ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Certain legal matters regarding the shares of Common Stock being registered pursuant to this Registration Statement have been passed upon by L.E. Stellato, Vice President, General Counsel and Secretary of the Company. As of March 31, 2006, Mr. Stellato beneficially owned approximately 57,541 shares of Common Stock of the Company and held options to purchase an additional 145,250 shares of Common Stock. ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article IV of the Company's Regulations, as amended and restated April 28, 2004 (the "Regulations"), filed as Exhibit 3 to the Company's Current Report on Form 8-K, dated June 10, 2004, is incorporated herein by reference.

Reference is made to Section 1701.13(E) of the Ohio Revised Code relating to the indemnification of directors and officers of an Ohio corporation and to Sections 1 and 2 of Article IV of the Regulations.

The Ohio Revised Code permits and Section 1 of Article IV of the Regulations provides that the Company shall indemnify its directors, officers and employees against amounts which may be incurred in connection with certain actions, suits or proceedings under the circumstances as set out in Sections 1(a) and 1(b) of Article IV of the Regulations. However, the Ohio Revised Code and Section 1 of Article IV of the Regulations limit indemnification in respect of certain claims, issues or matters as to which such party is adjudged to be liable for negligence or misconduct in performance of his or her duty to the Company and also in actions in which the only liability asserted against a director is for certain statutory violations. The Ohio Revised Code and Section 1 of Article IV of the Regulations also provide that general indemnification provisions as found in Sections 1(a) and 1(b) of Article IV of the Regulations do not limit the remaining provisions of Article IV of the Regulations.

In addition, with certain limited exceptions, expenses incurred by a director in defending an action must be paid by the Company as they are incurred in advance of the final disposition if the director agrees (i) to repay such advances if it is proved by clear and convincing evidence that the director's action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the Company or undertaken with reckless disregard for the Company's best interests and (ii) to reasonably cooperate with the Company concerning the action. Also, the Company may pay certain expenses incurred by an officer or employee in defending an action as they are incurred in advance of the final disposition of an action if the officer or employee receiving the advance undertakes to repay the advance if it is ultimately determined that the officer or employee receiving the advance is not entitled to indemnification.

The Company may from time to time maintain insurance on behalf of any person who is or was a director, officer or employee against any loss arising from any claim asserted against such director, officer or employee in any such capacity, subject to certain exclusions. The

Company has entered into indemnification agreements with its directors and certain of its officers providing protection as permitted by law.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

ITEM 8. EXHIBITS.

The exhibits listed in the Exhibit Index appearing on page II-8 are filed herewith or are incorporated by reference to other filings.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement

relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
