Disclosure of Entry Into Definitive Agreement

On August 6, 2007, Wipro Limited (Wipro) entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Wipro, Roxy Acquisition Corp. (Merger Sub), an indirect wholly-owned subsidiary of Wipro, and Infocrossing, Inc. (Infocrossing) pursuant to which Wipro shall acquire Infocrossing, a provider of IT infrastructure management, for \$18.70 per share in an all cash deal.

The acquisition will be conducted by means of a tender offer for all of the outstanding shares of Infocrossing, followed by a merger of Infocrossing with Merger Sub that will result in Merger Sub becoming an indirect wholly owned subsidiary of Wipro. Wipro expects to commence the tender offer promptly.

Wipro s acceptance of the shares tendered in connection with the tender offer is subject to customary conditions, including, among others, the expiration of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and the receipt of any other material antitrust or merger control approvals. In addition, Wipro s acceptance of the tendered shares is subject to Wipro s ownership, following such acceptance, of at least a majority of all then-outstanding shares of Infocrossing common stock.

The closing of the merger is subject to customary closing conditions, and, depending on the number of shares held by Wipro after its acceptance of the shares properly tendered in connection with the offer, approval of the merger by the holders of Infocrossing s outstanding shares after the completion of the tender offer also may be required.

On August 6, 2007, Wipro issued a press release announcing that it had agreed to acquire Infocrossing. The text of the press release is furnished as Exhibit 99.1 attached hereto. Exhibit 99.1 shall not be deemed filed for purposes of Section 18 of the Exchange Act and shall not be deemed incorporated by reference into any filing under the Securities Act.
