**Proxy Statement for
Annual Meeting of Shareholders
To Be Held On May 20, 2008**

GENERAL INFORMATION

The Board of Directors of Park-Ohio Holdings Corp. is furnishing this proxy statement in order to solicit proxies on its behalf to be voted at our 2008 annual meeting of shareholders. The Annual Meeting will be held at The Cleveland Marriott East, 26300 Harvard Road, Warrensville Heights, Ohio 44122 on Tuesday, May 20, 2008, at 10 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof.

Proxy materials are first being mailed to shareholders on or about April 14, 2008. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by us prior to the Annual Meeting or by giving notice to us in writing or in open meeting. Attendance at the Annual Meeting will not in itself revoke a proxy. Shares represented by properly executed proxies will be voted at the Annual Meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy, it will be voted in accordance with such specifications. If no specification is made, the executed proxy will be voted **FOR** the election of the nominees for directors.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting is March 31, 2008. As of March 31, 2008, there were issued and outstanding 11,363,736 shares of our Common Stock, par value \$1.00 per share. Each share is entitled to one vote on each matter presented at the Annual Meeting. Our Articles of Incorporation do not provide for cumulative voting in the election of directors. The affirmative vote of a plurality of the shares of Common Stock represented at the Annual Meeting is required to elect Edward F. Crawford, Kevin R. Greene and Dan T. Moore III as directors to serve until the 2011 annual meeting of shareholders.

We are not aware of any matters other than those described in this proxy statement which will be presented to the Annual Meeting for action on the part of the shareholders. If any other matters are properly brought before the meeting, of which we did not have notice of on or prior to March 5, 2008, or that applicable law otherwise permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the meeting for purposes of determining a quorum, but will not be counted as voting, except as otherwise required by law and indicated herein.

The cost of soliciting proxies, including the charges and expenses incurred by brokerage firms and other persons for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by us. Proxies may be solicited by our officers and employees by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by us for reasonable out-of-pocket expenses incurred in connection therewith. In addition, we have retained Morrow & Co., Inc., a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be approximately \$4,000, plus reimbursement of out-of-pocket expenses.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

General

The authorized number of directors is presently fixed at nine, divided into three classes of three members. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled Nominees for Election.

Table of Contents

The class of directors to be elected in 2008, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, the persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) in favor of electing to that class: Edward F. Crawford, Kevin R. Greene and Dan T. Moore III, all of whom have been previously elected as directors by shareholders. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. We have no reason to believe any nominee will be unavailable.

The Board of Directors continues to conduct searches for suitable candidates for directors to fill the vacancies created by the retirement of Lewis E. Hatch and Lawrence O. Selhorst, who were members in the class of directors whose term expires at the Annual Meeting. In the interim, Kevin R. Greene, who had been a member of the class of directors whose term expires at the Company’s 2009 annual meeting of shareholders and Dan T. Moore III, who had been a member of the class of directors whose term expires at the company’s 2010 annual meeting of shareholders, were elected by the Board of Directors as members of the class of the Board of Directors whose term expires at the Annual Meeting.

Vote Required and Recommendation of The Board of Directors

The affirmative vote of a plurality of the shares of Common Stock represented at the Annual Meeting is required to elect Edward F. Crawford, Kevin R. Greene and Dan T. Moore III as directors to serve until the 2011 annual meeting of shareholders.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR EDWARD F. CRAWFORD, KEVIN R. GREENE AND DAN T. MOORE III.

**CERTAIN MATTERS PERTAINING TO THE BOARD OF DIRECTORS AND
CORPORATE GOVERNANCE**

Corporate Governance

The Board believes that there should be a substantial majority of independent directors on the Board. The Board also believes that it is useful and appropriate to have members of management, including the Chief Executive Officer, or CEO, and President, as directors. The current Board members include five independent directors (including two of the nominees).

Director Independence. Each of Messrs. Auletta, Greene, Moore and Wert and Ms. Romney is independent in accordance with the rules of the Nasdaq Stock Market. The Nasdaq Stock Market independence definition includes a series of objective tests, such as that the director is not our employee and has not engaged in various types of business dealings with us. In addition, as further required by the Nasdaq Stock Market rules, the Board has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the directors reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and management.

In addition, as required by the Nasdaq Stock Market rules, the members of the Audit Committee are each independent under special standards established by the SEC for members of audit committees. The Audit Committee also includes at least one independent member whom the Board has determined meets the qualifications of an audit committee financial expert in accordance with SEC rules. Patrick V. Auletta is the independent director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Auletta's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Auletta any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Code of Business Conduct and Ethics. All directors, officers and employees must act ethically at all times and in accordance with the policies comprising our Code of Business Conduct and Ethics. A copy of the code is available, without charge, upon written request to: Secretary, Park-Ohio Holdings Corp., 6065 Parkland Boulevard, Cleveland, Ohio 44124. A copy of our Code is also available on our website at www.pkoh.com. We intend to disclose any amendment to, or waiver from, the Code of Business Conduct and Ethics by posting such amendment or waiver, as applicable, on our website.

Board of Directors and Committees

Board Committees and Charters. The Board currently has, and appoints the members of, Audit, Compensation, Nominating and Corporate Governance and Executive Committees. Each member of the Audit, Compensation and Nominating and Corporate Governance Committees is an independent director in accordance with the rules of the Nasdaq Stock Market. The Audit Committee has a written charter approved by the Board.

Audit Committee. The Audit Committee consists of Messrs. Auletta, Greene and Wert, with Mr. Auletta as its chairman. The Audit Committee assists the Board in its general oversight of our financial reporting, internal controls and audit functions, and is directly responsible for the appointment, retention, compensation and oversight of the work of our independent auditors. In 2007, the Audit Committee held seven meetings. The responsibilities and activities of

the Audit Committee are described in greater detail in Audit Committee Report and the Audit Committee Charter. The Audit Committee Charter is available on our website at www.pkoh.com.

Compensation Committee. The Compensation Committee consists of Messrs. Wert and Moore and Ms. Romney, with Ms. Romney as its chairwoman. The Compensation Committee reviews and approves salaries, performance-based incentives and other matters relating to executive compensation, including reviewing and granting equity awards to executive officers. As described in greater detail below under Compensation Discussion and

Table of Contents

Analysis, the Compensation Committee determines the compensation of our executive officers, including our CEO, and directors. With respect to executive officers other than the CEO, the Compensation Committee takes into account the recommendations of the CEO when determining the various elements of their compensation, including the amount and form of such compensation. The Compensation Committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of executive compensation and the sole authority to approve the fees and other retention terms of any such consultants. During 2007, the Compensation Committee again retained Watson Wyatt to assist in the evaluation of our executive compensation program, which evaluation included providing information to the Compensation Committee on trends in executive compensation and other market and peer group data.

The Compensation Committee also reviews and approves various other compensation policies and matters. The Compensation Committee held three meetings in 2007 and also acted by written consent. The Compensation Committee has not yet adopted a written charter.

Executive Committee. The Executive Committee consists of Messrs. Auletta, E. Crawford and Wert, with Mr. Wert as its chairman. The Executive Committee may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons and except as limited by Ohio law and our Regulations. The Executive Committee held no meetings in 2007.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Messrs. Auletta, Greene, Moore, and Wert and Ms. Romney, with Mr. Wert as its chairman, and consists of all of our independent directors, in accordance with the rules of the Nasdaq Stock Market. The Nominating and Corporate Governance Committee makes recommendations to the Board regarding the size and composition of the Board. The Nominating and Corporate Governance Committee is responsible for reviewing with the Board from time to time the appropriate skills and characteristics required of Board members in the context of the current size and make-up of the Board. This assessment includes issues of diversity in numerous factors such as: age; understanding of and achievements in manufacturing, technology, finance and marketing; and international experience and culture. These factors, and any other qualifications considered useful by the Nominating and Corporate Governance Committee, are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time. As a result, the priorities and emphasis of the Nominating and Corporate Governance Committee and of the Board may change from time to time to take into account changes in business and other trends and the portfolio of skills and experience of current and prospective Board members. Therefore, while focused on the achievement and the ability of potential candidates to make a positive contribution with respect to such factors, the Nominating and Corporate Governance Committee has not established any specific minimum criteria or qualifications that a nominee must possess. The Nominating and Corporate Governance Committee establishes procedures for the nomination process, recommends candidates for election to the Board and also nominates officers for election by the Board. The Nominating and Corporate Governance Committee has not yet adopted a written charter but has a resolution regarding the nomination process.

Consideration of new Board nominee candidates typically involves a series of internal discussions, review of information concerning candidates and interviews with selected candidates. In general, candidates for nomination to the Board are suggested by Board members or by employees. The Nominating and Corporate Governance Committee will consider candidates proposed by shareholders. The Nominating and Corporate Governance Committee evaluates candidates proposed by shareholders using the same criteria as for other candidates. Any shareholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include (1) complete information as to the identity and qualifications of the proposed nominee, including name, address, present and prior business and/or professional affiliations, education and experience and particular fields of expertise, (2) an indication of the nominee's consent to serve as a director if elected, and (3) the reasons why, in the opinion of the recommending shareholder, the proposed nominee is qualified and suited to be a director, and should be addressed to our Secretary at

6065 Parkland Boulevard, Cleveland, Ohio 44124.

The Nominating and Corporate Governance Committee reviews and reports to the Board on a periodic basis with regard to matters of corporate governance. The Nominating and Corporate Governance Committee also reviews and assesses the effectiveness of the Board's Code of Business Conduct and Ethics and recommends to the Board proposed revisions to the Code. In addition, the Nominating and Corporate Governance Committee reviews

Table of Contents

shareholder proposals and makes recommendations to the Board for action on such proposals. Pursuant to the rules of the Nasdaq Stock Market, all of the members of the Nominating and Corporate Governance Committee met once without the presence of management directors in 2007.

Attendance at Board, Committee and Annual Shareholders Meetings. The Board held four meetings in 2007. All directors are expected to attend each meeting of the Board and the committees on which he or she serves. In 2007, no director attended less than 75% of the meetings of the Board and the committees on which he or she served. Directors are expected to attend the Annual Meeting, and six directors attended the 2007 annual meeting of shareholders.

Shareholder Communications

The Board believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board of Directors or a particular director may do so by sending a letter to our Secretary at 6065 Parkland Boulevard, Cleveland, Ohio 44124. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or

Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Company Affiliations with the Board of Directors and Nominees

The following affiliation exists between us and nominees or directors:

Mr. Auletta served as President of KeyBank National Association from 2001 to 2004 and is currently President Emeritus of KeyBank. We have a secured \$270.0 million revolving credit facility with J.P. Morgan Chase Bank, N.A. (successor by merger to Bank One, N.A.), as lead arranger and lender. KeyBank is a participant in this credit facility in the amount of approximately \$40.0 million as syndication agent and lender. KeyBank received interest income and fee income from us during 2007. The credit facility was entered into in the ordinary course of business, was made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with unrelated parties and does not involve more than the normal risk of collectibility or present other unfavorable features.

In making the determination that Mr. Auletta is independent, the Board of Directors determined that the fact that Mr. Auletta serves as the President Emeritus of KeyBank does not create a material relationship or impair the independence of Mr. Auletta for the reasons set forth in the preceding paragraph and given Mr. Auletta's current role at KeyBank.

Compensation Committee Interlocks and Insider Participation

Members of the Compensation Committee during 2007 were Messrs. Moore and Wert and Ms. Romney. No current or former officer or employee of ours served on the Compensation Committee during 2007.

Philosophy and Objectives

Our compensation program is designed to recognize the level of responsibility of an executive within our company, taking into account the executive's role and expected leadership within our organization, and to encourage decisions and actions that have a positive impact on our overall performance.

Our compensation philosophy is based upon the following objectives:

- to reinforce key business strategies and objectives;
- to reward our executives for their outstanding performance and business results;
- to emphasize the enhancement of shareholder value;
- to value the executive's unique skills and competencies;
- to attract, retain and motivate qualified executives; and
- to provide a competitive compensation structure.

The Compensation Committee of the Board of Directors administers our compensation program. The Compensation Committee is responsible for reviewing and approving base salaries, bonuses and equity incentive awards for all executive officers. Typically our Chief Executive Officer, or CEO, makes compensation recommendations to the Compensation Committee with respect to decisions concerning executive officers other than himself. The Compensation Committee makes its decisions with respect to our CEO in executive session.

Benchmarking

In 2006, the Compensation Committee engaged the services of Watson Wyatt Worldwide, an executive compensation and benefits consulting firm, as consultants to help evaluate our executive compensation program and to help select appropriate market data for compensation and benchmarking. Some of the resources used for comparison were the WWDS Top Management Survey, Mercer Executive Compensation Survey, Watson Wyatt Proprietary Executive Survey and comparative executive compensation information from a peer group consisting of the following companies: AAR Corp., Applied Industrial Technologies Inc., Aviall Inc., Century Aluminum Co., Encore Wire Corp., Fairchild Corp., General Cable Corp., Kunan Corp., Lawson Products Inc., Lamson & Sessions Co., Mueller Industries Inc., Shiloh Industries Inc., Superior Essex Inc. and Wolverine Tube Inc. The peer group was established utilizing several factors including their respective industry, markets, revenue, market capitalization and profitability. We have in the past used, and continue to use, Watson Wyatt for actuarial related services in connection with our retirement plans.

In 2007, Watson Wyatt provided us market survey and peer group data on supplemental retirement plans for chief executive officers. The 2007 peer group used by Watson Wyatt was the same as the 2006 peer group described above, except that Aviall Inc. was not included because it was acquired subsequent to the 2006 review, and Fairchild Corp. was not included as it no longer fit the peer group profile. In 2008, the Compensation Committee considered Watson

Wyatt's 2007 market survey and peer group data in establishing a non-qualified defined contribution plan and a non-qualified defined benefit plan for our CEO.

The Compensation Committee considered Watson Wyatt's 2006 market survey and peer group data in determining the base salary, bonus and equity components of our executive officers for 2007. With respect to our CEO and our President and Chief Operating Officer, or COO, the Compensation Committee considered medians for total compensation from the market survey and peer group data for comparable positions. However, actual compensation can vary widely, either above or below these medians, based on company and individual performance, scope of responsibilities, competencies and experience. With respect to our other executive officers, the Compensation Committee used its judgment and discretion to address individual circumstances rather than to simply aim for a level of compensation that falls with a specific range for the market survey or peer group data, and

Table of Contents

as a result, the other executive officers' total compensation is at or below the median level for the market survey and peer group data for comparable positions.

Compensation Components

For 2007, our compensation program had three primary components consisting of a base salary, an annual cash bonus, whether discretionary or pursuant to our Annual Cash Bonus Plan, which we refer to as the Bonus Plan, and equity awards granted pursuant to our Amended and Restated 1998 Long-Term Incentive Plan, which we refer to as the 1998 Plan. In addition, we also offer our executive officers basic retirement savings opportunities, participation in a deferred compensation plan, health and welfare benefits and perquisites that supplement the three primary components of compensation. For 2008, our compensation program will also include a non-qualified defined contribution plan and non-qualified defined benefit plan for our CEO.

We view these various components of compensation as related but distinct. Although our Compensation Committee does review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. The appropriate level for each compensation component is based in part, but not entirely, on our view of internal equity and consistency, and other considerations we deem relevant, such as rewarding extraordinary performance. Our Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid-out compensation, between cash and non-cash compensation or among different forms of non-cash compensation.

Base Salary

We pay base salaries to recognize each executive officer's unique value and skills, competencies and experience in light of the executive's position. Base salaries, including any annual or other adjustments, for our executive officers, other than our CEO, are determined after taking into account recommendations by our CEO. Base salaries for all executive officers are determined by the Compensation Committee after considering such factors as competitive industry salaries, a subjective assessment of the nature of the executive officer's position, the executive officer's unique value and historical contributions and the experience and length of the service of the executive officer. Adjustments to base salaries are generally considered during the first quarter of each year and, if made, are effective retroactively to the beginning of the year. For 2007, base salaries for our executive officers remained the same from 2006, other than for our Secretary and General Counsel, who received an increase of approximately 4% for 2007.

Annual Bonus

Annual bonuses are used to reward our executive officers for achieving key financial and operational objectives, to motivate certain desired individual behaviors and to reward superior individual achievements. Bonus awards for our executive officers, other than for our CEO, are determined by the Compensation Committee after taking into account recommendations by our CEO. The annual bonus awards, other than for our CEO, are fully discretionary and are based on subjective criteria in light of all relevant factors.

We have established the Bonus Plan, which was approved by our shareholders in 2006, for our CEO and any other executive officer selected by the Compensation Committee to participate in the Bonus Plan. The Bonus Plan includes a set of performance measures that can be used to establish the bonus award. Under the Bonus Plan, our CEO or any other selected executive officer is eligible to receive an annual cash bonus depending on the performance of our company against specific performance measures established by the Compensation Committee before the end of the first quarter of each year. For 2007, only our CEO participated in the Bonus Plan and the Compensation Committee selected consolidated income before income taxes as the performance measure for our CEO. For 2007, our CEO was

entitled to a bonus award equal to 4% of consolidated income before income taxes. Under the Bonus Plan, the Compensation Committee is authorized to exercise negative discretion and reduce our CEO's award, but did not do so for 2007.

The Compensation Committee has established that the performance measure for our CEO under the Bonus Plan for each of 2008, 2009 and 2010 will be 4% of our consolidated income before income taxes. The

Table of Contents

Compensation Committee believes income before income taxes is an appropriate measure of our core operating performance and directly links our CEO's annual bonus award to our profitability. For our other executive officers, the 2007 bonus awards were determined by the Compensation Committee, after considering recommendations from our CEO and after taking into account individual performance and our profitability. Information about bonuses paid to our executive officers is contained in the Summary Compensation Table.

Equity Compensation

We use the grant of equity awards under our 1998 Plan to provide long-term incentive compensation opportunities, which align the executives' interests with those of our shareholders, and to attract and retain executive officers.

Our Compensation Committee administers our 1998 Plan. Historically, the Compensation Committee has granted options and restricted shares under our 1998 Plan. Other than for grants of equity awards to our CEO, the Compensation Committee typically considers recommendations from our CEO when considering decisions regarding the grant of equity awards to executive officers. The Compensation Committee grants equity awards based on a number of criteria, including the relative rank of the executive officer and the executive's historical and ongoing contributions to our success based on subjective criteria. There is no set formula for the granting of equity awards to executive officers.

We do not have any program, plan or obligation that requires us to grant equity awards on specific dates. We have not made equity grants in connection with the release or withholding of material, non-public information. Options granted under our 1998 Plan have exercise prices equal to the closing market price of our Common Stock on the day of the grant.

In 2006, the Compensation Committee made awards of restricted shares to our CEO and our COO. For 2007, no equity awards were made to our CEO or our COO. Equity awards were granted in 2007 to our other executive officers and information about such awards is contained in the 2007 Grants of Plan-Based Awards table. Information about outstanding equity awards granted to our executive officers is contained in the Outstanding Equity Awards at December 31, 2007 table.

Retirement Benefits

Our Individual Account Retirement Plan, or 401(k) Plan, is a tax-qualified retirement savings plan that permits our employees, including our executive officers, to defer a portion of their annual salary to the 401(k) Plan on a before-tax basis. Our executive officers participate in the 401(k) Plan on the same basis as all other salaried employees whereby we annually contribute 2% of their salary into the 401(k) Plan on their behalf, subject to Internal Revenue Code limitations. Our executive officers vest in the company contributions ratably over six years of employment service, at which time they are 100% vested.

For 2008, the Compensation Committee established a non-qualified defined contribution plan and a non-qualified defined benefit plan for our CEO. These retirement benefits are intended to reward him for his past service to the company, to recognize, over the long term, future service to the company, and to provide a total compensation and benefit package that is at, or above, the median for total compensation for our peer group.

The defined contribution plan, or DC Plan, provides our CEO with an annual credit of \$375,000, or DC Benefit, during the seven-year period beginning on January 1, 2008 and ending on December 31, 2014. The DC Benefit is credited to an account on our books for our CEO, provided he has not had a termination of employment with the company, as defined in the DC Plan. Our CEO is at all times 100% vested in the DC Benefit. The amount credited under the DC Plan for our CEO will be paid upon his termination of employment.

The defined benefit plan, or DB Plan, provides our CEO with an annual retirement benefit, or DB Benefit, of up to \$375,000 upon his termination of employment with the company, as defined in the DB Plan. The annual DB Benefit that our CEO actually receives depends on his years of credited service with the company as of his termination of employment. If he has 20 or more years of credited service, he will receive the full \$375,000 annual DB Benefit. If our CEO has attained less than 20 years of credited service as of his termination of employment, he will receive an annual DB Benefit that is reduced proportionately. As of December 31, 2007, our CEO has 13 years of credited service with the company. If our CEO dies while employed by the company, his spouse is entitled to receive an amount equal to 50% of the amount our CEO would have been entitled to receive on the date of his death payable annually for the life of his spouse.

Table of Contents

Deferred Compensation

The company maintains a non-qualified deferred compensation plan that allows certain employees, including our executive officers, to defer a percentage of their salary, to be paid at a time specified by the participant and consistent with the terms of the plan. For 2007, none of our executive officers participated in the non-qualified deferred compensation plan.

Termination-Related Payments

All of our executive officers are employees-at-will and, as such, do not have employment agreements with us. Therefore, we are not obligated to provide any post-employment compensation or benefits. However, upon a change of control, as defined in the 1998 Plan, all unvested stock option grants become fully exercisable and all outstanding restricted share grants fully vest.

Other Benefits

We also provide other benefits to our executive officers that we consider necessary in order to offer fully-competitive opportunities to attract and retain our executive officers. These benefits include life insurance, company cars or car allowances, executive physicals, and club dues. Executive officers are eligible to participate in all of our employee benefit plans, such as the 401(k) Plan and medical, dental, group life, disability and accidental death and dismemberment insurance, in each case on the same basis as other employees.

Accounting and Tax Treatment

We account for equity compensation paid to our employees under the rules of Financial Accounting Standards Board Statement No. 123 (revised 2004), *Share-Based Payment*, or FAS 123R, which require us to estimate and record an expense over the service period of the award. Accounting rules also require us to record cash compensation as an expense at the time the obligation is accrued.

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to a company's CEO and certain other executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in our best interest to attempt to structure performance-based compensation, including annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However, the Compensation Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable us to meet our overall objectives, even if we may not deduct all of the compensation. Accordingly, the Compensation Committee has expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

We are not obligated to offset any income taxes due on any compensation or benefits, including, as discussed below, income or excise taxes due on any income from accelerated vesting of outstanding equity grants. To the extent any such amounts are considered excess parachute payments under Section 280G of the Internal Revenue Code and thus not deductible by us, the Compensation Committee is aware of that possibility and has decided to accept the cost of that lost deduction. However, the Compensation Committee has not thought it necessary for us to take on the additional cost of reimbursing executives for any taxes generated by the vesting accelerations.

COMPENSATION COMMITTEE REPORT

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussion with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and in our Annual Report on Form 10-K for the year ended December 31, 2007.

No cash payments or other benefits are due the named executive officers upon a change of control, as defined in the 1998 Plan. A change of control is generally defined as: (i) our corporate reorganization or a sale of substantially all of our assets with the result that the shareholders prior to the reorganization or sale afterwards hold less than a majority of our voting stock; (ii) any person (other than Mr. E. Crawford) becoming the beneficial owner of 20% or more of the combined voting power of our outstanding securities; (iii) we enter into an agreement changing the control of our voting stock; and (iv) a change in the majority of our Board of Directors.

Table of Contents**COMPENSATION OF DIRECTORS**

We compensate non-employee directors for serving on our Board of Directors and reimburse them for expenses incurred in connection with Board and committee meetings. During 2007, each non-employee director received as an annual retainer a grant of 2,500 restricted shares. The restricted shares were granted in accordance with the 1998 Plan. AUDIT COMMITTEE

Audit Committee Report

The Audit Committee oversees our accounting and financial reporting processes and the audits of financial statements. The Audit Committee selects our independent auditors. The Audit Committee is composed of three directors, each of whom is independent as defined under the rules of the Nasdaq Stock Market and SEC rules. Currently, the Audit Committee is composed of Messrs. Auletta, Greene and Wert. The Audit Committee operates under a written charter adopted by the Board of Directors.

Management is responsible for our internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and Ernst & Young LLP to review and discuss the audited consolidated financial statements for the year ended December 31, 2007. The Audit Committee discussed with Ernst & Young LLP its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required by Statement on Auditing Standards No. 61 (*Communication with Audit Committees*), as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), as adopted by the Public Company Accounting Standards Oversight Board in Rule 3600T, has discussed with Ernst & Young LLP its independence from management and has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of audit examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2007.

TRANSACTIONS WITH RELATED PERSONS

In accordance with our Audit Committee Charter, our Audit Committee is responsible for reviewing and approving the terms and conditions of all related-party transactions. In some cases, however, the Audit Committee will defer the approval of a related-party transaction to the disinterested members of the full Board of Directors.

Neither the Audit Committee nor the Board of Directors has written policies or procedures with respect to the review, approval or ratification of related-party transactions. Instead, the Audit Committee, or the Board of Directors, as applicable, reviews each proposed transaction on a case-by-case basis taking into account all relevant factors, including whether the terms and conditions are at least as favorable to us as if negotiated on an arm's-length basis with unrelated third parties. The following related-party transactions have been approved either by our Board of Directors or our Audit Committee.

During 2007, we chartered, on an hourly basis, an airplane from a third-party private aircraft charter company. One of the aircraft available for use by us is an aircraft owned jointly by this charter company and a company owned by Mr. E. Crawford. For 2007, we paid \$74,241 for the use of that aircraft.

We lease space in three buildings in Conneaut, Ohio: (a) a 91,300 square foot facility owned by a company owned by Mr. M. Crawford, at a monthly rent of \$30,400; (b) an additional 70,000 square foot attached facility
