**PROXY STATEMENT
ANNUAL MEETING APRIL 18, 2005**

This Proxy Statement is being furnished to the shareholders of Genuine Parts Company in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Company's 2005 Annual Meeting of Shareholders to be held on Monday, April 18, 2005, at 10:00 a.m. local time and at any reconvened meeting following any adjournment thereof. The Annual Meeting will be held at the Company's headquarters, 2999 Circle 75 Parkway, Atlanta, Georgia.

This proxy statement and the accompanying proxy card are first being mailed to shareholders on or about March 4, 2005. The Company's 2004 annual report to the shareholders, including financial statements for the year ended December 31, 2004, is enclosed herewith.

Shareholders of record can simplify their voting and reduce the Company's costs by voting their shares via telephone or the Internet. Instructions for voting via telephone or the Internet are set forth on the enclosed proxy card. The telephone and Internet voting procedures are designed to authenticate votes cast by use of a personal identification number. These procedures enable shareholders to appoint a proxy to vote their shares and to confirm that their instructions have been properly recorded. If your shares are held in the name of a bank or broker, the availability of telephone and Internet voting will depend on the voting processes of the applicable bank or broker; therefore, it is recommended that you follow the voting instructions on the form you receive. If you do not choose to vote by telephone or the Internet, please mark your choices on the enclosed proxy card and then date, sign and return the proxy card at your earliest opportunity.

All proxies properly voted by telephone or the Internet and all properly executed written proxy cards that are delivered in accordance with this solicitation (and not later revoked) will be voted in accordance with instructions given in the proxy. When voting for director nominees, you may (1) vote FOR all nominees, (2) WITHHOLD AUTHORITY to vote for all nominees, or (3) WITHHOLD AUTHORITY to vote for one or more nominees but vote FOR the other nominees. With regard to the proposal to ratify the selection of independent auditors, you may vote FOR or AGAINST the proposal or you may ABSTAIN from voting.

A shareholder who submits a proxy pursuant to this solicitation may revoke it at any time prior to its exercise at the Annual Meeting. Such revocation may be by delivery of written notice to the Corporate Secretary of the Company at the Company's address shown above, by delivery of a proxy bearing a later date, or by voting in person at the Annual Meeting.

At the close of business on the record date for the Annual Meeting, which was February 11, 2005, the Company had outstanding and entitled to vote at the Annual Meeting 174,717,403 shares of Common Stock. On each proposal presented for a vote at the Annual Meeting, each shareholder is entitled to one vote per share of Common Stock held as of the record date. A quorum for the purposes of all matters to be voted on shall consist of shareholders representing, in person or by proxy, a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting. Shares represented at the Annual Meeting that are withheld or abstained from voting will be considered present for purposes of determining a quorum at the Annual Meeting. If less than a majority of the outstanding shares of Common Stock are represented at the Annual Meeting, a majority of the shares so represented may adjourn the Annual Meeting to another date, time or place.

The vote required for the election of directors and the ratification of the selection of independent auditors is a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the

Annual Meeting. Because votes withheld and abstentions will be considered as present and entitled to vote at the Annual Meeting, they will have the same effect as a vote against such proposal.

**PLEASE NOTE IMPORTANT NOTICE REGARDING
DELIVERY OF SHAREHOLDER DOCUMENTS
HOUSEHOLDING OF ANNUAL MEETING MATERIALS**

The Securities and Exchange Commission rules permit us, with your permission, to send a single set of proxy statements and annual reports to any household at which two or more shareholders reside if we believe that they are members of the same family. Each shareholder will continue to receive a separate proxy card. This procedure, known as householding, reduces the volume of duplicate information you receive and helps to reduce our expenses. In order to take advantage of this opportunity, we have delivered only one proxy statement and annual report to multiple shareholders who share an address, unless we received contrary instructions from the impacted shareholders prior to the mailing date. We will deliver a separate copy of the proxy statement or annual report, as requested, to any shareholder at a shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of a proxy statement or annual report, either now or in the future, you can request a separate copy of the proxy statement or annual report by calling us at (770) 953-1700 or by writing to us at any time at the following address: Investor Relations, Genuine Parts Company, 2999 Circle 75 Parkway, Atlanta, Georgia 30339.

A majority of brokerage firms have instituted householding. If your family has multiple holdings in the Company, you may have received householding notification directly from your broker. Please contact your broker directly if you have any questions, if you require additional copies of the proxy statement or annual report, if you are currently receiving multiple copies of the proxy statement and annual report and wish to receive only a single copy or if you wish to revoke your decision to household and thereby receive multiple statements and reports. These options are available to you at any time.

**PROPOSAL 1
ELECTION OF DIRECTORS**

The Board of Directors of the Company currently consists of eleven directors, divided into two classes of four directors each and one class of three directors, with the terms of office of each class being three years and ending in successive years. The terms of directors in Class I expire on the date of this Annual Meeting. The current directors in Class II and Class III will continue in office.

The shareholders are being asked to vote on the election of three nominees for director in Class I. The Class I nominees will serve for terms of three years each and until their successors are duly elected and qualified or until their earlier resignation, retirement, disqualification, removal from office or death. All of the nominees are presently directors and have been nominated for re-election by the Compensation, Nominating and Governance Committee of the Board of Directors. In the absence of contrary instructions, proxies will be voted for the election of the three nominees whose names appear below. In the event that any nominee is unable to serve (which is not anticipated), the Board of Directors may:

designate a substitute nominee, in which case the persons designated as proxies will cast votes for the election of such substitute nominee;

allow the vacancy to remain open until a suitable candidate is located and nominated; or

adopt a resolution to decrease the authorized number of directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF ALL OF THE NOMINEES. PROXIES RECEIVED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

Set forth below is the name of each nominee and each director continuing in office, their ages as of the date of this proxy statement, principal occupations and the year each of them first joined the Board. Non-Management Director Meetings and Presiding Independent Director

Pursuant to the Company's Corporate Governance Guidelines, the Company's non-management directors meet separately from the other directors in regularly scheduled executive sessions at least annually and at such other times as may be scheduled by the Chairman of the Board or by the presiding independent director or as may be requested by any non-management director.

Interested parties who wish to communicate with the presiding independent director or the non-management directors as a group should follow the procedures found in this proxy statement under Shareholder Communications.

Recent Action with Respect to Shareholder Rights Plan

On November 15, 2004, the Board of Directors of Genuine Parts Company considered carefully the action by the Company's shareholders in approving by a majority vote at the Company's 2004 Annual Meeting a shareholder proposal challenging its shareholder rights plan, as well as considering other pertinent matters. The plan authorized a dividend of one preferred share purchase right (a Right) for each share of the Company's Common Stock outstanding with each Right representing the right to purchase one ten-thousandth of a share of Series A Junior Participating Preferred Stock. The Board voted to terminate these Rights effective November 30, 2004. The Rights were subject to the terms and conditions of a Shareholder Protection Rights Agreement, dated as of November 15, 1999 (the Rights Agreement), by and between the Company and SunTrust Bank, Atlanta, as Rights Agent. Pursuant to the terms and conditions of the Rights Agreement, the Board's action to terminate the Rights caused the Rights Agreement to simultaneously expire.

In conjunction with the termination of the Rights Plan, the Board adopted the following policy concerning future adoption of any shareholder rights plan:

The Board of Directors shall obtain shareholder approval prior to adopting any shareholder rights plan; provided, however, that the Board may act on its own to adopt a shareholder rights plan if a majority of the independent Directors of the Board, exercising their fiduciary duties under Georgia law, determine that such submission to shareholders would not be in the best interests of shareholders under the circumstances.

Also in conjunction with the termination of the Rights Plan and pursuant to the provisions of the Georgia Business Corporations Code, the Board amended and restated the Company's Articles of Incorporation to remove the provisions related to the Rights Plan.

Director Nominating Process

Shareholders may recommend a director nominee by writing to the Corporate Secretary specifying the nominee's name and the other required information set forth in the Company's Corporate Governance Guidelines, which are available on the Company's website at www.genpt.com. All recommendations should include the written consent of the nominee to be nominated for election to the Company's Board of Directors. To be considered, recommendations must be received by the Company at least 120 calendar days prior to the date of the Company's proxy statement for the prior year's Annual Meeting of Shareholders and include all required information to be considered. In the case of the 2006 Annual Meeting of Shareholders, this deadline is November 4, 2005. All recommendations will be brought to the attention of the Compensation, Nominating and Governance Committee.

The Compensation, Nominating and Governance Committee annually reviews the appropriate experience, skills and characteristics required of Board members in the context of the current membership of the Board. This assessment includes among other relevant factors, in the context of the perceived needs of the Board at that time, issues of experience, reputation, judgment, diversity and skills.

Table of Contents

The Company's Board of Directors has established the following process for the identification and selection of candidates for director. The Compensation, Nominating and Governance Committee, in consultation with the Chairman of the Board, shall periodically examine the composition of the Board and determine whether the Board would better serve its purposes with the addition of one or more directors. If the Compensation, Nominating and Governance Committee determines that adding a new director is advisable, the Committee shall initiate the search, working with other directors, management and, if it deems appropriate or necessary, a search firm retained to assist in the search. The Compensation, Nominating and Governance Committee shall consider all appropriate candidates proposed by management, directors and shareholders. Information regarding potential candidates shall be presented to the Compensation, Nominating and Governance Committee and the Committee shall evaluate the candidates based on the needs of the Board at that time and issues of experience, reputation, judgment, diversity and skills, as set forth in the Company's Corporate Governance Guidelines. Potential candidates will be evaluated according to the same criteria, regardless of whether the candidate was recommended by shareholders, the Compensation, Nominating and Governance Committee, another director, Company management or another third party. The Compensation, Nominating and Governance Committee shall then meet to consider the selected candidate(s) and submit the approved candidate(s) to the full Board of Directors for approval and recommendation to the shareholders.

Shareholder Communications

The Company's Corporate Governance Guidelines provide for a process by which shareholders may communicate with the Board, a Board committee, the presiding independent director, the non-management directors as a group, or individual directors. Shareholders who wish to communicate with the Board, a Board committee or any such other individual director or directors may do so by sending written communications addressed to the Board of Directors, a Board committee or such individual director or directors, c/o Corporate Secretary, Genuine Parts Company, 2999 Circle 75 Parkway, Atlanta, Georgia 30339. This information is also contained on the Company's website at www.genpt.com. All communications will be compiled by the Secretary of the Company and forwarded to the members of the Board to whom the communication is directed or, if the communication is not directed to any particular member(s) of the Board, the communication shall be forwarded to all members of the Board of Directors.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines that give effect to the NYSE corporate governance listing standards and various other corporate governance matters. The Company's Corporate Governance Guidelines, as well as the charters of the Compensation, Nominating and Governance Committee and the Audit Committee, are available on the Company's website at www.genpt.com and are available in print by contacting the Corporate Secretary by mail at Genuine Parts Company, 2999 Circle 75 Parkway, Atlanta, Georgia, or by telephone at (770) 953-1700.

Code of Conduct and Ethics

The Board of Directors has adopted a Code of Conduct and Ethics and a Code of Conduct and Ethics for Senior Financial Officers, both of which are available on the Company's website at www.genpt.com. These Codes of Conduct and Ethics comply with NYSE and SEC requirements, including procedures for the confidential, anonymous submission by employees or others of any complaints or concerns about the Company or its accounting, internal accounting controls or auditing matters. The Company will also mail these materials to any shareholder who requests a copy. Requests may be made by contacting the Corporate Secretary as described above under Corporate Governance Guidelines.

Annual Performance Evaluations

The Company's Corporate Governance Guidelines provide that the Board of Directors shall conduct an annual evaluation to determine, among other matters, whether the Board and the Committees are functioning effectively. The Audit Committee and the Compensation, Nominating and Governance Committee are also required to each conduct an annual self-evaluation. The Compensation, Nominating and Governance Committee is responsible for overseeing this self-evaluation process. Each of the Board, Audit Committee and

Table of Contents

Compensation, Nominating and Governance Committee conducted an annual self-evaluation process during 2004.

Board Attendance

During 2004, the Board of Directors held four meetings. All of the directors attended at least 75% of the aggregate total number of meetings of the Board of Directors and meetings of committees of the Board on which they served. All of the Company's directors are encouraged to attend the Company's Annual Meeting. All of the Company's directors were in attendance at the Company's 2004 Annual Meeting.

Board Committees

The Board presently has three standing committees. Certain information regarding the functions of the Board's committees, their present membership and the number of meetings held by each committee during 2004 is described below:

Executive Committee. The Executive Committee is authorized, to the extent permitted by law, to act on behalf of the Board of Directors on all matters that may arise between regular meetings of the Board upon which the Board of Directors would be authorized to act. The current members of the Executive Committee are Larry L. Prince (Chairman), Richard W. Courts, II, Thomas C. Gallagher and James B. Williams. During 2004, this committee held five meetings.

Audit Committee. The Audit Committee's main role is to assist the Board of Directors with oversight of (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence and (4) the performance of the Company's internal audit function and independent auditors. As part of its duties, the Audit Committee assists in the oversight of (a) management's assessment of, and reporting on, the effectiveness of internal control over financial reporting, (b) the independent auditor's integrated audit, which includes expressing an opinion on the conformity of the Company's audited financial statements with United States generally accepted accounting principles and (c) the independent auditor's audit of the Company's internal control over financial reporting, which includes expressing an opinion on management's assessment of the effectiveness of the internal control over financial reporting and on the effectiveness of the Company's internal control over financial reporting. The Audit Committee oversees the Company's accounting and financial reporting process and has the authority and responsibility for the appointment, retention and oversight of the Company's independent auditors, including pre-approval of all audit and non-audit services to be performed by the independent auditors. The Audit Committee annually reviews and approves the firm to be engaged as independent auditors for the Company for the next fiscal year, reviews with the independent auditors the plan and results of the audit engagement, reviews the scope and results of the Company's procedures for internal auditing and monitors the design and maintenance of the Company's internal accounting controls. The Audit Committee Report appears on page 22 of this proxy statement. A current copy of the written charter of the Audit Committee is available on the Company's website at www.genpt.com.

The current members of the Audit Committee are James B. Williams (Chairman), Michael M.E. Johns, M.D., Wendy B. Needham, Mary B. Bullock and Lawrence G. Steiner. All members of the Audit Committee are independent of the Company and management, as defined in Sections 303.01(B)(2)(a) and (3) and 303A.02 of the New York Stock Exchange listing standards. The Board has determined that all members of the Audit Committee meet the financial literacy requirements of the NYSE corporate governance listing standards. During 2004, the Audit Committee held five meetings.

The Board of Directors has determined that both James B. Williams and Wendy B. Needham, members of the Audit Committee, meet the requirements adopted by the SEC for qualification as an audit committee financial expert. Mr. Williams served as Chairman and Chief Executive Officer of Suntrust Banks, Inc. from 1991 to 1998 and in such capacity has experience actively supervising a principal financial officer, principal accounting officer, controller, public accountant, auditor or person performing similar functions and other relevant experience.

Table of Contents

Prior to that, Ms. Needham was a Principal, Automotive Research for Donaldson, Lufkin & Jenrette for six years. James B. Williams also serves on the audit committees of three other public companies: Rollins, Inc. and two of its related companies, RPC, Inc. and Marine Products Corporation. In compliance with the NYSE listing requirements, the Board has determined that such simultaneous service does not impair Mr. Williams' ability to effectively serve on the Company's Audit Committee.

Compensation, Nominating and Governance Committee. The Compensation, Nominating and Governance Committee is authorized to review, recommend and approve the compensation of executive officers and other key employees of the Company, to administer the Company's equity incentive plans, including the 1992 Stock Option and Incentive Plan, the 1999 Long-Term Incentive Plan and the Directors' Deferred Compensation Plan, to establish and administer the 2004 Annual Incentive Bonus Plan (and any successor plan) applicable to the executive officers of the Company and to implement, administer and amend certain other benefit plans of the Company. This Committee also evaluates potential nominees for election to the Board and recommends candidates for consideration by the Board and shareholders. A description of the Committee's policy regarding director candidates nominated by shareholders appears in "Director Nominating Process" above. In addition, the Committee is responsible for developing and recommending to the Board a set of corporate governance principles, as well as periodically reevaluating those corporate governance principles. The current members of the Compensation, Nominating and Governance Committee are J. Hicks Lanier (Chairman), John D. Johns, Richard W. Courts, II and James B. Williams. All members of the Compensation, Nominating and Governance Committee are independent of the Company and management, as defined in Sections 303.01(B)(2)(a) and (3) and 303A.02 of the NYSE listing standards. During 2004, the Compensation, Nominating and Governance Committee held five meetings. A current copy of the written charter of the Compensation, Nominating and Governance Committee is available on the Company's website at www.genpt.com.

Compensation of Directors. From January through September 2004, directors who were not full-time employees of the Company or its subsidiaries were paid \$7,500 per fiscal quarter plus \$1,100 per meeting attended, except the Chairmen of the Audit Committee and the Compensation, Nominating and Governance Committee who were paid \$8,500 per fiscal quarter plus \$1,100 per meeting attended. Additionally, on August 16, 2004, each of the independent non-employee directors was granted 1,500 restricted stock units pursuant to the provisions of the Genuine Parts Company 1999 Long Term Incentive Plan. SAR Grants in Fiscal 2004

The following table contains information about awards of stock appreciation rights made to the Named Executive Officers on April 19, 2004 under the 1999 Long-Term Incentive Plan. No other SARs or stock options were granted to the Named Executive Officers during 2004. See Compensation, Nominating and Governance Committee Report on Executive Compensation below.

Name	Number of Securities Underlying SARs Granted (#)(1)	% of Total SARs Granted to Employees in Fiscal Year	Exercise or Base Price (\$/Share)	Expiration Date	Grant Date Present Value(\$)(2)
Larry L. Prince	0				
Thomas C. Gallagher	69,000	6%	\$ 36.58	April 19, 2014	478,860
Jerry W. Nix	24,000	2%	\$ 36.58	April 19, 2014	166,560
Robert J. Susor	24,000	2%	\$ 36.58	April 19, 2014	166,560
Edward J. Van Stedum	10,800	1%	\$ 36.58	April 19, 2014	74,952
R. Bruce Clayton	9,000	1%	\$ 36.58	April 19, 2014	62,460

- (1) Each SAR represents the right to receive from the Company upon exercise an amount, payable in shares of common stock, equal to the excess, if any, of the fair market value of one share of common stock on the date of exercise over the base value per share. The SARs were granted with a base value equal to the fair market value of the Company's common stock on the date of grant. The SARs vest in equal annual installments on each of the first three anniversaries of the grant date, subject to accelerated vesting upon a termination of employment due to death, disability or retirement more than one year after the date of grant of the SAR, or upon a change in control of the Company.

- (2) Based on the Black-Scholes option pricing model for use in valuing executive stock options. The Company does not advocate or necessarily agree that the Black-Scholes model can properly determine the value of an option or SAR. The actual value, if any, a Named Executive Officer may realize will depend on the excess of the stock price over the base value on the date the SAR is exercised, so that there is no assurance the value realized by a Named Executive Officer will be at or near the value estimated by the Black-Scholes model. The value calculations for the SARs listed above are based on the following assumptions: interest rate (based on the ask yield to maturity on a U.S. Treasury strip with a maturity equal to the term of the relevant SAR) of 4.0% for ten year SARs; expected dividend yield over the expected life of the SAR of 3.74%; volatility of 22.72% based upon standard deviation of annual returns of the Common Stock over the expected life of the SARs (8 years); turnover of 4.44% based on historical

pattern of existing grants; and a date of exercise no sooner than the date first exercisable under the terms of the SAR and no later than the expiration date of the SAR.

**Aggregated Option Exercises in Fiscal 2004

The following table sets forth information with respect to stock options exercised by the Named Executive Officers during 2004 and the value of unexercised stock options and SARs granted in prior years under the 1999 Long-Term Incentive Plan to the Named Executive Officers and held by them as of December 31, 2004:

Name	Shares Acquired on Exercise(#)	Value Realized (\$)(1)	Number of Securities Underlying Unexercised Options/SARs at Fiscal Year-End(#)		Value of Unexercised In-The-Money Options/SARs at Fiscal Year-End\$(2)

	16,000	134,479	13,333	15,667	160,263	147,457

(1) Value Realized represents the amount equal to the excess of the fair market value of the shares at the time of exercise over the exercise price of the options.

(2) Represents the fair market value as of December 31, 2004 (\$44.06 per share closing stock price) of the shares underlying options and SARs, less the exercise price of the options and base value of the SARs.

The Pension Plan Table above covers retirement benefits payable to the Named Executive Officers pursuant to (i) a noncontributory tax qualified pension plan (the "Pension Plan") providing monthly benefits upon retirement to eligible employees (employees become eligible to participate in the Pension Plan after attaining age 21 and completing twelve months of service and 1,000 hours of service during such twelve months) and (ii) a Supplemental Retirement Plan maintained solely for the purpose of providing retirement benefits for key employees in excess of the limitations on Pension Plan benefits imposed by the Code.

Each year the Company contributes an amount to the Pension Plan that is actuarially determined. Retirement benefits are based on a participant's years of service and average monthly pay during the participant's five highest paid years out of the participant's last ten years of service prior to termination of employment and benefits may be reduced by 50% of the participant's Social Security benefits. Normal retirement age is 65; early retirement can be taken at age 55 with 15 years of credited service.

The Code limits the amount of the annual benefits that may be payable under the Pension Plan. For 2004, this limit was \$165,000 per year. Such amounts payable under the Pension Plan would be reduced by any other benefit payable to a participant under any collectively bargained pension or pension plan to which the Company has contributed.

The Supplemental Retirement Plan is nonqualified, noncontributory and unfunded and is intended to be exempt from the participation, vesting, funding and fiduciary requirements of the Employee Retirement Income Security Act of 1974. Only persons whose annual, regular earnings are expected to be equal to or greater than the compensation limitation of Code Section 401(a)(17) (\$205,000 in 2004) or such other dollar limitations as may be imposed by the Compensation, Nominating and Governance Committee of the Company's Board of Directors may participate in the Supplemental Retirement Plan. The Compensation, Nominating and Governance Committee reserves the right, however, to exclude an otherwise eligible employee from participating in the Supplemental Retirement Plan. All of

the Named Executive Officers are

Table of Contents

participants in the Supplemental Retirement Plan. The Supplemental Retirement Plan provides that each participant will receive for the remainder of his or her life an additional payment equal to the difference between (i) the amount the executive received under the Pension Plan and (ii) the full retirement income which the executive would have been entitled to receive under the Pension Plan had such Pension Plan income not been limited by the Code.

For the Named Executive Officers, salary and bonus (as reflected on IRS Form W-2) approximates the compensation used to calculate combined (total) retirement benefits under the Pension Plan and the Supplemental Retirement Plan. The Named Executive Officers have the following number of years of credited service to the Company for purposes of calculating retirement benefits: Larry L. Prince 46 years; Thomas C. Gallagher 34 years; Jerry W. Nix 26 years; Robert J. Susor 36 years; Edward J. Van Stedum 9 years; and R. Bruce Clayton 8 years.

**COMPENSATION, NOMINATING AND GOVERNANCE COMMITTEE REPORT
ON EXECUTIVE COMPENSATION**

Overview

The Compensation, Nominating and Governance Committee of the Company's Board of Directors (the Committee) is composed entirely of individuals who are independent outside directors. The Committee is responsible, among other matters, for making decisions with respect to the Company's executive compensation policies. In addition, pursuant to authority granted by the Board of Directors, the Committee determines on an annual basis the compensation to be paid to the Chief Executive Officer and each of the other executive officers of the Company. In making decisions regarding executive compensation, the Committee has attempted to implement a policy that serves the financial interests of the Company's shareholders while providing appropriate incentives to its executive officers.

Policy Relative to Code Section 162(m)

Code Section 162(m) disallows the deduction for certain annual compensation in excess of \$1,000,000 paid to certain executive officers of the Company, unless the compensation qualifies as performance-based under Code Section 162(m). Compensation payable under the Company's annual bonus program for its executive officers, which was approved by the Company's shareholders at the 2004 Annual Meeting of Shareholders, is designed to qualify as performance-based and therefore to be fully deductible by the Company. In addition, the 1999 Long-Term Incentive Plan permits the grant of stock options and stock appreciation rights that are fully deductible under Code Section 162(m). It is the Committee's intent to maximize the deductibility of executive compensation while retaining the discretion necessary to compensate executive officers in a manner commensurate with performance and the competitive market of executive talent.

Elements of Executive Compensation

The Company's executive officers receive compensation comprised of base salaries, annual incentive bonuses, long-term incentive compensation in the form of stock options or stock appreciation rights, restricted stock and various benefits, including medical and pension plans.

Base Salary

The Committee sets base salaries for the Company's executive officers at levels generally below what it believes to be competitive salary levels in order to maintain an emphasis on incentive compensation. The Committee sets the base salary of the Chief Executive Officer based on (i) the Chief Executive Officer's base salary in the prior year; (ii) increases in the cost of living; (iii) increased responsibilities; (iv) the levels of Chief Executive Officer compensation granted by the other companies that are included in the Peer Index (as defined on page 20 of this proxy statement); (v) the past performance (including the achievement in the prior fiscal year of certain Goals, as described below) and (vi) specific skills of the Chief Executive Officer as they

Table of Contents

relate to the needs of the Company. The Committee's review of the foregoing factors is subjective and the Committee assigns no fixed value or weight to any of the factors when making its decisions regarding base salary. The Committee and the Chief Executive Officer set the base salary of every other executive officer of the Company based upon the same criteria relative to the position held.

Annual Incentive Bonuses

In order to maximize the interests of the Company's shareholders and its management, the Committee makes extensive use of annual incentive bonuses based on the performance factors set forth below as a part of each executive's compensation. Pursuant to the Company's Annual Incentive Bonus Plan (the "Annual Incentive Plan"), the Committee sets annual bonuses such that an executive officer's annual bonus, assuming the Company achieves certain targets or goals, is approximately 54% of his or her total annual compensation. However, if the Company's performance fluctuates markedly from the targets established by the Company, the executive officer may receive no bonus, or may receive an annual bonus that constitutes as much as 65% of total annual compensation, depending upon the extent and direction of such fluctuations.

Each fiscal year, including 2004, the Committee sets the level of annual bonuses to be awarded to the Chief Executive Officer and other executive officers under the Annual Incentive Plan, based upon goals set by the Company. The goals set by the Company for projected pre-tax profit (the "Profit Goals") receive the most emphasis in calculating annual bonuses by the Committee since these goals most forcefully tie the interests of the Company's shareholders and its executive officers together.

The Company's goals are determined by aggregating all of the Profit Goals established at the lower levels of the Company and its subsidiaries (the "base goals"). Each base goal is set based upon (i) the prior year's performance by a particular store, branch or distribution center, (ii) the overall economic outlook of the region served by the particular store, branch or distribution center setting the base goal and (iii) specific market opportunities. The formulation of the base goals is influenced to a degree by the Company's management which often attempts to set the tone and emphasis of base goals based on its interpretations of the above factors.

Once the base goals have been compiled into the Company's Goals, the Committee reviews and ratifies their content, then sets the annual bonus schedule for the Company's Named Executive Officers based upon the Company's Goals. The annual bonuses for certain other executive officers of the Company are based on the aggregate base goals for the division or divisions of the Company for which they are responsible.

For fiscal year 2004, Larry L. Prince, the Company's Chief Executive Officer until August 16, 2004, earned a bonus equal to 63% of his total annual compensation and Thomas C. Gallagher, who succeeded Mr. Prince as the Company's Chief Executive Officer, earned a bonus equal to 64% of his total annual compensation.

*Long-Term Incentive Compensation**Stock Appreciation Rights and Performance Restricted Stock Units*

During 2004, the Committee provided long-term incentive compensation to the Company's executive officers in the form of Stock Appreciation Rights and Performance Restricted Stock Units under the 1999 Long-Term Incentive Plan (the "1999 Plan"). The Committee believes that these equity grants are an effective way for the Company to align the interests of the Company's executives with its shareholders.

In granting such equity awards, the Committee considered (i) the recipient's level of responsibility; (ii) the recipient's specific function within the Company's overall organization; (iii) the profitability of the Company (for top executive officers such as the Chief Executive Officer), or other subdivision of the Company, as is appropriate in connection with the recipient's position(s); (iv) the number of awards granted to executive officers by the other companies that are included in the Peer Index; and (v) the amount of awards currently held by the executive officer. The Committee's review of the foregoing factors was subjective and the Committee assigned no fixed value or weight to any of the factors when making its decisions regarding grants. In 2004, the Committee granted Stock Appreciation Rights of 1,146,600 shares of Common Stock at fair

Table of Contents

market value on the date of grant to 266 key employees, including each of the Named Executive Officers, except Mr. Prince. The grants ranged in size from 1,000 to 69,000 shares, with Mr. Gallagher, who was serving as the Company's President and Chief Operating Officer at the time of grant, receiving the largest such grant. Additionally, the Committee granted Performance Restricted Stock Units totaling 123,800 units to 49 key employees, including each of the Named Executive Officers. The grants ranged in size from 400 units to 35,000 units, with Mr. Prince, who was serving as the Company's Chief Executive Officer at the time of grant, receiving the largest such grant.

Beginning on January 1, 2003, the Company began prospectively accounting for all subsequent stock compensation awards, including stock options, stock appreciation rights and restricted stock awards in accordance with SFAS No. 123 and the Company records the fair value of an award as a compensation expense as of the date of grant.

**COMPENSATION, NOMINATING AND GOVERNANCE COMMITTEE
INTERLOCKS AND INSIDER PARTICIPATION**

The following directors served on the Compensation, Nominating and Governance Committee during 2004: Richard W. Courts, II, John D. Johns, J. Hicks Lanier and James B. Williams. None of such persons was an officer or employee of the Company during 2004. Mr. Lanier is Chief Executive Officer and Chairman of the Board of Oxford Industries, Inc., one of whose directors is the Company's Chairman, President and Chief Executive Officer, Thomas C. Gallagher.

**CHANGE OF CONTROL AND
EMPLOYMENT TERMINATION ARRANGEMENTS**

The Company has entered into severance agreements (Severance Agreements) with each of its Named Executive Officers, with the exception of Mr. Clayton. Each Severance Agreement provides that following a change in the control of the Company (as defined in the agreements), if the executive officer's employment with the Company terminates, voluntarily or involuntarily, for any reason or for no reason, within two years after the change of control (but prior to the executive officer's reaching age 65), the executive officer will be entitled to receive the following severance payment:

(1) If the executive officer is younger than age 62 at the time of termination of his employment, the executive officer shall receive an amount equal to one dollar less than a sum equal to three times his average annual compensation for the five full taxable years ending before the date of the change of control (the Base Severance Amount); or

(2) If the officer is age 62 or older at the time of termination of his employment, he shall receive an amount computed by dividing the Base Severance Amount by 36 and multiplying the result of that division by the number of whole months between the date of termination of employment and the date the executive officer would reach age 65.

In addition, if an executive officer incurs a federal excise tax with respect to any part or all of the amounts received pursuant to his Severance Agreement, the Company is required to pay the executive officer a sum equal to such excise tax so incurred by the executive officer plus all excise taxes and federal, state and local income taxes incurred by the executive officer with respect to receipt of this additional payment. Furthermore,

the Company has agreed to pay all legal fees and expenses incurred by an executive officer in the pursuit of the rights and benefits provided by his Severance Agreement.

These Severance Agreements will remain in effect as long as each executive officer remains employed by the Company.

The Company's Supplemental Retirement Plan provides that in the event of a change of control of the Company (as defined therein) (i) any participant whose employment is terminated for any reason during the five year period following the change of control and who prior to such termination of employment had attained age 55 and completed 15 or more years of credited service for vesting purposes, shall be entitled to receive a lump sum payment equal to the actuarially determined value of the supplemental retirement income accrued by the participant as of the date of his or her termination and (ii) any participant who has previously terminated employment and either was receiving supplemental retirement income under the Supplemental Retirement Plan at the time of the change of control or is entitled to receive such benefits in the future shall receive a lump sum payment equal to the actuarially determined value of his or her unpaid supplemental retirement income. For purposes of these provisions, the Supplemental Retirement Plan states that actuarial equivalents shall be determined using the mortality and interest rate assumption set forth in the Pension Plan.

Table of Contents**PERFORMANCE GRAPH**

Set forth below is a line graph comparing the yearly percentage change in the cumulative total shareholder return (shareholder return) on the Company's Common Stock against the shareholder return of the S&P's 500 Stock Index and a Peer Group Composite Index (structured by the Company as set forth below) for the five year period commencing December 31, 1999 and ended December 31, 2004. This graph assumes that \$100 was invested on December 31, 1999 in Genuine Parts Company Common Stock, the S&P 500 Stock Index (the Company is a member of the S&P 500 and its individual shareholder return went into calculating the S&P 500 results set forth in this performance graph) and a Peer Group Composite Index constructed by the Company as set forth below and assumes reinvestment of all dividends.

COMPARISON OF FIVE YEAR CUMULATIVE TOTAL RETURN**Genuine Parts Company, S&P 500 Index & Peer Group Composite Index
Shareholder's Return (\$) at Fiscal Year**

	1999	2000	2001	2002	2003	2004
Genuine Parts Company	100.00	111.06	161.49	140.19	156.87	214.75
S&P 500	100.00	90.90	80.99	62.19	80.03	88.73
Peer Index	100.00	90.92	109.33	94.50	128.38	151.29

In constructing the Peer Group Composite Index (Peer Index) for use in the performance graph above, the Company used the shareholder returns of various publicly held companies (weighted in accordance with each such company's stock market capitalization at December 31, 1999 and including reinvestment of dividends) that compete with the Company in three industry segments: automotive parts, industrial parts and office products (each group of companies included in the Peer Index as competing with the Company in a separate industry segment is hereinafter referred to as a Peer Group). Included in the automotive parts Peer Group are those companies making up the Dow Jones Auto Parts and Equipment Index (the Company is a member of such industry group and its individual shareholder return was included when calculating the Peer Index results set forth in this performance graph). Included in the industrial parts Peer Group are Applied Industrial Technologies, Inc. and Kaman Corporation and included in the office products Peer Group is United Stationers Inc. The Peer Index for 2004 does not break out a separate electrical/electronic peer due to that fact that there is currently no true market comparative. The electrical/electronic component of sales is redistributed to the Company's other segments on a pro rata basis to calculate the final Peer Index.

Table of Contents

In determining the Peer Index, each Peer Group was weighted to reflect the Company's annual net sales in each industry segment. Each industry segment of the Company comprised the following percentages of the Company's net sales for the fiscal years shown:

Industry Segment	2000	2001	2002	2003	2004
Automotive Parts	49.56%	51.51%	52.27%	52.76%	51.92%
Industrial Parts	27.89%	27.07%	27.08%	26.56%	27.51%
Office Products	15.91%	16.72%	16.84%	17.17%	16.90%
Electrical/Electronic Materials	6.64%	4.70%	3.81%	3.51%	3.67%

PROPOSAL 2**RATIFICATION OF SELECTION OF AUDITORS**

The Audit Committee of the Board of Directors has selected Ernst & Young LLP as independent auditors for the Company for the current fiscal year ending December 31, 2005. The Audit Committee has also pre-approved the engagement of Ernst & Young LLP to provide federal, state and international tax return preparation, advisory and related services to the Company during 2005. Although ratification by the shareholders of the selection of Ernst & Young LLP as independent auditors is not required by law or by the Bylaws of the Company, the Audit Committee believes it is appropriate to seek shareholder ratification of this appointment in light of the critical role played by the independent auditors in auditing the Company's financial statements and internal control over financial reporting. If this selection is not ratified at the Annual Meeting, the Company's Audit Committee intends to reconsider its selection of independent auditors for the fiscal year ending December 31, 2005.

Ernst & Young LLP served as independent auditors for the Company for the fiscal year ended December 31, 2004. Representatives of that firm are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so and to respond to appropriate questions.

Audit Fees

The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of the Company's financial statements for 2003 and 2004, the audit of management's assessment of the effectiveness of the Company's internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2004 and for the reviews of the Company's financial statements included in the Company's Forms 10-Q filed with the SEC during 2003 and 2004 were approximately \$1.8 million and \$4.8 million, respectively. The increase of approximately \$3.0 million in 2004 was principally due to the addition of the audit of management's assessment of the effectiveness of the Company's internal control over financial reporting and the effectiveness of internal control over financial reporting as of December 31, 2004 as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related Fees

The aggregate fees billed by Ernst & Young LLP for 2003 and 2004 for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported above under the caption Audit Fees were approximately \$469,000 and \$101,000, respectively. These services primarily related to the Company's benefit plans, audit consultations and internal control matters.

Tax Fees

The aggregate fees billed by Ernst & Young LLP for 2003 and 2004 for professional services rendered for tax compliance, tax advice and tax planning for the Company were \$2.2 million (\$1.8 million for tax compliance and \$400,000 for tax planning) and \$1.9 million (\$1.8 million for tax compliance and \$100,000 for tax planning), respectively.

All Other Fees

No fees were billed by Ernst & Young LLP for professional services rendered during 2003 and 2004 other than as stated above under the captions Audit Fees, Audit Related Fees and Tax Fees.

Audit Committee Pre-Approval Policy

Under the Audit Committee's Charter and Pre-Approval Policy, the Audit Committee is required to approve in advance the terms of all audit services provided to the Company as well as all permissible audit related and non-audit services to be provided by the independent auditors. Unless a service to be provided by the independent auditors has received approval under the Pre-Approval Policy, it will require specific pre-approval by the Audit Committee. The Pre-Approval Policy is detailed as to the particular services to be provided and the Audit Committee is to be informed about each service provided. Non-audit services may be approved by the Chairman of the Committee and reported to the full Audit Committee at its next meeting but may not be approved by the Company's management. The term of any pre-approval is twelve months, unless the Audit Committee specifically provides for a different period.

The Audit Committee will approve the annual audit engagement terms and fees prior to the commencement of any audit work other than that necessary for the independent auditor to prepare the proposed audit approach, scope and fee estimates. The Audit Committee also will approve changes in terms, conditions and fees resulting from changes in audit scope, Company structure or other items, if any. In the event audit related or non-audit services that are pre-approved under the Pre-Approval Policy have an estimated cost in excess of certain dollar thresholds, these services require specific pre-approval by the Audit Committee or by the Chairman of the Audit Committee.

In determining the approval of services by the independent auditors, the Audit Committee or its Chairman evaluates each service to determine whether the performance of such service would: (a) impair the auditor's independence; (b) create a mutual or conflicting interest between the auditor and the Company; (c) place the auditor in the position of auditing his or her own work; (d) result in the auditor acting as management or an employee of the Company; or (e) place the auditor in a position of being an advocate for the Company. In no event are monetary limits the only basis for the pre-approval of services.

All of the services described above under the captions Audit Fees, Audit Related Fees and Tax Fees were approved by the Company's Audit Committee pursuant to legal requirements and the Company's Audit Committee Charter and Pre-Approval Policy.

Audit Committee Review

The Company's Audit Committee has reviewed the services rendered by Ernst & Young LLP during 2004. The Audit Committee has determined that the services rendered that were not directly related to the audit of the Company's financial statements or internal control over financial reporting are compatible with maintaining the independence of Ernst & Young LLP as the Company's independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2005. PROXIES RECEIVED BY THE BOARD OF DIRECTORS WILL BE SO VOTED UNLESS SHAREHOLDERS SPECIFY IN THEIR PROXIES A CONTRARY CHOICE.

process, including implementing and maintaining effective internal control over financial reporting and for the assessment of, and reporting on, the effectiveness of internal control over financial reporting. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States and for expressing an opinion on management's assessment of the effectiveness of internal control over financial reporting and on the effectiveness of the Company's internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the Company's audited financial statements for the year ended December 31, 2004 and reports on the effectiveness of internal controls over financial reporting as of December 31, 2004 contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2004, including a discussion of the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed with management and the independent auditors the disclosures made in Management's Discussion and Analysis of Financial Conditions and Results of Operations included in the Company's Annual Report to Shareholders for the year ended December 31, 2004.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures and the letter provided by the independent auditors to the Audit Committee as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, and considered the compatibilities of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their integrated audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2004 for filing with the Securities and Exchange Commission. The Audit Committee and Board of Directors have also approved the selection of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending December 31, 2005.
