Item 6. Indemnification of Directors and Officers.

Pursuant to Delaware law and the Company's Bylaws, as Amended and Restated on February 13, 2006 (Bylaws), the Company is required to indemnify any person who was or is a party or is threatened to be made a party to an action (other than an action by or in the right of the Company) by reason of the fact that such person is or was a director, officer, employee or agent of the Company or is or was serving, at the Company's request, as a director, officer, employee or agent of another corporation or other enterprise, against expenses (including attorneys' fees) that are actually and reasonably incurred by such person in connection with the defense or settlement of such action; provided that such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the Company's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful. Indemnification shall not be made for any claim except to the extent that the adjudicating court (or the court in which the action was brought) determines that, despite the adjudication of liability, such person is entitled to indemnification for the expenses as the court deems proper.

The determination as to whether a person seeking indemnification has met the required standard of conduct is to be made (1) by a majority vote of a quorum of disinterested members of the board of directors, (2) by independent legal counsel in a written opinion, if such a quorum does not exist or if the disinterested directors so direct, or (3) by the stockholders. The Company's Bylaws also provide for mandatory indemnification of any director, officer, employee or agent against expenses to the extent such person has been successful in any proceeding covered by Delaware statute. In addition, the Bylaws also permit the Company to pay expenses incurred by an officer or director in defending an action, suit or proceeding for which indemnification may be made in advance of its final disposition upon receipt of an undertaking by or on behalf of the officer or director to repay the expenses if it is ultimately determined that the person is not entitled to be indemnified. Delaware law and the Company's Bylaws provide that indemnification and advancement of expenses set forth above shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Company's Bylaws provide that the Company may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent against any liability asserted against him or her and incurred by him or her in such capacity or arising out of his or her status as such, whether or not the Company would have the power to indemnify him or her against such liability under indemnification provisions of the Company's Bylaws.

The Company maintains a policy of directors and officers liability insurance.

The indemnification provisions contained in the Company's Bylaws are expressly permitted by Section 145 of the Delaware Corporation Law.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The exhibits filed herewith or incorporated herein by reference are set forth in the attached Exhibit Index.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, in a primary offering of securities of the Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424 under the Securities Act of 1933;

Table of Contents

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the Registrant or its securities provided by or on behalf of the Registrant; and

(iv) Any other communication that is an offer in the offering made by the Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
