REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Committee

The members are Mr. Ronald W. Tysoe (chairman), Mr. Daniel J. Meyer, Ms. Nackey E. Scagliotti and Ms. Julie A. Wrigley. The board of directors of the Company determined that none of the members of the committee has any relationship with the Company that could interfere with their exercise of independence from management and the Company. Deloitte & Touche also provided to the committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The committee also discussed with the independent accountants the independence of the independent accountants and whether the auditors' provision of information technology services and other non-audit services is compatible with maintaining the auditors' independence. REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Committee

The compensation committee of the board of directors is comprised of non-management directors. The committee establishes and oversees the Company's executive compensation program. The members are Messrs. Daniel J. Meyer, chairman, Ronald W. Tysoe, Edward W. Scripps and John H. Burlingame. Mr. Joseph P. Clayton resigned as a member of the Board of Directors, the compensation committee and the incentive plan committee as of February 21, 2002.

A subcommittee of the compensation committee is the incentive plan committee. This committee approves awards under the Company's Long-Term Incentive Plan. Messrs. Meyer and Tysoe are the members of the incentive plan committee. (The compensation committee and the incentive plan committee hereinafter are jointly referred to as the Committee.)

Table of Contents

Overview of the Company's Compensation Philosophy

The Company's approach to compensation for executive officers remained unchanged in 2001. The Company employs various short and long-term compensation plans with a goal of attracting, retaining and motivating a highly-qualified management team. These plans reflect a pay-for-performance philosophy, and are designed to be consistent with competitive market practices, within and outside the media industry. Incentive award opportunities are aligned with target operating results set forth in the Company's strategic plan. All of the elements of the Company's compensation program have been developed with the objective of facilitating coordinated and sustained efforts toward enhancing the Company's performance and maximizing value to shareholders.

Components of the Compensation Program

The compensation program is reviewed annually for consistency with competitive practices and alignment with Company objectives. It is comprised of cash compensation, including salary and annual bonus, and grants of restricted stock and nonqualified stock options under the Company's 1997 Long-Term Incentive Plan. These pay elements are effectively administered to serve the collective interests of employees, management and shareholders.

The Company routinely participates in various compensation surveys, including the Towers Perrin Media Industry Compensation Survey, which is a well-recognized resource within the media industry. These surveys provide competitive compensation data categorized by relevant factors such as industry segments, employee base, and annual revenue. This information provides the foundation for determining appropriate compensation levels.

Base Salary

Salary levels for executive officers of the Company are targeted to be at the median or market level in comparison to their respective industry and professional peers. Typically, this level of base pay is reached within two to three years of commencing one's executive position. Salary adjustments are a function of multiple factors, including: an examination of market surveys; an evaluation of an executive's position responsibilities; consideration of an executive's contributions; and a review of the Company's performance. The performance factors are not assigned specific weights. Rather, the Committee applies its own subjective judgment in evaluating the aggregate impact of these factors and in making base salary determinations.

In considering salary increases for persons other than the chief executive officer, the committee also takes into consideration recommendations made by the chief executive officer. Actual base salaries and corresponding adjustments for the named executives during calendar year 2001 were consistent with the previously referenced philosophy. Only Mr. Lowe, the chief executive officer, has an employment contract with the Company. This contract governs the terms of his compensation arrangement.

Annual Bonus

The purpose of the annual bonus program is to support the Company's objective of enhancing shareholder value by directly linking incentive pay to selected financial goals. The annual bonus opportunity reflects competitive market practices, and combined with base pay, represents the total cash element of the Company's compensation program. Two key financial performance measures, operating cash flow and earnings-per-share, were utilized in 2001. These measures represented 60% and 40%, respectively, of each named executive's bonus opportunity. The operating cash flow target for Mr. Horton was based on the performance of the Company's newspaper division. The cash flow target for other named executives was based on consolidated performance.

The Company's 2001 bonus plans for Messrs. Gardner, Horton and Castellini provided for a target bonus opportunity of 50% of base salary. The target bonus opportunity for Mr. Boehne was 60% of his base salary. It was possible for an actual bonus award to exceed or be less than an assigned target opportunity value, but in no case could an executive earn greater than 150% of his target bonus amount.

Table of Contents

Because the Company fell short of its threshold 2001 earnings-per-share and operating cash flow goals, the named executives did not receive any bonus amount based on such targets.

The bonus award typically is payable in the first quarter of the calendar year following the actual plan year, although executives may elect to defer payment of the bonus until retirement or another predetermined date.

Long-Term Incentive

The Committee continues to endorse the position that stock ownership by management and stock-based performance compensation arrangements are beneficial in aligning the collective interests of management and shareholders. In 1987, the Company adopted its first Long-Term Incentive Plan. Upon expiration of that Plan in 1997, the Company adopted the 1997 Long-Term Incentive Plan.

Eligible participants in the Plan include executive officers, senior corporate and operating managers, and other key corporate and operating employees. The Plan allows for several different types of stock-based awards, but only two types of awards have been granted to date, nonqualified stock options and restricted stock awards. Stock options represent a right to purchase the Company's Class A Common Shares at the fair market value per share as of the date the option is granted. Restricted stock awards represent Class A Common Shares of the Company which the recipient cannot sell or otherwise dispose of until the applicable restriction period lapses, and they are subject to forfeiture under certain circumstances.

Stock Options. Generally, executives receive a stock option award when they first attain an executive position. Annually, the Company considers whether or not to make additional stock option awards. Individual award amounts are predicated on an executive's past personal achievements, his or her contributions to the business, market competitiveness associated with respective job responsibilities, and his or her potential to materially build future shareholder value.

Stock options are granted at not less than fair market value of the Company's Class A Common Shares on the date of the grant. Stock options have value only if the share price appreciates following the date of the grant, thereby providing the incentive for participating executives to focus on the long-term financial performance of the Company.

Each of the named executives received a nonqualified stock option award in 2001. These awards are exercisable in three equal annual installments, beginning in January 2002.

Restricted Stock. Generally, executives receive restricted stock awards with a three-year vesting period when they first attain an executive position. Executives may be granted additional restricted stock awards in conjunction with successive promotions or the assignment of additional responsibilities. Mr. Lowe and Mr. Gardner were the only named executives to receive a restricted stock award in 2001.

Compensation of the Chief Executive Officer

The chief executive officer's 2001 compensation package consisted of a base salary of \$800,000 and a target cash bonus opportunity of 80% (\$640,000) of such salary. Mr. Lowe's bonus plan for 2001 was based on the criteria outlined above under Annual Bonus. Because the Company did not meet the threshold requirements for its 2001 earnings per share and operating cash flow goals, he did not receive a 2001 bonus.

In December 2001, the Committee reviewed Mr. Lowe's performance since taking on the position of CEO in October 2000. The Committee specifically noted Mr. Lowe's individual efforts and accomplishments during 2001 and also considered the Company's progress in implementing its strategic plans. Effective January 1, 2002, Mr. Lowe's annual base salary was increased to \$875,000.

The Company entered into an employment contract with Mr. Lowe in July of 1999 when he served as president of Scripps Networks, Inc., a subsidiary of the Company that operates cable television networks Home & Garden Television, Do It Yourself, Food Network and Fine Living. This contract was

in force for calendar year 2001, and in addition to the previously referenced salary and bonus opportunities, included material stock-based compensation.

Mr. Lowe was awarded an option on January 25, 2001 to purchase 60,000 of the Company's Class A Common shares in recognition of his performance in the previous calendar year.

Pursuant to his employment contract, Mr. Lowe was issued 19,208 unrestricted shares on January 15, 2001 in recognition of his contributions to the success of Scripps Networks. Mr. Lowe received a cash payment of \$16,134 on January 31, 2001 related to the issue of the unrestricted shares. The amount of this payment represented 2001 dividend income that would have been payable to Mr. Lowe had he received the shares on July 20, 1999, the date he entered into an employment contract with the Company. On April 15, 2001, Mr. Lowe was awarded, under the terms of the Company's Long-Term Incentive Plan, 79,020 restricted Class A Common shares which vest over five years. The shares were awarded pursuant to an incentive arrangement governed by his employment contract.

Response to Omnibus Budget Reconciliation Act of 1993

Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to public companies for compensation over \$1 million paid in any one year to a company's chief executive officer and each of its four other most highly compensated executives. Performance-based compensation, if approved by shareholders, is exempt from Section 162(m). The Company's executive compensation plans adhere to the exemption provisions set forth by Section 162(m).

The compensation tables that follow are intended to better enable our shareholders to understand the compensation practices of the Company. Shareholder comments may be sent to the attention of the Company's secretary.

Messrs. John H. Burlingame, Daniel J. Meyer, Edward W. Scripps and Ronald W. Tysoe are the members of the Company's compensation committee. Mr. Meyer's successor will be elected at the annual meeting of the board of directors in May 2002.

Mr. Edward W. Scripps is a general partner in Jefferson Building Partnership, (the Jefferson Partnership) which was formed in 1984. The Albuquerque Publishing Company, which is the Company's 50% owned partnership that operates The Albuquerque Tribune under a joint operating agreement, leases the facilities for The Albuquerque Tribune from a partnership controlled in part by the Jefferson Partnership. This lease terminates in 2004. Total rent under the lease for 2001 was approximately \$1,924,000. The Albuquerque Publishing Company has an option to purchase the property that is exercisable until 2034. The purchase price will be equal to 7.7 times the basis rent for the lease year in which the property is purchased. The parties to the Albuquerque joint operating agreement lease the land on which the Albuquerque facilities are situated to the Jefferson Partnership under a lease terminating in 2034 and providing for rent of \$150,000 per year, subject to certain adjustments for inflation. The Jefferson Partnership has subleased the land to the Albuquerque Publishing Company as part of the facilities lease arrangement described above.

Mr. John H. Burlingame is a member of the executive committee of the Company's board of directors. Mr. Burlingame is also a trustee of The Edward W. Scripps Trust and for 2002 is expected to continue to serve as a trustee. The trustees have the power to vote and dispose of the 29,096,111 Class A Common Shares and 16,040,000 Common Voting Shares of the Company held by the Trust. Mr. Burlingame disclaims any beneficial interest in the shares held by the Trust. See Security Ownership of Certain Beneficial Owners.

Mr. John H. Burlingame is an active retired partner of Baker & Hostetler LLP. Baker & Hostetler served as legal counsel to the Company and to The Edward W. Scripps Trust in 2001 and is expected to provide legal services to the Company and to the Trust in 2002.

REPORT ON THE COMPANY'S PENSION PLAN

The Company's executive officers and substantially all other non-union employees of the Company are participants in a non-contributory defined benefit pension plan maintained by the Company (the Pension Plan). Contributions to the Pension Plan are based on separate actuarial computations for each business unit and are made by the business unit compensating the particular individual.

The above table shows the annual normal retirement benefits which, absent the maximum benefit limitations (the Benefit Limitations) imposed by Section 415(b) of the Internal Revenue Code of 1986, as amended (the Code), would be payable pursuant to the Pension Plan upon retirement at age 65 (based upon the 2001 social security integration level under the Pension Plan), pursuant to a straight life annuity option, for employees in the compensation ranges specified and under various assumptions with respect to average final annual compensation and years of credited services.

Table of Contents

In general, the Benefit Limitations limit the annual retirement benefits that may be paid pursuant to the Pension Plan to \$140,000 (subject to further cost-of-living increases promulgated by the United States Secretary of the Treasury). The Company supplements payments under the Pension Plan with direct pension payments equal to the amount, if any, by which the benefits that otherwise would be payable under the Pension Plan exceed the benefits that are permitted to be paid under the Benefit Limitations. Annual normal retirement benefits are computed at the rate of 1% of average final annual compensation up to the applicable social security integration level plus 1.25% of average final annual compensation in excess of the social security integration level, multiplied by the employee's years of credited service. An employee's benefits are actuarially adjusted if paid in a form other than a life annuity.

An employee's average final compensation is the average annual amount of his pensionable compensation (generally salary and bonus, excluding the Scripps Retirement & Investment Plan and any other annual or long-term compensation reflected in the Summary Compensation Table) for service during the five consecutive years within the last ten years of his employment for which his total compensation was greatest. The employee's years of credited service equal the number of years of his employment with the Company (subject to certain limitations). As of December 31, 2001, the years of credited service of the individuals named in the cash compensation table were as follows: Mr. Lowe 22; Mr. Gardner 17; Mr. Castellini 31; Mr. Horton 31; Mr. Boehne 16.

In May 1996, the board of directors of the Company adopted a Selected Officer Retirement Program, the purpose of which is to provide supplemental retirement benefits to certain key employees of the Company who meet the eligibility requirements. Participants in the program must be specifically designated as participants by the compensation committee. As of March 1, 2001, the only active employee participant is Mr. Daniel J. Castellini. A participant begins to receive benefits under the program upon retirement. The amount of the benefit payable under such plan is a percentage of the participant's highest three-year average earnings subject to certain offsets and maximums.

In December 1998, the compensation committee of the board of directors of the Company authorized adoption of an executive savings restoration plan designed to enable executives of the Company to restore savings benefits that may be lost due to tax law limitations. This plan is a nonqualified plan designed to complement the Company's 401(k) savings and retirement plan by enabling participants to enhance savings for retirement on a pre-tax basis.

REPORT ON CERTAIN TRANSACTIONS

Scripps Family Agreement

General. The Company and certain persons and trusts are parties to an agreement (the Scripps Family Agreement) restricting the transfer and governing the voting of Common Voting Shares that such persons and trusts may acquire or own at or after the termination of the Trust. Such persons and trusts (the Signatories) consist of certain grandchildren of Robert Paine Scripps who are beneficiaries of the Trust, descendants of John P. Scripps, and certain trusts of which descendants of John P. Scripps are trustees and beneficiaries. Robert Paine Scripps and John P. Scripps were sons of the founder of the Company.

If the Trust were to have terminated as of March 1, 2002, the Signatories would have held in the aggregate approximately 89.8% of the outstanding Common Voting Shares as of such date.

Once effective, the provisions restricting transfer of Common Voting Shares under the Scripps Family Agreement will continue until twenty-one years after the death of the last survivor of the descendants of Robert Paine Scripps and John P. Scripps alive when the Trust terminates. The provisions of the Scripps Family Agreement governing the voting of Common Voting Shares will be effective for a ten-year period after termination of the Trust and may be renewed for additional ten-year periods.

Transfer Restrictions. No Signatory will be able to dispose of any Common Voting Shares (except as otherwise summarized below) without first giving other Signatories and the Company the opportunity to purchase such shares. Signatories will not be able to convert Common Voting Shares into Class A Common Shares except for a limited period of time after giving other Signatories and the Company the aforesaid opportunity to purchase and except in certain other limited circumstances.

Table of Contents

Signatories will be permitted to transfer Common Voting Shares to their lineal descendants or trusts for the benefit of such descendants, or to any trust for the benefit of such a descendant, or to any trust for the benefit of the spouse of such descendant or any other person or entity. Descendants to whom such shares are sold or transferred outright, and trustees of trusts into which such shares are transferred, must become parties to the Scripps Family Agreement or such shares shall be deemed to be offered for sale pursuant to the Scripps Family Agreement. Signatories will also be permitted to transfer Common Voting Shares by testamentary transfer to their spouses provided such shares are converted to Class A Common Shares and to pledge such shares as collateral security provided that the pledgee agrees to be bound by the terms of the Scripps Family Agreement. If title to any such shares subject to any trust is transferred to anyone other than a descendant of Robert Paine Scripps or John P. Scripps, or if a person who is a descendant of Robert Paine Scripps or John P. Scripps acquires outright any such shares held in trust but is not or does not become a party to the Scripps Family Agreement, such shares shall be deemed to be offered for sale pursuant to the Scripps Family Agreement. Any valid transfer of Common Voting Shares made by Signatories without compliance with the Scripps Family Agreement will result in automatic conversion of such shares to Class A Common Shares.

Voting Provisions. The Scripps Family Agreement provides that the Company will call a meeting of the Signatories prior to each annual or special meeting of the shareholders of the Company held after termination of the Trust (each such meeting hereinafter referred to as a Required Meeting). At each Required Meeting, the Company will submit for decision by the Signatories, each matter, including election of directors, that the Company will submit to its shareholders at the annual meeting or special meeting with respect to which the Required Meeting has been called. Each Signatory will be entitled, either in person or by proxy, to cast one vote for each Common Voting Share owned of record or beneficially by him on each matter brought before the meeting. Each Signatory will be bound by the decision reached with respect to each matter brought before such meeting, and, at the related meeting of the shareholders of the Company, will vote his Common Voting Shares in accordance with decisions reached at the meeting of the Signatories.

John P. Scripps Newspapers

In connection with the merger in 1986 of the John P. Scripps Newspaper Group (JPSN) into a wholly owned subsidiary of the Company (the JPSN Merger), the Company and The Edward W. Scripps Trust entered into certain agreements discussed below.

JPSN Board Representation Agreement. The Edward W. Scripps Trust and John P. Scripps entered into a Board Representation Agreement dated March 14, 1986 in connection with the JPSN Merger. Under this agreement, the surviving adult children of Mr. Scripps who are shareholders of the Company have the right to designate one person to serve on the Company s Board of directors so long as they continue to own in the aggregate 25% of the sum of (i) the shares issued to them in the JPSN Merger and (ii) the shares received by them from John P. Scripps estate. In this regard, The Edward W. Scripps Trust has agreed to vote its Common Voting Shares in favor of the person designated by John P. Scripps children. Pursuant to this agreement, Paul K. Scripps currently serves on the Company s board of directors and is a nominee for election at the annual meeting. The Board Representation Agreement terminates upon the earlier of the termination of The Edward W. Scripps Trust or the completion of a public offering by the Company of Common Voting Shares.

Stockholder Agreement. The former shareholders of the John P. Scripps Newspaper Group, including John P. Scripps and Paul K. Scripps, entered into a Stockholder Agreement with the Company in connection with the JPSN Merger. This agreement restricts to certain transferees the transfer of Common Voting Shares received by such shareholders pursuant to the JPSN Merger. These restrictions on transfer will terminate on the earlier of the termination of The Edward W. Scripps Trust or completion of a public offering of Common Voting Shares. Under the agreement, if a shareholder has received a written offer to purchase 25% or more of his Common Voting Shares, the Company has a right of first refusal to purchase such shares on the same terms as the offer. On the death of any of these shareholders, the Company is obligated to purchase from the shareholder s estate a sufficient number of the Common Voting Shares of the Company to pay federal and state estate taxes attributable to all shares included in such estate; this obligation expires in 2006. Under certain other circumstances, such

as bankruptcy or insolvency of a shareholder, the Company has an option to buy all Common Voting Shares of the Company owned by such shareholder. Under the agreement, stockholders owning 25% or more of the outstanding Common Voting Shares issued pursuant to the JPSN Merger may require the Company to register Common Voting Shares (subject to the right of first refusal mentioned above) under the Securities Act of 1933 for sale at the shareholders' expense in a public offering. In addition, the former shareholders of the John P. Scripps Newspaper Group will be entitled, subject to certain conditions, to include Common Voting Shares (subject to the right of first refusal) that they own in any registered public offering of shares of the same class by the Company. The registration rights expire three years from the date of a registered public offering of Common Voting Shares.

Other Transactions

For information concerning certain transactions which involve Mr. Charles E. Scripps and Mr. Edward W. Scripps, see Compensation Committee Interlocks and Insider Participation.

Mr. John H. Burlingame is an active retired partner of Baker & Hostetler LLP which served as legal counsel to the Company and to The Edward W. Scripps Trust (the Trust) in 2001 and is expected to perform such services in 2002.

Mr. Nicholas B. Paumgarten is a managing director of J.P. Morgan Chase (J.P. Morgan). Morgan Guaranty Trust Company of New York (an affiliate of J.P. Morgan) is a lender to the Company under its Competitive Advance/ Revolving Credit Agreement. J.P. Morgan has performed investment banking services for the Company in the past and may again perform investment banking services for the Company.

Several of the Company's executives have outstanding loan agreements with the Company pursuant to the Employee Stock Purchase Loan Program. This program is designed to assist key employees in exercising stock options. No new stock loans were entered into for calendar year 2001 with the named executives. In accordance with the terms of the loan program, executives agree to repay their loan within ten years of the effective date of the agreement. As of December 31, 2001, the outstanding balances of loan agreements between the Company and the named executives were as follows: Mr. Lowe \$131,675; Mr. Boehne \$61,786; Mr. Horton \$545,039 and Mr. Castellini \$474,462. Additionally, Mr. J. Robert Routt, vice president and controller, has a loan agreement outstanding under this program. At December 31, 2001 his outstanding balance was \$65,462.

Mr. Kenneth W. Lowe entered into an employment agreement with the Company in July 1999. The original term of this agreement continues through 2003 and will be automatically extended as of January 1, 2004, and as of each January 1 of each succeeding even number calendar year thereafter, for two additional years, unless earlier terminated as provided in the agreement or unless either party gives the other six months advance notice of a decision not to extend the agreement. Under this agreement, Mr. Lowe is entitled to an annual salary, to be set by the Compensation Committee of the Company, at a rate not less than the annual salary payable by the Company to him for the immediately preceding year. In recognition of the value Mr. Lowe had created for the Company and to provide him with an incentive to enhance the profitability of the Company in the future, Mr. Lowe received a grant under the employment agreement of 96,038 deferred stock units, each of which entitles him to receive one Class A Common Share of the Company. These units mature at the rate of 20% per year from 2000 through 2004. If his employment under the agreement is terminated for any reason before any maturity date, Mr. Lowe, or his designated beneficiary in case of his death, shall receive Class A Common Shares for the deferred stock units on each remaining maturity date as if Mr. Lowe were still employed. When these units are exchanged for Class A Common Shares, Mr. Lowe will receive a cash payment equal to the cash dividends that would have been paid on such shares between July 1999 and the relevant maturity date. Furthermore, under the agreement, the Company agreed to grant Mr. Lowe restricted Class A Common Shares under the Company's Long-Term Incentive Plan for each year from 1999 through 2003 that he remains employed by the Company. The number of shares granted is based on the increase in value of the Company's cable networks from one year to the next. The increase in value is determined each year by an outside firm. No shares are awarded unless the value of the cable networks increases by at least 15% over the prior year. If the minimum is reached or exceeded, the number of shares awarded to Mr. Lowe equals one percent of the total increase in value divided by the fair market value of a Class A

Common Share on December 31 of the relevant calendar year. Each grant of restricted shares vests at the rate of 20% over five years from the grant date. Unvested shares and rights to future grants are forfeited if Mr. Lowe's employment is terminated for Cause (as defined in the agreement) or if Mr. Lowe terminates the agreement for reasons other than a Change in Control (as defined in the agreement) or a material breach by the Company of the agreement. If Mr. Lowe's employment terminates by reason of his death or disability or as a result of a Change in Control, all unvested shares vest automatically and all rights to future grants of restricted shares are forfeited. If Mr. Lowe's employment terminates as a result of termination without Cause or termination in the event of a material breach by the Company, all unvested shares vest automatically and Mr. Lowe retains all rights to future grants of restricted shares. If Mr. Lowe's employment is terminated as a result of his death or disability, or he is terminated by the Company without Cause, or if Mr. Lowe terminates his employment following a Change in Control or a material breach of the agreement by the Company, the Company is obligated to continue to pay Mr. Lowe's salary and provide him with certain benefits for the greater of two years or the then remaining term under the employment agreement. A description of Mr. Lowe's compensation for 2000, including the awards granted pursuant to his employment agreement, is included in the Compensation Committee's report under the caption "Compensation of the Chief Executive Officer".

The Company agreed to employ Mr. B. Jeff Craig as its vice president and chief technology officer and entered into an employment agreement with him in January 2001, with an effective date of February 19, 2001. The term of such agreement continues through 2003. Under the agreement, Mr. Craig is entitled to an annual salary of not less than \$250,000 and is eligible to participate in executive level incentive bonus and benefit programs. He is also entitled to an annual stay bonus of \$115,000 payable for three years. In connection with the foregoing, the Company awarded Mr. Craig 1,500 restricted Class A Common Shares and a nonqualified option to purchase 13,000 Class A Common Shares. The restricted stock will vest at the end of 2003 and the option will vest in three installments by the end of 2003. The Company has loaned Mr. Craig \$300,000, to be repaid, with interest at 6% per year, by January 2004. If his employment is terminated by the Company without cause (as defined in the agreement) or if he terminates his employment for good reason (as defined in the agreement), Mr. Craig is entitled to a lump sum payment equal to one year's salary and the Company will be required to forgive the outstanding balance then payable under the loan.

PROPOSAL 2

To amend the Company's 1997 Long-Term Incentive Plan to reserve 3,000,000 additional Class A Common Shares for issuance under the Plan.

General

There will be submitted at the annual meeting for action by the holders of Common Voting Shares a proposal to amend The E. W. Scripps Company's 1997 Long-Term Incentive Plan. The Plan amendment would increase the number of shares authorized for issuance under the Plan from 6,158,700 to 9,158,700. The Board of directors approved the proposed amendments on February 21, 2001.

Reservation of Additional Shares. The Plan presently provides for the issuance of 6,158,700 Class A Common Shares. As of March 1, 2002, awards for 542,310 restricted shares and options for 4,607,100 shares had been granted to directors, executive officers and key employees of the Company. Allowing for forfeitures, an aggregate of 5,025,405 shares were issued and outstanding to such employees on March 1, 2002. On that date, 1,073,295 Class A Common Shares were available for issuance in the future under the Plan. If proposal two is approved by the holders of the Common Voting Shares, on May 9, 2002, 4,073,295 will be available for issuance under the Plan. This 4,073,295, along with the 5,025,405 shares already granted under the Plan, would represent an amount equal to approximately 15% of the Class A Common Shares outstanding and approximately 11% of the aggregate of the Class A Common Shares and Common Voting Shares outstanding.

The closing sale price of the Class A Common Shares on the New York Stock Exchange on March 1, 2002 was \$75.54. At that date, the aggregate value of the additional 3,000,000 shares proposed to be reserved for purposes of the Plan was \$226,620,000 and the aggregate market value of the 4,034,005 shares currently subject to restricted shares and options awarded and outstanding under the Plan was \$304,728,738.

Table of Contents

If the proposed amendment is approved by the holders of Common Voting Shares, the Company's incentive plan committee will from time to time consider awards for key employees and directors of the Company under the Plan. Such decisions regarding awards are in the incentive plan committee's sole discretion.

Tax Consequences

The following is a summary of the federal income tax consequences related to nonqualified stock options granted under the Plan.

Nonqualified Stock Options. With respect to nonqualified stock options generally, (a) no income is realized by the optionee at the time the option is granted, (b) upon exercise of the option, the optionee realizes ordinary income in an amount equal to the excess, if any, of the fair market value of the Class A Common Shares on the date of exercise over the option price paid for the shares, and the Company is entitled to a tax deduction in the amount of ordinary income realized (provided that applicable withholding or reporting requirements are satisfied), and (c) upon disposition of the Class A Common Shares received upon the exercise of the option, the optionee recognizes, as either short-term or long-term capital gain (or loss), depending upon the length of time that the optionee has held the shares, income (or loss) equal to the difference between the amount realized and the fair market value of the shares on the date of exercise of the option.

With respect to the exercise of a nonqualified stock option and the payment of the option price by the delivery of Class A Common Shares, to the extent that the number of shares received does not exceed the number of shares surrendered, no taxable income will be realized by the optionee at that time, the tax basis of the shares received will be the same as the tax basis of the shares surrendered, and the holding period of the optionee in the shares received will include his holding period in the shares surrendered. To the extent that the number of shares received exceeds the number of shares surrendered, ordinary income will be realized by the optionee at that time in the amount of the fair market value of such excess shares, the tax basis of such excess shares will be such fair market value, and the holding period of the optionee in such shares will begin on the date such shares are transferred to the optionee.

Capital Gains. Under current law, capital gains are subject to the same tax rates that apply to ordinary income, except the rate on long-term capital gains may not exceed 20%. Capital losses may be utilized to offset capital gains to the extent of capital gains, and \$3,000 of capital losses in excess of capital gains (\$1,500 in the case of a married individual filing a separate return) is deductible against other income. To receive long-term capital gain (loss) treatment with respect to any appreciation (depreciation) in the value of the shares acquired pursuant to the Plan, the participant must hold such shares for more than one year. Shares held for one year or less will receive short-term capital gain or loss treatment. The maximum 20% rate is reduced to 18% with respect to certain property the holding period of which begins after December 31, 2000 if such property is held for more than 5 years. For this purpose the holding period of property acquired pursuant to the exercise of an option includes the period such option was held.

Vote Necessary for Approval

The affirmative vote of the holders of a majority of the Common Voting Shares present or represented at the annual meeting (including abstentions) is required to approve the proposed plan. Broker non-votes are not counted as voting. The board of directors recommends that holders of such shares vote FOR the proposed plan. It is expected that the Common Voting Shares owned by The Edward W. Scripps Trust will be voted in favor of the plan, thus assuring approval thereof. Proxies for Common Voting Shares solicited by the board will be voted FOR the proposed amendment unless shareholders specify a contrary choice in their proxies.

REPORT ON SECTION 16(a) BENEFICIAL OWNERSHIP COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and owners of more than ten percent of the Company's Class A Common Shares (10% shareholders), to file with the Securities and Exchange Commission (the SEC) and the New York Stock Exchange initial reports of ownership and reports of changes in ownership of Class A

Table of Contents

Common Shares and other equity securities of the Company. Executive officers, directors and 10% shareholders are required by SEC regulations to furnish the Company with copies of all forms they file pursuant to Section 16(a).

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during the year ended December 31, 2001, all Section 16(a) filing requirements applicable to its executive officers, directors and 10% shareholders were complied with.

REPORT ON INDEPENDENT PUBLIC ACCOUNTANTS

At its March 8, 2002 meeting, the audit committee of the board of directors approved the appointment of Deloitte & Touche LLP as independent public accountants for the Company for the fiscal year ending December 31, 2002. The full board ratified this recommendation on March 13, 2002. A representative of Deloitte & Touche LLP is expected to be present at the annual meeting.

REPORT ON SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

Any shareholder proposals intended to be presented at the Company's 2003 Annual Meeting of Shareholders must be received by the Company at 312 Walnut Street, Cincinnati, Ohio, on or before November 29, 2002, for inclusion in the Company's proxy statement and form of proxy relating to the 2003 Annual Meeting of Shareholders.

If a shareholder intends to raise at the Company's 2003 annual meeting a proposal that he or she does not seek to have included in the Company's proxy statement, the shareholder must notify the Company of the proposal on or before February 1, 2003. If the shareholder fails to notify the Company, the Company's proxies will be permitted to use their discretionary voting authority with respect to such proposal when and if it is raised at such annual meeting, whether or not there is any discussion of such proposal in the 2003 proxy statement.

OTHER MATTERS

The solicitation of proxies is made by and on behalf of the board of directors. The cost of the solicitation will be borne by the Company. The Company may also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of the Company's Class A Common Shares.

The presence of any shareholder at the meeting will not operate to revoke his proxy. A proxy may be revoked at any time, insofar as it has not been exercised, by giving written notice to the Company or in open meeting.

The persons named in the enclosed proxy, or their substitutes, will vote the shares represented by such proxy at the meeting. The forms of proxy for the two respective classes of stock permit specification of a vote for persons nominated for election as directors by each such class of stock, as set forth under "Election of Directors" above, and the withholding of authority to vote in the election of such directors or the withholding of authority to vote for one or more specified nominees. Where a choice has been specified in the proxy, the shares represented thereby will be voted in accordance with such specification. If no specification is made, such shares will be voted to elect directors as set forth under "Election of Directors."

Under Ohio law and the Company's Articles of Incorporation, broker non-votes for Class A Common Shares and abstaining votes for both Class A Common Shares and Common Voting Shares will not be counted in favor of, or against, election of any nominee.

If any other matters shall properly come before the meeting, the persons named in the proxy, or their substitutes, will vote thereon in accordance with their judgment. The board does not know of any other matters which will be presented for action at the meeting.
