VOTING RIGHTS AND SOLICITATION OF PROXIES

Every holder of record of common stock of the Company at the close of business on April 19, 2004 is entitled to notice of the meeting and any adjournments or postponements and to vote, in person or by proxy, one vote for each share of Common Stock held by such holder. At the record date, the Company had outstanding 39,112,553 shares of Common Stock. This proxy statement, accompanying notice and proxy and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003 are first being mailed to stockholders on or about April 23, 2004.

Any stockholder giving a proxy has the power to revoke the proxy prior to its exercise. A proxy can be revoked by an instrument of revocation delivered at or prior to the annual meeting to the secretary of the Company, by a duly executed proxy bearing a date or time later than the date or time of the proxy being revoked, or at the annual meeting if the stockholder is present and elects to vote in person. Mere attendance at the annual meeting will not serve to revoke a proxy. Abstentions and shares held of record by a broker or its nominee that are voted on any matter are included in determining the number of votes present for quorum purposes. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

All proxies received and not revoked will be voted as directed. If no directions are specified, such proxies will be voted **FOR** the election of the board's nominees and **FOR** the approval of the Vector Group Ltd. Amended and Restated 1999 Long-Term Incentive Plan. The nominees receiving a plurality of the votes cast will be elected as directors. The affirmative vote of the majority of votes cast with respect to the Long-Term Incentive Plan proposal will be necessary for approval assuming that the total vote cast represents a majority in interest of all securities entitled to vote on the proposal. For this purpose, abstentions are, but broker shares that are not voted are not, treated as votes cast.

Board of Directors and Committees

The board of directors, which held five meetings in 2003, currently has seven members. The board has determined that all four of the Company's non-employee directors have no material relationship with the Company and meet the New York Stock Exchange listing standards for independence. Mr. Eide is an officer and stockholder of Aegis Capital Corp. which performs brokerage services for New Valley. See Compensation Committee Interlocks and Insider Participation. In making the determination that this relationship is not material and does not prevent Mr. Eide from being an independent director, the board took into account that the fees paid to Aegis are comparable to those paid to other brokerage firms for similar services and the amounts involved are insignificant to both New Valley and Aegis. Each director attended at least 75% of the aggregate number of meetings of the board and of each committee of which the director was a member held during such period. To ensure free and open discussion and communication among the non-employee directors of the board, the non-employee directors will meet in executive sessions periodically, with no members of management present. The chair of the corporate governance and nominating committee will preside at the executive sessions.

The board of directors has four committees established in accordance with the Company's bylaws: the executive committee, audit committee, compensation committee, and corporate governance and nominating

committee. Each of the members of the audit committee, compensation committee, and corporate governance and nominating committee meets the New York Stock Exchange listing standards for independence.

The executive committee, whose members are Messrs. LeBow, chairman, Lorber and Eide, did not meet in 2003. The executive committee exercises, in the intervals between meetings of the board, all the powers of the board in the management and affairs of the Company, except for matters expressly reserved by law for board action.

The audit committee, whose members are currently Messrs. Beinstein, chairman, Eide and Podell and Ms. Sharpe, met six times in 2003. The committee is governed by a written charter, a copy of which is attached as Appendix A to this proxy statement. The audit committee oversees the Company's financial statements, system of internal controls, and auditing, accounting and financial reporting processes; appoints, compensates, evaluates and, where appropriate, replaces the Company's independent accountants; reviews annually the audit committee charter; and reviews and pre-approves audit and permissible non-audit services. See Audit Committee Report. Each of the members of the audit committee is financially literate, as required of audit committee members by the New York Stock Exchange. The board of directors has determined that Mr. Beinstein is an audit committee financial expert as defined by the rules of the Securities and Exchange Commission.

The compensation committee, whose members are currently Messrs. Eide, chairman, Beinstein and Podell, met four times in 2003. The committee is governed by a written charter. The compensation committee reviews, approves and administers management compensation and executive compensation plans. The compensation committee also administers the Company's 1998 and 1999 Long-Term Incentive Plans. See Compensation Committee Report on Executive Compensation.

The corporate governance and nominating committee, whose members are Ms. Sharpe, chair, and Messrs. Eide and Beinstein, was formed in March 2004. The committee is governed by a written charter. This committee assists the board of directors in identifying individuals qualified to become board members and recommends to the board the nominees for election as directors at the next annual meeting of shareholders, develops and recommends to the board the corporate governance guidelines applicable to the Company, and oversees the evaluation of the board and management. In recommending candidates for the board, the committee shall take into consideration the following criteria established by the board in the Company's corporate governance guidelines:

personal qualities and characteristics, accomplishments and reputation in the business community;

current knowledge and contacts in the communities in which the Company does business and in the Company's industry or other industries relevant to the Company's business;

ability and willingness to commit adequate time to board and committee matters;

the fit of the individual's skills and personality with those of other directors and potential directors in building a board that is effective, collegial and responsive to the needs of the Company; and

diversity of viewpoints, background, experience and other demographics.

The committee shall also consider such other factors as it deems appropriate, including judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other board members, and the extent to which the candidate would be a desirable addition to the board and any committees of the board. The committee will consider nominees recommended by stockholders, which nominations should be submitted by directing an appropriate letter and resume to the secretary of the Company. If the Company were to receive recommendations of candidates from the Company's stockholders, the committee would consider such recommendations in the same manner as all other candidates.

Corporate Governance Materials

The Company's corporate governance guidelines, code of business conduct and ethics and the charters of the Company's audit committee, compensation committee, and corporate governance and nominating committee are all available in the investor relations section of the Company's website (www.vectorgrouppltd.com).

Compensation Committee Interlocks and Insider Participation

During 2003, Mr. Eide served as a member of the Company's compensation committee. Mr. Eide is a stockholder, and serves as the Chairman and Chief Executive Officer, of Aegis Capital Corp., a registered broker-dealer, that has performed services for New Valley since before January 1, 2003. During 2003, Aegis received commissions and other income in the aggregate amount of approximately \$48,000 from New Valley. Aegis has continued to provide services to New Valley in 2004.

Defined Benefit or Actuarial Plan Disclosure

Liggett sponsors the Retirement Plan For Salaried Non-Bargaining Unit Employees of Liggett, which is a noncontributory, defined benefit plan. Each salaried employee of the participating companies becomes a participant on the first day of the month following one year of employment with 1,000 hours of service and the attainment of age 21. A participant becomes vested as to benefits on the earlier of his attainment of age 65, or upon completion of five years of service. Benefits become payable on a participant's normal retirement date, age 65, or, at the participant's election, at his early retirement after he has attained age 55 and completed ten years of service. A participant's annual benefit at normal retirement date is equal to the sum of: (A) the product of: (1) the sum of: (a) 1.4% of the participant's average annual earnings during the five-year period from January 1, 1986 through December 31, 1990 not in excess of \$19,500 and (b) 1.7% of his average annual earnings during such five-year period in excess of \$19,500 and (2) the number of his years of credited service prior to January 1, 1991; (B) 1.55% of his annual earnings during each such year after December 31, 1990, not in excess of \$16,500; and (C) 1.85% of his annual earnings during such year in excess of \$16,500. The maximum years of credited service is 35. If an employee was hired prior to January 1, 1983, there is no reduction for early retirement. If hired on or after January 1, 1983, there is a reduction for early retirement equal to 3% per year for the number of years prior to age 65 (age 62 if the participant has at least 20 years of service) that the participant retires. The plan also provides benefits to disabled participants and to surviving spouses of participants who die before retirement. Benefits are paid in the form of a single life annuity, with optional actuarially equivalent forms of annuity available. Payment of benefits is made beginning on the first day of the month immediately following retirement. As of December 31, 1993, the accrual of benefits under the plan was frozen.

As of December 31, 2003, none of the named executive officers was eligible to receive any benefits under the retirement plan, except for Mr. Bernstein who is entitled to a monthly benefit of \$372 at age 65.

Under some circumstances, the amount of retirement benefits payable under the retirement plan to some employees may be limited by the federal tax laws. Any benefit lost due to such a limitation will be made up by Liggett through a non-qualified supplemental retirement benefit plan. Liggett has accrued, but not funded, amounts to pay benefits under this supplemental plan.

Effective January 1, 2002, the Company adopted a Supplemental Executive Retirement Plan (SERP). The SERP is a defined benefit plan pursuant to which the Company will pay supplemental pension benefits to certain key employees, including the named executive officers. The SERP is intended to be unfunded for tax purposes, and payments under the SERP will be made out of the general assets of the Company.

Under the SERP, the projected annual benefit payable to a participant at his normal retirement date is a predetermined amount set by the Company's board of directors (\$2,524,163 for Mr. LeBow, \$1,051,875 for

Mr. Lorber, \$250,000 for Mr. Lampen, \$200,000 for Mr. Bell and \$438,750 for Mr. Bernstein). Normal retirement date is defined as the January 1 following the attainment by the participant of the later of age 60 or the completion of eight years of participation following January 1, 2002 for the Company or a subsidiary. In the case of a participant who becomes disabled prior to his normal retirement date or whose service is terminated without cause, the participant's benefit consists of a fractional portion of the full projected retirement benefit to which he would have been entitled had he remained employed through his normal retirement date, as actuarially discounted back to the date of payment. A participant who dies while working for the Company or a subsidiary (and before becoming disabled or attaining his normal retirement date) will be paid an actuarially discounted equivalent of his projected retirement benefit; conversely, a participant who retires beyond his normal retirement date will receive an actuarially increased equivalent of his projected retirement benefit. No participant whose employment is terminated upon his own volition, or for any reason other than death, disability or attainment of normal (or late) retirement, will be entitled to any benefits under the SERP.

Benefits under the SERP are generally payable in the form of a joint and survivor annuity (in the case of a married participant) or a single life annuity (in the case of an unmarried participant), with either such form of distribution representing the actuarial equivalent of the benefits due the participant. A participant may also request that his benefits be paid in a lump sum, but the Company may approve or disapprove such request in its discretion.

Compensation Committee Report on Executive Compensation

Compensation arrangements for the Company's executive officers are usually negotiated on an individual basis between Mr. LeBow and each executive. The Company's executive compensation philosophy is:

to base management's pay, in part, on achievement of the Company's goals;

to provide incentives to enhance stockholder value;

to provide competitive levels of compensation;

to recognize individual initiative and achievement; and

to assist the Company in attracting talented executives to a challenging and demanding environment and to retain such executives for the benefit of the Company and its subsidiaries.

Compensation arrangements for the Company's executive officers are determined initially by evaluating the responsibilities of the position held and the experience of the individual, and by reference to the competitive marketplace for management talent. Annual salary adjustments are determined by evaluating the competitive marketplace, the performance of the Company, the performance of the executive, and any increased responsibilities assumed by the executive. Bonus arrangements of certain executive officers are fixed by contract and are not contingent. The Company, from time to time, considers the payment of discretionary bonuses to its executive officers. Bonuses are determined based, first, upon the level of achievement by the Company of its goals and, second, upon the level of personal achievement by such executive officers.

The compensation package of Mr. LeBow was negotiated and approved by the independent members of the board of directors of the Company in February 1992. The compensation of Mr. LeBow is set forth in an employment agreement between Mr. LeBow and the Company. See Employment Agreements, above. During 2003, Mr. LeBow received, in addition to the amounts provided for in his agreement, a special bonus of \$863,500, the proceeds of which were used by Mr. LeBow to repay to the Company its interest of \$863,500 under his split-dollar insurance agreements.

The compensation package of Mr. Lorber was negotiated and approved by the board of directors of the Company in January 2001 when Mr. Lorber was elected President and Chief Operating Officer of the Company. At that time, Mr. Lorber's base salary from the Company was established at the same level as the consulting payments he had previously received from the Company and Liggett, subject to an annual cost of living adjustment. See Employment Agreements, above.

The compensation package of Mr. Bernstein, as President and Chief Executive Officer of Liggett, was negotiated and approved by the board of directors of Liggett in September 2000. See Employment Agreements, above. Effective January 1, 2004, Mr. Bernstein's base salary was increased from \$650,000 to \$750,000 to reflect the scope of his responsibilities, as the President and Chief Executive Officer of Liggett Vector Brands Inc. and Liggett Group Inc., for the management of the Company's cigarette business.

During 2003, the compensation committee adopted a corporate aircraft policy which permits personal use of corporate aircraft by Messrs. LeBow and Lorber subject to annual limits of \$200,000 and \$100,000, respectively. The value of the personal usage will be calculated using the applicable standard industry fare level formula established by the Internal Revenue Service, and Messrs. LeBow and Lorber will pay income tax on such value.

In 1993, Section 162(m) was added to the Internal Revenue Code of 1986. This section generally provides that no publicly held company may deduct compensation in excess of \$1,000,000 paid in any taxable year to its chief executive officer or any of its four other highest paid officers unless:

the compensation is payable solely on account of the attainment of performance goals;

the performance goals are determined by a compensation committee of two or more outside directors;

the material terms under which compensation is to be paid are disclosed to and approved by the stockholders of the Company; and

the compensation committee certifies that the performance goals were met.

This limitation is applicable to the cash compensation paid by the Company to Mr. LeBow and the other named executives officers in 2003.

The foregoing information is provided by the compensation committee of the Company.

The Company was reimbursed net amounts of approximately \$480,000 in 2003 under this agreement. The arrangement with New Valley has continued in 2004.

In connection with the Company's convertible note offering in July 2001, the placement agent for the offering required that Bennett S. LeBow, the principal stockholder and Chairman of the Company, grant the placement agent the right, in its sole discretion, to borrow up to 3,472,875 shares of Common Stock from the principal stockholder or any entity affiliated with him during the three-year period ending June 29, 2004 and that he agree not to dispose of such shares during the three-year period, subject to limited exceptions. APPROVAL OF VECTOR GROUP LTD. AMENDED AND RESTATED

1999 LONG-TERM INCENTIVE PLAN

The board has approved and the Company has adopted, subject to stockholder approval, the Vector Group Ltd. Amended and Restated 1999 Long-Term Incentive Plan. A general description of the basic features of the plan is set forth below. This description is qualified in its entirety by reference to the full text of the plan which is attached as Appendix B to this proxy statement.

Purpose

The purpose of the plan is to promote the interests of the Company, its subsidiaries and its stockholders by enabling the Company to attract, retain and motivate officers, employees, directors and consultants and to align the interests of those individuals and the Company's stockholders. To do this, the plan offers equity-based opportunities to provide such persons with a proprietary interest in maximizing the growth, profitability and overall success of the Company and its subsidiaries.

Number of Shares

The maximum number of shares of Common Stock as to which awards may be granted under the plan will increase from 6,077,531 shares to 8,500,000 shares. Stock options for approximately 3,853,000 shares have been awarded and are currently outstanding under the 1999 plan prior to its amendment and restatement. Approximately 396,000 shares are currently available for award under the Vector Group Ltd. 1998 Long-Term Incentive Plan. During any calendar year, no individual may be granted stock options under the plan to acquire more than 1,825,000 shares of Common Stock. In addition, during the term of the plan, no individual participant may receive awards of stock options, stock appreciation rights and/or restricted shares in excess of 4,250,000 shares. These limits are subject to proportional adjustment to reflect stock changes, such as stock dividends and stock splits.

If any awards expire or terminate unexercised, the shares of Common Stock allocable to the unexercised or terminated portion will again be available for awards under the plan, subject to limitations.

Administration

The administration, interpretation and operation of the plan will be vested in a committee of the board. Members of the committee will serve at the pleasure of the board, which may at any time remove or add members to it. The day-to-day administration of the plan may be carried out by officers and employees of the

Company designated by the committee. The board has designated its compensation committee to administer the plan.

Eligibility

All officers, employees, directors and consultants of the Company and its subsidiaries are eligible to receive awards under the plan; the Company and its subsidiaries currently have approximately 1,100 employees. Awards under the plan will be made by the committee. Awards will be made pursuant to individual award agreements between the Company and each participant.

Awards Under the Plan

Introduction. Awards under the plan may consist of stock options, stock appreciation rights or restricted shares, each of which is described below. All awards will be evidenced by an agreement approved by the committee. In the discretion of the committee, an eligible employee may receive awards from one or more of the categories described below, and more than one award may be granted to an eligible employee. In the event of any change in the outstanding shares of Common Stock of the Company by reason of certain stock changes, including without limitation stock dividends and stock splits, the terms of awards and number of shares of any outstanding award may be equitably adjusted by the board in its sole discretion. Except as set forth below under *Planned 2004 Stock Awards under the Plan*, no determination has been made as to future awards which may be granted under the plan, although it is anticipated that future recipients of awards may include current executive officers and directors of the Company and its subsidiaries.

Stock Options and Stock Appreciation Rights. A stock option is an award that entitles a participant to purchase shares of Common Stock at a price fixed at the time the option is granted. Stock options granted under the plan may be in the form of incentive stock options which qualify for special tax treatment or non-qualified stock options, and may be granted alone or in addition to other awards under the plan, or in tandem with stock appreciation rights (SARs).

SARs entitle a participant to receive, upon exercise, cash, restricted shares or unrestricted shares of Common Stock, or any combination thereof, as provided in the relevant award agreement, with a value equal to the difference between

the fair market value on the exercise date of the shares with respect to which an SAR is exercised and

the fair market value of such shares on the date the SAR was granted,
multiplied by the number of shares of Common Stock for which the SAR has been exercised.

No SAR may be exercised until six months after its grant or prior to the exercisability of the stock option with which it is granted in tandem, whichever is later.

The exercise price and other terms and conditions of options will be determined by the committee at the time of grant, and in the case of incentive stock options, the exercise price will not be less than the fair market value of the Common Stock on the date of the grant. No term of any incentive stock options may exceed ten years after grant. An option or SAR grant under the plan does not provide an optionee any rights as a shareholder. These rights will accrue only as to shares actually purchased through the exercise of an option or the settlement of an SAR.

The committee may cancel out-of-the-money stock options granted under the plan or the 1998 plan and reissue either immediately or after the passage of time (e.g., 6 months and a day) options to the holders of such cancelled options with such terms and conditions and exercise prices as the committee determines.

An option or SAR grant under the plan may, if determined by the committee, include the payment of dividend equivalents. Under such an award, the participant would receive a payment equal to the amount of any dividend or other distribution that would have been paid on the shares covered by the award had the covered shares been issued and outstanding on the dividend record date.

Exercise of an option or an SAR will result in the cancellation of the related option or SAR to the extent of the number of shares in respect of which such option or SAR has been exercised. Unless otherwise determined by the committee or provided in the relevant award agreement, stock options shall become exercisable over a three-year period from the date of grant with 33 1/3% vesting on each anniversary of the grant in that time period.

Payment for shares issuable on exercise of an option may be made either in cash or, if permitted by the committee, by tendering a fully-secured promissory note or shares of Common Stock owned by a participant for at least six months with a fair market value at the date of exercise equal to the portion of the exercise price not paid in cash. The committee may also allow participants to simultaneously exercise stock options and sell the acquired shares of Common Stock under a cashless exercise arrangement.

Restricted Share Awards. Restricted share awards are grants of Common Stock made to a participant subject to conditions established by the committee in the relevant award agreement. The restricted shares become unrestricted only in accordance with the conditions and vesting schedule, if any, provided in the relevant award agreement, but in no event may restricted shares vest before six months after the date of grant. A participant may not sell or otherwise dispose of restricted stock until the conditions imposed by the committee have been satisfied. Restricted share awards under the plan may be granted alone or in addition to other awards under the plan. Restricted shares that vest will be reissued as unrestricted Common Stock.

Each participant who receives a grant of restricted shares will have the right to receive all dividends and vote or execute proxies for such shares. Any stock dividends will be treated as additional restricted shares.

Forfeiture Upon Termination

Unless otherwise provided in the relevant award agreement or in a participant's then-effective employment agreement, if a participant's employment is terminated for any reason, any unexercisable option or SAR will be forfeited and canceled by the Company. The participant's right to exercise any then-exercisable option or SAR will terminate 90 days after the date of termination, but not beyond the stated term of the stock option or SAR. However, the committee may, to the extent options and/or SARs were exercisable on the date of termination, extend these periods, but not beyond the stated term of such option and/or SAR. If a participant dies, becomes totally disabled or retires, he or she or his or her estate or other legal representative, to the extent these options or SARs are exercisable immediately before the date of death, total disability or retirement, will be entitled to exercise any stock options or SARs for one year, but not beyond the stated term of the option or SAR.

If a participant's employment is terminated for any reason other than death, total disability or retirement before satisfaction and/or lapse of the restrictions, terms and conditions, applicable to any grant of restricted shares, such restricted shares will be immediately forfeited. However, the committee may, in its sole discretion, determine within 90 days after termination that all or a portion of the restricted shares should not be forfeited. In the case of death, total disability or retirement, the participant or his or her estate or other legal representatives will become 100% vested in any restricted shares as of the date of termination.

Amendment, Suspension or Termination of the Plan

The board of directors may suspend or terminate the plan at any time and may amend the plan at any time as it deems advisable to insure that awards conform to or otherwise reflect changes in applicable law or regulations, or otherwise as it may deem in the best interests of the Company or any subsidiary. No amendment, suspension or termination by the board of directors shall materially adversely affect the rights of any award, without the consent of the grantee, or make any change that would disqualify the plan from the benefits or entitlements to deductions provided under Sections 422 and 162(m) of the Internal Revenue Code.

Federal Income Tax Consequences of the Plan

Incentive Stock Options. Stock options granted under the plan may be incentive stock options (within the meaning of Section 422 of the Code) or non-qualified stock options. Upon the grant of an incentive stock

option, the optionee will not recognize any income. No income is recognized by the optionee upon the exercise of an incentive stock option if the holding period requirements contained in the plan and in Section 422 of the Code are met. These include the requirement that the optionee remain an employee of the Company or a subsidiary during the period beginning with the date of the grant and ending on the day three months (one year if the optionee becomes disabled) before the date the option is exercised. The optionee must increase his or her alternative minimum taxable income for the taxable year in which he or she exercised the incentive stock option by the amount that would have been ordinary income had the option not been an incentive stock option.

Upon the subsequent disposition of shares acquired upon the exercise of an incentive stock option, the federal income tax consequences will depend upon when the disposition occurs and the type of disposition. If the shares are disposed of after the second anniversary of the date of grant of the option and after the end of the one-year period beginning on the day after the shares are issued to the optionee, any gain or loss realized upon the disposition will be long-term capital gain or loss, and the Company will not be entitled to any income tax deduction in respect of the option or its exercise. For purposes of determining the amount of the gain or loss, the optionee's tax basis in the shares will be the option price.

Generally, if the shares are disposed of within these periods, the excess of the amount realized up to the fair market value of the shares on the exercise date over the option price will be compensation taxable to the optionee as ordinary income. In this case, the Company will be entitled to a deduction, subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions", equal to the amount of ordinary income realized by the optionee.

If an optionee has not remained an employee of the Company during the period beginning with the grant of an incentive stock option and ending on the day three months (one year if the optionee becomes disabled) before the date the option is exercised, the exercise of the option will be treated as the exercise of a non-qualified stock option with the tax consequences described below.

Non-Qualified Stock Options. Upon the grant of a non-qualified stock option, an optionee will not recognize any income. At the time a nonqualified option is exercised, the optionee will recognize compensation taxable as ordinary income, and the Company will be entitled to a deduction, subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions", in an amount equal to the difference between the fair market value on the exercise date of the shares acquired and the option price. Upon a subsequent disposition of the shares, the optionee will recognize long-or short-term capital gain or loss, depending upon the holding period of the shares. For purposes of determining the amount of the gain or loss, the optionee's tax basis in the shares will be the fair market value of the shares on the exercise date.

If an optionee elects to tender shares of Common Stock in partial or full payment of the option price for shares to be acquired through the exercise of an option, generally the optionee will not recognize any gain or loss on such tendered shares. However, if the shares tendered were previously acquired upon exercise of an incentive stock option, and exercise occurs within two years after the date of grant of the option or one year after the tendered shares were acquired, the tender will be a taxable disposition with the tax consequences described above under the caption "Incentive Stock Options" for taxable dispositions within two years after the date of grant of the option or within one year after shares are acquired upon the exercise of an incentive stock option.

If the optionee tenders shares upon an exercise of an option that would result in the receipt of compensation by the optionee, the optionee will recognize compensation taxable as ordinary income. In this case, the Company will be entitled to a deduction, subject to the provisions of Section 162(m) of the Code discussed below under the caption "Limits on Deductions", in an amount equal only to the fair market value of the number of shares received by the optionee upon exercise in excess of the number of tendered shares, less any cash paid by the optionee.

Stock Appreciation Rights. Generally, upon the grant of a stock appreciation right, an optionee will not realize any income. At the time a stock appreciation right is exercised, an optionee will realize compensation taxable as ordinary income, and the Company will be entitled to a deduction, in an amount equal to any cash

received before applicable withholding plus the fair market value on the exercise date of any shares of Common Stock received. The optionee's tax basis in shares received upon the exercise of a stock appreciation right will be the fair market value of such shares on the exercise date and the holding period of such shares for capital gain purposes will begin on such date.

Restricted Stock. An employee will not realize any income upon an award of restricted stock. At the time the terms and conditions applicable to a share of restricted stock are satisfied, an employee will realize compensation taxable as ordinary income, and the Company will be entitled to a deduction, equal to the then fair market value of the shares of unrestricted Common Stock received by the employee. The employee's tax basis for any such shares of Common Stock would be their fair market value on the date such terms and conditions are satisfied.

An employee who receives an award of shares of restricted stock may irrevocably elect under Section 83(b) of the Code to report compensation taxable as ordinary income, and the Company will be entitled to a corresponding deduction, in an amount equal to the fair market value of the shares determined without regard to any restrictions on the date of the transfer of the shares to the employee upon such award. This election must be made by the employee not later than 30 days after the date of such award. If an election is made, no income would be recognized by the employee and the Company will not be entitled to a corresponding deduction at the time the applicable terms and conditions are satisfied. The employee's tax basis for the shares of restricted stock received would be the fair market value of the restricted stock determined without regard to any restrictions thereon on the date of the award. If an employee makes this election and subsequently all or part of the award is forfeited, the employee will not be entitled to a deduction as a result of the forfeiture.

Limits on Deductions. Under Section 162(m) of the Code, the amount of compensation paid to the chief executive officer and the four other most highly paid executive officers of the Company in the year for which a deduction is claimed by the Company (including its subsidiaries) is limited to \$1,000,000 per person in any year. However, compensation which is performance-based will be excluded for purposes of calculating the amount of compensation subject to this limitation. The ability of the Company to claim a deduction for compensation paid to any other executive officer or employee is not affected by this provision.

The Company has structured the plan so that compensation for which the Company may claim a deduction in connection with the exercise of non-qualified stock options and related SARs and the disposition by an optionee of shares acquired upon the exercise of incentive stock options may be performance-based within the meaning of Section 162(m). However, the Company's deduction for any payments to holders of options equal to the amount of any dividends or similar distributions with respect to the shares of the Common Stock underlying the unexercised portion of the options will be subject to the limitations on deductibility under Section 162(m). Because the restricted share awards under the plan are not deemed to be performance-based under Section 162(m), amounts for which the Company may claim a deduction upon the lapse of any restrictions on such restricted share awards will be subject to the limitations on deductibility under Section 162(m).

The recognition by an employee of compensation income with respect to a grant or an award under the plan will be subject to withholding for federal income and employment tax purposes. If an employee, to the extent permitted by the terms of a grant or award, uses shares of Common Stock to satisfy the federal income and employment tax withholding obligation, or any similar withholding obligation for state and local tax obligations, the employee will recognize a capital gain or loss, short-term or long-term, depending on the tax basis and holding period for the shares.

Amended and Restated Plan Benefits

As described above, the committee in its discretion will select the participants who receive awards and the size and type of those awards, if the plan is approved by stockholders. It is, therefore, not possible to predict the awards that will be made to particular individuals or groups in the future under the plan. No stock options were awarded in fiscal 2003 to the Company's Chief Executive Officer or any of the other named

executive officers; however, options with respect to 15,750 shares were issued in 2003 to other officers and employees of the Company and its subsidiaries.

Planned 2004 Stock Awards Under the Plan

Subject to approval of the plan by stockholders, the Company will grant 10,000 restricted shares of Common Stock to each of the four outside directors of the Company (Messrs. Beinstein, Eide and Podell and Ms. Sharpe). The stock grant will vest in three equal annual installments commencing on the first anniversary of the date of grant based on continued service as a director, subject to earlier vesting upon death, disability or the occurrence of a change-of-control.

The Company also plans, subject to stockholder approval of the plan, to offer approximately six employees (who are not executive officers of the Company) the opportunity to have their out-of-money stock options cancelled, with replacement options to be issued six months and a day later at the then fair market value of the Common Stock and subject to such terms and conditions as the committee may determine. These employees hold approximately 266,000 options with exercise prices ranging from \$25.44 to \$35.76 per share.

At the record date, the total number of outstanding shares of Common Stock was 39,112,553 shares. The closing price of the Common Stock on April 19, 2004 on The New York Stock Exchange was \$17.00 per share.

Effective Date

The plan became effective on April 16, 2004, the date of its adoption by the board of directors, subject to stockholder approval. The plan will terminate on December 31, 2013, except with respect to awards then outstanding. Thereafter no further awards will be granted under the plan unless the plan is extended by the board of directors.

Approval of the Plan

To become effective, the plan must be approved by the affirmative vote of a majority of the votes cast at the annual meeting on this proposal by the holders of the shares of Common Stock entitled to vote, assuming a majority of votes is cast.

The board recommends a vote **FOR** approval of the plan.

3. Administration.

3.1 **The Committee.** The Plan shall be administered by the Committee. The Committee shall be appointed from time to time by the Board and shall be comprised of not less than two (2) of the then members of the Board who are Outside Directors (within the meaning of Code Section 162(m) and the regulations promulgated thereunder) of the Company. Consistent with the Bylaws of the Company, members of the Committee shall serve at the pleasure of the Board and the Board, subject to the immediately preceding sentence, may at any time and from time to time remove members from, or add members to, the Committee.

3.2 **Plan Administration and Plan.** The Committee is authorized to construe and interpret the Plan and to promulgate, amend and rescind rules and regulations relating to the implementation, administration and maintenance of the Plan. Subject to the terms and conditions of the Plan, the Committee shall make all determinations necessary or advisable for the implementation, administration and maintenance of the Plan including, without limitation, (a) selecting the Plan's Participants, (b) making Awards in such amounts and form as the Committee shall determine, (c) imposing such restrictions, terms and conditions upon such Awards as the Committee shall deem appropriate, and (d) correcting any technical defect(s) or technical omission(s), or reconciling any technical inconsistency(ies), in the Plan and/or any Award Agreement. The Committee may designate persons other than members of the Committee to carry out the day-to-day ministerial administration of the Plan under such conditions and limitations as it may prescribe, except that the Committee shall not delegate its authority with regard to the selection for participation in the Plan and/or the granting of any Awards to Participants. The Committee's determinations under the Plan need not be uniform and may be made selectively among Participants, whether or not such Participants are similarly situated. Any determina-

tion, decision or action of the Committee in connection with the construction, interpretation, administration, implementation or maintenance of the Plan shall be final, conclusive and binding upon all Participants and any person(s) claiming under or through any Participants. The Company shall effect the granting of Awards under the Plan, in accordance with the determinations made by the Committee, by execution of written agreements and/or other instruments in such form as is approved by the Committee.

3.3 Liability Limitation. Neither the Board nor the Committee, nor any member of either, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with the Plan (or any Award Agreement), and the members of the Board and the Committee shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage which may be in effect from time to time.

4. Term of Plan/Common Stock Subject to Plan.

4.1 Term. The Plan shall terminate on December 31, 2013, except with respect to Awards then outstanding. After such date no further Awards shall be granted under the Plan.

4.2 Common Stock. The maximum number of shares of Common Stock in respect of which Awards may be granted or paid out under the Plan, subject to adjustment as provided in Section 13.2 of the Plan, shall not exceed 8,500,000 shares. In the event of a change in the Common Stock of the Company that is limited to a change in the designation thereof to Capital Stock or other similar designation, or to a change in the par value thereof, or from par value to no par value, without increase or decrease in the number of issued shares, the shares resulting from any such change shall be deemed to be the Common Stock for purposes of the Plan. Common Stock which may be issued under the Plan may be either authorized and unissued shares or issued shares which have been reacquired by the Company (in the open-market or in private transactions) and which are being held as treasury shares. No fractional shares of Common Stock shall be issued under the Plan.

4.3 Computation of Available Shares. For the purpose of computing the total number of shares of Common Stock available for Awards under the Plan, there shall be counted against the limitations set forth in Section 4.2 of the Plan the maximum number of shares of Common Stock potentially subject to issuance upon exercise or settlement of Awards granted under Sections 6 and 7 of the Plan, and the number of shares of Common Stock issued under grants of Restricted Shares pursuant to Section 8 of the Plan, in each case determined as of the date on which such Awards are granted. If any Awards expire unexercised or are forfeited, surrendered, cancelled, terminated or settled in cash in lieu of Common Stock, the shares of Common Stock which were theretofore subject (or potentially subject) to such Awards shall again be available for Awards under the Plan to the extent of such expiration, forfeiture, surrender, cancellation, termination or settlement of such Awards.

5. Eligibility. Individuals eligible for Awards under the Plan shall consist of all officers, employees, directors and consultants, or those who will become such officers, employees, directors or consultants, of the Company and/or its Subsidiaries who are responsible for the management, growth and protection of the business of the Company and/or its Subsidiaries or whose performance or contribution, in the sole discretion of the Committee, benefits or will benefit the Company.

6. Stock Options.

6.1 Terms and Conditions. Stock options granted under the Plan shall be in respect of Common Stock and may be in the form of Incentive Stock Options or Non-Qualified Stock Options (sometimes referred to collectively herein as the Stock Option(s)). Such Stock Options shall be subject to the terms and conditions set forth in this Section 6 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement.

6.2 Grant. Stock Options may be granted under the Plan in such form as the Committee may from time to time approve. Stock Options may be granted alone or in addition to other Awards under the Plan or in tandem with Stock Appreciation Rights. Special provisions shall apply to Incentive Stock Options granted to any employee who owns (within the meaning of Section 422(b)(6) of the Code) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or its parent corporation or any subsidiary of the Company, within the meaning of Sections 424(e) and (f) of the Code (a 10% Shareholder).

6.3 Exercise Price. The exercise price per share of Common Stock subject to a Stock Option shall be determined by the Committee, including, without limitation, a determination based on a formula determined by the Committee; *provided, however*, that the exercise price of an Incentive Stock Option shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Stock on the date of the grant of such Incentive Stock Option; *provided, further, however*, that, in the case of a 10% Shareholder, the exercise price of an Incentive Stock Option shall not be less than one hundred ten percent (110%) of the Fair Market Value of the Common Stock on the date of grant.

6.4 Term. The term of each Stock Option shall be such period of time as is fixed by the Committee; *provided, however*, that the term of any Incentive Stock Option shall not exceed ten (10) years (five (5) years, in the case of a 10% Shareholder) after the date immediately preceding the date on which the Incentive Stock Option is granted.

6.5 Method of Exercise. A Stock Option may be exercised, in whole or in part, by giving written notice of exercise to the Secretary of the Company, or the Secretary's designee, specifying the number of shares to be purchased. Such notice shall be accompanied by payment in full of the exercise price in cash, by certified check, bank draft or money order payable to the order of the Company or, if permitted by the Committee (in its sole discretion) and applicable law, by delivery of, alone or in conjunction with a partial cash or instrument payment, (a) a fully-secured promissory note or notes, (b) shares of Common Stock already owned by the Participant for at least six (6) months, or (c) some other form of payment acceptable to the Committee. The Committee may also permit Participants (either on a selective or group basis) to simultaneously exercise Stock Options and sell the shares of Common Stock thereby acquired, pursuant to a cashless exercise arrangement or program, selected by and approved of in all respects in advance by the Committee. Payment instruments shall be received by the Company subject to collection. The proceeds received by the Company upon exercise of any Stock Option may be used by the Company for general corporate purposes. Any portion of a Stock Option that is exercised may not be exercised again.

6.6 Exercisability. In respect of any Stock Option granted under the Plan, unless otherwise provided in the Award Agreement or in the Participant's employment agreement in respect of any such Stock Option, such Stock Option shall become exercisable as to the aggregate number of shares of Common Stock underlying such Stock Option, as determined on the date of grant, as follows:

33%, on the first anniversary of the date of grant of the Stock Option, provided the Participant is then employed by the Company and/or one of its Subsidiaries;

66%, on the second anniversary of the date of grant of the Stock Option, provided the Participant is then employed by the Company and/or one of its Subsidiaries; and

100%, on the third anniversary of the date of grant of the Stock Option, provided the Participant is then employed by the Company and/or one of its Subsidiaries.

6.7 Tandem Grants. If Non-Qualified Stock Options and Stock Appreciation Rights are granted in tandem, as designated in the relevant Award Agreements, the right of a Participant to exercise any such tandem Stock Option shall terminate to the extent that the shares of Common Stock subject to such Stock Option are used to calculate amounts or shares receivable upon the exercise of the related tandem Stock Appreciation Right.

6.8 Repricing Permitted. The Committee may, at any time, in its sole discretion, cancel out-of-the-money stock options granted under the Plan or under the Vector Group Ltd. 1998 Long-Term Incentive Plan, and reissue either immediately or after the passage of time (e.g., 6 months and a day) options to the holders of such cancelled options with such terms and conditions and exercise prices as the Committee determines.

7. Stock Appreciation Rights.

7.1 Terms and Conditions. The grant of Stock Appreciation Rights under the Plan shall be subject to the terms and conditions set forth in this Section 7 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement.

7.2 Stock Appreciation Rights. A Stock Appreciation Right is an Award granted with respect to a specified number of shares of Common Stock entitling a Participant to receive an amount equal to the excess of the Fair Market Value of a share of Common Stock on the date of exercise over the Fair Market Value of a share of Common Stock on the date of grant of the Stock Appreciation Right, multiplied by the number of shares of Common Stock with respect to which the Stock Appreciation Right shall have been exercised.

7.3 Grant. A Stock Appreciation Right may be granted in addition to any other Award under the Plan or in tandem with or independent of a Non-Qualified Stock Option.

7.4 Date of Exercisability. Unless otherwise provided in the Participant's employment agreement or the Award Agreement in respect of any Stock Appreciation Right, a Stock Appreciation Right may be exercised by a Participant, in accordance with and subject to all of the procedures established by the Committee, in whole or in part at any time and from time to time during its specified term. Notwithstanding the preceding sentence, in no event shall a Stock Appreciation Right be exercisable prior to the date which is six (6) months after the date on which the Stock Appreciation Right was granted or prior to the exercisability of any Non-Qualified Stock Option with which it is granted in tandem. The Committee may also provide, as set forth in the relevant Award Agreement and without limitation, that some Stock Appreciation Rights shall be automatically exercised and settled on one or more fixed dates specified therein by the Committee.

7.5 Form of Payment. Upon exercise of a Stock Appreciation Right, payment may be made in cash, in Restricted Shares or in shares of unrestricted Common Stock, or in any combination thereof, as the Committee, in its sole discretion, shall determine and provide in the relevant Award Agreement.

7.6 Tandem Grant. The right of a Participant to exercise a tandem Stock Appreciation Right shall terminate to the extent such Participant exercises the Non-Qualified Stock Option to which such Stock Appreciation Right is related.

8. Restricted Shares.

8.1 Terms and Conditions. Grants of Restricted Shares shall be subject to the terms and conditions set forth in this Section 8 and any additional terms and conditions, not inconsistent with the express terms and provisions of the Plan, as the Committee shall set forth in the relevant Award Agreement. Restricted Shares may be granted alone or in addition to any other Awards under the Plan. Subject to the terms of the Plan, the Committee shall determine the number of Restricted Shares to be granted to a Participant and the Committee may provide or impose different terms and conditions on any particular Restricted Share grant made to any Participant. With respect to each Participant receiving an Award of Restricted Shares, there shall be issued a stock certificate (or certificates) in respect of such Restricted Shares. Such stock certificate(s) shall be registered in the name of such Participant, shall be accompanied by a stock power duly executed by such Participant, and shall bear, among other required legends, the following legend:

The transferability of this certificate and the shares of stock represented hereby are subject to the terms and conditions (including, without limitation, forfeiture events) contained in the

Vector Group Ltd. Amended and Restated 1999 Long-Term Incentive Plan and an Award Agreement entered into between the registered owner hereof and Vector Group Ltd. Copies of such Plan and Award Agreement are on file in the office of the Secretary of Vector Group Ltd., 100 S.E. Second Street, Miami Florida 33131. Vector Group Ltd. will furnish to the recordholder of the certificate, without charge and upon written request at its principal place of business, a copy of such Plan and Award Agreement. Vector Group Ltd. reserves the right to refuse to record the transfer of this certificate until all such restrictions are satisfied, all such terms are complied with and all such conditions are satisfied.

Such stock certificate evidencing such shares shall, in the sole discretion of the Committee, be deposited with and held in custody by the Company until the restrictions thereon shall have lapsed and all of the terms and conditions applicable to such grant shall have been satisfied.

8.2 Restricted Share Grants. A grant of Restricted Shares is an Award of shares of Common Stock granted to a Participant, subject to such restrictions, terms and conditions as the Committee deems appropriate, including, without limitation, (a) restrictions on the sale, assignment, transfer, hypothecation or other disposition of such shares, (b) the requirement that the Participant deposit such shares with the Company while such shares are subject to such restrictions, and (c) the requirement that such shares be forfeited upon termination of employment for specified reasons within a specified period of time or for other reasons (including, without limitation, the failure to achieve designated performance goals).

8.3 Restriction Period. In accordance with Sections 8.1 and 8.2 of the Plan and unless otherwise determined by the Committee (in its sole discretion) at any time and from time to time, Restricted Shares shall only become unrestricted and vested in the Participant in accordance with such vesting schedule relating to such Restricted Shares, if any, as the Committee may establish in the relevant Award Agreement (the Restriction Period). Notwithstanding the preceding sentence, in no event shall the Restriction Period be less than six (6) months after the date of grant. During the Restriction Period, such stock shall be and remain unvested and a Participant may not sell, assign, transfer, pledge, encumber or otherwise dispose of or hypothecate such Award. Upon satisfaction of the vesting schedule and any other applicable restrictions, terms and conditions, the Participant shall be entitled to receive payment of the Restricted Shares or a portion thereof, as the case may be, as provided in Section 8.4 of the Plan.

8.4 Payment of Restricted Share Grants. After the satisfaction and/or lapse of the restrictions, terms and conditions established by the Committee in respect of a grant of Restricted Shares, a new certificate, without the legend set forth in Section 8.1 of the Plan, for the number of shares of Common Stock which are no longer subject to such restrictions, terms and conditions shall, as soon as practicable thereafter, be delivered to the Participant.

8.5 Shareholder Rights. A Participant shall have, with respect to the shares of Common Stock underlying a grant of Restricted Shares, all of the rights of a shareholder of such stock (except as such rights are limited or restricted under the Plan or in the relevant Award Agreement). Any stock dividends paid in respect of unvested Restricted Shares shall be treated as additional Restricted Shares and shall be subject to the same restrictions and other terms and conditions that apply to the unvested Restricted Shares in respect of which such stock dividends are issued.

9. Deferral Elections/Tax Reimbursements/Other Provisions.

9.1 Deferrals. The Committee may permit a Participant to elect to defer receipt of any payment of cash or any delivery of shares of Common Stock that would otherwise be due to such Participant by virtue of the exercise, earn out or settlement of any Award made under the Plan. If any such election is permitted, the Committee shall establish rules and procedures for such deferrals, including, without limitation, the payment or crediting of reasonable interest on such deferred amounts credited in cash, and the payment or crediting of dividend equivalents in respect of deferrals credited in units of Common Stock. The Committee may also provide in the relevant Award Agreement for a tax reimbursement cash payment to be made by the Company in favor of any Participant in connection with the tax consequences resulting from the grant, exercise, settlement, or earn out of any Award made under the Plan.

9.2 Maximum Yearly Awards. The maximum annual Common Stock amounts in this Section 9.2 are subject to adjustment under Section 13.2 and are subject to the Plan maximum under Section 4.2. Each individual Participant may not receive in any calendar year Awards of Stock Options or Stock Appreciation Rights exceeding 1,825,000 underlying shares of Common Stock. In addition, during the Term of the Plan, each individual Participant may not receive Awards of Stock Options, Stock Appreciation Rights and/or Restricted Shares exceeding one-half of the maximum number of shares of Common Stock in respect of which Awards may be granted or paid out under the Plan as provided in Section 4.2.

10. Dividend Equivalents. In addition to the provisions of Section 8.5 of the Plan, Awards of Stock Options and/or Stock Appreciation Rights, may, in the sole discretion of the Committee and if provided for in the relevant Award Agreement, earn dividend equivalents. In respect of any such Award which is outstanding on a dividend record date for Common Stock, the Participant shall be credited with an amount equal to the amount of cash or stock dividends that would have been paid on the shares of Common Stock covered by such Award had such covered shares been issued and outstanding on such dividend record date. The Committee shall establish such rules and procedures governing the crediting of such dividend equivalents, including, without limitation, the amount, the timing, form of payment and payment contingencies and/or restrictions of such dividend equivalents, as it deems appropriate or necessary.

11. Termination of Employment.

11.1 General. Except as is otherwise provided (a) in the relevant Award Agreement as determined by the Committee (in its sole discretion), or (b) in the Participant's then effective employment agreement, if any, the following terms and conditions shall apply as appropriate and as not inconsistent with the terms and conditions, if any, contained in such Award Agreement and/or such employment agreement:

11.1.1 Options/SARs. If a Participant's employment with the Company terminates for any reason any then unexercisable Stock Options and/or Stock Appreciation Rights shall be forfeited and cancelled by the Company. Except as otherwise provided in this Section 11.1.1, if a Participant's employment with the Company and its Subsidiaries terminates for any reason, such Participant's rights, if any, to exercise any then exercisable Stock Options and/or Stock Appreciation Rights, if any, shall terminate ninety (90) days after the date of such termination (but not beyond the stated term of any such Stock Option and/or Stock Appreciation Right as determined under Sections 6.4 and 7.4) and thereafter such Stock Options or Stock Appreciation Rights shall be forfeited and cancelled by the Company. The Committee, in its sole discretion, may determine that any such Participant's Stock Options and/or Stock Appreciation Rights, if any, to the extent exercisable immediately prior to any termination of employment (other than a termination due to death, Retirement or Disability), may remain exercisable for an additional specified time period after such ninety (90) day period expires (subject to any other applicable terms and provisions of the Plan and the relevant Award Agreement), but not beyond the stated term of any such Stock Option and/or Stock Appreciation Right. If any termination of employment is due to death, Retirement or Disability, a Participant (and such Participant's estate, designated beneficiary or other legal representative, as the case may be and as determined by the Committee) shall have the right, to the extent exercisable immediately prior to any such termination, to exercise such Stock Options and/or Stock Appreciation Rights, if any, at any time within the one (1) year period following such termination due to death, Retirement or Disability (but not beyond the term of any such Stock Option and/or Stock Appreciation Right as determined under Sections 6.4 and 7.4).

11.1.2 Restricted Shares. If a Participant's employment with the Company and its Subsidiaries terminates for any reason (other than due to Disability, Retirement or death) prior to the satisfaction and/or lapse of the restrictions, terms and conditions applicable to a grant of Restricted Shares, such Restricted Shares shall immediately be cancelled and the Participant (and such Participant's estate, designated beneficiary or other legal representative) shall forfeit any rights or interests in and with respect to any such Restricted Shares. Notwithstanding anything to the

contrary in this Section 11, the Committee, in its sole discretion, may determine, prior to or within ninety (90) days after the date of such termination, that all or a portion of any such Participant's Restricted Shares shall not be so cancelled and forfeited. If the Participant's employment terminates due to death, Disability or Retirement, the Participant shall become 100% vested in any such Participant's restricted Shares as of the date of any such termination.

12. Non-transferability of Awards. Unless otherwise provided in the Award Agreement, no Award under the Plan or any Award Agreement, and no rights or interests herein or therein, shall or may be assigned, transferred, sold, exchanged, encumbered, pledged, or otherwise hypothecated or disposed of by a Participant or any beneficiary(ies) of any Participant, except by testamentary disposition by the Participant or the laws of intestate succession. No such interest shall be subject to execution, attachment or similar legal process, including, without limitation, seizure for the payment of the Participant's debts, judgements, alimony or separate maintenance. Unless otherwise provided in the Award Agreement, during the lifetime of a Participant, Stock Options and Stock Appreciation Rights are exercisable only by the Participant.

13. Changes in Capitalization and Other Matters.

13.1 No Corporate Action Restriction. The existence of the Plan, any Award Agreement and/or the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the shareholders of the Company to make or authorize (a) any adjustment, recapitalization, reorganization or other change in the Company's or any Subsidiary's capital structure or its business, (b) any merger, consolidation or change in the ownership of the Company or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stocks ahead of or affecting the Company's or any Subsidiary's capital stock or the rights thereof, (d) any dissolution or liquidation of the Company or any Subsidiary, (e) any sale or transfer of all or any part of the Company's or any Subsidiary's assets or business, or (f) any other corporate act or proceeding by the Company or any Subsidiary. No Participant, beneficiary or any other person shall have any claim against any member of the Board or the Committee, the Company or any Subsidiary, or any employees, officers or agents of the Company or any subsidiary, as a result of any such action.

13.2 Recapitalization Adjustments. In the event of any change in capitalization affecting the Common Stock of the Company, including, without limitation, a stock dividend or other distribution, stock split, reverse stock split, recapitalization, consolidation, subdivision, split-up, spin-off, split-off, combination or exchange of shares or other form of reorganization or recapitalization, or any other change affecting the Common Stock, the Board shall authorize and make such proportionate adjustments, if any, as the Board deems appropriate to reflect such change, including, without limitation, with respect to the aggregate number of shares of the Common Stock for which Awards in respect thereof may be granted under the Plan, the maximum number of shares of the Common Stock which may be granted or awarded to any Participant, the number of shares of the Common Stock covered by each outstanding Award, and the exercise price or other price per share of Common Stock in respect of outstanding Awards.

13.3 Certain Mergers.

13.3.1 If the Company enters into or is involved in any merger, reorganization or other business combination with any person or entity (such merger, reorganization or other business combination to be referred to herein as a Merger Event) and as a result of any such Merger Event the Company will be or is the surviving corporation, a Participant shall be entitled, as of the date of the execution of the agreement evidencing the Merger Event (the Execution Date) and with respect to both exercisable and unexercisable Stock Options and/or Stock Appreciation Rights (but only to the extent not previously exercised), to receive substitute stock options and/or stock appreciation rights in respect of the shares of the surviving corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Stock Options or Stock Appreciation Rights granted hereunder as of the date of the consummation of the Merger Event. Notwithstanding anything to the contrary in this Section 13.3, if any Merger Event occurs, the Company shall have the right, but not the obligation, to pay to each affected Participant an amount in cash or certified check equal to the excess of the Fair Market Value of the Common Stock underlying any

affected unexercised Stock Options or Stock Appreciation Rights as of the Execution Date (whether then exercisable or not) over the aggregate exercise price of such unexercised Stock Options and/or Stock Appreciation Rights, as the case may be.

13.3.2 If, in the case of a Merger Event in which the Company will not be, or is not, the surviving corporation, and the Company determines not to make the cash or certified check payment described in Section 13.3.1 of the Plan, the Company shall compel and obligate, as a condition of the consummation of the Merger Event, the surviving or resulting corporation and/or the other party to the Merger Event, as necessary, or any parent, subsidiary or acquiring corporation thereof, to grant, with respect to both exercisable and unexercisable Stock Options and/or Stock Appreciation Rights (but only to the extent not previously exercised), substitute stock options or stock appreciation rights in respect of the shares of common or other capital stock of such surviving or resulting corporation on such terms and conditions, as to the number of shares, pricing and otherwise, which shall substantially preserve the value, rights and benefits of any affected Stock Options and/or Stock Appreciation Rights previously granted hereunder as of the date of the consummation of the Merger Event.

13.3.3 Upon receipt by any affected Participant of any such cash, certified check, or substitute stock options or stock appreciation rights as a result of any such Merger Event, such Participant's affected Stock Options and/or Stock Appreciation Rights for which such cash, certified check or substitute awards was received shall be thereupon cancelled without the need for obtaining the consent of any such affected Participant.

13.3.4 The foregoing adjustments and the manner of application of the foregoing provisions, including, without limitation, the issuance of any substitute stock options and/or stock appreciation rights, shall be determined in good faith by the Committee in its sole discretion. Any such adjustment may provide for the elimination of fractional shares.

14. Amendment, Suspension and Termination.

14.1 **In General.** The Board may suspend or terminate the Plan (or any portion thereof) at any time and may amend the Plan at any time and from time to time in such respects as the Board may deem advisable to insure that any and all Awards conform to or otherwise reflect any change in applicable laws or regulations, or to permit the Company or the Participants to benefit from any change in applicable laws or regulations, or in any other respect the Board may deem to be in the best interests of the Company or any Subsidiary. No such amendment, suspension or termination shall (x) materially adversely effect the rights of any Participant under any outstanding Stock Options, Stock Appreciation Rights or Restricted Share grants, without the consent of such Participant, or (y) make any change that would disqualify the Plan, or any other plan of the Company or any Subsidiary intended to be so qualified, from the benefits provided under Section 422 of the Code, or any successor provisions thereto.

14.2 **Award Agreement Modifications.** The Committee may (in its sole discretion) amend or modify at any time and from time to time the terms and provisions of any outstanding Stock Options, Stock Appreciation Rights or Restricted Share grants, in any manner to the extent that the Committee under the Plan or any Award Agreement could have initially determined the restrictions, terms and provisions of such Stock Options, Stock Appreciation Rights and/or Restricted Share grants, including, without limitation, changing or accelerating (a) the date or dates as of which such Stock Options or Stock Appreciation Rights shall become exercisable, or (b) the date or dates as of which such Restricted Share grants shall become vested. No such amendment or modification shall, however, materially adversely affect the rights of any Participant under any such Award without the consent of such Participant.

15. Miscellaneous.

15.1 **Tax Withholding.** The Company shall have the right to deduct from any payment or settlement under the Plan, including, without limitation, the exercise of any Stock Option or Stock Appreciation Right, or the delivery, transfer or vesting of any Common Stock or Restricted Shares, any federal, state, local or other taxes of any kind which the Committee, in its sole discretion, deems

necessary to be withheld to comply with the Code and/or any other applicable law, rule or regulation. If the Committee, in its sole discretion, permits shares of Common Stock to be used to satisfy any such tax withholding, such Common Stock shall be valued based on the Fair Market Value of such stock as of the date the tax withholding is required to be made, such date to be determined by the Committee. The Committee may establish rules limiting the use of Common Stock to meet withholding requirements by Participants who are subject to Section 16 of the Exchange Act.

15.2 No Right to Employment. Neither the adoption of the Plan, the granting of any Award nor the execution of any Award Agreement shall confer upon any employee of the Company or any Subsidiary any right to continued employment with the Company or any Subsidiary, as the case may be, nor shall it interfere in any way with the right, if any, of the Company or any Subsidiary to terminate the employment of any employee at any time for any reason.

15.3 Unfunded Plan. The Plan shall be unfunded and the Company shall not be required to segregate any assets in connection with any Awards under the Plan. Any liability of the Company to any person with respect to any Award under the Plan or any Award Agreement shall be based solely upon the contractual obligations that may be created as a result of the Plan or any such Award or Award Agreement. No such obligation of the Company shall be deemed to be secured by any pledge of, encumbrance on, or other interest in, any property or asset of the Company or any Subsidiary. Nothing contained in the Plan or any Award Agreement shall be construed as creating in respect of any Participant (or beneficiary thereof or any other person) any equity or other interest of any kind in any assets of the Company or any Subsidiary or creating a trust of any kind or a fiduciary relationship of any kind between the Company, any Subsidiary and/or any such Participant, any beneficiary thereof or any other person.

15.4 Other Company Benefit and Compensation Programs. Payments and other benefits received by a Participant under an Award made pursuant to the Plan shall not be deemed a part of a Participant's compensation for purposes of the determination of benefits under any other employee welfare or benefit plans or arrangements, if any, provided by the Company or any Subsidiary unless expressly provided in such other plans or arrangements, or except where the Board expressly determines in writing that inclusion of an Award or portion of an Award should be included to accurately reflect competitive compensation practices or to recognize that an Award has been made in lieu of a portion of competitive annual base salary or other cash compensation. Awards under the Plan may be made in addition to, in combination with, or as alternatives to, grants, awards or payments under any other plans or arrangements of the Company or its Subsidiaries. The existence of the Plan notwithstanding, the Company or any Subsidiary may adopt such other compensation plans or programs and additional compensation arrangements as it deems necessary to attract, retain and motivate employees.

15.5 Listing, Registration and Other Legal Compliance. No Awards or shares of the Common Stock shall be required to be issued or granted under the Plan unless legal counsel for the Company shall be satisfied that such issuance or grant will be in compliance with all applicable federal and state securities laws and regulations and any other applicable laws or regulations. The Committee may require, as a condition of any payment or share issuance, that certain agreements, undertakings, representations, certificates and/or information, as the Committee may deem necessary or advisable, be executed or provided to the Company to assure compliance with all such applicable laws or regulations. Certificates for shares of the Restricted Shares and/or Common Stock delivered under the Plan may be subject to such stock-transfer orders and such other restrictions as the Committee may deem advisable under the rules, regulations or other requirements of the Securities and Exchange Commission, any stock exchange upon which the Common Stock is then listed, and any applicable federal or state securities law.
