PROXY STATEMENT

The Goodyear Tire & Rubber Company

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Goodyear Tire & Rubber Company, an Ohio corporation (Goodyear, Company, we, our or us), to be voted at the annual meeting of shareholders to be held April 10, 2007 (the Annual Meeting), and at any adjournments thereof, for the purposes set forth in the accompanying notice.

Goodyear's executive offices are located at 1144 East Market Street, Akron, Ohio 44316-0001. Our telephone number is 330-796-2121.

Our Annual Report to Shareholders for the year ended December 31, 2006 is enclosed with this Proxy Statement. The Annual Report is not considered part of the proxy solicitation materials. The approximate date on which this Proxy Statement and the related materials are first being sent to shareholders is March 9, 2007.

Shares Voting.

Holders of shares of the Common Stock, without par value, of Goodyear (the Common Stock) at the close of business on February 16, 2007 (the record date) are entitled to notice of, and to vote the shares of Common Stock they hold on the record date at, the Annual Meeting. As of the close of business on the record date, there were 180,693,799 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote.

Quorum.

In order for any business to be conducted, holders of at least a majority of shares entitled to vote must be represented at the meeting, either in person or by proxy.

Adjourned Meeting.

The holders of a majority of shares represented at the meeting, whether or not a quorum is present, may adjourn the meeting. If the time and place of the adjourned meeting is announced at the time adjournment is taken, no other notice need be given.

Vote Required.

The affirmative vote of at least a majority of the shares of Common Stock outstanding on the record date is required for any management or shareholder proposal to be adopted at the Annual Meeting. In the election of directors, the eleven candidates receiving the most votes will be elected.

Abstentions, withheld votes and broker non-votes do not affect the election of directors and have the same effect as votes against any proposal voted upon by shareholders.

Cumulative Voting For Directors.

In the voting for directors, you have the right to vote cumulatively for candidates nominated prior to the voting. In voting cumulatively for Directors, you may (a) give one candidate the number of votes equal to eleven times the

number of shares of Common Stock you are entitled to vote, or (b) distribute your votes among the eleven candidates as desired.

Voting Of Proxy.

Messrs. Richard J. Kramer, C. Thomas Harvie and Bertram Bell, have been designated as proxies to vote (or withhold from voting) shares of Common Stock in accordance with your instructions. You may give your instructions using the accompanying proxy card, via the Internet or by telephone.

Your shares will be voted for the eleven nominees identified at pages 6 through 8, unless your instructions are to withhold your vote from any one or more of the nominees or to vote cumulatively for one or more of the nominees for election. The proxies may cumulatively vote your shares if they consider it appropriate, except to the extent you expressly withhold authority to cumulate votes as to a nominee.

Your Board of Directors anticipates that all of the nominees named will be available for election. In the event an unexpected vacancy occurs, your proxy may be voted for the election of a new nominee designated by the Board of Directors.

Proxies received and not revoked prior to the Annual Meeting will be voted in favor of the proposals of the Board of Directors to ratify the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm for Goodyear for 2007 (Proxy Item 2), and against the shareholder proposals (Proxy Items 3, 4, and 5), unless your instructions are otherwise.

Voting Shares Held in Street Name.

If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and

are also invited to attend the Annual Meeting. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares. If you do not return the voting instruction card, the broker or other nominee will determine if it has the discretionary authority to vote on the particular matter. Under applicable rules, brokers have the discretion to vote on routine matters, such as the election of directors (Proxy Item 1) and the ratification of the selection of accounting firm (Proxy Item 2), but do not have discretion to vote on non-routine matters, such as the shareholder proposals (Proxy Items 3, 4, and 5). If you do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority (a broker non-vote). Broker non-votes will have no effect on the election of Directors, but will have the same effect as a vote against the other proposals.

Confidentiality.

Your vote will be confidential except (a) as may be required by law, (b) as may be necessary for Goodyear to assert or defend claims, (c) in the case of a contested election of director(s), or (d) at your express request.

Revocability Of Proxy.

You may revoke or revise your proxy (whether given by mail, via the Internet or by telephone) by the delivery of a later proxy or by giving notice to Goodyear in writing or in open meeting. Your proxy revocation or revision will not affect any vote previously taken. If you hold your shares in street name please refer to the information forwarded by your broker, bank or nominee who is considered the shareholder of record for procedures on revoking or changing your proxy.

CORPORATE GOVERNANCE PRINCIPLES AND BOARD MATTERS

Goodyear is committed to having sound corporate governance principles. Having such principles is essential to running Goodyear's business efficiently and to maintaining Goodyear's integrity in the marketplace. Goodyear's Corporate Governance Guidelines, Business Conduct Manual, Board of Directors and Executive Officers Conflicts of Interest Policy and charters for each of the Audit, Compensation, Corporate Responsibility and Compliance, Finance, and Governance Committees are available at http://www.goodyear.com/investor/investor_governance.html. Please note, however, that information contained on the website is not incorporated by reference in this proxy statement or considered to be a part of this document. A copy of the committee charters and corporate governance policies may also be obtained upon request to the Goodyear Investor Relations Department.

Board Independence

The Board has determined that ten of the current directors are independent within the meaning of Goodyear's independence standards, which are based on the criteria established by the New York Stock Exchange and are included as Annex I to Goodyear's Corporate Governance Guidelines which are available at http://www.goodyear.com/investor/investor_governance.html. Mr. Keegan, the Chairman of the Board and Chief Executive Officer, is not considered independent. In addition, in light of his ongoing relationship with the United Steelworkers (the USW), Mr. Wessel is not considered independent. Further, the Board expects that Mr. Wessel will recuse himself from discussions and deliberations regarding Goodyear's relationship with the USW. The Board also determined that the nature and size of the ordinary course commercial relationships between Goodyear and Delphi Corporation and Sprint Nextel Corp. did not implicate the independence of Messrs. O'Neal and Forsee, respectively.

Board Structure and Committee Composition

As of the date of this proxy statement, Goodyear's Board has 12 directors classified into three classes and the following five committees: (1) Audit, (2) Compensation, (3) Corporate Responsibility and Compliance, (4) Finance, and (5) Governance. The current membership and the function of each of the committees are described below. Each of the committees operates under a written charter adopted by the Board. All of the committee charters are available on Goodyear's website at http://www.goodyear.com/investor/investor_governance.html. During the 2006 fiscal year, the Board held 11 meetings. Each director attended at least 75% of all Board and applicable Committee meetings. Directors are encouraged to attend annual meetings of Goodyear shareholders. All twelve directors attended the last annual meeting of shareholders. As described on Goodyear's website at http://www.goodyear.com/investor/investor_contact_brd.html, shareholders may communicate with the Board or any of the Directors (including, the Lead Director or the Non-Management Directors as a group) by sending correspondence to the Office of the Secretary, The Goodyear Tire & Rubber Company, 1144 East Market Street, Akron, Ohio 44316-0001. All communications will be compiled by the Secretary and submitted to the Board or the individual Directors on a periodic basis.

Audit Committee

The Audit Committee assists the Board in fulfilling its responsibilities for oversight of the integrity of Goodyear's financial statements, Goodyear's compliance with legal and regulatory requirements related to financial reporting, the independent accountants' qualifications and independence and the performance of Goodyear's internal auditors and independent accountants. Among other things, the Audit Committee prepares the Audit Committee report for inclusion in the annual proxy statement; annually reviews the Audit Committee charter and the committee's performance; appoints, evaluates and determines the compensation of Goodyear's independent accountants; reviews and approves the scope of the annual audit plan; reviews and pre-approves all auditing services and permitted non-audit services (and related fees) to be performed by the independent accountants; oversees investigations into complaints concerning financial matters; and reviews policies and guidelines with respect to risk assessment and risk management, including Goodyear's major financial risk exposures. The Audit Committee works closely with management as well as Goodyear's independent accountants. The Audit Committee has the authority to obtain advice and assistance from, and receive appropriate funding from Goodyear for, outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Board has determined that each member of the Audit Committee is independent and each of Messrs. Boland, Breen, and Forsee is an audit committee financial expert. The report of the Audit Committee is on page 47 of this proxy statement.

Compensation Committee

The Board of Directors has delegated to the Compensation Committee primary responsibility for establishing and administering Goodyear's compensation programs for executive officers and other key personnel. The Compensation Committee is composed entirely of independent directors. The Compensation Committee oversees Goodyear's compensation and benefit plans and policies, administers its stock plans (including reviewing and recommending equity grants to executive officers), and reviews and approves annually all compensation decisions relating to executive officers, including those for the CEO and other executive officers. The Compensation Committee also prepares a report on executive compensation for inclusion in the annual proxy statement and reviews and discusses the Compensation Discussion and Analysis with management and recommends its inclusion in the annual proxy statement. The Report of the Compensation Committee is on page 24 of this proxy statement.

In performing its duties, the Compensation Committee meets periodically with the CEO to review compensation policies and specific levels of compensation paid to executive officers and other key personnel, and reports and makes recommendations to the Board regarding executive compensation policies and programs. The Compensation Committee informs the independent directors of the Board regarding its decisions regarding compensation for the CEO and other elected officers. Under its charter, the Compensation Committee may delegate its authority to one or more of its members as appropriate.

The Compensation Committee has the authority to retain and terminate outside advisors, including compensation consultants, to assist it in evaluating actual and proposed compensation for executive officers. The Compensation Committee also has the authority to approve any such consultant's fees and the other terms of such retention. From time to time, the Compensation Committee solicits advice from an outside compensation consultant, Towers Perrin, on executive compensation matters relating to the CEO and other executive officers. This advice has consisted primarily of assistance with benchmarking compensation for senior executives and directors, and advice on current and evolving market practices in the areas of perquisites, change in control benefits, and retiree medical benefits.

Committee on Corporate Responsibility and Compliance

The Committee on Corporate Responsibility and Compliance reviews Goodyear's legal compliance programs as well as its business conduct policies and practices and its policies and practices regarding its relationships with shareholders, employees, customers, governmental agencies and the general public. The Committee may also recommend appropriate new policies to the Board of Directors.

Finance Committee

The Finance Committee consults with management and makes recommendations to the Board of Directors regarding Goodyear's capital structure, dividend policy, tax strategies, compliance with terms in financing arrangements, risk management strategies, banking arrangements and lines of credit and pension plan funding. The Finance Committee also reviews and consults with management regarding policies with respect to interest rate

and foreign exchange risk, liquidity management, counter party risk, derivative usage, credit ratings, and investor relations activities.

Governance Committee

The Governance Committee identifies, evaluates and recommends to the Board of Directors candidates for election to the Board of Directors. The Committee also develops and recommends appropriate corporate governance guidelines, recommends policies and standards for evaluating the overall effectiveness of the Board of Directors in the governance of Goodyear and undertakes such other activities as may be delegated to it from time to time by the Board of Directors. The Board has determined that each member of the Governance Committee is independent.

Consideration of Director Nominees

The policy of the Governance Committee is to consider properly submitted shareholder nominations for candidates for membership on the Board as described below under Identifying and Evaluating Nominees for Director. In evaluating such nominations, the Governance Committee seeks to address the criteria described below under Director Selection Guidelines as well as any needs for particular expertise on the Board.

Any shareholder desiring to submit a proposed candidate for consideration by the Governance Committee should send the name of such proposed candidate, together with biographical data and background information concerning the candidate, to: The Secretary, The Goodyear Tire & Rubber Company, 1144 East Market Street, Akron, Ohio 44316-0001.

Director Selection Guidelines

The Board of Directors has approved Director Selection Guidelines that apply to prospective Board members. Under these criteria, members of the Board should have a reputation for high moral character, integrity and sound judgment, substantial business expertise, financial literacy, achievement in his or her chosen field, should have adequate time to devote to Goodyear, and should have the ability to effectively serve several years prior to retirement at age 70. A person's particular expertise and ability to satisfy Goodyear's independence standards and those of the New York Stock Exchange may also be evaluated. Each Director must have the ability to fully represent Goodyear's diverse constituencies.

Identifying and Evaluating Nominees for Director

The Governance Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. The Committee also retains third-party executive search firms to identify candidates. In addition, under our prior master labor agreement with the United Steelworkers (the USW), the USW had the right to nominate a candidate for consideration for membership on the Board. Mr. Wessel, who became a Director in December 2005, was identified and recommended by the USW. Mr. Sullivan was initially identified as a candidate for membership to the Board by a third-party search firm.

Once a prospective nominee has been identified, the Committee makes an initial determination as to whether to conduct a full evaluation of the candidate. This initial determination is based on whatever information is provided to the Committee with the recommendation of the prospective candidate, as well as the Committee's own knowledge of the prospective candidate, which may be supplemented by inquiries to the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members and the likelihood that the prospective nominee can satisfy the Director Selection Guidelines described above. If the Committee determines, in consultation with the Chairman of the Board and other Board members as appropriate, that additional

consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee's background and experience and to report its findings to the Committee. The Committee then evaluates the prospective nominee against the standards and qualifications set out in Goodyear's Director Selection Guidelines.

The Committee also considers such other relevant factors as it deems appropriate, including the current composition of the Board, the balance of management and independent directors, the need for Audit Committee expertise and the evaluations of other prospective nominees. In connection with this evaluation, the Committee determines whether to interview the prospective nominee, and if warranted, one or more members of the Committee, and others as appropriate, interview prospective nominees in person or by telephone. After completing this evaluation and interview, the Committee makes a recommendation to the full Board as to the persons who should be elected to the Board, and the Board makes its decision after considering the recommendation and report of the Committee.

Executive Sessions

Non-management Directors meet regularly in executive sessions without management. An executive session is generally held in conjunction with each regularly scheduled Board meeting. Executive sessions are led by a Lead Director, who is elected by the Board. Mr. John G. Breen currently serves as the Lead Director.

ELECTION OF DIRECTORS (Item 1 on your Proxy)

The Board of Directors has selected the following eleven nominees recommended by the Governance Committee for election to the Board of Directors. The Company's Code of Regulations sets the number of directors at eleven, but authorizes the Board to increase the number of directors to no more than fifteen persons, and to decrease the number of directors to no less than nine persons. On February 27, 2007, the Board set the number of directors at eleven, effective immediately prior to the annual meeting. The directors will hold office from election until the next Annual Meeting of Shareholders, or until their successors are elected and qualified. If any of these nominees for director becomes unavailable, the persons named in the proxy intend to vote for any alternate designated by the current Board of Directors.
