PROXY STATEMENT

**ANNUAL MEETING OF STOCKHOLDERS
May 13, 2009**

GENERAL INFORMATION

Solicitation and Revocability of Proxies

The Board of Directors (the *Board*) of Cinemark Holdings, Inc. (the *Company*, *we*, *our* or *us*) is soliciting proxies in connection with the 2009 annual meeting of stockholders and any adjournment thereof (the *Annual Meeting*) to be held on May 13, 2009 at 9 a.m. at the Cinemark Legacy Theatre located at 7201 Central Expressway, Plano, Texas 75025. The approximate date on which this proxy statement and the enclosed proxy are first being sent to stockholders is March 25, 2009.

If the accompanying proxy card is duly executed and returned, the shares of common stock, par value \$0.001 per share of the Company (the *Common Stock*), represented thereby will be voted in accordance with the Board's recommendations set forth herein and, where the stockholder makes a specification, will be voted in accordance with such specification. A proxy may be revoked by the person executing it at any time before it has been exercised, but the revocation of the proxy will not be effective until written notice thereof has been delivered to Michael D. Cavalier, Company Secretary, at Cinemark Holdings, Inc., 3900 Dallas Parkway, Suite 500, Dallas, Texas 75093. If a stockholder attends the Annual Meeting, the stockholder may revoke the proxy and vote in person.

Shares Outstanding and Voting Rights

As of March 20, 2009, 108,860,563 shares of the Company's Common Stock were outstanding. The Common Stock constitutes the only class of voting securities of the Company. Only stockholders of record as of the close of business on March 20, 2009 (the *Record Date*) are entitled to receive notice of, and to vote at the Annual Meeting. Holders of Common Stock are entitled to one vote for each share so held. Holders of Common Stock of the Company do not have cumulative voting rights with respect to the election of directors.

Quorum and Required Vote

Quorum. Unless a quorum is present at the Annual Meeting, no action may be taken at the Annual Meeting except the adjournment thereof until a later time. The holders of a majority of the issued and outstanding shares of Common Stock on the Record Date, present in person or represented by proxy, are necessary to constitute a quorum at the Annual Meeting. Shares that are represented at the Annual Meeting but abstain from voting on any or all matters and broker non-votes (shares held by brokers or nominees for which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote) will be counted as shares present and entitled to vote in determining the presence or absence of a quorum. The inspector of election appointed for the Annual Meeting will determine the number of shares of our Common Stock present at the Annual Meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. If a quorum is obtained, directors are elected by a plurality of all of the votes cast, in person or by proxy. This means that the three director nominees will be elected if they receive more affirmative votes than any other director nominee. Votes marked For Item 1 will be counted in favor of all director nominees, except to the extent the proxy withholds authority to vote for a specified director nominee. Votes Withheld from a director nominee have no effect on the vote since a plurality of the shares cast at the Annual Meeting is required for the election of each director nominee. Stockholders may not abstain from voting with respect to the election of directors. The election of directors is a routine matter for which specific instructions from beneficial owners will not be required, therefore, no broker non-votes will arise in the context of this proposal.

Ratification of the appointment of Deloitte & Touche, LLP as our independent registered public accountant requires the majority of all the votes cast on the matter at the Annual Meeting by stockholders at which a quorum is present in person or by proxy. Abstentions from voting on the ratification of the independent registered public accountant will be counted as present for purposes of establishing a quorum, and the abstention will have the same effect as a vote *against* that proposal. The ratification of the appointment of auditors is a routine matter for which specific instructions from beneficial owners will not be required, therefore, no broker non-votes will arise in the context of this proposal.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

1. What is a proxy and how does the proxy process operate?

A proxy is your legal designation of another person to vote the stock you own. The person(s) that you designate to vote your shares are called proxies. Alan W. Stock, Robert D. Copple and Michael D. Cavalier of the Company have been designated as proxies for the Annual Meeting. The term proxy also refers to the written document or proxy card that you sign to authorize those persons to vote your shares.

By executing the proxy card, you authorize the above-named individuals to act as your proxies to vote your shares in the manner that you specify. The proxy voting mechanism is vitally important to us. In order for us to obtain the necessary stockholder approval of proposals, a quorum of stockholders (a majority of the issued and outstanding shares of Common Stock as of the Record Date) must be represented at the Annual Meeting in person or by proxy. Since few stockholders can spend the time or money to attend stockholder meetings in person, voting by proxy is necessary to obtain a quorum and complete the stockholder vote. It is important that you attend the Annual Meeting in person or grant a proxy to vote your shares to assure a quorum is obtained so corporate business can be transacted. If a quorum is not obtained, we must postpone the Annual Meeting and solicit additional proxies, which is an expensive and time-consuming process.

2. What is a proxy statement?

It is a disclosure document in which the Company furnishes you with important information to assist you in deciding whether to authorize the proxies to vote on your behalf.

3. What is the purpose of holding this Annual Meeting?

We are holding the Annual Meeting to elect directors and to ratify the selection of Deloitte & Touche, LLP as our independent registered public accountant. Our Nominating and Corporate Governance Committee has recommended the director nominees to our Board and our Board has nominated the director nominees. Our Audit Committee has approved the appointment of our independent registered public accountant and our Board has ratified such appointment. If any other matters requiring a stockholder vote properly come before the Annual Meeting, those stockholders present at the Annual Meeting and the proxies who have been appointed by our stockholders will vote as they think appropriate.

4. What is the difference between a stockholder of record and a stockholder who holds stock in street name?

(a) If your shares are registered in your name with our transfer agent, Wells Fargo Shareowner Services, you are a stockholder of record with respect to those shares. As a stockholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the meeting.

(b) If you are the beneficial owner of shares and your shares are held in street name, then they are held in the name of your brokerage firm, bank or other nominee. Your broker of record or bank, as the record holder of your shares, is required to vote those shares in accordance with your instructions. If you beneficially own shares in street name, these proxy materials are being forwarded to you together with a voting instruction card on behalf of your broker, trustee or nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee how to vote and you are also invited to attend the Annual Meeting. Your broker, trustee or nominee has enclosed or provided voting instructions for you to use in directing the broker, trustee or nominee how to vote your shares. Since a beneficial owner in street name is not the stockholder of record, you may not vote these shares in person at the

Annual Meeting unless you obtain a legal proxy from the broker, trustee or nominee that holds your shares, giving you the right to vote the shares at the Annual Meeting.

5. What is the record date and what does it mean?

The Record Date for the Annual Meeting is March 20, 2009. The Record Date is established by the Board as required by Delaware law. Owners of record of Common Stock at the close of business on the Record Date are entitled to:

- (a) receive notice of the Annual Meeting, and
- (b) vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

6. What different methods can I use to vote?

(a) *By Mail by sending in the Written Proxy Card.* If your shares are registered directly in your name as the holder of record, you may vote your shares by marking, signing, dating and mailing the proxy card in the postage paid envelope that we have provided. All stockholders of record can vote by this written proxy card.

(b) *By Instructing Your Bank or Broker.* If your shares are held in street name, only your broker, bank or other nominee can give a proxy with respect to your shares. You should receive a proxy card from your bank or broker, which you must return to have your shares voted. If you have not received a proxy card from your bank or broker, you may contact it directly to provide it with instructions on how you wish to vote.

(c) *In Person.* If you are a registered stockholder and attend the Annual Meeting, you may deliver your completed and signed proxy card in person. If your shares are held in street name, and you wish to vote in person at the Annual Meeting, you will need to obtain a legal proxy form from your broker or bank that holds your shares of record and you must bring that document to the Annual Meeting.

7. What is the effect of not voting?

It depends on how ownership of your shares is registered. If you own shares as a registered holder, rather than through a broker, your unvoted shares will not be represented at the Annual Meeting and will not count toward the quorum requirement. Assuming a quorum is obtained, your unvoted shares will not affect whether a proposal is approved or rejected. If you own shares through a broker and do not vote, your broker may represent your shares at the Annual Meeting for purposes of obtaining a quorum. The answer to the following question describes how your broker may or may not vote your shares if you do not provide your broker with voting instructions.

8. If I do not vote, will my broker vote for me and how will broker non-votes be counted?

If you own your shares through a broker and you do not vote, your broker may vote your shares in its discretion on some routine matters. However, with respect to other proposals, your broker may not vote your shares for you. With respect to these proposals, the aggregate number of unvoted shares is reported as broker non-votes. Broker non-vote shares are counted toward the quorum requirement but they do not affect the determination of whether a matter is approved. The proposals with respect to the election of directors and ratification of independent registered public accountant set forth in this proxy statement are both routine matters on which brokers will be permitted to vote unvoted shares.

9. How can I revoke or change my proxy?

You may revoke your proxy and change your vote at any time before the proxy has been exercised at the Annual Meeting. If you are a registered holder, your proxy can be revoked in several ways: (1) by timely delivery of a written revocation to the Company Secretary; (2) by submitting another valid proxy bearing a later date; or (3) by attending the Annual Meeting in person and giving the inspector of election notice that you intend to vote your shares in person. If your shares are held in street name by a broker, you must contact your broker in order to revoke your proxy, but generally, you may change your vote by submitting new voting instructions to your broker, trustee or

nominee, or, if you have obtained a legal proxy from your broker or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

10. Who counts the votes?

The Company has retained a representative of Wells Fargo Shareowner Services to serve as an independent tabulator to receive and tabulate the proxies and as an independent inspector of election to certify the results.

11. Who pays for this proxy solicitation?

The Company pays for this proxy solicitation. We use our transfer agent, its agents, and brokers to distribute all proxy materials to our stockholders. We will pay them a fee and reimburse any expenses they incur in making the distribution. Our directors, officers and employees may solicit proxies in person, by mail, telephone, facsimile transmission or electronically. No additional compensation will be paid to such directors, officers and employees for soliciting proxies.

12. What are my voting choices when voting for director nominees, and what vote is needed to elect the director nominees?

With regard to the election of directors, you may cast your vote in favor of or withhold your vote for each director nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect. In accordance with the Company's bylaws and Delaware law, the director nominees who receive a plurality of the votes cast by stockholders present or represented by proxy at the Annual Meeting, up to the number of directors to be elected, will be elected as directors of the Company.

The Board recommends a vote FOR each of the director nominees.

13. How can I obtain copies of the Company's annual report and other available information about the Company?

Stockholders may receive a copy of the Company's 2008 Annual Report on Form 10-K at no charge by sending a written request to Michael D. Cavalier, Company Secretary at Cinemark Holdings, Inc., 3900 Dallas Parkway, Suite 500, Plano, Texas 75093.

You can also visit our Web site at www.cinemark.com for free access to SEC filings, including our registration statement on Form S-1, annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and all amendments to these reports as soon as reasonably practicable after the reports are electronically filed with or furnished to the Securities and Exchange Commission (the **SEC**). The SEC maintains a Web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC. The address of the site is www.sec.gov. The Company's reports including corporate governance documents can also be accessed free of charge at the Company's Web site, www.cinemark.com.

14. What is the deadline to propose actions for consideration at next year's annual meeting of stockholders?

Stockholder Proxy Proposal Deadline: Stockholder proposals requested to be included in our proxy statement and form of proxy for our 2010 annual meeting must be in writing and received by us by November 25, 2009, provided that proposals are submitted by eligible stockholders who have complied with the relevant regulations of the SEC regarding stockholder proposals and our bylaws. A copy of our bylaws is available from the Company Secretary upon written request. Proposals should be directed to the Company Secretary at Cinemark Holdings, Inc., 3900 Dallas

Parkway, Suite 500, Plano, Texas 75093.

Stockholder Business-Annual Meeting Deadline: Stockholders who wish to introduce an item of business at the 2010 annual meeting of stockholders may do so in accordance with our bylaws. These procedures provide, generally, that stockholders desiring to bring a proper subject of business before an annual meeting, must do so by a written notice, timely received (between 90 and 120 days in advance of such annual meeting) by the Company Secretary. Any

notice of intent to introduce an item of business at an annual meeting of stockholders must contain the name and address of the stockholder and the name and address of the beneficial owner on whose behalf the proposal is made, a representation that the stockholder is a holder of record, the number of shares of Common Stock owned of record or beneficially by the stockholder and the beneficial owner on whose behalf the proposal is made, a description of all arrangements and understandings between the stockholder and the beneficial owners, if any, and that the stockholder intends to appear in person or by proxy at the annual meeting. Notice of an item of business must also include a brief description of the proposed business and any material interest of the stockholder in such business.

ITEM 1 ELECTION OF DIRECTORS

Our Board is currently comprised of ten members. The size of our Board may be fixed from time to time exclusively by our Board as provided in our Second Amended and Restated Certificate of Incorporation. Our Second Amended and Restated Certificate of Incorporation also provides that our Board consists of three classes of directors, designated as Class I, Class II and Class III, and the members of each class are elected to serve a three-year term, with the terms of office of each class ending in successive years. On April 9, 2007, immediately prior to our initial public offering, we entered into a director nomination agreement with certain stockholders permitting those certain stockholders to designate persons for appointment or nomination for election to the Board (the *Director Nomination Agreement*). Pursuant to the Director Nomination Agreement, Madison Dearborn Capital Partners IV, L.P. (*MDCP*), has the right to designate five nominees to the Board, the Mitchell Investors (as defined in the Director Nomination Agreement) have the right to designate two nominees to the Board, Syufy Enterprises, LP has the right to designate one nominee to the Board and the Quadrangle Investors (as defined in the Director Nomination Agreement) have the right to designate one nominee to the Board.

The term of the current Class II directors, Mr. Vahe A. Dombalagian, Mr. Peter R. Ezersky and Mr. Carlos M. Sepulveda, expire at this Annual Meeting.

MDCP has designated Mr. Dombalagian, the Quadrangle Investors have designated Mr. Ezersky and the Mitchell Investors have designated Mr. Sepulveda for election to the Board as Class II directors at the Annual Meeting. The Nomination and Corporate Governance Committee has recommended to the Board, and the Board has approved, the nomination of Messers. Dombalagian, Ezersky and Sepulveda for election to the Board at the Annual Meeting as Class II directors. Each of the Class II directors, if elected, will serve on the Board for a three-year term expiring on the date of our annual meeting of stockholders to be held in 2012.

Each nominee has consented to be named herein and to serve on the Board if elected. We have no reason to believe that any of the director nominees will be unable or unwilling to serve if elected. However, if any director nominee becomes unavailable or unwilling to serve before the election, your proxy card authorizes us to vote for a replacement nominee if the Board names one.

CORPORATE GOVERNANCE

General

We are governed by our directors who, in turn, appoint executive officers to manage our business operations. The Board oversees our executive management on your behalf. The Board reviews our long-term strategic plans and exercises oversight over all major decisions, such as acquisitions, the declaration of dividends, major capital expenditures and the establishment of Company policies.

Our Board has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee each of which is further described below. Based upon the review of the Nominating and Corporate Governance Committee, the Board has determined, in its business judgment, that (a) the majority of the Board is independent, (b) each of Messrs. Chereskin, Dombalagian, Ezersky, Rosenberg, Senior, Sepulveda, Soderquist, and Staubach is independent within the meaning of the rules of the New York Stock Exchange (the *NYSE*) director independence standards, as currently in effect, (c) each of Messrs. Ezersky, Rosenberg and Sepulveda meets all applicable requirements of the SEC and NYSE for membership in the Audit Committee and (d) Mr. Sepulveda is an audit committee financial expert as such term is defined in Item 407(d)(5)(ii) of Regulation S-K promulgated by the SEC and satisfies the NYSE's financial experience requirements. For purposes of Board membership, the Board affirmatively determined the independence of each member of the Board based on the independence standards of the NYSE. The bright-line tests for independence are whether the person:

1. is or has been within the last 3 years an employee of the Company or an immediate family member is, or has been within the last three years, an executive officer of the Company;
2. has received, or has an immediate family member who has received, during any 12 month period within the last 3 years, more than \$100,000 in direct compensation from the Company (other than director and committee fees and pension or other forms of deferred compensation for prior service, provided such compensation is not contingent in any way on continued service);
3. (a) is or an immediate family member is a current partner of a firm that is the Company's internal or external auditor; (b) is a current employee of such firm; (c) has an immediate family member who is a current employee of such firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (d) is

or an immediate family member was within the last 3 years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time;

4. is or an immediate family member is, or has been within the last 3 years, employed as an executive officer of another company where any of the Company's present executive officers at the same time serves or has served on that company's compensation committee; or

5. is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last 3 fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues.

Meetings

The Board held 5 meetings and took action by written consent on 6 occasions during the fiscal year ended December 31, 2008. Each director attended at least seventy-five percent (75%) of all meetings held by the Board and all meetings held by committees of the Board on which such director served.

All directors are strongly encouraged to attend the Annual Meeting, but we do not have a formal attendance requirement. All ten directors attended the 2008 annual meeting of stockholders held in May 2008.

Executive Sessions

Our non-management directors meet in executive sessions with no Company employees present as a part of each regularly scheduled Board meeting. The presiding director of these sessions is currently Mr. Donald Soderquist.

Communications with the Board

Any Company stockholder or other interested party who wishes to communicate with the non-management directors as a group may direct such communications by writing to the:

Company Secretary

The Company Secretary will prepare a periodic summary report of all such communications for the Board. Correspondence not forwarded to the Board will be retained by the Company and will be made available to any director upon request.

Second Amended and Restated Corporate Governance Guidelines

Audit Committee Charter

Amended and Restated Compensation Committee Charter

Nominating and Corporate Governance Committee Charter

The Company has also adopted a Code of Business Conduct and Ethics, which applies to directors, executive officers and employees. The Code of Business Conduct and Ethics sets forth the Company's policies on critical issues such as conflicts of interest, insider trading, protection of our property, business opportunities and proprietary information. Prompt disclosure to stockholders will be made regarding any waiver of the Code of Business Conduct and Ethics for executive officers and directors approved by our Board or any committee thereof. A copy of the Code of Business Conduct and Ethics will be sent without charge to any stockholder upon written request to the Company Secretary at 3900 Dallas Parkway, Suite 500, Plano, Texas 75093 and also may be viewed on our Web site at www.cinemark.com. We will post on our Web site any amendments or waivers to the Code of Business Conduct and Ethics.

BOARD COMMITTEES

The Board has three principal standing committees, namely, a Nominating and Corporate Governance Committee, an Audit Committee and a Compensation Committee. The composition and functions performed by each of the committees are described below:

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is composed of Messrs. Chereskin and Dombalagian. The Nominating and Corporate Governance Committee is governed by the Nominating and Corporate Governance Committee Charter setting forth the purpose and responsibilities of this committee. The Nominating and Corporate Governance Charter is available on our Web site at www.cinemark.com or in print without charge, to any stockholder who sends a request to the office of the Company Secretary at Cinemark Holdings, Inc., 3900 Dallas Parkway, Suite 500, Plano, Texas 75093. Subject to the rights of certain stockholders to nominate directors pursuant to the Director Nomination Agreement, the principal responsibilities of the Nominating and Corporate Governance Committee is to assist the Board in identifying individuals qualified to serve as members of the Board, make recommendations to the Board concerning committee appointments, develop and recommend to the Board a set of corporate governance principles for the Company and oversee the Board's annual self-evaluation process and the Board's evaluation of management.

Although the Board retains ultimate responsibility for approving candidates for election, the Nominating and Corporate Governance Committee conducts the initial screening and evaluation process. In doing so, the Nominating and Corporate Governance Committee considers candidates recommended by the directors, the Chief Executive Officer and the Company's stockholders. This Committee also has the authority, to the extent it deems appropriate, to retain one or more search firms to be used to identify director candidates.

To recommend a candidate for election to the Board for the 2010 annual meeting, a stockholder must submit the following information to the Company Secretary no later than 90 and no earlier than 120 days in advance of the anniversary date of this Annual Meeting:

the name and address of the stockholder and the beneficial owner on whose behalf the proposal is made;

a representation that the stockholder intends to appear in person or by proxy at the annual meeting;

a description of any arrangements or understandings between the stockholder, the beneficial owner and the director nominee or any other person (naming such person(s)) relating to the election of the nominee to the

Board;

the name and address of the stockholder's nominee for director;

the biographical and other information about the nominee (including the number of shares of capital stock of the Company owned beneficially or of record by the nominee) that would be required to be included in a proxy statement filed pursuant to the proxy rules of the SEC; and

the nominee's consent to be named as a nominee and to serve on the Board.

Candidates recommended by stockholders will be evaluated under the same process as candidates recommended by existing directors and the Chief Executive Officer.

As provided in the Company's Second Amended and Restated Corporate Governance Guidelines, director nominees will be selected based on, among other things, consideration of the following factors:

wisdom and integrity;

experience;

skills in understanding finance and marketing;

educational and professional background; and

sufficient time to devote to the affairs of the Company.

In considering whether to nominate directors who are eligible to stand for election or re-election, the Nominating and Corporate Governance Committee considers the director's personal and professional ethics, integrity, practical wisdom, judgment, training and experience at the policy-making level in business, government, education or technology, expertise that is useful to the Company and complementary to the background and experience of other Board members, willingness to devote required amount of time to carry out Board responsibilities, commitment to serve on the Board for several years to develop knowledge about the Company and willingness to represent the interest of all stockholders and objectively appraise management.

The Nominating and Corporate Governance Committee took action by written consent on one occasion during 2008.

The Audit Committee held five meetings and took action by written consent on two occasions during 2008.

Approval of Audit and Non-Audit Services

The Audit Committee approves all audit and permissible non-audit services (including the fees and terms of the services) performed for the Company by its independent registered public accountants prior to the time that those services are commenced. The Audit Committee may, when it deems appropriate, form and delegate this authority to a subcommittee consisting of one or more Audit Committee members, including the authority to grant pre-approvals of audit and permitted non-audit services. Audit Committee Report

During its March 10, 2009 meeting, the Audit Committee reviewed with Company management and Deloitte & Touche, LLP and the Company's disclosure committee the results of the 2008 audit. The Audit Committee reviewed the requirements of the Audit Committee Charter previously adopted and the reports required to be disclosed to the Audit Committee. The Audit Committee discussed with Deloitte & Touche, LLP the matters required to be discussed by Statement on Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as adopted by the Public Company Accounting Oversight Board. The Deloitte & Touche, LLP representatives reviewed the written disclosures required by the applicable requirements of the Public Company

Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee regarding independence and presented their Report on Auditor Independence to the Audit Committee. The Audit Committee has considered the level of non-audit services provided by Deloitte & Touche, LLP in consideration of auditor independence. As part of its deliberations, the Audit Committee determined that Deloitte & Touche, LLP was independent of the Company. The Audit Committee also discussed with management, the disclosure committee and Deloitte & Touche, LLP, the quality and adequacy of the Company's internal control over financial reporting and disclosure controls and procedures and internal audit organization, responsibilities, budget, staffing and identification of audit risks.

During its March 10, 2009 meeting, the Audit Committee also reviewed and discussed with management and Deloitte & Touche, LLP a draft of the Form 10-K and the audited financial statements for the year ended December 31, 2008 which had been provided to the Audit Committee in advance of the meeting. Management has the responsibility for the preparation of the financial statements and the reporting process, including the systems of internal control over financial reporting and disclosure controls and procedures. The external auditor is responsible

for examining the financial statements and expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America. Based on its review of all of the above and on discussions with management and the external auditor, the Audit Committee recommended to the Board that the Company's audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2008 for filing with the SEC.

Respectfully submitted,

The functions of the Compensation Committee are primarily to establish the Company's compensation policy, set base salaries of our executive officers and review, approve and administer (to the extent such authority is delegated to the Compensation Committee by the Board) the Company's bonus and long term equity incentive compensation plans for all eligible employees. In determining the compensation of our executive officers, the Compensation Committee has the authority under the Amended and Restated Compensation Committee Charter, to the extent it deems appropriate, to retain one or more consultants to assist in the evaluation of the Chief Executive Officer and executive compensation. The Compensation Committee also has the right to receive information it deems pertinent from management, employees, outside counsel and other advisers as the Compensation Committee may request. However, none of our executives are involved in the Compensation Committee's determination of their own compensation. In 2007, the Company engaged an outside compensation consultant, Longnecker & Associates, to review and make recommendations to our executive compensation program. Certain elements of our executive compensation for fiscal year 2008 have been developed, based in part, on such recommendations. The Compensation Committee has the authority to delegate any of its responsibilities to one or more sub-committees as the Compensation Committee may from time to time deem appropriate. The Compensation Committee reviewed and discussed the Compensation Discussion and Analysis contained in this proxy statement with our management and upon such review and discussion recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement.

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Goals and Objectives of Our Executive Compensation Program

The Compensation Committee is responsible for establishing the Company's compensation policy, setting base salaries for executive officers and reviewing and approving the Company's bonus plan and long term equity incentive compensation for all eligible employees. In so doing, the Compensation Committee has the responsibility to develop, implement, and manage compensation policies and programs that have the following goals:

enhance our long term competitive advantage and sustainable profitability, thereby contributing to the value of our stockholders' investment;

align the executives' and stockholders' interest;

attract, motivate, reward and retain high performance executives; and

support the Company's business strategy by defining specific business criteria and performance targets for executives and rewarding achievement of these targets

Components of Compensation

Our executive compensation program currently consists primarily of:

annual base salaries;

annual performance-based cash incentive payments; and

long term equity incentive compensation.

These elements of compensation promote the objectives of our compensation philosophy. Base salary provides minimum levels of compensation that help attract and retain qualified executives. Performance based bonuses reward achievements of specified business criteria and performance targets important to fulfilling the Company's strategic goals. Long term equity incentive compensation aligns an executive's compensation with the creation of long term stockholder value and assists in retaining qualified executives.

The Compensation Committee is responsible for:

determining the compensation for each of the named executive officers, and reviews, evaluates and oversees the Company's compensation program;

determining the compensation for the other executive officers and other senior officers it deems appropriate;

establishing certain business criteria and performance targets relevant to compensation for the Chief Executive Officer and other executive officers and evaluating their performance against such business criteria and performance targets; and

approving the grant of all equity based compensation.

In fulfilling these responsibilities, the Compensation Committee establishes the compensation of the Chief Executive Officer without management input, but may be assisted in this determination by outside compensation consultants. In establishing the compensation for the other executive officers, the Compensation Committee may consider the recommendations of the Chief Executive Officer and input received from a compensation consultant. The Compensation Committee advises the Board of its determination prior to implementation of annual bonus and equity based awards for the named executive officers and other executive officers it deems appropriate and may consider input provided by the Board. However, performance-based cash incentive compensation and long term equity incentive compensation are determined solely by the Compensation Committee.

The Chief Executive Officer conducts an annual review of the aggregate level of our executive compensation as part of our annual budget review and annual performance review which uses financial and non-financial criteria to measure our performance against internal goals and the performance of comparable companies in the theatrical exhibition industry. Annually, the Chief Executive Officer provides recommendations to the Compensation Committee for specific levels of base salary, target levels for annual performance-based cash incentive payments and long-term equity based compensation (other than for the Chief Executive Officer). Management also provides data with respect to the competitive market for executives and compensation levels provided by comparable companies, the compensation practices of companies in the theatrical exhibition industry and companies of comparable size and financial performance with whom we may compete for talent. In 2007, the Company management, with the approval of the Compensation Committee, engaged an outside compensation consultant, Longnecker & Associates, to review and make recommendations to our executive compensation program. The consultant is independent of management and provides data (including data provided by management) to the Compensation Committee for review and determination of compensation of individual executive officers. In 2008, as in previous years, management provided comparable compensation data from SEC filings for a peer group of companies, namely, AMC Entertainment, Inc., Regal Entertainment Group, Inc., Carmike Cinemas, Inc. and IMAX Corporation. Certain elements of our executive compensation program for 2008 were based in part on such recommendations. The Compensation Committee believes, based upon its experience and knowledge, that the executive compensation program discussed herein provides the best method to achieve our goal of attracting, retaining and motivating key executive personnel.

Base Salary

The Compensation Committee seeks to keep base salary competitive and to establish the minimum levels of compensation that helps attract and retain qualified executives. Base salaries for the Chief Executive Officer and the other executive officers are determined by the Compensation Committee based on a variety of factors including:

nature and responsibility of the position;

expertise of the individual executive;

competitiveness of the market for the executive's services;

potential for driving the Company's success in the future;

peer data;

the performance reviews and recommendations of the Chief Executive Officer (except in the case of his own compensation); and

other judgmental factors deemed relevant by the Compensation Committee such as recommendations of the compensation consultant.

The Compensation Committee has not adopted any formula with specific weightings assigned to any of the factors above. For the 2009 fiscal year, annual base salaries were reviewed during the fourth quarter of 2008. Following this review, for 2009, base salaries for our named executive officers increased 1% over their respective 2008 base salaries.

Annual Performance-Based Cash Incentive Compensation

In setting compensation, the Compensation Committee considers annual cash incentives based on Company performance to be an important tool in motivating and rewarding the performance of our executive officers. Performance-based cash incentive compensation is paid to our executive officers pursuant to our Cinemark Holdings, Inc. Performance Bonus Plan (the ***Bonus Plan***) to align executive pay with the financial performance of the Company. Under the Bonus Plan, during the first quarter of the fiscal year, the Compensation Committee establishes objective business criteria and performance factors for the Company for the fiscal year and based upon the performance of the Company during the fiscal year, the Compensation Committee awards cash bonuses to the Bonus Plan participants prior to the end of the first quarter of the following fiscal year. The objective of the Bonus Plan is to make cash bonus payments annually to individuals based on the achievement of specific objective annual performance factors or business criteria that contributes to the growth, profitability and increased value of the Company.

The bonus process for the named executive officers under the Bonus Plan involves the following steps:

(1) *Setting a Target Bonus.* During the first quarter of the fiscal year, the Compensation Committee approves the target bonus amount for each named executive officer. The target bonus amount may take into account all factors deemed relevant by the Compensation Committee, including recommendations from the chief executive officer (except for target bonus amounts for the Chief Executive Officer). The Compensation Committee also approves the maximum bonus that a named executive officer is entitled to receive. The maximum bonus amount will not exceed 200% of such named executive officer's annual base salary at the time the target bonus is determined.

(2) *Setting the Performance Factors.* During the first quarter of each fiscal year, the Compensation Committee establishes the performance factors for the Company and the executive officers. Performance factors may include by way of example but not limitation, any or all of the following: revenue; net sales; operating income; earnings before all or any of interest, taxes, depreciation and/or amortization (EBIT , EBITA , or EBITDA); Adjusted EBITDA; Adjusted EBITDA Margin; cash flow; working capital and components thereof; return on equity or average stockholder's equity; return on assets; market share; sales (net or gross) measured by product line, territory, customer(s), or other category; stock price; earnings per share; earnings from continuing operations; net worth; credit rating; levels of expense, cost or liability by category, operating unit or any other delineation; any increase or decrease of one or more of the foregoing over a specified period; or implementation or completion of critical projects. With respect to certain participants who are not named executive officers, these targets may also include such objective or

subjective performance goals as the Compensation Committee may, from time to time, establish.

(3) *Measuring Performance.* Prior to making any payments under the Bonus Plan, the Compensation Committee will certify whether the applicable performance factors were attained. In reaching its conclusions, the Compensation Committee will make certain adjustments as specified in the Bonus Plan. Such adjustments include but are not limited to issues such as changes in accounting principles, extraordinary, unusual or non-recurring events that were not included in the operating budget for the performance period (such as the disposition of a theatre or theatres or the cessation of operation of a theatre as a result of a natural disaster).

In March 2008, the Compensation Committee established performance criteria, performance targets and awards for our named executive officers for the 2008 fiscal year under the terms of the Bonus Plan. The 2008 awards provide for the payment of bonus compensation based on the achievement of Adjusted EBITDA financial metrics, which we believe reflect the effective implementation of the Company's business plan and objectives in a manner that will be beneficial to stockholders and to the long-term financial health and development of our business. Each performance target under the 2008 awards had a threshold, target and maximum level of payment opportunity. Messers. Mitchell and Stock had a target opportunity of 100% of their individual 2008 base salary and Messers. Warner, Copple and Cavalier had a target opportunity of 75% of their individual 2008 base salary. The threshold opportunity for each of Messers. Mitchell, Stock, Warner, Copple and Cavalier was 33.3%, with the maximum payment opportunity equal to 133.3%, of the individual's target opportunity. Each named executive officer was entitled to receive a ratable portion of his target bonus if we achieved Adjusted EBITDA within the specified parameters. The actual amount of bonuses paid, if any, may result in a bonus that is greater or less than the stated target (and could be zero) depending on whether, and to what extent, the applicable performance and other conditions are satisfied.

In February 2009, based on the Adjusted EBITDA target achieved by the Company, the Compensation Committee determined the cash incentive bonus for each of the named executive officers. The percentage at which the bonus was awarded was 107.6% of the target bonus for each named executive officer. The amount of the cash bonus paid on March 2, 2009, to each of Messers. Mitchell, Stock, Warner, Copple and Cavalier under the Bonus Plan for the 2008 fiscal year are as follows:

Name	Bonus Amount
Lee Roy Mitchell	\$ 855,241
Alan Stock	\$ 649,303
Tim Warner	\$ 356,837
Robert Copple	\$ 335,846
Michael Cavalier	\$ 272,875

Long Term Equity Incentive Compensation

We believe that long-term performance is achieved through an ownership culture that encourages such performance by our executive officers through the use of stock and stock-based awards and aligns the employee's interests with the interests of our stockholders. In addition, we believe we must be able to attract and retain highly qualified executive officers as leaders to ensure our success and that long term equity incentive compensation is a key factor to attract and retain such officers.

Our long term equity incentive compensation under the Amended and Restated Cinemark Holdings, Inc. 2006 Long Term Incentive Plan (the ***Restated Plan***), generally permits the Compensation Committee to grant, stock options, restricted stock awards, restricted stock units, performance awards or a mix of any such type of award. Pursuant to the Restated Plan, the grants of such equity awards are made before the end of the first quarter of the fiscal year and in 2008, the equity and performance based compensation awards were at a higher percentage of total compensation for the named executive officers compared to the other executive officers. These awards reward participants in slightly different ways as measured against increases in stockholder value. Stock options are issued with an exercise price equal to the fair market value of the Company's Common Stock on the date of grant. Accordingly, a recipient of stock options is rewarded only if the stock price increases after the dates of grant. Restricted shares, restricted stock units and performance awards are impacted by increases or decreases of stock price from the market price at the date of grant. Additionally, recipients of restricted stock awards are permitted to receive dividends on the restricted shares received to the extent dividends are paid by the Company on shares of its Common Stock and to vote such Common

Stock during the restriction period.

Restricted Stock. Restricted stock granted under the Restated Incentive Plan may be subject to time vesting or performance vesting requirements and may be subject to more than one vesting condition, as determined by the Compensation Committee. Annual grants of restricted stock units to the named executive officers may be based upon a percentage of such named executive's annual base salary. Any dividends that are attributable to the underlying Common Stock relating to the restricted stock unit will be payable to the recipient when the established

vesting conditions are satisfied. Periodic awards of restricted stock can be made at the discretion of the Compensation Committee to eligible employees. In 2008, we adopted a form of restricted stock agreement which serves to and our executives over the vesting period of the grant by conditioning delivery of the underlying shares on continued employment with the Company for the vesting period.

Performance Awards. Performance awards entitle recipients to vest in or acquire shares of Common Stock based upon the attainment of specified performance goals established by the Compensation Committee. Performance awards and performance goals shall be based on one or more pre-established objective criteria that specify the number of shares of Common Stock under the performance award that will be granted or will vest if the performance goal is attained. During the first quarter of a fiscal year, the Compensation Committee approves the performance goal for each performance award. Common stock or restricted stock units received upon attainment of the performance goals under a performance award may be subject to additional time-based vesting conditions. Any dividends that are attributable to the underlying Common Stock relating to a performance award will be payable to the recipient when the established vesting conditions are satisfied.

Based on the Compensation Committee's review of the Company's long term incentive policies, in 2008 we adopted a form of performance share agreement. The total number of performance shares that may be awarded is based on an implied equity value concept that determines an internal rate of return during a three fiscal year period (the *Performance Period*) based on a formula utilizing a multiple of adjusted EBITDA (subject to certain specified adjustments). Each performance target under the restricted stock unit awards will have a threshold, target and maximum level of payment opportunity, with the maximum payment opportunity equal to 150% of the individual's target opportunity based upon an internal rate of return during such three year period (*IRR*). The Compensation Committee believes the performance targets further link our executive officer's interests with those of our stockholders. The targets are established in writing by the Compensation Committee. The amount of shares an executive may receive on the vesting date cannot be determined at the date of grant because the payment of such compensation is contingent upon attainment of pre-established goals and the actual compensation to be paid to an executive officer may reflect the Compensation Committee's discretion to reduce the incentive compensation payable upon attainment of the performance goal.

The following table sets forth the various IRR percentages and the number of corresponding hypothetical shares underlying the restricted share unit awards to be made to eligible participants:

IRR	Performance Shares Issuable
IRR equal to 8.5% but less than 10.5%	33 1/3% of the maximum performance shares issuable

The shares each executive officer receives upon attainment of the specified performance targets are subject to further service based vesting for a period of one year beyond the calculation date. Restricted stock unit awards are eligible to receive dividend payments to the extent declared with respect to our Common Stock if and at the time the restricted stock unit awards become vested.

Perquisites

With limited exceptions, the Compensation Committee's policy is to provide benefits and perquisites to our named executive officers that are substantially the same as those offered to our other employees at or above the level of vice president. The benefits and perquisites that may be available in addition to those available to our other employees

include life insurance premiums and long term disability insurance.

401(k) Plan

We sponsor a defined contribution savings plan, or 401(k) Plan, whereby certain employees may elect to contribute, in whole percentages between 1% and 50% of such employee's compensation, provided no employee's

elective contribution shall exceed the amount permitted under Section 402(g) of the Code (\$15,500 for 2008, \$15,500 for 2007 and \$15,000 for 2006). We may make an annual discretionary matching contribution up to a maximum of 6% of the employee's annual contribution to the 401(k) Plan. In 2008, our annual discretionary matching contribution was 100% up to 3% and 75% for the remaining 3% of the employee's contribution. For plan years beginning in 2002, our discretionary matching contributions immediately vest.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussion, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference in our annual report on Form 10-K for the 2008 fiscal year, and the Board has approved the recommendation.

Respectfully submitted,

Summary of Compensation and Employment Agreements for our Named Executive Officers

In 2008, we entered into new employment agreements (the *New Employment Agreements*) with Lee Roy Mitchell, Alan W. Stock, Timothy Warner, Robert Copple and Michael Cavalier. Each of Messrs. Mitchell, Stock, Warner, Copple and Cavalier had an employment agreement with our principal subsidiary, Cinemark, Inc. which became effective as of March 12, 2004 (the *Original Employment Agreements*). The Old Employment Agreements were negotiated directly between the executives and MDP, and the forms of employment agreements were agreed upon in connection with the acquisition of 83% of our capital stock by MDP. In line with our compensation philosophy, the Company entered into the New Employment Agreements to more closely align our executives with market competitive compensation standards and agreements. In approving the New Employment Agreements, the Compensation Committee compared the employment agreements for similarly situated executives at Regal Entertainment Group, Inc., AMC Entertainment, Inc. and National CineMedia, Inc. The New Employment Agreements replace the Original Employment Agreements. A summary of each New Employment Agreement is below:

Lee Roy Mitchell

The initial term of the employment agreement is three years, ending on December 14, 2011, subject to an automatic extension for a one-year period, unless the employment agreement is terminated. Mr. Mitchell will receive a base salary of \$794,516 during 2008, which is subject to annual review for increase (but not decrease) each year by our Compensation Committee. In addition, Mr. Mitchell is eligible to receive an annual cash incentive bonus upon our meeting certain performance targets established by our Compensation Committee for the fiscal year. Mr. Mitchell qualifies for our 401(k) matching program and is also entitled to certain additional benefits including life insurance benefits of not less than \$5 million, disability benefits of not less than 66% of base salary, a luxury automobile and a membership at a country club.

The employment agreement provides for severance payments upon termination of his employment, the amount and nature of which depends upon the reason for the termination of employment. If Mr. Mitchell resigns for good reason (as defined in the agreement) or is terminated by us without cause, Mr. Mitchell will receive, in a lump sum, subject to applicable Section 409A requirements: accrued compensation (which includes base salary and a pro rata bonus)

through the date of termination; vacation pay and any vested equity awards and benefits such as retirement benefits, in accordance with the terms of the plan or agreement pursuant to which such equity awards or benefits were granted to Mr. Mitchell; an amount equal to Mr. Mitchell's annual base salary in effect as of the date of such termination and an amount equal to the most recent annual bonus he received prior to the date of termination payable within 30 days of the end of the current fiscal year. Mr. Mitchell and his dependants will also be entitled to continue to participate in the Company's welfare benefit plans and insurance programs for twelve (12) months from the termination date.

In the event Mr. Mitchell's employment is terminated due to his death or disability, Mr. Mitchell or his estate will receive, in a lump sum: accrued compensation (which includes base salary and a pro rata bonus) through the date of termination; vacation pay and any vested equity awards and benefits such as retirement benefits, in accordance with the terms of the plan or agreement pursuant to which such equity awards or benefits were granted to Mr. Mitchell; an amount equal to Mr. Mitchell's annual base salary in effect at the time of termination, provided, in the case of disability, such amount shall be offset by the amount of base salary paid by the Company to Mr. Mitchell or his representative following the date he was first unable to substantially perform his duties under his employment agreement through the date of termination and any benefits payable to Mr. Mitchell and/or his beneficiaries in accordance with the terms of any applicable benefit plan. Mr. Mitchell and/or his dependants will be entitled to continue to participate in the Company's welfare benefit plans and insurance programs for twelve (12) months from the termination date.

In the event Mr. Mitchell's employment is terminated by us for cause or under a voluntary termination (as defined in the agreement), Mr. Mitchell will receive accrued base salary through the date of termination and any previously vested rights under a stock option or similar incentive compensation plan in accordance with the terms of such plan.

Unless Mr. Mitchell's employment is terminated by us for cause or under a voluntary termination, Mr. Mitchell will also be entitled, for a period of five years, to tax preparation assistance upon termination of his employment. The employment agreement contains various covenants, including covenants related to confidentiality, non-competition (other than certain permitted activities as defined therein) and non-solicitation. Additional information on amounts payable had a termination for good reason, a change of control, death or disability occurred on December 31, 2008 may be found under the heading Potential Payments Upon Termination by us Without Cause or by Executive for Good Reason, Potential Payments Upon Termination due to Change of Control and Potential Payments Upon Death or Disability.

If Mr. Stock is terminated (other than for disability, death or cause) or resigns for good reason within one year after a change of control (as defined in the agreement), Mr. Stock will receive accrued compensation (which includes base salary and a pro rata bonus) through the date of termination, vacation pay and any vested equity awards and benefits such as retirement benefits, in accordance with the terms of the plan or agreement pursuant to which such equity awards or benefits were granted to Mr. Stock; a lump sum payment equal to two times his annual base salary as in effect at the time of termination plus an amount equal to one and a half times the most recent bonus received by Mr. Stock for the fiscal year ended prior to the date of termination; Mr. Stock and his dependants shall be entitled to continue to participate in the Company's welfare benefit plans and insurance programs on the same terms as similarly situated active employees for a period of thirty (30) months and any outstanding equity awards shall be fully vested and/or exercisable as of the date of termination and shall remain exercisable in accordance with the terms of the plan or arrangement pursuant to which such compensation awards were granted.

- (1) In 2008, the Compensation Committee recommended and the Board approved a discretionary bonus outside of the incentive bonus program for the 2007 fiscal year. The decision of the Compensation Committee and the Board was based in large part on the efforts made during 2007 to integrate Century Theatres into the Company, consummate the initial public offering of National CineMedia, Inc. and complete our initial public offering.
- (2) These amounts represent the portion of the fair value of the performance shares and restricted shares recognized as compensation expense during fiscal year 2008 in accordance with SFAS 123(R), Share Based Payment (*FAS 123R*) (disregarding estimate of forfeitures related to service based vesting conditions) and do not represent cash payments made to the individuals, amounts realized or amounts that may be realized. For FAS 123R purposes, the Company assumed the mid-point IRR for purposes of recording compensation expense over the vesting period. See Note 19 to the Company's Annual Report on Form 10-K for 2008, for details of the assumptions used in valuation of the restricted stock and performance shares. The actual value realized by the named executive officers with respect to the restricted share awards will depend on the market value of the Common Stock on the date the restricted stock is vested. The actual value realized by the named executive

officers with respect to the performance share awards will depend on the market value of the Common Stock on the date the restricted stock unit is vested which will be issued only upon achievement of certain performance targets.

- (3) These amounts represent the portion of the fair value of the options recognized as compensation expense during the fiscal years 2008, 2007 and 2006 for awards granted during 2004 based on the grant date fair value of the named executive officer's option awards in accordance with SFAS 123(R) and do not reflect cash payments

made to the applicable executive. During 2008, the Company reduced its estimated forfeiture rate based on actual cumulative stock option forfeitures and therefore recorded increased compensation expense on outstanding options during 2008. See Note 19 to the Company's Annual Report on Form 10-K for 2008, for details of the assumptions used in valuation of the options. The actual value realized by the named executive officers with respect to the option awards will depend on the difference between the market value of the Common Stock on the date the option is exercised and the exercise price.

- (4) Bonuses earned in a fiscal year are paid in March of the following year. The 2008 bonuses were earned under the Bonus Plan approved by the stockholders at the 2008 annual meeting and were paid on March 2, 2009. No bonuses were earned in 2007 under the incentive bonus program since the Company did not meet the minimum Adjusted EBITDA threshold established by our Board for fiscal 2007.
- (5) Represents an annual matching contribution to Mr. Mitchell's 401(k) savings plan (\$12,075 in 2008, \$11,813 in 2007 and \$11,550 in 2006), value of the use of a Company vehicle for one year (\$18,417 in 2008, \$10,250 for each of 2007 and 2006) and the dollar value of life insurance premiums and disability insurance paid by us for the benefit of Mr. Mitchell (\$100,145 in 2008, \$101,743 in 2007 and \$2,901 in 2006). No life insurance premium payments were made by us for Mr. Mitchell in 2006. Premium payments resumed in 2007.

- (1) In March 2008, the Compensation Committee established performance criteria, performance targets and awards for our named executive officers for the 2008 fiscal year under the terms of the Bonus Plan which was approved by the stockholders at the 2008 annual meeting. Each performance target under the 2008 awards has a threshold, target and maximum level of payment opportunity, with the target payment opportunity equal to 33.3% and the maximum payment opportunity equal to 133.3% of the individual's target bonus. The Compensation Committee approved the 2008 bonuses for the named executive officers on February 27, 2008 and the bonuses were paid on March 2, 2009. See the section on Compensation Discussion and Analysis for a description of the bonus process under the Bonus Plan for each named executive officer and the Summary Compensation Table for the actual bonus amounts paid to each named executive officer for the 2008 fiscal year.
- (2) In March 2008, the Compensation Committee approved performance awards in the form of restricted stock units for an aggregate maximum of 113,456 hypothetical shares of restricted stock to our named executive officers, except Mr. Mitchell, who, the Compensation Committee determined, had sufficient equity ownership to align his interests with the interests of the stockholders. Such grants were effective and the number of shares subject to each award was determined in part by reference to the closing price of the Common Stock on March 28, 2008 at \$12.89 per share. Such shares vest based on a combination of financial performance factors and continued service. The Performance Period for the 2008 restricted stock unit awards ends December 31, 2010. Each performance target under the restricted stock unit awards will have a threshold, target and maximum level of payment opportunity, with the maximum payment opportunity equal to 150% of the individual's target opportunity. If the IRR for the three year period is at least 8.5% (threshold), 33-1/3% of the maximum restricted stock units will vest. If the IRR for the three year period is at least 10.5% (target), 66-2/3% of the maximum

restricted stock units will vest. If the IRR for the three year period is at least 12.5% or greater (maximum), 100% of the maximum restricted stock units will vest. All payouts of restricted stock units that vest will be in the form of restricted stock that will vest if the participant continues to provide services through March 28, 2012 (the fourth anniversary of the grant date). The restricted stock unit awards granted with respect to the performance awards were made pursuant to the Restated Incentive Plan, contingent on stockholder approval. The Restated Incentive Plan was approved by the stockholders at the 2008 annual meeting. Restricted stock unit awards are eligible to receive dividend equivalent payments to the extent declared with respect to our Common Stock if and at the time the restricted stock unit awards become vested. The 2008 compensation expense for such shares for financial reporting purposes by the Company is included in the Summary Compensation Table in the column labeled "Stock Awards" and the valuation assumptions are referenced in Footnote of that table.

- (3) In March 2008, the Compensation Committee approved restricted share awards for an aggregate of 75,638 shares of restricted stock to our named executive officers, except Mr. Mitchell, under our Restated

Incentive Plan. Such grants were effective and the number of shares subject to each award was determined by reference to the closing price of the Common Stock on March 28, 2008 at \$12.89 per share. Such shares vest based on continued service as follows: 50% on March 28, 2010 and the remaining 50% on March 28, 2012. Dividends were paid on the restricted stock at the rate of \$0.18 per share. The dividend rate was the same as paid to other stockholders of the Company. The 2008 compensation expense for such shares for financial reporting purposes by the Company is included in the Summary Compensation Table in the column labeled "Stock Awards" and the valuation assumptions are referenced in Footnote of that table.

See Footnote 2 to Grants of Plan Based Awards Table.

Option Exercises

There were no option exercises by any of the named executive officers during fiscal year 2008. Additionally, no restricted stock or restricted stock units vested during the fiscal year 2008.

Potential Payments upon Termination by us Without Cause or by Executive for Good Reason

The employment agreements with the named executive officers will require us to provide compensation to named executive officers in the event of a termination of employment by us without cause or by the named executive officer for good reason. The amount of compensation payable to each named executive officer upon such termination is listed in the table below assuming such triggering event occurred on December 31, 2008.

	Salary	Bonus	Health Insurance	Life & Disability Insurance	Assistance	Value of Equity Awards	Total
	(1)	(2)	(3)	(3)	(4)	(5)	
Lee Roy Mitchell	\$ 1,589,032	\$ 913,241	\$ 4,929	\$ 100,145	\$ 86,500	\$	\$ 2,693,847

Timothy Warner	\$ 884,000	\$ 406,837	\$ 16,718	\$ 6,224	\$ 792	\$ 96,805	\$ 1,411,376
Robert Copple	\$ 832,000	\$ 380,846	\$ 19,834	\$ 9,720	\$ 792	\$ 91,107	\$ 1,334,299
Michael Cavalier	\$ 676,000	\$ 312,875	\$ 19,834	\$ 9,644	\$ 792	\$ 74,018	\$ 1,093,163

- (1) The amounts reported are calculated as follows: two times the annual base salary in effect as of December 31, 2008.
- (2) The amounts reported are calculated as follows: the sum of the annual bonus the executive would have received for the fiscal year ended December 31, 2008 and the annual bonus received by the executive for the fiscal year ended December 31, 2007. See Footnote 1 to Summary Compensation Table.
- (3) The amounts reported are calculated as follows: welfare benefit plans and insurance programs for a period of 12 months for Mr. Lee Roy Mitchell and 24 months for Messrs. Stock, Warner, Copple and Cavalier. Disability insurance includes premiums for long-term disability, individual disability income protection and short-term disability.
- (4) Lee Roy Mitchell is entitled to receive tax preparation assistance for five years following the date of termination. We estimate the cost of such preparation to be approximately \$17,300 per year for five years. Messrs Stock, Warner, Copple and Cavalier are entitled to use our office space for a period of three months following the date of termination. We estimate the amount to be approximately \$792 for the use of a 144 square foot office at a rental rate of approximately \$22 per square foot per annum.
- (5) The amounts reported have been determined based on the following provision in the respective employment agreements. Upon termination by us without cause or by the named executive officer for good reason, all outstanding options shall be vested and/or exercisable. The number of options that would have vested in each named executive officer on December 31, 2008 is as follows: 909,735 for Alan Stock, 909,735 for Tim Warner, 909,735 for Robert Copple and 591,327 for Michael Cavalier.

In addition, any outstanding equity award with time based vesting provisions shall be vested on a prorata basis. Any equity awards with performance based vesting provisions shall remain outstanding through the remainder of the applicable performance period (without regard to any continued employment requirement) and if or to the extent the performance provisions are attained shall become vested without regard to any continued employment requirement on a pro rata basis. The pro rata basis for the equity awards is based on the percentage determined by

dividing (i) the number of days from and including the grant date of such equity award through the termination date of the executive's employment, by (ii) the number of days from the grant date to the full vesting date/end of the applicable performance period, as applicable, of such equity awards. Based on the above provision, the total number of equity awards that would have vested in each named executive officer on December 31, 2008 is as follows: restricted stock 5,556 for Alan Stock, 3,257 for Tim Warner, 3,065 for Robert Copple and 2,490 for Michael Cavalier; and performance shares 16,670 for Alan Stock, 9,772 for Tim Warner, 9,197 for Robert Copple and 7,472 for Michael Cavalier. The number of performance shares that would vest has been determined based on the assumption that the maximum IRR would be achieved over the vesting period. See Grants of Plan-Based Awards Table and Outstanding Equity Awards at Fiscal Year End Table.

The values of the equity awards have been calculated on the basis of the closing price of our Common Stock on December 31, 2008 at \$7.43. The amounts reported do not include the value of options vested and exercisable at

December 31, 2008. The closing price of our Common Stock on December 31, 2008 (\$7.43) was less than the option exercise price of \$7.63 per share. Therefore, the options were not in the money at December 31, 2008 and consequently no value would have been realized by Messers. Stock, Warner, Copple and Cavalier upon exercise of all outstanding options following termination due to death or disability on December 31, 2008. Therefore, the values of the options have not been included in the amounts reported.

Potential Payments upon Termination for Cause

If a named executive officer terminates his employment voluntarily, or is terminated for cause, we are only required to pay such named executive officer any accrued unpaid base salary through the date of such termination.

Potential Payments upon Termination due to Change of Control

The employment agreements with the named executive officers will require us to provide compensation to named executive officers in the event of a termination of employment within one year of a change of control by us or by executive for good reason. There is no change of control provision in Mr. Mitchell's employment agreement. The amount of compensation payable to Messers. Stock, Warner, Copple and Cavalier upon such termination is listed in the table below assuming such triggering event occurred on December 31, 2008.

	Salary	Bonus	Health Insurance	Life & Disability Insurance	Assistance	Value of Accelerated Equity Awards	Total
	(1)	(2)	(3)	(3)	(4)	(5)	
Lee Roy Mitchell	\$	\$	\$	\$	\$	\$	\$
Alan W. Stock	\$ 1,206,400	\$ 736,303	\$ 24,793	\$ 9,238	\$ 792	\$ 543,259	\$ 2,520,784
Timothy Warner	\$ 884,000	\$ 431,837	\$ 20,898	\$ 7,780	\$ 792	\$ 318,465	\$ 1,663,772
Robert Copple	\$ 832,000	\$ 403,346	\$ 24,793	\$ 12,150	\$ 792	\$ 299,726	\$ 1,572,807
Michael Cavalier	\$ 676,000	\$ 332,875	\$ 24,793	\$ 12,055	\$ 792	\$ 243,518	\$ 1,290,033

- (1) The amounts reported are calculated as follows: two times the annual base salary in effect as of December 31, 2008.
- (2) The amounts reported are calculated as follows: the sum of the annual bonus the executive would have received for the fiscal year ended December 31, 2008 and one and a half times the annual bonus received by the executive for the fiscal year ended December 31, 2007. See Footnote 1 to Summary Compensation Table.
- (3) The amounts reported are calculated as follows: welfare benefit plans and insurance programs for 30 months for Messers. Stock, Warner, Copple and Cavalier. Disability insurance includes premiums for long-term disability, individual disability income protection and short-term disability.
- (4) Messers Stock, Warner, Copple and Cavalier are entitled to use our office space for three months following the date of termination. We estimate the amount to be approximately \$792 for the use of a 144 square foot office at a rental rate of approximately \$22 per square foot per annum.
- (5)

The amounts reported have been determined based on the following provision in the respective employment agreements. Upon termination due to change of control, any outstanding equity award granted to the executive shall be fully vested and exercisable and all restrictions lapse. Based on the above provision, the total number of equity awards that would have vested on an accelerated basis in each named executive officer on December 31, 2008 are as follows: restricted stock 29,247 for Alan Stock, 17,145 for Tim Warner, 16,136 for Robert Copple and 13,110 for Michael Cavalier; performance shares 43,870 for Alan Stock, 25,717 for Tim Warner, 24,204 for Robert Copple and 19,665 for Michael Cavalier; options 909,735 for Alan Stock, 909,735 for Tim Warner, 909,735 for Robert Copple and 591,327 for Michael Cavalier. The number of performance shares that would vest has been determined based on the assumption that the maximum IRR would be achieved over the vesting period. See Grants of Plan-Based Awards Table and Outstanding Equity Awards at Fiscal Year End Table.

The values of the equity awards have been calculated on the basis of the closing price of our Common Stock on December 31, 2008 at \$7.43. The reported amounts do not include the values of the vested and exercisable

options. See Footnote 5 to Potential Payments upon Termination by us Without Cause or by Executive for Good Reason Table.

Potential Payments upon Termination due to Death or Disability

The employment agreements with the named executive officers will require us to provide compensation to named executive officers in the event of a termination of employment as a result of the death or disability of such named executive officer. The amount of compensation payable to each named executive officer upon such termination is listed in the table below assuming such triggering event occurred on December 31, 2008.

	Salary (1)	Bonus (2)	Medical/ Dental (3)	Life & Disability Insurance (3)	Value of Equity Awards (4)	Total
Lee Roy Mitchell	\$ 794,516	\$ 855,241	\$ 4,929	\$ 100,145	\$	\$ 1,754,831
Alan W. Stock	\$ 603,200	\$ 649,303	\$ 9,917	\$ 3,695	\$ 43,458	\$ 1,309,573
Timothy Warner	\$ 442,000	\$ 356,837	\$ 8,359	\$ 3,112	\$ 25,477	\$ 835,785
Robert Copple	\$ 416,000	\$ 335,846	\$ 9,917	\$ 4,860	\$ 23,977	\$ 790,600
Michael Cavalier	\$ 338,000	\$ 272,875	\$ 9,917	\$ 4,822	\$ 19,481	\$ 645,095

- (1) The amounts reported are the annual base salary of each executive in effect as of December 31, 2008.
- (2) The amounts reported are the annual bonus each executive would have received for the fiscal year ended December 31, 2008. See Summary Compensation Table.
- (3) The amounts reported are calculated as follows: welfare benefit plans and insurance programs for a period of 12 months for Messrs. Mitchell, Stock, Warner, Copple and Cavalier. Disability insurance includes premiums for long-term disability, individual disability income protection and short-term disability.
- (4) Pursuant to the respective employment agreement of each named executive officer, upon termination due to death or disability, the executive or executive's estate or representative shall be entitled to receive any previously vested equity awards. Additionally, pursuant to the Restated Plan, upon death or disability, the lesser of, (a) an additional twenty percent (20%) of the shares of Common Stock covered by an individual option or restricted award and (b) the remaining amount of unvested shares of Common Stock covered by the option or restricted award shall become vested and exercisable. Pursuant to the above, the total number of equity awards that would have vested and be exercisable upon death or disability of each named executive officer would be as follows: restricted stock 5,849 for Alan Stock, 3,429 for Tim Warner, 3,227 for Robert Copple and 2,622 for Michael Cavalier; options 909,735 for Alan Stock, 909,735 for Tim Warner, 909,735 for Robert Copple and 591,327 for Michael Cavalier.

The values of the equity awards have been calculated on the basis of the closing price of our Common Stock on December 31, 2008 at \$7.43. The reported amounts do not include the values of the vested and exercisable options. See Footnote 5 to Potential Payments upon Termination by us Without Cause or by Executive for Good Reason Table.

Internal Revenue Code Section 162(m)

Section 162(m) of the Code, as amended disallows a tax deduction for any publicly held corporation for individual compensation exceeding \$1 million in any taxable year for certain senior executive officers, except for compensation that is performance-based under a plan that is approved by the stockholders and that meets certain other technical requirements. Section 162(m) will not prevent us from receiving a tax deduction in 2007 for any of the compensation paid to our named executive officers. While we consider the potential impact of Section 162(m) on our compensation decisions, we may approve compensation for an executive officer that does not meet the deductibility requirements of Section 162(m) in the future in order to maintain competitive compensation packages and attract talented leaders. The payment to Mr. Stock under the Profit Participation Agreement and termination thereof (See Certain Relationships and Related Party Transactions) is not subject to Section 162(m) deductibility limits by reason of certain transition rules applicable to newly public companies. We do not intend to enter into similar arrangements with any of our executive officers in the future.

Compensation of Directors

The following table sets forth certain information concerning the compensation of our directors for year ended December 31, 2008.

Steven P. Rosenberg	37,500	99,988	4,182	141,670

- (1) Fees earned by our non-employee directors pursuant to our Non-Employee Director Compensation Policy. Mr. Rosenberg's fees are prorated based on the date on which he was appointed to the Board.
- (2) Pursuant to our Non-Employee Director Compensation Policy, in April 2008, Mr. Rosenberg received a grant of 7,745 shares of restricted stock with a grant date fair value of \$99,988 and in June 2008, Messrs. Senior, Sepulveda, Staubach and Soderquist each received a grant of 7,656 shares of restricted stock with a grant date fair value of \$99,987. The amounts presented in the table are the dollar amounts recognized for financial statement reporting purposes with respect to fiscal 2008 in accordance with FAS 123R. Under FAS 123R, the grant date fair value of restricted shares is recognized ratably over the vesting period. See Footnote 19 to the Company's Annual Report on Form 10-K for 2008, for details of the assumptions used in valuation of the restricted stock.
- (3) The amounts reported are dividends paid on the shares of restricted stock held by our non-employee directors during fiscal 2008. See Security Ownership of Certain Beneficial Owners and Management.

In order to attract and retain qualified non-employee directors, the Company adopted a Non-Employee Director Compensation Policy in August 2007, by which non-employee directors are compensated for their service to the Company. Only those members of the Board who constitute non-employee directors are eligible to receive compensation under this Policy. Non-employee directors include any member of the Board who (i) is neither our employee nor an employee of any of our subsidiaries; and (ii) is not an employee of any of the Company's stockholders with contractual rights to nominate directors.

Each non-employee director receives the following annual compensation in connection with the service of such non-employee director as a member of the Board:

- (a) A base director retainer of \$50,000;
- (b) An additional retainer of \$20,000 if such non-employee director serves as the chairman of the Audit Committee;
- (c) An additional retainer of \$10,000 if such non-employee director serves as a member of the Audit Committee, other than the chairman of the Audit Committee;
- (d) An additional retainer of \$10,000 if such non-employee director serves as the chairman of the Compensation Committee;

(e) An additional retainer of \$5,000 if such non-employee director serves as a member of the Compensation Committee, other than the chairman of the Compensation Committee; and

(f) An additional retainer of \$5,000 if such non-employee director serves as a member of the Nominating and Corporate Governance Committee.

Annual compensation is paid in four equal quarterly installments at the beginning of each quarter for services rendered during the prior quarter. Additionally, on an annual basis the non-employee directors receive a grant of restricted shares of the Company's Common Stock valued at \$100,000. The number of restricted shares to be issued is determined by dividing \$100,000 by the fair market value of a share of Common Stock on the grant date, rounded down to the nearest whole share. The initial award and each annual award generally vest on the first anniversary of the date of the grant, subject to the non-employee director's continued service to the Company through the vesting dates. An employee director who ceases to be an employee, but who remains a director, will not receive an initial award or an annual award for any remaining term or renewal term of office during which such director does not qualify as an independent director under applicable SEC rules and NYSE listing standards. All grants of restricted shares will be made pursuant to the Company's long term equity incentive plan in effect at that time.

Members of our Board who are also officers or employees of our Company or employees of our stockholders with contractual rights to nominate directors do not receive compensation for their services as a director. All directors are reimbursed for expenses incurred for each board meeting which they attend.

Compensation Committee Interlocks and Insider Participation

None of our executive officers served as a member of the board of directors or the compensation committee of any entity that has one or more executive officers serving on our Board or on the Compensation Committee of our Board. Messrs. Chereskin and Dombalagian served as the members of our Compensation Committee during the last completed fiscal year.

The policy covers any related party transaction in which the amount involved exceeds \$120,000. Stockholders Sharing a Common Address

If you and other residents at your mailing address own Common Stock in street name, your broker or bank may have sent you a notice that your household will receive only one proxy statement for each company in which you hold stock through that broker or bank. Nevertheless, each stockholder will receive a separate proxy card. This practice, known as householding, is designed to reduce the Company's printing and postage costs. If you did not respond that you did not want to participate in householding, the broker or bank will assume that you have consented, and will send one copy of our proxy statement to your address. You may revoke your consent to householding by contacting your broker, if you hold Common Stock in street name, or the Company's Secretary, if you are the registered holder of the Common Stock. The revocation of your consent to householding will be effective 30 days following its receipt. Upon written or oral request to the Company's Secretary at the address or telephone number provided above, the Company will deliver promptly a separate copy of this proxy statement to a stockholder at a shared address to which a single copy of this proxy statement was delivered. By written or oral request to the same address (i) a stockholder may direct a notification to the Company that the stockholder wishes to receive a separate annual report or proxy statement in the future or (ii) stockholders who are sharing an address and who are receiving delivery of multiple copies of the Company's annual reports or proxy statements can request delivery of only a single copy of these documents to their shared address.
