**PROSPECTUS**

For the Public Offering for Sale of  
75,177 Shares of Common Stock  
of  
REGIS CORPORATION

The 75,177 shares of Common Stock are to be offered by present shareholders. Regis will not receive any of the proceeds from the sale of shares by the selling shareholders.

The selling shareholders have advised us that sales of their shares may be made from time to time through the New York Stock Exchange, through negotiated transactions or otherwise, at fixed prices that may be changed, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. The selling shareholders may sell their shares to or through broker-dealers, and such broker-dealers may receive compensation in the form of discounts, concessions or commissions from the selling shareholders or the purchasers of the shares for whom such broker-dealers may act as agent or to whom they may sell as principal.

No period of time has been fixed within which the shares may be offered or sold. We will initially pay all expenses with respect to this offering, except for brokerage fees and commissions and transfer taxes for the selling shareholders, which will be borne by the selling shareholders.

Our stock is quoted on the New York Stock Exchange under the symbol RGS. On June 6, 2005, the last sale price of our stock as reported by the New York Stock Exchange was \$38.86 per share. The common stock is being offered on a delayed or continuous basis.

**For risks in buying our stock, see *Risks Related to the Business* beginning on page 4 of this Prospectus.**

**Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed on the adequacy or accuracy of this Prospectus. Any representation to the contrary is a criminal offense.**

**Table of Contents**

**RISKS RELATED TO THE BUSINESS**

***Impact of Acquisition and Real Estate Availability***

The key driver of our revenue and earnings growth is the number of locations we acquire or construct. While we believe that substantial future acquisition and organic growth opportunities exist, any material decrease in the number of such opportunities would have an impact on our revenue and earnings growth.

***Impact of the Economic Environment***

Changes to the United States, Canadian, United Kingdom and other European economies have an impact on our business. Visitation patterns to our salons and hair restoration centers can be adversely impacted by changes in unemployment rates and discretionary income levels.

***Impact of Key Relationships***

We maintain key relationships with certain companies. Termination of these relationships could have an adverse impact on our ability to grow or future operating results.

***Impact of Fashion***

Changes in consumer tastes and fashion trends can have an impact on our financial performance.

***Impact of Changes in Regulatory and Statutory Laws***

With more than 10,000 locations and over 52,000 corporate employees world-wide, our financial results can be adversely impacted by regulatory or statutory changes in laws.

***Impact of Competition***

Competition on a market by market basis remains strong. Therefore, our ability to raise prices in certain markets can be adversely impacted by this competition.

***Impact of Changes in Manufacturers' Choice of Distribution Channels***

The retail products that we sell are licensed to be carried exclusively by professional salons. Should the various product manufacturers decide to utilize other distribution channels, such as large discount retailers, it could negatively impact the revenue earned from product sales.

***Impact of Changes to Interest Rates and Foreign Currency Exchange Rates***

Changes in interest rates will have an impact on our expected results from operations. Currently, we manage the risk related to fluctuations in interest rates through the use of floating rate debt instruments and other financial instruments.

Changes in foreign currency exchange rates will have an impact on our reported results from operations. The majority of the revenue and costs associated with the performance of our foreign operations are denominated in local currencies such as the Canadian dollar, Euro and British pound. Therefore, we do not have significant foreign currency transaction risk; however, the translation at different exchange rates from period to period may impact the amount of reported income from our international operations.

***Impact of Seasonality***

Our business is not subject to substantial seasonal variations in demand. However, the timing of Easter may cause a quarterly variation in the third and fourth quarters. Historically, our revenue and net earnings have generally been realized evenly throughout the fiscal year. The service and retail product revenues associated with our corporate salons, as well as our franchise revenues, are of a replenishment nature. We estimate that customer visitation patterns are generally consistent throughout the year.

***Impact of Changes in Securities Laws and Regulations***

The Sarbanes-Oxley Act of 2002 that became law in July 2002 requires changes in some of our corporate governance and securities disclosure or compliance practices. We are presently preparing for our required compliance with the Sarbanes-Oxley Act of 2002, and management's assertion concerning financial reporting controls. While we believe that we can ultimately comply with the new legislated requirements associated with being a registrant with the Securities and Exchange Commission, this process is costly and presents both challenge and risk.

**Table of Contents**

The Sarbanes-Oxley Act of 2002 also requires the SEC to promulgate new rules on a variety of subjects, in addition to rule proposals already made, and the New York Stock Exchange has approved revisions to its requirements for listed companies. We expect these developments to increase our compliance costs. These developments could possibly make it more difficult and more expensive to obtain director and officer liability insurance, and we may be required to accept reduced coverage or incur substantially higher costs to obtain coverage. These developments could make it more difficult for us to attract and retain qualified members of our board of directors, or qualified executive officers.

**REGIS CORPORATION**

We are incorporated in the State of Minnesota and have our principal executive office at 7201 Metro Boulevard, Minneapolis, Minnesota 55439. Our telephone number is (952) 947-7777.

## INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The consolidated financial statements incorporated in this Prospectus by reference to the 2004 Annual Report on Form 10-K and the 2004 Annual Report on Amendment No. 1 of Form 10-K/A of Regis Corporation for the year ended June 30, 2004, have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP,

independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

**Table of Contents**

With respect to the unaudited condensed consolidated financial information of Regis Corporation for the three-month periods ended September 30, 2004 and 2003, for the three-and six-month periods ended December 31, 2004 and 2003, and for the three-and nine-month periods ended March 31, 2004 and 2005, incorporated by reference in this Prospectus, PricewaterhouseCoopers LLP reported that they have applied limited procedures in accordance with professional standards for a review of such information. Accordingly, the degree of reliance on their report on such information should be restricted in light of the limited nature of the review procedures applied. PricewaterhouseCoopers LLP is not subject to the liability provisions of Section 11 of the Securities Act of 1933 for their reports on the unaudited condensed consolidated financial information because those reports are not a report or a part of the registration statement prepared or certified by PricewaterhouseCoopers LLP within the meaning of Sections 7 and 11 of the Act.

Item 17. Undertakings

The undersigned Registrant further hereby undertakes:

(a)(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commissioner by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

**Table of Contents**

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in such Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in such Act and will be governed by the final adjudication of such issue.

(d) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in the form of prospectus filed by the Registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act of 1933 shall be deemed to be part of this registration statement as of the time it was declared effective, and

(e) for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
