Section 8 Other Events

Item 8.01 Other Events

On August 14, 2006, Oracle agreed to invest approximately US\$125 million in i-flex solutions limited (i-flex) (Bombay Stock Exchange: IFLX.BO and National Stock Exchange of India: IFLX.NS) to fund growth initiatives, including i-flex's pending acquisition of Mantas, Inc.

i-flex will issue approximately 4.45 million equity shares to Oracle under a preferential allotment at a purchase price of Rs. 1,307.50 per share. Upon completion of the preferential allotment, Oracle's ownership in i-flex is expected to increase from the current 52.5% to 55.1%. The preferential allotment is subject to approval by an Extraordinary General Meeting (EGM) of i-flex shareholders to be held on Tuesday, September 12, 2006.

As required by Indian law, following the preferential allotment, Oracle will be required to make a mandatory open offer to purchase up to an additional 20 percent of the shares outstanding from the remaining i-flex shareholders at a price of Rs. 1,475.00 per share. If the open offer is fully subscribed, the aggregate consideration for the open offer would be approximately \$515 million.

On August 14, 2006, Oracle issued a press release announcing its agreement to invest further in i-flex, which is attached hereto as Exhibit 99.1
