These items are more fully described in the following pages, which are made part of this notice.

To ensure that your vote is recorded promptly, please vote as soon as possible, even if you plan to attend the annual meeting. Most stockholders have three options for submitting their vote: (1) via the Internet, (2) by phone or (3) by mail, using the paper proxy card. For further details, see your proxy card. If you have Internet access, **we encourage you to record your vote on the Internet.** It is convenient for you, and it also saves your company significant postage and processing costs.

**PROXY STATEMENT  
ANNUAL MEETING OF STOCKHOLDERS, June 8, 2004**

---

**GENERAL INFORMATION**

This Proxy Statement is being mailed to stockholders of Virco Mfg. Corporation, a Delaware corporation (the Company), on or about May 10, 2004 in connection with the solicitation by the Board of Directors of proxies to be used at the Annual Meeting of Stockholders of the Company to be held on Tuesday, June 8, 2004 at 10:00 a.m. at 1701 Sturgis Road, Conway, Arkansas, and any and all adjournments and postponements thereof.

The cost of preparing, assembling and mailing the Notice of Annual Meeting of Stockholders, Proxy Statement and form of proxy and the solicitation of proxies will be paid by the Company. Proxies may be solicited in person or by telephone, telegraph, e-mail or other electronic means by personnel of the Company who will not receive any additional compensation for such solicitation. The Company will pay brokers or other persons holding stock in their names or the names of their nominees for the expenses of forwarding soliciting material to their principals.

**RECORD DATE AND VOTING**

The close of business on April 26, 2004 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the meeting. On that date there were 13,095,801 shares of the Company's Common Stock, par value \$.01 per share, outstanding. All voting rights are vested exclusively in the holders of the Company's Common Stock. Each share is entitled to one vote on any matter that may be presented for consideration and action by the stockholders, except that as to the election of directors, stockholders may cumulate their votes. Because three directors are to be elected, cumulative voting means that each stockholder may cast a number of votes equal to three times the number of shares actually owned. That number of votes may be cast for one nominee, divided equally among each of the nominees or divided among the nominees in any other manner. The proxy holders will have authority, in their discretion, to vote cumulatively for less than all of the nominees.

In all matters other than the election of directors, the affirmative vote of the majority of shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote on the subject matter would be the act of the stockholders. Directors will be elected by a plurality of the votes of the Common Stock present in person or represented by proxy. Abstentions will be treated as the equivalent of a negative vote for the purpose of determining whether a proposal has been adopted and will have no effect for the purpose of determining whether a director has been elected. Broker non-votes are not counted for the purpose of determining the votes cast on a proposal.

Proxies will be voted for management's nominees for election as directors and in accordance with the recommendations of the Board of Directors contained in the Proxy Statement, unless the stockholder otherwise directs in his or her proxy. Where the stockholder has appropriately directed how the proxy is to be voted, it will be voted according to his or her direction. Any stockholder has the power to revoke his or her proxy at any time before it is voted at the meeting by submitting written notice of revocation to the Secretary of the Company at 2027 Harpers Way, Torrance, California 90501, by filing a duly executed proxy bearing a later date, either in person at the annual meeting, via the internet, by telephone, or by mail. Please consult the instructions included with your proxy card.

Table of Contents**PROPOSAL 1****ELECTION OF DIRECTORS**

The Certificate of Incorporation of the Company provides for the division of the Board of Directors into three classes as nearly equal in number as possible. In accordance with the Certificate of Incorporation, the Board of Directors has nominated Douglas A. Virtue, Evan M. Gruber and Albert J. Moyer (each of whom is currently a director) to serve as directors in Class I of the Board of Directors with a term expiring in 2007.

It is intended that the proxies solicited by this Proxy Statement will be voted in favor of the election of Messrs. Virtue, Gruber and Moyer, unless authority to do so is withheld. Should any of such nominees be unable to serve as a director or should any additional vacancy occur before the election (which events are not anticipated), proxies may be voted for a substitute nominee selected by the Board of Directors or the authorized number of directors may be reduced. If for any reason the authorized number of directors is reduced, the proxies will be voted, in the absence of instructions to the contrary, for the election of the remaining nominees named in this Proxy Statement. In the event that any person other than the nominees named below should be nominated for election as a director, the proxies may be voted cumulatively for less than all of the nominees.

The following table sets forth certain information with respect to each of the nominees, as well as each of the six continuing directors. **The Board of Directors recommends that you vote FOR the election of the Class I nominees.**

**BOARD COMMITTEES, MEETINGS & COMPENSATION**

Each director of the Company serving in 2003 attended at least 75% of the 2003 meetings of the Board of Directors and each committee on which he served. The Board of Directors held six meetings in 2003. Directors who are also officers of the Company or its subsidiaries receive no additional compensation for their services as directors. Other directors received a retainer of \$4,000 per quarter, a fee of \$1,000 for each Board meeting, a fee of \$500 for each telephonic Board meeting and a fee of \$750 for each committee meeting attended. In 2003, Messrs. Friesz, Gruber, Montgomery, Patrick and Wilburn each received options to purchase 2,000 shares of Common Stock at \$8.40 per share. At the February 2001 meeting of the Board of Directors, the Compensation Committee established an additional annual retainer of \$2,000 per year for Committee chairmen and a pension plan for non-employee directors who have served as such for at least 10 years, providing for a series of quarterly payments (equal to the portion paid to non-employee directors for service without regard to attendance at Board meetings or committee service) for such director's lifetime following the date on which such director ceases to be a director for any reason other than death. Effective December 31, 2003, the Company froze all future benefit accruals under the Plan.

The Board of Directors has an Audit Committee that in 2003 was composed of Messrs. Friesz, Gruber, Patrick and Wilburn. The Audit Committee held two on-site meetings and four telephonic meetings in 2003. The functions of the Audit Committee include reviewing the financial statements of the Company, the scope of the annual audit by the Company's independent auditors and the audit reports rendered by such independent auditors. The Audit Committee may also examine and consider other appropriate matters. The Audit Committee acts pursuant to a written charter adopted by the Board of Directors. As of the date of this proxy statement, each of the Audit Committee members is an independent director as defined by the listing standards of the American Stock Exchange, except perhaps Mr. Patrick. Although Mr. Patrick may not be deemed to be an independent director due to consulting work performed by him in connection with our Conway expansion project, the Board believes that it is in the best interests of the Company and its stockholders that Mr. Patrick continue to serve on the Audit Committee. This is because Mr. Patrick has significant accounting and financial experience and expertise that the Board believes is critical in the execution of the oversight function to be performed by an effective Audit Committee. Moreover, Mr. Patrick is not an employee, or a relative of an employee, of the Company, and the Board believes that the consulting work performed for the Company by Mr. Patrick was minor in 2001 and 2002. Hence, the Board believes that Mr. Patrick performs his functions with the same fortitude and integrity as the other members of the Audit Committee. The Board of Directors has determined that Mr. Gruber qualifies as the audit committee financial expert, as that term is defined in Item 401(h)(2) of Regulation S-K in the Securities Exchange Act of 1934. Finally, the Board expects to continue to reevaluate the composition of the Audit Committee on an annual basis to ensure that its composition remains in the best interests of the Company and its stockholders.

The Board of Directors has a Compensation Committee that in 2003 was composed of Messrs. Montgomery, Patrick and Wilburn. The function of this Committee is to make recommendations to the Board regarding changes in salaries and benefits. The Compensation Committee held one meeting in 2003.

**Table of Contents**

The Board of Directors has a Corporate Governance/Nominating Committee that in 2003 was composed of Messrs. Friesz, Gruber, Montgomery, Patrick and Wilburn, the outside directors of the Company. As of the date of this proxy statement, the Nominating Committee consists of all of the Company's independent directors, in accordance with the requirements of the American Stock Exchange. The Corporate Governance/Nominating Committee held two meetings in 2003.

The Corporate Governance/Nominating Committee's function is to identify and recommend from time to time candidates for nomination for election as directors of the Company. Candidates may come to the attention of the Corporate Governance/Nominating Committee through its current members, members of the Board of Directors, stockholders or other persons. Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. Candidates are evaluated at regular or special meetings, and may be considered at any point during the year, depending on the Company's needs. The Corporate Governance/Nominating Committee acts pursuant to a written charter adopted by the Board of Directors, a copy of which is available to stockholders on our website, at [www.virco.com](http://www.virco.com). The Corporate Governance/Nominating Committee considers nominees proposed by stockholders. In evaluating such nominations, like all nominations, the Corporate Governance/Nominating Committee considers a variety of criteria, including business experience and skills, independence, judgment, integrity, the ability to commit sufficient time and attention to Board of Directors activities and the absence of potential conflicts with the Company's interests. The Corporate Governance/Nominating Committee has not established any specific minimum qualification standards for nominees to the Board, although from time to time the Corporate Governance/Nominating Committee may identify certain skills or attributes (*e.g.*, financial experience, business experience) as being particularly desirable to meet specific Board needs that may arise. To recommend a prospective nominee for the Corporate Governance/Nominating Committee's consideration, you may submit the candidate's name and qualifications to Virco's Corporate Secretary at 2027 Harpers Way, Torrance, California 90501.

Any stockholder interested in communicating with members of the Board of Directors may send written communications to the Board of Directors or any of the directors to the Company at 2027 Harpers Way, Torrance, California 90501, Attention: Robert E. Dose, Secretary. Communications received in writing are forwarded to the Board of Directors or to any individual director or directors to whom the communication is directed, unless, in his discretion, the Secretary determines that the communication is of a commercial or frivolous nature, is unduly hostile, threatening, illegal, does not reasonably relate to the Company or its business, or is otherwise inappropriate for the Board's consideration. In such cases, some of that correspondence may be forwarded elsewhere in the company for review and possible response. The Secretary has the authority to discard or disregard any inappropriate communications or to take other appropriate actions with respect to any such inappropriate communications. Directors are expected to attend the annual meetings of stockholders. Last year all directors attended the annual meeting.

Under the VIP Plan, each participant will receive a benefit payable at retirement equal to 50% of the average base salary during the last five years offset by the monthly benefit accrued under the Employees Retirement Plan. **Table of Contents**

In the event of the death of a participant prior to retirement, death benefits are payable for a fifteen-year period to the deceased participant's beneficiaries.

Effective December 31, 2003, the Company froze benefit accruals under the Plan. It is the intent of the Company to unfreeze the plan when the Company's financial condition allows.

**Employees Retirement Plan**

The Employees Retirement Plan of the Company is a non-contributory, defined benefit retirement plan governed by the Employee Retirement Income Security Act of 1974. With limited exceptions, all employees of the Company and its participating subsidiaries (including executive officers) are eligible to participate provided they meet certain service requirements. Benefits are paid to or on behalf of each participant upon retirement, normally at age 65, and under certain circumstances upon death. Benefits under the Plan are credited to the employee each year based upon years of service and remuneration during such year of service.

Retirement benefits vest partially after three years of service and fully after seven years of service, or upon the participant's 65th birthday. Benefits payable under the Plan are adjusted to reflect the form of payment elected by the participant. The following table shows the annual pension benefits for retirement at age 65 which would be payable to retiring employees with representative earnings and years of service:

**Pension Plan Table**

From time to time the Company may amend the formula used to determine the benefits applicable to certain management personnel who also participate in the VIP Plan, with the effect that no change results in such individual's overall retirement benefits as determined under the VIP Plan, but solely the plan under which such benefits are paid.

the Plan and may elect coverage under the Plan of \$100,000. Officers may elect coverage under the Plan of up to \$300,000 in increments of \$50,000. The Company discontinued the Plan for active employees effective December 2003.

The premiums for the policies are paid partially by the participants pursuant to the formula set forth in the Plan, with the Company paying the remaining portion. The Company is the owner of each participant's policy and assigns an interest to the participating employee in an amount equal to the excess of the death benefits available under the policy over an amount approximately equal to the aggregate premium payments made by the Company with respect to such participant's policy. This amount is payable to the participant's beneficiaries. Upon the first to occur of reaching the age of 65, actual retirement or termination of employment, each participant is entitled to have the Company assign the policy to the participant or his designee, provided that the participant first reimburses the Company for all premiums previously paid by the Company for the policy.

**REPORT ON EXECUTIVE COMPENSATION**

The Compensation Committee of the Board of Directors is responsible for developing the Company's executive compensation policies and making recommendations to the Board of Directors with respect to these policies. In addition, the Committee makes annual recommendations to the Board of Directors concerning the compensation paid to the Chief Executive Officer and to each of the other executive officers of the Company.

**Executive Compensation Policy**

The goals of the Company's executive compensation policy are to attract and retain qualified executives and to ensure that their efforts are directed toward the long-term interests of the Company and its stockholders. The Company is striving to generally position executive salaries at median competitive levels and to rely on variable, performance-based bonuses to play a significant role in determining total compensation. In addition, by establishing the 1993 and 1997 Stock Incentive Plans, the Company further linked executive and stockholder interests.

The Compensation Committee annually reviews salaries, bonuses and other aspects of executive compensation. In general, the purpose of such annual reviews is to ensure that the Company's overall executive compensation program remains competitive with comparable businesses and that total executive pay reflects both the individual's performance as well as the overall performance of the Company.

**Base Salary**

Each year, the performance of executives is reviewed and, based upon an assessment of individual performance, the Company's performance, and a comparison of the Company's executive compensation levels and plans with those of other companies in the furniture manufacturing business, a salary increase may be awarded. In 2003, based upon such review, the Compensation Committee concluded that the Company's executive salaries should be maintained at the prior year's levels. As a result, there was no change in the Company's compensation levels awarded to the Company's Chief Executive Officer and other executive officers in 2003.

The salary of Mr. Robert A. Virtue, the Company's Chief Executive Officer, was determined on the foregoing basis. In addition to consideration of the salary levels of the chief executive officers of other furniture manufacturers, the Board considered the Company's operating results in 2002, the Company's stock performance, the effect of the general economy on the Company's performance and the success of the Company in addressing certain goals.

**Bonuses**

Early each year the Board of Directors considers and approves an annual profit plan for the Company, which establishes a target level of overall Company profits, excluding certain non-recurring items. The bonuses payable to the Chief Executive Officer and the other executive officers are tied to the Company's actual performance relative to the annual profit plan. In 2003, a consolidated bonus plan was utilized to determine the bonuses of divisional general managers, as well as the Chief Executive Officer and the other executive officers. In 2003, the Chief Executive Officer was eligible to receive a bonus equal to 45% of his salary, with a potential increase to up to 60% of his salary, and each of the executive officers was eligible to receive a bonus equal to 35% of his or her salary, with a potential increase to up to 50% of his or her salary, if the annual profit plan target level had been achieved. In general, the target bonus amount was subject to a 1%

**Table of Contents**

increase for each \$100,000 that the Company's actual profits exceeded the plan's targeted profit level and a 1% decrease for each \$50,000 that the plan's targeted profit level exceeded the Company's actual profits.

**PROPOSAL 2**

**RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS**

The Company's Board of Directors has selected Ernst & Young LLP, independent auditors, to audit its financial statements for the fiscal year ending January 31, 2005, and recommends that the stockholders vote for ratification of that appointment. The Company's Audit Committee has reviewed the professional services provided by Ernst & Young LLP, as described above, has considered the possible effect of such services on the independence of the firm, and has determined that such services have not affected Ernst & Young LLP's independence. Notwithstanding this selection, the Board of Directors, in its discretion, may direct the appointment of new auditors at any time during the year if the Board of Directors feels that such a change would be in the best interests of the Company and its stockholders. If there is a negative vote on ratification, the Board of Directors will reconsider its selection.

The affirmative vote of a majority of the votes cast is required to ratify the Board of Directors selection. In addition, the affirmative votes must represent at least a majority of the required quorum. If the stockholders reject the selection, the Board of Directors will reconsider its selection. **The Board of Directors unanimously recommends a vote FOR the ratification of the appointment of Ernst & Young LLP.**
