## **Item 2.02 Results of Operations and Financial Condition**

On February 28, 2005, HearUSA, Inc. (the Company) issued a press release and will host a conference call relating to the financial results for the fiscal quarter ended December 25, 2004 and the fiscal year ended December 25, 2004. Copies of the press release and conference call script are furnished with this Form 8-K as Exhibits 99.1 and 99.2, respectively.

The attached script contains forward-looking statements within the meaning of the Securities Litigation Reform Act of 1995, including those concerning the Company's expectations that the Company's quarterly non-cash charge relating to the December 2003 financing is approximately \$530,000; that the reorganization of the management team will provide strength and ability to reach the Company's goals; that the previously announced, new or expanded contracts with healthcare providers will generate more than \$5 million in revenue in 2005; that 2005 fiscal year revenues will exceed \$80 million; and that 2005 will be the Company's first profitable year. Such statements involve certain risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements. Potential risks and uncertainties include such factors as market demand for the Company's goods and services; changes to the Company's run rate; success of new and expanded healthcare provider contracts; effects of the Medicare Prescription Drug Improvement and Modernization Act; changes in the pricing environment; general economic conditions in those geographic regions where the Company's centers are located; the impact of competitive products; and other risks and uncertainties described in the Company's filings with the Securities and Exchange Commission, including the Company's annual report on Form 10-K for the 2003 fiscal year.
