Item 1.01. Entry Into A Material Definitive Agreement.

On July 28, 2006, the Board of Directors of Inter-Tel (Delaware), Incorporated (the Company) approved the grant to an employee director and certain of the Company s executive officers of (i) stock option awards and (ii) performance share awards, each pursuant to the terms of the Company s 1997 Long-Term Incentive Plan (the 1997 Plan). The stock option awards and performance share awards were granted as follows:

Name	Title	Stock Options (shares)	Performance Share Awards (shares)
Norman Stout	Director and Chief Executive Officer	75,000	25,000
Craig W. Rauchle	President and Chief Operating Officer	50,000	10,000
Jeffrey T. Ford	Senior Vice President and Chief Technology Officer	10,000	2,000

The stock option awards vest in equal annual installments over three years, such that all of the shares subject to each option shall vest and become exercisable on July 28, 2009. The stock options each have a term of 10 years.

The performance share awards by their terms vest primarily in connection with the achievement by the Company of certain earnings per share targets over the Company s fiscal years ended December 31, 2007 and December 31, 2008, with 50% vesting each year (on April 27 following the close of each respective fiscal year) upon the achievement of such targets. In the event such targets are not achieved, the performance share awards would not vest and would be forfeited. The performance share awards are evidenced on a form of Performance Share Notice of Grant and Agreement, newly adopted by the Company for use with the 1997 Plan.

Both the performance share awards and the stock option grants are subject to accelerated vesting on the occurrence of certain events, including certain changes of control of the Company, as outlined in the 1997 Plan and change of control severance agreements between the Company and the executive officers.
