IBT BANCORP INC /MI/  
Form 425  
December 23, 2005

Pursuant to Rule 425  
File No. 0-18415

December 22, 2005

Dear Shareholder:

I am pleased to inform you that the directors of the Farwell State Savings Bank have entered into an agreement for the bank to become a wholly-owned subsidiary of IBT Bancorp, Inc. of Mount Pleasant ("IBT"). Under the terms of the agreement, Farwell State Savings Bank will become a subsidiary of IBT, and will continue to operate under its current name and charter, and with its existing management team and board of directors. The proposed transaction is subject to your approval and that of bank regulators.

A special shareholders meeting will be scheduled to obtain your approval of the transaction. Regulatory approval is expected some time in the second quarter of 2006. The directors of Farwell State Savings Bank believe that the transaction will be beneficial to all shareholders and are in support of this proposed transaction. If the transaction is approved by the shareholders and the bank regulators, the agreement provides for an exchange of IBT common shares and cash for the shares of Farwell State Savings Bank common stock. The exchange ratio, as adjusted for the 10% stock dividend declared by IBT Bancorp's Board of Directors on December 14, 2005 is 3.0382 shares of IBT common stock and \$29.00 in cash for each share of Farwell State Savings Bank. This results in a value of \$145.00 for each share of Farwell State Savings Bank common stock, based upon a market price, as adjusted for the declared 10% stock dividend, of \$38.18 per share for IBT shares as of December 22, 2005. It is intended that the transaction will constitute a tax-free reorganization under the Internal Revenue Code, so that shareholders of Farwell State Savings Bank will recognize a gain only on the amount of cash received.

Prior to the special shareholders meeting, you will receive a proxy statement/prospectus providing full information about the proposed transaction, including more complete information on the market price of IBT shares.

Farwell State Savings Bank is proud of its independence and long history of service to the Farwell and Lake communities. However, for the bank to reach its growth potential and enhance shareholder value, we would need to enter new lines of business beyond the credit and deposit services that have been our specialty. Developing expertise independently would be time consuming and costly, making a combination with a larger financial institution attractive. The transaction with IBT will provide access to human

and technology resources that will allow us to serve a wide range of customers' financial needs in the future. IBT shares our passion for excellence and commitment to the customers and the communities we serve. We believe that our affiliation will benefit both companies along with our shareholders, customers, employees and communities.

The attached press release provides additional information. You will be notified of the date of the shareholders meeting when it is set. In the meantime, if you have any questions, please feel free to call me at 989-588-9945 or see me at our Farwell office.

Sincerely,

Edgar Filing: IBT BANCORP INC /MI/ - Form 425
