PROXY STATEMENT FOR THE
2003 ANNUAL MEETING OF STOCKHOLDERS OF
TORCH OFFSHORE, INC.
TO BE HELD ON MAY 15, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Torch Offshore, Inc., a Delaware corporation (the "Company"), of proxies from the holders of the Company's common stock, par value \$0.01 per share (the "Common Stock"), for use at the 2003 Annual Meeting of Stockholders (the "Annual Meeting") to be held at the time and place and for the purposes set forth in the accompanying notice. The approximate date on which this Proxy Statement and the accompanying proxy will first be mailed to stockholders is April 14, 2003. In addition to the solicitation of proxies by mail, proxies may also be solicited by telephone, telegram or personal interview by employees of the Company. The Company will pay all costs of soliciting proxies. The Company will also reimburse brokers or other persons holding Common Stock in their names or in the names of their nominees for their reasonable expenses in forwarding proxy material to the beneficial owners.

Edgar Filing: TORCH OFFSHORE INC - Form DEF 14A

All duly executed proxies received prior to the Annual Meeting will be voted in accordance with the choices specified thereon and, in connection with any other business that may properly come before the meeting, in the discretion of the persons named in the proxy. AS TO ANY MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED IN A DULY EXECUTED PROXY, THE SHARES REPRESENTED THEREBY WILL BE VOTED FOR THE ELECTION AS DIRECTOR OF THE NOMINEES LISTED HEREIN, FOR APPROVAL OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS, AND IN THE DISCRETION OF THE PERSONS NAMED IN THE PROXY IN CONNECTION WITH ANY OTHER BUSINESS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING. A stockholder giving a proxy may revoke it at any time before it is voted at the Annual Meeting by filing with the Secretary at the Company's executive offices a written instrument revoking it, by delivering a duly executed proxy bearing a later date or by appearing at the Annual Meeting and voting in person. The executive offices of the Company are located at 401 Whitney Avenue, Suite 400, Gretna, Louisiana 70056. For a period of ten days prior to the Annual Meeting, a complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection for proper purposes by stockholders of record during ordinary business hours at the Company's executive offices.

RECORD DATE AND VOTING SECURITIES

As of the close of business on April 7, 2003, the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting, the Company had outstanding and entitled to vote 12,660,030 shares of Common Stock. Each share entitles the holder to one vote on each matter submitted to a vote of stockholders.

The requirement for a quorum at the Annual Meeting is the presence in person or by proxy of holders of a majority of the outstanding shares of Common Stock. Proxies indicating stockholder

1

abstentions and shares represented by "broker nonvotes" (i.e., shares held by brokers or nominees for which instructions have not been received from the beneficial owners or persons entitled to vote and for which the broker or nominee does not have discretionary power to vote on a particular matter) will be counted for purposes of determining whether there is a quorum at the Annual Meeting. Votes cast by proxy or in person at the Annual Meeting will be counted by the persons appointed as election inspectors for the Annual Meeting.

MATTERS TO BE CONSIDERED AT THE 2003 ANNUAL MEETING OF STOCKHOLDERS

PROPOSAL ONE: ELECTION OF DIRECTORS

The Board of Directors currently consists of six members, all of whom have been nominated by the Board of Directors to stand for re-election at the Annual Meeting. Each director elected at the Annual Meeting will hold the office until the Annual Meeting of Stockholders in 2004 or until his or her successor is elected and qualified.

In accordance with the Company's Bylaws, the affirmative vote of a plurality of the votes cast by holders of Common Stock entitled to vote in the election of directors at a meeting of stockholders at which a quorum is present is required for the election of the nominees as directors. Accordingly, although abstentions and broker nonvotes are considered shares present at the Annual Meeting for the

Edgar Filing: TORCH OFFSHORE INC - Form DEF 14A

purpose of determining a quorum, they will have no effect on the election of directors.

The Board of Directors is not aware of any reason why any nominee will be unable to stand for election as a director or serve if elected, but if any such nominee should become unavailable, the Board of Directors may nominate, and the persons named in the accompanying Proxy may vote for, a substitute nominee.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES LISTED BELOW.

DIRECTOR COMPENSATION

Edgar Filing: TORCH OFFSHORE INC - Form DEF 14A

Directors who are employees of the Company do not receive cash compensation for their services as directors. During 2002, our non-employee directors received an annual fee of \$12,000, which was paid in monthly cash installments of \$1,000. All non-employee directors were to be paid a fee of \$1,000 for each Committee meeting attended in person; however, in February 2003, the Board of Directors approved the removal of the fee of \$1,000 for each Committee meeting attended in person by the non-employee directors retroactive to January 1, 2002. In addition, the monthly installments were amended to \$1,167 per month, or a total of \$14,000 per annum, payable in a combination of cash or common stock at the discretion of the Board of Directors, beginning on January 1, 2003. All directors are reimbursed for out-of-pocket expenses incurred in attending meetings of the Board of Directors or Committees thereof and for other expenses incurred in their capacity as directors. During fiscal 2002 in connection with a presentation to management, Mr. Michel received a consulting fee of approximately \$8,000.

Each of our directors is eligible to participate in our 2001 Incentive Plan. The terms of our 2001 Incentive Plan provide that each of our non-employee directors will be awarded options to purchase 1,000 shares of our Common Stock on the first business day of the month following each annual meeting at which they are elected. The options will become exercisable six months and one day from the date of the grant and will expire ten years from the date of the grant. All grants are subject to the general terms and conditions of the 2001 Incentive Plan.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company believes that all its directors and executive officers complied on a timely basis with all applicable filing requirements under Section 16(a) of the Exchange Act during 2002.

This agreement gives Lime Rock the right, on three occasions, to demand that the Company register all or any portion of its shares of Common Stock for sale under the Securities Act of 1933, as amended. The gross proceeds of any proposed demand registration must reasonably be expected to be at least \$5.0 million. The agreement provides for customary registration procedures. The Company will pay all registration-related expenses, other than underwriters' discounts and commissions. REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee was established in June 2001 in connection with the Company's initial public offering. The Company's Board of Directors granted to the Compensation Committee the authority to, among other things, review and recommend to the Board of Directors the compensation and benefits of the executive officers of the Company. In addition, the Compensation Committee has the responsibility of establishing and reviewing general policies relating to the Company's compensation and benefits and administers the 2001 Incentive Plan.

The Compensation Committee has structured its executive compensation policies to:

- o Offer performance-based compensation that takes into account the Company's financial performance on both a short-term and long-term basis;
- o Provide a total compensation program that considers the compensation policies of comparable companies with whom the Company competes so as to attract and retain qualified executives; and
- o Align executive compensation to the financial interests of the Company's stockholders by providing equity-based incentives.

The three major components to the compensation of the Company's executives are (i) base salary, (ii) annual incentive compensation in the form of a cash bonus, and (iii) long-term equity-based compensation. Factors taken into account in determining these compensation levels include the executive's responsibilities, experience, leadership, potential future contributions and individual performance. Long-term equity-based compensation is provided in the form of stock options, which are tied directly to stockholder return, and restricted stock. Stock options align the interests of the Company's executives with those of its stockholders by encouraging executives to enhance the value of the Company.

The Compensation Committee establishes the base salary levels of the CEO and other executive officers after review of salaries of other companies in the oilfield service industry having annual sales or revenues generally similar in size to the Company. By reviewing the salaries of such

9

other companies from time to time, the Compensation Committee intends to ensure that the Company's base salaries are generally within the range of base salaries paid by other companies. The base salaries also take into account the executives' experiences and levels of responsibility.

These base salaries are reviewed and updated annually, with adjustments made for updated salary data, increases in the cost of living, job performance, changes in responsibilities and duties of the executive, if any, and general market salary levels. No weight or emphasis is placed on any one of these factors.

Long-term equity-based compensation is provided through the 2001 Incentive Plan, which was adopted effective April 27, 2001. The objectives of the 2001 Incentive Plan are to retain and attract persons of appropriate training, experience and

Edgar Filing: TORCH OFFSHORE INC - Form DEF 14A

ability to serve as employees, consultants and directors of the Company, to encourage the sense of proprietorship of such persons, and to stimulate the active interest of such persons in the development and financial success of the Company. The 2001 Incentive Plan provides long-term equity-based compensation, with certain terms, conditions and limitations determined by the Compensation Committee, via awards to employees in the form of (i) incentive stock options, (ii) nonqualified stock options, (iii) performance stock awards, (iv) stock awards (including restricted stock), (v) phantom stock, (vi) stock appreciation rights and (vii) cash awards. All awards are subject to conditions established by the Compensation Committee which may include continuous service with the Company, achievement of specific business objectives, increases in specified indices, attaining specified growth rates and other specified valuations.

In 2002, the Company granted options to purchase an aggregate of 163,000 shares of Common Stock to executive officers of the Company as well as 40,006 restricted shares.

The Company may periodically grant new options or other long-term equity-based incentives to provide continuing incentive for future performance. In making the decision to grant additional options or other long-term equity-based incentives, the Compensation Committee would expect to consider factors such as the size of previous grants and the number of options held. In addition, the Compensation Committee may consider factors including the executive's current ownership stake in the Company, the degree to which increasing that ownership stake would provide the executive with additional incentives for future performance, the likelihood that the grant of those options would encourage the executive to remain with the Company, and the value of the executive's service to the Company.

CEO Compensation - The CEO's compensation level is established by the Compensation Committee in the same manner as for other executive officers described above. During 2002, Lyle G. Stockstill was granted a base salary of \$260,800. Mr. Stockstill does not have an employment contract with the Company. Mr. Stockstill was granted 94,000 stock options to purchase shares of Common Stock of the Company during 2002. In addition, Mr. Stockstill owns a 59% ownership in the Company through his ownership of Torch, Inc.

Each of the members is independent, as defined in Rule 4200(a)(15) of the National Association of Securities Dealers' listing standards. The duties and responsibilities of the Audit Committee are set forth in a written charter adopted by the Board of Directors.

The Audit Committee has reviewed the relevant requirements of the Sarbanes-Oxley Act of 2002, the rules, proposed and adopted, of the SEC and the proposed new listing standards of the Nasdaq National Market regarding audit committee procedures and responsibilities. Although the Audit Committee's existing procedures and responsibilities generally complied with the requirements of these rules and standards, the Board of Directors has adopted amendments to the Audit Committee's charter to voluntarily implement certain of the rules and to make explicit its adherence to others. A copy of the Audit Committee's amended and restated charter is attached to this Proxy Statement as Appendix A.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

In accordance with the Audit Committee Charter, the Audit Committee assists the Board of Directors in its general oversight of the quality and integrity of the Company's financial reporting, internal controls and audit functions. Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, and internal controls and procedures designed to ensure compliance with

11

accounting standards, applicable laws and regulations. Ernst & Young LLP, the Company's independent auditing firm, is responsible for performing an independent audit of the consolidated financial statements of the Company in accordance with generally accepted auditing standards in the United States.

Among other matters, the Audit Committee monitors the activities and performance of the Company's internal and external auditors, including the audit scope, external audit fees, auditor independence matters, and the extent to which the independent public accountants may be retained to perform non-audit services. The Audit Committee and the Board of Directors have ultimate authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent public accountants. The Audit Committee also reviews the results of the internal and external audit work with regard to the adequacy and appropriateness of the Company's financial, accounting, and internal controls.

Edgar Filing: TORCH OFFSHORE INC - Form DEF 14A

Management and independent public accountants' presentations to, and discussions with, the Audit Committee cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent public accountants. In addition, the Audit Committee generally oversees the Company's internal compliance programs.

The Audit Committee has reviewed and discussed the Company's audited financial statements for the fiscal year ended December 31, 2002 with management and has discussed with Ernst & Young LLP, the independent public accountants for the Company, the matters required to be discussed by Statement of Auditing Standards No. 61, "Communications with Audit Committees," as amended, with respect to those audited financial statements. In addition, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," as amended, and has reviewed, evaluated and discussed with Ernst & Young LLP its independence in connection with its audit of the Company's most recent financial statements.

Based on its review of the audited financial statements and discussions with management and the independent public accountants, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the SEC.
