On April 19, 2005, Spectrum Sciences & Software Holdings Corp. (the Company ) filed a report on Form 8-K/A (the 8-K/A ) related to the Company s acquisition of M&M Engineering Limited ( M&M ). The Company has determined that the filing did not contain all of the required historical and pro forma financial information for M&M, and that errors were made in the preparation of the pro forma financial information. In addition, the Consent of Chartered Accountants included as Exhibit 23.1 to that report was filed in error, was not signed or delivered by BDO Dunwoody, LLP, and is hereby withdrawn.

The Company is currently preparing an amended filing to replace the 8-K/A. The amended filing will include all of the required historical financial information and corrected pro forma financial information for M&M. The amended filing will also include an authorized consent from BDO Dunwoody, LLP to the incorporation by reference of their report on the audited financial statements of M&M into certain registration statements of the Company previously filed with the Securities and Exchange Commission under the Securities Act of 1933, as amended.
