State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Atlantis Plastics, Inc. (the Registrant) requires additional time to finalize and review its Annual Report on Form 10-K for its fiscal year ended December 31, 2006 (the Report). The Registrant is unable to complete and file its Report within the prescribed time period without unreasonable effort or expense. The Report could not be filed within the prescribed time period, because in preparing its consolidated financial statements for the year ended December 31, 2006, the Registrant determined that it overstated certain deferred tax assets as part of the purchase price allocation for acquisitions in 2002 and 2004. The Registrant is in the process of evaluating the effects that these errors and other certain items have on its consolidated financial statements. The Registrant expects to file the Report within the next few days and in no event later than the fifteenth calendar day following the date on which the Report was due.
