ITEM 5. OTHER EVENTS.

CenterPoint Energy, Inc. announced today that it has permanently reduced its bank credit facility by approximately \$1 billion to \$2.846 billion. This reduction has resulted in the extinguishment of the rights granted to the lenders under its credit facility to receive warrants to purchase up to 10% of the CenterPoint Energy common stock. This reduction also has eliminated an additional limitation on dividends on the CenterPoint Energy common stock that would have been applicable under the credit facility in 2004. Additionally, CenterPoint Energy has received approval from the Securities and Exchange Commission to pledge the Texas Genco Holdings, Inc. stock it owns as security for the credit facility.
