, of the cash the Partnership distributes in excess of that amount. The rights to receive these distributions are referred to as Incentive Distribution Rights.

Conversion of Subordinated Units

The principal difference between the common units and subordinated units is that in any quarter during the subordination period, holders of the subordinated units are not entitled to receive any distribution until the common units have received the minimum quarterly distribution of \$0.3375 plus any arrearages in the payment of the minimum quarterly distribution from prior quarters. Subordinated units will not accrue arrearages.

The subordination period will end on the first business day after the Partnership has earned and paid at least (1) \$1.35 (the minimum quarterly distribution on an annualized basis) on each outstanding common unit and subordinated unit and the corresponding distribution on the General Partner's 2.0% interest for each of three consecutive, non-overlapping four-quarter periods ending on or after September 30, 2014 or (2) \$2.025 (150.0% of the annualized minimum quarterly distribution) on each outstanding common unit and subordinated unit and the corresponding distributions on the General Partner's 2.0% interest and the related distribution on the Incentive Distribution Rights for the four-quarter period immediately preceding that date, in each case provided there are no arrearages on the common units at that time.

When the subordination period ends, all subordinated units will convert into common units on a one-for-one basis, and thereafter no common units will be entitled to arrearages.

Issuance of Additional Units

The Partnership Agreement authorizes the Partnership to issue an unlimited number of units on terms determined by the General Partner without unitholder approval.

Limited Voting Rights

The General Partner controls the Partnership and the unitholders have only limited voting rights. Unitholders have no right to elect the General Partner or its directors. The General Partner may not be removed, except by a vote of the holders of at least 66 2/3% of the Partnership's units, including units owned by the General Partner and its affiliates. Because M&B indirectly owns 100% of the interests in the General Partner, it has the ability to prevent the General Partner's involuntary removal.

Limited Call Right

If at any time the General Partner and its affiliates own more than 80% of the outstanding common units, the General Partner has the right, but not the obligation, to purchase all of the remaining common units at a price equal to the greater of (1) the average of the daily closing price of the common units over the 20 trading days preceding the date three days before notice of exercise of the call right is first mailed and (2) the highest per-unit price paid by the General Partner or any of its affiliates for common units during the 90-day period preceding the date such notice is first mailed.

Registration Rights

The Partnership has agreed to register for resale under the Securities Act and applicable state securities laws any common units, subordinated units or other limited partner interests proposed to be sold by the General Partner or any of its affiliates or their assignees if an exemption from the registration requirements is not otherwise available. These registration rights continue for two years following any withdrawal or removal of the General Partner. The Partnership is obligated to pay all expenses incidental to the registration, excluding underwriting discounts

CUSIP No. 678049 107

The General Partner's Limited Liability Company Agreement

Under the First Amended and Restated Limited Liability Company Agreement of the General Partner (the GP LLC Agreement), OTA has the right to elect the members of the board of directors of the General Partner.

To the Reporting Persons' knowledge, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the Partnership.
