Dear Stockholder:

The board of directors of 3Com Corporation, a Delaware corporation, has unanimously approved a merger agreement providing for the acquisition of 3Com by Diamond II Holdings, Inc., an entity formed by investment vehicles sponsored by Bain Capital Partners, LLC. If the merger contemplated by the merger agreement is completed, you will be entitled to receive \$5.30 in cash, without interest and less any applicable withholding tax, for each share of 3Com common stock owned by you immediately prior to completion of the merger (unless you have properly and validly perfected your statutory rights of appraisal with respect to the merger).

At a special meeting of our stockholders, you will be asked to consider and vote on a proposal to adopt the merger agreement. After careful consideration, our board of directors has unanimously approved the merger agreement, the merger and the other transactions contemplated by the merger agreement and determined that the merger is fair to and in the best interests of 3Com and its stockholders. **THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE PROPOSAL TO ADOPT THE MERGER AGREEMENT.**

The special meeting will be held on February 29, 2008, at 8:00 a.m. local time, at our headquarters, 350 Campus Drive, Marlborough, Massachusetts 01752-3064. Notice of the special meeting and the related proxy statement are enclosed.

The attached proxy statement provides you with detailed information about the special meeting, the merger agreement and the merger. A copy of the merger agreement is attached as Annex A to the proxy statement. We encourage you to read the entire proxy statement and the merger agreement carefully. You may also obtain more information about 3Com from documents we have filed with the Securities and Exchange Commission.

Your vote is very important regardless of the number of shares you own. We cannot complete the merger unless the holders of a majority of outstanding shares of common stock that are entitled to vote at the special meeting vote in favor of the proposal to adopt the merger agreement. The failure of any stockholder to vote on the proposal to adopt the merger agreement will have the same effect as a vote against the proposal to adopt the merger agreement.

Whether or not you plan to attend the special meeting, please complete, date, sign and return, as promptly as possible, the attached proxy in the accompanying reply envelope, or submit your proxy by telephone or the Internet. If you have Internet access, we encourage you to record your vote via the Internet. If you attend the special meeting and vote in person, your vote by ballot will revoke any proxy previously submitted. If you hold your shares through a broker or other nominee, you should follow the procedures provided by your broker or nominee.

Thank you in advance for your cooperation and continued support.

Sincerely,

Edgar Masri
President and Chief Executive Officer

Neither the Securities and Exchange Commission nor any state securities regulatory agency has approved or disapproved the merger, passed upon the merits or fairness of the merger or passed upon the adequacy or accuracy of the disclosure in this document. Any representation to the contrary is a criminal offense.

The proxy statement is dated January 24, 2008, and is first being mailed to stockholders on or about January 28, 2008.

To Be Held On February 29, 2008**

To the Stockholders of 3Com Corporation:

A special meeting of stockholders of 3Com Corporation, a Delaware corporation (the Company), will be held on February 29, 2008, at 8:00 a.m. local time, at the Company's headquarters, 350 Campus Drive, Marlborough, Massachusetts 01752-3064, for the following purposes:

1. Adoption of the Merger Agreement. To consider and vote on a proposal to adopt the Agreement and Plan of Merger (the Merger Agreement), dated as of September 28, 2007, by and among the Company, Diamond II Holdings, Inc., (Newco) and Diamond II Acquisition Corp., an indirect wholly-owned subsidiary of Newco (Merger Sub). A copy of the Merger Agreement is attached as Annex A to the attached proxy statement. Pursuant to the terms of the Merger Agreement, Merger Sub will merge with and into the Company (the Merger) and each outstanding share of the Company's common stock, par value \$0.01 per share (the Common Stock) (other than shares owned by Newco, Merger Sub or the Company, or by any direct or indirect wholly-owned subsidiary of Newco, Merger Sub or the Company, in each case immediately prior to the effective time of the Merger, and shares held by stockholders, if any, who have properly and validly perfected statutory rights of appraisal with respect to the Merger), will be converted into the right to receive \$5.30 in cash, without interest and less any applicable withholding tax.

2. Adjournment or Postponement of the Special Meeting. To approve the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the Merger Agreement.

Only stockholders of record of the Company's Common Stock as of the close of business on January 22, 2008 are entitled to notice of and to vote at the special meeting or at any adjournment or postponement of the special meeting. All stockholders of record are cordially invited to attend the special meeting in person.

Your vote is very important, regardless of the number of shares of Common Stock you own. Adoption of the Merger Agreement requires the affirmative vote of the holders of a majority of the shares of Common Stock outstanding on the record date of the special meeting. Even if you plan to attend the special meeting in person, we request that you complete, sign, date and return the enclosed proxy or submit your proxy by telephone or the Internet prior to the special meeting to ensure that your shares will be represented at the special meeting if you are unable to attend. If you sign, date and mail your proxy card without indicating how you wish to vote, your vote will be counted as a vote **FOR** the adoption of the Merger Agreement.

If you fail to vote by proxy or in person, the effect will be that your shares will not be counted for purposes of determining whether a quorum is present at the special meeting and, if a quorum is present, will have the same effect as a vote against the adoption of the Merger Agreement. If you are a stockholder of record, voting in person at the special meeting will revoke any proxy previously submitted. If you hold your shares through a bank, broker or other custodian, you must obtain a legal proxy from such custodian in order to vote in person at the special meeting. If your shares are held by a bank or broker, please bring to the special meeting your statement evidencing your beneficial ownership of Common Stock and photo identification.

Stockholders of the Company who do not vote in favor of the proposal to adopt the Merger Agreement will have the right to seek appraisal of the fair value of their shares of Common Stock if the Merger is completed, but only if they properly and validly perfect statutory rights of appraisal before the vote is taken on the Merger Agreement and comply with all requirements of Delaware law, which are summarized in the attached proxy statement.

SUMMARY

*The following summary highlights selected information in this proxy statement and may not contain all the information that may be important to you. Accordingly, we encourage you to read carefully this entire proxy statement, its annexes and the documents referred to or incorporated by reference in this proxy statement. Each item in this summary includes a page reference directing you to a more complete description of that topic. See *Where You Can Find More Information* beginning on page 73.*

Proposal

You are being asked to vote on a proposal to adopt the Agreement and Plan of Merger, dated September 28, 2007 (the Merger Agreement), by and among the Company, Diamond II Holdings, Inc. (Newco) and Diamond II Acquisition Corp. (Merger Sub). Pursuant to the Merger Agreement, Merger Sub will merge with and into 3Com and 3Com will be the surviving corporation and an indirect wholly-owned subsidiary of Newco (the Merger). In the event that there are not sufficient votes at the time of the special meeting to adopt the Merger Agreement, the stockholders may be asked to vote on a proposal to adjourn or postpone the special meeting to solicit additional proxies. See *The Special Meeting* beginning on page 16.

The Parties to the Merger (Page 15)

3Com is a Delaware corporation with its headquarters in Marlborough, Massachusetts. 3Com was incorporated in California on June 4, 1979 and reincorporated in Delaware on June 12, 1997. 3Com is a provider of secure, converged voice and data networking solutions for enterprises of all sizes. 3Com offers a broad line of products backed by world class sales, service and support, which excel at delivering business value for its customers. 3Com also includes H3C Technologies Co., Limited (H3C), a China-based provider of network infrastructure products that provides cost-effective product development. Through its TippingPoint division, 3Com is a provider of network-based intrusion prevention systems that deliver in-depth application protection, infrastructure protection and performance protection. 3Com is organized into three primary business groups: H3C, the data and voice business unit (DVBU) and TippingPoint.

Newco was formed in anticipation of the Merger by investment vehicles sponsored by Bain Capital Partners, LLC (Bain Capital). Newco was formed solely for the purpose of acquiring 3Com and has not engaged in any business except for activities incidental to its formation and as contemplated by the Merger Agreement. At the effective time of the Merger, Newco will be majority-owned and controlled by investment vehicles sponsored by Bain Capital. Bain Capital is part of Bain Capital, LLC, a U.S.-based, global private investment firm whose affiliates manage several pools of capital including private equity, venture capital public equity and leverage debt assets with more than \$65 billion in assets under management. Since its inception in 1984, Bain Capital has made private equity investments and add-on acquisitions in over 300 companies around the world, including numerous investments in the software and technology sectors such as Ameritrade, Applied Systems, Aspect Development, Chip PAC, DoubleClick, Epsilon Data Management, Experian, Gartner Group, Integrated Circuit Systems, MCI, NXP, SunGard Data Systems, U.S. Internetworking and UGS. At the effective time of the Merger, an affiliate of Huawei Technologies Co. Ltd.

(Huawei) will make a non-controlling, minority investment in Newco (the affiliate of Huawei together with Bain Capital, the Investors).

Upon completion of the transaction, Bain Capital will control 83.5% of the voting shares of 3Com s new parent company and affiliates of Huawei will control 16.5% of the voting shares. Bain Capital will have the right to appoint 8 of 11 members of the board and an affiliate of Huawei will have the right to appoint 3 of 11

Table of Contents

members of the board. Huawei will not have any other role in the management of Newco. Bain Capital and an affiliate of Huawei will enter into a shareholders' agreement, which provides customary shareholders' protections for Huawei's minority investment.

After completion of the transaction, Huawei may increase its equity interest in Newco by up to 5%, but no more, by earning warrants that would give Huawei or its affiliate the right to make additional cash investments in Newco if and only if Huawei purchases certain agreed amounts of products from H3C and 3Com under the OEM arrangements. Pursuant to these arrangements, Huawei could increase its ownership in Newco over time to a maximum of 21.5% by purchasing products and exercising warrants, but will not be able to reach this 21.5% equity ownership until 2011. The minority rights set forth in the shareholders' agreement, including the right to appoint board members, will not be increased if additional shares are acquired by virtue of the warrants.

Merger Sub was formed by investment vehicles sponsored by Bain Capital solely for the purpose of completing the proposed Merger. Merger Sub is an indirect, wholly-owned subsidiary of Newco and has not engaged in any business except for activities incidental to its formation and as contemplated by the Merger Agreement. Subject to the terms of the Merger Agreement, at the effective time, Merger Sub will merge with and into 3Com. Upon the consummation of the proposed Merger, Merger Sub will cease to exist, 3Com will continue as the Surviving Corporation and will become an indirect wholly-owned subsidiary of Newco.

The Merger (Page 19)

The Merger Agreement provides that Merger Sub will merge with and into 3Com. In the Merger, each outstanding share of 3Com common stock, par value \$0.01 per share (the "Common Stock") that is outstanding immediately prior to the effective time of the Merger, (other than shares owned by Newco, Merger Sub or 3Com, or by any direct or indirect wholly-owned subsidiary of Newco, Merger Sub or 3Com, and shares held by stockholders, if any, who have properly and validly perfected statutory rights of appraisal with respect to the Merger) will be converted into the right to receive \$5.30 in cash, without interest and less any applicable withholding tax, which we refer to in this proxy statement as the merger consideration.

Effects of the Merger (Page 48)

If the Merger is completed, you will be entitled to receive \$5.30 in cash, without interest and less any applicable withholding taxes, for each share of Common Stock that you own immediately prior to the completion of the Merger, unless you have properly and validly perfected your statutory rights of appraisal with respect to the Merger. As a result of the Merger, 3Com will cease to be an independent, publicly traded company. You will not own any shares of the Surviving Corporation and will not have any rights as a stockholder.

The Special Meeting (Page 16)

Time, Place and Date (Page 16)

The special meeting will be held on February 29, 2008 at 8:00 a.m. local time, at the Company's headquarters, 350 Campus Drive, Marlborough, Massachusetts 01752-3064.

Purpose (Page 16)

You will be asked to consider and vote upon a proposal to adopt the Merger Agreement, pursuant to which Merger Sub will merge with and into the Company.

Record Date and Quorum (Page 16)

You are entitled to vote at the special meeting if you owned shares of Common Stock at the close of business on January 22, 2008 the record date for the special meeting. You will have one vote for each share of Common Stock that you owned as of the close of business on the record date. As of the close of business on the record date, there were 402,388,726 shares of Common Stock outstanding and entitled to vote. A majority of the shares of Common Stock issued and outstanding on the record date represented at the special meeting in person or by a duly authorized and properly completed proxy constitutes a quorum for the purpose of considering the proposals.

Table of Contents

Vote Required (Page 16)

Completion of the Merger requires the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of shares of Common Stock outstanding on the record date for special meeting. **Failure to vote your shares of Common Stock by proxy or in person or an abstention will have the same effect as voting against approval of the Merger Agreement.** Approval of the proposal to adjourn or postpone the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies requires the affirmative vote of a majority of the votes cast by the holders of all Common Stock present in person or represented by proxy at the special meeting and entitled to vote on the matter. Failure to vote your shares of our Common Stock or an abstention will have no effect on the approval of the proposal to adjourn or postpone the special meeting.

Common Stock Ownership of Directors and Executive Officers (Page 16)

As of the close of business on the record date, the directors and executive officers of 3Com held in the aggregate approximately 0.70% of the shares of Common Stock entitled to be voted at the special meeting. In the aggregate, these shares represent approximately 1.4% of the votes necessary to approve the proposal to adopt the Merger Agreement at the special meeting.

Voting and Proxies (Page 16)

Any stockholder of record entitled to vote at the special meeting may submit a proxy by telephone, the Internet, by returning the enclosed proxy card by mail, or by voting in person by appearing at the special meeting. If your shares of Common Stock are held in street name by your broker, you should instruct your broker on how to vote your shares of Common Stock using the instructions provided by your broker. If you do not provide your broker with instructions, your shares of Common Stock will not be voted and that will have the same effect as a vote **AGAINST** the proposal to adopt the Merger Agreement. The persons named in the attached proxy will also have discretionary authority to vote on any proposals to adjourn or postpone the special meeting.

Revocability of Proxy (Page 17)

Any stockholder of record who executes and returns a proxy card (or submits a proxy via telephone or the Internet) may revoke the proxy at any time before it is voted at the special meeting in any one of the following ways:

by notifying our Secretary, Neal D. Goldman, at 350 Campus Drive, Marlborough, Massachusetts 01752-3064;

by attending the special meeting and voting in person (your attendance at the special meeting will not, by itself, revoke your proxy; you must vote in person at the special meeting);

by submitting a later-dated proxy card; or

if you voted by telephone or the Internet, by voting a second time by telephone or Internet.

If you hold your shares through a broker, bank or other nominee and you have instructed a broker, bank or other nominee to vote your shares of Common Stock, follow the directions received from your broker, bank or other nominee to change your vote.

Treatment of Options and Other Awards (Page 49)

Stock Options. Immediately prior to the effective time of the Merger, except as otherwise agreed to by the holder and Newco, all outstanding options to purchase Common Stock under the Company's equity incentive plans will become fully vested. All such options not exercised prior to the Merger will be cancelled and converted into the right to receive a cash payment equal to the number of shares of Common Stock underlying the options multiplied by the amount (if any) by which \$5.30 exceeds the exercise price, without interest and less any applicable withholding taxes.

Table of Contents

Restricted Stock. Immediately prior to the effective time of the Merger, except as otherwise agreed by a holder and Newco, all shares of restricted stock will vest and those shares will be cancelled and converted into the right to receive a cash payment equal to the number of shares of restricted stock multiplied by \$5.30, without interest and less any applicable withholding taxes.

Restricted Stock Units. Immediately prior to the effective time of the Merger, except as otherwise agreed by a holder and Newco, all restricted stock units will vest and settle through the issuance of shares of Common Stock and thereafter be treated in the same manner as restricted stock.

Employee Stock Purchase Plan. Prior to the consummation of the Merger, the then-current offering period under our Employee Stock Purchase Plan will be terminated and all funds in each participant's account will be applied toward the purchase of shares of Common Stock on the terms and conditions set forth under our Employee Stock Purchase Plan. Thereafter, those shares will be entitled to receive the merger consideration on the same basis as other shares of Common Stock. All amounts withheld by us on behalf of participants in our Employee Stock Purchase Plan that have not been used to purchase Common Stock prior to the effective time of the Merger will be returned to the participants without interest pursuant to the terms of our Employee Stock Purchase Plan.

Recommendation of Our Board of Directors (Page 26)

Our board of directors, at a meeting duly called and held at which all directors were present, unanimously (i) determined that the terms of the Merger are fair and in the best interests of the Company and its stockholders and declared it advisable to enter into the Merger Agreement providing for the merger of Merger Sub with and into the Company, in accordance with the Delaware General Corporation Law (DGCL), upon the terms and subject to the conditions set forth in the Merger Agreement, (ii) approved the execution, delivery and performance of the Merger Agreement and the consummation of the transactions contemplated thereby, in accordance with the DGCL, upon the terms and conditions contained in the Merger Agreement and (iii) resolved to recommend that the stockholders of the Company adopt the Merger Agreement, in accordance with the applicable provisions of the DGCL. **The board of directors unanimously recommends that our stockholders vote FOR the proposal to adopt the Merger Agreement and FOR the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies.**

In reaching its decision, our board of directors evaluated a variety of business, financial and market factors and consulted with our management team and legal and financial advisors. See The Merger Reasons for the Merger; Recommendation of Our Board of Directors beginning on page 26.

Interests of the Company's Directors and Executive Officers in the Merger (Page 39)

In considering the recommendation of the board of directors, you should be aware that our directors and executive officers may have interests in the Merger that are different from, or in addition to, your interests as a stockholder and that may present actual or potential conflicts of interest, including the following:

our directors and executive officers will receive cash consideration for their vested and unvested stock options, restricted stock and restricted stock units in connection with the Merger;

each of our current executive officers is a party to a management retention agreement (or with respect to Mr. Masri, his employment agreement) that provides certain severance payments and benefits in the case of the executive officer's termination of employment under certain circumstances following a change of control;

the Merger Agreement provides for indemnification arrangements for each of our current and former directors and executive officers that will continue for six (6) years following the effective time of the Merger as well as insurance coverage covering such director or executive officer's service to the Company as a director or executive officer; and

although no agreements have been entered into as of the date of this proxy statement, it is expected that a number of our executive officers will remain after the Merger is completed and such executive

Table of Contents

officers may enter into new arrangements with the Investors or their affiliates regarding employment with the Surviving Corporation or the right to purchase or participate in the equity of the Surviving Corporation.

The board of directors was aware of these potential conflicts of interest and considered them, among other matters, in reaching its decision to approve the Merger Agreement and the Merger and the recommendation that our stockholders vote in favor of the proposal to adopt the Merger Agreement.

Opinion of Goldman, Sachs & Co. (Page 28)

Our board of directors considered the financial analyses and opinion of Goldman, Sachs & Co. (Goldman Sachs), delivered orally to our board of directors and subsequently confirmed in writing, to the effect that, as of September 28, 2007, and based upon and subject to the factors and assumptions set forth therein, the \$5.30 per share in cash to be received by the holders of shares of Common Stock pursuant to the Merger Agreement was fair from a financial point of view to such holders. The full text of the written opinion of Goldman Sachs, dated September 28, 2007, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B and is incorporated in this proxy statement by reference.

Goldman Sachs provided its opinion for the information and assistance of our board of directors in connection with its consideration of the Merger. The Goldman Sachs opinion does not constitute a recommendation as to how any holder of shares of Common Stock should vote with respect to the adoption of the Merger Agreement or any other matter. Pursuant to an engagement letter between 3Com and Goldman Sachs, 3Com has agreed to pay Goldman Sachs a transaction fee equal to approximately \$24 million, the principal portion of which is payable upon completion of the Merger.

Financing (Page 36)

The aggregate amount of funds necessary to complete the Merger is anticipated to be approximately \$2.54 billion. These payments are expected to be funded by Newco and Merger Sub with a combination of equity contributions by the Investors, debt financing obtained by Merger Sub and made available to certain newly formed wholly-owned subsidiaries of Newco, and, to the extent available, cash of 3Com. Newco and Merger Sub have obtained equity and debt financing commitments described below in connection with the transactions contemplated by the Merger Agreement.

Merger Sub has obtained debt financing commitments of up to an aggregate of \$1.2 billion consisting of (i) commitments from Citibank N.A., Hong Kong Branch, UBS AG, Singapore Branch, The Hongkong and Shanghai Banking Corporation Limited, ABN Amro Bank N.V., Bank of China (Hong Kong) Limited, China Development Bank and WestLB AG Hong Kong Branch to provide debt financing in the form of senior secured facilities consisting of (A) a term loan facility in the aggregate principal amount of up to \$750 million and (B) a revolving facility in an aggregate principal amount of \$50 million and (ii) commitments from UBS AG, Singapore Branch, Citibank, N.A. and The Hongkong and Shanghai Banking Corporation Limited to provide debt financing in the form of a bridge loan facility in an aggregate principal amount of \$400 million.

Regulatory Approvals (Page 46)

Under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), and the rules promulgated thereunder by the Federal Trade Commission (FTC), provides that transactions such as the Merger may not be completed until notification and report forms have been filed with the FTC and the Antitrust Division of the Department of Justice (DOJ) and the applicable waiting period has expired or been terminated. 3Com and Newco filed notification and report forms under the HSR Act with the FTC and the Antitrust Division of the DOJ, and the applicable waiting period has expired.

The Merger is also subject to review by the governmental authorities of various other jurisdictions under the antitrust laws of those jurisdictions. In all of those jurisdictions, the necessary approvals have been obtained or the applicable waiting period has expired without any objections being raised by the governmental authorities.

Table of Contents

The parties have made a joint voluntary filing of the transaction with the Committee on Foreign Investment in the United States (CFIUS). The parties are working closely with CFIUS to provide U.S. officials with information about the transaction.

Except for these filings and the filing of a certificate of merger in Delaware at or before the effective date of the Merger, we are unaware of any material federal, state or foreign regulatory requirements or approvals required for the execution of the Merger Agreement or completion of the Merger.

Procedure for Receiving Merger Consideration (Page 50)

Promptly following the effective time of the Merger, a payment agent will mail a letter of transmittal and instructions to you and the other 3Com stockholders. The letter of transmittal will tell you how to surrender your stock certificates in exchange for the merger consideration. **You should not return your stock certificates with the proxy card, and you should return your stock certificates with the letter of transmittal.**

Material United States Federal Income Tax Consequences (Page 45)

The exchange of shares of Common Stock for cash pursuant to the Merger Agreement generally will be a taxable transaction for U.S. federal income tax purposes. Stockholders who exchange their shares of Common Stock in the Merger will generally recognize gain or loss in an amount equal to the difference, if any, between the cash received in the Merger and their adjusted tax basis in their shares of Common Stock surrendered. Because individual circumstances may differ, we urge you to consult your tax advisor for a complete analysis of the effect of the Merger on your federal, state and local and/or foreign taxes.

Conditions to the Merger (Page 57)

Before we can complete the Merger, a number of conditions must be satisfied. These include:

the adoption of the Merger Agreement by our stockholders;

the expiration or termination of the waiting periods under the HSR Act and the antitrust laws of various other jurisdictions;

the absence of laws, governmental judgments or orders that have the effect of enjoining or otherwise prohibiting the consummation of the Merger;

performance by each of the parties of material obligations under the Merger Agreement in all material respects;

the accuracy of the representations and warranties of each of the parties to the Merger Agreement, subject to the materiality standards set forth in the Merger Agreement and described in The Merger Agreement Conditions to the Merger beginning on page 57;

the delivery of closing certificates by each of the parties with respect to the satisfaction of the conditions relating to its representations and warranties and material obligations; and

the absence of an event or occurrence following the execution of the Merger Agreement that is continuing that has had or is reasonably expected to have a Material Adverse Effect.

Restrictions on Solicitations of Other Offers (Page 58)

The Merger Agreement restricts our ability to solicit, engage in or encourage discussions or negotiations with a third party regarding specified transactions regarding the Company and to provide information about the Company to any third party. Notwithstanding these restrictions, under certain limited circumstances required for our board to comply with its fiduciary duties, our board may respond to a bona fide unsolicited alternative acquisition proposal or terminate the Merger Agreement and enter into an agreement with respect to a superior proposal after paying a termination fee.

Termination of the Merger Agreement (Page 60)

The Merger Agreement may be terminated at any time prior to the consummation of the Merger, whether before or after stockholder approval has been obtained:

By mutual agreement of 3Com and Newco;

By either 3Com or Newco if:

the Merger is not consummated by April 28, 2008 (the Termination Date), provided that the terminating party has not taken any action or failed to take any action in breach of the Merger Agreement which was the principal cause of or resulted in the failure of any of the conditions of the Merger to be satisfied by such date;

a final, non-appealable law, governmental judgments or order has been enacted, issued, promulgated or granted and is in effect that prohibits or enjoins or otherwise prevents the consummation of the Merger and the terminating party has used reasonable best efforts to appeal such order, is not in breach of the Merger Agreement and has not taken or failed to take any action in breach of the Merger Agreement that was the principal cause of, or resulted in, the passage of such law or issuance of such order;

our stockholders do not adopt the Merger Agreement at the special meeting or any adjournment or postponement thereof, provided that the Company may not terminate the Merger Agreement if it has materially violated its obligations under certain provisions of the Merger Agreement as described more fully in The Merger Agreement Termination of the Merger Agreement beginning on page 60; and

there is a breach or violation by the non-terminating party of any covenant, agreement or obligations or an inaccuracy of any of the non-terminating parties representations or warranties set forth in the Merger Agreement such that the closing conditions would not be satisfied on the Termination Date and the terminating party is not itself in breach of its representations, warranties, covenants or agreements such that the closing conditions would not be satisfied;

By Newco if our board of directors withdraws or adversely modifies its recommendation or approval of the Merger Agreement; within five (5) business days of the commencement of a tender offer that constitutes an acquisition proposal, the board fails to publicly reaffirm the recommendation and recommend that the stockholders vote against such acquisition proposal and not tender any shares in such tender or exchange offer; fails to hold the stockholder meeting within thirty (30) days of the mailing of this proxy statement; or fails to reconfirm the recommendation within the time frames and under the circumstances described in the Merger Agreement; and

By 3Com if all of the conditions to the obligations of Newco and Merger Sub to consummate the Merger have been satisfied or waived, but Newco and Merger Sub have breached their obligations to cause the Merger to be consummated.

The Merger Agreement may also be terminated by 3Com prior to the special meeting in order to enter into a definitive agreement for a superior proposal, provided that 3Com subsequently pay Newco a termination fee, as described in further detail in The Merger Agreement Recommendation Withdrawal/Termination in Connection with a Superior Proposal beginning on page 60.

Termination Fees (Page 62)

Under certain circumstances, in connection with the termination of the Merger Agreement, we will be required to pay to Newco a termination fee of \$66 million. We also may be required to pay Newco their out of pocket fees and expenses (not to exceed \$20 million) in connection with the Merger. In circumstances where we are required to pay such fees and expenses, if we are subsequently required to pay a termination fee, any fees and expenses previously reimbursed will be deducted from the termination fee owed. See [The Merger Agreement Termination Fees and Expenses](#) beginning on page 62 for a detailed discussion of the termination fees.

Table of Contents

Newco has agreed to pay the Company a termination fee of \$66 million if we terminate the Merger Agreement in circumstances under which the conditions to the Merger are satisfied but (i) Newco and Merger Sub have not received the proceeds of the debt financing or (ii) a U.S. federal regulatory agency (that is not an antitrust regulatory agency) has informed Newco, Merger Sub or the Company (or any of their representatives) that it intends to take action to prevent the Merger. In the event that (i) all of the conditions to the Merger are satisfied, (ii) the debt financing has been funded or would be funded upon funding of the equity financing and (iii) no U.S. federal regulatory agency has informed Newco, Merger Sub or the Company (or any of their representatives) that it intends to take action to prevent the Merger, and (iv) Newco and Merger Sub fail to consummate the Merger, Newco has agreed to pay the Company a termination fee of \$110 million. See *The Merger Agreement Termination Fees and Expenses* beginning on page 62 for a detailed discussion of the termination fees.

Remedies (Page 64)

In the event that the Company or Newco receive a termination fee as described above, such fee shall be deemed to be liquidated damages for any and all damages incurred by the party receiving such fee in connection with the matter forming the basis for such termination and no other claims may be brought with respect to such matters. Except in the case of fraud, the Company's right to receive the termination fee as described above is the sole and exclusive remedy of the Company and its subsidiaries against Newco, Merger Sub, the Investors and any of their affiliates for any damages suffered as a result of a failure of the Merger to be consummated, or for a breach or failure to perform under the Merger Agreement or otherwise. Except in the case of fraud, Newco's right to receive the termination fee as described above in circumstances that such fee is payable, or to recover damages from the Company in circumstances that such fee is not payable, is the sole and exclusive remedy of Newco, Merger Sub and their affiliates against the Company, its subsidiaries and any of their affiliates for any damages suffered as a result of a failure of the Merger to be consummated, or for a breach or failure to perform under the Merger Agreement or otherwise. In addition, Newco and Merger Sub are entitled to seek specific performance of the terms and provisions of the Merger Agreement with respect to the obligations of the Company, including seeking an injunction to prevent or restrain breaches or threatened breaches of the Merger Agreement by the Company and enforcing compliance with the covenants and obligations of the Company under the Merger Agreement. The Company is not entitled to seek specific performance with respect to the obligations of Newco and Merger Sub, including an injunction to prevent breaches of the Merger Agreement by Newco or Merger Sub.

Limited Guarantee (Page 39)

In connection with the Merger Agreement, certain investment vehicles advised by Bain Capital and an affiliate of Huawei Technologies Co. Ltd. entered into a limited guarantee for the benefit of the Company, pursuant to which each party has agreed to guaranty the obligations of Newco up to a maximum amount equal to its pro rata share of any termination fee payable by Newco to the Company pursuant to the terms of the Merger Agreement (which fee will be \$66 million or \$110 million depending on the circumstances of termination, as described more fully in *The Merger Agreement Termination Fees and Expenses* beginning on page 62). The limited guarantee is the Company's sole recourse against each Investor as a guarantor, except for claims arising out of fraud against a person that committed such fraud.

Appraisal Rights (Page 69)

Under Delaware law, holders of Common Stock who do not vote in favor of the proposal to adopt the Merger Agreement will have the right to seek appraisal of the fair value of their shares of Common Stock as determined by the Delaware Court of Chancery if the Merger is completed, but only if they comply with all requirements of Delaware law, which are summarized in this proxy statement. The judicially determined appraisal amount could be more than, the same as or less than the merger consideration. Any holder of Common Stock intending to exercise

appraisal rights, among other things, must submit a written demand for an appraisal to us prior to the vote on the proposal to adopt the Merger Agreement and must not vote or otherwise submit a proxy in favor of adoption of the Merger Agreement and must otherwise strictly comply

with all of the procedures required by Delaware law. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. A copy of the relevant section of Delaware law is attached hereto as Annex C.

Market Price of Common Stock (Page 66)

Our Common Stock is listed on the Nasdaq Global Select Market (Nasdaq) under the trading symbol COMS. The closing sale price of Common Stock on Nasdaq on September 27, 2007, the last trading day prior to the execution of the Merger Agreement, was \$3.68. The \$5.30 per share to be paid for each share of Common Stock in the Merger represents a premium of approximately 44.0% to the closing price on September 27, 2007, and a premium of approximately 43.8% to the average closing share price during the thirty (30) trading days ended September 27, 2007. The closing sale price of our common stock on Nasdaq on January 23, 2008, the last trading day before the date of this proxy statement, was \$4.18.

QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND THE MERGER

The following questions and answers are intended to address briefly some commonly asked questions regarding the Merger, the Merger Agreement and the special meeting. These questions and answers may not address all questions that may be important to you as a 3Com stockholder. Please refer to the Summary and the more detailed information contained elsewhere in this proxy statement, the annexes to this proxy statement and the documents referred to or incorporated by reference in this proxy statement, which you should read carefully. See Where You Can Find More Information beginning on page 73.

Q. What is the proposed transaction?

A. The proposed transaction is the acquisition of the Company by Newco, an entity formed by investment vehicles sponsored by Bain Capital Partners, LLC pursuant to the Merger Agreement. Once the Merger Agreement has been adopted by the stockholders and other closing conditions under the Merger Agreement have been satisfied or waived, Merger Sub, an indirect, wholly-owned subsidiary of Newco, will merge with and into 3Com. 3Com will be the Surviving Corporation and an indirect, wholly-owned subsidiary of Newco. On the effective date of the Merger, Newco will be majority-owned by and controlled by investment vehicles sponsored by Bain Capital, and an affiliate of Huawei Technologies Co. Ltd. will make a non-controlling, minority investment, directly or indirectly, in Newco.

Q. What will I receive in the Merger?

A. Upon completion of the Merger, you will be entitled to receive \$5.30 in cash, without interest and less any applicable withholding tax, for each share of Common Stock that you own immediately prior to completion of the Merger, unless you have properly and validly perfected your statutory rights of appraisal with respect to the Merger. For example, if you own 100 shares of Common Stock, you will receive \$530.00 in cash in exchange for your shares of Common Stock, less any applicable withholding tax. You will not own any shares in the Surviving Corporation.

Q. When and where is the special meeting?

A. The special meeting of stockholders of 3Com will be held on February 29, 2008, at 8:00 a.m. local time, at the Company's headquarters, 350 Campus Drive, Marlborough, Massachusetts 01752-3064.

Q. What vote is required for 3Com's stockholders to approve the proposal to adopt the Merger Agreement?

A. An affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote at the special meeting is required to approve the proposal to adopt the Merger Agreement. Accordingly, failure to vote in person or by proxy or an abstention will have the same affect as a vote **AGAINST** the Merger Agreement.

Q. What vote of our stockholders is required to approve the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies?

A. Approval of the proposal to adjourn or postpone the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies requires the affirmative vote of a majority of the votes cast by the holders of all Common Stock present in person or represented by proxy at the special meeting and entitled to vote on the

matter.

Q. How does 3Com's board of directors recommend that I vote?

- A. The board of directors unanimously recommends that you vote **FOR** the proposal to adopt the Merger Agreement and **FOR** the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the special meeting to adopt the Merger Agreement. You should read "The Merger - Reasons for the Merger; Recommendation of Our Board of Directors" beginning on page 26 for a discussion of the factors that the board of directors considered in deciding to recommend the adoption of the Merger Agreement.

Table of Contents

Q. What effects will the proposed Merger have on 3Com?

A. As a result of the proposed Merger, 3Com will cease to be a publicly-traded company and will be wholly-owned by Newco. You will no longer have any interest in our future earnings or growth. Following consummation of the Merger, the registration of our Common Stock and our reporting obligations with respect to our Common Stock under the Exchange Act of 1934, as amended (the Exchange Act) will be terminated upon application to the Securities and Exchange Commission (the SEC). In addition, upon completion of the proposed Merger, shares of our Common Stock will no longer be listed on any stock exchange or quotation system, including Nasdaq.

Q. What happens if the Merger is not consummated?

A. If the Merger Agreement is not adopted by stockholders or if the Merger is not completed for any other reason, stockholders will not receive any payment for their shares in connection with the Merger. Instead, 3Com will remain an independent public company and the Common Stock will continue to be listed and traded on Nasdaq. Under specified circumstances, 3Com may be required to pay Newco a termination fee or reimburse Newco for its out-of-pocket expenses as described under the caption The Merger Agreement Termination Fees and Expenses beginning on page 62.

Q. What do I need to do now?

A. We urge you to read the proxy statement carefully, including the annexes and to consider how the Merger affects you. If you are a stockholder of record, you can ensure your shares are voted at the special meeting by completing, signing, and dating and mailing the enclosed proxy card or voting by telephone or internet. Even if you plan to attend the special meeting, we encourage you to return the enclosed proxy card. If you hold your shares in street name, you can ensure that your shares are voted at the special meeting by instructing your broker or nominee how to vote, as discussed below. **Do NOT return your stock certificate(s) with your proxy.**

Q. How do I vote?

A. You may vote by:

signing and dating each proxy card you receive and returning it in the enclosed prepaid envelope;

using the telephone number printed on your proxy card;

using the Internet voting instructions printed on your proxy card; or

if you hold your shares in street name, follow the procedures provided by your broker, bank or other nominee.

If you return your signed proxy card, but do not mark the boxes showing how you wish to vote, your shares will be voted **FOR** the proposal to adopt the Merger Agreement and **FOR** the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies.

Q. If my shares are held in street name by my broker, bank or other nominee, will my broker, bank or other nominee vote my shares for me?

A. Yes, but only if you instruct your broker, bank or other nominee how to vote. You should follow the procedures provided by your broker, bank or other nominee regarding the voting of your shares. If you do not instruct your

broker, bank or other nominee to vote your shares, your shares will not be voted and the effect will be the same as a vote **AGAINST** the proposal to adopt the Merger Agreement, but will not have an effect on the proposal to adjourn or postpone the special meeting.

Q. How can I change or revoke my vote?

A. You have the right to change or revoke your proxy at any time before the vote taken at the special meeting:

Table of Contents

by notifying our Secretary, Neal D. Goldman, at 350 Campus Drive, Marlborough, Massachusetts 01752-3064;

by attending the special meeting and voting in person (your attendance at the special meeting will not, by itself, revoke your proxy; you must vote in person at the special meeting);

by submitting a later-dated proxy card; or

if you voted by telephone or the Internet, by voting a second time by telephone or Internet.

If you have instructed a broker, bank or other nominee to vote your shares, the above instructions do not apply and instead you must follow the directions received from your broker, bank or other nominee to change those instructions.

Q. What do I do if I receive more than one proxy or set of voting instructions?

A. If your shares are registered differently or are in more than one account, you may receive more than one proxy and/or set of voting instructions relating to the special meeting. These should each be completed, signed and/or returned separately as described elsewhere in this proxy statement in order to ensure that all of your shares are voted.

Q. What happens if I sell my shares before the special meeting?

A. The record date of the special meeting is earlier than the special meeting and the date that the Merger is expected to be completed. If you transfer your shares of Common Stock after the record date but before the special meeting, you will retain your right to vote at the special meeting, but will have transferred the right to receive \$5.30 per share in cash to be received by our stockholders in the Merger. In order to receive the \$5.30 per share, you must hold your shares through completion of the Merger.

Q. Am I entitled to exercise appraisal rights instead of receiving the merger consideration for my shares?

A. Yes. As a holder of Common Stock, you are entitled to appraisal rights under Delaware law in connection with the Merger if you meet certain conditions. See Dissenters Rights of Appraisal beginning on page 69.

Q. When is the Merger expected to be completed? What is the Marketing Period ?

A. We are working toward completing the Merger as quickly as possible, and we anticipate that it will be completed by the first calendar quarter of 2008. However, the exact timing of the completion of the Merger cannot be predicted. In order to complete the Merger, we must obtain stockholder approval and the other closing conditions under the Merger Agreement must be satisfied or waived (as permitted by law). In addition, Newco is not obligated to complete the Merger until the expiration of a twenty (20) business day Marketing Period that it may use to complete its financing for the Merger. The Marketing Period begins to run after we have provided certain financial information to Newco pursuant to the terms of the Merger Agreement; provided that the Marketing Period will not begin prior to thirteen (13) days before the special meeting. See The Merger Agreement Effective Time; Marketing Period and The Merger Agreement Conditions to the Merger beginning on pages 48 and 57, respectively.

Q. Will a proxy solicitor be used?

- A. Yes. The Company has engaged Georgeson Inc. (Georgeson) to assist in the solicitation of proxies for the special meeting and the Company estimates it will pay Georgeson a fee of approximately \$20,000. The Company has also agreed to reimburse Georgeson for reasonable administrative and out-of-pocket expenses incurred in connection with the proxy solicitation and indemnify Georgeson against certain losses, costs and expenses.

Table of Contents

Q. Should I send in my stock certificates now?

- A. No. After the Merger is completed, you will be sent a letter of transmittal with detailed written instructions for exchanging your Common Stock certificates for the merger consideration. If your shares are held in street name by your broker, bank or other nominee you will receive instructions from your broker, bank or other nominee as to how to effect the surrender of your street name shares in exchange for the merger consideration. **Please do not send your certificates in now.**

Q. Who can help answer my other questions?

- A. If you have additional questions about the Merger, need assistance in submitting your proxy or voting your shares of Common Stock or need additional copies of the proxy statement or the enclosed proxy card, please (1) mail your request to 3Com Corporation, 350 Campus Drive, Marlborough, Massachusetts 01752-3064, Attn: Investor Relations, (2) call our Investor Relations department at (508) 323-1198, or (3) call our proxy solicitor, Georgeson, toll free at (866) 432-2786 (banks and brokers call (212) 440-9800). If your broker holds your shares, you should call your broker for additional information.

THE SPECIAL MEETING

Time, Place and Purpose of the Special Meeting

This proxy statement is being furnished to our stockholders as part of the solicitation of proxies by our board of directors for use at the special meeting to be held on February 29, 2008, at 8:00 a.m., at the Company's headquarters, 350 Campus Drive, Marlborough, Massachusetts 01752-3064, or at any adjournment or postponement thereof. The purpose of the special meeting is for our stockholders to consider and vote upon a proposal to adopt the Merger Agreement (and to approve the proposal to adjourn or postpone the special meeting, if necessary or appropriate to solicit additional proxies). Our stockholders must adopt the Merger Agreement in order for the Merger to occur. If the stockholders fail to adopt the Merger Agreement, the Merger will not occur. A copy of the Merger Agreement is attached to this proxy statement as Annex A. This proxy statement and the enclosed form of proxy are first being mailed to our stockholders on or about January 28, 2008.

Record Date and Quorum

We have fixed the close of business on January 22, 2008 as the record date for the special meeting, and only holders of record of Common Stock on the record date are entitled to receive notice of and vote at the special meeting. As of the close of business on the record date, there were 402,388,726 shares of Common Stock outstanding and entitled to vote. Each share of Common Stock entitles its holder to one vote on all matters properly coming before the special meeting.

A majority of the shares of Common Stock issued and outstanding on the record date represented at the special meeting in person or by a duly authorized and properly completed proxy constitutes a quorum for the purpose of considering the proposals. Shares of Common Stock represented at the special meeting but not voted, including shares of Common Stock for which proxies have been received but for which stockholders have abstained, will be treated as present at the special meeting for purposes of determining the presence or absence of a quorum for the transaction of all business. Although the law in Delaware is unclear on the proper treatment of abstentions, we believe that abstentions should be counted for purposes of determining whether a quorum is present. Without controlling precedent to the contrary, we intend to treat abstentions in this manner. Accordingly, abstentions will be counted for the purpose of determining whether a quorum is present. In the event that a quorum is not present at the special meeting, it is expected that the special meeting will be adjourned or postpone to solicit additional proxies.

Vote Required for Approval

Approval of the proposal to adopt the Merger Agreement requires the affirmative vote of the holders of a majority of shares of Common Stock outstanding that are entitled to vote at the special meeting. Approval of the proposal to adjourn or postpone the special meeting, if necessary or appropriate, for the purpose of soliciting additional proxies requires the affirmative vote of a majority of the votes cast by the holders of all Common Stock present in person or represented by proxy at the special meeting and entitled to vote on the matter. If you do not submit a proxy by telephone or the Internet or return a signed proxy card by mail or vote your shares in person, it has the same effect as a vote **AGAINST** the proposal to adopt the Merger Agreement but it will have no effect on the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies. If you sign your proxy card without indicating your vote, your shares will be voted **FOR** the proposal to adopt the Merger Agreement and **FOR** the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies.

If your shares of Common Stock are held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. **If you do not instruct your broker to vote your shares, it has the same effect as a vote AGAINST the proposal to adopt the Merger Agreement.** As of the close of business on January 22, 2008, the record date, the directors and executive officers of 3Com held and are entitled to vote, in the aggregate, 2,806,016 shares of Common Stock, representing approximately 0.70% of the outstanding Common Stock.

Table of Contents

Proxies and Revocation

If you submit a proxy by telephone or the Internet or by returning a signed proxy card by mail, your shares will be voted at the special meeting as you indicate on your proxy card or by such other method. If you sign your proxy card without indicating your vote, your shares will be voted **FOR** the proposal to adopt the Merger Agreement and **FOR** the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies.

Proxies received at any time before the special meeting and not revoked or superseded before being voted will be voted at the special meeting. You have the right to change or revoke your proxy at any time before the vote taken at the special meeting:

by notifying our Secretary, Neal D. Goldman, at 350 Campus Drive, Marlborough, Massachusetts 01752-3064;

by attending the special meeting and voting in person (your attendance at the special meeting will not, by itself, revoke your proxy; you must vote in person at the special meeting);

by submitting a later-dated proxy card; or

if you voted by telephone or the Internet, by voting a second time by telephone or Internet.

If you hold your shares through a broker, bank or other nominee and you have instructed a broker, bank or other nominee to vote your shares of Common Stock, the above instructions do not apply and, instead, you must follow the directions received from your broker, bank or other nominee to change those instructions.

Please do not send in your stock certificates with your proxy card. When the Merger is completed, a separate letter of transmittal will be mailed to you that will enable you to receive the merger consideration in exchange for your stock certificates.

Adjournments and Postponements

Although it is not currently expected, the special meeting may be adjourned or postponed for the purpose of soliciting additional proxies. Any adjournment may be made without notice (if the adjournment is not for more than thirty (30) days), other than by an announcement made at the special meeting of the time, date and place of the adjourned meeting. Whether or not a quorum exists, holders of a majority of the shares of Common Stock present in person or represented by proxy at the special meeting and entitled to vote thereat may adjourn the special meeting. Any signed proxies received by 3Com in which no voting instructions are provided on such matter will be voted **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies. Any adjournment of the special meeting for the purpose of soliciting additional proxies will allow 3Com's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the special meeting as adjourned.

Rights of Stockholders Who Object to the Merger

Stockholders are entitled to statutory appraisal rights under Delaware law in connection with the Merger. This means that you are entitled to have the value of your shares determined by the Delaware Court of Chancery and to receive payment based on that valuation. The ultimate amount you receive as a dissenting stockholder in an appraisal proceeding may be more than, the same as or less than the amount you would have received under the Merger Agreement.

To exercise your appraisal rights, you must submit a written demand for appraisal to the Company before the vote is taken on the Merger Agreement and you must not vote in favor of the proposal to adopt the Merger Agreement. Your failure to follow exactly the procedures specified under Delaware law will result in the loss of your appraisal rights. See Dissenters' Rights of Appraisal beginning on page 69 and the text of the Delaware appraisal rights statute reproduced in its entirety as Annex C.

THE MERGER

This discussion of the Merger is qualified in its entirety by reference to the Merger Agreement, which is attached to this proxy statement as Annex A. You should read the entire Merger Agreement carefully as it is the legal document that governs the Merger.

Background of the Merger

In November 2003, we formed a China-based joint venture named Huawei-3Com Co., Limited (now known as H3C Technologies Co., Limited, or H3C) with an affiliate of Huawei whereby we held a 49% interest and Huawei held a 51% interest in H3C. The purpose of the joint venture was to provide us with a significant presence in China, Japan, Hong Kong and certain other developing markets, an expanded product line and access to lower cost and highly effective engineering talent. In addition, we believed that this investment would contribute to our turn-around plans aimed at restoring growth and profitability.

H3C's performance was strong during its first two years in operation. At the same time, our historical business, known as DVBU, continued to confront increased competition and execution challenges. Because H3C had become increasingly important to 3Com's turn-around efforts, including as a source of cost-effective engineering talent, the possibility of consolidating its results became attractive to us. More specifically, by this time H3C had developed significant Chinese intellectual property and we were sourcing a large portion of our enterprise switches from H3C. Accordingly, in November 2005, we exercised a contractual right under our H3C shareholders' agreement with Huawei to purchase an additional 2% interest in H3C from Huawei, resulting in 3Com holding a 51% interest in H3C. We were granted regulatory approval by China, and subsequently completed this transaction on January 27, 2006 and began fully consolidating its results.

H3C continued its strong growth during its third year in operation. While our results and cash flows benefited from the consolidation of H3C's financials and a continued focus on cost containment in the historical DVBU business, DVBU was not successful in restoring revenue growth to support its cost structure. In August 2006, after an extensive internal review, including participation of external consultants, our board of directors determined that acquiring the remaining 49% interest in H3C was an important element of our plan to successfully turn-around 3Com. We desired to own 100% of the engineering talent and Chinese technology H3C had developed which was important to our efforts to continue to build our enterprise router and switch business. In late August 2006, therefore, we began a series of negotiations with Huawei regarding the possibility of acquiring Huawei's remaining 49% interest in H3C outside of the bidding process contemplated by the shareholders' agreement between 3Com and Huawei. At the same time, Huawei had discussions with Bain Capital, among others, concerning the prospect of making a proposal under which Huawei would acquire our 51% interest in H3C and investment vehicles advised by Bain Capital and others would then acquire a controlling interest in H3C. While we had conversations with several private equity firms who were interested in partnering with us to acquire H3C, we ultimately determined to seek to acquire H3C without a financial partner. We were unable to reach a negotiated agreement with Huawei regarding our acquisition of Huawei's 49% interest in H3C outside the bidding process, so we ultimately made a formal bid for Huawei's 49% interest in H3C on November 15, 2006. After several rounds of competing bids, on November 27, 2006, Huawei accepted our final bid of \$882 million.

Shortly after we agreed to acquire 100% ownership of H3C, several private equity firms (including Bain Capital) and several strategic industry participants contacted us to discuss the state of the networking industry and the possibility of partnering with 3Com. Members of our board and management team had high level discussions with several of these parties (including Bain Capital) throughout the early part of 2007, but none of these conversations progressed to the point of discussing a specific transaction.

On January 10, 2007, during the pendency of our acquisition of Huawei's 49% interest in H3C, the Chairman of our board of directors, Eric Benhamou, and our President and Chief Executive Officer, Edgar Masri, received a qualified expression of interest to acquire 3Com from a strategic industry participant (Strategic Party One). Our board of directors discussed this indication of interest at a regularly scheduled meeting on January 18 and 19, 2007. Representatives of Goldman, Sachs & Co. and the Company's outside legal counsel, Wilson Sonsini Goodrich & Rosati, Professional Corporation also attended this meeting. During

the meeting, the board and representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati, discussed the proposed transaction, including the conditionality of the indication of interest, the ability of Strategic Party One to finance the transaction and the possible impact that such a transaction could have on our pending acquisition of Huawei's remaining 49% interest in H3C. The board also discussed the Company's business plans and prospects for growth in light of its acquisition of 100% ownership of H3C, as well as other strategic initiatives then under consideration. After these discussions, the board of directors determined not to pursue the acquisition proposal in order to focus on consummating our pending acquisition of the remaining interest in H3C, integrating H3C into our global operations and continuing our general turn-around efforts.

On February 27, 2007, our board of directors held a regularly scheduled meeting, which representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati also attended. During this meeting, the board of directors and our management team conducted a thorough review of each of our business units and their future prospects and business plans and noted in particular the challenges the Company continued to face in turning around the DVBU business and the demands of the H3C integration efforts. The board of directors also received an update on our pending acquisition of Huawei's remaining 49% interest in H3C, as well as various high level discussions that members of our board of directors and management team continued to have with private equity firms and strategic industry participants regarding 3Com. Again, the board of directors determined not to pursue discussions with any third parties at this time in order to focus management and the Company on our pending acquisition of Huawei's remaining 49% interest in H3C, our H3C integration efforts and our business turn-around efforts generally.

We completed our acquisition of Huawei's remaining 49% interest in H3C on March 29, 2007, as a result of which we came to own 100% of H3C.

On May 17, 2007, our board of directors received a letter from two private equity firms, including Bain Capital and another private equity firm (Private Equity Party One), indicating their desire to conduct due diligence on 3Com with a view toward making an offer to acquire the Company. Bain Capital indicated that it had engaged in discussions with Huawei and that Huawei was also interested in exploring a transaction involving 3Com, Bain Capital and Private Equity Party One. Our board of directors convened a conference call on May 18, 2007 to discuss the indication of interest, decided to consider it more fully at a future meeting and asked management to use the intervening period to refresh its standalone business plan.

On May 29, 2007, our board of directors convened a meeting to review management's three-year business plan and consider the recently received indication of interest from Bain Capital and Private Equity Party One. Representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati also attended this meeting. Management began the meeting by presenting a refreshed three-year business plan and budget for the Company, highlighting the opportunities and challenges that we now faced by owning 100% of H3C and doing business in China and explaining the recently experienced slow-down in the growth rate of the H3C division and the ongoing difficulties and challenges in our DVBU business. Goldman Sachs then presented a preliminary financial analysis of the Company. After discussion of Goldman Sachs' analysis, the board considered the indication of interest that it had received from Bain Capital and Private Equity Party One. In connection with this discussion, Neal Goldman, the Company's Executive Vice President and Chief Administrative and Legal Officer, informed the board that Strategic Party One had requested a meeting with management to discuss a potential transaction. Wilson Sonsini Goodrich & Rosati then advised the board regarding legal and fiduciary aspects of considering Bain Capital and Private Equity Party One's indication of interest and the request that the Company had received from Strategic Party One. The board then discussed these matters and instructed management to meet with Bain Capital, Private Equity Party One and Strategic Party One. The board did not determine, however, to pursue a transaction at this point.

On June 4, 2007, members of our management team met with representatives of Strategic Party One at our headquarters to discuss a potential transaction. At this meeting, Strategic Party One expressed its desire to commence

due diligence on 3Com and explore a potential strategic transaction with the Company. On June 4, 2007, our management team also contacted representatives of Bain Capital and Private Equity Party One to express our willingness to discuss a possible transaction with them.

On June 11, 2007, another private equity firm (Private Equity Party Two) contacted members of our management team and expressed a desire to discuss a potential transaction with us.

On June 12, 2007, our board of directors convened a meeting, joined by Goldman Sachs and Wilson Sonsini Goodrich & Rosati, to discuss the status of our discussions with Bain Capital, Private Equity Party One and Strategic Party One. At the outset of the meeting, our management team presented its revised standalone business plan and Goldman Sachs presented a revised preliminary financial analysis of the Company. Our management team and Goldman Sachs then updated the board on their preliminary discussions with Bain Capital, Private Equity Party One and Strategic Party One and informed the board that Private Equity Party Two had contacted the Company to express its desire to discuss a transaction with the Company. The board of directors instructed management to initiate discussions with Private Equity Party Two and to continue its discussions with Bain Capital, Private Equity Party One and Strategic Party One. The board also authorized management to assemble and make due diligence documents and materials on the Company available to all of these parties in support of their efforts to more fully understand the Company and its business plans, operations and prospects.

In furtherance of these due diligence efforts, the Company executed a non-disclosure agreement with Bain Capital and Private Equity Party One on June 13, 2007 and with Strategic Party One on June 18, 2007. Private Equity Party Two executed a non-disclosure agreement with 3Com on June 15, 2007.

On June 15, 2007, our management team met with Bain Capital and Private Equity Party One to make a presentation regarding the Company's business plans and operations. Our management made a similar presentation to Private Equity Party Two later that same day. On June 18, 2007, members of our management team met with Strategic Party One to make the same presentation.

On June 22, 2007, our board of directors received a non-binding indication of interest from Bain Capital and Private Equity Party One to acquire 3Com at a valuation in the range of \$5.25-5.85 per share, subject to obtaining financing and conducting comprehensive due diligence. The proposal included an alternate valuation methodology for a purchase of 3Com which excluded our TippingPoint division. The indication of interest also indicated that Bain Capital and Private Equity Party One had entered into an agreement with Huawei, which among other things provided that if Bain Capital and Private Equity Partner One acquired 3Com, Huawei would become a stockholder of Newco, contribute certain assets to and enter into a cross-license agreement with the surviving 3Com entity and extend and expand its OEM arrangements with the surviving 3Com entity (which OEM arrangements would provide for certain requirements-based purchase arrangements). In addition, the indication of interest stated that the strategic alliance agreement among Bain Capital, Private Equity Partner One and Huawei provided for a period of exclusivity lasting until May 17, 2008 (or, if earlier, when Bain Capital abandoned the acquisition of 3Com), during which time Bain Capital, Private Equity Party One and Huawei agreed not to solicit, initiate, consider, encourage or accept any proposal or offer from or to any third party to engage in any transaction similar to the acquisition of 3Com.

On June 25 and 26, 2007, our board of directors held a regularly-scheduled meeting. At this meeting, Goldman Sachs and management updated the board on their ongoing discussions with all of the third parties with whom they had been discussing a possible transaction. The board discussed the indication of interest received from Bain Capital and Private Equity Party One on June 22, 2007. Wilson Sonsini Goodrich & Rosati advised the board on its fiduciary duties in considering and responding to all of the third party interest in a potential transaction with the Company. Goldman Sachs informed the board that, while Strategic Party One indicated an interest in a potential transaction subject to diligence and other conditions, it was not willing to give the Company a preliminary non-binding offer or valuation indication at that time. Goldman Sachs also informed the board that Private Equity Party Two indicated that it had elected not to continue discussions with the Company. The board discussed the alternatives to organically grow our business, including the risks and challenges, and the possibility of partnering with other companies. The board then instructed management and Goldman Sachs to continue their discussions with all of the interested third parties.

Also at this meeting, the board discussed whether to form a special committee of the board in connection with the evaluation of potential transactions. In considering whether to form such special committee, the board considered the fact that none of the members of the board were interested parties with respect to any of the transactions then

Table of Contents

being considered. After discussion, the board determined to create an oversight committee rather than a special committee. The board approved the formation of a Strategic Transaction Oversight Committee (the STOC), consisting of Mr. Benhamou, Gary T. DiCamillo and Paul G. Yovovich, none of whom were members of management. The STOC was formed to oversee management in assessing a potential transaction, to provide direction to management and 3Com's advisers and to liaise with the board regarding a potential transaction.

On June 28, 2007, the Company announced its intention to execute an initial public offering of its TippingPoint division.

On July 2, 2007, the STOC convened a meeting to discuss the status of management's conversations with Strategic Party One, as well as Bain Capital and Private Equity Party One, the initial due diligence efforts and progress on the efforts of the Company and Goldman Sachs to identify additional third parties who might be interested in exploring a transaction with the Company. Management also reported on the status of their refined stand-alone strategic plan. After discussion, the STOC authorized Goldman Sachs and management to contact additional third parties regarding a potential transaction with the Company. One of the strategic industry participants that they contacted (Strategic Party Two) indicated that it would be interested in discussing a transaction with the Company and subsequently executed a non-disclosure agreement with the Company to facilitate further discussions. On July 19, 2007, members of our management team made a presentation on our business plans and operations to representatives of Strategic Party Two. Subsequently, Strategic Party Two informed Goldman Sachs that it was not interested in pursuing further discussions with 3Com regarding a transaction with the Company. None of the other third parties that Goldman Sachs and management contacted expressed any interest in discussing a transaction with 3Com.

On July 23, 2007, members of the STOC met with representatives of Goldman Sachs regarding the status of their efforts to identify third parties who might be interested in a transaction with the Company. On the same day, our board of directors convened a meeting, which representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati also attended. During this meeting, Goldman Sachs and members of our management team provided an update on the progress of their discussions with third parties, including Strategic Party One, Strategic Party Two, as well as Bain Capital and Private Equity Party One.

On July 27, 2007, the Company received a letter from Bain Capital and Private Equity Party One reconfirming a preliminary non-binding indication of interest in acquiring 3Com for a purchase price in the range of \$5.25-5.85 per share, which was the same range outlined in its June 22, 2007 indication of interest. The indication of interest also indicated that the proposal described therein was subject to due diligence and financing arrangements.

On July 28, 2007, the STOC held a meeting to discuss the indication of interest from Bain Capital and Private Equity Party One. At this meeting, representatives of Goldman Sachs reported that, while Bain Capital had reconfirmed its bidding range, its offer was likely to be at the lower end of its stated range. Further, Goldman Sachs indicated that the then current credit market conditions could make financing Bain Capital's proposed transaction more challenging. In addition, Goldman Sachs reported on the ongoing discussions with Strategic Party One.

On July 31, 2007, members of our management team made another presentation to representatives of Strategic Party One regarding our business and operations. On August 1 and 2, 2007, members of our management team made another presentation to representatives of Bain Capital and Private Equity Party One regarding the same matters. During the month of August and the first week of September 2007, Bain Capital conducted an extensive due diligence investigation of the Company, including review of due diligence materials in our on-line electronic data room and conducting extensive due diligence conference calls and in-person sessions among members of management and Bain Capital and Private Equity Party One along with their advisers and proposed lenders. During this same period, Strategic Party One, through its management and its advisers, continued to express interest in acquiring 3Com, but did not make any meaningful progress in its due diligence efforts.

Following the meetings with Bain Capital in early August 2007, Bain Capital and Private Equity Party One lowered the range of purchase prices they were tentatively prepared to offer for the Company to \$5.25-

Table of Contents

5.75 per share from \$5.25-5.85 per share. On August 6, 2007, our board convened a meeting to discuss strategic matters and discuss the risks and challenges of the standalone strategic plan. Representatives of Goldman Sachs reported on the latest discussions with Strategic Party One, as well as Bain Capital and Private Equity Party One, and updated the board on the then current credit market conditions and their likely impact on Bain Capital and Private Equity Party One's ability to finance a transaction. The board also discussed management's stand-alone plan and instructed management to continue discussions with all of the third parties currently discussing a transaction with the Company.

On August 4, 2007, the STOC met with representatives of Goldman Sachs during which Goldman Sachs updated the STOC on the latest discussions with Strategic Party One, as well as Bain Capital and Private Equity Party One.

During late July 2007 and early August 2007, Wilson Sonsini Goodrich & Rosati and 3Com management prepared a draft merger agreement. On August 8, 2007, Wilson Sonsini Goodrich & Rosati delivered an initial draft of the Merger Agreement to Ropes & Gray, LLP (Ropes & Gray), counsel to Bain Capital. Diligence efforts continued during the remainder of August.

On August 16 and 17, 2007, representatives of Bain Capital and our management team met for further management presentations as part of Bain Capital's ongoing due diligence process. On August 17, 2007, the STOC convened another meeting to receive an update on the due diligence sessions with Bain Capital and discussions with Strategic Party One. Management and Goldman Sachs communicated to the STOC that Bain Capital remained very interested in pursuing a potential transaction within the valuation range previously indicated but Private Equity Party One had determined not to participate in the transaction in the indicated valuation range. Further, Goldman Sachs reported to the STOC that Strategic Party One was continuing to work internally on preparations to potentially submit a non-binding offer.

On or about August 17, 2007, at the direction of members of the board of directors, Goldman Sachs also contacted another strategic industry participant (Strategic Party Three) to determine its interest in exploring a transaction with the Company. Drafts of non-disclosure agreements were exchanged between the parties, but Strategic Party Three did not pursue discussions with the Company and never executed the Company's non-disclosure agreement.

For the remainder of August 2007, Bain Capital continued its due diligence review of the Company.

On September 4, 2007, our board of directors met to discuss the Company's stand-alone company plan and receive an update on other strategic matters. Representatives of Goldman Sachs reported that Bain Capital was almost complete with its due diligence review of the Company and was pursuing financing options. Goldman Sachs also reported that Strategic Party Three had determined not to pursue a transaction with 3Com. The board instructed management and Goldman Sachs to continue discussions with Bain Capital, Private Equity Party One and Strategic Party One.

In early September, in anticipation of making a revised non-binding offer to buy 3Com, Bain Capital confirmed that an affiliate of Huawei would be a direct minority equity investor in the acquiring entity, provided that it receive limited access to due diligence materials. Our management team approved limited due diligence access for Huawei, as would be appropriate for an existing important customer and potential competitor. No technology of the Company was provided to Huawei or its affiliates in connection with this due diligence process. Moreover, no direct access to due diligence materials was provided to Huawei. Huawei relied solely on its prior knowledge of H3C (based on Huawei's previous status as a shareholder in H3C) and secondary source material compiled by Bain Capital and its advisors, such as due diligence memoranda prepared by PricewaterhouseCoopers and Ropes & Gray, advisors to Bain Capital. With these conditions in place, Huawei and 3Com executed a non-disclosure agreement on September 13, 2007.

On September 15, 2007, Bain Capital delivered to our board of directors and management a non-binding offer to acquire 3Com for \$5.10 per share, to be financed with approximately \$1.2 billion of debt and almost \$1.3 billion of equity (which represented a 42% premium to the market price of 3Com stock at the time). The non-binding offer included signed equity and debt commitment letters without due diligence or financing conditions, or outs, and a pro rata guarantee by the equity investors of the reverse break-up fee to be agreed

in the Merger Agreement. Bain Capital indicated that it had completed its due diligence and it had received all internal approvals necessary to proceed with a transaction. Bain Capital also indicated that it had reached general agreement with Huawei with respect to the strategic alliance with Huawei following the successful consummation of the acquisition of 3Com. Finally, Bain Capital indicated a desire to execute a merger agreement quickly.

On September 16, 2007, our board of directors met to consider the latest Bain Capital non-binding offer. Goldman Sachs reported on discussions with Bain Capital on its non-binding offer, during which Bain Capital indicated that its offer was lower than the low end of its previously provided price range due to risks with 3Com's business identified during the diligence process and the impact of the then current credit markets. Wilson Sonsini Goodrich & Rosati presented to the board of directors an overview of the changes to the terms of the Merger Agreement proposed by Bain Capital that accompanied its September 15, 2007 indication of interest. Goldman Sachs then presented its financial analysis of 3Com's stand-alone prospects and the status of discussions with other third parties regarding a transaction with the Company. After discussion, the board instructed management and Goldman Sachs to continue discussions with all of the third parties with whom the Company was in discussions. The board also instructed Goldman Sachs to contact Strategic Party One to re-assess its current level of interest in a transaction with 3Com.

During the period between September 16 and 19, 2007, Goldman Sachs and management engaged in extensive discussions and negotiations with Bain Capital and its advisors. As a result of these discussions, on September 20, 2007, Bain Capital sent a letter to our board of directors and management in which, among other things, Bain Capital increased its original non-binding offer from \$5.10 per share to \$5.20 per share and improved certain terms proposed in the Merger Agreement.

On September 20, 2007, 3Com reported its first quarter fiscal 2008 results, including guidance on its H3C business for the next fiscal quarter.

On September 21, 2007, the STOC met to receive an update from Goldman Sachs and management on the ongoing negotiations with Bain Capital and to discuss the revised indication of interest from Bain Capital received the day before. Goldman Sachs discussed the increase in Bain Capital's offer price from \$5.10 to \$5.20 per share. Wilson Sonsini Goodrich & Rosati presented a summary of the negotiations on the material terms in the Merger Agreement and reviewed the fiduciary duties of the board of directors.

Between September 22 and 23, 2007, representatives of Goldman Sachs continued negotiations relating to price and deal terms with Bain Capital.

During the period between September 24 and 27, 2007, the parties convened at the offices of Ropes & Gray to conduct negotiations of the Merger Agreement and the related documentation, including the limited guarantees and the debt and equity commitment letters. Management and representatives of Goldman Sachs consulted with the STOC on an informal basis during this period and the STOC provided instructional direction to management and Goldman Sachs.

On September 25, 2007, our board of directors held a meeting to discuss the status of the transaction. Representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati were also present at this meeting. Goldman Sachs reviewed the extensive process it had undertaken to contact potentially interested parties, including the status of discussions with other parties who had at one point in time expressed an interest in acquiring the Company or making a strategic investment in the Company. Mr. Masri reported that Strategic Party One had advised that it was not in a position to move forward. Goldman Sachs presented to the board preliminary financial analyses of the Company. Wilson Sonsini Goodrich & Rosati provided an update to the board of directors on the status of negotiations with Bain Capital on the terms of the Merger Agreement, including an overview of the financing commitments and a discussion of key unresolved issues, which included the Company's ability to specifically enforce the terms of the Merger Agreement,

the Company's recourse against Bain Capital if Bain Capital failed to close the transaction in breach of the Merger Agreement and various aspects of the definition of "Material Adverse Effect" bearing on the certainty that the transaction would ultimately close. Wilson Sonsini Goodrich & Rosati also advised the board of directors on its fiduciary

Table of Contents

duties relating to the potential transaction with Bain Capital. The board directed management to continue the negotiations with Bain Capital and instructed Goldman Sachs to continue price negotiations with Bain Capital.

On the evening of September 25, 2007, Goldman Sachs engaged in further price negotiations with Bain Capital. The parties also continued to negotiate the terms of the Merger Agreement, including the Company's ability to specifically enforce the Merger Agreement and the Company's recourse against Bain Capital if Bain Capital failed to close the transaction in breach of the Merger Agreement.

On September 26, 2007, the Company held its annual shareholder's meeting, followed by a regularly-scheduled annual board of directors meeting. At this board meeting, Goldman Sachs updated the board of directors on negotiations with Bain Capital. Goldman Sachs and Wilson Sonsini Goodrich & Rosati reported on unresolved transaction issues, including the purchase price, break-up fees, the availability of specific performance and the Company's remedies for breaches of the Merger Agreement by Bain Capital. The board of directors provided guidance to management and its advisors in conducting further negotiations. A representative of Goldman Sachs left the board meeting and contacted Bain Capital to continue discussions regarding the price, at which time Bain Capital increased its offer to \$5.25 per share. Goldman Sachs reported the price increase to the board, but the board instructed Goldman Sachs to request a price of \$5.30 per share and to report back on final deal terms. During a break in the board meeting in the mid-afternoon, members of the board and representatives of Goldman Sachs continued to negotiate the per share purchase price with Bain Capital. As a result of these negotiations, Bain Capital agreed to increase the per share purchase price to \$5.30 from \$5.25 and improve certain terms relating to the Company's remedies if Bain Capital failed to close the transaction in breach of the Merger Agreement. Bain Capital, however, insisted that the Company could not specifically enforce the terms of the Merger Agreement, but would only have recourse to money damages for any breach of the Merger Agreement by Bain Capital.

When the board meeting reconvened on September 26, 2007, Goldman Sachs and Wilson Sonsini Goodrich & Rosati updated the board on the negotiations with Bain Capital. Goldman Sachs then presented its updated financial analysis of the Company based on the \$5.30 per share price offered by Bain Capital. Goldman Sachs then delivered an oral opinion to the effect that, based upon and subject to the limitations, qualifications and assumptions to be set forth in its written opinion, the \$5.30 per share in cash to be received by the holders of shares of Common Stock pursuant to the Merger Agreement was fair from a financial point of view to such holders of Common Stock. The full text of the written opinion of Goldman Sachs, dated September 28, 2007, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B to this proxy statement. The parties continued negotiations throughout the remainder of the day and evening.

On September 27, 2007, the parties engaged in negotiations to finalize the Merger Agreement and the related agreements, including the debt and equity commitment letters and the guarantees. During the evening of September 27, 2007, the board of directors convened a meeting to review the status and resolution of the final issues. Representatives of Goldman Sachs and Wilson Sonsini Goodrich & Rosati also attended this meeting. Wilson Sonsini Goodrich & Rosati provided an overview of the remaining issues to be finalized and the board of directors provided guidance to management. After considering (i) the certainty of the transaction with Bain Capital, (ii) the revised price (which represented a premium of approximately 44% over our closing price of \$3.68 on September 27, 2007), (iii) a variety of business, financial and market factors, (iv) the updated financial analyses of Goldman Sachs, including the opinion of Goldman Sachs, (v) the board's belief that no other bids were forthcoming, (vi) the fact that 3Com, with the assistance of Goldman Sachs, had extensively marketed the Company and (vii) each of the factors described below in

Reasons for the Merger; Recommendation of Our Board of Directors beginning on page 26, the board of directors determined it was in the best interests of the Company and its stockholders to enter into the Merger Agreement with Bain Capital. Accordingly, the board of directors unanimously (i) determined that the terms of the Merger were fair and in the best interests of the Company and its stockholders and declared it advisable to enter into the Merger Agreement providing for the merger of Merger Sub with and into the Company in accordance with the DGCL, upon

Agreement, and (iii) resolved to recommend that the stockholders of the Company adopt the Merger Agreement in accordance with the applicable provisions of the DGCL.

After the board meeting adjourned, the parties finalized the Merger Agreement and related documents. On the morning of September 28, 2007, prior to the opening of the market, the parties entered into the Merger Agreement, the Investors delivered their equity commitment letters and guarantees and the Investors' debt financing sources delivered their debt commitment letters. Shortly thereafter, the Company announced the transaction by a press release dated September 28, 2007.

Our board of directors, acting with the advice and assistance of the Company's independent legal and financial advisors, evaluated and negotiated the Merger proposal, including the terms and conditions of the Merger Agreement, with Newco and Merger Sub. The board of directors (i) determined that the terms of the Merger are fair and in the best interests of the Company and its stockholders and declared it advisable to enter into the Merger Agreement providing for the merger of Merger Sub with and into the Company, in accordance with the DGCL, upon the terms and subject to the conditions set forth in the Merger Agreement, (ii) approved the execution, delivery and performance of the Merger Agreement and the consummation of the transactions contemplated thereby, in accordance with the DGCL, upon the terms and conditions contained in the Merger Agreement and (iii) resolved to recommend that the stockholders of the Company adopt the Merger Agreement, in accordance with the applicable provisions of the DGCL.

In the course of reaching its determination, the board of directors considered a number of positive factors and potential benefits of the Merger, each of which the members of the board of directors believed supported its decision. The factors the board of directors considered included the following material factors:

the current and historical market prices of Common Stock and the fact that the price of \$5.30 per share represented a premium to those historical prices, a premium of approximately 44.0% to the closing share price of Common Stock on September 27, 2007, the last trading day prior to the execution of the Merger Agreement, and a premium of approximately 43.8% to the average closing price for the thirty (30) trading days prior to September 27, 2007;

the possible alternatives to the sale of 3Com, including continuing to operate 3Com on a stand-alone basis, and the risks and uncertainties associated with such alternatives, compared to the certainty of realizing in cash a fair value for their investment provided to our stockholders by the Merger;

the extensive sale process conducted by us, with the assistance of our financial and legal advisors;

the price proposed by the Investors reflected extensive negotiations between the parties and represented the highest price we had received for the acquisition of the Company;

the terms of the Merger Agreement and the related agreements, including:

the limited number and nature of the conditions to the Investors' obligation to consummate the Merger;

our ability, under certain limited circumstances, to furnish information to and conduct negotiations with third parties regarding other proposals;

our ability to terminate the Merger Agreement in order to accept a superior proposal, subject to paying Newco a termination fee of \$66 million; and

the limited number and nature of the conditions to funding set forth in the debt financing commitment letters and the obligation of Newco and Merger Sub to use their reasonable best efforts to obtain the debt financing, and if Newco and Merger Sub fail to effect the closing because of a failure to obtain the proceeds of the debt financing, to pay us a \$66 million termination fee;

Table of Contents

the fact that the merger consideration is all cash, allowing the Company's stockholders to immediately realize a fair value for their investment, while also providing such stockholders certainty of value for their shares; and

the availability of appraisal rights to holders of the Common Stock who comply with all of the required procedures under Delaware law, which allows such holders to seek appraisal of the fair value of their shares as determined by the Delaware Court of Chancery.

The board of directors also considered a variety of risks and other potentially negative factors concerning the Merger Agreement and the Merger, including the following:

the risks and costs to the Company if the Merger does not close, including the diversion of management and employee attention, potential employee attrition and the potential effect on the Company's business and its relationships with customers and suppliers;

the fact that the Company's stockholders will not participate in any future earnings or growth of the Company and will not benefit from any appreciation in value of the Company, including any appreciation in value that could be realized as a result of improvements to the Company's operations;

the requirement that we pay Newco a termination fee of \$66 million if our board of directors accepts a superior proposal;

the fact that the Company is not entitled to seek specific performance with respect to the obligations of Newco and Merger Sub or an injunction to prevent breaches of the Merger Agreement by Newco or Merger Sub;

the fact that limited guarantee is the Company's sole recourse against the Investors for payment of any termination fee;

the restrictions on the conduct of the Company's business prior to the completion of the Merger, requiring the Company to conduct its business only in the ordinary course (with various specified exceptions), subject to specific limitations, which may delay or prevent the Company from undertaking business opportunities that may arise pending completion of the Merger; and

the fact that an all cash transaction would be taxable to the Company's stockholders that are U.S. persons for U.S. federal income tax purposes.

Our board of directors also considered the financial analyses and opinion of Goldman Sachs, delivered orally to our board of directors and subsequently confirmed in writing, to the effect that, as of September 28, 2007, and based upon and subject to the factors and assumptions set forth therein, the \$5.30 per share in cash to be received by the holders of shares of Common Stock pursuant to the Merger Agreement was fair from a financial point of view to such holders. The full text of the written opinion of Goldman Sachs, dated September 28, 2007, which sets forth assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B and is incorporated in this proxy statement by reference. **Goldman Sachs provided its opinion for the information and assistance of our board of directors in connection with its consideration of the Merger. The Goldman Sachs opinion does not constitute a recommendation as to how any holder of shares of Common Stock should vote with respect to the adoption of the Merger Agreement or any other matter.**

The foregoing discussion summarizes the material factors considered by the board of directors in its consideration of the Merger. After considering these factors, as well as others, the board of directors concluded that the positive factors

relating to the Merger Agreement and the Merger outweighed the potential negative factors. In view of the wide variety of factors considered by the board of directors and the complexity of these matters, the board of directors did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors but conducted an overall analysis of the transaction. In addition, individual members of the board of directors may have assigned different weights to various factors. The board of directors unanimously approved and recommends the Merger Agreement and the Merger based upon the totality of the information presented to and considered by it.

Our board of directors recommends that you vote FOR the proposal to adopt the Merger Agreement and FOR the proposal to adjourn or postpone the special meeting, if necessary or appropriate, to solicit additional proxies.

Goldman Sachs also held discussions with members of our senior management regarding their assessment of the past and current business operations, financial condition and future prospects of 3Com, including their views of the risks and uncertainties associated with achieving the forecasts for 3Com prepared by its management. Additionally, Goldman Sachs reviewed the reported price and trading activity for shares of Common Stock, compared certain financial and stock market information for 3Com with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of certain recent business combinations in the communication technology industry specifically and in other industries generally and performed such other studies and analyses, and considered such other factors, as it considered appropriate.

For purposes of rendering its opinion, Goldman Sachs relied upon and assumed, without assuming any responsibility for independent verification, the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by it. In addition, Goldman Sachs did not make an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or off-balance-sheet assets and liabilities) of 3Com or any of our subsidiaries, nor was any such evaluation or appraisal furnished to Goldman Sachs. circumstances, developments or events which occurred after such date. The Goldman Sachs opinion was approved by a fairness committee of Goldman Sachs.

The following is a summary of the material financial analyses delivered by Goldman Sachs to our board of directors in connection with rendering the opinion described above. The following summary, however, does not purport to be a complete description of the financial analyses performed by Goldman Sachs, nor does the order of analyses described represent relative importance or weight given to those analyses by Goldman Sachs. Some of the summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Goldman Sachs financial analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before September 27, 2007 and is not necessarily indicative of current market conditions.

Historical Stock Trading and Premium Analysis. Goldman Sachs analyzed the \$5.30 merger consideration to be received by holders of shares of Common Stock in relation to the closing price of Common Stock as of September 27, 2007, the 52 week high closing price of Common Stock and the average closing price of Common Stock for the 5, 10, 20, 30, 60 and 90 trading day periods ending September 27, 2007. This analysis indicated that the \$5.30 per share in cash to be received by the holders of shares of Common Stock pursuant to the Merger Agreement represented:

a premium of 44.0% based on the closing price of \$3.680 per share on September 27, 2007;

a premium of 2.3% based on the 52 week high closing price of \$5.180 per share on November 14, 2006;

a premium of 51.8% based on the average closing price of \$3.492 per share for the 5 trading day period ended September 27, 2007;

a premium of 49.8% based on the average closing price of \$3.539 per share for the 10 trading day period ended September 27, 2007;

a premium of 43.9% based on the average closing price of \$3.683 per share for the 20 trading day period ended September 27, 2007;

a premium of 43.8% based on the average closing price of \$3.685 per share for the 30 trading day period ended September 27, 2007;

a premium of 37.1% based on the average closing price of \$3.866 per share for the 60 trading day period ended September 27, 2007; and

a premium of 30.1% based on the average closing price of \$4.075 per share for the 90 trading day period ended September 27, 2007.

Goldman Sachs also analyzed certain information relating to all of the completed cash-only mergers and acquisitions in the technology industry announced between January 1, 2004 and September 21, 2007 where both the acquiror and target were publicly traded U.S. companies with a rank value as reported in SDC, a collection of databases with information on financial transactions, greater than \$250 million. SDC calculated rank value by subtracting the value of any liabilities assumed in a transaction from the total value of consideration paid by the acquiror (excluding fees and expenses) and by adding the target's net debt. For these selected transactions, Goldman Sachs calculated the median premium represented by the consideration paid for the target's common stock based on the closing price of the target's common stock one week prior to the announcement date of the transaction, based on information obtained from SDC. The analysis resulted in a median premium of 19.5% for those selected transactions where premium data was

available. This compared to a premium of 48.0% for the Merger based on the \$5.30 merger consideration and the closing price of \$3.58 per share of Common Stock on September 21, 2007, one week prior to the announcement date of the Merger.

Although none of the selected transactions are directly comparable to the Merger and none of the companies party to the selected transactions are directly comparable to 3Com or Newco, the transactions were chosen because they involve transactions that for purposes of analysis may be considered similar to the

Table of Contents

Merger and/or involve companies with operations that for purposes of analysis may be considered similar to certain operations of 3Com or Newco.

Selected Companies Analysis. Goldman Sachs reviewed and compared certain financial information for 3Com to corresponding financial information, ratios and public market multiples for the following publicly traded companies in the enterprise/data networking industry, which Goldman Sachs refers to collectively as the networking comparables:

Avaya Inc.

Cisco Systems, Inc.

Extreme Networks, Inc.

F5 Networks, Inc.

Foundry Networks, Inc.

Netgear, Inc.

Polycom, Inc.

ZTE Corporation

Although none of the selected companies is directly comparable to 3Com, the companies included were chosen because they are publicly traded companies with operations that for purposes of analysis may be considered similar to certain operations of 3Com.

Goldman Sachs also calculated and compared various financial multiples based on information it obtained from the SEC filings and estimates provided by Institutional Brokers Estimate System, a data service that compiles estimates issued by securities analysts (IBES). The multiples of 3Com were calculated using the 3Com closing price on September 27, 2007, and the multiples of each of the selected companies were calculated using the closing price of each such selected company's common stock on September 27, 2007, except that for Avaya Inc., the multiples were calculated based on the closing price of Avaya Inc.'s common stock on May 25, 2007, representing the undisturbed price prior to the announcement of a going private transaction involving Avaya Inc. The multiples of 3Com were based on IBES estimates and estimates provided by 3Com's management including and excluding the impact of an operating subsidy from the Chinese value added tax (VAT) authorities in the form of a partial refund of VAT taxes expected to be collected by a subsidiary of 3Com that is a wholly-owned foreign enterprise (WOFE) in the People's Republic of China through calendar year 2010 from purchasers of software products (the SWOFE) given the non-recurring nature of the SWOFE. When calculating multiples excluding the SWOFE, the following adjustments were made:

subtraction of \$0.25, representing the per share present value of the SWOFE through calendar year 2010, from the share price, in the price to earnings or P/E, multiple; and

subtraction of \$101 million, representing the present value of the SWOFE through calendar year 2010, from the enterprise value, which is the market value of common equity plus the book value of debt and minority interests, less cash, in the enterprise value to revenue multiple.

The multiples for each of the selected companies were based on the most recent publicly available information. With respect to 3Com and each of the selected companies, Goldman Sachs calculated:

the closing price per share on September 27, 2007 as a multiple of estimated calendar year 2008 earnings per share and estimated calendar year 2009 earnings per share;

enterprise value as a multiple of estimated calendar year 2008 revenue and estimated calendar year 2009 revenue; and

the estimated 2008 price to earnings ratio as a multiple of the estimated five-year compounded annual earnings per share growth rate.

The results of these analyses are summarized as follows:

Using the same management projections and the \$5.30 merger consideration per share, Goldman Sachs also performed an illustrative sensitivity analysis to calculate the effect of adjustments to annual revenue growth rates and adjustments to annual earnings before interest and taxes (EBIT), margins on the range of price to earnings multiples and enterprise value to revenue multiples for calendar years 2008 and 2009. This analysis utilized a range of movements in annual revenue growth rates of (5.0%) to 2.5% and annual EBIT margins of (2.0%) to 1.0%, in each case as compared to 3Com management's projections for fiscal years 2008 through 2012. The results of this analysis were as follows:

Estimated 2008 (ex. SWOFE)	Price/Earnings		Estimated 2009 (in. SWOFE)	Enterprise Value/Revenue	
	Estimated 2009 (ex. SWOFE)	Estimated 2008 (in. SWOFE)		Estimated 2008	Estimated 2009

Illustrative Present Value of Future Share Price Analysis. Goldman Sachs performed an illustrative analysis of the implied present value of the hypothetical future price per share of Common Stock, which was designed to provide an indication of the present value of a hypothetical future value of 3Com's equity as a function of its estimated future earnings and its assumed price-to-future-earnings per share multiple. For this analysis, Goldman Sachs used the financial projections for 3Com prepared by its management. Goldman Sachs calculated the hypothetical future share price, by applying price to earnings per share multiples ranging from 16.0x to 20.0x to earnings per share estimates excluding the present value of the SWOFE, for calendar year 2009, prepared by 3Com's management. Goldman Sachs then calculated the implied present value per share of Common Stock by discounting back using annual discount rates ranging from 12.5% to 14.5% (cost of equity), and then adding the present value of the SWOFE on a per share of Common Stock basis at a discount rate of 12.5%. This analysis resulted in a range of implied present values of \$5.01

to \$6.34 per share of Common Stock.

Using the same projections and an assumed annual discount rate of 13.5% (cost of equity), Goldman Sachs performed an illustrative sensitivity analysis to determine a range of implied present values per share of Common Stock based on a range of adjustments to annual revenue growth rates of (5.0%) to 2.5% and a range of adjustments to annual EBIT margins of (2.0%) to 1.0%, in each case as compared to 3Com management's

Table of Contents

projections, applying the different assumed price to earnings multiples. The results of this analysis were as follows:

Price to Earnings Multiple	Range of Implied Present Value
16x	\$3.43 - \$5.99
18	\$3.83 - \$6.71
20	\$4.23 - \$7.43

Illustrative Discounted Cash Flow Analysis. Goldman Sachs performed an illustrative discounted cash flow analysis on 3Com using 3Com management's projections. Goldman Sachs calculated indications of present values of unlevered free cash flows for 3Com for fiscal years 2008 through 2012 using annual discount rates ranging from 11.5% to 13.5%. Goldman Sachs calculated indications of values of perpetual unlevered free cash flows based on perpetuity growth rates ranging from 2.0% to 4.0%. These illustrative terminal values were then discounted to calculate indications of implied present values using discount rates ranging from 11.5% to 13.5%. This analysis resulted in a range of implied present values of \$4.05 to \$5.75 per share of Common Stock.

Using the same projections and an assumed discount rate of 12.5% and a perpetuity growth rate of 3.0%, Goldman Sachs performed an illustrative sensitivity analysis to determine a range of implied present values per share of Common Stock based on a range of adjustments to annual revenue growth rates of (5.0%) to 2.5% and a range of adjustments to annual EBIT margins of (2.0%) to 1.0%, in each case as compared to 3Com management's projections. This analysis resulted in a range of implied present values of \$3.19 to \$5.64 per share of Common Stock.

Selected Transactions Analysis. Goldman Sachs analyzed certain information relating to selected leverage buy-out transactions involving the following target companies in the hardware and communication technology industry since February 1997:

Date	Target
February 1997	Fairchild Semiconductor Corp.
May 1999	Integrated Circuit Systems, Inc.
June 1999	Intersil Corporation
June 1999	Anam Semiconductor, Inc.
July 1999	ON Semiconductor Corporation
September 1999	Stats Chip
December 2000	AMI Semiconductor
December 2004	MagnaChip Semiconductor Ltd.
November 2005	Avago Technologies (formerly the semiconductor business of Agilent Technologies)
August 2006	NXP (formerly the semiconductor business of Royal Philips Electronics)
September 2006	Freescale Semiconductor, Inc.
June 2007	Avaya Inc.

For the Merger and each of the selected transactions, Goldman Sachs calculated and compared enterprise value as a multiple of last-twelve months earnings before interest, taxes, depreciation and amortization (EBITDA). The multiples for each of the selected transactions were based on the SEC filings and press releases. The multiples for the Merger were based on estimates provided by 3Com's management including and excluding the impact of the SWOFE. The following table presents the results of this analysis:

Multiple	Selected Transactions Median	Merger	
		Inc. SWOFE	Ex. SWOFE
Enterprise Value/LTM EBITDA	6.9x	23.0x	40.4x

Table of Contents

Although none of the selected transactions are directly comparable to the Merger and none of the companies party to the selected transactions are directly comparable to 3Com or Newco, the transactions were chosen because they involve transactions that for purposes of analysis may be considered similar to the Merger and/or involve companies with operations that for purposes of analysis may be considered similar to certain operations of 3Com or Newco.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying the Goldman Sachs opinion. In arriving at its fairness determination, Goldman Sachs considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman Sachs made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to 3Com or Newco or the contemplated transaction.

Goldman Sachs prepared these analyses for purposes of Goldman Sachs providing its opinion to our board of directors as to the fairness from a financial point of view to the holders of the shares of Common Stock of the \$5.30 per share in cash to be received by such holders pursuant to the Merger Agreement. These analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon forecasts of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of 3Com, Newco, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The merger consideration to be paid pursuant to the Merger Agreement was determined through arms length negotiations between 3Com and Newco and was approved by our board of directors. Goldman Sachs provided advice to 3Com during these negotiations. Goldman Sachs did not, however, recommend any specific amount of consideration to 3Com or our board of directors or that any specific amount of consideration constituted the only appropriate consideration for the Merger.

As described above, the Goldman Sachs opinion to our board of directors was one of many factors taken into consideration by our board of directors in making its determination to approve the Merger Agreement. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with the fairness opinion and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex B.

Pursuant to the terms of this engagement letter, 3Com has agreed to pay Goldman Sachs a transaction fee equal to approximately \$24 million, a principal portion of which is payable upon completion of the Merger. In addition, 3Com has agreed to reimburse Goldman Sachs for its expenses, including attorneys' fees and disbursements, and to indemnify Goldman Sachs and related persons against and exculpate Goldman Sachs and related persons from various liabilities, including certain liabilities under the federal securities laws.

Prospective financial information of this type is based on estimates and assumptions that are inherently subject to factors such as industry performance, general business, economic, regulatory, market and financial conditions, as well as changes to the business, financial condition or results of operation of the Company, including the factors described under Cautionary Statement Concerning Forward-Looking Information beginning on page 14. Since the prospective financial information set forth below covers multiple years, such information by its nature is subject to greater uncertainty with each successive year.

We have made publicly available our actual results for the second quarter of the 2008 fiscal year ended November 30, 2007. You should review our Quarterly Report on Form 10-Q for the quarter ended November 30, 2007 to obtain this information. See Where You Can Find More Information beginning on page 73. The prospective financial information set forth below for fiscal years 2008 through 2010, which was provided to our board of directors, Goldman Sachs, the Investors and their advisors and financing sources and other parties who expressed interest in a transaction with the Company, included the following estimates of the Company's future financial performance:

- (1) Defined to exclude the following charges from GAAP gross profit and GAAP gross profit margin: stock-based compensation expense and the inventory-related adjustment portion of the purchase accounting effects of the Company's acquisition of 49% of H3C. We are unable to provide a quantitative reconciliation because the information is not available without unreasonable effort.
- (2) Defined to exclude the following charges from GAAP operating loss or profit: restructuring, amortization, stock-based compensation expense and the inventory-related adjustment portion of the purchase accounting effects of the Company's acquisition of 49% of H3C. We are unable to provide a quantitative reconciliation because the information is not available without unreasonable effort.

In developing the prospective financial information for fiscal years 2008 through 2010, we made numerous assumptions about our industry, markets, products and services and ability to execute on our business plans. In particular, we have assumed that growth in the China market for networking and other technology products and services would continue to be robust. Among the other more significant assumptions are the following:

The prospective financial information assumes that our business would be operated on an organic basis and does not anticipate any acquisitions or divestitures during the periods covered by such information. We do, however, assume integration activities undertaken in connection with our H3C acquisition are successful.

The prospective financial information assumes that overall consolidated sales would grow at a compound annual growth rate (CAGR) for the fiscal 2008-2010 planning period of 15.2% over the revenue for fiscal 2007. (For this purpose, the revenue for fiscal 2007 excludes revenue from our connectivity division; as we decided to exit all product lines from this division, we do not assume any future revenue from it.) The consolidated CAGR over the planning period assumes the following for each of our business units: a CAGR of 16.4% for DVBU, a CAGR of 14.3% for H3C and a CAGR of 31.1% for TippingPoint. The consolidated CAGR includes the effect of eliminations for inter-company sales between the business units, whereas the business unit CAGRs described above assume sales for each business unit on a standalone basis.

With respect to gross profit margins (non-GAAP), the prospective financial information anticipates an expansion of 260 basis points for the planning period over the gross profit margin rate (non-GAAP) for fiscal 2007. The projected increases are primarily driven by the following assumptions: growth in H3C and TippingPoint revenue, which generally generate higher margins than DVBU revenue, partially offset by an assumed increase in competition expected to be faced by the H3C unit during the planning period.

With respect to operating profit (non-GAAP), supporting the projected increases are the following key assumption drivers: increased revenue and gross margin coupled with decreased operating expenses as a percentage of total revenue (substantially due to reduced general and administrative expenses). More specifically, key assumptions regarding components of operating expenses include: (1) assumed growth in absolute dollars of research and development spending over the planning period equating to approximately 13% of revenue in each of fiscal years 2008-2010; (2) assumed growth in absolute dollars of sales and marketing spending over the planning period equating to approximately 22% of revenue in each of fiscal years 2008-2010; and (3) planned significant integration (and, to a lesser extent, restructuring) actions assumed to be taken primarily during fiscal 2008, which are projected to have favorable impacts on general and administrative expenses in fiscal 2009 and fiscal 2010.

Financing of the Merger

The aggregate amount of funds necessary to complete the Merger is anticipated to be approximately \$2.54 billion, consisting of (i) approximately \$2.2 billion to pay 3Com's stockholders, option holders and holders of restricted stock and restricted stock units the amounts due to them under the Merger Agreement, assuming that no 3Com stockholder validly exercises and perfects its appraisal rights, (ii) approximately \$110 million to pay related fees and expenses in connection with the Merger and (iii) approximately

\$230 million to repay the Company's net debt. These payments are expected to be funded by Newco and Merger Sub with a combination of equity contributions by investors in Newco, debt financing obtained by Merger Sub and made available to certain wholly-owned subsidiaries of Newco, and, to the extent available, cash of 3Com. Merger Sub has obtained equity and debt financing commitments described below in connection with the transactions contemplated by the Merger Agreement.

Debt Financing

In connection with the execution and delivery of the Merger Agreement, Merger Sub has obtained debt financing commitments of up to an aggregate of \$1.2 billion consisting of (i) commitments from Citibank N.A., Hong Kong Branch, UBS AG, Singapore Branch, The Hongkong and Shanghai Banking Corporation Limited, ABN Amro Bank N.V., Bank of China (Hong Kong) Limited, China Development Bank and WestLB AG Hong Kong Branch to provide debt financing in the form of senior secured facilities consisting of (A) a term loan facility in the aggregate principal amount of up to \$750 million and (B) a revolving facility in an aggregate principal amount of \$50 million and (ii) commitments from UBS AG, Singapore Branch, Citibank, N.A. and The Hongkong and Shanghai Banking Corporation Limited to provide debt financing in the form of a bridge loan facility in an aggregate principal amount of \$400 million. Merger Sub, and immediately following the consummation of the Merger and the execution of an assignment and assumption agreement, H3C Holdings Limited, a wholly-owned indirect subsidiary of Newco, will be the borrower under the senior secured facilities (in either case, the Senior Secured Borrower) and Carbon Holdings, Inc., a newly created wholly-owned indirect subsidiary of Newco will be the borrower under the bridge loan facility (the Bridge Borrower). The proceeds under the term loan facility and a portion of the proceeds of the bridge loan facility will be divided up to Newco and then contributed as common equity to 3Com to be used by 3Com to finance, in part, the payment of the amounts payable under the Merger Agreement, the repayment of existing indebtedness and the payment of fees and expenses in connection with the Merger. The remaining portion of the proceeds of the bridge loan facility will be escrowed in a deposit account to finance interest payments under the bridge loan facility. The revolving facility will be used by the Senior Secured Borrower to finance interest payments under the senior secured facilities and to pay Equity Appreciation Rights Plan obligations incurred in connection with the previous acquisition of H3C Technologies Co., Limited and its subsidiaries by 3Com.

The facilities contemplated by the debt financing commitments are conditioned on the consummation of the Merger as well as other customary conditions, including, but not limited to:

satisfaction that since June 1, 2007, there shall not have occurred any Company Material Adverse Effect (as defined in the Merger Agreement);

the negotiation, execution and delivery of definitive documentation (which, for the senior secured facilities, must occur by January 31, 2008 (unless the applicable lenders agree to extend such date) which may be prior to the consummation of the Merger, with availability of the senior secured facilities under such definitive documentation to extend through the earlier of April 30, 2008 and the date the Merger Agreement terminates, expires or lapses);

receipt of cash equity contributions in an amount equal to greater than 50% of the total amounts funded under the term loan facility and cash equity contributions from the Investors, their affiliates and other investors, the result of which is (i) the equity held by funds advised by Bain Capital and its affiliates is equal to at least 50.1% of the issued and outstanding equity of Newco immediately after the Merger and (ii) the equity held by Huawei and its wholly-owned subsidiary is equal to at least 16.5% (and the cash equity contributions made by such parties is at least 7.5%) of the issued and outstanding equity of Newco immediately after the Merger;

for the senior secured facilities, the execution and delivery of certain license and OEM agreements, and the shareholders agreement in substantially the forms provided to the lead arrangers prior to signing of the Merger Agreement, with the absence of any amendments or modifications to such agreements that would be material and adverse to the lenders without the reasonable consent of the lead arrangers (it being understood that any waiver, amendment or modification reducing the equity held by Huawei or

Table of Contents

its wholly-owned subsidiary to below 16.5% of the issued and outstanding equity of Newco is material and adverse to the lenders);

for the bridge loan facility, the execution and delivery of an equity commitment letter from Bain Capital Fund IX, L.P. and Bain Capital Asia Fund, L.P. (the Bain Funds) to a wholly-owned indirect subsidiary of Newco, in addition to a letter of undertaking by such subsidiary in favor of the Bridge Borrower, both such letters substantially in the form attached to the debt commitment letter for the bridge loan facility without any amendment or waiver; and

the absence of any amendments to or waivers of the Merger Agreement to the extent material and adverse to the lenders without the reasonable consent of the lead arrangers.

Although the debt financing described in this proxy statement is not subject to the lenders' satisfaction with their due diligence or to a market out condition, such financing may not be considered assured. As of the date of this proxy statement, no alternative financing arrangements or alternative financing plans have been made in the event the debt financing described herein is not available as anticipated. The documentation governing the senior secured facilities and the bridge loan facility has not been finalized and, accordingly, their actual terms may differ from those described in this proxy statement.

Senior Secured Facilities

The senior secured credit facilities consist of a term loan facility and a revolving facility. The senior secured facilities will be guaranteed jointly and severally by the immediate parent corporation of the Senior Secured Borrower and certain wholly-owned subsidiaries and each subsequently acquired or organized direct or indirect wholly-owned subsidiary (subject to certain exceptions and qualifications, including an exception for any subsidiary organized under the laws of the People's Republic of China and a qualification to permit a period of time to complete any applicable whitewash procedures, the guarantors) and will be secured by substantially all of the assets of the Senior Secured Borrower and each guarantor, including a charge of all the issued share capital of the Senior Secured Borrower and certain material subsidiaries held by the Senior Secured Borrower and the guarantors (subject to certain exceptions and qualifications, including limitations related to applicable law).

Bridge Loan Facility

The bridge loan facility consists of a single facility to be drawn in full on the closing date of the Merger. The bridge loan facility will be guaranteed jointly and severally by the immediate parent corporation of the Bridge Borrower and certain wholly-owned subsidiaries of the Bridge Borrower (subject to certain exceptions) and will be secured by substantially all of the assets of the Bridge Borrower and each guarantor of the bridge loan facility, including but not limited to: (i) a charge on all of the issued share capital held by the Bridge Borrower and the guarantors, (ii) a floating charge over all assets and undertakings of the Bridge Borrower and (iii) a fixed charge over the deposit account related to the escrowed proceeds from the bridge loan facility borrowing.

Equity Financing

The Bain Funds and an affiliate of Huawei delivered an equity commitment letter to Newco pursuant to which the Bain Funds agreed to contribute equity to Newco in the amount of \$1,310,000,000 and an affiliate of Huawei agreed to contribute equity to Newco in the amount of \$106,000,000. These commitments constitute all of the equity portion of the merger financing.

Each of the equity commitment letters provides that the equity funds will be contributed to fund, and only to the extent necessary to fund, the Merger and the other transactions contemplated by the Merger Agreement, including the repayment of the Company's debt and for no other purposes. Each of the equity commitments is generally subject to certain other terms contained therein, including the satisfaction or waiver at the closing of the conditions precedent to the obligations of Newco and Merger Sub to consummate the Merger. The terms of the equity commitment letters will automatically expire on the earliest to occur of (i)

termination of the Merger Agreement, (ii) any of the Company or its affiliates asserting a claim or proceeding against any equity investor or related person under the guarantee.

Pursuant to the terms of the Merger Agreement and the equity commitment letter, the equity investors have limited rights to syndicate their equity investments to other investors.

Limited Guarantee

Pursuant to limited guarantees, each of the Bain Funds and Huawei has agreed to guarantee the obligations of Newco under the Merger Agreement with respect to the payment of any termination fee owed by Newco in the following amounts (x) \$61,050,000 less the amount of any equity which is funded or has been funded by the guarantors or their assignees to Newco (provided that, in the limited circumstances under which Newco is required to pay a termination fee of \$110,000,000, \$61,050,000 will be increased to \$101,750,000 for purposes of calculating the cap) and (y) \$4,950,000 less the amount of any equity which is funded or has been funded by the Guarantor or its assignees to Newco (provided that, in the limited circumstances under which Newco is required to pay a termination fee of \$110,000,000, \$4,950,000 will be increased to \$8,250,000 for purposes of calculating the cap). The Company's recourse against the guarantors and their related parties are limited to such amounts and the limited guarantees are the sole recourse against such parties except in the case of fraud. The guarantees will terminate upon consummation of the Merger and, except that if the Company or any of its affiliates assert a claim other than as permitted under the limited guarantee the limited guarantee will immediately terminated and become null and void.

Interests of the Company's Directors and Executive Officers in the Merger

In considering the recommendation of the board of directors to vote **FOR** the proposal to adopt the Merger Agreement, 3Com's stockholders should be aware that certain of 3Com's directors and executive officers have interests in the transaction that are different from, or in addition to, the interests of 3Com's stockholders generally. These interests may present them with actual or potential conflicts of interest, and these interests, to the extent material, are described below. The board of directors was aware of these potential conflicts of interest and considered them, among other matters, in reaching its decision to approve the Merger Agreement and the Merger and the recommendation that our stockholders vote in favor of proposal to adopt the Merger Agreement.

Treatment of Stock Options

As of the close of business on the record date, there were approximately 23,245,543 options to purchase shares of Common Stock granted under our equity incentive plans to our current executive officers and directors and each of our former directors and executive officers who served since June 1, 2006, the beginning of our last fiscal year. Under the terms of the Merger Agreement, except as otherwise agreed to by Newco and a holder of an option, each outstanding option that is unexercised as of the effective time of the Merger will become fully vested, cancelled and converted into the right to receive a cash payment equal to the number of shares of Common Stock underlying the outstanding option multiplied by the amount (if any) by which \$5.30 exceeds the option exercise price, without interest and less any applicable withholding taxes.

The following table identifies, for each of our current directors and executive officers and each of our former directors and executive officers who served since June 1, 2006, the beginning of our last fiscal year, the aggregate number of shares of Common Stock subject to his or her outstanding vested and unvested options as of September 28, 2007, the aggregate number of shares of Common Stock subject to his or her outstanding unvested options with an exercise price less than \$5.30 per share that will become fully vested in connection with the Merger, the weighted average exercise price and value of such unvested options with an exercise price less than \$5.30 per share, and the weighted average exercise price and value of his or her

Treatment of Restricted Stock

As of the close of business on the record date, there were 1,876,666 shares of restricted stock granted under our equity incentive plans to each of our current directors and executive officers and each of our former directors and executive officers who served since June 1, 2006, the beginning of our last fiscal year. Under the terms of the Merger Agreement, except as otherwise agreed to by Newco and a holder of restricted stock, all outstanding shares of restricted stock that are outstanding immediately prior to the effective time of the Merger will become fully vested and those shares will be cancelled and converted into the right to receive a cash payment equal to the number of outstanding shares of restricted stock multiplied by \$5.30, without interest and less any applicable withholding tax.

As of the close of business on the record date, there were 200,000 unvested restricted stock units granted under our equity incentive plans to Dr. Shusheng Zheng. No restricted stock units were held by our current directors and executive officers or our former directors and executive officers who served since June 1, 2006, the beginning of our last fiscal year, other than Dr. Zheng. Under the terms of the Merger Agreement, except as otherwise agreed to by Newco and a holder of a restricted stock unit, each outstanding restricted stock unit that is outstanding as of the effective time of the Merger will be treated as shares of Common Stock entitled to receive a cash payment equal to \$5.30 per share, without interest and less any applicable withholding tax.

New Employment Arrangements

As of the date of this proxy statement, no member of our management or our board of directors has entered into any amendments or modifications to existing employment agreements with us or our subsidiaries in anticipation of the Merger, nor has any executive officer who has plans or is expected to remain with the Surviving Corporation entered into any agreement, arrangement or understanding with the Investors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the Surviving Corporation. Although no such agreement, arrangement or understanding currently exists, it is generally expected that a number of our executive officers will remain after the Merger is completed, which means that such executive officers may, prior to the closing of the Merger, enter into new arrangements with the Investors or their affiliates regarding employment with, or the right to purchase or participate in the equity of, the Surviving Corporation.

Change of Control Benefits

We have entered into individual management retention agreements with our executive officers, pursuant to which each such executive officer will be entitled to receive the severance and other benefits described below if at any time within three (3) months prior to or twelve (12) months following a change of control (as described below) such executive officer is terminated without cause (as described below) or such executive officer voluntarily terminates for good reason (as described below) during such time period. We have approved two forms of management retention agreements which are described below. The first form applies to Mr. Goldman, Mr. Hamilton and

Dr. Willebeek-LeMair. The second form applies to Mr. Dechant, Mr. Zager and Dr. Zheng. Mr. Masri has change of control benefits in his employment agreement and such benefits are described below.

Following a qualifying event involving a change of control, benefits include:

A payment equal to 100% of such executive officer's annual base salary and target annual bonus. Under the first form, the payment is in a lump sum; under the second form, the payments are payable in accordance with regular payroll practices;

A pro-rated bonus payment for the year in which the change of control occurs. Under the first form, the payment is paid in a lump sum and it is pro rated based on the number of days in the fiscal year prior

Table of Contents

to the change of control event. Under the second form, the payment is made in accordance with regular payroll practices, is payable only on earned incentive bonus for the bonus period in which the termination date occurs (based on attainment of actual performance metrics) and is pro-rated based on days in the bonus period prior to the termination (unless the termination occurs prior to the change of control, in which case the pro-ration is based on the days in the bonus period prior to the change of control);

Continued coverage of employee benefits until the earlier of two (2) years from the date of termination or when such executive officer receives comparable benefits from another employer;

Full accelerated vesting of equity compensation; and

Extension of the post-termination exercise period on stock options to the lesser of the original term of the option and one (1) year (in the case of the first form) and one hundred sixty-five (165) days (in the case of the second form).

Cause is defined to mean: (i) an act of theft, embezzlement or intentional dishonesty by the executive in connection with his/her employment; (ii) the executive being convicted of a felony; (iii) a willful act by the executive officer which constitutes gross misconduct and which is injurious to the Company; or (iv) following delivery to the executive officer of a written demand for performance from the Company which describes the basis for the Company's reasonable belief that the executive officer has not substantially performed his/her duties, continued violations by the executive officer of the executive officer's obligations to the Company which are demonstrably willful and deliberate on the executive officer's part.

Good reason, while defined differently between the forms, generally includes material reductions in duties, title, authority, responsibilities, facilities or perquisites, reduction of base salary, material reduction in aggregate level of employee benefits, relocation or constructive termination.

A change of control means: (i) the acquisition by any person of 50% or more of the total voting power of our then outstanding securities; (ii) the consummation of the sale or disposition of all or substantially all company assets; (iii) the consummation of a merger or consolidation of us where the outstanding securities immediately prior thereto no longer represent at least 50% of the voting power immediately after such merger or consolidation; and solely in the case of the first form, (iv) a change in the composition of the Board during any two consecutive years, such that a majority consists of persons who are not either directors who were in office when the agreement was entered into or whose nominations were approved by a majority of the directors who were in office not in connection with a transaction described in (i) through (iii) above.

If the benefits provided constitute a parachute payment under Section 280G of the Internal Revenue Code and would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then, provided the excise tax is at least 3.59 times the base amount under Section 280G, the executive officer shall receive (i) a payment sufficient to pay such excise tax and (ii) an additional payment sufficient to pay the taxes arising as a result of such payment. If the tax is less than 3.59 times the base amount, we may reduce the benefits to the extent necessary to avoid such tax. Solely with respect to the second form, if additional taxes would result due to Internal Revenue Code Section 409A, the Company will modify the payment schedule described above so that payments do not occur until the date that is six (6) months and one (1) day after the termination date.

The benefits described above are conditioned on the executive officer signing a release of claims and a one-year non-solicitation clause. With respect to the second form, the executive officer must also sign a one-year non-competition agreement and abide by a non-disparagement clause.

Under the terms of Mr. Masri's employment agreement, if Mr. Masri's employment is terminated without cause or he resigns for good reason in connection with a change of control, he is entitled to the payment of two years of base salary plus the payment of two (2) times his target annual incentive for the year in which the termination occurs, full vesting of outstanding equity awards (other than performance-based awards), up to eighteen (18) months of reimbursement for premiums paid for coverage under the Consolidated Omnibus Budget Reconciliation Act, an extension of the period in which to exercise his stock options after termination, from the earlier of the expiration of the stock option by its terms or one hundred sixty-five (165) days,

continuation for up to one year of the \$10,000,000 term life insurance policy in effect at the time of his termination, and excise tax gross-up payments.

Assuming that each current executive officer (including Dr. Willebeek-LeMair, who ceased to be an executive officer on March 28, 2007) is involuntarily terminated for any reason other than cause or such executive officer terminates his employment for good reason following the Merger, based on a theoretical termination date of February 1, 2008, the amount of severance benefits (based on the executive officer's current salary and target incentive bonus) that would be payable is:

Name	Salary (\$)	Bonus (\$)	Benefits	Excise Tax	Total
			Continuation	Gross-up (\$)	Potential Change of Control
			(\$)		Benefits (\$)
Edgar Masri	1,300,000(1)	1,300,000(2)	50,643(3)	1,374,473(4)	4,025,116
Neal D. Goldman	375,000(5)	285,154(6)	124,886(7)		785,040
James Hamilton	350,000(5)	380,205(6)	80,535(7)		810,740
Dr. Shusheng Zheng	412,914(8)	1,831,129(9)	6,980(10)		2,251,023
Jay Zager	400,000(5)	304,164(6)	152,157(7)	569,368(4)	1,425,689
Robert Dechant	365,000(5)	277,550(6)	77,433(7)		719,983
Dr. Marc Willebeek-LeMair	350,000(5)	380,205(6)	82,985(7)		813,190

- (1) Represents two years of Mr. Masri's current salary.
- (2) Represents two times Mr. Masri's current target annual incentive bonus.
- (3) Reflects Company paid benefits continuation for 18 months and payments for the continuation of Mr. Masri's \$10,000,000 term life insurance policy for 12 months pursuant to his employment agreement.
- (4) Represents the additional amount estimated to be payable to Mr. Masri and Mr. Zager to make them whole for the federal excise tax on excess parachute payments (including payment of the taxes on the additional amount itself). This excise tax is payable if the value of certain payments that are contingent upon a change of control, referred to as parachute payments, exceeds a safe harbor amount. The computation of the excise tax is complex, is subject to various questions of interpretation and depends upon a number of variables that cannot be known at this time. 3Com engaged a third-party to assist it in preparing the excise tax calculation based upon information that we supplied regarding current and historical compensation and the provisions of our compensation and benefits arrangements.
- (5) Represents one year of such executive officer's current salary.
- (6) For Messers. Goldman, Hamilton and Willebeek-LeMair, represents one year of such executive officer's current target annual incentive bonus and a pro-rated amount equal to 8 months of target annual bonus (assuming deductions for bonuses actually paid in 1H FY 2008). For Messers. Zager and Dechant, represents one year of such executive officer's current target annual incentive bonus and a pro-rated amount equal to 2 months of earned bonus (assuming 100% attainment for 2H FY 2008).
- (7) Reflects Company paid benefits continuation for 24 months and basic term life insurance conversion pursuant to such executive officer's employment arrangement.
- (8) Represents one year of salary and one month of salary per year of Dr. Zheng's service for a total of 16.18 months of salary.
- (9)

Represents payments earned, but not yet paid, of \$1,609,920 under H3C's Equity Appreciation Rights Plan, one hundred percent of Dr. Zheng's target annual bonus of \$204,193 and pro-rated bonus payment of one month equal to \$17,016 for the year in which the change of control occurs (H3C operates on a calendar year).

(10) Represents estimated two year contribution for Chinese Compulsory Social Insurance.

Indemnification and Insurance

The Surviving Corporation has agreed to indemnify for a period of six (6) years each of our present and former officers and directors against all expenses, losses and liabilities incurred in connection with any claim,

action, suit proceeding or investigation arising out of, relating to, or in connection with, any act or omission in their capacity as an officer, director or employee occurring on or before the effective time of the Merger.

The Merger Agreement provides that we may purchase tail coverage directors and officers liability insurance policies containing the same coverage and in the same amount as the Company's existing policies and with a claims period of six (6) years from the effective time of the Merger for claims arising from facts or events that occurred on or prior to the effective time of the Merger. If we choose to purchase such tail coverage, the Surviving Corporation will maintain such tail coverage for the six (6) year period.

Material U.S. Federal Income Tax Consequences of the Merger to Our Stockholders

The following is a summary of the material U.S. federal income tax consequences of the Merger to U.S. persons (as defined below) whose shares of Common Stock are converted into the right to receive cash in the Merger. This summary does not purport to consider all aspects of U.S. federal income taxation that might be relevant to our stockholders. For purposes of this discussion, we use the term "U.S. person" to mean a beneficial owner of shares of Common Stock that is, for U.S. federal income tax purposes:

a citizen or resident of the United States;

a corporation created or organized under the laws of the United States or any of its political subdivisions;

a trust that (i) is subject to the supervision of a court within the United States and the control of one or more U.S. persons or (ii) has a valid election in effect under applicable U.S. Treasury regulations to be treated as a U.S. person; or

an estate that is subject to U.S. federal income tax on its income regardless of its source.

If a partnership (including an entity treated as a partnership for U.S. federal income tax purposes) holds Common Stock, the tax treatment of a partner generally will depend on the status of the partners and the activities of the partnership. A partner of a partnership holding Common Stock should consult its tax advisor.

This discussion is based on current law, which is subject to change, possibly with retroactive effect. It applies only to beneficial owners who hold shares of Common Stock as capital assets, and may not apply to shares of Common Stock received in connection with the exercise of employee stock options or otherwise as compensation, stockholders who validly exercise their rights under Delaware law to object to the Merger or to certain types of beneficial owners who may be subject to special rules (such as insurance companies, banks, tax-exempt organizations, financial institutions, broker-dealers, partnerships, S corporations or other pass-through entities, mutual funds, traders in securities who elect the mark-to-market method of accounting, stockholders subject to the alternative minimum tax, stockholders that have a functional currency other than the U.S. dollar or stockholders who hold Common Stock as part of a hedge, straddle or a constructive sale or conversion transaction). This discussion does not address the receipt of cash in connection with the cancellation of shares of stock appreciation rights, restricted stock units or options to purchase shares of Common Stock, or any other matters relating to equity compensation or benefit plans. This discussion also does not address the U.S. tax consequences to any stockholder who, for U.S. federal income tax purposes, is a non-resident alien individual, foreign corporation, foreign partnership or foreign estate or trust, and it does not address any aspect of state, local or foreign tax laws.

Exchange of Shares of Common Stock for Cash Pursuant to the Merger Agreement. The exchange of shares of Common Stock for cash in the Merger will be a taxable transaction for U.S. federal income tax purposes. In general, a stockholder whose shares of Common Stock are converted into the right to receive cash in the Merger will recognize

capital gain or loss for U.S. federal income tax purposes equal to the difference, if any, between the amount of cash received with respect to such shares and the stockholder's adjusted tax basis in such shares. Gain or loss will be determined separately for each block of shares (i.e., shares acquired at the same cost in a single transaction). Such gain or loss will be long-term capital gain or loss provided that a stockholder's holding period for such shares is more than twelve (12) months at the time of the

Table of Contents

consummation of the Merger. Long-term capital gains of individuals are eligible for reduced rates of taxation. There are limitations on the deductibility of capital losses.

Backup Withholding and Information Reporting. Backup withholding of tax may apply to cash payments to which a non-corporate stockholder is entitled under the Merger Agreement, unless the stockholder or other payee provides a taxpayer identification number, certifies that such number is correct and otherwise complies with the backup withholding rules. Each of our stockholders should complete and sign the Substitute Form W-9 that will be included as part of the letter of transmittal and return it to the payment agent, in order to provide the information and certification necessary to avoid backup withholding, unless an exemption applies and is established in a manner satisfactory to the payment agent.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules may be allowable as a refund or a credit against a stockholder's U.S. federal income tax liability provided the required information is timely furnished to the Internal Revenue Service.

Cash received in the Merger will also be subject to information reporting unless an exemption applies.

The U.S. federal income tax consequences described above are not intended to constitute a complete description of all tax consequences relating to the Merger. Because individual circumstances may differ, each stockholder should consult with the stockholder's tax advisor regarding the applicability of the rules discussed above to the stockholder and the particular tax effects to the stockholder of the Merger in light of such stockholder's particular circumstances, the application of state, local and foreign tax laws, and, if applicable, the tax consequences of the receipt of cash in connection with the cancellation of options, stock appreciation rights or restricted stock units to purchase shares of Common Stock, including the transactions described in this proxy statement relating to our other equity compensation and benefit plans.

Regulatory Approvals

Under the HSR Act and the rules promulgated thereunder by the FTC, the Merger cannot be completed until 3Com and Newco file a notification and report form under the HSR Act and the applicable waiting period has expired or been terminated. 3Com and Newco have filed notification and report forms under the HSR Act with the FTC and the Antitrust Division of the DOJ and the applicable waiting period under the HSR Act has expired. At any time before or after consummation of the Merger, notwithstanding the expiration of the waiting period under the HSR Act, the Antitrust Division of the DOJ or the FTC could take such action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the consummation of the Merger or seeking divestiture of substantial assets of 3Com or Newco. At any time before or after the consummation of the Merger, and notwithstanding the expiration of the waiting period under the HSR Act, any state could take such action under the antitrust laws as it deems necessary or desirable in the public interest. Such action could include seeking to enjoin the consummation of the Merger or seeking divestiture of substantial assets of 3Com or Newco. Private parties may also seek to take legal action under the antitrust laws under certain circumstances.

In addition, the Merger is subject to various foreign antitrust laws. To the extent required, 3Com and Newco filed notifications in certain foreign jurisdictions and observed the applicable waiting periods prior to completing the Merger. In all of those jurisdictions, the necessary approvals have been obtained or the applicable waiting period has expired without any objections being raised by the governmental authorities.

While there can be no assurance that the Merger will not be challenged by a governmental authority or private party on antitrust grounds, 3Com, based on a review of information provided by Newco relating to the businesses in which it and its affiliates are engaged, believes that the Merger can be effected in compliance with federal, state and foreign

antitrust laws. The term antitrust laws means the Sherman Act, as amended, the Clayton Act, as amended, the HSR Act, the Federal Trade Commission Act, as amended, and all other Federal, state and foreign statutes, rules, regulations, orders, decrees, administrative and judicial doctrines, and other laws that are designed or intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade.

The parties have made a joint voluntary filing of the transaction with the Committee on Foreign Investment in the United States (CFIUS). The parties are working closely with CFIUS to provide U.S. officials with information about the transaction.

Delisting and Deregistration of Common Stock

If the Merger is completed, the Common Stock will be delisted from Nasdaq and deregistered under the Exchange Act and we will no longer file periodic reports with the SEC on account of the Common Stock.

Litigation Related to the Merger

Between September 28, 2007 and October 10, 2007, five putative class action complaints were filed in the Court of Chancery of the State of Delaware in connection with the announcement of the proposed Merger Fisk v. 3Com Corporation, et al., Civil Action No. 3256-VCL; Bendit v. 3Com Corporation, et al., Civil Action No. 3258-VCL; Litvintchouk v. Robert Y.L. Mao, et al., Civil Action No. 3264-VCL; Kadlec v. 3Com Corporation, et al., Civil Action No. 3268-VCL; and Kahn v. 3Com Corporation, et al., Civil Action No. 3286-VCL. On October 12, 2007, the above-referenced actions were consolidated for all purposes and captioned: IN RE: 3COM SHAREHOLDERS LITIGATION, Civil Action No. 3256-VCL. An additional two putative class action complaints were filed in the Superior Court of Middlesex County, Massachusetts Tansey v. 3Com Corporation, et al., Civil Action No. 07-3768, and Davenport v. Benhamou, et al., Civil Action No. 07-3973F. On November 2 and 13, 2007, the defendants filed motions to dismiss or, in the alternative, stay the two Massachusetts proceedings. On December 20, 2007, the Davenport case was stayed pending resolution of class certification in the consolidated Delaware action captioned: IN RE: 3Com SHAREHOLDERS LITIGATION. By stipulation accepted by the court on January 23, 2008, the parties agreed to stay the Tansey case pending resolution of class certification in the consolidated Delaware action. The motion to dismiss or, in the alternative, stay filed in the Tansey case is still pending. All of the complaints name 3Com and the current members of our board of directors as defendants. All of the complaints except the Tansey and Kahn petitions also name Paul G. Yovovich, a former member of our board of directors, as a defendant. Excepting the Tansey and Davenport petitions, all of the complaints also name Bain Capital as a defendant. The Tansey complaint names Bain Capital, LLC as a defendant. The Davenport complaint also names Diamond II Acquisition Corp. and Diamond II Holdings, Inc. as defendants. Diamond II Acquisition Corp. was also named as a defendant in the Kahn complaint. The Bendit complaint also names Huawei Technologies Company as a defendant, and the Tansey complaint also names Huawei Technology Co. Ltd. as a defendant. Plaintiffs purport to represent stockholders of 3Com who are similarly situated to them. Among other things, the seven complaints allege that the proposed purchase price of \$5.30 per share is inadequate and that our directors, in approving the proposed Merger, breached fiduciary duties owed to 3Com's shareholders because they assertedly failed to take steps to maximize the value to our public stockholders. The complaints further allege that Bain Capital and, in some cases, 3Com and Huawei, aided and abetted these alleged breaches of fiduciary duty. The complaints seek class certification, damages and certain forms of equitable relief, including enjoining the consummation of the Merger and a direction to our board of directors to obtain a transaction in the best interests of 3Com's shareholders. We believe that plaintiffs' allegations are without merit, and we intend to vigorously contest these actions. There can be no assurance, however, that we will be successful in our defense of these actions.

Amendment to 3Com's Rights Plan

On September 28, 2007, the Company and American Stock Transfer & Trust Company (the Rights Agent) entered into Amendment No. 1 to the Third Amended and Restated Preferred Shares Rights Agreement between the Company and the Rights Agent, dated November 4, 2002. The amendment permits the execution of the Merger Agreement and the performance and consummation of the transactions contemplated by the Merger Agreement, including the Merger, without triggering the provisions of the rights agreement.

THE MERGER AGREEMENT

*This section of the proxy statement describes the material provisions of the Merger Agreement but does not purport to describe all of the terms of the Merger Agreement. The following summary is qualified in its entirety by reference to the complete text of the Merger Agreement, which is attached as Annex A to this proxy statement and incorporated into this proxy statement by reference. We urge you to read the full text of the Merger Agreement because it is the legal document that governs the Merger. It is not intended to provide you with any other factual information about us. Such information can be found elsewhere in this proxy statement and in the public filings we make with the SEC, as described in *Where You Can Find More Information* beginning on page 73.*

The Merger

The Merger Agreement provides for the Merger of Merger Sub with and into 3Com upon the terms, and subject to the conditions, of the Merger Agreement. As the Surviving Corporation, 3Com will continue to exist following the Merger. Upon consummation of the Merger, the directors of Merger Sub will be the initial directors of the Surviving Corporation and the officers of Merger Sub will be the initial officers of the Surviving Corporation. All Surviving Corporation officers will hold their positions until their successors are duly elected and qualified or until the earlier of their resignation or removal.

We, Newco or Merger Sub may terminate the Merger Agreement prior to the consummation of the Merger in some circumstances, whether before or after the adoption by our stockholders of the Merger Agreement. Additional details on termination of the Merger Agreement are described in *Termination of the Merger Agreement* beginning on page 60.

Effective Time; Marketing Period

The Merger will be effective at the time the certificate of merger is filed with the Secretary of State of the State of Delaware (or at a later time, if agreed upon by the parties and specified in the certificate of merger). We expect to complete the Merger as promptly as practicable after our stockholders adopt the Merger Agreement and, if necessary, the expiration of the Marketing Period described below.

Unless otherwise agreed by the parties to the Merger Agreement, the parties are required to close the Merger no later than the third (3rd) business day after the satisfaction or waiver of the conditions described under *Conditions to the Merger* beginning on page 57, except that the parties will not be obligated to close the Merger until the earliest to occur of a date before the end of the Marketing Period specified by Newco on not less than three (3) days' written notice to us and the final day of the Marketing Period.

For purposes of the Merger Agreement, *Marketing Period* means the first period of twenty (20) consecutive business days throughout which Newco has certain financial information required to be provided by the Company under the Merger Agreement in connection with Newco's financing of the Merger, which period will in no event begin prior to the date that is thirteen (13) business days before the special meeting.

The Marketing Period will not be deemed to have commenced if, prior to the completion of the Marketing Period:

Deloitte & Touche LLP shall have withdrawn its audit opinion with respect to any financial statements contained in the required financial information provided by us to Newco until a new audit opinion is issued;

we have publicly announced or announced to Newco or Merger Sub (A) our intention to restate any of our financial statements included in the financial information provided by us to Newco or (B) that any such restatement is under consideration or may be a possibility, in which case the Marketing Period will not be deemed to commence until such restatement has been completed and our SEC reports have been amended or we have announced that we have concluded no restatement will be required; or

Table of Contents

the financial statements included in the financial information provided by us to Newco on the first (1st) day of the twenty (20) day period would not be sufficiently current to fulfill the conditions of Newco's debt financing commitments.

The purpose of the Marketing Period is to provide the Investors a reasonable and appropriate period of time during which they can market and place the permanent debt financing contemplated by the debt financing commitments for the purpose of financing the Merger. To the extent the Investors do not need the benefit of the Marketing Period to market and place the debt financing, they may, in their sole discretion, determine to waive the Marketing Period and close the Merger prior to the expiration of the Marketing Period if all closing conditions are otherwise satisfied or waived.

Merger Consideration

Each share of Common Stock issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive \$5.30 in cash, without interest and less any applicable withholding taxes, other than the following shares:

shares held by holders who have properly and validly perfected their statutory rights of appraisal with respect to the Merger; and

shares held in treasury or owned by Newco or Merger Sub or any direct or indirect wholly-owned subsidiary of Newco, Merger Sub or the Company.

After the Merger is effective, each holder of a certificate representing any shares of Common Stock (other than shares for which appraisal rights have been properly and validly perfected) will no longer have any rights with respect to the shares, except for the right to receive the merger consideration. See *Dissenters' Rights of Appraisal* beginning on page 69.

Treatment of Options and Other Awards

Stock Options. Immediately prior to the effective time of the Merger, except as otherwise agreed to by the holder and Newco, all outstanding options to purchase Common Stock under the Company's equity incentive plans will become fully vested. All such options not exercised prior to the Merger will be cancelled and converted into the right to receive a cash payment equal to the number of shares of Common Stock underlying the options multiplied by the amount (if any) by which \$5.30 exceeds the exercise price, without interest and less any applicable withholding taxes.

Restricted Stock. Immediately prior to the effective time of the Merger, except as otherwise agreed by a holder and Newco, all shares of restricted stock will vest and those shares will be cancelled and converted into the right to receive a cash payment equal to the number of shares of restricted stock multiplied by \$5.30, without interest and less any applicable withholding taxes.

Restricted Stock Units. Immediately prior to the effective time of the Merger, except as otherwise agreed by a holder and Newco, all restricted stock units will vest and be settled through the issuance of shares of Common Stock and will thereafter be treated in the same manner as restricted stock.

Employee Stock Purchase Plan. Prior to the consummation of the Merger, the then-current offering period under our Employee Stock Purchase Plan will be terminated and all funds in each participant's account will be applied toward the purchase of shares of Common Stock on the terms and conditions set forth under our Employee Stock Purchase Plan.

Thereafter, those shares will be entitled to receive the merger consideration on the same basis as other shares of Common Stock. All amounts withheld by us on behalf of participants in our Employee Stock Purchase Plan that have not been used to purchase Common Stock prior to the effective time of the Merger will be returned to the participants without interest pursuant to the terms of our Employee Stock Purchase Plan.

Table of Contents

Payment for the Shares of Common Stock

Newco will designate a payment agent reasonably acceptable to us to make payment of the merger consideration as described above. At the closing of the Merger, Newco will deposit, or cause to be deposited, with the payment agent, for payment to the holders of shares of Common Stock, an amount of cash equal to the aggregate share consideration.

Following the effective time of the Merger, we will close our stock ledger. After that time, there will be no further transfer of shares of Common Stock.

Promptly following the effective time of the Merger, Newco and the Surviving Corporation will cause the payment agent to mail to you a letter of transmittal and instructions advising you how to surrender your certificates in exchange for the merger consideration. The payment agent will pay you your merger consideration after you have (i) surrendered your certificates to the payment agent and (ii) provided to the payment agent your signed letter of transmittal and any other items specified by the letter of transmittal. Interest will not be paid or accrue in respect of the merger consideration. The payment agent will reduce the amount of any merger consideration paid to you by any applicable withholding taxes. **YOU SHOULD NOT FORWARD YOUR STOCK CERTIFICATES TO THE PAYMENT AGENT WITHOUT A LETTER OF TRANSMITTAL, AND YOU SHOULD NOT RETURN YOUR STOCK CERTIFICATES WITH THE ENCLOSED PROXY.**

If any cash deposited with the payment agent is not claimed within twelve (12) months following the effective time of the Merger, such cash will be returned to the Surviving Corporation upon demand, and any holders of shares of Common Stock who have not surrendered such shares of Common Stock for exchange will become general creditors of the Surviving Corporation. Any unclaimed amounts remaining immediately prior to when such amounts would escheat to or become property of any government entity will be returned to the Surviving Corporation free and clear of any prior claims or interest thereto.

If the payment agent is to pay some or all of your merger consideration to a person other than you, as the registered owner of a stock certificate, you must have your certificates properly endorsed and otherwise in proper form for transfer, and you must pay any transfer or other taxes payable by reason of the transfer or establish to the satisfaction of Newco (or any agent designated by Newco) that the taxes have been paid or are not required to be paid.

The transmittal instructions will tell you what to do if you have lost your certificate, or if it has been stolen or destroyed. You will have to provide an affidavit to that fact and, if required by the Surviving Corporation, post a bond in an amount that the Surviving Corporation reasonably directs as indemnity against any claim that may be made against Newco, the Surviving Corporation or the payment agent with respect to the lost, stolen or destroyed certificate.

Representations and Warranties

The Merger Agreement contains representations and warranties made by us to Newco and Merger Sub and representations and warranties made by Newco and Merger Sub to us. Some of those representations and warranties may not be accurate or complete as of any particular date because they are subject to a contractual standard of materiality or material adverse effect different from that generally applicable to public disclosures to stockholders or used for the purpose of allocating risk between the parties to the Merger Agreement rather than establishing matters of fact. For the foregoing reasons, you should not rely on the representations and warranties contained in the Merger Agreement as statements of factual information.

In the Merger Agreement, 3Com, Newco and Merger Sub each made representations and warranties relating to, among other things:

corporate organization and existence;

Table of Contents

Many of 3Com's representations and warranties are qualified by a "Company Material Adverse Effect" standard. For purposes of the Merger Agreement, "Company Material Adverse Effect" is defined to mean any effect, circumstance, change, event or development, individually or in the aggregate, and taken with all other effects, circumstances, changes, events or developments, that is (or are) materially adverse to the business, operations, condition (financial or otherwise) or results of operations of 3Com and our subsidiaries, taken as a whole, other than:

general economic conditions in the United States, China or any other country, general conditions in the financial markets in the United States, China or any other country, or general political conditions in the United States, China or any other country;

general conditions in the industries in which we and our subsidiaries conduct business;

any conditions arising out of acts of terrorism, war or armed hostilities;

the announcement of the Merger Agreement or the pendency or consummation of the transactions contemplated thereby, including the impact on our relationships with our suppliers, distributors, partners, customers or employees;

any action taken by us or our subsidiaries that is required by the Merger Agreement, or the failure by us or our subsidiaries to take any action that is prohibited by the Merger Agreement;

any action that is taken, or any failure to take action, by us or our subsidiaries in either case to which Newco has approved, consented to or requested in writing;

any changes in law or generally accepted accounting principles or the interpretation of law or accounting principles;

changes in our stock price or change in the trading volume of our stock, in and of itself (provided that the underlying cause of such circumstance may be considered in determining whether is a "Company Material Adverse Effect");

any failure to meet any internal or public projections, forecasts or estimates of revenues or earnings, in and of itself (provided that the underlying cause of such failure may be considered in determining whether there is a "Company Material Adverse Effect"); or

any legal proceedings made or brought by any of the current or former stockholders of the Company resulting from, relating to or arising out of the Merger Agreement;

except in the case of the first three bullets above, to the extent such changes, effects, events, conditions or developments referred to therein affect the Company and its subsidiaries in a disproportionate manner relative to other participants in the industries in which the Company and its subsidiaries conduct business.

Conduct of Business Prior to Closing

We have agreed in the Merger Agreement that, until the consummation of the Merger, except as contemplated by the Merger Agreement or consented to in writing by Newco, with certain exceptions, we and our subsidiaries will:

carry on our business in the ordinary course of business and in compliance in all material respects with all applicable laws; and

use our reasonable best efforts to keep available the services of the current officers, key employees and consultants of the Company and each of our subsidiaries and preserve the current relationships of the Company and each of our subsidiaries with each of the customers, suppliers and other persons with whom we or any of our subsidiaries has significant business relations as is reasonably necessary to preserve substantially intact our business organization.

Table of Contents

We have also agreed that, until the consummation of the Merger, except as expressly contemplated by the Merger Agreement, with certain exceptions, or consented to in writing by Newco and Merger Sub, we and our subsidiaries will not:

amend our certificate of incorporation or bylaws or comparable organizational documents, except in connection with the dissolution or reorganization of a domestic wholly-owned subsidiary in the ordinary course of business, which subsidiary is not necessary to the operation of the business;

elect or approve any new executive officers or directors of the Company or any significant subsidiary, except in order to replace a previous executive officer or director;

issue, sell, deliver, pledge, dispose of, grant, encumber or otherwise subject to any lien (other than a permitted lien), or agree, authorize or commit to any of the foregoing any equity interest of the Company or any subsidiary except for issuances of shares of Common Stock to participants in our employee stock purchase plan;

directly or indirectly acquire, repurchase, redeem or otherwise acquire any of our or our subsidiary's equity interests, except in connection with:

stock-based awards in the ordinary course of business; or

dissolution or reorganization of one of our wholly-owned subsidiaries in the ordinary course of business;

split, combine, subdivide or reclassify any shares of capital stock, or issue or authorize any other securities in respect of, in lieu of, or in substitution for shares of our capital stock or other equity interests;

declare, set aside or pay any dividend or other distribution (whether in cash, shares or property or any combination thereof) in respect of any shares of capital stock;

done, and to assist and cooperate with the other party or parties in doing, all things necessary, proper or advisable to consummate the Merger in the most expeditious manner practicable, including causing all the conditions to the Merger to be satisfied, making all filings with governmental authorities in connection with the Merger Agreement and the consummation of the Merger and obtaining all consents under any material contracts. The parties have also agreed to defend against any lawsuit or other legal proceeding challenging the Merger Agreement, the Limited Guarantees or the transactions contemplated thereby and contest and appeal any order by any governmental authority which has or may have the effect of prohibiting or otherwise preventing the Merger in order to enable the parties to consummate the Merger.

The parties have also agreed to use reasonable best efforts to take all actions necessary so that no state takeover or other similar statute or regulation becomes applicable to the Merger and if any such statute or regulation does become applicable, to use reasonable best efforts to ensure that the Merger may be consummated as promptly as practicable on the terms contemplated by the Merger Agreement and otherwise minimize the effect of such statute or regulation on the Merger.

The Merger Agreement limits our obligation to incur any fees or liabilities with respect to the debt or equity financing prior to the effective time of the Merger.

Debt Financing

Newco has agreed to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to arrange and obtain the debt financing on the terms and conditions described in the debt commitment letters (or terms no less favorable to Newco and no more conditional than the terms described therein as determined in the reasonable judgment of Newco), including by:

maintaining in effect the debt commitment letters until execution and delivery of the definitive documentation contemplated by such debt commitment letters;

negotiating and entering into the senior secured credit agreement and bridge agreement with respect to the debt financing on the terms and conditions reflected in the debt commitment letters or on other terms no less favorable, in the aggregate, to Newco at or prior to the earlier of the expiration of the debt commitment letters or the effective time of the Merger;

satisfying on a timely basis all conditions applicable to Newco and Merger Sub in the debt commitment letters and the senior secured credit agreement and bridge agreement that are within their control; and

enforcing its rights under the debt commitment letters, the senior secured credit agreement and the bridge agreement.

Newco may amend, restate, supplement, modify or supersede the debt commitment letters, senior secured credit agreement and/or bridge agreement to add one or more lenders, lead arrangers, bookrunners, agents or similar entities which had not executed the debt commitment letters as of the date of the Merger Agreement, to increase the amount of indebtedness, to replace or modify one or more facilities with one or more new facilities or otherwise amend, supplement or modify the debt commitment letters, senior secured credit agreement and/or the bridge agreement or otherwise, provided that the new debt financing commitments:

do not expand or adversely amend the conditions to the debt financing set forth in the debt commitment letters, in any material respect;

are not reasonably be expected to delay or prevent the Closing;

do not reduce the aggregate amount of available debt financing (unless replaced with an amount of new equity financing).

In the event any portion of the debt financing becomes unavailable on the terms and conditions contemplated in the debt commitment letters or the senior secured credit agreement or bridge agreement for any reason, as promptly as practicable following the occurrence of such event Newco has agreed to use its reasonable best efforts to obtain alternative financing from alternative sources on terms that are not less favorable, in the aggregate, to Newco (as determined in the reasonable judgment of Newco) than the debt financing contemplated by the debt commitment letters.

Equity Financing

Newco has agreed to use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to obtain the equity financing, including by:

maintaining in effect the equity commitment letter; and

satisfying on a timely basis all conditions applicable to Newco in such equity commitment letter that are within its control, if any.

In addition, Newco and Merger Sub may enter into arrangements and agreements relating to the equity financing for the transactions contemplated by the Merger Agreement to add other equity financing sources, provided that:

any new sources of equity financing are limited partners of the Guarantors or their affiliates or are not stockholders of the Company;

Table of Contents

the aggregate amount of the equity financing is not reduced;

the arrangements and agreements, in the aggregate, would not be reasonably likely to delay or prevent the Closing (as determined in the reasonable judgment of Newco); or

the arrangements and agreements would not diminish or release the obligations of the Guarantors to Newco or Merger Sub under the equity commitment letters, adversely affect the rights of Newco or Merger Sub to enforce their rights against the Guarantors under the equity commitment letters, or otherwise constitute a waiver or reduction of the rights of Newco or Merger Sub under the equity commitment letters.

Conditions to the Merger

Conditions to Each Party's Obligations. Each party's obligation to complete the Merger is subject to the satisfaction or waiver of the following conditions:

the Merger Agreement must have been adopted by the affirmative vote of the holders of a majority of the shares of Common Stock outstanding on the record date for the special meeting;

any waiting period (and any extension thereof) under the HSR Act shall have expired or been terminated, any waiting period (and any extension thereof) under the antitrust laws of various other jurisdictions shall have expired or been terminated, and clearances, consents, approvals, orders and authorizations from certain government authorities shall have been obtained; and

no court of competent jurisdiction or other governmental authority shall have (i) enacted, issued or promulgated any law that is in effect and has the effect of making the Merger illegal or which has the effect of prohibiting or otherwise preventing the consummation of the Merger or (ii) issued or granted any order that is in effect or has the effect of making the Merger illegal or which has the effect of prohibiting or otherwise preventing the consummation of the Merger.

Conditions to Newco's and Merger Sub's Obligations. The obligations of Newco and Merger Sub to complete the Merger are subject to the satisfaction or waiver of the following additional conditions, any of which may be waived exclusively by Newco:

our representations and warranties with respect to our authority to complete the Merger, approval by our stockholders, our organization and good standing, brokers, our stockholder rights plan, and state anti-takeover laws must each be true and correct in all material respects as of the closing date with the same force and effect as if made on and as of such date (except for those representations and warranties made by us that address matters only as of a particular date which need only be true and correct in all material respects as of such particular date);

our representations and warranties with respect to our capitalization and our indebtedness must each be true and correct as of the date of the closing date with the same force and effect as if made on and as of such date (except for those representations and warranties that address matters only as of a particular date which need only be true and correct as of such particular date), except for such inaccuracies that do not, individually or in the aggregate, exceed \$15,000,000;

all other representations and warranties made by us in the Merger Agreement, must be true and correct as of the closing date with the same force and effect as if made on and as of such date (except for any representations

made by us as of a specific date which need only be so true and correct as of the date made (without giving effect to any qualification as to materiality or Company Material Adverse Effect (but not dollar thresholds) set forth in such representations and warranties), except as contemplated under the Merger Agreement or where the failure to be so true and correct has not had and would not reasonably be expected to have a Company Material Adverse Effect ;

we must have performed in all material respects all obligations we are required to perform under the Merger Agreement at or prior to the closing date;

Table of Contents

we must deliver to Newco and Merger Sub at closing a certificate with respect to the satisfaction of the foregoing conditions relating to representations, warranties and obligations; and

no effect shall have arisen or occurred following the execution of the Merger Agreement that is continuing and that has had or is reasonably expected to have a Company Material Adverse Effect.

Conditions to 3Com's Obligations. Our obligation to complete the Merger is subject to the satisfaction or waiver of the following further conditions, any of which may be waived exclusively by us:

the representations and warranties of Newco and Merger Sub set forth in the Merger Agreement must be true and correct on and as of the closing date with the same force and effect as if made on and as of such date, except where the failure of such representations and warranties to be so true and correct would not, individually or in the aggregate, prevent or materially delay the consummation of the transactions contemplated by the Merger Agreement or the ability of Newco and Merger Sub to fully perform their respective covenants and obligations under the Merger Agreement, provided that those representations and warranties which address matters only as of a particular date need only be so true and correct as of such particular date;

Newco and Merger Sub must have performed in all material respects all obligations that are to be performed by them under the Merger Agreement at or prior to the closing date; and

Newco and Merger Sub must deliver to us at closing a certificate with respect to the satisfaction of the foregoing conditions relating to representations, warranties and obligations.

If a failure to satisfy one of these conditions to the Merger is not considered by our board of directors to be material to our stockholders, the board of directors could waive compliance with that condition. Our board of directors is not aware of any condition to the Merger that cannot be satisfied. Under Delaware law, after the Merger Agreement has been adopted by our stockholders, the merger consideration cannot be changed and the Merger Agreement cannot be altered in a manner adverse to our stockholders without re-submitting the revisions to our stockholders for their approval.

Restrictions on Solicitations of Other Offers

The Merger Agreement provides that, from and after the date of the Merger Agreement, the Company and our subsidiaries have agreed not to directly or indirectly:

solicit, initiate, propose or induce the making, submission or announcement of, or knowingly encourage, facilitate or assist, an alternative acquisition proposal;

furnish to any person (other than Newco, Merger Sub or any designees of Newco or Merger Sub) any non-public information relating to the Company or any of our subsidiaries, or afford to any person access to the business, properties, assets, books, records or other non-public information, or to any personnel, of the Company or any of our subsidiaries (other than Newco, Merger Sub or any designees of Newco or Merger Sub) in any such case (A) with the intent to induce the making, submission or announcement of, or to encourage, facilitate or assist, an alternative acquisition proposal or any inquiries or the making of any proposal that would reasonably be expected to lead to an alternative acquisition proposal or (B) outside the ordinary course of business;

participate, engage in or continue discussions or negotiations with any person with respect to any alternative acquisition proposal or furnish any party (other than Newco, Merger Sub or any designee of Newco or Merger Sub) information about such discussions or negotiations other than in public statements or other disclosures;

approve, endorse or recommend an acquisition or takeover proposal other than the Merger; or

enter into, or authorize the Company or any of our subsidiaries to enter into, any letter of intent, memorandum of understanding or other contract or agreement in principle contemplating or otherwise relating to an alternative acquisition transaction.

Table of Contents

Notwithstanding the aforementioned restrictions, at any time prior to the approval of the Merger Agreement by our stockholders, we are permitted to participate or engage in discussions or negotiations with, and/or furnish any non-public information relating to the Company or any of our subsidiaries or afford access to the business, properties, assets, books, records or other non-public information, or to the personnel, of the Company or any of our subsidiaries to any person that has made a bona fide unsolicited written acquisition proposal, provided that our board of directors determines in good faith (after consultation with its independent financial advisor and outside legal counsel) that such acquisition proposal either constitutes a superior proposal or is reasonably likely to lead to a superior proposal.

We are required, upon receipt of such acquisition proposal, promptly (and in any event within 48 hours) to provide Newco a copy of any such acquisition proposal or superior proposal made in writing, or a written summary of the material terms of any such acquisition proposal or superior proposal not made in writing. We will keep Newco reasonably informed of any material developments regarding any acquisition proposal and, upon the reasonable request of Newco, apprise Newco of the status of such acquisition proposal.

We are required contemporaneously to provide to Newco any non-public information concerning us or our subsidiaries provided to such other person which was not previously provided to Newco. We agree that we and our subsidiaries will not enter into any confidentiality agreement with any person which will prohibit us from complying with our obligations under the Merger Agreement.

An acquisition proposal means any offer or proposal (other than an offer or proposal by Newco or Merger Sub) to engage in an acquisition transaction from any person or group as defined in Section 13(d) of the Exchange Act.

An acquisition transaction means any transaction or series of related transactions (other than the transactions contemplated by the Merger Agreement) involving: (i) the purchase or other acquisition from the Company by any person or group (as defined in or under Section 13(d) of the Exchange Act), directly or indirectly, of twenty percent (20%) or more of the Common Stock outstanding as of the consummation of such purchase or other acquisition, or any tender offer or exchange offer by any person or group (as defined in or under Section 13(d) of the Exchange Act) that, if consummated in accordance with its terms, would result in such person or group beneficially owning twenty percent (20%) or more of the Common Stock outstanding as of the consummation of such tender or exchange offer; (ii) a merger, consolidation, business combination, stock exchange, recapitalization, liquidation, issuance of or amendment to terms of outstanding stock or other securities, or other similar transaction involving the Company pursuant to which the stockholders of the Company immediately preceding such transaction (in their capacities as such) hold eighty percent (80%) or less of the Common Stock or consolidated assets of the Company or our subsidiaries taken as a whole (either as measured by the fair market value thereof or by the revenues or earnings on a consolidated basis attributable thereto) in the surviving or resulting entity of such transaction; (iii) a sale, transfer, acquisition or disposition of twenty percent (20%) or more of the consolidated assets of the Company and our subsidiaries taken as a whole (either as measured by the fair market value thereof or by the revenues or earnings on a consolidated basis attributable thereto); or (iv) any combination of the foregoing.

A superior proposal means any bona fide written acquisition proposal (provided that, for purposes of this definition, all references in the definition of acquisition transaction to twenty percent (20%) shall be references to fifty percent (50%) and the reference therein to eighty percent (80%) shall be a reference to fifty percent (50%)) with respect to which our board of directors shall have determined in good faith (after consultation with its independent financial advisor and outside legal counsel) that the acquisition transaction contemplated by such acquisition proposal would be more favorable to the Company's stockholders (in their capacity as such) than the Merger, after taking into account all the terms and conditions of such proposal (including the financial aspects of such proposal, the likelihood, ability to finance, conditionality and timing of consummation of such proposal) and the Merger Agreement (including any changes to the terms of the Merger Agreement proposed by Newco to the Company in writing in response to such

proposal or otherwise).

Recommendation Withdrawal/Termination in Connection with a Superior Proposal

The Merger Agreement requires us to duly call, give notice of, convene and hold a meeting of our stockholders to adopt the Merger Agreement. Our board of directors has unanimously resolved to recommend that our stockholders adopt the Merger Agreement. Our board of directors, however, may, at any time prior to the adoption of the Merger Agreement by our stockholders, withhold, withdraw, amend, change, qualify or modify in a manner adverse to Newco, or publicly propose to withhold, withdraw, amend, change, qualify or modify in a manner adverse to Newco, its recommendation in favor of adoption of the Merger Agreement, or approve, adopt or recommend to our stockholders any acquisition proposal, or publicly propose to approve, adopt or recommend to our stockholders any acquisition proposal, or make any public statement in connection with a tender offer or exchange offer that does not include a reaffirmation of its recommendation in favor of the adoption of the Merger Agreement or terminate the Merger Agreement and enter into a definitive agreement with respect to a superior proposal if we receive a bona fide written takeover proposal and if:

our board of directors determines in good faith (after consultation with its independent financial advisors and outside legal counsel) constitutes a superior proposal; and

the failure to take such action would reasonably be expected to be a breach of its fiduciary duties.

To the extent the board proposes to take the foregoing actions with regard to its recommendation, it may only do so after:

concurrently terminating the Merger Agreement;

giving Newco at least five (5) business days prior written notice of its intention to take such action and providing Newco a copy of the relevant proposed transaction agreement and other material documents with the party making such superior proposal; and

negotiating in good faith with Newco (if requested by Newco) during the five (5) business day notice period to enable Newco to propose changes to the terms of the Merger Agreement, the financing commitment letters and/or the limited guarantees that would cause such superior proposal to no longer constitute a superior proposal.

In addition, we are not entitled to enter into any agreement with respect to a superior proposal unless the Merger Agreement has been or is concurrently terminated in accordance with its terms and we have concurrently paid to Newco the \$66 million termination fee as described in further detail in Termination Fees and Expenses beginning on page 62.

Termination of the Merger Agreement

The Merger Agreement may be terminated at any time prior to the consummation of the Merger, whether before or after stockholder approval has been obtained:

by mutual written consent of Newco and 3Com;

by either 3Com or Newco if:

the Merger is not consummated by April 28, 2008 (the Termination Date); *provided, however*, that the terminating party has not taken any action in breach of the Merger Agreement or failed to take action in breach of the Merger Agreement that was the principal cause of or resulted in any of the conditions to the Merger set forth in Article VIII of the Merger Agreement, including those conditions described in Conditions to the Merger beginning on page 57, having failed to be satisfied by the Termination Date;

any court of competent jurisdiction or other governmental authority has enacted, issued or promulgated any law or issued or granted any order that is in effect and has the effect of making the Merger illegal or which has the effect of prohibiting or otherwise preventing the consummation of the Merger, and such order has become final and non-appealable; *provided, however*, that the terminating party has used its reasonable best efforts to contest, appeal and remove such order and

such terminating party has not taken any action in breach of the Merger Agreement or failed to take action in breach of the Merger Agreement that was the principal cause of, or resulted in, the passage of such law or the issuance of such order; or

the Company has failed to obtain the stockholder approval at the special meeting (or any adjournment or postponement thereof), provided that the Company may not so terminate if it or its representatives have materially violated their obligations relating to (i) non-solicitation of alternative acquisition transactions, (ii) recommending that our shareholders approve the proposal to adopt the Merger Agreement, (iii) holding the special meeting or (iv) this proxy statement or any other document that is required to be filed by us with the SEC;

by 3Com if:

Newco and/or Merger Sub has breached or otherwise violated any of their respective covenants, agreements or other obligations under the Merger Agreement, or any of the representations and warranties of Newco and Merger Sub set forth in the Merger Agreement have become inaccurate, in either case such that the conditions to the Merger described above in the first two bullet points in Conditions to 3Com's Obligations are not capable of being satisfied (with or without cure of such breach or violation) by the Termination Date, provided that 3Com is not then in breach of any of its representations, warranties, covenants or other agreements that would result in the closing conditions described above in the first four bullet points in Conditions to Newco's and Merger Sub's Obligations not being satisfied;

all of the conditions to the obligations of Newco and Merger Sub to consummate the Merger have been satisfied or waived (to the extent permitted under the Merger Agreement) and Newco and Merger Sub have breached their obligation to cause the Merger to be consummated;

(i) all of the conditions to the obligations of Newco and Merger Sub to consummate the Merger described above in Conditions to Each Party's Obligations and Conditions to Newco's and Merger Sub's Obligations have been satisfied or waived (to the extent permitted under the Merger Agreement), (ii) the debt financing contemplated by the debt commitment letters, senior secured credit agreement and/or bridge agreement (or any replacement, amended, modified or alternative debt commitment letters, senior secured credit agreement and/or bridge agreement) has funded or would be funded pursuant to the terms and conditions set forth in such debt commitment letters, senior secured credit agreement and/or bridge agreement upon funding of the equity financing contemplated by the equity commitment letters; (iii) Newco and Merger Sub have breached their obligation to cause the Merger to be consummated and (iv) a U.S. Federal regulatory agency (that is not an antitrust regulatory agency) has not informed Newco, Merger Sub or the Company that it is considering taking action to prevent the Merger unless the parties or any of their affiliates agree to satisfy specified conditions (which may but need not include divestiture of a material portion of the Company's business), or such regulatory agency has informed the parties that it is no longer considering such action; or

by Newco if:

the Company has breached or otherwise violated any of its covenants, agreements or other obligations under the Merger Agreement, or any of the representations and warranties of the Company set forth in the Merger Agreement have become inaccurate, in either case such that the conditions to the Merger described above in the first four bullet points in Conditions to Newco's and Merger Sub's Obligations are not capable of being satisfied (with or without cure) by the Termination Date, provided that Newco is not then in breach of any representations, warranties, covenants or other agreements that would result in the closing conditions described above in the first two bullet points in Conditions to 3Com's Obligations not being satisfied; or

(i) our board of directors or any committee of the board of directors has for any reason effected a change of recommendation; (ii) a tender offer or exchange offer for Common Stock that constitutes an acquisition proposal (whether or not a superior proposal) is commenced and, within five (5) business days after the public announcement of the commencement of such acquisition proposal, the Company has not

issued a public statement (and filed a Schedule 14D-9 pursuant to Rule 14e-2 and Rule 14d-9 promulgated under the Exchange Act reaffirming the board of director s recommendation in favor of the Merger and recommending that the Company s stockholders reject such acquisition proposal and not tender any shares of Common Stock into such tender or exchange offer; (iii) the Company fails to hold a stockholder vote with respect to the adoption of the Merger Agreement in accordance with the DGCL at the Company Stockholder Meeting within thirty (30) days of the mailing of this proxy statement; or (iv) the board of directors has failed to publicly reconfirm the board of director s recommendation in favor of the Merger prior to receipt of the stockholder approval, within two (2) business days of a written request from Newco to do so; *provided, however*, that Newco may not terminate the Merger Agreement within the five (5) business day period contemplated by clause (ii) above.

The Merger Agreement may also be terminated by 3Com prior to the special meeting in order to enter into a definitive agreement for a superior proposal, provided that 3Com subsequently pay Newco a termination fee, as described in further detail in Recommendation Withdrawal/Termination in Connection with a Superior Proposal beginning on page 60.

Termination Fees and Expenses

Payable by 3Com

We have agreed to pay Newco (or its designee) a termination fee of \$66 million if:

we terminate the Merger Agreement prior to the special meeting for a change of recommendation of our board of directors in connection with a superior proposal (as such is described in Restrictions on Solicitations of Other Offers beginning on page 58 and Recommendation Withdrawal/Termination in Connection with a Superior Proposal beginning on page 60);

Newco terminates the Merger Agreement because our board of directors:

(i) withdraws (or modifies or qualifies in a manner adverse to Newco), or publicly proposes to withdraw (or modify or qualify in a manner adverse to Newco), its recommendation that our stockholders adopt the Merger Agreement, (ii) approves, adopts or recommends to our stockholders an alternative acquisition proposal or (iii) makes any public statement in connection with a tender or exchange offer unless such statement includes a reaffirmation of the board s recommendation in favor of the Merger Agreement;

fails to include its recommendation that our stockholders adopt the Merger Agreement in this proxy statement;

within five (5) business days following the public announcement of a tender offer or exchange offer that constitutes an alternative acquisition proposal fails to issue a public statement reaffirming the board s recommendation in favor of the Merger and recommending that the Company s stockholders reject such alternative acquisition proposal;

fails to hold a stockholder vote with respect to adoption of the Merger Agreement within thirty (30) days of the mailing of this proxy statement; or

fails to publicly reconfirm its recommendation in favor of the Merger within two (2) business days of a written request from Newco to do so;

we or Newco terminate the Merger Agreement because the Merger is not consummated by the Termination Date and at the time of such termination the closing conditions relating to regulatory approvals and the absence of legal prohibitions are capable of being satisfied or would be capable of being satisfied, but for a breach by the Company of its obligations under the Merger Agreement, provided that the reason the Merger has not been consummated by the Termination Date is not attributable to a breach by Newco or Merger Sub of their respective obligations under the Merger Agreement, which breach has resulted in a failure to satisfy the closing condition relating to regulatory

approvals or the closing condition relating to the absence of legal prohibitions or the closing conditions described above in the first two bullets in Conditions to 3Com's Obligations and provided that

prior to such termination an alternative transaction proposal has been publicly announced or become publicly known or a person or group has publicly disclosed an intention to make such a proposal, and the foregoing is not withdrawn, and

within twelve (12) months after such termination, we enter into a definitive agreement providing for a competing acquisition transaction and such acquisition is subsequently consummated;

we or Newco terminate the Merger Agreement because our stockholders, at the special meeting or any adjournment or postponement thereof at which the Merger Agreement was voted on, fail to adopt the Merger Agreement, and

prior to the special meeting an alternative acquisition transaction had been publicly announced or become publicly known or a person or group had publicly disclosed an intention to make such a proposal, and the foregoing was not withdrawn, and

within twelve (12) months after such termination, we enter into a definitive agreement providing for a competing acquisition transaction and such acquisition is subsequently consummated.

We have also agreed to reimburse Newco's and Merger Sub's out-of-pocket fees and expenses incurred in connection with the Merger Agreement (including in connection with the equity and debt financing), up to an aggregate of \$20 million, if either the Company or Newco terminates the Merger Agreement because of the failure to receive Company stockholder approval at the special meeting or any adjournment or postponement thereof at which the Merger Agreement was voted on.

Payable by Newco

Newco has agreed to pay us a termination fee of \$66 million if we terminate the Merger Agreement in the situation where:

all conditions to the obligations of Newco and Merger Sub to close have been satisfied or waived (to the extent permitted under the Merger Agreement) and Newco and Merger Sub have failed to consummate the Merger pursuant to the terms of the Merger Agreement; or

(i) the Merger is not consummated by the Termination Date; (ii) all conditions to the obligations of 3Com, Newco and Merger Sub to close have been satisfied (other than with respect to the condition as set forth in the following clause (iii)); and (iii) a U.S. federal regulatory agency (that is not an antitrust regulatory agency) has informed Newco, Merger Sub or the Company (or their representatives) that it intends to take action to prevent the Merger.

Newco has agreed to pay us a termination fee of \$110 million if we terminate the Merger Agreement in the situation where: (i) all conditions to the obligations of Newco and Merger Sub to close have been satisfied (to the extent permitted under the Merger Agreement); (ii) the debt financing contemplated by the debt commitment letters, senior secured credit agreement and/or bridge agreement or any replacement, amended, modified or alternative debt commitment letters, senior secured credit agreement and/or bridge agreement has funded or would be funded pursuant to the terms and conditions set forth in such debt commitment letters, senior secured credit agreement and/or bridge agreement upon funding of the equity financing contemplated by the equity commitment letters; (iii) Newco and

Merger Sub have breached their obligation to cause the Merger to be consummated pursuant to the terms of the Merger Agreement; and (iv) a U.S. Federal regulatory agency (that is not an antitrust regulatory agency) has not informed Newco, Merger Sub or the Company that it is considering taking action to prevent the Merger unless the parties or any of their affiliates agree to satisfy specified conditions (which may but need not include divestiture of a material portion of the Company's business), or such regulatory agency has informed the parties that it is no longer considering such action.

Table of Contents**Remedies**

In the event that the Company or Newco receive a termination fee as described above, such fee shall be deemed to be liquidated damages for any and all damages incurred by the party receiving such fee in connection with the matter forming the basis for such termination and no other claims may be brought with respect to such matters. Except in the case of fraud, the Company's right to receive the termination fee as described above is the sole and exclusive remedy of the Company against Newco, Merger Sub, the Investors and any of their affiliates for any damages suffered as a result of a failure of the Merger to be consummated, or for a breach or failure to perform under the Merger Agreement or otherwise. Except in the case of fraud, Newco's right to receive the termination fee as described above in circumstances that such fee is payable, or to recover damages from the Company in circumstances that such fee is not payable, is the sole and exclusive remedy of Newco, Merger Sub and their affiliates against the Company, its subsidiaries and any of its affiliates for any damages suffered as a result of a failure of the Merger to be consummated, or for a breach or failure to perform under the Merger Agreement or otherwise. In addition, Newco and Merger Sub are entitled to seek specific performance of the terms and provisions of the Merger Agreement with respect to the obligations of the Company, including seeking an injunction to prevent or restrain breaches or threatened breaches of the Merger Agreement by the Company and enforcing compliance with the covenants and obligations of the Company under the Merger Agreement. The Company is not entitled to seek specific performance with respect to the obligations of Newco and Merger Sub, including an injunction to prevent breaches of the Merger Agreement by Newco or Merger Sub.

Indemnification and Insurance

Newco shall, and shall cause the Surviving Corporation and its subsidiaries to, honor and fulfill in all respects the obligations of the Company and its subsidiaries under any and all indemnification contracts between the Company or any of its subsidiaries and any of their respective current or former directors and officers and any person who becomes a director or officer of the Company or any of its subsidiaries prior to the effective time of the Merger (the Indemnified Persons). In addition, during the period commencing at the effective time of the Merger and ending on the sixth anniversary of the effective time of the Merger, the Surviving Corporation and its subsidiaries shall (and Newco shall cause the Surviving Corporation and its subsidiaries to) cause the certificate of incorporation and bylaws (and other similar organizational documents) of the Surviving Corporation and its subsidiaries to contain provisions with respect to indemnification, exculpation and the advancement of expenses, covering acts and omissions of directors and officers (and any other employees or agents who otherwise would be entitled to similar benefits thereunder pursuant to the terms thereof in effect on the date of the Merger Agreement), in each case in their respective capacities as such, occurring at or prior to the effective time of the Merger, that are at least as favorable as the indemnification, exculpation and advancement of expenses provisions contained in the certificate of incorporation and bylaws (or other similar organizational documents) of the Company and its subsidiaries as of the date of the Merger Agreement, and during such six-year period, such provisions shall not be repealed, amended or otherwise modified in any manner except as required by applicable law.

The Surviving Corporation and its subsidiaries shall (and Newco shall cause the Surviving Corporation and its subsidiaries to) indemnify and hold harmless each Indemnified Person from and against any costs, fees and expenses (including reasonable attorneys' fees and investigation expenses), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, proceeding, investigation or inquiry, whether civil, criminal, administrative or investigative, to the extent such claim, proceeding, investigation or inquiry arises directly or indirectly out of or pertains directly or indirectly to (i) any action or omission or alleged action or omission in such Indemnified Person's capacity as a director, officer, employee or agent of the Company or any of its subsidiaries or other affiliates occurring at or prior to the effective time of the Merger, or (ii) any of the transactions contemplated by the Merger Agreement, in each case regardless of whether such claim, proceeding, investigation or inquiry is made,

occurs or arises prior to, at or after the effective time of the Merger.

Prior to the effective time of the Merger, the Company may purchase a six-year tail prepaid policy on the directors and officers liability insurance. In the event that the Company purchases such a tail policy

Table of Contents

prior to the effective time of the Merger, Newco and the Surviving Corporation shall maintain such tail policy in full force and effect and continue to honor their respective obligations thereunder, in lieu of all other obligations of Newco and the Surviving Corporation for so long as such tail policy shall be maintained in full force and effect. In the event that the Company does not so purchase a tail policy prior to the effective time of the Merger, during the period commencing at the effective time of the Merger and ending on the sixth anniversary of the effective time of the Merger, Newco and the Surviving Corporation shall maintain in effect the Company's current directors' and officers' liability insurance in respect of acts or omissions occurring at or prior to the effective time of the Merger, covering each person covered by the Company's current directors' and officers' liability insurance, on terms with respect to the coverage and amounts that are equivalent to those of the Company's current directors' and officers' liability insurance. In satisfying their obligations with respect to directors' and officers' liability insurance, Newco and the Surviving Corporation are not obligated to pay annual premiums in excess of 300% of the amount we paid for coverage for our last full fiscal year. If the annual premiums of such insurance coverage exceed such amount, Newco and the Surviving Corporation are obligated to obtain a policy with the greatest coverage available for a cost not exceeding that 300% maximum.

Amendment, Extension and Waiver

The parties may amend the Merger Agreement at any time, except that after our stockholders have adopted the Merger Agreement, there shall be no amendment that by law requires further approval by our stockholders without such approval having been obtained. All amendments to the Merger Agreement must be approved by the parties' respective boards of directors and shall be in a writing signed by us, Newco and Merger Sub.

At any time before the consummation of the Merger, each of the parties to the Merger Agreement may, by written instrument:

extend the time for the performance of any of the obligations or other acts of the other parties;

waive any inaccuracies in the representations and warranties made to such party contained in the Merger Agreement or in any document delivered pursuant to the Merger Agreement; or

waive compliance with any of the agreements or conditions for the benefit of such party contained in the Merger Agreement.

DISSENTERS RIGHTS OF APPRAISAL

Under the General Corporation Law of the State of Delaware (the "DGCL"), you have the right to dissent from the Merger and to receive payment in cash for the fair value of your Common Stock as determined by the Delaware Court of Chancery, together with a fair rate of interest, if any, as determined by the court, in lieu of the consideration you would otherwise be entitled to pursuant to the Merger Agreement. These rights are known as appraisal rights. The Company's stockholders electing to exercise appraisal rights must comply with the provisions of Section 262 of the DGCL in order to perfect their rights. The Company will require strict compliance with the statutory procedures.

The following is intended as a brief summary of the material provisions of the Delaware statutory procedures required to be followed by a stockholder in order to dissent from the Merger and perfect appraisal rights.

This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to Section 262 of the DGCL, the full text of which appears in Annex C to this proxy statement. Failure to precisely follow any of the statutory procedures set forth in Section 262 of the DGCL may result in a termination or waiver of your appraisal rights.

Section 262 requires that stockholders be notified that appraisal rights will be available not less than twenty (20) days before the stockholders' meeting to vote on the Merger. A copy of Section 262 must be included with such notice. This proxy statement constitutes the Company's notice to its stockholders of the availability of appraisal rights in connection with the Merger in compliance with the requirements of Section 262. If you wish to consider exercising your appraisal rights, you should carefully review the text of Section 262 contained in Annex C since failure to timely and properly comply with the requirements of Section 262 will result in the loss of your appraisal rights under the DGCL.

If you elect to demand appraisal of your shares, you must satisfy each of the following conditions:

You must deliver to the Company a written demand for appraisal of your shares before the vote with respect to the Merger is taken. This written demand for appraisal must be in addition to and separate from any proxy or vote abstaining from or voting against the adoption of the Merger Agreement. Voting against or failing to vote for the adoption of the Merger Agreement by itself does not constitute a demand for appraisal within the meaning of Section 262; and

You must not vote in favor of or consent to the adoption of the Merger Agreement. A vote in favor of the adoption of the Merger Agreement, by proxy, over the Internet, by telephone or in person, will constitute a waiver of your appraisal rights and will nullify any previously filed written demands for appraisal. If you fail to comply with either of these conditions and the Merger is completed, you will be entitled to receive the cash payment for your shares of Common Stock as provided for in the Merger Agreement, but you will have no appraisal rights with respect to your shares of Common Stock.

All demands for appraisal should be addressed to 3Com Corporation, 350 Campus Drive, Marlborough, Massachusetts 01752-3064, Attention: Neal D. Goldman, must be delivered before the vote on the Merger Agreement is taken at the special meeting and should be executed by, or on behalf of, the record holder of the shares of Common Stock. The demand must reasonably inform the Company of the identity of the stockholder and the intention of the stockholder to demand appraisal of his, her or its shares.

To be effective, a demand for appraisal by a holder of Common Stock must be made by, or in the name of, such registered stockholder, fully and correctly, as the stockholder's name appears on his or her stock certificate(s). **Beneficial owners who do not also hold the shares of record may not directly make appraisal demands to the Company. The beneficial holder must, in such cases, have the registered owner, such as a broker or other nominee, submit the required demand in respect of those shares.** If shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, execution of a demand for appraisal should be made by or for the fiduciary; and if the shares are owned of record by more than one person, as in a joint tenancy or tenancy in common, the demand should be executed by or for all joint owners. An authorized agent, including an authorized agent for two or more joint owners, may execute

Table of Contents

the demand for appraisal for a stockholder of record; however, the agent must identify the record owner or owners and expressly disclose the fact that, in executing the demand, he or she is acting as agent for the record owner. A record owner, such as a broker, who holds shares as a nominee for others, may exercise his or her rights of appraisal with respect to the shares held for one or more beneficial owners, while not exercising this right for other beneficial owners. In that case, the written demand should state the number of shares as to which appraisal is sought. Where no number of shares is expressly mentioned, the demand will be presumed to cover all shares held in the name of the record owner.

If you hold your shares of Common Stock in a brokerage account or in other nominee form and you wish to exercise appraisal rights, you should consult with your broker or the other nominee to determine the appropriate procedures for the making of a demand for appraisal by the nominee.

Within ten (10) days after the effective time of the Merger, the Surviving Corporation must give written notice that the Merger has become effective to each Company stockholder who has properly filed a written demand for appraisal and who did not vote in favor of or consent to the Merger Agreement. At any time within sixty (60) days after the effective time of the Merger, any stockholder who has demanded an appraisal but has not commenced an appraisal proceeding or joined an appraisal proceeding as a named party has the right to withdraw the demand and to accept the cash payment specified by the Merger Agreement for his or her shares of Common Stock. Within one hundred twenty (120) days after the effective date of the Merger, any stockholder who has complied with Section 262 shall, upon written request to the Surviving Corporation, be entitled to receive a written statement setting forth the aggregate number of shares not voted in favor of the Merger Agreement and with respect to which demands for appraisal rights have been received and the aggregate number of holders of such shares. Such written statement will be mailed to the requesting stockholder within ten (10) days after such written request is received by the Surviving Corporation or within ten (10) days after expiration of the period for delivery of demands for appraisal, whichever is later. Within one hundred twenty (120) days after the effective time of the Merger, either the Surviving Corporation or any stockholder who has complied with the requirements of Section 262 may file a petition in the Delaware Court of Chancery demanding a determination of the fair value of the shares held by all stockholders entitled to appraisal. Upon the filing of the petition by a stockholder, service of a copy of such petition shall be made upon the Surviving Corporation. The Surviving Corporation has no obligation to file such a petition in the event there are dissenting stockholders. Accordingly, the failure of a stockholder to file such a petition within the period specified could nullify the stockholder's previously written demand for appraisal.

If a petition for appraisal is duly filed by a stockholder and a copy of the petition is delivered to the Surviving Corporation, the Surviving Corporation will then be obligated, within twenty (20) days after receiving service of a copy of the petition, to provide the Chancery Court with a duly verified list containing the names and addresses of all stockholders who have demanded an appraisal of their shares and with whom agreements as to the value of their shares have not been reached by the Surviving Corporation. After notice, if so ordered by the Chancery Court, to dissenting stockholders who demanded appraisal of their shares, the Chancery Court is empowered to conduct a hearing upon the petition, and to determine those stockholders who have complied with Section 262 and who have become entitled to the appraisal rights provided thereby. The Chancery Court may require the stockholders who have demanded payment for their shares to submit their stock certificates to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with that direction, the Chancery Court may dismiss the proceedings as to that stockholder.

After determination of the stockholders entitled to appraisal of their shares of the Company's Common Stock, the Chancery Court will appraise the shares, determining their fair value exclusive of any element of value arising from the accomplishment or expectation of the Merger, together with interest, if any, from the effective date of the Merger through the date of payment of the judgment, which shall be compounded quarterly and shall accrue at a default rate 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the

period between the effective date of the Merger and the date of payment of the judgment. When the value is determined, the Chancery Court will direct the payment of such value, with interest, if any, to the stockholders entitled to receive the same, upon surrender by such holders of the certificates representing those shares.

Table of Contents

In determining fair value, the Chancery Court is required to take into account all relevant factors. **You should be aware that the fair value of your shares as determined under Section 262 could be more than, the same as, or less than the value that you are entitled to receive under the terms of the Merger Agreement.**

Costs of the appraisal proceeding may be imposed upon the Surviving Corporation and the stockholders participating in the appraisal proceeding by the Chancery Court as the Chancery Court deems equitable in the circumstances. Upon the application of a stockholder, the Chancery Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorneys' fees and the fees and expenses of experts, to be charged pro rata against the value of all shares entitled to appraisal. Any stockholder who had demanded appraisal rights will not, after the effective time of the Merger, be entitled to vote shares subject to that demand for any purpose or to receive payments of dividends or any other distribution with respect to those shares, other than with respect to payment as of a record date prior to the effective time of the Merger; however, if no petition for appraisal is filed within one hundred twenty (120) days after the effective time of the Merger, or if the stockholder delivers a written withdrawal of his or her demand for appraisal and an acceptance of the terms of the Merger within sixty (60) days after the effective time of the Merger, then the right of that stockholder to appraisal will cease and that stockholder will be entitled to receive the cash payment for shares of his, her or its Common Stock pursuant to the Merger Agreement. Any withdrawal of a demand for appraisal made more than sixty (60) days after the effective time of the Merger may only be made with the written approval of the Surviving Corporation. In addition, no appraisal proceeding may be dismissed as to any stockholder without the approval of the Chancery Court, and such approval may be conditioned upon such terms as the Chancery Court deems just.

In view of the complexity of Section 262, the Company's stockholders who may wish to dissent from the Merger and pursue appraisal rights should consult their legal advisors.

SUBMISSION OF STOCKHOLDER PROPOSALS

If the Merger is consummated, we will not have public stockholders and there will be no public participation in any future meeting of stockholders. You may contact our Investor Relations Department at our headquarters for a copy of the relevant provisions of our bylaws regarding the requirements for making stockholder proposals. Please note that these requirements relate only to matters a stockholder wishes to bring before next year's annual meeting and that are not to be included in the proxy statement for next year's annual meeting.

You may nominate an individual to serve as a director by following the procedures set forth in our bylaws, which include sending a written notice setting forth all the information that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required pursuant to Regulation 14A under the Exchange Act to Neal D. Goldman, Secretary, 3Com Corporation, 350 Campus Drive, Marlborough, Massachusetts 01752-3064. In addition, the notice must contain certain other information as required under our bylaws. The consummation of the Merger (the Closing) shall take place at a closing to occur at the offices of Ropes & Gray LLP at 1211 Avenue of the Americas, New York, New York 10036 on a date and at a time to be agreed upon by Newco, Merger Sub and the Company, which date shall be no later than the third (3rd) Business Day after the satisfaction or waiver (to the extent permitted hereunder) of the last to be satisfied or waived of the conditions set forth in Article VII (other than those conditions that by their terms are to be satisfied at the Closing, but subject to the satisfaction or waiver (to the extent permitted hereunder and by Law) of such conditions) (the Satisfaction Date), or at such other location, date and time as Newco, Merger Sub and the Company shall mutually agree upon in writing; *provided that*, if the Marketing Period has not ended by the Satisfaction Date, the Closing shall occur on the date following the Satisfaction Date that is earliest to occur of (a) a date before the end of the Marketing Period to be specified by Newco on not less than three (3) days written notice to the Company and (b) the final day of the Marketing Period. The date upon which the Closing shall actually occur pursuant hereto is referred to herein as the Closing Date.

2.4 Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of the DGCL. Without limiting the generality of the foregoing, and subject thereto, at the Effective Time all of the property, rights, privileges, powers and franchises of the Company and Merger Sub shall vest in the Surviving Corporation, and all debts, liabilities and duties of the Company and Merger Sub shall become the debts, liabilities and duties of the Surviving Corporation.

(a) Certificate of Incorporation. At the Effective Time, subject to the provisions of Section 6.8(a), the Certificate of Incorporation of the Company shall be amended to read in its entirety in the form of the Certificate of Incorporation of Merger Sub as in effect immediately prior to the Effective Time and such Certificate of Incorporation, as amended, shall be the Certificate of Incorporation of the Surviving Corporation until thereafter amended in accordance with the applicable provisions of the DGCL and such Certificate of Incorporation.

(b) Bylaws. At the Effective Time, subject to the provisions of Section 6.8(a), the Bylaws of Merger Sub, as in effect immediately prior to the Effective Time, shall become the Bylaws of the Surviving Corporation until thereafter amended in accordance with the applicable provisions of the DGCL, the Certificate of Incorporation of the Surviving Corporation and such Bylaws.

2.6 Directors and Officers.

(a) Directors. (i) Company Common Stock. Each share of Company Common Stock that is outstanding immediately prior to the Effective Time (other than (A) shares of Company Common Stock owned by Newco,

Merger Sub or the Company, or by any direct or indirect wholly-owned Subsidiary of Newco, Merger Sub or the Company, in each case immediately prior to the Effective Time, and (B) any Dissenting Company Shares) shall be canceled and extinguished and automatically converted into the right to receive cash in an amount equal to \$5.30 (individually, the Per Share Price and, in the aggregate, the Share Consideration), without interest thereon, upon the surrender of the certificate representing such share of Company Common Stock in the manner provided in Section 2.8 (or in the case of a lost, stolen or destroyed certificate, upon delivery of an affidavit (and bond, if required) in the manner provided in Section 2.10).

(ii) Owned Company Common Stock. Each share of Company Common Stock owned by Newco, Merger Sub, or any direct or indirect Subsidiary of Newco or Merger Sub or held in treasury by the Company, in each case immediately prior to the Effective Time, shall be cancelled and extinguished without any conversion thereof or consideration paid therefor.

(iii) Capital Stock of Merger Sub. Each share of common stock, par value \$0.01 per share, of Merger Sub that is outstanding immediately prior to the Effective Time shall be converted into one validly issued, fully paid and nonassessable share of common stock par value \$0.01 per share of the Surviving Corporation. Each certificate evidencing ownership of such shares of common stock of Merger Sub shall thereafter evidence ownership of shares of common stock of the Surviving Corporation.

(b) Adjustment to Per Share Price. The Per Share Price shall be adjusted appropriately (without duplication) to reflect the economic effect as contemplated by this Agreement of any stock split, reverse stock split, stock dividend (including any dividend or distribution of securities convertible into Company Common Stock), reorganization, recapitalization, reclassification, combination, exchange of shares or other like change with respect to Company Common Stock occurring on or after the date hereof and prior to the Effective Time.

(c) Statutory Rights of Appraisal.

(i) Notwithstanding anything to the contrary set forth in this Agreement, all shares of Company Common Stock that are issued and outstanding immediately prior to the Effective Time and held by Company Stockholders who shall have neither voted in favor of the Merger nor consented thereto in writing and who shall have properly and validly perfected their statutory rights of appraisal in respect of such shares of Company Common Stock in accordance with Section 262 of the DGCL (collectively, Dissenting Company Shares) shall not be converted into, or represent the right to receive, the Per Share Price pursuant to Section 2.7(a). Such Company Stockholders shall be entitled to receive payment of the consideration that is deemed to be due for such Dissenting Company Shares in accordance with the provisions of Section 262 of the DGCL, except that all Dissenting Company Shares held by Company Stockholders who shall have failed to perfect or who shall have effectively withdrawn or lost their rights to appraisal of such Dissenting Company Shares under such Section 262 of the DGCL shall no longer be considered to be Dissenting Shares and shall thereupon be deemed to have been converted into, and to have become exchangeable for, as of the Effective Time, the right to receive the Per Share Price, without interest thereon, upon surrender of the certificate or certificates that formerly evidenced such shares of Company Common Stock in the manner provided in Section 2.8.

(ii) The Company shall give Newco (A) prompt notice of any demands for appraisal received by the Company, withdrawals of such demands, and any other instruments received by the Company in respect of Dissenting Company Shares and (B) the opportunity to control all negotiations and proceedings with respect to demands for appraisal in respect of Dissenting Company Shares. The Company shall not, except with the prior written consent of Newco, voluntarily make any payment with respect to any demands for appraisal, or settle or offer to settle any such demands for payment, in respect of Dissenting Company Shares.

(d) Company Stock-Based Awards. Immediately prior to the Effective Time, except as otherwise agreed to by Newco and a holder of a Company Stock-Based Award, the Company shall take all action necessary such that (i) all outstanding Company Stock-Based Awards not previously vested pursuant to a Company Stock Plan shall become free of all restrictions and limitations and become fully vested and transferable, (ii) each

share or fractional share of Company Common Stock (if any) to be issued in connection with a Company Stock-Based Award in accordance with the applicable Company Stock Plan or Employee Plan shall be treated as a share or fractional share of Company Common Stock in accordance with Section 2.7(a)(i) and (iii) each Company Stock Based Award shall be cancelled and terminated as of the Effective Time. The Company shall take all actions necessary to effect the transactions contemplated by this Section 2.7(d) under all Company Stock Plans and any other plan or arrangement of the Company, including delivering all notices and making any determinations and/or resolutions of the Company Board or a committee thereof.

(e) Company Options. Except as otherwise agreed by Newco and a holder of a Company Option, Newco shall not assume any Company Options in connection with the Merger or any other transactions contemplated by this Agreement. Upon the terms and subject to the conditions set forth in this Agreement, except as otherwise agreed to by Newco and a holder of a Company Option, the Company shall take such action as may be necessary so that immediately prior to the Effective Time by virtue of and subject to the Merger, the vesting of each Company Option that remains outstanding as of immediately prior to the Effective Time shall be accelerated in full in accordance with the terms thereof and thereupon cancelled and automatically converted into the right to receive an amount in cash (without interest), if any, equal to the product obtained by multiplying (x) the aggregate number of shares of Company Common Stock that were issuable upon exercise of such Company Option immediately prior to the Effective Time, and (y) the Per Share Price, *less* the per share exercise price of such Company Option (the Option Consideration and, together with the Share Consideration, the Merger Consideration) (it being understood and agreed that such exercise price shall not actually be paid to the Company by the holder of a Company Option). Newco shall, or shall cause the Company to, pay to holders of Company Options the Option Consideration, without interest thereon, less applicable Taxes required to be withheld with respect to such payments, as soon as reasonably practicable following the Effective Time. To the extent that Taxes are deducted or withheld from the Option Consideration, such amounts shall be treated for all purposes under this Agreement as having been paid to and received by the Person to whom such amounts would otherwise have been paid. The Company shall take all actions necessary to effect the transactions contemplated by this Section 2.7(e) under all Company Option agreements and any other plan or arrangement of the Company, including delivering all required notices and making any determinations and/or resolutions of the Company Board or a committee thereof.

(f) Company ESPP.

(i) Prior to the Effective Time, the Company shall take all actions necessary to cause the rights of participants in the Company ESPP with respect to any offering period then underway to be determined by treating the last business day prior to, or if more administratively advisable, the last payroll date of the Company immediately prior to, the Effective Time, as the last day of such offering period and by making such other pro-rata adjustments as may be necessary to reflect the shortened and final offering period but otherwise treating such shortened and final offering period as a fully effective and completed offering period for all purposes under the Company ESPP.

(ii) Except as otherwise agreed by Parent and a participant, each share of Common Stock purchased under the Company ESPP prior to the Effective Time will be treated as a share of Common Stock in accordance with Section 2.7(a)(i).

(iii) The Company shall take all actions necessary so that the Company ESPP shall terminate immediately after the purchase described in Section 2.7(f)(i). All amounts withheld by the Company on behalf of the participants in the Company ESPP that have not been used to purchase Common Stock prior to the Effective Time will be returned to the participants without interest pursuant to the terms of the Company ESPP.

(iv) The Company agrees to take any and all actions necessary to approve and effectuate the foregoing provisions of this Section 2.7(f) including making any determinations and/or resolutions of the Company Board or a committee

thereof.

2.8 Exchange of Certificates.

(a) Payment Agent. Prior to the Effective Time, Newco shall select a bank or trust company reasonably acceptable to the Company to act as the payment agent for the Merger (the Payment Agent).

(b) **Exchange Fund**. At the Closing, Newco shall deposit (or cause to be deposited) with the Payment Agent, for payment to the holders of shares of Company Common Stock pursuant to the provisions of this **Article II**, an amount of cash equal to the aggregate Share Consideration (such fund, the **Exchange Fund**). The Exchange Fund shall not be used for any other purpose. Until disbursed in accordance with the terms and conditions of this Agreement, the Exchange Fund shall be invested by the Paying Agent, as directed by Newco or the Surviving Corporation, in obligations of or guaranteed by the United States of America or obligations of an agency of the United States of America or any agency or instrumentality thereof which are backed by the full faith and credit of the United States of America, in commercial paper obligations rated A-1 or P-1 or better by Moody's Investors Services Inc. or Standard & Poor's Corporation, or in deposit accounts, certificates of deposit or banker's acceptances of, repurchase or reverse repurchase agreements with, or Eurodollar time deposits purchased from, commercial banks, each of which has capital, surplus and undivided profits aggregating more than \$500 million (based on the most recent financial statements of the banks which are then publicly available at the SEC or otherwise). Any interest and other income resulting from such investments shall be paid to the Surviving Corporation. To the extent that there are any losses with respect to any such investments, or the Exchange Fund diminishes for any reason below the level required for the Paying Agent to promptly pay the cash amounts contemplated by this Article II, Newco shall, promptly replace or restore (or cause to be replaced or restored) the cash in the Exchange Fund so as to ensure that the Exchange Fund is at all times maintained at a level sufficient for the Paying Agent to pay any outstanding Share Consideration.

(c) **Payment Procedures**. Promptly following the Effective Time, Newco and the Surviving Corporation shall cause the Payment Agent to mail to each holder of record (as of immediately prior to the Effective Time) of a certificate or certificates (the **Certificates**) which immediately prior to the Effective Time represented outstanding shares of Company Common Stock who is entitled to receive the Per Share Price pursuant to **Section 2.7(a)(i)**: (i) a letter of transmittal in customary form (which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Payment Agent), and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the Per Share Price payable in respect thereof pursuant to the provisions of this **Article II**. Upon surrender of Certificates for cancellation to the Payment Agent or to such other agent or agents as may be appointed by Newco, together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required by the instructions, the holders of such Certificates shall be entitled to receive in exchange therefor an amount in cash equal to the product obtained by multiplying (x) the aggregate number of shares of Company Common Stock evidenced by such Certificate, by (y) the Per Share Price (less any applicable withholding taxes payable in respect thereof), without any interest thereon, and the Certificates so surrendered shall forthwith be canceled. The Payment Agent shall accept such Certificates upon compliance with such reasonable terms and conditions as the Payment Agent may impose to effect an orderly exchange thereof in accordance with normal exchange practices. No interest shall be paid or accrued for the benefit of holders of the Certificates on the Per Share Price payable upon the surrender of such Certificates pursuant to this **Section 2.8**. Until so surrendered, outstanding Certificates shall be deemed from and after the Effective Time, to evidence only the right to receive the Per Share Price (less any applicable withholding taxes payable in respect thereof), without interest thereon, payable in respect thereof pursuant to the provisions of this **Article II**. Promptly following the Effective Time, Newco and the Surviving Corporation shall cause the Payment Agent to mail to each holder of record (as of immediately prior to the Effective Time) of outstanding shares of Company Common Stock who is entitled to receive the Per Share Price pursuant to **Section 2.7(a)(i)** represented by book-entry on the records of the Company or the Company's transfer agent on behalf of the Company: (A) a letter of transmittal in customary form and (B) instructions for use in effecting the surrender of the book-entry shares in exchange for the Per Share Price payable in respect thereof pursuant to the provisions of Article II. Upon return of a duly completed and validly executed letter of transmittal (in accordance with the instructions thereto), and such other documents that may be required by the instructions, the holders of such book-entry shares shall be entitled to receive in exchange thereof a check in an amount equal to the product obtained by multiplying (x) the aggregate number of shares of Company Common Stock held by such holder immediately prior to the Effective Time, and (y) the Per Share Price, less any applicable withholding taxes payable in respect thereof, without any interest thereon.

(d) Transfers of Ownership. In the event that a transfer of ownership of shares of Company Common Stock is not registered in the stock transfer books or ledger of the Company, or if the Per Share Price is to be paid in a name other than that in which the Certificates surrendered in exchange therefor are registered in the stock transfer books or the ledger of the Company, the Per Share Price may be paid to a Person other than the Person in whose name the Certificate so surrendered is registered in the stock transfer books or ledger of the Company only if such Certificate is properly endorsed and otherwise in proper form for surrender and transfer and the Person requesting such payment has paid to Newco (or any agent designated by Newco) any transfer or other Taxes required by reason of the payment of the Per Share Price to a Person other than the registered holder of such Certificate, or established to the satisfaction of Newco (or any agent designated by Newco) that such transfer or other Taxes have been paid or are otherwise not payable.

(e) Required Withholding. Each of the Payment Agent, Newco and the Surviving Corporation shall be entitled to deduct and withhold from any amounts payable pursuant to this Agreement to any holder or former holder of shares of Company Common Stock, Company-Based Stock Awards and Company Options such amounts as may be required to be deducted or withheld therefrom under all applicable Tax Laws and shall pay such amount over to the appropriate taxing authority. To the extent that such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to and received by the Person to whom such amounts would otherwise have been paid.

(f) No Liability. Notwithstanding anything to the contrary set forth in this Agreement, none of the Payment Agent, Newco, the Surviving Corporation or any other party hereto shall be liable to a holder of shares of Company Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(g) Distribution of Exchange Fund to the Surviving Corporation. Any portion of the Exchange Fund that remains undistributed to the holders of the shares of Company Common Stock on the date that is twelve (12) months after the Effective Time shall be delivered to the Surviving Corporation upon demand, and any holders of shares of Company Common Stock that were issued and outstanding immediately prior to the Merger who have not theretofore surrendered such shares of Company Common Stock for exchange pursuant to the provisions of this Section 2.8 shall thereafter look for payment of the Per Share Price payable in respect of the shares of Company Common Stock to the Surviving Corporation, as general creditors thereof, for any claim to the applicable Per Share Price to which such holders may be entitled pursuant to the provisions of this Article II. Any portion of the Exchange Fund remaining unclaimed as of a date which is immediately prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority shall, to the extent permitted by Law, become property of the Surviving Corporation, free and clear of any claims or interest of any Person previously entitled thereto.

2.9 No Further Ownership Rights in Company Common Stock. From and after the Effective Time, all shares of Company Common Stock (whether held in certificated form or uncertificated and registered on the books of the Company) shall no longer be outstanding and shall automatically be cancelled, retired and cease to exist, and each holder thereof (other than Dissenting Company Shares) shall cease to have any rights with respect thereto, except the right to receive the Per Share Price payable therefor upon the surrender thereof in accordance with the provisions of Section 2.8. The Per Share Price paid in accordance with the terms of this Article II shall be deemed to have been paid in full satisfaction of all rights pertaining to such shares of the Company Common Stock. From and after the Effective Time, there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Common Stock that were issued and outstanding immediately prior to the Effective Time, other than transfers to reflect, in accordance with customary settlement procedures, trades effected prior to the Effective Time. If, after the Effective Time, shares of Common Stock of the Company are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article II.

2.10 Lost, Stolen or Destroyed Certificates. In the event that any Certificates shall have been lost, stolen or destroyed, the Payment Agent shall issue in exchange for such lost, stolen or destroyed Certificates, upon making of an affidavit of that fact by the holder thereof, the Per Share Price payable in respect thereof pursuant to Section 2.7; *provided, however*, that the Surviving Corporation may, in its discretion and as a

A-19

condition precedent to the payment of such Per Share Price, require the owners of such lost, stolen or destroyed Certificates to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against Newco, the Surviving Corporation or the Payment Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

2.11 Necessary Further Actions. If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company and Merger Sub, the directors and officers of the Company and Merger Sub shall take all such lawful and necessary action.

ARTICLE III

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except (i) as set forth in the disclosure schedules delivered by the Company to Newco on the date of this Agreement (the Company Disclosure Letter), or (ii) other than with respect to the representations and warranties set forth in Section 3.7 Section 3.9(e), Section 3.9(f) and Section 3.12(a)(vi) as set forth in the Company SEC Reports filed and publicly available between January 1, 2007 and the date of this Agreement (excluding for purposes hereof the exhibits thereto and the Excluded Disclosures), the Company hereby represents and warrants to Newco and Merger Sub as follows:

3.1 Authorization.

The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company and no additional corporate proceedings on the part of the Company are necessary to authorize this Agreement or the consummation of the transactions contemplated hereby other than obtaining the Requisite Stockholder Approval. This Agreement has been duly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Newco and Merger Sub, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except that such enforceability (i) may be limited by applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally, and (ii) is subject to general principles of equity.

(b) The Company Board, at a meeting duly called and held at which all directors were present, unanimously (i) determined that the terms of the Merger are fair and in the best interests of the Company and its stockholders, and declared it advisable, to enter into this Agreement providing for the merger of Merger Sub with and into the Company in accordance with the DGCL, upon the terms and subject to the conditions set forth herein, (ii) approved the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby in accordance with the DGCL upon the terms and conditions contained herein, and (iii) resolved to recommend that the Company Stockholders adopt this Agreement in accordance with the applicable provisions of the DGCL (the Company Board Recommendation).

3.2 Requisite Stockholder Approval. The affirmative vote of the holders of a majority of the outstanding shares of Company Common Stock (the Requisite Stockholder Approval) is the only vote of the holders of any class or series of Company Capital Stock that is necessary to adopt and approve this Agreement and consummate the transactions contemplated by this Agreement.

3.3 Non-Contravention and Required Consents. The execution, delivery or performance by the Company of this Agreement, the consummation by the Company of the transactions contemplated hereby and the compliance by the Company with any of the provisions hereof do not and will not (a) violate or conflict with any provision of the Company's Amended and Restated Certificate of Incorporation and Bylaws, (b) subject to obtaining such Consents set forth in Section 3.4, violate, conflict with, or result in the breach of or constitute a

(b) Nothing set forth in Section 5.2 or this Section 5.3 or elsewhere in this Agreement shall prohibit the Company Board from (i) taking and disclosing to the Company Stockholders a position contemplated by Rule 14e-2(a) under the Exchange Act or complying with the provisions of Rule 14d-9 promulgated under the Exchange Act, or (ii) making any disclosure to the Company Stockholders that the Company Board determines to make in good faith (after consultation with its outside legal counsel) in order to fulfill its fiduciary duties or satisfy applicable state or federal securities laws; *provided, that*, any such disclosure shall be deemed to be a Recommendation Change to the extent provided herein.

The Company shall provide Newco with such information with respect to the solicitation of the Requisite Stockholder Vote as is reasonably requested by Newco.

In the event that any of the Company or its Subsidiaries does not provide access or information in reliance on the preceding sentence, it shall use its reasonable best efforts to communicate the applicable information to Newco in a way that would not violate the applicable Law, Contract or obligation or waive such a privilege. Any investigation conducted pursuant to the access contemplated by this Section 5.5 shall be conducted in a manner that does not unreasonably interfere with the conduct of the business of the Company or its Subsidiaries, or create an unreasonable risk of material damage or destruction to any material property or assets of the Company or any of its Subsidiaries. Any access to the Company's or its Subsidiaries properties shall be subject to the Company's reasonable security measures and insurance requirements. At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article VIII and the Effective Time, the Company shall comply with the obligations set forth in Section 5.5 of the Company Disclosure Schedule. The parties hereto agree that the use of reasonable best efforts shall include proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, (A) the sale, divestiture or disposition of such assets or businesses of the Company or any of its Subsidiaries or Affiliates (including Tipping Point) and (B) restrictions, or actions that after the Closing Date would limit the freedom of the Surviving Corporation or any of its Subsidiaries action with respect to, or their ability to retain, one or more of its or its Subsidiaries' businesses, product lines or assets, in each case as may be required in order to avoid the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order in any suit or proceeding that would otherwise have the effect of preventing or materially delaying the consummation of the transactions contemplated hereby. For purposes of this Agreement, Regulatory Law means all Antitrust Laws and all other federal, state or foreign statutes, rules, regulations, orders, decrees, administrative and judicial doctrines and other laws that are designed or intended to protect the national security or the national economy of any nation, including the Exon-Florio amendment to the Defense Production Act (Exon-Florio).

If any party hereto or Affiliate thereof shall receive a request for additional information or documentary material from any Governmental Authority with respect to the transactions contemplated by this Agreement pursuant to the HSR or any other Antitrust Laws with respect to which any such filings have been made, then such party shall use its reasonable best efforts to make, or cause to be made, as soon as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request.

If at any time prior to the Company Stockholder Meeting, any information relating to the Company, Newco or Merger Sub, or any of their respective partners, members, stockholders, directors, officers or Affiliates, should be discovered by the Company, Newco or Merger Sub which should be set forth in an amendment or supplement to the Proxy Statement, any Other Required Company Filing or any Other Required Newco Filing, as the case may be, so that the Proxy Statement, any Other Required Company Filing or Other Required Newco Filing, as the case may be, would not include any misstatement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other, and an appropriate amendment or supplement to the Proxy Statement or the applicable Other Required Company Filing or Other Required Newco Filing describing such information shall be promptly prepared and filed with the SEC and, to the extent required by applicable Law or the SEC or its staff, disseminated to the Company Stockholders. The Company shall cause the Proxy Statement and any Other Required Company Filing to comply as to form and substance in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC and Nasdaq. Newco and Merger Sub shall cause any Other Required Newco Filing to comply as to form and substance in all material respects with the applicable requirements of the Exchange Act and the rules of the SEC. Unless otherwise agreed by the parties, the Tipping Point Financial Statements provided hereunder shall be prepared in accordance with GAAP based on a fiscal year ending on May 31 (based on the Company s 52-53 week fiscal year end convention). Merger Sub shall use reasonable best efforts to finalize and execute the Senior Secured Credit Agreement on or before December 31, 2007. Newco shall promptly, upon request by the Company, reimburse the Company for all reasonable and documented out-of-pocket costs incurred by the Company or any of its Subsidiaries in connection with the foregoing cooperation and shall indemnify and hold harmless the Company, its Subsidiaries and their Representatives from and against any and all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with the arrangement of the Financing and any information utilized in connection therewith (other than information provided by the Company or its Subsidiaries or Representatives), except to the extent that such losses, damages, claims, costs or expenses resulted from or arose out of the willful misconduct of the Company or any of its Subsidiaries or Representatives.

(b) Newco shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to arrange and obtain the Debt Financing on the terms and conditions described in the Debt Commitment Letters (or terms no less favorable to Newco and no more conditional than the terms described therein as determined in the reasonable judgment of Newco), including by (i) maintaining in effect the Debt Commitment Letters until execution and delivery of the definitive documentation contemplated by such Debt Commitment Letters (such documentation, as contemplated by the current versions of the Debt Commitment Letters, the Senior Secured Credit Agreement and the Bridge Agreement and the date such facilities are executed and delivered, the Credit Agreement Effective Date and the Bridge Agreement Effective Date , as applicable), (ii) negotiating and entering into the Senior Credit Agreement and Bridge Agreement with respect to the Debt Financing on the terms and conditions reflected in the Debt Commitment Letters or on other terms no less favorable,

in the aggregate, to Newco at or prior to the earlier of the expiration of the Debt Commitment Letters or the Effective Time;

(iii) satisfying on a timely basis all conditions applicable to Newco and Merger Sub in the Debt Commitment Letters and the Senior Credit Agreement and Bridge Agreement that are within their control and (iv) enforcing its rights under the Debt Commitment Letters, the Senior Credit Agreement and the Bridge Agreement; provided, that, one or more Debt Commitment Letters, the Senior Secured Credit Agreement and/or the Bridge Agreement may be amended, restated, supplemented or otherwise modified or superseded to add one or more lenders, lead arrangers, bookrunners, agents or similar entities which had not executed the Debt Commitment Letters as of the date hereof, to increase the amount of indebtedness, to replace or modify one or more facilities with one or more new facilities or otherwise amend, supplement or modify the Debt Commitment Letters, Senior Secured Credit Agreement and/or the Bridge Agreement or otherwise (the New Debt Financing Commitments), provided that the New Debt Financing Commitments shall not: (A) expand or adversely amend the conditions to the Debt Financing set forth in the Debt Commitment Letters, in any material respect; (B) reasonably be expected to delay or prevent the Closing; or (C) reduce the aggregate amount of available Debt Financing (unless, in the case of this clause (C), replaced with an amount of new equity financing), if from new equity financing sources, only to the extent compliant with Section 6.4(c). Upon and from and after each such event, the term Debt Financing as used in this Section 6.4 shall be deemed to mean the Debt Financing contemplated by the Debt Commitment Letters and Senior Secured Credit Agreement and Bridge Facility that are not so superseded at the time in question (including any such New Debt Financing Commitments) and, for purposes of this Section 6.4, references to Debt Commitment Letters and Secured Credit Agreement and Bridge Agreement shall include such documents amended, supplemented, modified or replaced in compliance with the terms of foregoing sentence and references to Financing shall include the Financing contemplated by the Financing Commitment Letters and the Senior Secured Credit Agreement and Bridge Agreement as permitted to be amended, modified or replaced by this Section 6.4(b) and references to Debt Commitment Letters shall include such documents as permitted to be amended, modified or replaced by this Section 6.4(b). Subject to the terms and conditions of this Agreement (including, for the avoidance of doubt, the provisions of this Section 6.4(b) permitting amendment or replacement of the Debt Commitment Letters and the Senior Secured Credit Agreement or Bridge Agreement, as applicable, in the event the Credit Agreement Effective Date or Bridge Agreement Effective Date occurs prior to the Effective Time, Newco shall use its reasonable best efforts to maintain in effect the Senior Secured Credit Agreement from the Credit Agreement Effective Date through the Effective Time and the Bridge Agreement from the Bridge Agreement Effective Date through the Effective Time. In the event any portion of the Debt Financing becomes unavailable on the terms and conditions contemplated in the Debt Commitment Letters or the Senior Secured Credit Agreement or Bridge Agreement for any reason, as promptly as practicable following the occurrence of such event Newco shall use its reasonable best efforts to obtain alternative financing from alternative sources (Alternative Financing) on terms that are not less favorable, in the aggregate, to Newco (as determined in the reasonable judgment of Newco) than the Debt Financing contemplated by the Debt Commitment Letters as promptly as practicable following the occurrence of such event. Newco shall keep the Company reasonably apprised as to the status of, and any material developments relating to, the Debt Financing. To the extent any solvency opinion is delivered to any of the Financing Sources under the Debt Commitment Letter, the Secured Credit Agreement or the Bridge Agreement, or to other lenders pursuant to an Alternative Financing, then a copy of such solvency opinion shall have been delivered to the Company and the Company Board, with such solvency letter either being expressly addressed to the Company and the Company Board or being in such form and manner as may be required in order that the members of the Company Board shall be entitled to rely upon such solvency letter as if such solvency letter were expressly addressed to the members of the Company Board.

(c) Newco shall use its reasonable best efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to obtain the Equity Financing, including by (i) maintaining in effect the Equity Commitment Letter and (ii) satisfying on a timely basis all conditions applicable to Newco in such Equity Commitment Letter that are within its control, if any. Newco shall keep the Company reasonably apprised as to the status of, and any material developments relating to, the Equity Financing. In furtherance of the provisions of Section 6.4(c), Newco and Merger Sub may enter into arrangements and agreements relating to the equity financing for the transactions contemplated by this Agreement to add other equity financing sources, provided that: (A) any new

sources of equity financing are

limited partners of the Guarantors or their Affiliates or are not stockholders of the Company; (B) the aggregate amount of the Equity Financing is not reduced; (C) the arrangements and agreements, in the aggregate, would not be reasonably likely to delay or prevent the Closing (as determined in the reasonable judgment of Newco); (D) the arrangements and agreements would not diminish or release the obligations of the Guarantors to Newco or Merger Sub under the Equity Commitment Letters, adversely affect the rights of Newco or Merger Sub to enforce their rights against the Guarantors under the Equity Commitment Letters, or otherwise constitute a waiver or reduction of the rights of Newco or Merger Sub under the Equity Commitment Letters. Prior to the Effective Time, none of Newco, Merger Sub or any of their respective Affiliates shall enter into or make any binding Contracts or arrangements with any Person who is a stockholder of the Company concerning (i) contributions to be made to Newco or Merger Sub in connection with the transactions contemplated by this Agreement (including rollover contributions of Company Capital Stock to Newco or Merger Sub), (ii) the equity financing for the transactions contemplated by this Agreement, or (iii) the ownership of Newco, Merger Sub or the Surviving Corporation, except (A) with the prior written consent of the Company, which consent will not be unreasonably withheld or delayed, (B) any Person who is an Affiliate of, or limited partner of, Bain Capital or any of its Affiliates as of the date hereof, or (C) as set forth in the Financing Commitment Letters. Newco shall keep the Company reasonably informed regarding any discussions and negotiations with members of management of the Company regarding any contributions to be made by such Persons to Newco or Merger Sub in connection with the transactions contemplated by this Agreement (including rollover contributions of Company capital stock).

(d) Prior to the Effective Time, none of Newco, Merger Sub or any of their respective Affiliates shall enter into or make any Contracts, arrangements or understandings with any Person pursuant to which such Person agrees (i) to provide or otherwise make available debt financing (or to assist with the arrangement of debt financing) for the transactions contemplated by this Agreement to or for the benefit of Newco, Merger Sub, or any of their respective Affiliates on an exclusive basis, or (ii) to refrain from providing or making available debt financing (or to assist with the arrangement of debt financing) for the transactions contemplated by this Agreement to or for the benefit of any other Person.

6.5 Anti-Takeover Laws. The Company, Newco and Merger Sub shall use their respective reasonable best efforts to take all actions necessary so that no state anti-takeover or other similar Law is or becomes applicable to this Agreement or any of the transactions contemplated by this Agreement and, if any, anti-takeover statute is or becomes applicable, to use their respective reasonable best efforts to ensure that the transactions contemplated by this Agreement may be consummated as promptly as practicable on the terms and subject to the conditions set forth in this Agreement and otherwise to minimize the effect of such Law on this Agreement and the transactions contemplated hereby.

6.6 Notification of Certain Matters.

(a) At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article VIII and the Effective Time, the Company shall give prompt notice to Newco and Merger Sub upon becoming aware that any representation or warranty made by it in this Agreement has become untrue or inaccurate in any material respect, or of any failure of the Company to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement, such notice to include a reasonably detailed description of the fact, or the occurrence or non-occurrence of any event or circumstance the occurrence or non-occurrence of which resulted in such untruth, inaccuracy or failure; *provided, however*, that no such notification shall affect or be deemed to modify any representation or warranty of the Company set forth in this Agreement or the conditions to the obligations of Newco and Merger Sub to consummate the transactions contemplated by this Agreement or the remedies available to the parties hereunder; and *provided further*, that the terms and conditions of the Confidentiality Agreement shall apply to any information provided to Newco pursuant to this Section 6.6(a).

(b) At all times during the period commencing with the execution and delivery of this Agreement and continuing until the earlier to occur of the termination of this Agreement pursuant to Article VIII and the Effective Time, Newco shall give prompt notice to the Company upon becoming aware that any representation

or warranty made by it or Merger Sub in this Agreement has become untrue or inaccurate in any material respect, or of any failure of Newco or Merger Sub to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement, such notice to include a reasonably detailed description of the fact, or the occurrence or non-occurrence of any event or circumstance the occurrence or non-occurrence of which resulted in such untruth, inaccuracy or failure; *provided, however*, that no such notification shall affect or be deemed to modify any representation or warranty of the Company set forth in this Agreement or the conditions to the obligations of Newco and Merger Sub to consummate the transactions contemplated by this Agreement or the remedies available to the parties hereunder; and *provided further*, that the terms and conditions of the Confidentiality Agreement shall apply to any information provided to the Company pursuant to this Section 6.6(b).

6.7 Public Statements and Disclosure. The initial press release relating to this Agreement shall be a joint press release, the text of which has been agreed by each of Newco and the Company. None of the Company, on the one hand, or Newco and Merger Sub, on the other hand, hereby shall issue any public release or make any public announcement or disclosure concerning this Agreement or the transactions contemplated by this Agreement without the prior written consent of the other (which consent shall not be unreasonably withheld, delayed or conditioned), except as such release, announcement or disclosure may be required by applicable Law or the rules or regulations of any applicable United States securities exchange or regulatory or Governmental Authority to which the relevant party is subject or submits, wherever situated, in which case the party required to make the release or announcement shall use its reasonable best efforts to allow the other party or parties hereto reasonable time to comment on such release or announcement in advance of such issuance (it being understood that the final form and content of any such release or announcement, as well as the timing of any such release or announcement, shall be at the final discretion of the disclosing party); *provided, however*, that the restrictions set forth in this Section 6.7 shall not apply to any release, announcement or disclosure made or proposed to be made by the Company pursuant to Section 5.3(b).

6.8 Directors and Officers Indemnification and Insurance.

(a) Newco shall, and shall cause the Surviving Corporation and its Subsidiaries to, honor and fulfill in all respects the obligations of the Company and its Subsidiaries under any and all indemnification Contracts between the Company or any of its Subsidiaries and any of their respective current or former directors and officers and any person who becomes a director or officer of the Company or any of its Subsidiaries prior to the Effective Time (the Indemnified Persons). In addition, during the period commencing at the Effective Time and ending on the sixth anniversary of the Effective Time, the Surviving Corporation and its Subsidiaries shall (and Newco shall cause the Surviving Corporation and its Subsidiaries to) cause the certificate of incorporation and bylaws (and other similar organizational documents) of the Surviving Corporation and its Subsidiaries to contain provisions with respect to indemnification, exculpation and the advancement of expenses, covering acts and omissions of directors and officers (and any other employees or agents who otherwise would be entitled to similar benefits thereunder pursuant to the terms thereof in effect on the date hereof), in each case in their respective capacities as such, occurring at or prior to the Effective Time, that are at least as favorable as the indemnification, exculpation and advancement of expenses provisions contained in the certificate of incorporation and bylaws (or other similar organizational documents) of the Company and its Subsidiaries as of the date hereof, and during such six-year period, such provisions shall not be repealed, amended or otherwise modified in any manner except as required by applicable Law.

(b) Without limiting the generality of the provisions of Section 6.8(a), the Surviving Corporation and its Subsidiaries shall (and Newco shall cause the Surviving Corporation and its Subsidiaries to) indemnify and hold harmless each Indemnified Person from and against any costs, fees and expenses (including reasonable attorneys' fees and investigation expenses), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, proceeding, investigation or inquiry, whether civil, criminal, administrative or investigative, to the extent such claim, proceeding, investigation or inquiry arises directly or indirectly out of or

pertains directly or indirectly to (i) any action or omission or alleged action or omission in such Indemnified Person's capacity as a director, officer, employee or agent of the Company or any of its Subsidiaries or other Affiliates occurring at or prior to the Effective Time, or (ii) any of the transactions contemplated by this Agreement, in each case regardless of whether such claim, proceeding, investigation or

inquiry is made, occurs or arises prior to, at or after the Effective Time. In the event of any such claim, proceeding, investigation or inquiry, (A) the Surviving Corporation and Newco shall have the right (but not the obligation) to control the defense thereof after the Effective Time (it being understood that, by electing to control the defense thereof, Newco will be deemed to have waived any right to object to the Indemnified Person's entitlement to indemnification hereunder with respect thereto), (B) each Indemnified Person shall be entitled to retain his or her own counsel, which counsel shall be reasonably satisfactory to Newco and the Surviving Corporation, whether or not Newco shall elect to control the defense of any such claim, proceeding, investigation or inquiry, (C) the Surviving Corporation shall (and Newco shall cause the Surviving Corporation to) pay all reasonable fees and expenses of any counsel retained by an Indemnified Person, promptly after statements therefor are received, whether or not Newco shall elect to control the defense of any such claim, proceeding, investigation or inquiry, and (D) neither Newco or the Surviving Corporation on the one hand nor any Indemnified Person on the other hand shall be liable for any settlement effected without his or her prior express written consent. Notwithstanding anything to the contrary set forth in this Section 6.8(b) or elsewhere in this Agreement, the Surviving Corporation and Newco shall not be obligated to pay the fees and expenses of more than one counsel (selected by a plurality of the applicable Indemnified Parties for any Indemnified Parties in any jurisdiction with respect to any single action) except to the extent that two or more of such Indemnified Parties shall have actual material conflict of interest in such action.

(c) Prior to the Effective Time, notwithstanding anything to the contrary set forth in this Agreement, the Company may purchase a six-year tail prepaid policy on the D&O Insurance. In the event that the Company purchases such a tail policy prior to the Effective Time, Newco and the Surviving Corporation shall maintain such tail policy in full force and effect and continue to honor their respective obligations thereunder, in lieu of all other obligations of Newco and the Surviving Corporation under the first sentence of this Section 6.8(c) for so long as such tail policy shall be maintained in full force and effect. In the event that the Company does not so purchase a tail policy prior to the Effective Time, during the period commencing at the Effective Time and ending on the sixth anniversary of the Effective Time, Newco and the Surviving Corporation shall maintain in effect the Company's current directors and officers liability insurance (D&O Insurance) in respect of acts or omissions occurring at or prior to the Effective Time, covering each person covered by the D&O Insurance, on terms with respect to the coverage and amounts that are equivalent to those of the D&O Insurance; *provided, however*, that in satisfying its obligations under this Section 6.8(c), Newco and the Surviving Corporation shall not be obligated to pay annual premiums in excess of three hundred percent (300%) of the amount paid by the Company for coverage for its last full fiscal year (such three hundred percent (300%) amount, the Maximum Annual Premium) (which premiums the Company represents and warrants to be as set forth in Section 6.8(c) of the Company Disclosure Letter), provided that that if the annual premiums of such insurance coverage exceed such amount, Newco and the Surviving Corporation shall be obligated to obtain a policy with the greatest coverage available for a cost not exceeding the Maximum Annual Premium.

(d) If Newco or the Surviving Corporation or any of its successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or (ii) transfer all or substantially all of its properties and assets to any Person, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations of Newco and the Surviving Corporation set forth in this Section 6.8.

(e) The obligations set forth in this Section 6.8 shall not be terminated, amended or otherwise modified in any manner that adversely affects any Indemnified Person (or any other person who is a beneficiary under the D&O Insurance or the tail policy referred to in Section 6.8(c) (and their heirs and representatives)) without the prior written consent of such affected Indemnified Person or other person who is a beneficiary under the D&O Insurance or the tail policy referred to in Section 6.8(c) (and their heirs and representatives). Each of the Indemnified Persons or other persons who are beneficiaries under the D&O Insurance or the tail policy referred to in Section 6.8(c) (and their heirs and representatives) are intended to be third party beneficiaries of this Section 6.8, with full rights of enforcement as if a party thereto. The rights of the Indemnified Persons (and other persons who are beneficiaries under the D&O

Insurance or the tail policy

referred to in Section 6.8(c) (and their heirs and representatives)) under this Section 6.8 shall be in addition to, and not in substitution for, any other rights that such persons may have under the certificate or articles of incorporation, bylaws or other equivalent organizational documents, any and all indemnification agreements of or entered into by the Company or any of its Subsidiaries, or applicable Law (whether at law or in equity).

(f) The obligations and liability of Newco, the Surviving Corporation and their respective Subsidiaries under this Section 6.8 shall be joint and several.

ANNEX B

PERSONAL AND CONFIDENTIAL

September 28, 2007

Board of Directors
3Com Corporation
350 Campus Drive
Marlborough, MA 01752-3064

Ladies and Gentlemen:

You have requested our opinion as to the fairness from a financial point of view to the holders of the outstanding shares of common stock, par value \$0.01 per share (the Shares), of 3Com Corporation (the Company) of the \$5.30 per Share in cash to be received by such holders pursuant to the Agreement and Plan of Merger, dated as of September 28, 2007 (the Agreement), by and among Diamond II Holdings, Inc. (Diamond), Diamond II Acquisition Corp., a wholly owned subsidiary of Diamond, and the Company.

Goldman, Sachs & Co. and its affiliates are engaged in investment banking and financial advisory services, securities trading, investment management, principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage activities and other financial and non-financial activities and services for various persons and entities. In the ordinary course of these activities and services, Goldman, Sachs & Co. and its affiliates may at any time make or hold long or short positions and investments, as well as actively trade or effect transactions, in the equity, debt and other securities (or related derivative securities) and financial instruments (including bank loans and other obligations) of the Company, portfolio companies of Bain Capital, LLC (Bain), an affiliate of Diamond, and any of their respective affiliates or any currency or commodity that may be involved in the transaction contemplated by the Agreement (the Transaction) for their own account and for the accounts of their customers. We have acted as financial advisor to the Company in connection with, and have participated in certain of the negotiations leading to, the Transaction. We expect to receive fees for our services in connection with the Transaction, the principal portion of which is contingent upon consummation of the Transaction, and the Company has agreed to reimburse our expenses and indemnify us against certain liabilities arising out of our engagement. In addition, we have provided and currently are providing certain investment banking and other financial services to the Company and its affiliates, including having acted as financial advisor to the Company in connection with its acquisition of TippingPoint Technologies Inc. in December 2004 and a minority interest in Huawei-3Com Co. Ltd. in November 2006; and as lead arranger with respect to secured term loan facilities provided to H3C Holdings Limited, an affiliate of the Company (aggregate principal amount \$430,000,000), in May 2007. We have also provided and currently are providing certain investment banking services to Bain and its affiliates and portfolio companies, including having acted as joint lead arranger in connection with the provision of a committed financing package consisting of senior secured facilities, a mezzanine facility and a PIK loan facility (aggregate principal amount 799,500,000) in connection with the acquisition by Bain of FCI SA in December 2005; as lead arranger in connection with the leveraged recapitalization of Brenntag AG, a former portfolio company of Bain (Brenntag), in January 2006; as co-financial advisor to Brenntag in connection with its sale in September 2006; as financial advisor to Bain in connection with its sale of Houghton Mifflin Holding

Company, Inc. to HM Rivergroup PLC in December 2006; and as financial advisor to Bain in connection with its sale of Front Line Management to IAC/InteractiveCorp in June 2007. We also may provide investment banking and other financial services to the Company, Bain and its portfolio companies, and their respective affiliates in the future. In connection with the above-described services we have received, and may receive, compensation. In addition, affiliates of Goldman, Sachs & Co. have co-invested with Bain and its affiliates from time to time and may do so in the future, and such affiliates of Goldman, Sachs & Co. also have invested and may invest in the future in limited partnership interests of affiliates of Bain, including those that may be involved in the Transaction.

In connection with this opinion, we have reviewed, among other things, the Agreement; annual reports to stockholders and Annual Reports on Form 10-K of the Company for the five fiscal years ended May 31, 2007; certain interim reports to stockholders and Quarterly Reports on Form 10-Q of the Company; certain other communications from the Company to its stockholders; certain publicly available research analyst reports for the Company; and certain internal financial analyses and forecasts for the Company prepared by the management of the Company (the Forecasts). We also have held discussions with members of the senior management of the Company regarding their assessment of the past and current business operations, financial condition and future prospects of the Company, including their views of the risks and uncertainties associated with achieving the Forecasts. In addition, we have reviewed the reported price and trading activity for the Shares, compared certain financial and stock market information for the Company with similar information for certain other companies the securities of which are publicly traded, reviewed the financial terms of certain recent business combinations in the communications technology industry specifically and in other industries generally and performed such other studies and analyses, and considered such other factors, as we considered appropriate.

For purposes of rendering this opinion, we have relied upon and assumed, without assuming any responsibility for independent verification, the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by us. In addition, we have not made an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or off-balance-sheet assets and liabilities) of the Company or any of its subsidiaries and we have not been furnished with any such evaluation or appraisal. We are not expressing any opinion as to the impact of the Transaction on the solvency or viability of the Company or Diamond or the ability of the Company or Diamond to pay its obligations when they come due. Our opinion does not address any legal, regulatory, tax or accounting matters.

Our opinion does not address the underlying business decision of the Company to engage in the Transaction, or the relative merits of the Transaction as compared to any strategic alternatives that may be available to the Company. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof and we assume no responsibility for updating, revising or reaffirming this opinion based on circumstances, developments or events occurring after the date hereof. Our advisory services and the opinion expressed herein are provided for the information and assistance of the Board of Directors of the Company in connection with its consideration of the Transaction and such opinion does not constitute a recommendation as to how any holder of Shares should vote with respect to the Transaction or any other matter. This opinion has been approved by a fairness committee of Goldman, Sachs & Co.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the \$5.30 per Share in cash to be received by the holders of Shares pursuant to the Agreement is fair from a financial point of view to such holders.

Very truly yours,

(GOLDMAN, SACHS & CO.)

ANNEX C

GENERAL CORPORATION LAW OF THE STATE OF DELAWARE

§ 262. Appraisal rights.

(a) Any stockholder of a corporation of this State who holds shares of stock on the date of the making of a demand pursuant to subsection (d) of this section with respect to such shares, who continuously holds such shares through the effective date of the merger or consolidation, who has otherwise complied with subsection (d) of this section and who has neither voted in favor of the merger or consolidation nor consented thereto in writing pursuant to § 228 of this title shall be entitled to an appraisal by the Court of Chancery of the fair value of the stockholder's shares of stock under the circumstances described in subsections (b) and (c) of this section. As used in this section, the word "stockholder" means a holder of record of stock in a stock corporation and also a member of record of a nonstock corporation; the words "stock" and "share" mean and include what is ordinarily meant by those words and also membership or membership interest of a member of a nonstock corporation; and the words "depository receipt" mean a receipt or other instrument issued by a depository representing an interest in one or more shares, or fractions thereof, solely of stock of a corporation, which stock is deposited with the depository.

(b) Appraisal rights shall be available for the shares of any class or series of stock of a constituent corporation in a merger or consolidation to be effected pursuant to § 251 (other than a merger effected pursuant to § 251(g) of this title), § 252, § 254, § 257, § 258, § 263 or § 264 of this title:

(1) Provided, however, that no appraisal rights under this section shall be available for the shares of any class or series of stock, which stock, or depository receipts in respect thereof, at the record date fixed to determine the stockholders entitled to receive notice of and to vote at the meeting of stockholders to act upon the agreement of merger or consolidation, were either (i) listed on a national securities exchange or (ii) held of record by more than 2,000 holders; and further provided that no appraisal rights shall be available for any shares of stock of the constituent corporation surviving a merger if the merger did not require for its approval the vote of the stockholders of the surviving corporation as provided in subsection (f) of § 251 of this title.

(2) Notwithstanding paragraph (1) of this subsection, appraisal rights under this section shall be available for the shares of any class or series of stock of a constituent corporation if the holders thereof are required by the terms of an agreement of merger or consolidation pursuant to §§ 251, 252, 254, 257, 258, 263 and 264 of this title to accept for such stock anything except:

- a. Shares of stock of the corporation surviving or resulting from such merger or consolidation, or depository receipts in respect thereof;
- b. Shares of stock of any other corporation, or depository receipts in respect thereof, which shares of stock (or depository receipts in respect thereof) or depository receipts at the effective date of the merger or consolidation will be either listed on a national securities exchange or held of record by more than 2,000 holders;
- c. Cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a. and b. of this paragraph; or
- d. Any combination of the shares of stock, depository receipts and cash in lieu of fractional shares or fractional depository receipts described in the foregoing subparagraphs a., b. and c. of this paragraph.

(3) In the event all of the stock of a subsidiary Delaware corporation party to a merger effected under § 253 of this title is not owned by the parent corporation immediately prior to the merger, appraisal rights shall be available for the shares of the subsidiary Delaware corporation.

(c) Any corporation may provide in its certificate of incorporation that appraisal rights under this section shall be available for the shares of any class or series of its stock as a result of an amendment to its certificate

of incorporation, any merger or consolidation in which the corporation is a constituent corporation or the sale of all or substantially all of the assets of the corporation. If the certificate of incorporation contains such a provision, the procedures of this section, including those set forth in subsections (d) and (e) of this section, shall apply as nearly as is practicable.

(d) Appraisal rights shall be perfected as follows:

(1) If a proposed merger or consolidation for which appraisal rights are provided under this section is to be submitted for approval at a meeting of stockholders, the corporation, not less than 20 days prior to the meeting, shall notify each of its stockholders who was such on the record date for such meeting with respect to shares for which appraisal rights are available pursuant to subsection (b) or (c) hereof that appraisal rights are available for any or all of the shares of the constituent corporations, and shall include in such notice a copy of this section. Each stockholder electing to demand the appraisal of such stockholder's shares shall deliver to the corporation, before the taking of the vote on the merger or consolidation, a written demand for appraisal of such stockholder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such stockholder's shares. A proxy or vote against the merger or consolidation shall not constitute such a demand. A stockholder electing to take such action must do so by a separate written demand as herein provided. Within 10 days after the effective date of such merger or consolidation, the surviving or resulting corporation shall notify each stockholder of each constituent corporation who has complied with this subsection and has not voted in favor of or consented to the merger or consolidation of the date that the merger or consolidation has become effective; or

(2) If the merger or consolidation was approved pursuant to § 228 or § 253 of this title, then either a constituent corporation before the effective date of the merger or consolidation or the surviving or resulting corporation within 10 days thereafter shall notify each of the holders of any class or series of stock of such constituent corporation who are entitled to appraisal rights of the approval of the merger or consolidation and that appraisal rights are available for any or all shares of such class or series of stock of such constituent corporation, and shall include in such notice a copy of this section. Such notice may, and, if given on or after the effective date of the merger or consolidation, shall, also notify such stockholders of the effective date of the merger or consolidation. Any stockholder entitled to appraisal rights may, within 20 days after the date of mailing of such notice, demand in writing from the surviving or resulting corporation the appraisal of such holder's shares. Such demand will be sufficient if it reasonably informs the corporation of the identity of the stockholder and that the stockholder intends thereby to demand the appraisal of such holder's shares. If such notice did not notify stockholders of the effective date of the merger or consolidation, either (i) each such constituent corporation shall send a second notice before the effective date of the merger or consolidation notifying each of the holders of any class or series of stock of such constituent corporation that are entitled to appraisal rights of the effective date of the merger or consolidation or (ii) the surviving or resulting corporation shall send such a second notice to all such holders on or within 10 days after such effective date; provided, however, that if such second notice is sent more than 20 days following the sending of the first notice, such second notice need only be sent to each stockholder who is entitled to appraisal rights and who has demanded appraisal of such holder's shares in accordance with this subsection. An affidavit of the secretary or assistant secretary or of the transfer agent of the corporation that is required to give either notice that such notice has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. For purposes of determining the stockholders entitled to receive either notice, each constituent corporation may fix, in advance, a record date that shall be not more than 10 days prior to the date the notice is given, provided, that if the notice is given on or after the effective date of the merger or consolidation, the record date shall be such effective date. If no record date is fixed and the notice is given prior to the effective date, the record date shall be the close of business on the day next preceding the day on which the notice is given.

(e) Within 120 days after the effective date of the merger or consolidation, the surviving or resulting corporation or any stockholder who has complied with subsections (a) and (d) of this section hereof and who is otherwise entitled to appraisal rights, may commence an appraisal proceeding by filing a petition in the

Table of Contents

Court of Chancery demanding a determination of the value of the stock of all such stockholders. Notwithstanding the foregoing, at any time within 60 days after the effective date of the merger or consolidation, any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party shall have the right to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation. Within 120 days after the effective date of the merger or consolidation, any stockholder who has complied with the requirements of subsections (a) and (d) of this section hereof, upon written request, shall be entitled to receive from the corporation surviving the merger or resulting from the consolidation a statement setting forth the aggregate number of shares not voted in favor of the merger or consolidation and with respect to which demands for appraisal have been received and the aggregate number of holders of such shares. Such written statement shall be mailed to the stockholder within 10 days after such stockholder's written request for such a statement is received by the surviving or resulting corporation or within 10 days after expiration of the period for delivery of demands for appraisal under subsection (d) of this section hereof, whichever is later. Notwithstanding subsection (a) of this section, a person who is the beneficial owner of shares of such stock held either in a voting trust or by a nominee on behalf of such person may, in such person's own name, file a petition or request from the corporation the statement described in this subsection.

(f) Upon the filing of any such petition by a stockholder, service of a copy thereof shall be made upon the surviving or resulting corporation, which shall within 20 days after such service file in the office of the Register in Chancery in which the petition was filed a duly verified list containing the names and addresses of all stockholders who have demanded payment for their shares and with whom agreements as to the value of their shares have not been reached by the surviving or resulting corporation. If the petition shall be filed by the surviving or resulting corporation, the petition shall be accompanied by such a duly verified list. The Register in Chancery, if so ordered by the Court, shall give notice of the time and place fixed for the hearing of such petition by registered or certified mail to the surviving or resulting corporation and to the stockholders shown on the list at the addresses therein stated. Such notice shall also be given by 1 or more publications at least 1 week before the day of the hearing, in a newspaper of general circulation published in the City of Wilmington, Delaware or such publication as the Court deems advisable. The forms of the notices by mail and by publication shall be approved by the Court, and the costs thereof shall be borne by the surviving or resulting corporation.

(g) At the hearing on such petition, the Court shall determine the stockholders who have complied with this section and who have become entitled to appraisal rights. The Court may require the stockholders who have demanded an appraisal for their shares and who hold stock represented by certificates to submit their certificates of stock to the Register in Chancery for notation thereon of the pendency of the appraisal proceedings; and if any stockholder fails to comply with such direction, the Court may dismiss the proceedings as to such stockholder.

(h) After the Court determines the stockholders entitled to an appraisal, the appraisal proceeding shall be conducted in accordance with the rules of the Court of Chancery, including any rules specifically governing appraisal proceedings. Through such proceeding the Court shall determine the fair value of the shares exclusive of any element of value arising from the accomplishment or expectation of the merger or consolidation, together with interest, if any, to be paid upon the amount determined to be the fair value. In determining such fair value, the Court shall take into account all relevant factors. Unless the Court in its discretion determines otherwise for good cause shown, interest from the effective date of the merger through the date of payment of the judgment shall be compounded quarterly and shall accrue at 5% over the Federal Reserve discount rate (including any surcharge) as established from time to time during the period between the effective date of the merger and the date of payment of the judgment. Upon application by the surviving or resulting corporation or by any stockholder entitled to participate in the appraisal proceeding, the Court may, in its discretion, proceed to trial upon the appraisal prior to the final determination of the stockholders entitled to an appraisal. Any stockholder whose name appears on the list filed by the surviving or resulting corporation pursuant to subsection (f) of this section and who has submitted such stockholder's certificates of

Table of Contents

stock to the Register in Chancery, if such is required, may participate fully in all proceedings until it is finally determined that such stockholder is not entitled to appraisal rights under this section.

(i) The Court shall direct the payment of the fair value of the shares, together with interest, if any, by the surviving or resulting corporation to the stockholders entitled thereto. Payment shall be so made to each such stockholder, in the case of holders of uncertificated stock forthwith, and the case of holders of shares represented by certificates upon the surrender to the corporation of the certificates representing such stock. The Court's decree may be enforced as other decrees in the Court of Chancery may be enforced, whether such surviving or resulting corporation be a corporation of this State or of any state.

(j) The costs of the proceeding may be determined by the Court and taxed upon the parties as the Court deems equitable in the circumstances. Upon application of a stockholder, the Court may order all or a portion of the expenses incurred by any stockholder in connection with the appraisal proceeding, including, without limitation, reasonable attorney's fees and the fees and expenses of experts, to be charged pro rata against the value of all the shares entitled to an appraisal.

(k) From and after the effective date of the merger or consolidation, no stockholder who has demanded appraisal rights as provided in subsection (d) of this section shall be entitled to vote such stock for any purpose or to receive payment of dividends or other distributions on the stock (except dividends or other distributions payable to stockholders of record at a date which is prior to the effective date of the merger or consolidation); provided, however, that if no petition for an appraisal shall be filed within the time provided in subsection (e) of this section, or if such stockholder shall deliver to the surviving or resulting corporation a written withdrawal of such stockholder's demand for an appraisal and an acceptance of the merger or consolidation, either within 60 days after the effective date of the merger or consolidation as provided in subsection (e) of this section or thereafter with the written approval of the corporation, then the right of such stockholder to an appraisal shall cease. Notwithstanding the foregoing, no appraisal proceeding in the Court of Chancery shall be dismissed as to any stockholder without the approval of the Court, and such approval may be conditioned upon such terms as the Court deems just; provided, however that this provision shall not affect the right of any stockholder who has not commenced an appraisal proceeding or joined that proceeding as a named party to withdraw such stockholder's demand for appraisal and to accept the terms offered upon the merger or consolidation within 60 days after the effective date of the merger or consolidation, as set forth in subsection (e) of this section.

(l) The shares of the surviving or resulting corporation to which the shares of such objecting stockholders would have been converted had they assented to the merger or consolidation shall have the status of authorized and unissued shares of the surviving or resulting corporation. (8 Del. C. 1953, § 262; 56 Del. Laws, c. 50; 56 Del. Laws, c. 186, § 24; 57 Del. Laws, c. 148, §§ 27-29; 59 Del. Laws, c. 106, § 12; 60 Del. Laws, c. 371, §§ 3-12; 63 Del. Laws, c. 25, § 14; 63 Del.
