ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On November 11, 2004 the Board of Directors of Brightpoint, Inc. (the "Company"), based upon the recommendation of the Corporate Governance and Nominating Committee of the Board, approved certain changes to the compensation payable to those persons who serve as Independent Directors of the Company (determined in accordance with the Company's Corporate Governance Principles), other than the Lead Independent Director, for 2005.

For 2005, the annual compensation payable to the Company's Independent Directors (other than the Lead Independent Director) will be as follows:

1. A \$50,000 cash retainer;
2. 2,000 restricted shares of the Company's common stock which shall constitute "Annual Awards" under the Company's Amended and Restated Independent Director Stock Compensation Plan (the "Plan"); and
3. Additional equity compensation equal to the difference resulting from subtracting the value of the 2,000 Annual Awards referred to in 2. above and granted in accordance with the Plan from \$50,000, provided that such compensation is taken as "Elective Awards" under the Plan.

The 2005 board compensation for Independent Directors, other than the Lead Independent Director, is the same as in 2004, except for the additional equity compensation described in 3. above.

On November 30, 2004, the Board of Directors of the Company, upon the recommendation the Corporate Governance and Nominating Committee, decided to amend the "Required Share Condition" under the Company's Corporate Governance Principles, and thereby the Plan, to increase the percentage of annual board compensation an Independent Director must receive in restricted stock from 30% to 50%. Under the Plan, Elective Awards are required to be received in the form of shares of the Company's common stock unless the director to receive the Elective Award has holdings of Company common stock that meet the "Threshold Amount" as defined in the Plan, in which case the director can elect to receive the additional compensation in cash or a combination of cash and restricted shares of the Company's common stock.

On November 30, 2004, the Board of Directors, upon recommendation of the Corporate Governance and Nominating Committee, approved the following compensation to be received by the Company's Lead Independent Director for 2005:

1. A \$100,000 cash retainer;
2. 2,000 restricted shares of the Company's common stock which shall constitute Annual Awards under the Plan; and
3. Additional equity compensation equal to the difference obtained by subtracting the value of the 2,000 Annual Awards referred to in 2. above and granted in accordance with the Plan from \$100,000, provided that such compensation is taken as Elective Awards under the Plan.

The 2005 board compensation for the Lead Independent Director is the same as in 2004, except for the additional equity compensation described in 3. above.

In addition, the Board of Directors on November 30, 2004 determined to
