EXPLANATORY NOTE

This registration statement on Form S-8 has been prepared in accordance with the requirements of Form S-8 and is intended to be used to register three hundred fifteen thousand two hundred fifty (315,250) shares to be issued and sold pursuant to the ProxyMed 2006 Outside Director Stock Option Plan (the Plan).

Of the three hundred fifteen thousand two hundred fifty (315,250) shares of common stock that are subject to this registration statement, (i) three hundred thousand (300,000) shares represent newly authorized shares and (ii) fifteen thousand two hundred fifty (15,250) shares represent shares that are reserved for issuance under our 1995 Outside Director Stock Option Plan (the 1995 Plan). Our shareholders have voted to terminate the 1995 Plan and as a result no new awards will be granted under the 1995 Plan, although awards granted under the 1995 Plan and still outstanding will continue to be subject to all terms and conditions of the 1995 Plan. In addition, any shares that are the subject of outstanding options under the 1995 Plan but that are not issued because the options expire, terminate or are cancelled, will be added to the shares reserved under the Plan.

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Section 607.0850(1) of the Florida Business Corporation Act empowers a Florida corporation to indemnify any person, who was or is a party to any proceeding (other than an action by a corporation, or in the right of such a corporation) by reason of the fact that such person is or was a director, officer, employee, or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against liability incurred in connection with such proceeding, including an appeal thereof. The foregoing applies only if such person acted in good faith and in a manner reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, such person had no reasonable cause to believe his or her conduct was unlawful.

In an action by, or in the right of, such corporation to procure a judgment in its favor by reason of the fact that such a person is or was a director, officer, employee, or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, Section 607.0850(2) of the Florida Business Corporation Act empowers a Florida corporation to indemnify such person against expenses and amounts paid in settlement not exceeding, in the judgment of the board of directors, the estimated expense of litigating the proceeding to conclusion, actually and reasonably incurred by such person in connection with the defense or settlement of such proceeding, including any appeal thereof. The foregoing applies only if such person acted in good faith and in a manner such person believed to be in, or not opposed to, the best interests of the corporation. However, no indemnification is permitted in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and to the extent the court in which such action or suit was brought or other court of competent jurisdiction shall determine upon application that, in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

To the extent such person has been successful on the merits or otherwise in defense of any action referred to above, or in defense of any claim, issue or matter therein, the corporation must indemnify such person against expenses, including counsel (including those for appeal) fees actually and reasonably incurred by such person in connection therewith. The indemnification and advancement of expenses provided for in, or granted pursuant to, Section 607.0850 is not exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under the articles of incorporation of the corporation or any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise. Section 607.0850 also provides that a corporation may maintain insurance against liabilities for which indemnification is not expressly provided by the statute.

Article VII of the Company's Restated Articles of Incorporation and Article VII of the Company's bylaws provide for indemnification of the directors, officers, employees and agents of the Company (including advancement of expenses) to the fullest extent permitted under Florida law. In addition, the Company has contractually agreed to indemnify its directors and executive officers, as well as certain non-executive officers, to the fullest extent permitted under Florida law.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The exhibits filed herewith or incorporated herein by reference are set forth in the attached Exhibit Index.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
