**Item 7.01. Regulation FD Disclosure.**

MetLife, Inc. (the Company) has identified the following non-recurring charges that it expects to incur for the third quarter of 2011:

- (1) The Company expects to incur a \$115 million to \$135 million, after tax, charge to adjust reserves in connection with the Company's use of the U.S. Social Security Administration's Death Master File and similar databases to identify certain group life insurance certificates, individual life insurance policies and other contracts where the covered person may be deceased, but a claim has not yet been presented to the Company.
- (2) The Company estimates \$80 million to \$100 million, after tax, in catastrophe losses in its Auto & Home business. This estimate is \$42 million to \$62 million, after tax, higher than the Company's plan provision of \$38 million for the quarter. The higher losses are due to severe storm activity during the quarter, including the impact from Hurricane Irene.
- (3) On September 1, 2011, the New York State Insurance Department's Liquidation Bureau filed a liquidation plan for Executive Life Insurance Company of New York (ELNY), which had been under rehabilitation by the Liquidation Bureau since 1991. The plan will involve the satisfaction of insurers' financial obligations under a number of state life and health insurance guaranty associations and also contemplates that additional industry support for certain ELNY policyholders will be provided. The Company expects to incur a net charge of approximately \$40 million, after tax, related to ELNY.

As previously announced, the Company will hold its third quarter 2011 earnings conference call and audio Webcast on Friday, October 28, 2011, beginning at 8:00 a.m. (ET). This will follow the Company's issuance of its third quarter 2011 earnings press release on Thursday, October 27, 2011, after the market closes. Details about how to access the conference call can be found at [www.metlife.com](http://www.metlife.com), through a link on the Investor Relations page.
