ANNUAL MEETINGS OF SHAREHOLDERS

MAY 24, 2006

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Boards of Trustees of the Funds to be used at the Annual Meetings of Shareholders of the Funds to be held at the offices of the Funds at One Financial Center, Boston, Massachusetts, on May 24, 2006, at 10:00 a.m. Boston time and at any adjournments thereof (such meetings and any adjournments being referred to as the "Meeting").

The solicitation of proxies for use at the Meeting is being made primarily by the mailing on or about April 21, 2006, of the Notice of Annual Meetings of Shareholders, this Proxy Statement and the accompanying proxy cards. Supplementary solicitations may be made by mail, telephone, or personal interview by officers and Trustees of the Funds and officers, employees and agents of the Funds' investment advisor, Columbia Management Advisors, LLC ("Columbia Management" or the "Advisor"), and/or its affiliates. Columbia Management is located at One Financial Center, Boston, Massachusetts 02111-2621. Authorization to execute proxies may be obtained from shareholders through instructions transmitted by telephone or facsimile. The expenses incurred in connection with preparing this Proxy Statement and of the solicitation of proxies for the Meeting will be paid by the Funds. The Funds will reimburse brokerage firms and others for their expenses in forwarding solicitation material to the beneficial owners of shares.

The Meeting is being held to vote on the matters described below:

PROPOSAL 1. ELECTION OF TRUSTEES

INTRODUCTION

The Trustees, which oversee each Fund, provide broad supervision over the affairs of each Fund. Columbia Management is responsible for the investment management of each Fund's assets and for providing a variety of other administrative services to each Fund. The officers of each Fund are responsible for its operations.

The Trustees have fixed the number of Trustees of each Fund at eleven.

FUNDS WITH PREFERRED SHARES OUTSTANDING: (Colonial California Insured Municipal Fund; Colonial High Income Municipal Trust; Colonial Insured Municipal Fund; Colonial Investment Grade Municipal Trust; and Colonial Municipal Income Trust)

Under the provisions of each Fund's Declaration of Trust, the (i) Trustees who are elected by the common shares and the preferred shares voting together are divided into three classes, each having a term of three years and (ii) the Trustees who are elected by the preferred shares voting separately are divided into a single class, having a term of one year. Accordingly, the terms of the Trustees elected to the class whose term expires at the 2006 Meeting will be expiring at the 2006 Meeting and the shareholders of each Fund are being asked to consider electing Trustees to the class whose term expires at the 2009 Meeting. The holders of Municipal Auction Rate Cumulative Preferred ("Preferred Shares") are also being asked to consider electing two Trustees to one year terms expiring at the 2007 Meeting.

FUNDS WITHOUT PREFERRED SHARES OUTSTANDING: (Colonial Intermarket Income Trust I and Colonial Intermediate High Income Fund)

Under the provisions of each Fund's Declaration of Trust, the Trustees are divided into three classes, each having a term of three years. Accordingly, the terms of the Trustees previously elected to the class whose term expires at the 2006 Meeting will be expiring at the 2006 Meeting and the shareholders of each Fund are being asked to consider electing Trustees to the class whose term expires at the 2009 Meeting.

The members of the Governance Committee who are not interested persons of the Funds (as defined in the Investment Company Act of 1940, as amended ("1940 Act")), have recommended that the Trustees nominate for election by shareholders the nominees described in the following pages, and the Trustees have nominated such individuals. THE TRUSTEES RECOMMEND THAT YOU VOTE IN FAVOR OF THEIR ELECTION.

Each nominee has agreed to serve as a Trustee of each Fund if elected. If, before the Meeting, any nominee refuses or is unable to serve, or if any of the

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

nominees is unavailable at the time of the Meeting, and such refusal or inability to serve or unavailability is not anticipated, the Trustees may vote for other nominees at their discretion, or the Trustees may fix the number of Trustees at fewer than eleven for a Fund. Under the terms of each Fund's retirement policy, the Trustees have a mandatory retirement age of 72 years.

FOR INFORMATION REGARDING THE BOARD OF TRUSTEES AND OFFICERS OF YOUR FUND, SEE APPENDIX A TO THIS PROXY STATEMENT.

TRUSTEES' COMPENSATION

The members of each Fund's Board of Trustees also serve as Trustees on the boards for certain other registered investment companies advised by Columbia Management or its affiliates (the "Fund Complex", as such term is defined under applicable regulations promulgated under the 1940 Act). Two-thirds of the Trustees' fees are allocated among the funds within the Fund Complex supervised by these Trustees based on the relative net assets of each fund and one-third of the fees is divided equally among the funds within the Fund Complex supervised by these Trustees.

FOR MORE INFORMATION REGARDING THE COMPENSATION OF THE TRUSTEES, SEE APPENDIX B.1 AND APPENDIX B.2 TO THIS PROXY STATEMENT.

SHAREHOLDER COMMUNICATIONS

Shareholders may communicate with the Trustees as a group or individually. Any such communications should be sent to a Fund's Board or an individual Trustee in writing, c/o the Secretary of the Funds, One Financial Center, Mail Stop MA5-515-11-05, Boston, MA 02111-2621. The Secretary may determine not to forward any letter to the Board or a Trustee that does not relate to the business of a Fund.

TRUSTEE SHARE OWNERSHIP

The table in Appendix C shows, as of December 31, 2005, the dollar range of equity securities beneficially owned by each Trustee (i) in each of the Funds and (ii) in all funds overseen by the Trustee in the Fund Complex.

TRUSTEES' MEETINGS AND COMMITTEES

The Board of Trustees of each Fund (the "Board") is responsible for the overall management and supervision of that Fund's affairs and for protecting the interests of the Fund's shareholders. For the fiscal year ended November 30,

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

2005, the Funds held 7 meetings (5 regular Board meetings and 2 special Board meetings). Each of these Board meetings was held jointly with other various funds supervised by the Trustees. The Funds do not have a formal policy on Trustee attendance at the annual meetings of shareholders, but encourage such attendance. None of the Trustees attended the Funds' 2005 annual meetings.

8

The Boards of Trustees have created several committees to perform specific functions on behalf of the Funds. The members of each committee, along with a description of each committee's functions, appear below, followed by a table that sets forth the number of meetings held by the Boards and each committee during the last fiscal year.

1. AUDIT COMMITTEE

Ms. Verville and Messrs. Hacker, Stitzel and Woolworth are members of the Audit Committee of each Fund. Each Fund's Audit Committee is comprised of only "Independent Trustees" (as defined in the listing standards of the New York Stock Exchange ("NYSE") and the American Stock Exchange ("AMEX")), who are also not "interested persons" (as defined in the 1940 Act) of any Fund. Each member of the Audit Committee must be financially literate and at least one member must have prior accounting experience or related financial management expertise. The Boards have determined, in accordance with applicable regulations of the NYSE and AMEX, that each member of the Audit Committee is financially literate and has prior accounting experience or related financial management expertise.

On February 10, 2004, the Audit Committees adopted a revised written charter that sets forth the Audit Committee's structure, duties and powers, and methods of operation. A copy of the revised Audit Committee Charter was attached to the proxy statement relating to the Annual Meeting of Shareholders held on May 25, 2005. The Audit Committee serves as an independent and objective party to monitor the Funds' accounting policies, financial reporting and internal control systems and the work of the Funds' independent registered public accountant. The Audit Committee also serves to provide an open avenue of communication between a Fund's independent registered public accountants, Columbia Management Group, Inc.'s internal accounting staff and the Boards. The principal functions of the Audit Committee are to assist the Boards oversight of (1) the integrity of each Fund's financial statements, (2) each Fund's compliance with legal and regulatory requirements, (3) each Fund's independent registered public accountant's qualifications and independence, (4) the performance of the Advisor's internal audit function, and (5) each Fund's independent registered public accountant. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of each Fund's independent registered public accountant (including the resolution of disagreements between management and each Fund's independent registered public accountant regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other review or attest services for each Fund.

9

AUDIT COMMITTEE REPORT

At a meeting of the Audit Committees on January 23, 2006, the Audit Committees: (i) reviewed and discussed with management each Fund's audited financial statements for the most recently completed fiscal year and (ii) discussed with PricewaterhouseCoopers LLP ("PwC"), each Fund's independent registered public accountant, the matters required to be discussed by Statement on Auditing

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

Standards No. 61 and other professional standards and regulatory requirements. At a meeting of the Audit Committees on February 7, 2006, the Audit Committees obtained from PwC a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between PwC and the Funds that might bear on PwC's independence and discussed with PwC any relationships that may impact its objectivity and independence and satisfied itself as to PwC's independence. Based on its review and discussion, the Audit Committee recommended to each Board that the audited financial statements for each Fund be included in that Fund's Annual Report to shareholders.

Based on the recommendation from each Audit Committee and on its own review, each Board selected PwC as independent registered public accountant for each Fund for the fiscal year ending November 30, 2006. Representatives of PwC are not expected to be at the Meeting but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

Audit Committee Members: Ms. Verville
 Mr. Hacker
 Mr. Stitzel
 Mr. Woolworth

2. GOVERNANCE COMMITTEE

Messrs. Lowry, Mayer, Simpson and Theobald are members of the Governance Committee of each Fund. The Funds have no nominating or compensation committee. The Governance Committees perform certain of the functions typically performed by those committees. Among other things, the Governance Committee recommends to the Boards nominees for Trustee and nominees for appointment to various committees; performs periodic evaluations of the effectiveness of the Boards; reviews and recommends to the Boards policies and practices to be followed in carrying out the Trustees' duties and responsibilities; and reviews and makes recommendations to the

10

Boards regarding the compensation of the Trustees who are not affiliated with Columbia. On October 12, 2005 the Governance Committee adopted a written charter that sets forth the Governance Committee's structure, duties and powers, and methods of operation. A copy of the Governance Committee Charter is attached as Appendix F.

Three of the four Governance Committee members, Messrs. Lowry, Simpson and Theobald, who are "Independent Trustees" (as defined in the NYSE and AMEX listing standards) and are not "interested persons" (as defined in the 1940 Act) of any Fund ("Governance Committee Independent Trustees"), participate in the consideration and recommendation to the Boards regarding the nomination of Trustees. The Governance Committee Independent Trustees will consider candidates for Trustee identified by any reasonable source, including current Independent Trustees, Fund management, Fund shareholders and other persons or entities. Shareholders of a Fund who wish to nominate a candidate to a Fund's Board may send information regarding prospective candidates to the Governance Committee, in care of the relevant Fund, at One Financial Center, Boston, MA 02111-2621. The information should include evidence of the shareholders' Fund ownership, a

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is not an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards in relation to the Fund, and such other information as may be helpful to the Governance Committee Independent Trustees in evaluating the candidate. All satisfactorily completed information packages regarding a candidate will be forwarded to a member of the Governance Committee for consideration. The Governance Committee Independent Trustees will evaluate recommendations for candidates in light of whether the number of Trustees of a Fund is expected to be increased and anticipated vacancies. All nominations from Fund shareholders will be considered. There may be times when the Governance Committee is not recruiting new Board members. In that case, shareholder recommendations will be maintained on file pending the active recruitment of Trustees.

When considering candidates for Trustee, the Governance Committee Independent Trustees consider, among other things, whether prospective nominees have distinguished records in their primary careers, personal and professional integrity, and substantive knowledge in areas important to each Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets, or investment advice. For candidates to serve as Independent Trustees, independence from the Funds' investment advisor, its affiliates and other principal service providers is critical, as is an independent and questioning mind-set. In each case, the

11

Governance Committee Independent Trustees will evaluate whether a candidate is an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards. The Governance Committee Independent Trustees also consider whether a prospective candidate's workload would be consistent with regular attendance at Board meetings and would allow him or her to be available for service on Board committees, and devote the additional time and effort necessary to stay apprised of Board matters and the rapidly changing regulatory environment in which the Funds operate. Different substantive areas may assume greater or lesser significance at particular times, in light of each Board's present composition and its perceptions about future issues and needs.

The Governance Committee Independent Trustees initially evaluate prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Board would be contacted by a Governance Committee Independent Trustee by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more of the Governance Committee Independent Trustees would be arranged. If a Governance Committee Independent Trustee, based on the results of these contacts, believes he or she has identified a viable candidate, he or she would air the matter with the other Governance Committee Independent Trustees for input. Any request by Fund management to meet with the prospective candidate would be given appropriate consideration. The Funds have not paid a fee to third parties to assist in finding nominees.

3. ADVISORY FEES & EXPENSES COMMITTEE

Ms. Kelly and Messrs. Mayer, Nelson and Neuhauser are members of the Advisory Fees & Expenses Committee of each Fund. The Advisory Fees & Expenses Committee's functions include reviewing and making recommendations to the Boards as to contracts requiring approval of a majority of the disinterested Trustees and as to any other contracts that may be referred to the committee by the Boards.

4. COMPLIANCE COMMITTEE

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

Mmes. Kelly and Verville and Messrs. Nelson, Simpson and Stitzel are members of the Compliance Committee of each Fund. The Compliance Committee's functions include providing oversight of the monitoring processes and controls regarding the Fund. The Compliance Committee supervises legal, regulatory and internal rules, policies, procedures and standards other than those relating to accounting matters and oversight of

12

compliance by the Funds' investment advisor, principal underwriter and transfer agent.

AUDIT COMMITTEE PRE-APPROVAL OF INDEPENDENT ACCOUNTANT SERVICES

Each Fund's Audit Committee is required to pre-approve the engagement of each Fund's independent registered public accountant to provide audit and non-audit services to each Fund and non-audit services to Columbia Management (not including any subadvisor whose role is primarily portfolio management and is contracted with or overseen by another investment advisor) or any entity controlling, controlled by or under common control with Columbia Management that provides ongoing services to the Funds ("Columbia Affiliate"), if the engagement relates directly to the operations or financial reporting of the Funds. The engagement may be entered into pursuant to pre-approval policies and procedures established by the Audit Committee.

Each Fund's Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy (each, the "Policy") for the pre-approval of audit and non-audit services provided to each Fund and non-audit services provided to Columbia Management and Columbia Affiliates, if the engagement relates directly to the operations or financial reporting of the Funds. The Policy sets forth the procedures and conditions pursuant to which services to be performed by the Funds' independent registered public accountant are to be pre-approved. Unless a type of service receives general pre-approval under the Policy, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accountant.

The Policy provides for the general pre-approval by the Audit Committee of certain: (i) audit services to the Fund; (ii) audit-related services to the Fund; (iii) tax services to the Fund; (iv) other services to the Fund; and (v) Fund-related services to Columbia Affiliates. The Policy requires the

13

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

Fund Treasurer and/or Director of Trustee Administration to submit to the Audit Committee, at least annually, a schedule of the types of services that are subject to general pre-approval. The schedule(s) must provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fee caps for each instance of providing each service. At least annually, the Audit Committee will review and approve the types of services and review the projected fees for the next year, and may add to, or subtract from, the list of pre-approved services from time to time, based on subsequent determinations. In addition to the fees for each individual service, the Audit Committee has the authority to implement a fee cap on the aggregate amount of non-audit services provided to an individual Fund. The fee amounts listed on the schedules will be updated to the extent necessary at each of the other regularly scheduled meetings of the Audit Committee.

FEES PAID TO THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

The following table sets forth the aggregate fees billed by PwC for each Fund's last two fiscal years for professional services rendered for: (i) audit services, including the audit of each Fund's financial statements and services normally provided in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) audit-related services associated with the review of the Funds' semi-annual financial statements, and, for all Funds other than CIITI and CIHIF, procedures relating to reports required by rating agencies; (iii) tax services and, primarily, reviews of Fund tax returns; and (iv) other services.

All of the audit fees, audit-related fees, tax fees and other fees billed by PwC for services provided to the Funds in both the fiscal year ended November 30, 2004 and November 30, 2005 were pre-approved by the Audit Committee.

There were no amounts billed by PwC in either the fiscal year ended November 30, 2004 or November 30, 2005 for audit-related services, tax services or other services provided to Columbia Management or Columbia

* CIHIF recently changed its fiscal year. Accordingly, the 2004 fiscal year was only eleven months long.

The aggregate amount of fees paid for non-audit services billed to the Funds, Columbia Management and Columbia Affiliates was \$64,370 in the fiscal year ended November 30, 2004 and \$70,692 for the fiscal year ended November 30, 2005.

The Audit Committee has determined that the provision of the services described above is compatible with maintaining the independence of PwC.

MANAGEMENT

Columbia Management, located at One Financial Center, Boston, MA 02111, is each Fund's investment advisor and administrator. Columbia Management, a registered investment advisor, has been an investment advisor since 1969. Columbia Management is a wholly owned subsidiary of Columbia Management Group, Inc., ("CMG"), which is a wholly owned subsidiary of Bank of America Corporation. Bank of America is one of the world's largest financial institutions, serving individual consumers, small businesses and large corporations and institutions with a full range of

15

banking, investing, asset management and other financial and risk management products and services. CMG is located at One Financial Center, Boston, MA 02111.

LEGAL PROCEEDINGS

On February 9, 2005, Columbia Management Advisors, Inc. (which has since merged into Banc of America Capital Management, LLC (now named Columbia Management Advisors, LLC)) ("Columbia Management") and Columbia Funds Distributor, Inc. (which has been renamed Columbia Management Distributors, Inc.) (the "Distributor") (collectively, the "Columbia Group") entered into an Assurance of Discontinuance with the New York Attorney General ("NYAG") (the "NYAG Settlement") and consented to the entry of a cease-and-desist order by the Securities and Exchange Commission ("SEC") (the "SEC Order"). The SEC Order and the NYAG Settlement are referred to collectively as the "Settlements". The Settlements contain substantially the same terms and conditions as outlined in the agreements in principle which Columbia Group entered into with the SEC and NYAG in March 2004.

Under the terms of the SEC Order, the Columbia Group has agreed among other things, to: pay \$70 million in disgorgement and \$70 million in civil money penalties; cease and desist from violations of the antifraud provisions and certain other provisions of the federal securities laws; maintain certain compliance and ethics oversight structures; retain an independent consultant to

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

review the Columbia Group's applicable supervisory, compliance, control and other policies and procedures; and retain an independent distribution consultant (see below). The Columbia Funds have also voluntarily undertaken to implement certain governance measures designed to maintain the independence of their boards of trustees. The NYAG Settlement also, among other things, requires Columbia Management and its affiliates to reduce certain Columbia Funds (including the former Nations Funds) and other mutual funds management fees collectively by \$32 million per year for five years, for a projected total of \$160 million in management fee reductions.

Pursuant to the procedures set forth in the SEC order, the \$140 million in settlement amounts described above will be distributed in accordance with a distribution plan developed by an independent distribution consultant and agreed to by the staff of the SEC. The independent distribution consultant has been in consultation with the Staff, and has submitted a draft proposed plan of distribution, but has not yet submitted a final proposed plan of distribution.

16

These matters or any adverse publicity or other developments resulting from them may have an impact on the market price of Fund shares.

A copy of the SEC Order is available on the SEC website at <http://www.sec.gov>. A copy of the NYAG Settlement is available as part of the Bank of America Corporation Form 8-K filing on February 10, 2005.

In connection with the events described in detail above, various parties have filed suit against certain funds, the Trustees of the Columbia Funds, FleetBoston Financial Corporation and its affiliated entities and/or Bank of America and its affiliated entities.

On February 20, 2004, the Judicial Panel on Multidistrict Litigation transferred these cases and cases against several other mutual fund companies based on similar allegations to the United States District Court in Maryland for consolidated or coordinated pretrial proceedings (the "MDL").(1) Subsequently, additional related cases were transferred to the MDL. On September 29, 2004, the plaintiffs in the MDL filed amended and consolidated complaints. One of these amended complaints is a putative class action that includes claims under the federal securities laws and state common law, and that names Columbia, the Distributor, the Trustees of the Columbia Funds, Bank of America Corporation and others as defendants. Another of the amended complaints is a derivative action purportedly on behalf of the Columbia Funds that asserts claims under federal securities laws and state common law.

On February 25, 2005, Columbia Management and other defendants filed motions to dismiss the claims in the pending cases. On March 1, 2006, for reasons stated in the court's memoranda dated November 3, 2005, the U.S. District Court for the District of Maryland granted in part and denied in part the defendants' motions to dismiss. The court dismissed all of the class action claims pending against the Columbia Funds Trusts and the Columbia Acorn Trusts. As to Columbia, the Distributor and the Advisor, the claims under the Securities Act of 1933, the claims under Sections 34(b) and 36(a) of the Investment Company Act of 1940 (ICA) and the state law claims were dismissed. The claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 and claims under Sec-

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

- (1) The derivative cases purportedly brought on behalf of the Columbia Funds in the MDL have been consolidated under the lead case, *Slaybe, et al. v. Columbia Management Advisers, Inc. et al*, No. 04-CV-1768 (D. Md. Sept. 29, 2004). The fund derivative plaintiffs allege that the funds were harmed by market timing and late trading activity and seek, among other things, removal of the trustees of the funds, removal of Columbia Management and CFD, disgorgement of all management fees and monetary damages.

17

tion 36(b) of the ICA along with related claims under Section 48(a) of the ICA were not dismissed.

On March 21, 2005 purported class action plaintiffs filed suit in Massachusetts state court alleging that the conduct, including market timing, entitles Class B shareholders in certain Columbia funds to an exemption from contingent deferred sales charges upon early redemption ("the CDSC Lawsuit"). The CDSC Lawsuit has been removed to federal court in Massachusetts and the federal Judicial Panel has transferred the CDSC Lawsuit to the MDL.

The MDL is ongoing. Accordingly, an estimate of the financial impact of this litigation on any fund, if any, cannot currently be made.

In 2004, certain Columbia funds, the Trustees of the Columbia Funds, advisers and affiliated entities were named as defendants in certain purported shareholder class and derivative actions(2) making claims, including claims under the Investment Company and the Investment Advisers Acts of 1940 and state law. The suits allege, inter alia, that the fees and expenses paid by the funds are excessive and that the advisers and their affiliates inappropriately used fund assets to distribute the funds and for other improper purpose. On March 2, 2005, the actions were consolidated in the Massachusetts federal court as *In re Columbia Entities Litigation*. The plaintiffs filed a consolidated amended complaint on June 9, 2005. On November 30, 2005, the judge dismissed all claims by plaintiffs and ordered that the case be closed. The plaintiffs filed a notice of appeal on December 30, 2005 and this appeal is pending.

OTHER BUSINESS

The Meeting has been called to transact any business that properly comes before it. The only business that management of the Funds intends to present or knows that others will present is the election of Trustees. If any other matters properly come before the Meeting, and on all matters incidental to the conduct of the Meeting, the persons named as proxies intend to vote the proxies in accordance with their judgment, unless the Secretary of the Funds has previously received written contrary instructions from the shareholder entitled to vote the shares.

OUTSTANDING SHARES AND SIGNIFICANT SHAREHOLDERS

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

All shareholders of record at the close of business on March 10, 2006, are entitled to one vote for each share held on that date and holders of Common Shares are entitled to fractional votes for any fractional shares held on that date. The table in Appendix D lists for each Fund the total number of shares outstanding as of the close of business on March 10, 2006, for each class of a Fund's shares entitled to vote at the Meeting.

The table in Appendix E lists the holders of more than five percent of any class of shares of each Fund as of the close of business on March 10, 2006, based on filings made by such holders pursuant to Sections 13(d) and 16(a) of the Securities Exchange Act of 1934, as amended. The Trustees and officers of each Fund, in the aggregate, owned less than 1% of each Fund's outstanding shares as of March 10, 2006.

INFORMATION ABOUT THE MEETING AND THE VOTING AND TABULATION OF PROXIES

All proxies solicited by or on behalf of the Boards that are properly executed and returned in time to be voted at the Meeting will be voted at the Meeting as instructed on the proxy. If no instructions are given, the proxy will be voted in favor of the nominees for election as Trustees.

Any proxy may be revoked at any time prior to its being exercised by written notification received by the Funds' Secretary, by the execution of a later dated proxy, or by attending the Meeting and voting in person.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting (the "Tellers"). For each of CCAIME, CIMF and CMIT, 30% of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund. For each of CHIMT, CIGMT, CIHIF and CIITI, a majority of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund.

The election of Trustees is by a plurality of votes cast at the Meeting. Only shareholders of record on March 10, 2006 may vote.

In determining whether a quorum is present, the Tellers will count shares represented by proxies that reflect abstentions, and "broker non-votes," as shares that are present and entitled to vote. With respect to the election of Trustees, withheld authority, abstentions and broker non-votes have no

19

effect on the outcome of voting. "Broker non-votes" are shares held by brokers or nominees as to which (i) the broker or nominee does not have discretionary voting power, and (ii) the broker or nominee has not received instructions from the beneficial owner or other person who is entitled to instruct how the shares will be voted.

ADJOURNMENTS

In the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposals have not been received, the persons named as

Edgar Filing: COLONIAL INTERMEDIATE HIGH INCOME FUND - Form DEF 14A

proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting (including abstentions and broker non-votes) in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that entitle them to vote for any such proposal in favor of such adjournment and will vote those proxies that require them to vote for rejection of any such proposal against any such adjournment.

SUBMISSION OF PROPOSALS FROM SHAREHOLDERS AT FUTURE MEETINGS

Under the proxy rules of the SEC, shareholder proposals that meet tests contained in those rules may, under certain conditions, be included in a Fund's proxy materials for an annual shareholders' meeting. Under the proxy rules, proposals submitted for inclusion in the proxy materials for the 2007 Annual Meeting must be received by the relevant Fund on or before December 22, 2006. The fact that a Fund receives a shareholder proposal in a timely manner does not ensure inclusion of the proposal in the proxy materials since there are other requirements in the proxy rules relating to such inclusion.

Shareholders who wish to make a proposal at the 2007 Annual Meeting that will not be included in the Funds' proxy materials must notify the relevant Fund on or before March 7, 2007. If a shareholder who wishes to submit a proposal fails to timely notify the relevant Fund, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

You may submit shareholder proposals c/o the Secretary of the Funds, One Financial Center, Mail Stop MA5-515-11-05, Boston, Massachusetts 02111-2621.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Funds' Trustees and officers, persons who own more than ten percent of a Fund's outstanding shares and certain officers and directors of the Fund's advisor (collectively, "Section 16 reporting persons"), to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Fund shares. Section 16 reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16(a) forms that they file. To the Funds' knowledge, based solely on a review of the copies of such reports furnished to the Funds, and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them.
