\$300,000,000
Emdeon Corporation
3¹/₈% Convertible Notes due 2025
and
Common Stock Issuable Upon Conversion of the Notes

This supplement no. 1 updates and amends certain information contained in the prospectus dated December 19, 2005 (as so supplemented and amended, the prospectus), relating to the offer and sale from time to time by certain selling security holders of up to \$300,000,000 aggregate principal amount of our 3¹/₈% convertible notes due 2025 and shares of our common stock issuable upon conversion of the notes. The terms of the notes are set forth in the prospectus. This supplement no. 1 is not complete without, and may not be utilized except in connection with, the accompanying prospectus. This supplement no. 1 is qualified by reference to the prospectus, except to the extent that the information in this supplement no. 1 supersedes the information contained in the prospectus.

To read about important factors you should consider before buying the notes, see the Risk Factors section of our prospectus and our Annual Report on Form 10-K that are incorporated by reference in this supplement no. 1.

Neither the Securities and Exchange Commission nor any other regulatory body has approved or disapproved of these securities or passed upon the accuracy or adequacy of this supplement or the accompanying prospectus. Any representation to the contrary is a criminal offense.

The date of this supplement no. 1 is December 15, 2006

The information in the table under the caption **Selling Security Holders** in the prospectus is modified by adding the information below with respect to persons not previously listed in the prospectus, and by superseding the information with respect to persons listed below who were previously listed in the prospectus with the information that is set forth below.

- (1) Assumes conversion of all of the holder's notes at a conversion rate of 64.2446 shares of common stock per \$1,000 principal amount of the notes. However, this conversion rate is subject to adjustment as described under **Description of Notes - Conversion Rights**. As a result, the amount of common stock issuable upon conversion of the notes may increase or decrease in the future.
- (2) Calculated based on 163,801,273 shares of the common stock outstanding as of December 8, 2006 (which includes outstanding shares of unvested restricted stock). In calculating these percentages for each holder of notes, we also treated as outstanding that number of shares of common stock issuable upon conversion of that holder's notes. However, we did not assume the conversion of any other holder's notes.
