PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

INTRODUCTION

General

The accompanying form of proxy is solicited on behalf of the Board of Trustees of Ramco-Gershenson Properties Trust (the "Trust") for use at the Annual Meeting of Shareholders of the Trust (the "Meeting"). The Meeting is to be held at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009, on June 6, 2002. The Trust has first mailed these proxy materials on or about April 29, 2002, to holders (the "Shareholders") of common shares of beneficial interest, \$.01 par value ("Common Shares"), and of Series A Convertible Preferred Shares, \$.01 par value per share ("Series A Preferred Shares"), and together with the Common Shares, "Voting Shares"). The Trust's executive offices are located at 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034 (telephone: (248) 350-9900). Shareholders of record at the close of business on April 12, 2002 (the "Record Date") will be entitled to vote at the Meeting.

Proxies in the accompanying form which are properly executed and duly returned to the Trust and not revoked will be voted as specified and, if no direction is made, will be voted FOR the election of each of management's three nominees for re-election as Trustees and FOR the ratification of Deloitte & Touche LLP as the Trust's independent auditors for fiscal year 2002. Each proxy granted is revocable and may be revoked at any time prior to its exercise by giving notice to the Trust of its revocation. A Shareholder who attends the Meeting in person may, if such Shareholder wishes, vote by ballot at the Meeting, thereby canceling any proxy previously given.

As of the Record Date, 7,095,841 Common Shares of the Trust were outstanding and 1,400,000 Series A Preferred Shares of the Trust were outstanding. The Series A Preferred Shares are entitled to vote on all matters on which the holders of Common Shares are entitled to vote on an "as converted" basis with the holders of Common Shares, as though all of such Series A Preferred Shares had been converted into Common Shares at the current conversion ratio of 10 Common Shares for each 7 Series A Preferred Shares held. Accordingly, the holders of Series A Preferred Shares are entitled to vote as if they held an aggregate of 2,000,000 Common Shares, amounting to a combined total of 9,095,841 Voting Shares outstanding for purposes of voting at the Meeting. Each Common Share is entitled to one vote, and each Series A Preferred Share is entitled to approximately 1.43 votes on all matters that may come before the Meeting.

I. ELECTION OF TRUSTEES

At the Meeting, three Trustees comprising the Class II Trustees are to be elected for three-year terms expiring in 2005. Edgar Filing: RAMCO GERSHENSON PROPERTIES TRUST - Form DEF 14A

(1) Includes car allowances.

The compensation described in this table does not include medical, group life insurance or other benefits that are available generally to all of the Trust's salaried workers.

Employment Agreements

The Trust has entered into employment agreements with Dennis Gershenson and Richard Gershenson, the Trust's President and Chief Executive Officer, and Executive Vice President and Secretary, respectively, which agreements each had an initial period of three years commencing on May 10, 1996, subject to automatic one year extensions thereafter, provided the Board of Trustees has considered the extension of such term not more than 90 days nor less than 30 days prior to the expiration of the term. Each of these

employment agreements has been automatically extended through May 9, 2002. Pursuant to such agreements, each officer receives an annual base salary and such other fringe benefits and perquisites as are generally made available to the Trust's management employees. In addition to base salary, the officers receive annual performance-based compensation as determined by the Compensation Committee, but not less than a specified percentage of the increase in the Trust's funds from operation for the prior year.

These employment agreements provide for certain severance payments in the event of death or disability. In addition, each of the agreements provides that if the officer is terminated without cause or he terminates his employment for good reason (as defined below), he will be entitled to receive a severance payment equal to 1.99 times the base amount (as defined in Internal Revenue Code of 1986, as amended) and, for the duration of the term, those fringe benefits provided for under such agreement. Good reason includes diminution in authority, change of location, fewer than two of Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson, Bruce Gershenson and Michael Ward (collectively, the Ramco Principals) serving as members of the Board of Trustees or the Ramco Principals constituting less than 20% of the members of the Board of Trustees, and a change of control. A change of control will occur if any person or group of commonly controlled persons other than the Ramco Principals or their affiliates owns or controls, directly or indirectly, more than 25% of the voting control or value of the capital stock (or securities convertible or exchangeable therefore) of the Trust.

The employment agreements provide that Dennis Gershenson and Richard Gershenson will conduct all of their real estate ownership, acquisition, management and development activities (other than certain limited activities relating to their existing fast food franchise and other businesses and activities relating to certain excluded assets) through the Trust. In connection therewith, these officers have agreed to offer to the Trust real estate opportunities of which they become aware (other than opportunities relating to certain excluded assets).

The employment agreements also provide that the Trust will indemnify each officer to the fullest extent permitted by law, and will advance to such executive officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

The Trust also entered into five year employment agreements as of April 16, 2001 with each of Messrs. Joel Gershenson, Bruce Gershenson and Michael Ward, the Trust's Chairman, Executive Vice President and Treasurer, and Executive Vice President and Chief Operating Officer, respectively. These agreements provide for a reduction in duties and salaries for these officers over the term of the agreements. Pursuant to these agreements, each officer receives a base salary of \$100,000 for the first year, \$75,000 for the second year, \$50,000 for the third year and \$35,000 for each of the fourth and fifth years. The agreements provide that each officer will devote up to 600 hours to the Trust during the first year, up to 400 hours during the second year and up to 200 hours during the third year, and each officer will only devote time to the Trust during the fourth and fifth years as a member of the Trust's Advisory Committee. The Advisory Committee consists of the Ramco Principals and meets at least once per quarter. If an officer is requested to devote additional hours to the Trust above the commitments stated above, the Trust will pay him additional compensation of \$300 per hour. The agreements provide that Bruce Gershenson and Michael Ward will relinquish the titles of Treasurer and Chief Operating Officer, respectively, at the Trust's request.

In addition to his base salary, each officer will receive such fringe benefits and perquisites (other than any pension, profit-sharing, stock option or similar plan or program) as are generally made available from time to time to the Trust's management employees and executives. If the Trust does not extend medical benefits to

these officers at the end of the term of their employment agreements, the agreements provide that the Trust will compensate each officer for the cost of obtaining medical benefits for life, up to a total cost of \$30,000 for each year that the officer is employed with the Trust pursuant to the agreement. In addition, if, during the period from April 15, 2001 to May 9, 2002, the Trust grants any stock options to Dennis Gershenson, the Trust will grant to each officer 75% of the number of options granted to Dennis Gershenson.

These employment agreements provide for certain severance payments in the event of death or disability. In addition, each of the agreements provides that if the officer is terminated without cause or he terminates his employment for good reason (as defined below), he will be entitled to receive a severance payment equal to the greater of (a) all compensation due to the officer through the end of the term of his employment agreement or (b) 1.99 times the base amount (as defined in the Internal Revenue Code of 1986, as amended) and continuation of the medical benefits provided for under the agreement. Good reason includes diminution in status, change of location, fewer than two of the Ramco Principals serving as members of the Board of Trustees or the Ramco Principals constituting less than 10% of the members of the Trust's board (provided that the Ramco Principals own shares and units of the Operating Partnership convertible into shares equal to more than 15% of the Trust's outstanding shares), and a change of control (using the same definition as the agreements with Dennis Gershenson and Richard Gershenson).

The employment agreements provide that the officers will not compete with the Trust in the States of Michigan and Florida and the greater Toledo, Ohio area during the first year of the agreements. During the second and third years, the officers may compete with the Trust but have agreed to offer the Trust a right of first refusal for any retail development greater than 75,000 square feet anchored by a supermarket or including a major retailer in excess of 50,000 square feet. During the fourth and fifth years, the officers may compete with the Trust without restriction.

The employment agreements also provide that the Trust will indemnify each officer to the fullest extent permitted by law, and will advance to such executive officer all related expenses, subject to reimbursement if it is subsequently determined that indemnification is not permitted.

Compensation Committee Report

The Compensation Committee of the Board of Trustees (the Committee) is responsible for administering the Trust's senior management compensation program. The Committee is composed entirely of independent Trustees who are not employees of the Trust; the individual members are listed below. None of these individuals has any interlocking or other relationships with the Trust that would call into question their independence as Committee members.

Except as otherwise described below, the Committee has general review authority over compensation levels for, and sets the compensation for, all corporate officers and key management personnel of the Trust. The Committee also administers employee benefit and incentive compensation programs, and considers and recommends to the Board new benefit programs.

Pursuant to adopted rules designed to enhance disclosure of companies' policies toward executive compensation, set forth below is a report of the Committee addressing the Trust's compensation policies for 2001 as they affected the Trust's current Chief Executive Officer and President, Dennis Gershenson, and its other senior executives, Joel Gershenson, Chairman of the Board, Richard Smith, Chief Financial Officer, Bruce Gershenson, Executive Vice President and Treasurer, Richard Gershenson, Executive Vice President

and Secretary and Michael Ward, Executive Vice President and Chief Operating Officer, respectively, of the Trust.

The initial compensation of each of Messrs. Dennis Gershenson, Joel Gershenson, Bruce Gershenson, Richard Gershenson and Michael Ward was set pursuant to three year employment agreements signed in 1996 between each such individual and the Trust. These agreements, which have been extended, contained provisions for, among other things, calculating the base salary paid to such executive officers, as well as (in the case of the Ramco Principals) formulae used to determine bonus payments to such individuals.

During the first quarter of 2001 the employment agreements for Messrs. Joel Gershenson, Bruce Gershenson and Michael Ward were renegotiated. These new five year employment agreements provide for a reduction in duties and salaries for each of these executive officers over the term of the agreements as discussed in further detail in the Employment Agreements section of this proxy.

The employment agreements for Messrs. Dennis Gershenson and Richard Gershenson contain provisions for automatic one year extensions. Their respective employment agreements provided for base salaries which have been increased since the execution of the agreements, based on the advice of FPL Associates, the independent consultants engaged by the Compensation Committee.

The Compensation Committee engaged the services of FPL Associates, an executive compensation consulting firm, to assess the overall competitiveness of the Trust's compensation program as it relates to the Trust's executive officers and senior management and to design a comprehensive executive compensation plan for the management team. Based on the results of such study, the Trust has implemented certain aspects of the program's recommendations for calendar years 2000 and 2001.

The compensation package offered by the Trust to its other senior executives is intended to enable the Trust to attract, motivate and retain qualified senior management, taking into account both annual and long-term performance goals of the Trust and recognizing individual initiative and achievements. Executive compensation generally consists of base salary and annual bonus, as well as a combination of benefit programs.

The Committee has reviewed the Trust's compensation policies in light of the addition of Section 162(m) to the Internal Revenue Code, which generally limits deductions for compensation paid to certain executive officers to \$1,000,000 per annum (although certain performance based compensation was not subject to that limit), and determined that the compensation levels of the Trust's executive officers were not at a level that would be affected by such amendments. The Committee intends to continue to review the application of Section 162(m) to the Trust with respect to any future compensation programs considered by the Trust.

Compensation of Trustees

The independent Trustees each received \$12,500 and 800 Common Shares purchased by the Trust at a cost of \$12,473, as compensation for serving as a Trustee in 2001 plus reimbursement of travel expenses and other out-of-pocket disbursements incurred in connection with attending any meetings. Messrs. Joel Gershenson and Dennis Gershenson did not receive any compensation for their services as Trustees.

During 2001, the independent Trustees received individual grants of stock options under the 1997 Non-Employee Trustee Stock Option Plan which was approved by the Trust's shareholders on June 10, 1997. Each of the Trustees received a grant of 2,000 stock options on June 13, 2001 with an exercise price of \$17.33. The options vest and become exercisable in installments on each of the first two anniversaries of the date of grant and expire ten years after the date of grant.

Other Matters

Ramco, a subsidiary of the Trust which provides property management and leasing services to properties owned by the Operating Partnership and other affiliates of the Trust, as well as to other third party property owners, provides property management services to various entities and properties owned and/or controlled by the Ramco Principals, each of whom are executive officers and/or Trustees of the Trust. Management of the Trust believes that these services are provided on terms no less favorable than terms that could be obtained on an arm's length basis. During fiscal year ended December 31, 2001, Ramco charged an aggregate of approximately \$542,000 in respect of such services to entities owned and/or controlled by the Ramco Principals. Ramco was owed \$355,000 as of December 31, 2001 by various entities owned or controlled by the Ramco Principals incurred in the ordinary course of business for the ongoing services as described above.

In addition to the services described in the preceding paragraph, personnel of Ramco provide accounting and other administrative services for entities owned and/or controlled by the Ramco Principals. The entities that receive such services reimburse Ramco for the payroll costs incurred by Ramco in providing such services. In the fiscal year ended December 31, 2001, entities owned and/or controlled by the Ramco Principals were charged an aggregate of approximately \$88,000 by Ramco for such accounting and other administrative services.

In November 2001, the Trust invested \$1.7 million in a 40% interest in Ramco/ Shenandoah LLC. The remaining 60% of this company is owned by an entity a portion of which is beneficially owned by various family partnerships and trusts under the control of two uncles of Joel Pashcow, one of the Trustees, and a portion of which is beneficially owned by various trusts for the benefit of members of Mr. Pashcow's immediate family. Mr. Pashcow is a trustee of several of these trusts. In November 2001, Ramco/ Shenandoah LLC acquired the Shenandoah Square shopping center and engaged Ramco-Gershenson, Inc. to provide property management, accounting and other administrative services to the company and the shopping center which has approximately 119,000 square feet. The Trust believes that the terms of the management agreement with Ramco/ Shenandoah LLC are no less favorable than terms that could be obtained on an arm's length basis. During the year ended December 31, 2001, Ramco-Gershenson, Inc. charged approximately \$171,000 in respect of these services to Ramco/ Shenandoah LLC and was owed approximately \$9,000 as of December 31, 2001 for those services.

In January 2001, the Trust sold White Lake MarketPlace to Pontiac Mall Limited Partnership for \$20.2 million in cash, resulting in a gain on sale of \$5.3 million. Pontiac Mall Limited Partnership is owned 50.2% by two entities which are owned by Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson, Bruce Gershenson and Michael Ward equally and 49.2% by a trust of which Messrs. Joel Gershenson, Dennis Gershenson, Richard Gershenson and Bruce Gershenson are equal beneficiaries and of which Bruce Gershenson serves as trustee. The remaining portion is owned by an unrelated party. This property was offered for sale utilizing the services of a national real estate brokerage firm, and the Trust accepted the highest offer from an unrelated party which subsequently cancelled the agreement. Pontiac Mall Limited Partnership presented a comparable offer which resulted in more favorable economic benefits to the Trust. The Trust obtained the unanimous approval of the members of the Board of Trustees other than Joel Gershenson and Dennis Gershenson for the sale of this property to Pontiac Mall Limited Partnership.

Compliance with Section 16(A) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust's officers and Trustees and persons who own more than ten percent of a registered class of the Trust's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the Commission) and the New York Stock Exchange. Officers, Trustees and greater than ten percent Shareholders are required by regulation of the Commission to furnish the Trust with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representation from certain reporting persons that no Form 5 were required for those persons, the Trust believes that all required filings by executive officers and Trustees of the Trust and persons that own more than ten percent of the Common Shares were made on a timely basis.

II. INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Deloitte & Touche LLP has been appointed as independent auditors for the Trust by the Trust's Board of Trustees to examine and report on financial statements for the fiscal year ending December 31, 2002 which appointment will be submitted to shareholders for ratification at the Meeting. Deloitte & Touche LLP audited and reported on the Trust's financial statements for the fiscal year ended December 31, 2001. During the year ended December 31, 2001, Deloitte & Touche LLP provided various audit and tax related services to the Trust and its consolidated subsidiaries. Set forth below are the aggregate fees billed for these services:

- (a) **Audit Fees** Aggregate fees of \$103,976 were billed for professional services rendered for the audit of the Trust's fiscal 2001 consolidated financial statements included in its annual report on Form 10-K and the review of the financial statements included in the Trust's quarterly reports on Form 10-Q.
- (b) **All other fees** Aggregate fees of \$386,815 were billed for other services including tax-related services.

Deloitte & Touche LLP did not render any services on financial information systems, design or implementation during the fiscal year ended December 31, 2001. The Audit Committee discussed the non-audit services with Deloitte & Touche LLP and determined that their provision of these services is compatible with maintaining Deloitte & Touche LLP's independence.

Representatives of that firm are expected to be present at the Meeting, with the opportunity to make a statement if they desire to do so, and to be available to respond to appropriate questions. The affirmative vote of a majority of the Voting Shares present and entitled to vote at the Meeting is required to ratify appointment of the independent auditors. Submission of the appointment of the auditors to the Shareholders for ratification will not limit the authority of the Board of Trustees to appoint another accounting firm to serve as independent auditors if the present auditors resign or their engagement is otherwise terminated. If the Shareholders do not ratify the appointment of Deloitte & Touche LLP at the Meeting, management intends to call a special meeting of Shareholders to be held as soon as practicable after the Meeting to ratify the appointment of another independent public accounting firm as independent auditors of the Trust.

SHAREHOLDERS PROPOSALS

Any proposal by a Shareholder of the Trust intended to be presented at the 2003 Annual Meeting of Shareholders must be received by the Trust at its principal executive office not later than December 28, 2002 for inclusion in the Trust's proxy statement and form of proxy relating to that meeting. Any such proposal must also comply with other requirements of the proxy solicitation rules of the Commission.

Trustees are elected by a plurality of the votes cast at the Annual Meeting. Only shares that are voted in favor of a particular nominee will be counted toward such nominee's achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the Shareholder properly withheld authority to vote for such nominee (including broker non-votes) will not be counted toward such nominee's achievement of a plurality.

ANNUAL REPORT ON FORM 10-K

UPON WRITTEN REQUEST BY ANY SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, THE TRUST WILL FURNISH THAT PERSON WITHOUT CHARGE A COPY OF ITS ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2001 WHICH IS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, INCLUDING THE FINANCIAL STATEMENTS AND SCHEDULES THERETO. If a person requesting the report was not a Shareholder of record on April 12, 2002, the request must contain a good faith representation that the person making the request was a beneficial owner of Common Shares at the close of business on such date. Requests should be addressed to Investor Relations, Ramco-Gershenson Properties Trust, 27600 Northwestern Highway, Suite 200, Southfield, Michigan 48034.

Proxies are being solicited on behalf of the Board of Trustees by use of the mail. The cost of preparing this Proxy Statement and all other costs in connection with this solicitation of proxies for the Meeting is being borne by the Trust.
