**UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
OF DALEEN TECHNOLOGIES, INC.**

On December 20, 2002, pursuant to an Asset Purchase Agreement dated October 7, 2002, Daleen Solutions consummated its previously announced purchase of substantially all of the assets and assumption of certain liabilities of Abiliti. As consideration for the Asset Purchase, Daleen issued to Abiliti 11,406,284 shares of Daleen common stock, 115,681 shares of Daleen Series F convertible preferred stock and warrants to purchase 5,666,069 additional shares of Daleen common stock at an exercise price of \$0.906 per share. The warrants may not be exercised prior to June 20, 2003, subject to acceleration in certain circumstances.

Concurrently with the consummation of the Asset Purchase, on December 20, 2002, pursuant to an Investment Agreement dated October 7, 2002, Daleen completed a private placement of 10,992,136 shares of Daleen common stock, 115,681 shares of Daleen Series F convertible preferred stock, warrants to purchase 5,666,069 additional shares of Daleen common stock at an exercise price of \$0.906 per share, and warrants to purchase 500,000 additional shares of Daleen common stock at an exercise price of \$0.17 per share, for a total consideration of \$5.015 million in cash (the Private Placement). The warrants that have an exercise price of \$0.906 per share may not be exercised prior to June 20, 2003, and the warrants that have an exercise price of \$0.17 per share may not be exercised prior to December 20, 2003, subject in each case to acceleration in certain circumstances.

The following unaudited pro forma condensed consolidated statements of operations for the year ended December 31, 2001 and for the nine months ended September 30, 2002 give effect to (1) the purchase of the assets of Abiliti and (2) the issuance of shares of Daleen's common stock, Series F preferred stock and warrants in the private placement, as if these transactions had all occurred on January 1, 2001 and January 1, 2002, respectively. The following unaudited pro forma condensed consolidated balance sheet as of September 30, 2002, gives effect to these transactions as if they had occurred on September 30, 2002.

The pro forma adjustments are based upon available information and certain assumptions that Daleen's management believes are reasonable under the circumstances. The pro forma financial information is not necessarily indicative of operating results or financial position that would have been achieved had the transactions been consummated on the dates indicated and should not be construed as representative of future operating results or financial position. The pro forma financial information should be read in conjunction with Daleen's annual report on Form 10-K for the fiscal year ended December 31, 2001 and its quarterly report on Form 10-Q for the quarter ended September 30, 2002, in each case as filed with the Securities and Exchange Commission (the Commission), as well as, Abiliti's audited financial statement for the three years ended December 31, 2001 and Abiliti's unaudited financial statements as of and for the nine months ended September 30, 2002, which are incorporated by reference in this Form 8-K/A, and management's discussion and analysis of financial condition and results of operations and selected financial data of Abiliti included on pages 95 to 110 of Daleen's definitive proxy materials included in its Schedule 14A (File No. 000-27491) filed with the Commission on November 20, 2002.

The pro forma adjustments were applied to the respective historical financial statements to reflect and account for the asset purchase using the purchase method of accounting. Accordingly, the total purchase cost has been allocated to the tangible and intangible assets acquired and liabilities assumed of Abiliti based on their fair values. The fair values included herein are as of December 20, 2002, the closing date of the asset purchase and private placement. Such fair values of the assets and liabilities have been combined with the recorded assets and liabilities of Daleen in the unaudited pro forma condensed consolidated balance sheet.
