BOARD OF DIRECTORS MINUTES No. 150

(Relevant Part)

In the City of Buenos Aires, this 20th day of March of the year 2003, at 3:00 p.m., the undersigned Directors and Syndics hold a meeting at the registered offices of TELECOM ARGENTINA STET-FRANCE TELECOM S.A., located at Av. Alicia Moreau de Justo 50, presided over by the Chairman of the Board of Directors, Mr. Amadeo R. Vázquez who, after checking the existence of quorum, submits to consideration of those present the following agenda:

I. CHANGE OF RATIO OF THE ADRS.

On July 29, 2002, the Company received a letter (hereinafter the Notification) by which, the New York Stock Exchange (the NYSE) informed that the American Depositary Receipts (ADRs) of the Company had quoted at that market for more than 30 days at an average price less than US\$ 1 (Minimum Price per ADR). The Notification informed that the NYSE regulations obliges the listing companies to adopt, within a six month term, the necessary corrective measures for the ADRs fulfil again the regulative requirements regarding Minimum Price per ADR, except that these measures are subject to the decision of the shareholder, in which case the adoption of said measures may be deferred until the next Annual Shareholders Meeting is held.

The NYSE also informed that, in case the relevant measures are not taken, the ADRs of the Company would be unlisted.

At the meeting held August 23, the Board of Directors in accordance with the requirements of the NYSE- resolved to immediately distribute a press release informing that the ADRs of the Company had fallen below the standard determined by the NYSE regarding Minimum Price per ADR and that the necessary measures would be adopted to remedy this situation.

The Company also sent the NYSE a letter acknowledging receipt of the Notification and informing that, within the statutory terms, the necessary steps for its ADRs comply again with the standards of the NYSE would be taken.

In response to that letter, the NYSE required a clarification whether the measures to correct the Minimum Price per ADR would be taken by the Board of Directors within a six month term from the Notification, or whether the subject would be dealt with at the next Annual Shareholders Meeting.

The Board of Directors, at its meeting held October 3, 2002, dealt with the subject, reminding that the Ordinary and Extraordinary Shareholders Meeting held October 12, 1993 granted the Board of Directors ample powers to apply for the authorization of public offer and listing of the Company stock to the Securities and Exchange Commission (SEC) of the United States of America, the NYSE and/or other stock exchanges and markets of the United States of America or others countries the Board of Directors deem convenient. Also, the Board of Directors was granted ample powers to set forth the opportunity to submit the respective applications as well as to set forth the terms, scopes, and conditions of these.

Nevertheless, given the time elapsed since the granting of powers by the Shareholders Meeting and the fact that none of the Directors then empowered is no longer a member of the Board of Directors, together with the process of renegotiation of the financial debt undertaken by the Company, made it advisable to defer the dealing with of the subject to the next Annual Shareholders Meeting to be held on April, 2003.

Thus, the Board of Directors decided to notify the NYSE that, at the next Annual Shareholders Meetings should be proposed to considerate the adoption of the necessary corrective measures for the ADRs of the Company comply again with the ruling requirements of the NYSE regarding Minimum Price per ADR.

The President adds that, in the meantime, the share of Telecom Argentina increased remarkably its listing price, and the ADRs complied again with the standards set forth by the NYSE regarding Minimum Price per ADR, thus making unnecessary in principle for the Shareholders Meeting to consider the Change of Ratio.

Nevertheless states Mr. Vázquez it would be convenient to put to the consideration of the shareholders the granting of powers to the Board of Directors to in case a new fall of the listing price of the ADRs occurs empower the Board of Directors if necessary or convenient also empowering it to determine the terms and conditions of such operation.

After analyzing the issue posed by the Chairman, the Board of Directors unanimously resolves to include in the list of items to be considered by the next Ordinary and Extraordinary Shareholders Meeting, the granting to the Board of Directors of ample powers to provide the Change of Ratio of the ADRs, at the opportunity and within the terms and conditions it deems convenient.

II. AMENDMENT TO ARTICLE 1 OF THE CORPORATE BY-LAWS

The President states that Decree No. 677/01 has set forth that companies whose stock is admitted at the public offer rate must, in certain cases such as changes of control, purchase of significant participations, withdrawal of the public offer, etc., make public offers of purchase and/or change of stock in the proportions and conditions that determines, for each case, Resolution No. 401/2002 of the Comisión Nacional de Valores regulating, on this subject, Decree No. 677/01.

Nevertheless, same Decree No. 677/01 enables companies not to adhere this rate if it is in such sense resolved at the Extraordinary Shareholders Meeting.

Specifically, Chapetr VI of the above mentioned Decree, in article 24, provides that companies whose stock is admitted to the public offer rate shall be included in the rate of the Public Offer of Compulsory Acquisition () from the resolution of the Shareholders Meeting deciding to adhere that rate or, automatically, from the closing of the first Shareholders Meeting held after TWELVE (12) months from the date of enforcement of the regulation (). For a company whose stock is admitted to the rate of public offer not to be included in the Rate set forth in article 23 of this Decree, at the latest at the previously mentioned Shareholders Meeting, shall adopt an explicit resolution by means of which a clause providing that it is a Company Non Adhered to the Statutory Optative Rate of Public Offer of Compulsory Purchase is included in its corporate by-laws.

Mr. Vázquez adds that, considering that the regulation set forth in Resolution CNV 401/02 entered in force on April 6, 2002, the next Shareholders Meeting to be held must consider the adhesion or non adhesion of the Company to the Statutory Optative Rate of Public Offer of Compulsory Purchase because if it does not, the Company will automatically be incorporated to that Rate. In case the non adhesion to the Rate is approved, it is necessary to include in the Corporate By-laws a clause in such sense.

The Board of Directors, after exchanging ideas on that regard and considering that the Statutory Optative Rate of Public Offer of Compulsory Purchase generates for the already existing shareholders, for those willing to adhere as such with a certain percentage of stock, and for the Company itself, obligations that did not exist until then, unanimously resolves to propose the Shareholders Meeting the call for which will be next dealt with, to approve the NON ADHESION of Telecom Argentina to the above mentioned Rate, including as a second paragraph of First

Article of the Corporate By-laws, a clause in such sense, which is composed within the following terms:

First Article: With the denomination of TELECOM ARGENTINA STET-FRANCE TELECOM S.A. continues operating the company established under the name of Sociedad Licenciataria Norte Sociedad Anónima and has its legal address in the City of Buenos Aires. In compliance with the resolutions of the Ordinary and Extraordinary Shareholders Meeting held on April 30, 2003, it is a Company Non-adhered to the Optional Statutory Regime of Compulsory Public Purchase Offer. The address of the Company may not be moved out of the Republic of Argentina without the prior authorization of the competent authority or of the authority that might replace it in the future.

Mr. Vázquez states that it is pertaining to determine the date to hold the Shareholders meeting that will deal with the documentation of the fourteenth fiscal year as well as the remaining items previously mentioned, and determine the Agenda and provide the call for it.

After a brief deliberation, the Board of Directors unanimously decides to call the shareholders for an Ordinary and Extraordinary General Shareholders Meeting to be held on April 30, 2003, at 10:00 a.m., at the registered offices located at Av.
