SELLING SECURITY HOLDERS

The table included in the section captioned Selling Security Holders commencing on page 23 of the prospectus is hereby amended (i) to add a selling security holder and to reflect the debentures, and common stock issuable upon conversion of the debentures, for that selling security holder and (ii) to reflect an additional amount of debentures, and common stock issuable upon conversion of the debentures, for a selling security holder named in the prospectus, as shown below:

| Name of Selling Security Holder | Amount of | % of | Amount of Debtentures Being Offered (\$) ^(a) | No. of Shares of Common Stock Beneficially Owned ^{(b)(c)} | No. of Shares of Common Stock Being Offered ^{(a)(c)} | No. of Shares of Common Stock Owned After Offering ^(a) |

^(a) Because each selling security holder may sell pursuant to this prospectus all or a portion of the offered debentures, and common stock issuable upon conversion of the debentures, we cannot know or estimate number or percentage of debentures and common stock that the selling security

holder will hold upon the termination of any particular offering. Please refer to the Plan of Distribution beginning on page 64 of the prospectus. The information presented assumes that all of the selling security holders will fully convert the debentures for cash and _____ shares of our common stock, and that the selling security holders will sell all shares of our common stock that they receive pursuant to such conversion.

- (b) Includes shares of our common stock issuable upon conversion of the debentures.
- (c) The number of shares of our common stock issuable upon conversion of the debentures is calculated assuming (i) the debentures are worth \$345,000,000 at the time of conversion, with the \$172,500,000 principal amount paid in cash and the remaining \$172,500,000 paid in shares of our common stock, and (ii) the conversion of the full amount of debentures held by the selling security holders at the initial conversion price of \$33.79, which corresponds to the initial conversion rate of 29.5972 shares per \$1,000 principal amount of the debentures. The number of shares of our common stock to be offered using this prospectus may increase or decrease from time to time. Fractional shares will not be issued upon conversion of the debentures. Instead, we will pay cash in lieu of fractional shares, if any.
- (d) This selling security holder has identified itself as a registered broker-dealer and, accordingly, it is deemed to be, under the interpretations of the SEC, an underwriter within the meaning of the Securities Act. Please see Plan of Distribution for required disclosure regarding this selling security holder.
- (1) The securities reflected in this row as being offered are in addition to the securities reflected in our prospectus filed March 7, 2006 as being offered by this selling security holder. CQS Convertible and Quantitative Strategies Feeder Fund Limited is the controlling entity of CQS Convertible and Quantitative Strategies Master Fund Limited. The directors of CQS Convertible and Quantitative Strategies Feeder Fund Limited, Alan Smith, Blair Gauld, Dennis Hunter, Kate Bodden, Jim Rodgens and Gary Trekion, share voting and investment power over the securities held by CQS Convertible and Quantitative Strategies Master Fund Limited.
- (2) Loeb Partners Corporation is a wholly owned subsidiary of Loeb Holding Corporation, which is controlled by Thomas L. Kempner.

The amended table is based solely on the most current information provided to us by the selling security holders named above. This selling security holder has not, within the past three years, held any position or office with us or any of our predecessors or affiliates or had any other material relationship with us or any of our predecessors or affiliates.

PLAN OF DISTRIBUTION

Selling security holders who are deemed to be underwriters might be subject to certain statutory liabilities under the Securities Act and the Securities Exchange Act. In addition, underwriters will be subject to prospectus delivery requirements of the Securities Act.
