PROXY STATEMENT

The accompanying proxy is solicited by the Board of Directors of Administaff, Inc., a Delaware corporation (the "Company"), for use at the 2002 Annual Meeting of Stockholders to be held on May 7, 2002, and at any reconvened meeting after an adjournment thereof. The Annual Meeting of Stockholders will be held at 10:00 a.m., Central Daylight Savings Time, at the Company's Corporate Headquarters, Centre II in the University Rooms, located at 29801 Loop 494, Kingwood, Texas 77339.

Stockholders of record may vote by attending the meeting or by signing, dating and returning your proxy in the envelope provided. If you return your signed proxy, your shares will be voted as you direct. IF THE ACCOMPANYING PROXY IS PROPERLY EXECUTED AND RETURNED, BUT NO VOTING DIRECTIONS ARE INDICATED THEREON, THE SHARES REPRESENTED THEREBY WILL BE VOTED FOR EACH OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT. In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting of Stockholders. The Board of Directors is not currently aware of any such other matters. Any stockholder of record giving a proxy has the power to revoke it at any time before it is voted by (i) submitting written notice of revocation to the Secretary of the Company at the address listed above, (ii) submitting another proxy that is properly signed and later dated, or (iii) voting in person at the Annual Meeting. Stockholders who hold their shares through a nominee or broker are invited to attend the meeting but must obtain a signed proxy from the broker in order to vote in person.

The expense of preparing, printing and mailing proxy materials to the Company's stockholders will be borne by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. (f/k/a Corporate Investor Communications, Inc.) to assist in the solicitation of proxies from stockholders at a fee of approximately \$5,000 plus reimbursement of reasonable out-of-pocket expenses. In addition, proxies may be solicited personally or by telephone by officers or employees of the Company, none of whom will receive additional compensation. The Company will also reimburse brokerage houses and other nominees for their reasonable expenses in forwarding proxy materials to beneficial owners of our common stock.

The approximate date on which this Proxy Statement and the accompanying proxy card will first be sent to stockholders is March 29, 2002.

At the close of business on March 8, 2002, the record date for the determination of stockholders of the Company entitled to receive notice of, and to vote at, the 2002 Annual Meeting of Stockholders or any reconvened meeting after an adjournment thereof, 27,949,461 shares of the Company's Common Stock, par value \$0.01 per share (the "Common Stock"), were outstanding. Each share of Common Stock is entitled to one vote upon each of the matters to be voted on at the meeting. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock is required for a quorum. If a quorum is present at the meeting, action on a matter (other than the election of directors) shall be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. Directors of the Company shall be elected by a plurality of the votes cast. In determining the number of votes cast, shares

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

abstaining from voting or not voted on a matter will not be treated as votes cast. Accordingly, although proxies containing broker non-votes (which result when a broker holding shares for a beneficial owner has not received timely voting instructions on certain matters from such beneficial owner) are considered "shares present" in determining whether there is a quorum present at the Annual Meeting, they are not treated as votes cast with respect to any matter, and thus will not affect the outcome of the voting on a particular proposal.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee is responsible for evaluating the performance of and determining the compensation for executive officers including the Chief Executive Officer. It is also responsible for overseeing the Company's 1997 Incentive Plan and 2001 Incentive Plan (the "Incentive Plans"). The Compensation Committee has furnished the following report on executive compensation for 2001.

The Company's compensation programs are designed to attract and retain key executives responsible for the success of the Company and motivate management to enhance long-term stockholder value. The annual compensation package for executive officers, including the Chief Executive Officer, generally consists of three components: (i) a base salary payable in cash, (ii) variable compensation, which is targeted as a percentage of base pay and may be payable in cash awards, phantom shares, performance units, bonus stock or other stock-based awards, and (iii) long-term incentive compensation, which generally consists of stock options.

In determining the overall level of compensation for each of the Company's executive officers, including the Chief Executive Officer, the Compensation Committee takes into account various qualitative and quantitative indicators of corporate and individual performance. In setting base salary for executives other than the Chief Executive Officer, the Compensation Committee also considers the Chief Executive Officer's subjective evaluation of each executive's performance.

No variable compensation was paid to any executive officer in 2001, except for Mr. Rawson, who received an additional bonus equal to the interest paid by him on loans from the Company plus any applicable taxes due on such additional bonus. See "Certain Relationships and Related Transactions."

Long-term Incentive Compensation

Long-term incentive compensation is provided through the Incentive Plans, the objectives of which are to promote the interests of the Company by encouraging employees of the Company and its subsidiaries to acquire or increase their equity interest in the Company and to provide a means whereby such persons may develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to remain with and devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its stockholders. Awards under the Incentive Plans have generally been made in the form of stock options, although in the future such awards may include phantom shares, performance units, bonus stock or other stock-based awards. The Compensation Committee believes that stock options align the interest of the Company's executives with those of its stockholders by encouraging executives to enhance the value of the Company, and hence, the price of the Common Stock and each stockholder's return. The Company may periodically grant new options or other long-term equity-based incentives to provide continuing incentive for future performance. In making the decision to grant options, the Compensation Committee considers factors including an executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company and the value of the executive's service to the Company.

In 2001, the Company granted options to purchase an aggregate of 400,000 shares of Common Stock to executive officers of the Company, including the Chief Executive Officer.

CEO Compensation

The compensation of the Chief Executive Officer is determined in the same manner as the other executives of the Company, as set forth above, and includes stock options. In 2001, the Compensation Committee granted Mr. Sarvadi options to purchase 60,000 shares of Common Stock.

Section 162(m) of the Internal Revenue Code

Because the Company has not yet granted any executive officer compensation exceeding \$1,000,000 in any year, the Compensation Committee has not yet adopted a policy with respect to the limitation under Section 162(m) of the Internal Revenue Code, which generally limits the Company's ability to deduct compensation in excess of \$1,000,000 to a particular executive officer in any year. The Compensation Committee, in consultation with the Board of Directors, will adopt such a policy if the compensation awarded to an executive exceeds such amount.

REPORT OF THE FINANCE, RISK MANAGEMENT AND AUDIT COMMITTEE

The Finance, Risk Management and Audit Committee (the "Committee") of Administaff, Inc. is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Committee acts

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

under a written charter adopted and approved by the Board of Directors and reviewed annually by the Committee. A copy of the Committee charter is attached to this Proxy Statement as Appendix A.

The Committee has reviewed and discussed with the Company's management the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2001.

The Committee has discussed with Ernst & Young LLP, the Company's independent public accountants, the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended.

The Committee has received and reviewed the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as amended, and has discussed with Ernst & Young its independence. The Committee has also considered the compatibility of non-audit services with Ernst & Young's independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 for filing with the Securities and Exchange Commission.

The above performance graph compares the cumulative total stockholder return of the Common Stock to the cumulative total stockholder return of the Standard & Poor's SmallCap 600 Stock Index and a new industry peer group index for the period from February 3, 1997 to December 31, 2001 (assuming reinvestment of any dividends and an investment of \$100 in each on February 3, 1997). In compliance with SEC rules, the Company is also comparing its stock performance to an old peer group index which it used last year.

The new peer group consists of Team Mucho, Inc. (formerly known as Team America Corporation), TeamStaff, Inc., Staff Leasing, Inc., d/b/a Gevity HR, Automatic Data Processing, Inc., and Paychex, Inc., each of which provides professional employer services. Automatic Data Processing, Inc. and Paychex, Inc. were added to the peer group this year because they each own large professional employer organizations. The old peer group consisted of Team Mucho, Inc., TeamStaff, Inc., Gevity HR, Employee Solutions, Inc. (through December 31, 2000), Vincam, Inc. (through December 31, 1998) and NovaCare Employee Services, Inc. (through December 31, 1998), each of which provides or provided professional employer services. Employee Solutions, Inc. was dropped from the return calculation after December 31, 2000 because it discontinued its

13

operations as a professional employer organization in December 2000. Vincam, Inc. and NovaCare Employee Services, Inc. were dropped from the return calculation after December 31, 1998 as a result of each of them being acquired in 1999. For the purposes of this graph, the market value then attributable to Employee Solutions, Vincam and NovaCare was assumed to be reinvested in the other five companies in the old peer group index.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2001, the members of the Compensation Committee were Ms. Levinson and Mr. Fields. No member of the Compensation Committee (or board committee performing equivalent functions) (i) was an officer or employee of the Company, (ii) was formerly an officer of the Company, or (iii) had any business relationship or conducted any transactions with the Company.

During 2001, no executive officer of the Company served as (i) a member of the compensation committee (or other board committee performing equivalent functions or, in the absence of any such committee, the entire board of directors) of another entity, one of whose executive officers served on the Board of Directors of the Company, or (ii) a director of another entity, one of whose executive officers served on the Board of Directors of the Company or its subsidiaries.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Company's directors and officers, and persons who own more than 10% of the Common Stock, to file initial reports of ownership and reports of changes in ownership (Forms 3, 4, and 5) of Common Stock with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and greater than 10% stockholders are required by Securities and Exchange Commission regulation to furnish the Company with copies of all such forms that they file.

Based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all Section 16(a) reports with respect to the year ended

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

December 31, 2001 applicable to its officers, directors and greater than 10% beneficial owners, were timely filed, except that A. Steve Arizpe was late in filing one Form 4 reflecting a change in the beneficial ownership of his Common Stock.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In June 1995, Richard G. Rawson, Executive Vice President of Administration, Chief Financial Officer, Treasurer and a director of the Company, exercised options to purchase 897,334 shares of Common Stock (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) at a price of \$1.50 per share (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000). The purchase price was paid in cash by Mr. Rawson. In connection with the exercise of the options, the Company entered into a loan agreement with Mr. Rawson in the amount of approximately \$694,000, whereby the Company paid certain federal income tax withholding requirements related to the stock option exercise. Mr. Rawson, his wife and a family limited partnership of which Mr. Rawson is the general partner are obligors of the loan. The maturity date of the loan was extended in February 2000 to June 2002. The loan is secured by 97,964 shares of Common Stock (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) owned by the obligors. The loan agreement called for an additional amount to be advanced to Mr. Rawson if the ultimate tax liability resulting from the exercise were to exceed the statutory withholding requirements. In April 1996, an additional \$300,000 was loaned to Mr. Rawson pursuant to this provision of the agreement. The \$300,000 loan was paid in full in June 2001. The loans accrue interest at 6.93%; however, pursuant to an understanding Mr. Rawson has with the Company, in each year that the loans have been outstanding, Mr. Rawson has received a bonus equal to the interest paid by Mr. Rawson on the loans, plus any applicable taxes due on such component of his bonus. See "Report of the Compensation Committee of the Board of Directors."

Our Ship Limited Partnership, Ltd. ("Our Ship"), which is a family limited partnership owned by Mr. Paul Sarvadi, President and Chief Executive Officer of the Company, and members of his immediate family, is a client of the Company. In 2001, Our Ship paid comprehensive service fees of \$75,143 (\$19,870 net of payroll costs) to the Company. Mr. Sarvadi's brother is an owner and officer of three companies that are clients of the Company. In 2001, the three companies paid comprehensive service fees totaling \$1,534,994 (\$348,814 net of payroll costs) to the Company.

In March 1998, the Company completed a Securities Purchase Agreement (the "Agreement") with American Express Travel Related Services Company, Inc. ("American Express") whereby the Company sold units consisting of 1,386,252 shares (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) and warrants to purchase an additional

4,131,030 shares (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) of Common Stock to American Express for a total purchase price of \$17.7 million. The warrants have exercise prices ranging from \$20 to \$40 per share (as adjusted for the 2-for-1 split of the Common Stock effected in October 2000) and terms ranging from three to seven years. On February 28, 2001, American Express exercised warrants to purchase 800,000 shares of Common Stock at \$20 per share. On March 12, 2001, the Company repurchased 800,000 shares of Common Stock from American Express and a related entity for a per share price of approximately \$24.4629. The price was based upon the average closing price of the shares on the New York Stock Exchange over a period of 20 trading days. On November 7, 2001, American Express exercised warrants to purchase 273,729 shares

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

of Common Stock at \$25.00 per share. On March 5, 2002, American Express exercised warrants to purchase 526,271 shares of Common Stock at \$25.00 per share. The Company repurchased the 526,271 shares of Common Stock from American Express for a per share price of \$27.02, which was the closing price of the shares on the New York Stock Exchange Composite Transaction Tape on March 5, 2002.

In March 1998, the Company entered into a Marketing Agreement with American Express, under which American Express is utilizing its resources and working jointly with the Company to generate appointments with prospects for the Company's services from the American Express customer base in certain markets. In addition, certain American Express services are included in the Company's My MarketPlace(SM) offerings. The Company pays a commission to American Express based upon the number of worksite employees paid after being referred to the Company pursuant to the Marketing Agreement and the total number of worksite employees paid by the Company. In 2001, the Marketing Agreement produced 18% of the Company's sales leads and 16% of new worksite employees sold. The Marketing Agreement expires at the end of 2005.

PROPOSAL NUMBER 2:

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

GENERAL

The Board of Directors has appointed the firm of Ernst & Young LLP as the Company's independent public accountants for the year ending December 31, 2002, subject to ratification by the Company's stockholders. Ernst & Young has served as the Company's independent public accountants since 1991. Representatives of Ernst & Young are expected to be present at the Annual Meeting of Stockholders and will have an opportunity to make a statement, if they desire to do so, and to respond to appropriate questions from those attending the meeting.

FEEES OF ERNST & YOUNG LLP

Ernst & Young's fees for professional services provided to Administaff totaled \$565,000 for the calendar year 2001. Ernst & Young's fees for professional services included the following:

AUDIT FEEES

The Company was billed a total of \$173,000 by Ernst & Young for services rendered in connection with the annual audit and for the review of the Company's financial statements included in the Company's Forms 10-Q for fiscal year 2001.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEEES

Ernst & Young did not provide any information technology services to the Company during fiscal year 2001.

ALL OTHER FEEES

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

The Company was billed a total of \$392,000 by Ernst & Young for all other non-audit services, including \$356,000 for tax-related services and \$36,000 for non-audit attestation services, for fiscal year 2001.

The Finance, Risk Management and Audit Committee reviewed the non-audit services provided to the Company and considered whether Ernst & Young's provision of such services was compatible with maintaining its independence.

REQUIRED AFFIRMATIVE VOTE

If the votes cast in person or by proxy at the 2002 Annual Meeting of Stockholders in favor of this proposal exceed the votes cast opposing the proposal, the appointment of Ernst & Young LLP as the Company's independent public accountants for the year ending December 31, 2002 will be ratified.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF ERNST & YOUNG LLP'S APPOINTMENT AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS FOR THE YEAR ENDING DECEMBER 31, 2002, AND PROXIES EXECUTED AND RETURNED WILL BE SO VOTED UNLESS CONTRARY INSTRUCTIONS ARE INDICATED THEREON.

16

ADDITIONAL INFORMATION

DELIVERY OF PROXY STATEMENT

Effective in December 2000, the Securities and Exchange Commission adopted new rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements with respect to two or more security holders sharing the same address by delivering a single proxy statement addressed to those security holders. This process, which is commonly referred to as "householding," potentially means extra convenience for securityholders and cost savings for companies. This year, a number of brokers with accountholders who are Administaff shareholders will be householding our proxy materials. A single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholder. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or direct your written request to Administaff, Inc., Attention: Ruth Holub, Investor Relations Administrator, 19001 Crescent Springs Drive, Kingwood, Texas 77339 or contact Ruth Holub at 800-237-3170. The Company will promptly deliver a separate copy to you upon request. If you are a holder of record of Administaff shares, you will be receiving a communication from our transfer agent, Computershare Trust Company, regarding householding of the materials we send to you. Householding of your materials will take effect unless you inform them that you would prefer to receive multiple copies. You may communicate with Computershare Trust Company by telephone (800-962-4284) or by facsimile (303-986-2444).

APPENDIX A

ADMINISTAFF

FINANCE, RISK MANAGEMENT AND
AUDIT COMMITTEE CHARTER

PURPOSE

The primary purpose of the Finance, Risk Management and Audit Committee (the "Committee") is to assist the Board of Directors in fulfilling its responsibility to oversee the financial affairs, risk management and accounting practices of the Company. The scope of the Committee's responsibility entails reviewing and monitoring (i) the financial affairs of the Company, (ii) the financial statements of the Company and the independence of the firm of independent public accountants hired to audit the Company's financial statements (the "external auditors"), and (iii) the Company's policies and procedures with respect to risk management, as well as other matters that may come before it as directed by the Board of Directors.

While the Committee has the responsibilities and powers set forth in this Charter, the Board of Directors and the Committee recognize that the Company's management is responsible for preparing the Company's financial statements and the external auditors are responsible for auditing those financial statements. Therefore, the Board of Directors and the Committee's responsibility is one of oversight.

MEMBERSHIP AND MEETINGS

The Committee shall consist of not less than three directors who serve at the discretion of the Board of Directors, and the Committee's composition shall meet the requirements of the Audit Committee Policy of the New York Stock Exchange ("NYSE"). Accordingly, (i) each member shall have no relationship to the Company that may interfere with the exercise of his or her independence from management and the Company, (ii) each member shall be (or shall become within a reasonable time after appointment) financially literate, and (iii) at least one member shall have accounting or related financial management expertise, as the Board of Directors interprets each such qualification in its business judgment.

The Committee shall meet at least four times each year.

PRIVATE DISCUSSIONS/INVESTIGATIONS

The Committee may ask officers and employees of the Company, the Company's outside counsel, the Company's external auditor or others to attend meetings with, and furnish pertinent information to, the Committee. Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

power to retain counsel, auditors or other experts for this purpose.

ACCOUNTABILITY OF EXTERNAL AUDITORS

The external auditors are ultimately accountable to the Committee and the Board of Directors. The Committee and the Board of Directors have the responsibility to select, evaluate and, where appropriate, replace the Company's external auditors.

DUTIES AND RESPONSIBILITIES

The Committee shall:

1. Annually recommend to the Board of Directors the selection of the Company's external auditors, with such selection to be submitted to the stockholders for ratification.
 2. Review and approve the plan and scope of the annual audit of the Company's consolidated financial statements and any other services provided by the Company's external auditors, as well as the fees related to the audit and such other services.
- 19
3. Prior to the filing of the Company's quarterly report on Form 10-Q and annual report on Form 10-K, review and discuss with the external auditors and management the results of any annual audit or interim financial review and any report or opinion rendered in connection therewith, as the case may be, any unresolved disagreements with management concerning accounting or disclosure matters and any significant adjustment proposed by the external auditors.
 4. Review and consider with the external auditors, the Chief Financial Officer and the Vice President of Finance the matters required to be discussed by Statement of Auditing Standards No. 61.
 5. Review with the external auditors any management letter provided by the external auditors and management's response to that letter.
 6. Review proposed changes to the Company's financial and accounting standards and principles and the Company's policies and procedures with respect to its internal accounting, auditing and financial controls.
 7. Review and approve the services provided by independent accounting firms other than the external auditors.
 8. Discuss with management and the external auditors the quality and adequacy of the Company's internal controls.
 9. Ensure that the external auditors deliver to the Committee on a periodic basis a formal written report delineating all relationships between the external auditors and the Company. The Committee shall discuss with the external auditors their independence from management and the Company and shall consider the compatibility of non-audit services with the auditors' independence. The Committee shall recommend that the Board of Directors take appropriate action in response to the written report to satisfy itself of the independence of the external auditors.
 10. Meet periodically with management to review the Company's major risk

Edgar Filing: ADMINISTAFF INC \DE\ - Form DEF 14A

exposures and any steps management has taken to monitor and control such exposures.

11. Provide a report of Committee activities to the Board of Directors at regular intervals.
12. Perform such other functions as requested by the Board of Directors, or required by law or NYSE rule.

ANNUAL REVIEW OF CHARTER

At least annually, the Committee shall review and reassess the adequacy of this Charter. The Committee shall report the results of the review to the Board of Directors and, if necessary, recommend that the Board of Directors amend this Charter.
