Item 8.01 Other Events.

On March 8, 2006, Esterline Technologies Corporation, a Delaware corporation (Esterline), Esterline Acquisition Limited, a company formed under the laws of England and Wales and a subsidiary of Esterline, and Cobham PLC, a company formed under the laws of England and Wales (Cobham), entered into a Share Purchase Agreement, dated as of March 8, 2006 (the Purchase Agreement) for the purchase of the outstanding shares of capital stock of Wallop Defence Systems Limited, a company organized in the U.K. (WDSL). In December 2005, Esterline acquired FR Countermeasures Inc. from Cobham. The purchase price for WDSL was £33,750,000, or approximately \$58.6 million, subject to post-closing adjustments based on indebtedness and changes in working capital of WDSL at closing. In addition, Esterline may pay up to £10,000,000, or approximately \$17.4 million, as additional purchase price depending on the future performance of WDSL. The consummation of the acquisition of WDSL is subject to customary conditions, including the approval by the German competition authorities of the transactions contemplated by the Purchase Agreement.

The press release issued by Esterline regarding the WDSL acquisition is filed as Exhibit 99.1 to this report, which is incorporated into this report by reference. The press release regarding the WDSL acquisition should be read in conjunction with the note regarding forward-looking statements, which is included in the press release.
