#### NOTE 1 ORGANIZATION AND BASIS OF PRESENTATION

#### Organization

The accompanying statements of revenues and certain expenses include the operations of Commons V Medical Office Building, or the Property, located in Naples, Florida. The Property has 55,000 square feet of gross leaseable area and is 100% leased as of December 31, 2006.

#### **Basis of Presentation**

The accompanying statements of revenues and certain expenses have been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission, or the SEC, which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The statements of revenues and certain expenses include the historical revenues and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and therefore, the statements of revenues and certain expenses are not intended to be a complete presentation of the Property s revenues and expenses. Items excluded consist of interest expense, depreciation and amortization and federal and state income taxes.

The accompanying statements of revenues and certain expenses are not representative of the actual operations for the period presented, as certain expenses that may not be comparable to the expenses expected to be incurred by NNN Healthcare/Office REIT, Holdings, L.P. in the future operations of the Property have been excluded.

#### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Revenue Recognition

All leases are classified as operating leases and minimum rents are recognized on a straight-line basis over the terms of the leases (including rent holidays). Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized in the period that the expenses are incurred.

#### Repairs and Maintenance

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

#### Property Management Fees

The Property has incurred a fixed monthly management fee of \$2,500.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from those estimates.

## COMMONS V MEDICAL OFFICE BUILDING NOTES TO STATEMENTS OF REVENUES AND CERTAIN EXPENSES

For the Three Months Ended March 31, 2007 (Unaudited) and

For the Year Ended December 31, 2006

#### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

#### **Unaudited Interim Information**

The statement of revenues and certain expenses for the three months ended March 31, 2007 is unaudited. In the opinion of management, such financial statement reflects all adjustments necessary for a fair presentation of the results of the interim period. All such adjustments are of a normal recurring nature.

#### NOTE 3 LEASES

The Property has entered into operating lease agreements with tenants that expire at various dates through 2012 and are subject to consumer price index increases in base rent. The aggregate annual future minimum lease payments to be received under the existing non-cancelable operating leases as of December 31, 2006 are as follows:

2007	\$ 995,000
2008	705,000
2009	573,000
2010	507,000
2011	507,000
Thereafter	288,000

\$3,575,000

The leases also require reimbursement of the tenant s proportional share of common area expenses, real estate taxes and other operating expenses, which are not included in the amounts above.

#### NOTE 4 TENANT CONCENTRATION

For the three months ended March 31, 2007 (unaudited), the Property had one tenant occupying 73% of the gross leaseable area which accounted for 69% of quarterly rental income.

	Date of	Aggregate	% Aggregate Quarterly
	Lease	Quarterly Rental	Rental

If this tenant was to default on its leases, future revenue of the Property would be materially and adversely impacted. For the year ended December 31, 2006, the Property had one tenant occupying 73% of the gross leaseable area which accounted for 74% of total rental income.

	Date of	Aggregate	% Aggregate
Tenant Name	Lease Expiration	Annual Rental Income	Annual Rental Income

The Property may be subject to legal claims in the ordinary course of business as a property owner. Management believes that the ultimate settlement of any potential claims will not have a material impact on the Property s results of operations.

#### **Environmental Matters**

In connection with the ownership and operation of real estate, the Property may be potentially liable for costs and damages related to environmental matters. The Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and management is not aware of any other environmental condition that it believes will have a material adverse effect on the Property s results of operations.

#### Notes to Unaudited Pro Forma Condensed Consolidated Financial Statements

- 1. Notes to Unaudited Pro Forma Condensed Consolidated Balance Sheet as of March 31, 2007.
- (A) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.
- (B) Represents the purchase price of the assets acquired and liabilities incurred or assumed by NNN Healthcare/Office REIT Holdings, L.P. in connection with the acquisition of the Commons V property. We have assumed that the purchase price of \$14,100,000, plus closing costs and acquisition fees, was financed through the secured loan (see below) and from the issuance of approximately 576,498 shares of common stock from our initial public offering. An acquisition fee of \$423,000, or 3.0% of the purchase price, was paid to our advisor and its affiliate. The purchase price allocations are preliminary and are subject to change.
- (C) We entered into a loan secured by the Commons V property with Wachovia Bank, National Association, or Wachovia, in the principal amount of \$10,000,000. We received cash proceeds (net of closing costs and \$111,000 of lender required reserves and \$94,000 of prepaid payments) of approximately \$9,652,000. The loan matures on June 11, 2017 and bears interest at a fixed rate of 5.54% per annum. The loan requires monthly interest-only payments for the first year and principal and interest payments thereafter until maturity.
- (D) The Commons V property was acquired using proceeds, net of offering costs, received from our initial public offering through the acquisition date at \$10.00 per share. The pro forma adjustments assume these proceeds were raised as of March 31, 2007.
- 2. Notes to Unaudited Pro Forma Condensed Consolidated Statement of Operations for the Three Months Ended March 31, 2007.
- (E) As reported in our March 31, 2007 Quarterly Report on Form 10-Q.
- (F) Amounts represent the estimated operations of the Commons V property for the three months ended March 31, 2007.
- (G) Depreciation expense on the portion of the purchase price allocated to building is recognized using the straight-line method and a 39 year life. Depreciation expense on improvements is recognized using the straight-line method over an estimated useful life between 47 and 72 months. Amortization expense on the identified intangible assets excluding above market leases is recognized using the straight-line method over an estimated useful life between 47 and 107 months.

The amounts allocated to above market leases are included in the identified intangible assets in the accompanying unaudited pro forma condensed consolidated balance sheet and are amortized to rental income over the remaining term of the leases which range between 17 and 55 months. Pro forma amortization of above market leases amortized to rental income for the three months ended March 31, 2007 is \$(6,000), for the Commons V property.

The purchase price allocations, and therefore depreciation and amortization expense, are preliminary and subject to change.

(H) Pursuant to our advisory agreement, our advisor or its affiliates are entitled to receive, for services in managing our properties, a monthly property management fee of up to 4.0% of the gross cash receipts of the property. The historical rate was a flat monthly fee of \$2,500. As a result, the pro forma amount shown is reflective of our current advisory agreement.

Also, adjustments were made for an incremental property tax expense assuming the acquisition price and historical property tax rate.
