PROXY STATEMENT
FOR THE 2008 ANNUAL MEETING OF STOCKHOLDERS
To Be Held On May 22, 2008

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We have sent you this proxy statement and the enclosed proxy card because the Board of Directors of Gladstone Commercial Corporation (sometimes referred to as the Company) is soliciting your proxy to vote at the 2008 Annual Meeting of Stockholders. You are invited to attend the annual meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

We intend to mail this proxy statement and accompanying proxy card on or about March 14, 2008 to all stockholders of record entitled to vote at the annual meeting.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on March 7, 2008 will be entitled to vote at the annual meeting. On this record date, there were 8,565,264 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 7, 2008 your shares were registered directly in your name with our transfer agent, The Bank of New York Mellon, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 7, 2008 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote, as follows:

Proposal 1, to elect four directors to hold office until the 2011 Annual Meeting of Stockholders;

Proposal 2, to approve an amendment to our Amended and Restated Articles of Incorporation to increase the number of authorized shares of our capital stock from 20,000,000 to 50,000,000 shares; and

Proposal 3, to ratify the audit committee's selection of PricewaterhouseCoopers LLP (PwC) as our independent registered public accounting firm for our fiscal year ending December 31, 2008.

How do I vote?

You may either vote For all the nominees to the Board of Directors or you may Withhold your vote for any nominee you specify. For each of the other matters to be voted on, you may vote For or Against or abstain from voting. The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the annual meeting or vote by proxy using the enclosed proxy card. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote in person, come to the annual meeting and we will give you a ballot when you arrive.

To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the annual meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a proxy card and voting instructions with these proxy materials from that organization rather than from Gladstone Commercial Corporation. Simply complete and mail the proxy card to ensure that your vote is counted. To vote in person at the annual meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 7, 2008.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted For the election of all four nominees for director, For approval to amend our Amended and Restated Articles of Incorporation to increase the number of authorized shares of our capital stock from 20,000,000 to 50,000,000 shares and For the ratification of PwC as our independent registered public accounting firm for our fiscal year ending December 31, 2008. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse persons representing beneficial owners of our common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by directors, officers or other regular employees of Gladstone Management Corporation, our Adviser, or Gladstone Administration, LLC, our Administrator. No additional compensation will be paid to directors, officers or other regular employees for such services. We have engaged Georgeson Inc. (Georgeson) to solicit proxies for the annual meeting. Georgeson will be paid its customary fee of approximately \$6,500 plus out-of-pocket expenses for its basic solicitation services, which include review of proxy materials, dissemination of broker search cards, distribution of proxy materials, solicitation of ADP, brokers, banks and institutional holders, and delivery of executed proxies. The term of the agreement with Georgeson will last for the period of the solicitation, and the agreement provides that we will indemnify and hold harmless Georgeson against any third-party claims, except in the case of Georgeson's gross negligence or intentional misconduct. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of three ways:

You may submit another properly completed proxy card with a later date.

You may send a timely written notice that you are revoking your proxy to Gladstone Commercial Corporation's Secretary at 1521 Westbranch Drive, Suite 200, McLean, Virginia 22102.

You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by November 17, 2008 to our Secretary at the address set forth on the cover of this proxy statement. If you wish to submit a proposal that is not to be included in next year's proxy materials or nominate a director, you must do so not later than the close of business on March 24, 2009 nor earlier than the close of business on February 23, 2009. You are also advised to review our Bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count For and Withhold and, with respect to proposals other than the election of directors, Against votes, abstentions and broker non-votes. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Broker non-votes will have no effect with regard to Proposals 1 and 3 and will have the same effect as an Against vote with regard to Proposal 2 and will not be counted towards the vote total for any proposal. We expect that our chief financial officer, Harry Brill, will be appointed as the inspector of election.

What are broker non-votes ?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of the New York Stock Exchange (NYSE), non-routine matters are generally those involving a contest or a matter that may substantially affect the rights or privileges of stockholders, such as mergers or stockholder proposals.

How many votes are needed to approve each proposal?

For Proposal 1, the election of directors, the four nominees receiving the most For votes (from the holders of votes of shares present in person or represented by proxy and entitled to vote on the election of directors) will be elected. Only votes For or Withheld will affect the outcome of Proposal 1.

For Proposal 2, the approval of an amendment to our Amended and Restated Articles of Incorporation to increase the number of authorized shares of our capital stock, the affirmative vote of a majority of the votes entitled to be cast on the proposal is required for approval. If you Abstain from voting, it will have the same effect as an Against vote. Broker non-votes will also have the same effect as an Against vote.

For Proposal 3, the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm, a majority of the votes present in person or represented by proxy and entitled to vote at the meeting is required to approve the proposal. Only votes For or Against will affect the outcome of Proposal 3.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the meeting or by proxy. On the record date, there were 8,565,264 shares outstanding and entitled to vote. Thus, 4,282,633 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, a majority of the votes present at the meeting may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. Final voting results will be published in our quarterly report on Form 10-Q for the second quarter of fiscal year 2008.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including any vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is elected and qualified.

The Board of Directors presently has ten members. There are four directors in the class whose term of office expires in 2008. Three of the nominees listed below are currently directors of the Company who were previously elected by the stockholders. Mr. Stelljes was appointed by the Board of Directors in July 2007 and is standing for election by the stockholders for the first time. If elected at the annual meeting, each of these nominees would serve until the 2011 annual meeting and until his or her successor is elected and has qualified, or, if sooner, until the director's death, resignation or removal. It is our policy to encourage directors and nominees for director to attend the annual meeting. Two of our directors attended the 2007 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The four nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the four nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, your shares will be voted for the election of a substitute nominee proposed by our management. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the annual meeting.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Independence of The Board of Directors

As required under The Nasdaq Stock Market (NASDAQ) listing standards, a majority of the members of a listed company's Board of Directors must qualify as independent, as affirmatively determined by the Board of Directors. The Board consults with our chief compliance officer and chief financial officer to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent listing standards of NASDAQ as in effect time to time.

Consistent with these considerations, after review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent auditors, the Board has affirmatively determined that the following six directors are independent directors within the meaning of the applicable NASDAQ listing standards: Messrs. Adelgren, Coulon, Mead, Outland, Parker and Ms. English. In making this determination, the Board found that none of these directors or nominees for director had a material or other disqualifying relationship with us. Mr. Gladstone, the chairman of our Board of Directors and chief executive officer, Mr. Brubaker, our vice chairman, chief operating officer and secretary, Mr. Stelljes, our president and chief investment officer, and Mr. Dullum, a senior managing director of our Adviser, are not independent directors by virtue of their employment by our affiliate Gladstone Management Corporation, which we refer to as our Adviser.

The Board of Directors met five times during the last fiscal year. Each Board member attended 75% or more of the aggregate of the meetings of the Board and of the committees on which he or she served that were held during the period for which he or she was a director or committee member.

As required under applicable NASDAQ listing standards, which require regularly scheduled meetings of independent directors, in fiscal 2007 our independent directors met five times in regularly scheduled executive sessions at which only independent directors were present.

Information Regarding Committees of the Board of Directors

Our Board of Directors has four committees: an Audit Committee, a Compensation Committee, an Executive Committee and an Ethics, Nominating and Corporate Governance Committee. The following table shows the current composition of each of the committees of the Board of Directors:

Name	Audit	Compensation	Executive	Ethics, Nominating and Corporate Governance
Paul W. Adelgren ¹				*X
Terry Lee Brubaker			X	
Maurice W. Coulon ²		*X		X
Michela A. English	X			
David Gladstone			*X	
John H. Outland ³		X		
Anthony W. Parker	*X		X	
Gerard Mead	X	X		

* Committee Chairperson

¹ Mr. Adelgren serves as the Lead Independent Director, as an alternate member of the Compensation Committee and the Audit Committee.

² Mr. Coulon serves as an alternate member of the Audit Committee.

³ Mr. Outland serves as an alternate member of the Ethics, Nominating and Corporate Governance Committee.

Below is a description of each committee of the Board of Directors. All committees other than the Executive Committee have the authority to engage legal counsel or other experts or consultants, as they deem appropriate to carry out their responsibilities. The Board of Directors has determined that each member of each committee meets the applicable NASDAQ rules and regulations regarding independence and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment with regard to us (other than with respect to the Executive Committee, for which there are no applicable independence requirements).

The Audit Committee

The Audit Committee of the Board of Directors oversees our corporate accounting and financial reporting process. For this purpose, the Audit Committee performs several functions. The Audit Committee evaluates the performance of and assesses the qualifications of the independent registered public accounting firms; determines and approves the engagement of the independent registered public accounting firms; determines whether to retain or terminate the existing independent registered public accounting firm or to appoint and engage a new independent registered public accounting firm; reviews and approves the retention of the independent registered public accounting firm to perform any proposed permissible non-audit services; monitors the rotation of partners of the independent registered public accounting firm on our audit engagement team as required by law; confers with management and the independent registered public accounting firm regarding the effectiveness of internal controls over financial reporting; establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential and anonymous submission

by employees of concerns regarding questionable accounting or auditing matters; and meets to review our annual audited financial statements and quarterly financial statements with management and the independent registered public accounting firm, including reviewing our disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. During fiscal 2007, the Audit Committee was comprised of Messrs. Parker (Chairman) and Dullum and Ms. English. Messrs. Adलगren and Coulon served as alternate members of the Audit Committee. Alternate members of the Audit Committee serve and

participate in meetings of the Audit Committee only in the event of an absence of a regular member of the Audit Committee. The Audit Committee met eight times during the last fiscal year. The Audit Committee has adopted a written charter that is available to stockholders on our website at www.GladstoneCommercial.com.

The Board of Directors reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that all members and alternate members of our Audit Committee are independent (as independence is currently defined in Rule 4350(d)(2)(A)(i) and (ii) of the NASDAQ listing standards). No members of the Audit Committee received any compensation from us during the last fiscal year other than directors' fees. The Board of Directors has also determined that each member (including alternate members) of the Audit Committee qualifies as an audit committee financial expert, as defined in applicable Securities and Exchange Commission (SEC) rules. The Board made a qualitative assessment of the members' level of knowledge and experience based on a number of factors, including formal education and experience. The Board has also unanimously determined that all Audit Committee members and alternate members are financially literate under current NASDAQ rules and listing standards that at least one member has financial management expertise. In addition to our Audit Committee, Messrs. Mead and Parker and Ms. English also serve on the audit committees of Gladstone Investment Corporation and Gladstone Capital Corporation. Mr. Dullum, who served on our Audit Committee until February 2008, also served on the audit committees of Gladstone Capital Corporation and Gladstone Investment Corporation during fiscal 2007. Our Audit Committee's alternate members, Messrs. Adelgren and Coulon, also serve as alternate members on the audit committees of Gladstone Investment Corporation and Gladstone Capital Corporation. The Board of Directors has determined that this simultaneous service does not impair the respective directors' ability to effectively serve on our Audit Committee.

Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No. 1, (*Independence Discussions with Audit Committees*), as adopted by the PCAOB in Rule 3600T and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence (Communications with Audit Committees). The Audit Committee discussed and reviewed with PricewaterhouseCoopers LLP the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PricewaterhouseCoopers LLP's audits and all fees paid to PricewaterhouseCoopers LLP during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by PricewaterhouseCoopers LLP for the Company. The Audit Committee has reviewed and considered the compatibility of PricewaterhouseCoopers LLP's performance of non-audit services with the maintenance of PricewaterhouseCoopers' independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the Securities and Exchange Commission. Compensation Committee

The Compensation Committee operates pursuant to a written charter and conducts periodic reviews of the amended and restated investment advisory agreement (the *Advisory Agreement*) with our Adviser and the administration agreement (the *Administration Agreement*) with Gladstone Administration, LLC, (the *Administrator*), to evaluate whether the fees paid to the respective parties under the agreements are in the best interests of us and our stockholders. The committee considers in such periodic reviews, among other things, whether the salaries and bonuses paid to our executive officers by our Adviser and our Administrator are consistent with our compensation philosophies and whether the performance of our Adviser and our Administrator are reasonable in relation to the nature and quality of services performed, and whether the provisions of the *Advisory and Administration Agreements* are being satisfactorily performed. The Compensation Committee also reviews and considers all incentive fees payable to our Adviser under the *Advisory Agreement*.

During the last fiscal year, the Compensation Committee was comprised of Messrs. Coulon (Chairperson), Outland and Mead. Effective February 2008, Mr. Adelgren was appointed to serve as an alternate member of the Compensation Committee. All members of our Compensation Committee are independent (as independence is currently defined in Rule 4200(a)(15) of the NASDAQ listing standards). The Compensation Committee met five times during the last fiscal year.

Commencing this year, the Compensation Committee also began to review with management our Compensation Discussion and Analysis to be included in proxy statements and other filings.

Compensation Committee Interlocks and Insider Participation

During the last fiscal year, the Compensation Committee consisted of Messrs. Coulon, Outland and Mead, each of whom is an independent director under NASDAQ rules. During the fiscal year ended December 31, 2007, none of our executive officers served as members of the compensation committee or as directors of another entity, one of whose executive officers served on the Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS⁽²⁾

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis (CD&A) contained in this proxy statement. Based on this review and discussion, the Compensation Committee has recommended to the Board of Directors that the CD&A be included in this proxy statement and incorporated into our Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

The Executive Committee

The Executive Committee, which is comprised of Messrs. Gladstone (Chairman), Brubaker and Parker, has the authority to exercise all powers of our Board of Directors except for actions that must be taken by a majority of independent directors or the full Board of Directors under applicable rules and regulations. The Executive Committee did not meet during the last fiscal year.

The Ethics, Nominating and Corporate Governance Committee

The Ethics, Nominating and Corporate Governance Committee of the Board of Directors is responsible for identifying, reviewing and evaluating candidates to serve as our directors (consistent with criteria approved by the Board), reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board of Directors, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of the Board, and developing our corporate governance principles. Our Ethics, Nominating and Corporate Governance Committee charter can be found on our website at www.GladstoneCommercial.com. Membership of the Ethics, Nominating and Corporate Governance Committee is comprised of Messrs. Adelgren (Chairperson) and Coulon. Effective February 2008, Mr. Outland was appointed to serve as an alternate member of the Ethics, Nominating and Corporate Governance Committee. Each member of the Ethics, Nominating and Corporate Governance Committee is independent (as independence is currently defined in Rule 4200(a)(15) of the NASDAQ listing standards). The Ethics, Nominating and Corporate Governance Committee met five times during the last fiscal year.

⁽²⁾ The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference into any of our filings under the 1933 Act or the 1934 Act, whether made before or after the date hereof and irrespective of any general incorporation language contained in such filing.

Qualifications for Director Candidates

The Ethics, Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including being able to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Ethics, Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Ethics, Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Ethics, Nominating and Corporate Governance Committee considers diversity, age, skills, and such other factors as it deems appropriate given our current needs and the current needs of the Board, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Ethics, Nominating and Corporate Governance Committee reviews such directors' overall service to us during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Ethics, Nominating and Corporate Governance Committee also determines whether the nominee must be independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Ethics, Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Ethics, Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Ethics, Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote. To date, the Ethics, Nominating and Corporate Governance Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

Stockholder Recommendation of Director Candidates to the Ethics, Nominating and Corporate Governance Committee

The Ethics, Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Ethics, Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether the candidate was recommended by a stockholder or not. Stockholders who wish to recommend individuals for consideration by the Ethics, Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Ethics, Nominating and Corporate Governance Committee at the address set forth on the cover page of this proxy statement. Recommendations for individuals to be considered for nomination at the 2009 Annual Meeting must be received by November 17, 2008. Recommendations received after November 17, 2008 will be considered for nomination at the 2010 Annual Meeting. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record owner of our stock. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected. To date, the Ethics, Nominating and Corporate Governance

Committee has not received or rejected a timely director nominee proposal from a stockholder or stockholders holding more than 5% of our voting stock.

Stockholder Communications with the Board of Directors

Our Board has adopted a formal process by which our stockholders may communicate with the Board or any of its directors. The Code of Business Conduct and Ethics is available on our website at www.GladstoneCommercial.com. PROPOSAL 2: TO APPROVE AN AMENDMENT TO OUR AMENDED AND RESTATED ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR CAPITAL STOCK

Our Board of Directors has approved and recommended that our stockholders vote in favor of an amendment to Article FOURTH of our Amended and Restated Articles of Incorporation, as amended, that would increase the total number of shares of capital stock, par value \$0.001 per share, which we have authority to issue from 20 million shares to 50 million shares. The full text of the proposed amendment is set forth in Appendix A to this proxy statement.

Under our Amended and Restated Articles of Incorporation, our Board of Directors is authorized to classify and reclassify any unissued shares of capital stock by setting or changing in any one or more respects, from time to time before issuance of such stock, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends, qualifications and terms and conditions of redemption of such stock. Our Amended and Restated Articles of Incorporation currently provide that our Board of Directors is authorized to issue 20 million shares of common stock, however, our Board of Directors has reclassified, prior to issuance, certain shares of our authorized capital stock such that our authorized capital stock currently consists of 20 million shares of capital stock, \$0.001 par value per share, 17,700,000 of which are designated as common stock and 2,300,000 of which are designated as preferred stock. We presently have 8,565,264 shares of common stock issued and outstanding. We presently have classified and outstanding or reserved for issuance the following series of preferred stock:

Series of Preferred Shares	Shares Classified	Shares Outstanding
A	1,150,000	1,000,000
B	1,150,000	1,150,000
	2,300,000	2,150,000

Purpose and Effect of the Amendment

The proposed amendment to Article FOURTH of our Amended and Restated Articles of Incorporation would increase the number of shares of common stock that our Board of Directors has the authority to issue from 20 million shares to 50 million shares. Immediately following the amendment, if approved, our authorized but unissued capital stock would consist of 39,134,736 shares of common stock and 150,000 shares of Series A Preferred Stock. The Board of Directors would have authority, without stockholder approval, to reclassify and issue any of these shares in one or more classes or series having such rights and preferences as may be determined by the Board, subject to the limits provided by Maryland real estate investment trust law, including dividend rights and rights upon liquidation, and any conversion, redemption, sinking fund or voting rights. No stockholder approval is required for the issuance of authorized common and preferred stock except to the extent mandated by rules of the Nasdaq Global Market or any other exchange on which our shares are then listed for trading. Preferred stock will be senior to all common stock in the payment of dividends and/or upon liquidation. Holders of preferred stock are not entitled, as a matter of right, to preemptive rights or rights to subscribe for any other of our securities. Prior to the issuance of shares of any class or series, Articles Supplementary establishing the class or series and determining its relative rights and preferences must be filed with the Maryland State Department of Assessments and Taxation. If the proposed amendment is adopted, it will become effective upon filing of the Articles of Amendment with the Maryland State Department of Assessments and Taxation.

The ability of our Board of Directors to issue common stock, and separate classes or series of preferred stock provides flexibility to tailor senior securities in response to terms specifically negotiated by investors. Our Board of Directors wishes to preserve maximum flexibility to issue shares in public offerings, in private transactions with investors or in the acquisition of properties when the investor wishes to hold a senior security. In order to maintain our status as a real estate investment trust (REIT) for federal income tax purposes, we are required to distribute 90% of our REIT taxable income. Accordingly, our ability to grow depends on our access to external sources of capital at attractive rates. Our Board of Directors believes that our ability to raise capital will be enhanced by having as flexible a capital structure as possible.

Issuance of shares could result in one or more of the following detriments:

Preferred stock will have priority over shares of common stock in the payment of dividends and/or liquidating distributions.

The issuance of preferred stock bearing preferential dividends, whether at fixed or floating rates, could reduce funds from operations (FFO) available for distribution to holders of our common stock.

The issuance of common stock or the conversion of shares of any class or series of preferred stock that is convertible into common stock could result in diluting the interests of holders of common stock.

In addition, class voting rights (whether granted by the specific terms of the preferred stock or by law) could delay or prevent a change of control of our company.

The affirmative vote of a majority of the total votes cast on this proposal is required for approval of the proposal to increase the number of authorized shares of our capital stock from 20 million shares to 50 million shares.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR PROPOSAL 2.

PROPOSAL 3

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected PricewaterhouseCoopers LLP (PwC) as the Company's independent registered public accounting firm which will audit the Company's financial statements for the fiscal year ending December 31, 2008 and has further directed that management submit the selection of the independent auditors for ratification by the stockholders at the Annual Meeting. PwC has audited the Company's financial statements since its fiscal year ending December 31, 2003. Representatives of PwC are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's bylaws nor other governing documents or law require stockholder ratification of the selection of PwC as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the selection of PwC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of PwC. Abstentions and broker non-votes will be

considered present and entitled to vote for the purpose of determining whether a quorum exists, although they will not be counted for any purpose in determining whether this matter has been approved.

Independent Registered Public Accounting Firm Fees

The following table represents aggregate fees billed to us for the fiscal years ended December 31, 2006 and December 31, 2007 by PwC, our principal independent registered public accounting firm.

	2006	2007
Audit Fees	\$ 395,801	\$ 276,609
Audit-related Fees	0	0
Tax Fees	172,772	158,350
All Other Fees	17,592	0
	\$ 586,165	\$ 434,959

All fees described above were approved by the Audit Committee.

Pre-Approval Policy and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm, PwC. The policy generally pre-approves specified services in the defined categories of audit services, audit-related services, and tax services up to specified amounts. Pre-approval may also be given as part of the audit committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual explicit case-by-case basis before the independent registered public accounting firm is engaged to provide each service. The pre-approval of services may be delegated to one or more of the audit committee's members, but the decision must be reported to the full audit committee at its next scheduled meeting.

The Audit Committee has determined that the rendering of the services other than audit services by PwC is compatible with maintaining the principal independent registered public accounting firm's independence.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE IN FAVOR OF PROPOSAL 3.

Section 16(a) of the 1934 Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and our other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2007, all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, except that one report covering one transaction was filed late by Mr. Mead, and one report covering one transaction was filed late by Mr. Gladstone.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Our chief executive officer, chief operating officer, chief investment officer, chief financial officer and treasurer are salaried employees of either our Adviser or Administrator, which are affiliates of ours. Our Adviser and our Administrator pay the salaries and other employee benefits of the persons in their respective organizations who render services for us. These services are provided under the terms of the Advisory and Administration Agreements, as applicable.

Compensation of Our Adviser Under the Advisory and Administrative Agreements

The Advisory and Administration Agreements

We are externally managed by our Adviser and Administrator under the Advisory and Administration Agreements. Under the Advisory Agreement, we pay our Adviser a base management fee of 2.0% of our total stockholders' equity (less the recorded value of any preferred stock, and adjusted to exclude the effect of any unrealized gains, losses or other items that do not affect realized net income). We pay separately for administrative services under the Administration Agreement, which payments are equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement, including rent for the space occupied by our Administrator, and our allocable portion of the salaries and benefits expenses of our chief financial officer, treasurer, chief compliance officer and controller and their respective staffs.

The Advisory Agreement also includes incentive fees that we pay to our Adviser if our performance reaches certain benchmarks. These incentive fees are intended to provide an additional incentive for our Adviser to achieve targeted levels of funds from operations (FFO) and to increase distributions to our stockholders. For a more detailed discussion of these incentive fees, see *Long Term Incentives*. All investment professionals of our Adviser, when and to the extent engaged in providing investment advisory and management services, and the compensation and routine overhead expenses of such personnel allocable to such services, are provided and paid for by our Adviser. We bear all other costs and expenses of our operations and transactions.

Compensation Philosophy

For our long-term success and enhancement of long-term stockholder value, we depend on the management and analytical abilities of our executive officers, who are employees of, and are compensated by, our Adviser and our Administrator. During the last fiscal year, we implemented our philosophies of attracting, retaining and rewarding executive officers and others who contribute to our long-term success and motivating them to enhance stockholder value through our Compensation Committee's oversight of our Adviser's compensation practices under the terms of the Advisory Agreement. The key elements of our compensation philosophy include:

ensuring that base salary paid to our executive officers is competitive with other leading companies with which we compete for talented investment professionals;

ensuring that bonuses paid to our executive officers are sufficient to provide motivation to achieve our principal business and investment goals and to bring total compensation to competitive levels; and

providing incentives to ensure that our executive officers are motivated over the long term to achieve our business and investment objectives.

Compensation of our Adviser and Administrator

During the fiscal year ended December 31, 2007, the Compensation Committee fulfilled its oversight role by reviewing the Advisory Agreement to determine whether the fees paid to our Adviser were in the best interests of the stockholders. The Compensation Committee has also reviewed the performance of our Adviser to determine whether the compensation paid to our executive officers was reasonable in relation to the nature and quality of

services performed and whether the provisions of the Advisory Agreement were being satisfactorily performed. Specifically, the committee considered factors such as:

the amount of the fees paid to the our Adviser in relation to our size and the composition and performance of our investments;

our Adviser's ability to hire, train, supervise and manage new employees as needed to effectively manage our future growth;

the success of our Adviser in generating appropriate investment opportunities;

rates charged to other investment entities by advisers performing similar services;

additional revenues realized by our Adviser and its affiliates through their relationship with us, whether paid by us or by others with whom we do business;

the value of our assets each quarter;

the quality and extent of service and advice furnished by our Adviser and the performance of our investment portfolio;

the quality of our portfolio relative to the investments generated by our Adviser for its other clients; and

the extent to which our Adviser's performance helped us to achieve our principal business and investment objectives of generating income for our stockholders in the form of quarterly cash distributions that grow over time and increasing the value of our common stock.

The Compensation Committee's oversight role also includes review of the above-described factors with regard to the compensation of the employees of our Administrator, including our chief financial officer and treasurer, and our Administrator's performance under the Administration Agreement. The Board may, pursuant to the terms of each of the Advisory and Administration Agreements, terminate either of the agreements at any time and without penalty, upon sixty days' prior written notice to our Adviser or our Administrator, as applicable. In the event of an unfavorable periodic review of the performance of our Adviser or our Administrator in accordance with the criteria set forth above, the Compensation Committee would provide a report to the Board of its findings and provide suggestions of remedial measures, if any, to be sought from our Adviser or our Administrator, as applicable. If such recommendations are, in the future, made by the Compensation Committee and are not implemented to the satisfaction of the Compensation Committee, it may recommend exercise of our termination rights under the Advisory Agreement or Administration Agreement.

Long-Term Incentives

The Compensation Committee believes that the incentive structure provided for under the Advisory Agreement is an effective means of creating long-term stockholder value because it encourages the Adviser to increase our net investment income, which in turn may increase our distributions to our stockholders.

In addition to a base management fee, the Advisory Agreement includes incentive fees that we pay to our Adviser if our performance reaches certain benchmarks. These incentive fees are intended to provide an additional incentive for our Adviser to achieve targeted levels of FFO and to increase distributions to our stockholders. FFO is a non-GAAP (Generally Accepted Accounting Principles in the United States of America) supplemental measure of operating

performance of an equity REIT developed by the National Association of Real Estate Investment Trusts, or NAREIT, in order to recognize that income-producing real estate historically has not depreciated on the basis

determined under GAAP. FFO, as defined by NAREIT, is net income or net loss (computed in accordance with GAAP), excluding gains or losses from sales of property, plus depreciation and amortization of real estate assets, and after adjustments for unconsolidated partnerships and joint ventures. FFO does not represent cash flows from operating activities in accordance with GAAP, and should not be considered an alternative to either net income or net loss as an indication of our performance or to cash flow from operations as a measure of liquidity or ability to make distributions.

The incentive fee is calculated and payable quarterly in arrears based on our pre-incentive fee FFO for the immediately preceding calendar quarter. For this purpose, pre-incentive fee FFO means FFO accrued by us during the calendar quarter. FFO is calculated after taking into account all operating expenses for the quarter, including the base management fee (less any rebate of fees received by our Adviser), expenses payable under the Administration Agreement and any interest expense (but excluding the incentive fee) and any other operating expenses. Pre-incentive fee FFO includes accrued income and rents that we have not yet received in cash. Pre-incentive fee FFO also includes any realized capital gains and realized capital losses, less any dividend paid on any issued and outstanding preferred stock, but does not include any unrealized capital gains or losses.

Pre-incentive fee FFO, expressed as a rate of return on our total stockholders' equity as reflected on our balance sheet (less the recorded value of any preferred stock, and adjusted to exclude the effect of any unrealized gains, losses or other items that do not affect realized net income) at the end of the immediately preceding calendar quarter, will be compared to a hurdle rate of 1.75% per quarter (7% annualized). Because the hurdle rate is fixed and has been based in relation to current interest rates, if interest rates rise, it would become easier for our pre-incentive fee FFO to exceed the hurdle rate and, as a result, more likely that our Adviser will receive an income incentive fee than if interest rates on our investments remained constant or decreased. We will pay our Adviser an incentive fee with respect to our pre-incentive fee FFO in each calendar quarter as follows:

no incentive fee in any calendar quarter in which pre-incentive fee FFO does not exceed the hurdle rate (1.75% per calendar quarter);

100% of our pre-incentive fee FFO with respect to that portion of such FFO, if any, that exceeds the hurdle rate but is less than 2.1875% in any calendar quarter (8.75% annualized); and

20% of the amount of our pre-incentive fee FFO, if any, that exceeds 2.1875% in any calendar quarter (8.75% annualized).

These calculations will be appropriately pro rated for any period of less than three months and adjusted for any share issuances or repurchases during the current quarter. We refer to the portion of the incentive fee payable on 100% of our pre-incentive fee FFO, if any, that exceeds the hurdle rate but is less than 2.1875% as the catch up. The catch up provision is intended to provide our Adviser with an incentive fee of 100% on all of our pre-incentive fee FFO that does not exceed 2.1875% once the hurdle rate has been surpassed. A portion of the incentive fee may be waived in order to maintain the current level of distributions to our stockholders. The base management fee and total stockholders' equity will be calculated using GAAP and FFO will be calculated using the definition adopted by NAREIT.

Income realized by our Adviser from any such incentive fees will be paid by our Adviser to eligible employees in amounts based on their respective contributions to our success in meeting our goals. This incentive compensation structure is designed to create a direct relationship between the compensation of our executive officers and other employees of our Adviser and the income and capital gains realized by us as a result of their efforts on our behalf.

We believe that this structure rewards our executive officers and other employees of our Adviser for the accomplishment of long-term goals consistent with the interests of our stockholders.

Personal Benefits Policies

Our executive officers are not entitled to operate under different standards than other employees of our Adviser and our Administrator who work on our behalf. Our Adviser and our Administrator do not have programs for providing personal benefit perquisites to executive officers, such as permanent lodging, personal use of company vehicles, or defraying the cost of personal entertainment or family travel. Our Adviser's and our Administrator's health care and other insurance programs are the same for all of their respective eligible employees, including our executive officers. We expect our executive officers to be exemplars under our Code of Business Conduct and Ethics, which is applicable to all employees of our Adviser and our Administrator who work on our behalf.

Executive Compensation

None of our executive officers receive direct compensation from us. We do not currently have any employees and do not expect to have any employees in the foreseeable future. The services necessary for the operation of our business are provided to us by our officers and the other employees of our Adviser and Administrator, pursuant to the terms of the Advisory and Administration Agreements, respectively. Mr. Gladstone, our chairman and chief executive officer, Mr. Brubaker, our vice chairman, chief operating officer and secretary and Mr. Stelljes, our president and chief investment officer, are all employees of and are compensated directly by our Adviser. Mr. Brill, our chief financial officer, and Mr. Gerson, our treasurer, are employees of our Administrator. Under the Administration Agreement, we reimburse our Administrator for our allocable portion of the salaries and benefits expenses of Messrs. Brill and Gerson. For the fiscal year ended December 31, 2007, we reimbursed \$49,997 of Mr. Brill's salary, \$4,653 of his bonus, and \$1,707 of the cost of his benefits that were paid by our Administrator.

Employment Agreements

Because our executive officers are employees of our Adviser and our Administrator, we do not pay cash compensation to them directly in return for their services to us and we do not have employment agreements with any of our executive officers. Pursuant to the terms of the Administration Agreement, we make payments equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement including, but not limited to, our allocable portion of the salaries and benefits expenses of our chief financial officer and treasurer. For additional information regarding this arrangement, see *Transactions with Related Persons*.

Mr. Stelljes has an employment agreement with our Adviser that provides for his nomination to serve as our executive vice president and chief investment officer.

Equity, Post-Employment, Non-Qualified Deferred and Change-In-Control Compensation

We do not offer stock options, any other form of equity compensation, pension benefits, non-qualified deferred compensation benefits, or termination or change-in-control payments to any of our executive officers.

Conclusion

We believe that the elements of our Adviser's and our Administrator's compensation programs individually and in the aggregate strongly support and reflect the strategic priorities on which we have based our compensation philosophy. Through the incentive structure of the Advisory Agreement described above, a significant portion of their compensation programs have been, and continue to be contingent on our performance, and realization of benefits is closely linked to increases in long-term stockholder value. We remain committed to this philosophy of paying for performance that increases stockholder value. The committee will continue its work to ensure that this commitment is reflected in a total executive compensation program that enables our Adviser and our Administrator to remain competitive in the market for talented executives.

Director Compensation

The following table shows for the fiscal year ended December 31, 2007 certain information with respect to the compensation of all our non-employee directors:

DIRECTOR COMPENSATION FOR FISCAL 2007

Name (a)	Fees Earned or Paid in Cash (\$) (b)	Total (\$) (h)
Paul W. Adलगren	\$ 31,000	\$ 31,000
Maurice W. Coulon	\$ 36,000	\$ 36,000
David A.R. Dullum	\$ 33,000	\$ 33,000
Michela A. English	\$ 33,000	\$ 33,000
Gerard Mead	\$ 30,000	\$ 30,000
John H. Outland	\$ 30,000	\$ 30,000
Anthony W. Parker	\$ 36,000	\$ 36,000

As compensation for serving on our Board of Directors, each of our independent directors receives an annual fee of \$20,000, an additional \$1,000 for each Board of Directors meeting attended, and an additional \$1,000 for each committee meeting attended if such committee meeting takes place on a day other than when the full Board of Directors meets. In addition, the chairperson of the Audit Committee receives an annual fee of \$3,000, and the chairpersons of each of the Compensation and Ethics, Nominating and Corporate Governance committees receive annual fees of \$1,000 for their additional services in these capacities. In addition, we reimburse our directors for their reasonable out-of-pocket expenses incurred in connection with their board service, including those incurred for attendance at Board of Directors and committee meetings.

On July 11, 2006, we adopted the Joint Directors Nonqualified Excess Plan of Gladstone Commercial Corporation, Gladstone Capital Corporation and Gladstone Investment Corporation (the "Deferred Compensation Plan"). Effective January 1, 2007, the Deferred Compensation Plan provided our non-employee directors with the opportunity to voluntarily defer director fees on a pre-tax basis, and to invest such deferred amounts in self-directed investment accounts. The Deferred Compensation Plan does not allow us to make discretionary contributions to the account of any director. To date no director fees have been deferred pursuant to this plan.

We do not pay any compensation to directors who also serve as our officers, or as officers or directors of our Adviser or our Administrator, in consideration for their service to us. Our Board of Directors may change the compensation of our independent directors in its discretion. None of our independent directors received any compensation from us during the fiscal year ended December 31, 2007 other than for Board of Directors or committee service and meeting fees.

TRANSACTIONS WITH RELATED PERSONS

Advisory and Administration Agreements

Under the Advisory Agreement our Adviser is responsible for our day-to-day operations and administration, record keeping and regulatory compliance functions. Specifically, these responsibilities included identifying, evaluating, negotiating and consummating all investment transactions consistent with our investment objectives and criteria; providing us with all required records and regular reports to our Board of Directors concerning our Adviser's efforts on our behalf; and maintaining compliance with all regulatory requirements applicable to us. The Advisory Agreement provides for an annual base management fee equal to 2% of our total stockholders' equity (less the recorded value of any preferred stock) and an incentive fee based on our funds from operations, or FFO, which rewards our Adviser if our quarterly FFO (before giving effect to any incentive fee) exceeds 1.75% (7% annualized) of our total stockholders' equity (less the recorded value of any preferred stock). A portion of the incentive fee may be waived in order to maintain the current level of distributions to our stockholders.

Under the Administration Agreement, we pay separately for administrative services, which payments are equal to our allocable portion of our Administrator's overhead expenses in performing its obligations under the Administration Agreement, including rent for the space occupied by our Administrator, and our allocable portion of the salaries and benefits expenses of our chief financial officer, treasurer, chief compliance officer and controller and their respective staffs.

David Gladstone, Terry Lee Brubaker, George Stelljes III, Harry Brill and Gary Gerson are all officers or directors, or both, of our Adviser and our Administrator. Effective February 2008, David Dullum was hired by our Adviser as a senior managing director. David Gladstone is the controlling stockholder of our Adviser, which is the sole member of our Administrator. Although we believe that the terms of the Advisory Agreement and the Administration Agreement are no less favorable to us than those that could be obtained from unaffiliated third parties in arms-length transactions, our Adviser, its officers and its directors have a material interest in the terms of these agreements.

During the fiscal year ended December 31, 2007, we paid total fees of approximately \$2,100,888 to our Adviser under the Advisory Agreement and approximately \$837,898 to our Administrator under the Administration Agreement.

Loan

At December 31, 2007, we had one loan outstanding in the principal amount of \$375,000 to Laura Gladstone, a managing director of ours and the daughter of our chief executive officer, Mr. Gladstone. This loan was extended in connection with the exercise of stock options under the 2003 Equity Incentive Plan by Ms. Gladstone, and was made on terms available to all eligible participants of the 2003 Equity Incentive Plan. The interest rate on the loan is 8.15% and the outstanding principal amount of the loan is due and payable in cash on November 21, 2015. Mr. Gladstone has not received, nor will he receive in the future, any direct or indirect benefit from this loan.

Conflict of Interest Policy

We have adopted policies to reduce potential conflicts of interest. In addition, our directors are subject to certain provisions of Maryland law that are designed to minimize conflicts. Under our current conflict of interest policy, without the approval of a majority of our disinterested directors, we will not:

acquire from or sell to any of our officers, directors or employees, or any entity in which any of our officers, directors or employees has an interest of more than 5%, any assets or other property;

borrow from any of our directors, officers or employees, or any entity in which any of our officers, directors or employees has an interest of more than 5%; or

engage in any other transaction with any of our directors, officers or employees, or any entity in which any of our directors, officers or employees has an interest of more than 5% (except that our Adviser may lease office space in a building that we own, provided that the rental rate under the lease is determined by our independent directors to be at a fair market rate).

Where allowed by applicable rules and regulations, from time to time we may enter into transactions with our Adviser or one or more of its affiliates. A majority of our independent directors and a majority of our directors not otherwise interested in a transaction with our Adviser must approve all such transactions with our Adviser or its affiliates.

It is our current policy that we will not purchase any property from or co-invest with our Adviser, any of its affiliates or any business in which our Adviser or any of its subsidiaries have invested except that we may make leases to existing and prospective portfolio companies of entities advised by our Adviser as long as the portfolio company is not controlled by that entity and if approved by both companies' board of directors. If we decide to change this policy on co-investments with our Adviser or its affiliates, we will seek approval of this decision from our stockholders.

Indemnification

In our Amended and Restated Articles of Incorporation and Bylaws, we have agreed to indemnify certain officers and directors by providing, among other things, that we will indemnify such officer or director, under the circumstances and to the extent provided for therein, for expenses, damages, judgments, fines and settlements he or she may be required to pay in actions or proceedings which he or she is or may be made a party by reason of his or her position as a director, officer or other agent of ours, and otherwise to the fullest extent permitted under Maryland law and our Bylaws. Notwithstanding the foregoing, the indemnification provisions shall not protect any officer or director from liability to us or our stockholders as a result of any action that would constitute willful misfeasance, bad faith or gross negligence in the performance of such officer's or director's duties, or reckless disregard of his or her obligations and duties.

Each of the Advisory and Administration Agreements provide that, absent willful misfeasance, bad faith or gross negligence in the performance of their duties or by reason of the reckless disregard of their duties and obligations, our Adviser, our Administrator and their respective officers, managers, agents, employees, controlling persons, members and any other person or entity affiliated with them are entitled to indemnification from us for any damages, liabilities, costs and expenses (including reasonable attorneys' fees and amounts reasonably paid in settlement) arising from the rendering of our Adviser's or our Administrator's services under the Current Advisory or Administration Agreements or otherwise as an investment adviser of ours.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Gladstone Commercial Corporation stockholders will be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker. Direct your written request to Investor Relations at 1521 Westbranch Drive, Suite 200, McLean, Virginia, 22102 or call our toll-free investor relations line at 1-866-366-5745. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request householding of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
