2011 ANNUAL MEETING OF STOCKHOLDERS

September 16, 2011

PROXY STATEMENT

GENERAL

This Proxy Statement and the accompanying proxy are furnished to stockholders of SigmaTron International, Inc. (the Company) in connection with the solicitation of proxies by the Company s Board of Directors for use at the 2011 Annual Meeting of Stockholders (sometimes referred to herein as the Meeting) to be held at SigmaTron International, Inc., located at 2201 Landmeier Road, Elk Grove Village, Illinois, 60007, at 10:00 a.m. local time, on Friday, September 16, 2011, for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement, the form of proxy included herewith and the Company s Annual Report to Stockholders for the fiscal year ended April 30, 2011 are being mailed to stockholders on or about August 15, 2011.

Stockholders of record at the close of business on July 22, 2011 are entitled to notice of and to vote at the Meeting. On such date there were outstanding 3,864,274 shares of common stock, par value \$.01 per share. The presence, in person or by proxy, of the holders of a majority of the shares of common stock outstanding and entitled to vote at the Meeting is necessary to constitute a quorum. In deciding all questions, each holder of common stock shall be entitled to one vote, in person or by proxy, for each share held on the record date.

If you are a stockholder of record (that is, if you hold your shares in certificate form registered in your name on the books of the Company s transfer agent, American Stock Transfer and Trust Company, as of the close of business on July 22, 2011), and attend the Meeting, you may deliver your completed proxy card in person. However, if you hold your shares in street name (not certificate form) (a) you must return your voting instructions to your broker or nominee so that the holder of record can be instructed how to vote those shares or (b) if you wish to attend the Meeting and vote in person, you must obtain and bring to the Meeting a proxy signed by the record holder giving you the right to vote the shares in order to be able to vote at the Meeting. (You may *not* use the voting instruction form provided by your broker or nominee to vote in person at the Meeting.) For directions to the meeting, please contact the Company at 847-956-8000.

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote but as not voted for purposes of determining the approval of any matter submitted to the stockholders for a vote. Abstentions will have the same effect as negative votes on the proposal to ratify the selection of the auditor. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter (Broker Non-Votes), those shares will not be considered as present and entitled to vote with respect to that matter.

Properly executed proxies will be voted in the manner directed by the stockholders. If no direction is indicated, such proxies will be voted FOR the election of each nominee named under the caption Election of Two Class III Directors as set forth therein as a director of the Company, and FOR the ratification of the selection of BDO USA, LLP as the Company s registered public accountants and FOR the adoption of the 2011 Employee Stock Option Plan. If a quorum is present at the Meeting, directors will be elected by a plurality of the votes cast. The ratification of the selection of

auditors and the approval of the 2011 Employee Stock Option Plan require an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Any proxy may be revoked by the stockholder at any time prior to the voting thereof by notice in writing to the Secretary of the Company, either prior to the Meeting (at the above address) or at the Meeting if the stockholder attends in person. A later dated proxy will revoke a prior dated proxy.

All expenses incurred in the solicitation of proxies will be borne by the Company. In addition to the use of the mail, proxies may be solicited on behalf of the Company by directors, officers and employees of the Company by

telephone or telecopy. The Company will reimburse brokers and others holding common stock as nominees for their expenses in sending proxy material to the beneficial owners of such common stock and obtaining their proxies.

I. ELECTION OF DIRECTORS

Pursuant to the Company s Certificate of Incorporation, the Board of Directors is divided into three classes of directors, each serving overlapping three-year terms. The term of Class I director Mr. Rieck expires in 2012; the terms of Class II directors (Messrs. Chen and Zemenick) expire in 2013; and the terms of Class III directors (Messrs. III. APPROVAL OF 2011 EMPLOYEE STOCK OPTION PLAN

On July 8, 2011, the Board of Directors of the Company adopted, subject to stockholder approval, the SigmaTron International, Inc. 2011 Employee Stock Option Plan (the 2011 Employee Plan). The purpose of the 2011 Employee Plan is to permit the Company and its subsidiaries to attract and retain as employees individuals of initiative and ability and to provide additional employee incentives to existing employees. If the 2011 Employee Plan is not approved by stockholders, options will be granted under the 1993 and 2004 Employee Stock Option Plans, which includes a total of 55,864 options available for grant.

On July 22, 2011 the last reported sale price of the Company s Common Stock on the Nasdaq Small-Cap Market, on which the Company s stock is listed, was \$4.80 per share.

Summary of 2011 Employee Plan

The 2011 Employee Plan will be construed, interpreted and administered by the Compensation Committee (the Committee). The Committee has the discretion to determine the individuals to whom options are granted, the number of shares subject to the options, the exercise price of the options (but in no event less than the minimum required in order to comply with applicable law), the period over which the options become exercisable, the term of the options (including the period after termination of employment during which an option may be exercised) and certain other provisions related to the options. Individuals who are selected to receive options will sign an option agreement with the Company setting forth the terms and restrictions applicable to their options.

Under the 2011 Employee Plan, the Committee may grant options for an aggregate maximum of 150,000 shares of the Company s Common Stock to employees of the Company and its subsidiaries, including the Company s executive officers. The number of shares available for the grant of options under the Plan and the number of shares included in each outstanding option are subject to adjustment upon recapitalizations, stock splits or other similar events that cause changes in the Company s Common Stock. The Company must retain sufficient authorized but unissued shares of Common Stock to assure itself of its ability to perform its obligations under the 2011 Employee Plan. Shares of Common Stock underlying options that expire unexercised will be available for future option grants under the Plan.

The plan provides for the grant of incentive stock options (Incentive Options) within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the Code), and non-statutory stock options that do not qualify as Incentive Options.

The option exercise price per share for each option granted under the 2011 Employee Plan shall be not less than the closing price of the Common Stock on the Nasdaq Small-Cap Market on the trading day immediately preceding the date of grant. An option may be exercised by the payment of the exercise price (i) in cash or by check, (ii) through the exchange of shares of Common Stock already owned by the optionee having a fair market value equal to the exercise price, (iii) through a broker-assisted cashless exercise transaction, through a broker selected by the employee without assistance of the Company in arranging such transaction, or (iv) by any other payment means approved by the Committee.

The maximum term of any options granted under the 2011 Employee Plan is ten years. Subject to that limitation, the Committee has discretion to decide the period over which options may be vested and exercised. In addition, unvested options will terminate immediately upon termination of employment, disability or death. All outstanding options granted under the 2011 Employee Plan shall immediately become exercisable in full upon a Corporate Transaction (as defined in the Plan and generally covering a sale of the Company) provided that the Corporate Transaction closes. Any options not exercised within that period expire.

An optionee may exercise a Non-Statutory Option that has vested if the optionee has been employed by the Company continuously since the date the option was granted. If an optionee's employment is terminated for cause (as defined in the 2011 Employee Plan), the optionee has three months (or the remainder of the original term of the exercise period, whichever is shorter) to exercise any Non-Statutory Options vested as of the date of termination; all unvested Non-Statutory Options expire. If an optionee's employment is terminated for a reason other than for cause, including voluntary termination, death or disability, all unvested Non-Statutory Options expire while all vested Non-Statutory Options may be exercised for the remainder of their terms. The same provisions apply to Incentive

Table of Contents

Options except that an optionee whose employment is terminated must exercise vested Incentive Options within three months after the date of termination or the expiration of the original exercise period, whichever is shorter.

Except as otherwise provided in the applicable option agreement, all options granted under the 2011 Employee Plan shall not be transferable unless (a) the transfer is (i) by will or the laws of descent and distribution, (ii) pursuant to a qualified domestic relations order, (iii) to a Permitted Transferee, (as defined in the 2011 Employee Plan), or (iv) to a trust or other entity controlled by the optionee or a Family Member (as defined in the 2011 Employee Plan; generally family members or trusts or other entities controlled by the optionee or a family member); (b) the transfer is a gift; and (c) the option continues to be subject to the same terms as before the transfer.

The Committee is authorized to condition the grant of options upon the receipt of the agreement by the optionee not to compete with the Company during the term of employment and for such period thereafter and containing such other terms as are determined by the Committee.

No options have been granted under the 2011 Employee Plan.

Income Tax Consequences

Generally, for federal income tax purposes, Non-Statutory Options will not result in any taxable income to the optionee at the time of grant. The optionee will realize ordinary income, however, at the time of the exercise of the option, in an amount measured by the excess of the fair market value of the optioned shares at the time of exercise over the option exercise price, regardless of whether the exercise price is paid in cash or shares.

Where ordinary income is recognized in connection with the exercise of an option, the Company will be entitled to a deduction in the amount of ordinary income so recognized, provided, among other things, that the Company complies with applicable tax withholding requirements.

No income is recognized for federal income tax purposes when an Incentive Option is exercised and no deduction is available to the Company. Incentive Options will be taxed as Non-Statutory Options if shares of Common Stock purchased upon exercise of the Incentive Option are sold within one year after the exercise or two years after the date the Incentive Option is granted.

The Board of Directors recommends that the stockholders vote FOR the adoption of the 2011 Employee Plan.

The adoption of the 2011 Employee Plan requires an affirmative vote by holders of a majority of the shares present at the Meeting in person or by proxy and entitled to vote. Broker Non-Votes, while considered present at a meeting and included in the determination of whether a quorum exists, are not entitled to vote. Thus, Broker Non-Votes will have no effect. Abstentions will have the same effect as negative votes.

Corporate Governance

Our Board of Directors determined that each of Messrs. Chen, Rieck, Vyas and Zemenick are independent under the rules of the Nasdaq Stock Market, Inc. As a result, our Board of Directors currently has a majority of independent directors under the rules of the Nasdaq Stock Market, Inc. Our Board of Directors has determined that our independent directors shall have regularly scheduled meetings at which only the independent directors are present. Generally, the independent directors meet separately at each regularly scheduled board meeting.

Director Committees; Board Meetings

The Board of Directors has established an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee Charter, Compensation Committee Charter and the Nominating Committee Charter are available on the Company's website at www.sigmatronintl.com. The Company believes that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of the current listing standards of the Nasdaq Stock Market, Inc. and the Securities and Exchange Commission's rules and regulations promulgated under the Sarbanes-Oxley Act of 2002 as set forth below.

Table of Contents

The functions of the Audit Committee are to: (1) Select and evaluate the performance of the independent accountants. (2) review the audits of the financial statements of the Company and the scope of the audit; (3) review with the independent accountants the corporate accounting and financial reporting practices and policies and recommend to whom reports should be submitted within the Company; (4) review with the independent accountants their final report; (5) review with the internal and independent accountants overall accounting and financial controls; and (6) be available to the independent accountants and management for consultation purposes. The Audit Committee is currently comprised of three members: Messrs. Rieck (Chairman), Zemenick and Vyas. The Board of Directors has determined that each of the members of the Audit Committee, both currently and after the 2010 Annual Meeting of Stockholders, is independent under the rules of the Securities and Exchange Commission. Mr. Rieck has been determined to be an Audit Committee financial expert as defined in Item 407 of Regulation S-K promulgated under the Exchange Act. The Board of Directors has adopted a written charter for the Audit Committee, which was revised and restated as of July 12, 2011 and is attached as Appendix A. The report of the Audit Committee to the Stockholders is included in this Proxy Statement under the heading Report of the Audit Committee.

The functions of the Compensation Committee are to review and recommend to the Board of Directors annual salaries and bonuses for all executive officers of the Company, to review and recommend to the Board of Directors compensation for the Directors, to review and recommend to the Board of Directors the terms and conditions of all employee benefit plans or changes thereto and to administer the Company's stock option plans. While the Chief Executive Officer of the Company may make recommendations regarding such salaries, compensation and terms and conditions, the Compensation Committee reviews any such recommendations independently and is responsible for making final recommendations to the full Board of Directors. Messrs. Zemenick (Chairman), Rieck, and Chen are members of the Compensation Committee. The Board of Directors has determined that each of the members of the Compensation Committee is independent under the listing standards of the Nasdaq Stock Market, Inc.

The Compensation Committee reserves the right from time to time to utilize the services of an independent advisor to provide guidance in association with significant executive compensation decisions. For the 2011 fiscal year, the Compensation Committee has utilized on the services of Tandehill Human Capital to provide advisory services concerning base salary compensation of executive officers. The Compensation Committee retains sole responsibility for engaging any advisor and meeting with such advisor, as needed, in the Committee's sole discretion.

The functions of the Nominating Committee shall include (1) review and recommend to the Board of Directors the size and composition of the Board of Directors and a slate of nominees for each election of members to the Board of Directors; (2) review and recommend changes to the number, classification and term of directors; (3) identify and recommend to the Board of Directors candidates to fill appointments to Board committees; (4) develop, assess and make recommendations to the Board of Directors concerning appropriate corporate governance policies; (5) identify and recommend to the Board of Directors candidates to fill a vacancy in the offices of President and Chief Executive; and (6) review nominations by stockholders with regard to the nomination process and to establish the procedures by which stockholder candidates will be considered. The members of the Nominating Committee are Messrs. Vyas (Chairman), Chen and Zemenick. The Board of Directors has determined that each of the members of the Nominating Committee is independent under the Nasdaq Stock Market, Inc. listing standards.

In evaluating and determining whether to recommend a person as a candidate for election as a Director, the Nominating Committee's criteria reflects the requirements of the recently adopted Nasdaq rules with respect to independence as well as the following factors: the needs of the Company with respect to the particular talents and experience of its directors; personal and professional integrity of the candidate; the level of education and/or business experience of the candidate; broad-based business acumen of the candidate; the candidate's level of understanding of the Company's business and the electronic manufacturing services industry; the candidate's abilities for strategic thinking and willingness to share ideas; and the Board of Directors' need for diversity of experiences, expertise and background. The Nominating Committee will use these criteria to evaluate all potential nominees.

Table of Contents

The Company does not have a diversity policy, with respect to its directors. However, in considering whether to recommend any director nominee, including candidates recommended by stockholders, the Nominating Committee will consider the factors above, including the candidate's diversity of experiences, expertise, ethnicity, gender and background. The Nominating Committee does not assign specific weights to particular criteria, and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant mix of experience, knowledge and abilities that will allow the Board of Directors to fulfill its responsibilities.

The Nominating Committee will consider proposed nominees whose names are submitted to it by stockholders. The Nominating Committee has not adopted a formal process for that purpose because it believes that the Nominating Committee's process for considering information has been and remains adequate. Historically, stockholders have not proposed any nominees. The Nominating Committee intends to review periodically whether a formal process should be adopted. To be considered, all stockholder nominations must comply with the notice provisions of the Company's by-laws, which generally require that such notice be received by the Secretary of the Company not less than 60 days and not more than 90 days prior to a regularly scheduled Annual Meeting of Stockholders, or within 10 days after receipt of notice of an Annual Meeting of Stockholders if the date of such meeting has not been publicly disclosed within 70 days prior to the meeting date.

The Board of Directors held 13 meetings either in person or by telephone conference during the fiscal year ended April 30, 2011. The Compensation Committee held 9 meetings in person or by telephone conference and the Audit Committee held 6 meetings in person or by telephone conference during the fiscal year 2011. The Nominating Committee held one meeting during the fiscal year 2011. All directors attended at least 75% of the meetings of the board and each of the committees of which they were members. The Company has a policy of encouraging all directors to attend the Annual Meeting of Stockholders. All directors attended the Company's 2010 Annual Meeting of Stockholders.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors has determined that the positions of Chairman of the Board of Directors and the President/CEO should be held by different persons. John P. Chen is the non-executive Chairman of the Board of Directors and has been determined by the Board to be independent under Nasdaq Stock Market, Inc., listing standards and Gary R. Fairhead is the President and CEO. The Board of Directors believes that such separation of roles increases the Board's independence from and oversight of the Company's management and enhances its ability to carry out its roles and responsibilities on behalf of the stockholders.

Management, the Company's Corporate Counsel, and the Board of Directors discuss risks, both during and outside of board meetings. These discussions identify Company risks which are prioritized and assigned to the appropriate board committee or the full board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Nominating Committee and reviewed by the independent directors; compliance risks are typically referred to the full Board; and matters arising under the Company's Code of Conduct or Code of Ethics for Senior Financial Management are handled by Corporate Counsel. Management regularly reports on each risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the board or committee. Coordination of management's review of these risks is performed by the Company's Corporate Counsel.

Compensation of Directors

The Company pays non-employee directors \$2,500 per month. Directors who serve on the Audit Committee are paid an additional \$1,500 per month. Directors who serve on the Compensation Committee or the Nominating Committee are paid an additional \$250 per month per committee. The Chairman of the Board receives monthly the greater of \$4,000 or the amount paid to the most highly compensated non-employee director. The directors voluntarily reduced the above compensation scale by 20 percent beginning February 2009 due to the Company's cost reduction program in response to the downturn in the economy. Due to the improvement in the Company's financial performance, the directors were paid back 95% of the 2010 fee reduction which was initiated in February 2009. Effective July 2010, the monthly director fees were reinstated at the regular compensation scale set forth above.

In addition, under the 2000 Directors' Stock Option Plan, each director who was neither a full-time employee of, nor a consultant to, the Company received a grant of options to acquire 7,500 shares of common stock at each of the September 2000, December 2001 and September 2002 Annual Stockholders' Meetings. Such options are exercisable for ten years from the respective date of grant at a price based on the price of the common stock on the respective grant dates. In addition, under the 2004 Directors' Stock Option Plan, each director who was neither a full-time employee of, nor a consultant to, the Company received a grant of options to acquire 5,000 shares of common stock at each of the September 2004 and September 2005 Annual Stockholders' Meetings. Such options are exercisable for ten years from the respective date of grant at a price based on the price of the common stock on the respective grant dates.

EXECUTIVE COMPENSATION

Set forth below is information on the compensation of the Company's Chief Executive Officer and its two other most highly compensated Named Executive Officers who served in such capacities during fiscal year 2011 based on total compensation for the last completed fiscal year. In view of the depressed economic environment and the Company's reduced profitability during late 2008 and much of calendar year 2009, the Named Executive Officers (together with all the other officers and non-union U.S. employees of the Company) participated in salary reductions which took effect on February 1, 2009, and no bonuses were awarded during fiscal year 2009. In light of the Company's improved financial performance during fiscal year 2010, all non-union U.S. employees received a partial repayment of those salary reductions and the Named Executive Officers received in the aggregate repayments of \$47,267. Salaries of all non-union employees, including Named Executive Officers, remained at the reduced levels throughout fiscal year 2010. At the end of fiscal year 2010, the Company awarded bonuses to all of its non-union U.S. employees.

On November 1, 2010, the Board of Directors adopted (a) the SigmaTron International, Inc. Employee and Director Bonus Plan (the "Company Plan") and (b) the SigmaTron International, Inc. 2011 Officer Bonus Plan (the "2011 Officer Plan") and, collectively with the Company Plan, the "Plans"), were adopted by the Company on November 1, 2010 and copies of each of which were filed with the SEC with a Current Report on Form 8-K on November 4, 2010. The following is only a summary of the Plans, and in the event of any inconsistencies between the summary below and the Plans themselves, the Plans shall control. The stated purposes of the Plans are to align stockholder, employee and director objectives, to motivate employees and directors of the Company and to increase shareholder value. The Plans are administered and interpreted by the Compensation Committee, the rules for the administration, interpretation and application of each Plan being subject to adoption, modification and revocation by the Board. Each Plan, as a whole, is also subject to amendment, suspension or termination by the Board.

The Company Plan:

The Company Plan applies to all U.S. non-union employees of the Company ("Employee Participants"), all full-time employees of the Company with a corporate position of vice president or higher ("Officers") and all members of the Board of Directors of the Company who are not also employees of the Company ("Directors").

Pursuant to the Company Plan, a Bonus Pool shall be created if the Company's return on net assets (as calculated in the manner set forth in the Company Plan and referred to herein and in the Company Plan as "RONA")

Table of Contents

for a particular fiscal year approaches, meets or exceeds the Target. The Board has initially established the Target at the point when RONA equals 7%. The size of the Bonus Pool is calculated based upon a percentage of the Company's adjusted Pre-Tax Income reduced by the amount of the Officer Plan Bonus Pool, discussed below (which was \$200,000 for the 2011 fiscal year) for the fiscal year in question, which percentage is also set by the Board. The Board has initially established that the Bonus Pool will equal 10% of the Company's Pre-Tax Income if RONA equals 80% of the Target (i.e., when RONA equals 5.6%, based on the current Target), climbing in steps to 25% of the Company's adjusted Pre-Tax Income if RONA equals or exceeds 26%. The Company's adjusted Pre-Tax Income for the 2011 fiscal year was \$4,382,857, resulting in a Bonus Pool of \$438,286. Pursuant to the Company Plan, the Bonus Pool was subdivided into a Fixed Bonus Pool (\$350,629, equal to 80% of the overall Bonus Pool) and a Discretionary Bonus Pool (\$87,657, equal to the remaining 20% of the overall Bonus Pool). The Fixed Bonus Pool for the 2011 fiscal year was distributed as follows:

55% to Officers, 80% of which was distributed to the Officers based upon each Officer's position and responsibility and is non-discretionary; the remainder of this portion was distributed as determined by the Committee, with certain input from the CEO.

35% to Employee Participants who are neither Officers of the Company nor direct or indirect labor employees of the Company located in California, allocated as determined by the CEO.

10% to Directors, allocated in equal portions to each Director.

The CEO determined the amount of the Discretionary Bonus Pool to be allocated to the Officers, subject to the Committee's approval. The remainder of the Discretionary Bonus Pool was allocated to and distributed to the other Employee Participants as determined by the CEO.

The 2011 Officer Plan:

The 2011 Officer Plan applied to all full-time employees of the Company with a corporate position of vice president or higher (Participants), and established the terms and conditions upon which the Company intended to pay cash bonuses in the aggregate totaling \$200,000 to eligible Participants for the Company's 2011 fiscal year. Bonuses under the 2011 Officer Plan were to be paid only if (1) the Company's Pre-Tax Income for the 2011 fiscal year equals or exceeds \$1,500,000 and (2) the Company is in compliance with all covenants under the Company's primary credit facility at the end of the 2011 fiscal year without obtaining a waiver from the lender. Both conditions were satisfied and the \$200,000 Bonus Pool was distributed among the eligible Participants by the Committee, which reviewed a proposal submitted to it by the CEO, and is responsible for making a Bonus Pool allocation recommendation to the Board.

At the end of fiscal year 2011, the Company awarded bonuses pursuant to the Plans, discussed above. Bonuses earned in fiscal year 2011 and paid to Named Executive Officers in fiscal 2012 are listed in the following compensation table.

Employment Contracts, Termination of Employment and Change of Control Agreements

The Company adopted an Amended and Restated Change-in-Control Severance Payment Plan on May 30, 2002 (the CIC Plan), which covers Named Executive Officers and certain other officers of the Company (each a CIC Participant). Under the terms of the CIC Plan, each CIC Participant is entitled to the payment of severance pay in the

event such CIC Participant's employment with the Company is involuntarily terminated within twenty-four months of a change of control of the Company. The amount of severance pay to which a CIC Participant may be entitled under the CIC Plan is a function of the value of the common stock of the Company as of the date on which a change in control of the Company takes place.

In general, for purposes of the CIC Plan, a change of control will be deemed to have occurred when (a) any entity, person or group other than Cyrus Tang or his affiliates, acquires more than thirty percent of the outstanding stock entitled to vote for directors of the Company, (b) as a result of or in connection with certain corporate transactions identified in the CIC Plan, the identity of a majority of the members of the Board of Directors immediately before such transaction changes immediately after the transaction, (c) the merger, consolidation, or share exchange of the Company, or (d) a sale of all or substantially all of the Company's assets. In general, a CIC Participant's employment will be deemed to have been involuntarily terminated under the CIC Plan in the event of such employee's termination by the Company for a reason other than (w) for cause (as defined in the Plan), (x) death, (y) disability, or (z) that employee's voluntary retirement or resignation except on account of the reasons set forth in the CIC Plan (which in general would result in a constructive discharge).

Table of Contents

The CIC Plan provides for automatic reduction of the amounts to be paid out under the plan in the event such amounts would constitute parachute payments under the Internal Revenue Code. Payments under the CIC Plan are also subject to an aggregate cap equal to 15% of the market value of the Company's outstanding capital stock on such date in the event the employment of one or more of the CIC Participants is terminated voluntarily or involuntarily within seven days after the change-in-control. Disputes concerning the CIC Plan and benefits under the CIC Plan are subject to arbitration.

Potential Severance Payments upon Change-In-Control

The following table describes approximate potential severance payments under the CIC Plan to which the Named Executive Officers would be entitled upon change-in-control of the Company, assuming that the change in control of the Company occurred on April 30, 2011, that all participants actually participated in the severance payment, and that our common stock is valued at \$5.29, which was the closing market price for our common stock on April 30, 2011. The actual amount of payments can only be determined at the time of a change-in-control and will vary from the estimated amounts in the table below.

IV. MEETINGS

The Committee shall meet at least four times annually, and more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with the chief financial officer and the independent accountants to discuss any matters that the Committee or either of these groups believe should be discussed privately. In addition, the Committee or its Chair should meet in person or by telephone conference call with the independent accountants and management quarterly to review the Company's financials consistent with V.3 below.

V. RESPONSIBILITIES

The Audit Committee shall have the following responsibilities:

Documents/Reports Review

1. Review this Charter annually and update it as conditions dictate.
2. Review the Company's annual financial reports and other financial information submitted to the Securities and Exchange Commission (the SEC), or the public, including any certification, attestation, report, opinion or review rendered by the independent accountants, and the independent accountants' judgment as to the quality of the Company's accounting principles.
3. Review with the chief financial officer or his/her delegate and, if the Committee believes it to be advisable, the independent accountants, quarterly reports on Form 10-Q prior to its filing or prior to the release of earnings. The Chair of the Committee may represent the entire Committee for purposes of this review.
4. Issue a report to the Board disclosing whether (a) the Committee has reviewed and discussed the audited financial statements with management; (b) the Committee has discussed with the independent accountants the matters required to be discussed by SAS 61, as may be modified or supplemented; (c) the Committee has received the written disclosures and the letter from the independent accountants and has discussed with the accountants the accountants' independence; and (d) whether, based on the review and discussions referred to in (a) - (c) above, the Committee recommended to the Board that the financial statements be included in the Annual Report on Form 10-K or 10-KSB for the last fiscal year for filing with the SEC. These disclosures shall appear over the printed names of each member of the Committee, and shall be included in the Company's proxy statement, if said proxy statement relates to an annual meeting of shareholders at which directors are to be elected (or special meeting or written consents in lieu of such meeting). The disclosures shall be made at least once a year.

Independent Accountants

5. Select, evaluate, oversee the work (including resolution of disagreements between management and the auditor regarding financial reporting), and, where appropriate, replace the independent accountants, and, if appropriate, nominate the independent accountants to be proposed for shareholder ratification or approval in any proxy statement. The independent accountants must report directly to and are ultimately accountable to the Committee, which has the sole authority and responsibility to select, evaluate and, where appropriate, replace the independent accountants.
6. Pre-approve all audit and permitted non-audit services to be performed by the independent accountants (subject to the de minimis exceptions under applicable law, rules and regulations). However, the Committee

may delegate to one or more designated members of the Committee the authority to grant such pre-approvals, and the decisions of any member to whom such authority is delegated shall be presented to the full Committee at its next regularly scheduled meeting. In determining whether to pre-approve permitted non-audit services, the Committee (or the members with authority to pre-approve) shall consider whether the independent accountants' performance of such services is compatible with independence.

7. Approve the fees and other compensation to be paid to the independent accountants. On at least an annual basis, to determine the accountants' independence, the Committee shall ensure its receipt from the outside auditors of a formal written statement delineating all relationships between the auditor and the Company, consistent with

18. Make or cause to be made, from time to time, such other examinations or reviews as the Committee may deem advisable with respect to the adequacy of the systems of internal controls, accounting practices, internal audit procedures, and disclosure controls and procedures of the Company, taking into account

28. Establish procedures in accordance with applicable law, rules and regulations for (a) receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Other Responsibilities

29. Review and make approval decisions regarding all related-party transactions, as required by applicable law, rules and regulations.
30. If appropriate, and if it determines necessary to carry out its duties, obtain advice and assistance from independent legal, accounting or other advisors and determine the compensation to be paid for such advice and assistance which shall be paid by the Company.
31. If necessary, institute special investigations and, if appropriate, hire special counsel or experts to assist.
- 32.

Perform any other activities consistent with this Charter, the Company's By-laws and governing law, rules or regulations as the Committee or the Board deems necessary or appropriate.

33. Determine the appropriate funding, to be provided by the Company, for the payment of ordinary administrative expenses of the Committee necessary or appropriate in carrying out its duties. However, a member of the Committee shall not accept any consulting, advisory, or other compensatory fee from the Company other than for board service.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to prepare financial statements, plan or conduct audits or determine that the Company's financial statements are complete and accurate and are in accordance with GAAP.
