QUESTIONS & ANSWERS

Your proxy vote: your right and responsibility to your fellow shareholders

YOUR VOTE IS IMPORTANT

Starting in August 2001, the MFS(R) funds are asking all of their account holders for their support by voting on the 2001 proxy. That means that more than 4.5 million account holders will receive a proxy. Because this is such a massive undertaking, these proxy mailings will be sent in groups from late August through mid-September.

Your proxy vote is important. It is your right, and it is your responsibility to your fellow shareholders.

ALL SHARES IN ALL ACCOUNTS MUST BE VOTED

If you have more than one account, you'll receive more than one proxy -- possibly even in the same package. To conserve mailing costs, we have tried to send all of your proxies together. However, the staggered mailings may mean that you'll get several of these "householded" packages. It's very important that you vote every proxy that you receive. Otherwise, there may not be enough votes to conduct the shareholder meetings. And that will require costly follow-up mailings to nonvoting account holders.

Proxy mailings are a fund expense, so are follow-up solicitations and mailings. Please vote all of your proxies now, and save your fund some money.

FOCUS ON SIMPLIFICATION

The proposals contained in the proxy for each fund vary in the specifics, but the general theme for most of them is the same: simplification. For example, we currently have three different Boards of Trustees; we believe it would be more efficient if we had just one. The questions and answers that follow will explain the proxy process and help you wade through the proposals.

Please take the time to read the enclosed proxy material and vote your proxy. You can vote by

- o mailing your completed and signed proxy card in the enclosed postage-paid envelope

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

- o voting on the Internet
- o voting by telephone on a toll-free number

You'll find the complete voting instructions included in this package.

Both we and your fellow shareholders thank you for voting now. We look forward to hearing from you.

1. WHO IS ASKING FOR MY VOTE?

The Trustees of your MFS fund(s) are asking you to vote on several proposals at the upcoming shareholder meetings. The election of new Trustees requires a shareholder vote, and MFS recommended to the Trustees that certain other changes be made.

2. HOW DO THE TRUSTEES RECOMMEND SHAREHOLDERS TO VOTE?

The Trustees recommend that you vote FOR all proposals.

3. WHO IS ELIGIBLE TO VOTE?

If you were the shareholder of record on the record date, you are entitled to vote at the meeting or at any adjournment of the meeting. You may cast one vote for each share of record that you own on each matter presented at the meeting that affects your fund.

4. WHAT WILL I BE ASKED TO VOTE ON?

- o To elect a Board of Trustees

The purpose of this proposal is to streamline the oversight of the MFS funds by creating a combined Board that will oversee all MFS funds organized in the United States. Currently, three separate Boards of Trustees serve these MFS funds. Due to a number of pending Trustee retirements, the combined Board will avoid the need to add new Trustees to the various Boards in the near future.

The combined Board would reduce the duplication of Board materials and reports and avoid repeated presentations by the same personnel at different meetings.

- o To authorize the Trustees to adopt an amended and restated Declaration of Trust

The Declaration of Trust is the charter document that describes how a fund conducts business and how it is governed.

This proposal would modernize the Declaration of Trust and make it the same for almost all MFS funds.

- o To amend, remove, or add certain fundamental investment policies

The MFS funds have certain fundamental investment policies that cannot be changed without shareholder approval. Some of these policies are no longer needed due to changes in applicable laws and can now be eliminated or revised.

This proposal would modernize the funds' fundamental investment policies and make them the same for almost all of the MFS funds. The funds will continue to be managed in accordance with the investment policies described

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

in their prospectuses. The Trustees do not expect that the revised policies will change significantly the level of investment risk associated with an investment in the funds.

- o To approve a new Investment Advisory Agreement with MFS

Each MFS fund has an Investment Advisory Agreement with MFS.

This proposal would modernize these Agreements and make them the same for almost all of the MFS funds.

UNDER THIS PROPOSAL, THE INVESTMENT MANAGEMENT FEE PAYABLE BY THE FUNDS WOULD NOT CHANGE.

- o To ratify the selection of the independent public accountants for the current fiscal year

This is a standard, routine item on proxy statements.

5. HOW WILL MY VOTES BE RECORDED?

Votes that are received prior to a fund's shareholder meeting will be voted as you specify on each proposal. If you simply sign and date the proxy card but do not specifically vote on one or more of the proposals, your shares will be voted FOR all of the nonspecified proposals.

6. WHAT IF I WANT TO REVOKE MY PROXY?

You can revoke your proxy at any time by sending us a written revocation or a more recently dated proxy card. Your request or new proxy card must be received before the shareholder meeting.

7. WHAT HAPPENS IF THERE AREN'T ENOUGH VOTES TO APPROVE A PROPOSAL BY THE SHAREHOLDER MEETING DATE?

The shareholder meeting for that fund will be adjourned to a later date, and shareholders who have not voted will be solicited again. Follow-up solicitations, which are a fund expense, are costly. That's why your vote is so important and why we urge you to vote your proxy now. You should also know that a fund may adjourn its meeting more than once.

8. HOW CAN I GET MORE INFORMATION ABOUT THE FUNDS?

A copy of the annual report for each fund was mailed previously to you. If you would like us to send you free copies of any fund's most recent annual or semiannual report, please call us toll free at 1-800-637-2304 or write to the funds at MFS Service Center, Inc., 2 Avenue de Lafayette, Boston, Massachusetts 02111-1738.

9. WHOM DO I CALL IF I HAVE QUESTIONS?

You may call Georgeson Shareholder Communications Inc., the MFS funds' proxy solicitor, at 1-888-832-6971.

Your vote is important to us and to your fellow shareholders. Please vote your proxies as soon as possible and return them in the envelope provided.

We look forward to receiving your vote.

Under applicable law, the vote of "a majority of the outstanding voting securities" means the affirmative vote of the lesser of (a) 67% or more of the voting securities of the Fund that are present at the Meeting or represented by proxy if holders of more than 50% of the outstanding voting securities of the Fund are present or represented by proxy or (b) more than 50% of the outstanding voting securities of the Fund.

The following table summarizes these voting requirements:

	VOTE REQUIRED FOR APPROVAL -----
ITEM 1 (Election of Trustees)	Each nominee must be elected by a plurality of the shares of the Fund voted at the Meeting
ITEM 2 (Approval of Amended and Restated Declaration of Trust)	Approved by 66 2/3% of the shares of the Fund outstanding and entitled to vote
ITEM 3 (Changes to Fundamental Investment Policies)	Approved by a "majority of the outstanding voting securities" of the Fund
ITEM 4 (Approval of Investment Advisory Agreement)	Approved by a "majority of the outstanding voting securities" of the Fund
ITEM 5 (Ratification of Selection of Auditors)	Approved by a majority of the shares of the Fund voted at the Meeting

GENERAL BACKGROUND

At the Meeting, you will be asked to elect Trustees of your Fund. Certain nominees already serve as Trustees, and other nominees are currently Trustees of other MFS funds. The new Board will combine your Fund's current Trustees with Trustees supervising other funds in the MFS Family of Funds. The combined Board is designed to simplify and streamline oversight of the funds in the MFS Family of Funds, including the Fund.

You will also be asked to approve an amended and restated declaration of trust, the revision or elimination of certain investment policies and a new investment advisory agreement. These items are designed to modernize and

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

standardize the agreements and restrictions governing the funds in the MFS Family of Funds, including the Fund, and to provide for efficiencies and flexibility in the Fund's operations.

If approved, each proposal will take effect on January 1, 2002, or in the event that shareholder approval has not been obtained by that date, as soon as reasonably practicable after shareholders have approved the proposal.

ITEM 1 -- TO ELECT A BOARD OF TRUSTEES.

At the Meeting, you will be asked to elect a Board of Trustees for your Fund. The existing Trustees of the Fund have determined, pursuant to the Fund's declaration of trust, that the number of Trustees of the combined Board of the Fund shall be fixed for the time being at 13. Proxies not containing specific instructions to the contrary will be voted for the election as Trustees of the 13 nominees listed below.

Currently, funds in the MFS Family of Funds are served by three separate Boards of Trustees. Under this proposal, the separate Boards will be consolidated so that the same individuals serve on the Boards of all of the MFS Funds.

Historically, the three separate Boards have had separate meetings but often have reviewed the same policy issues, contractual arrangements and other matters. Among other potential efficiencies, consolidating into one Board would reduce the duplication of Board materials and reports covering the same topics and would avoid the need for repeated presentations by the same personnel at different meetings. The Trustees of the three Boards, including the Trustees of your Fund, have agreed that both the MFS Funds and their adviser, Massachusetts Financial Services Company (referred to as MFS), would enjoy efficiencies and potential future cost savings if the same individuals served as Trustees of all of the MFS Funds.

The Trustees who currently supervise your Fund are John W. Ballen, William R. Gutow, J. Atwood Ives, Lawrence T. Perera, William J. Poorvu, Charles W. Schmidt, Arnold D. Scott, Jeffrey L. Shames, Elaine R. Smith and David B. Stone. The Trustees who currently supervise your Fund have served in that capacity continuously since originally elected or appointed. These Trustees, other than Messrs. Schmidt and Stone who will be retiring at the end of 2001, are nominees to serve on the combined Board of the MFS Funds.

The other nominees listed on pages 2 and 3 were nominated by your Fund's Board of Trustees on June 20, 2001, subject to approval by the shareholders. These nominees do not currently serve as Trustees of your Fund, but have agreed to do so if elected by shareholders. These nominees currently serve on one other Board of the MFS Funds, and have served in that capacity continuously since originally elected or appointed.

The Board of Trustees of your Fund is currently divided into three classes, each having a term of three years. Each year the term of one class expires. The term of office of the class containing Messrs. Ives and Perera expires at this Annual Meeting of Shareholders. The terms of office of Messrs. Schmidt and Stone would have expired at the 2002 and 2003 annual meetings of shareholders, respectively, but these Trustees will be retiring at the end of 2001. In connection with the election of the new Trustees and the anticipated retirement of Messrs. Schmidt and Stone, the new Trustees will be assigned to particular classes and existing Trustees may be assigned to new classes in order to achieve a balanced number of Trustees among the classes. The proposed new class assignments are listed below. Each Trustee's term of office will expire at the

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

Annual Meeting of Shareholders noted below.

TERM EXPIRES AT 2002 ANNUAL MEETING	TERM EXPIRES AT 2003 ANNUAL MEETING	TERM EXPIRES AT 2004 ANNUAL MEETING

William R. Gutow	John W. Ballen	Lawrence H. Cohn
J. Atwood Ives	William J. Poorvu	Sir J. David Gibbons
Abby M. O'Neill	J. Dale Sherratt	Lawrence T. Perera
Jeffrey L. Shames	Ward Smith	Arnold D. Scott
	Charles W. Schmidt*	Elaine R. Smith
	David B. Stone*	

 * As noted above, these Trustees are retiring as of December 31, 2001.

If, before the election, any nominee refuses or is unable to serve, proxies will be voted for a replacement nominee designated by your current Trustees. You are being asked to elect all of the nominees listed in the table below and to re-elect your current Trustees. Aside from those Trustees who are retiring at the end of the year and Messrs. Ives and Perera (whose terms expire at this Annual Meeting of Shareholders), your current Trustees will continue to serve as Trustees of your Fund even if shareholders do not approve Item 1.

The following table presents certain information regarding the Trustees (other than Messrs. Schmidt and Stone, who will be retiring) and nominees for Trustee, including their principal occupations, which, unless specific dates are shown, are of more than five years duration, although the titles may not have been the same throughout.

(1) Directorships or trusteeships of companies required to report to the Securities and Exchange Commission (i.e., "public companies").

* "Interested person" of MFS within the meaning of the Investment Company Act of 1940 (referred to as the 1940 Act), which is the principal federal law governing investment companies like your Fund. The address of MFS is 500 Boylston Street, Boston, Massachusetts.

Each Trustee holds comparable positions with certain affiliates of MFS or with certain other funds of which MFS or a subsidiary is the investment adviser or distributor. Messrs. Ballen, Ives, Perera, and Poorvu and Ms. Smith serve as board members of 45 funds within the MFS Family of Funds. Dr. Cohn, Messrs. Gibbons, Sherratt and Smith and Ms. O'Neill serve as board members of 42 funds within the MFS Family of Funds. Mr. Gutow serves as board member of 73 funds within the MFS Family of Funds. Messrs. Scott and Shames serve as board members of 115 funds within the MFS Family of Funds.

Information about Trustee compensation, Trustee retirement plan arrangements and the executive officers of your Fund appears under "Fund Information" beginning on page 14.

Your current Board of Trustees meets regularly throughout the year to discuss matters relating to your Fund. The Board has a standing Audit Committee, currently composed of Ms. Smith and Messrs. Perera, Poorvu, and Stone, to review the internal and external accounting and auditing procedures of your Fund and, among other things, to consider the selection of independent public accountants for your Fund, to approve all significant services proposed to be performed by those accountants and to consider the possible effect of the services on the independence of those accountants. The Audit Committee consists only of Trustees who are not "interested persons" of your Fund as defined in the 1940 Act and who are independent of the Fund as defined by New York Stock Exchange Listing Standards. The Fund's Audit Committee Charter appears in Appendix A to this

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

proxy statement. The Audit Committee's report on the Fund's most recent audited financials is included in Item 5 below.

The Board has also created a Nominating Committee, composed solely of all of the current Trustees who are not "interested persons" of the Fund as defined in the 1940 Act, that is responsible for recommending qualified candidates to the Board in the event that a position is vacated or created. The Nominating Committee would consider recommendations by shareholders if a vacancy were to exist. Shareholders wishing to recommend Trustee candidates for consideration by the Nominating Committee may do so by writing the Fund's Secretary. Members of the Nominating Committee confer periodically and hold meetings as required.

Information about Board and Committee meetings held by the Fund appears under "Fund Information" beginning on page 14. Each Trustee attended at least 75% of the Board and applicable Committee meetings noted.

The Fund's declaration of trust currently provides that the Fund will indemnify its Trustees and officers against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with the Fund, unless it is finally adjudicated or, in case of a settlement, it has been determined by Trustees not involved in the matter or independent legal counsel, that they have not acted in good faith in the reasonable belief that their actions were in the best interests of the Fund or that they engaged in willful misfeasance or acted with bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

REQUIRED VOTE

Approval of this proposal as to any nominee will require the affirmative vote of a plurality of the outstanding shares of your Fund voting at the Meeting in person or by proxy.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH NOMINEE AS A TRUSTEE.

ITEM 2 -- TO AUTHORIZE THE TRUSTEES TO ADOPT AN AMENDED AND RESTATED DECLARATION OF TRUST.

The Fund is organized as a Massachusetts business trust. Under Massachusetts law, a business trust usually operates under a charter or organizational document, called a declaration of trust, that contains various provisions relating primarily to how the trust conducts business and how the trust is governed. The Fund operates under a declaration of trust.

At the Meeting, you will be asked to authorize your Trustees to adopt for your Fund the Amended and Restated Declaration of Trust appearing in Appendix B to this proxy statement (called, in this proxy statement, the Restated Declaration). The Restated Declaration amends and restates the existing declaration of trust of the Fund (called, in this proxy statement, the Existing Declaration) in its entirety. The Trustees have approved the Restated Declaration and recommend that you authorize the Trustees to adopt it. The Restated Declaration is the standard form that will be used for all MFS closed-end funds organized as Massachusetts business trusts in the future.

The Restated Declaration gives the Trustees more flexibility and, subject to applicable requirements of the 1940 Act and Massachusetts law, broader authority to act. This increased flexibility may allow the Trustees to react more quickly

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

to changes in competitive and regulatory conditions and, as a consequence, may allow the Fund to operate in a more efficient and economical manner. Adoption of the Restated Declaration will not alter in any way the Trustees' existing fiduciary obligations to act with due care and in the shareholders' interests.

You should note that your Fund's investments and investment policies will not change by virtue of the adoption of the Restated Declaration. However, certain of your Fund's investment policies will be affected by other items in this proxy statement.

The Restated Declaration makes a number of significant changes to the Existing Declaration. Certain of these changes give the Trustees greater flexibility and broader authority to act without shareholder approval. The most significant changes are summarized below. In addition to the changes described below, there are other substantive and stylistic differences between the Restated Declaration and the Existing Declaration. The following summary is qualified in its entirety by reference to the Restated Declaration itself in Appendix B. The attached Restated Declaration has been marked to show changes from the Existing Declaration.

SIGNIFICANT CHANGES

1. REORGANIZATION. The Restated Declaration permits the Trustees, without shareholder approval, to change the Fund's form of organization, reorganize all or a portion of the Fund into a newly created entity or a newly created series of an existing entity, or incorporate all or a portion of the Fund as a newly created entity. The Existing Declaration requires shareholder approval for this type of reorganization.

Under certain circumstances, it may not be in the shareholders' interests to require a shareholder meeting to permit all or a portion of the Fund to reorganize into another entity or to incorporate. For example, in order to reduce the cost and scope of state regulatory requirements or to take advantage of a more favorable tax treatment offered by another state, the Trustees may determine that it would be in the shareholders' interests to reorganize the Fund to domicile it in another state or to change its legal form. Under the Existing Declaration, the Trustees cannot effectuate such a potentially beneficial reorganization without first conducting a shareholder meeting and incurring the attendant costs and delays. The Restated Declaration gives the Trustees the flexibility to reorganize all or a portion of the Fund and achieve potential shareholder benefits without incurring the delay and potential costs of a proxy solicitation. This flexibility should help to assure that the Fund operates under the most appropriate form of organization.

The Restated Declaration requires that shareholders receive written notification of any reorganization transaction.

The Restated Declaration does not permit the Fund to merge with or sell its assets to another operating entity without first obtaining shareholder approval.

2. FUTURE AMENDMENTS. The Restated Declaration may be amended without shareholder approval in most cases. The Existing Declaration may be amended without shareholder approval only in certain limited circumstances. Under the Restated Declaration, shareholders generally retain the right to vote on any amendment affecting their voting powers, on any amendment affecting the amendment provisions of the Restated Declaration, on any amendment required by law or by the Fund's registration statement to be approved by shareholders, and on any amendment submitted to shareholders by the Trustees. By allowing amendment of the Restated Declaration without shareholder approval (except as

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

noted above), the Restated Declaration gives the Trustees the necessary authority to react quickly to future contingencies.

The Restated Declaration also permits the Trustees to adopt By-Laws concerning the conduct of business of the Fund and to amend or repeal the By-Laws at any time so long as the By-Laws are not inconsistent with the Restated Declaration.

3. INVESTMENT IN OTHER INVESTMENT COMPANIES. The Restated Declaration permits the Fund to invest in other investment companies to the extent not prohibited by the 1940 Act, and rules and regulations thereunder. Recent amendments to the 1940 Act permit investment companies to invest their assets in one or more registered investment companies so long as certain conditions are met. It is possible that there could be additional amendments to the 1940 Act in the future which affect investment companies' ability to invest in other funds. An investment structure where a fund invests all of its assets in a single investment company is sometimes referred to as a "master/feeder" structure. An investment structure where a fund invests its assets in more than one investment company is sometimes referred to as a "fund of funds" structure. Both the master/feeder and fund of funds structure attempt to achieve economies of scale and efficiencies in portfolio management by consolidating portfolio management with other investment companies, while permitting a fund to retain its own characteristics and identity.

The Restated Declaration will permit the Fund to take advantage of the recent changes in law, as well as any future changes in law or regulation on this topic. Under the Restated Declaration, the Trustees have the power to implement a master/feeder, fund of funds or other similar structure without seeking shareholder approval. If the Fund invests in other investment companies, the Fund will indirectly bear expenses, such as management fees, of those other investment companies, in addition to the Fund's own expenses. While the Trustees have no current intention of implementing a master/feeder, fund of funds or other similar structure at this time, the Trustees believe circumstances could arise in which it would be in the best interest of the Fund to do so at a future date. Shareholders of the Fund would be notified if the Trustees decide to implement such a structure for the Fund, and the Fund will not implement such a structure unless its investment restrictions permit it to do so. Item 3 below also seeks approval of changes to the Fund's investment restrictions that would permit the use of these structures.

4. TERMINATION OF THE FUND. The Restated Declaration permits the Trustees, without shareholder approval, to terminate the Fund. The Existing Declaration permits the Trustees to terminate the Fund only with shareholder approval. The Board of Trustees may determine that it is in the shareholders' best interests to terminate the Fund, for example, because the Fund is not big enough to operate on an economical basis. Shareholders of the Fund would be notified if the Trustees decide to terminate the Fund.

OTHER CHANGES

The Restated Declaration also changes the Existing Declaration as follows:

1. The Restated Declaration permits the Fund to enter into and amend advisory and subadvisory agreements without shareholder approval if permitted by applicable law.

2. The Restated Declaration explicitly allows the Trustees, with shareholder

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

approval, to effect mergers, reorganizations and similar transactions through a variety of methods, including share-for-share exchanges, transfers or sales of assets, and exchange offers.

3. The Restated Declaration provides for (i) the removal of any Trustee with or without cause at any time by the affirmative vote of two-thirds of the outstanding shares of the trust or by the vote of three-quarters of the Trustees, and (ii) the automatic retirement of Trustees in accordance with any retirement policy set by the Trustees. The Restated Declaration does not require the Trustees to provide notice to shareholders of the appointment of a new Trustee.

4. The Restated Declaration no longer requires that the number of Trustees be fixed in writing or that Trustees be appointed in writing, but permits these actions to be taken at Board meetings. The Restated Declaration also provides that the Trustees may act by a two-thirds majority (rather than unanimous) written consent. The Restated Declaration permits electronic delivery to shareholders of notices and other information, and simplifies the information delivery requirements for shareholders in the same household. These provisions are intended to simplify administration of the Fund's affairs.

5. The Restated Declaration confirms and clarifies various existing Trustee powers. For example, the Restated Declaration clarifies that, among other things, the Trustees may delegate authority to investment advisers and other agents, purchase insurance insuring Fund assets, employees, Trustees and Trustees Emeritus, and invest Fund assets in all types of investments including derivatives. The Restated Declaration also provides that the Trustees may, but are not obligated to, employ a custodian for the safekeeping of Fund assets.

6. The Restated Declaration provides that by becoming a shareholder of the Fund each shareholder shall be held expressly to have assented to and agreed to be bound by the provisions of the Restated Declaration.

7. The Restated Declaration provides that except when a larger vote is required by applicable law or by any provision of the Declaration, the By-Laws, a majority of the shares voted in person or by proxy on a matter will decide that matter and a plurality will elect a Trustee. A similar provision is contained in the Fund's By-Laws.

8. The Restated Declaration provides that rights to indemnification or insurance cannot be limited retroactively.

9. The Restated Declaration provides that shareholders may not bring suit on behalf of the Fund without first requesting that the Trustees bring such suit unless there would be irreparable injury to the Fund or if a majority of the Trustees has personal financial interest in the action. Trustees are not considered to have a personal financial interest by virtue of being compensated for their services as Trustees or as trustees of funds with the same or an affiliated investment adviser or distributor. The effect of this provision may be to discourage suits brought on behalf of the Fund by its shareholders. This provision is not intended to impair the rights of shareholders under federal law. A similar provision currently appears in the Fund's By-Laws.

10. The Restated Declaration provides that actions taken by the Trustees and officers in good faith and with reasonable care are binding on all concerned.

ADDITIONAL INFORMATION

Like the Existing Declaration, the Restated Declaration has certain

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

provisions which could have the effect of limiting the ability of other entities or persons to acquire control of the Fund, to cause it to merge with or sell its assets to another operating entity, to terminate the Fund, or to modify its structure. In addition, the Restated Declaration, like the Existing Declaration, requires the affirmative vote or consent of the holders of 66 2/3% of the Fund's shares (a greater vote than that required by the 1940 Act) to authorize the conversion of the Fund from a closed-end to an open-end investment company. The foregoing provisions will make more difficult a change in the Fund's management without the Trustees' approval, and could have the effect of depriving shareholders of an opportunity to sell their shares at a premium over prevailing market prices by discouraging a third party from seeking to obtain control of the Fund in a tender offer or similar transaction. However, the Board of Trustees has considered these provisions and believes that they are in the shareholders' best interests and benefit shareholders by providing the advantage of potentially requiring persons seeking control of the Fund to negotiate with its management regarding the price to be paid and facilitating the continuity of the Fund's management.

REQUIRED VOTE

Approval of the Restated Declaration requires the affirmative vote of 66 2/3% of the shares of the Fund outstanding and entitled to vote.

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR AUTHORIZING THE TRUSTEES TO ADOPT THE AMENDED AND RESTATED DECLARATION OF TRUST.

ITEM 3 -- TO AMEND OR REMOVE CERTAIN FUNDAMENTAL INVESTMENT POLICIES OF THE FUND.

The Fund has adopted certain investment restrictions or policies that are "fundamental," meaning that as a matter of law they cannot be changed without shareholder approval. The Fund's fundamental policies reflect certain regulatory, business or industry conditions at the time they were adopted. Changes in applicable law now permit investment companies like the Fund to revise or eliminate certain of these policies.

The Fund's Board of Trustees, together with the Fund's officers and MFS, have reviewed the Fund's current fundamental policies, and have concluded that certain policies should be eliminated or revised based on the development of new practices and changes in applicable law and to facilitate administration of the Fund. The proposed revised policies for the Fund are listed in Appendix C. At the Meeting, shareholders will be asked to approve the revised policies and to eliminate all other fundamental policies.

The revised policies maintain important investor protections while providing flexibility to respond to changing markets, new investment opportunities and future changes in applicable law. In some cases, only technical changes are being made. The Trustees believe that implementing the revised policies will facilitate MFS's management of the Fund's assets and simplify the process of monitoring compliance with investment policies. The revised policies (with variations required by the specific investment focus of a fund) will be the standard form for funds in the MFS fund complex.

THE REVISED POLICIES DO NOT AFFECT THE INVESTMENT OBJECTIVES OF THE FUND, WHICH REMAIN UNCHANGED. THE FUND WILL CONTINUE TO BE MANAGED IN ACCORDANCE WITH THE INVESTMENT POLICIES DESCRIBED IN THE PROSPECTUS AND IN ACCORDANCE WITH FEDERAL LAW. THE REVISED POLICIES WOULD GIVE THE FUND INCREASED ABILITY TO ENGAGE IN CERTAIN ACTIVITIES. THE TRUSTEES MAY CONSIDER AND ADOPT SUCH NON-FUNDAMENTAL INVESTMENT POLICIES FOR THE FUND AS THEY DETERMINE TO BE APPROPRIATE AND IN THE SHAREHOLDERS' BEST INTERESTS. THE TRUSTEES DO NOT ANTICIPATE THAT THE

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

REVISED POLICIES, INDIVIDUALLY OR IN THE AGGREGATE, WILL CHANGE TO A MATERIAL DEGREE THE LEVEL OF INVESTMENT RISK ASSOCIATED WITH AN INVESTMENT IN THE FUND.

Each investment policy proposed to be revised, eliminated or added is discussed below. Appendix C lists the fundamental policies that will apply to the Fund if shareholders of the Fund approve this proposal. Appendix D lists the Fund's current fundamental investment policies and the proposed action to be taken with respect to each policy.

A. BORROWING

It is proposed that the policy concerning borrowing be changed so that the Fund may borrow money to the fullest extent permitted by applicable law.

Currently, the Fund may borrow up to one-third of its assets or may pledge, mortgage or hypothecate its assets as a temporary measure for extraordinary or emergency purposes, for a repurchase of its shares, or for investment in accordance with its investment objective and policies.

The 1940 Act, which is the federal law that governs investment companies like the Fund, does not require that borrowings be made only for limited purposes, nor does the 1940 Act require any limit on assets pledged to secure borrowings. It is possible that the Fund's existing policies could prevent it from borrowing when it is in the best interests of shareholders to do so. The revised policy will give the Fund the maximum amount of flexibility to borrow permitted by applicable law. Currently, the 1940 Act permits investment companies like the Fund to borrow money so long as there is 300% asset coverage of the borrowings at the time of the loan. This means that at the time of the loan borrowings cannot exceed one-third of an investment company's total assets after subtracting liabilities other than the borrowings. While the statutory test currently is similar to the Fund's existing policy, the revised policy would allow the Fund to take advantage of any future changes in the statutory test.

Investment companies like the Fund generally borrow money to try to enhance returns to shareholders (this is referred to as leverage). Borrowing money creates risks and expenses for the Fund and may make the Fund's net asset value more volatile. The interest and other costs of borrowing may reduce the Fund's return. The Fund also could be forced to sell securities at inopportune times to repay loans.

B. UNDERWRITING SECURITIES

It is proposed that the policy concerning underwriting securities be changed so that the Fund may not underwrite securities issued by other persons, except that all or any portion of the assets of the Fund may be invested in one or more investment companies, to the extent not prohibited by the 1940 Act and exemptive orders granted under such Act, and except insofar as the Fund may technically be deemed an underwriter under the Securities Act of 1933, as amended, in selling a portfolio security. The revised policy also provides that the Fund is not deemed to underwrite securities by virtue of employing a master/feeder or fund of funds investment structure as permitted by applicable law. Utilizing these investment structures is discussed in Item 2 of this proxy statement (under "Significant Changes -- 3. Investment in Other Investment Companies").

Currently, the Fund is prohibited from underwriting securities issued by others except to the extent the Fund may be deemed to be an underwriter, under

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

the federal securities laws, when it sells portfolio securities.

C. ISSUANCE OF SENIOR SECURITIES

It is proposed that the policy concerning the issuance of senior securities be changed so that the Fund may issue senior securities to the fullest extent permitted by applicable law. For purposes of this restriction, collateral arrangements with respect to swaps, options, futures, forwards and initial and variation margin are not deemed to be the issuance of a senior security.

Currently, the Fund is subject to a fundamental policy that provides that it may not issue any senior securities except as permitted by the 1940 Act. Certain technical changes are being made to this policy to clarify the circumstances in which the Fund may issue senior securities, including pursuant to any exemptive relief under the 1940 Act. In addition, the revised policy clarifies and expands the types of collateral arrangements that are excluded from the restriction to include swaps and forward contracts.

D. LENDING OF MONEY OR SECURITIES

It is proposed that the policy concerning lending money be changed so that the Fund may make loans to the fullest extent permitted by applicable law.

Currently, the Fund is prohibited from lending money. The Fund may lend its securities, but not in excess of 30% of its total assets (taken at market value). Investments in commercial paper, debt securities and repurchase agreements are not treated as loans for purposes of these policies. The revised policy will permit the Fund to make loans, whether of money or securities, so long as the transactions are permitted by applicable law.

Lending securities may be a source of income to the Fund and is permitted under the 1940 Act, subject to certain limitations. As with other extensions of credit there are risks of delay in recovery or even loss of rights in the underlying securities should the borrower of the securities fail financially. However, loans would be made in accordance with procedures approved by the Trustees only to firms deemed by MFS to be of good standing, and when, in the judgment of MFS, the income from securities loans justifies the attendant risk.

It is unlikely that the Fund would lend money, except to the extent that the purchase of debt securities can be considered a loan; however, the Fund could lend money to other funds advised by MFS or one of its affiliates. The Fund would have to obtain exemptive relief from the Securities and Exchange Commission (referred to as the SEC) to make loans to other MFS-advised funds.

E. REAL ESTATE, OIL AND GAS, MINERAL INTERESTS, AND COMMODITIES

It is proposed that the policy concerning real estate, oil, gas and mineral interests, and commodities be changed so that the Fund may not purchase or sell real estate, interests in oil, gas or mineral leases, commodities or commodity contracts in the ordinary course of its business. Under this policy, the Fund will be able to invest in securities secured by real estate and securities of companies that deal in real estate, as well as options and futures and forward contracts, and the Fund also will retain the right to hold and sell real estate, mineral leases, commodities or commodity contracts acquired as a result of the ownership of securities.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

The revised policy clarifies that the restrictions relating to investments in real estate and commodities do not apply to investments in currencies, any type of option contract, futures contracts, forward contracts, and securities of companies, such as real estate investment trusts, which deal in real estate or interests therein.

F. INDUSTRY CONCENTRATION

It is proposed that the policy concerning concentration in a particular industry be changed so that the Fund may not purchase securities of an issuer of a particular industry if as a result 25% or more of the Fund's total assets (taken at market value at the time of purchase) would be invested in securities of issuers whose principal business activities are in the same industry, except that the Fund may invest up to 40% of the value of its assets in each of the electric utility and telephone industries.

This revised policy is similar to the Fund's existing concentration policy, except that the revised policy clarifies that the calculation of concentration is made with respect to the Fund's total assets taken at market value at the time of purchase of the security in question. The revised policy also removes the restriction that the Fund may not invest more than 25% of its total assets in either of the electric utility and telephone industries unless yields available for four consecutive weeks in the four highest rating categories on new issue bonds in such industry (issue size of \$50 million or more) have averaged in excess of 105% of yields of new issue longer term industrial bonds similarly rated (issue size of \$50 million or more). If the Fund concentrates in the electric utility and telephone industries, its investment performance would be closely tied to the performance of companies in these industries. Companies in a single industry often are faced with the same obstacles, issues and regulatory burdens, and their securities may react similarly and more in unison to these or other market conditions. Accordingly, the Fund could be riskier than funds with more broadly diversified portfolios.

G. PURCHASING SECURITIES ON MARGIN -- REMOVAL OF POLICY

The Fund has a fundamental policy that prevents the Fund from purchasing any security on margin. Margin transactions generally involve the purchase of securities with money borrowed from a broker, with cash or securities being used as collateral for the loan. MFS has recommended the elimination of this policy on margin transactions to provide the Fund with the maximum amount of flexibility permitted by applicable law, and any future changes in law, on this topic. Accordingly, it is proposed that this policy be deleted in its entirety.

H. SHORT SALES -- REMOVAL OF POLICY

Currently, the Fund is prohibited from making short sales of securities, except that the Fund may make short sales "against the box" (short sales where the Fund owns or has the right to acquire at no added cost securities identical to those sold short) subject to the limitation that not more than 10% of the Fund's net assets (taken at market value) is held as collateral for such sales at any one time. The 1940 Act prohibits investment companies from making short sales of securities except in accordance with SEC rules and regulations. The SEC has not adopted any rules or regulations relating to short sales, except that the staff of the SEC regards a short sale as a form of leverage and has taken positions with respect to the use of leveraging transactions. Accordingly, the Fund's investment policy is more restrictive than applicable law. The Fund is proposing to delete this policy in its entirety in order to have the maximum amount of flexibility permitted by applicable law, and any future changes in law, on this topic.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

In a typical short sale the Fund borrows securities from a broker that it anticipates will decline in value in order to sell to a third party. The Fund becomes obligated to return securities of the same issue and quantity at some future date, and it realizes a profit or loss depending upon whether the market price of the security decreases or increases between the date of the short sale and the date on which the Fund must replace the borrowed security. Because the value of a particular security can increase without limit, the Fund could potentially realize losses with respect to short sales that are not "against the box" that could be significantly greater than the value of the securities at the time they are sold short, and such losses could also be unlimited.

I. INVESTMENTS IN A SINGLE ISSUER - REMOVAL OF POLICY

Currently, the Fund is prohibited from purchasing the securities of any issuer if, as a result, the Fund would hold more than 10% of the voting securities of the issuer.

Although the Fund is non-diversified, the Fund must meet certain diversification requirements under the Internal Revenue Code in order to qualify for beneficial tax treatment as a regulated investment company. These diversification requirements provide in part that as to 50% of the fund's assets, investments in any one issuer cannot exceed 5% of the fund's assets and the fund cannot hold more than 10% of the issuer's outstanding voting securities at the end of each quarter. The Fund intends to qualify as a regulated investment company for tax purposes.

The Fund's current diversification policies are more restrictive than required for the Fund to qualify as a regulated investment company. The Trustees believe that it is unnecessary to have fundamental policies that are more restrictive than what the Internal Revenue Code requires. Accordingly, the Fund proposes to delete this investment policy.

To the extent that the Fund invests its assets in a small number of issuers, the Fund is more susceptible to any single economic, political or regulatory event affecting those issuers.

REQUIRED VOTE

Approval of this Item will require the affirmative vote of the holders of a "majority of the outstanding voting securities" of the Fund.

THE BOARD OF TRUSTEES HAS CONCLUDED THAT THE PROPOSAL TO AMEND OR REMOVE THE FUNDAMENTAL INVESTMENT POLICIES OF THE FUND WILL BENEFIT THE FUND AND ITS SHAREHOLDERS. THE TRUSTEES UNANIMOUSLY RECOMMEND VOTING FOR THE PROPOSAL.

ITEM 4 -- TO APPROVE A NEW INVESTMENT ADVISORY AGREEMENT WITH MASSACHUSETTS FINANCIAL SERVICES COMPANY.

At the Meeting, you will be asked to approve a new Investment Advisory Agreement between your Fund and MFS. The investment management fee payable by your Fund will not increase or decrease if shareholders of your Fund approve the new Investment Advisory Agreement.

Currently, each fund in the MFS Family of Funds, including your Fund, has a separate Investment Advisory Agreement with MFS. These Investment Advisory Agreements were entered into at various times over the past several decades, and

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

their provisions differ. MFS has recommended that the provisions of all of the Investment Advisory Agreements be standardized and modernized. MFS believes that the standardization and modernization of the Investment Advisory Agreements will simplify the administration of the Fund and other funds in the MFS Family of Funds.

The discussion below describes the principal differences between the current and proposed Investment Advisory Agreement (referred to as the Current Agreement and the New Agreement) and provides additional information about MFS and about the Board's review of the New Agreement. The New Agreement will be the standard form for all U.S. registered funds in the MFS fund complex.

The information provided herein is intended to be a summary of the material changes between the Current Agreement and the New Agreement. This summary is qualified in its entirety by reference to the comparison of the Current Agreement and the New Agreement in Appendix E. In particular, please refer to Appendix E for additional information about other technical changes that were made to the New Agreement.

A. CURRENT AGREEMENT

MFS has served as the investment adviser for the Fund since the commencement of the Fund's operations. The Current Agreement, dated February 25, 1987, was last approved by the Fund's sole shareholder on that date in connection with the Fund's commencement of operations.

Under the Current Agreement, MFS provides the Fund with overall investment advisory services. Subject to such policies as the Trustees may determine, MFS makes investment decisions for the Fund. For these services and facilities, MFS receives an annual management fee, computed and paid monthly in an amount equal to the sum of 0.34% of the average daily net assets of the Fund and 5.4% of the daily gross income (i.e., income other than gains from the sale of securities, short-term gains from options and futures transactions and premium income from options written). For the fiscal year ended October 31, 2000, MFS received \$5,141,826 from the Fund as compensation under the Current Agreement.

MFS pays the compensation of the Fund's officers and of any Trustee who is an officer of MFS. MFS also furnishes at its own expense all necessary administrative services, including office space, equipment, clerical personnel, investment advisory facilities and all executive and supervisory personnel necessary for managing the Fund's investments and effecting its portfolio transactions. The Fund pays the compensation of its Trustees who are not officers of MFS and all expenses of the Fund (other than those assumed by MFS). More detailed information about the expenses paid by the Fund is discussed under "Changes Proposed in the New Agreement" below.

B. CHANGES PROPOSED IN THE NEW AGREEMENT

1. Advice regarding Other Instruments

The Current Agreement provides that MFS will continuously furnish an investment program for the Fund and determine from time to time what securities will be purchased, sold or exchanged and what portion of the assets of the Fund will be held uninvested. The New Agreement provides that MFS will determine what securities or other instruments will be purchased, sold or exchanged for the Fund. The change clarifies that MFS may provide advice as to certain investments, such as some derivative contracts, that may not be considered securities. Certain other references to "securities" have been changed to "securities or other instruments" throughout the New Agreement. This change is

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

not intended to change the type of investments in which the Fund may invest. The Fund's investments are governed by its registration statement.

2. Proxy Voting

The New Agreement clarifies that MFS will exercise voting rights, rights to consent to corporate actions and any other rights pertaining to the Fund's portfolio securities in accordance with policies and procedures that MFS presents to the Trustees from time to time. The Current Agreement provides that MFS may make recommendations as to the manner in which rights relating to portfolio securities are exercised. This provision in the New Agreement more closely reflects MFS's current practice with respect to the exercise of rights pertaining to the Fund's portfolio securities.

3. Brokerage Transactions

The Current Agreement provides that in connection with the selection of brokers and dealers and the placing of orders, MFS is directed to seek for the Fund execution of transactions at the best available price.

The New Agreement provides that, in connection with the selection of brokers or dealers and the placing of orders, MFS is directed to seek for the Fund the best overall price and execution available from responsible brokerage firms, taking into account all factors it deems relevant, including by way of illustration: price; the size of the transaction; the nature of the market for the security; the amount of the commission; the timing and impact of the transaction taking into account market prices and trends; the reputation, experience and financial stability of the broker or dealer involved; and the quality of services rendered by the broker or dealer in other transactions. This provision clarifies that MFS may consider factors other than just price when seeking to obtain best execution for the Fund's transactions. Under the policies of the SEC, MFS considers the full range and quality of a broker's services in placing brokerage orders in order to fulfill its duty to obtain best execution for the Fund's transactions.

The New Agreement provides that MFS may cause the Fund to pay a broker or dealer a higher commission than another broker or dealer might have charged for effecting that transaction, if MFS determines, in good faith, that the higher commission was reasonable in relation to the value of brokerage and research services provided by the broker or dealer. The value of these brokerage and research services may be viewed in terms of either the Fund's particular transactions or MFS's overall responsibilities with respect to the Fund and MFS's other clients. The Fund's Current Agreement provides that subject to the requirement of seeking the best available price, securities may be bought from or sold to broker dealers who have furnished statistical, research and other information or services to MFS.

The New Agreement also provides that, subject to seeking the best price and execution as described above, and in accordance with applicable rules and regulations, MFS may consider sales of shares of the Fund or of other MFS funds or accounts as a factor in the selection of brokers and dealers.

The additional provisions in the New Agreement are not intended to change the current practice of MFS as to its consideration of brokerage and research services and sales of Fund shares in the selection of brokers and dealers.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

4. Expenses

The Current Agreement provides that the Fund will pay all of its own expenses. The Current Agreement contains a list of typical Fund expenses. This list of expenses has been amended to include expenses of soliciting proxies; organizational and start up costs; and such non-recurring or extraordinary expenses as may arise, including those relating to actions, suits or proceedings to which the Fund is a party or otherwise may have an exposure and the legal obligation which the Fund may have to indemnify the Trustees and officers with respect thereto. This amendment is being proposed in order to provide a standardized list of Fund expenses within the MFS Family of Funds.

The New Agreement provides that if MFS pays or assumes any expenses of the Fund, MFS is not obligated by the New Agreement to pay or assume the same or similar expenses of the Fund on any subsequent occasion.

These amendments are designed to clarify the types of expenses which the Fund may bear.

5. Certain Recordkeeping Services by MFS

The New Agreement adds a provision that MFS must maintain certain records in a form acceptable to the Fund and in compliance with the rules and regulations of the SEC. MFS currently maintains such records, even without the express obligation to do so.

6. Sub-Advisory Agreements

The New Agreement provides that MFS may from time to time enter into investment sub-advisory agreements with respect to the Fund with one or more investment advisers with such terms and conditions as MFS may determine, provided that such investment sub-advisory agreements have been approved in accordance with the provisions of applicable law. Under applicable law, any new investment sub-advisory agreement generally must be submitted to shareholders for approval, subject to limited exceptions. It is not currently intended that MFS enter into an investment sub-advisory agreement with respect to the Fund, but MFS has in the past engaged investment sub-advisers with respect to other MFS funds and may seek to engage sub-advisers for the Fund in the future.

7. Other Agreements with MFS

The New Agreement adds a provision that the Fund may enter into such other agreements covering the provision of administrative and other additional services to the Fund as the Trustees may deem appropriate, and that such an agreement will not expand, reduce or otherwise alter the services which MFS is required to provide, or the compensation which MFS is due, under the Agreement. These other agreements may be with MFS, an affiliate of MFS or a third party.

These amendments are not intended to change the services MFS is required to provide, or change the fees paid to MFS.

8. Other Clients of MFS

The Current Agreement for the Fund provides that the services of MFS to the

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

Fund are not exclusive, and that MFS is free to render investment and/or other services to others. The New Agreement adds an express acknowledgment by the Fund that it is possible that certain funds or accounts managed by MFS or its affiliates may at times take investment positions or engage in investment techniques which are contrary to positions taken or techniques engaged in on behalf of the Fund, but that MFS will at all times endeavor to treat all of its clients in a fair and equitable manner.

Under the New Agreement, the Fund acknowledges that whenever the Fund and one or more other funds or accounts advised by MFS have money available for investment, investments suitable for each will be allocated in a manner believed by MFS to be fair and equitable to each entity. Similarly, opportunities to sell investments will be allocated in a manner believed by MFS to be fair and equitable to each client. In some instances, this may adversely affect the size of the position that may be acquired or disposed of for the Fund.

9. Other Provisions

The New Agreement adds certain other technical, legal provisions which are standard for investment advisory contracts in the investment company industry, including provisions concerning the Fund's ability to use the acronym "MFS" and related trade or service marks in its name.

The Fund has entered into certain other agreements with MFS or its affiliates for administrative and shareholder services. The approval of the New Agreement will not affect the services provided by MFS or its affiliates under these agreements.

MFS provides the Fund with certain financial, legal, compliance, shareholder communications and other administrative services pursuant to a Master Administrative Services Agreement. Under this Agreement, the Fund pays MFS an administrative fee of up to 0.0175% on the first \$2.0 billion; 0.0130% on the next \$2.5 billion; 0.0005% on the next \$2.5 billion; and 0.0% on amounts in excess of \$7.0 billion, per annum of the Fund's average daily net assets. This fee reimburses MFS for a portion of the costs it incurs to provide such services. For the fiscal year ended October 31, 2000, MFS received \$86,796 from the Fund for its services to the Fund under the Master Administrative Services Agreement.

Pursuant to the Registrar, Transfer Agency and Service Agreement between the Fund and MFS Service Center, Inc. (MFSC), a wholly-owned subsidiary of MFS, MFSC acts as the Fund's registrar and transfer agent as well as dividend disbursing agent and agent in connection with the Fund's Dividend Reinvestment and Cash Purchase Plan. For account maintenance, the Fund currently pays MFSC a fee based on the total number of accounts for all closed-end funds advised by MFS for which MFSC acts as registrar and transfer agent. If the total number of accounts is less than 75,000, the annual account fee is \$9.00 per account. If the total number of accounts is 75,000 or more, the annual account fee is \$8.00 per account. For dividend services, MFSC charges \$0.75 per dividend reinvestment and \$0.75 per cash infusion. If the total amount of fees related to dividend services is less than \$1,000 per month for all closed-end funds advised by MFS for which MFSC acts as registrar and transfer agent, the minimum fee for the Fund for these services will be \$167 per month. In addition, MFSC is reimbursed by the Fund for certain expenses incurred by MFSC on behalf of the Fund. For the fiscal year ended October 31, 2000, MFSC received \$243,173 from the Fund for its services to the Fund under the Registrar, Transfer Agency and Service Agreement.

D. ACTIONS AND RECOMMENDATIONS OF THE BOARD OF TRUSTEES

At meetings of the Board of Trustees on April 10, June 12 and July 18, 2001, the Board considered the standardization and modernization of the advisory agreements of the Fund. The Board reviewed materials comparing the Current and New Agreement and providing information about the potential benefits and costs to shareholders of the adoption of the New Agreement. Among other things, the Board of Trustees considered that the management fees under the Current

Agreement will not change under the New Agreement. The Board also considered the potential efficiencies from the proposed standardization and modernization of the Current Agreement's provisions. Based on this review, the Trustees, including the Independent Trustees, approved the terms of the New Agreement and submission of the New Agreement for the consideration of the shareholders of the Fund.

If the New Agreement is approved, it will continue for an initial two-year term. Thereafter, the New Agreement will continue as to the Fund from year to year if that continuation is approved in accordance with applicable law.

REQUIRED VOTE

Approval of this Item will require the affirmative vote of the holders of a "majority of the outstanding voting securities" of the Fund.

YOUR TRUSTEES HAVE CONCLUDED THAT THE NEW ADVISORY AGREEMENT WITH MFS WILL BENEFIT YOUR FUND AND ITS SHAREHOLDERS. THE TRUSTEES UNANIMOUSLY RECOMMEND VOTING FOR THE PROPOSAL.

ITEM 5 -- TO RATIFY THE SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS.

At the Meeting, you will be asked to ratify the selection of accountants for your Fund. The Trustees, including a majority of the Trustees who are not "interested persons" (within the meaning of the 1940 Act) of the Fund, have selected Ernst & Young LLP (referred to as Ernst & Young) as independent public accountants for the Fund for its next fiscal year. It is intended that proxies not limited to the contrary will be voted in favor of ratifying that selection. No change to the Fund's accountants is being proposed.

Ernst & Young has no direct or material indirect interest in the Fund. Representatives of Ernst & Young are not expected to be present at the Meeting.

Audit Committee Report. The Audit Committee of the Board of Trustees issued the following report concerning the financial statements for the Fund's most recent fiscal year.

The Audit Committee reviewed and discussed the audited financial statements with Fund management. The Audit Committee also discussed with Ernst & Young the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards). The Audit Committee received the written disclosures and the letter from Ernst & Young required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and discussed with Ernst & Young its independence.

Based on this review and these discussions, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's annual report to shareholders for the fiscal year ended October 31, 2000 for filing with the Securities and Exchange Commission.

The Audit Committee of the Fund considered whether the provision of information technology services and of non-audit services by Ernst & Young is compatible with the maintenance of that firm's independence.

Elaine R. Smith	\$15,000	\$7,350	\$144,160

- (1) During the fiscal year ended October 31, 2000, Messrs. Ives and Smith deferred \$15,000 of compensation pursuant to the deferred compensation plan.
- (2) For calendar year 2000. All Trustees receiving compensation from the Fund served as Trustee of 48 funds within the MFS Family of Funds having aggregate net assets at December 31, 2000 of approximately \$63.3 billion.

The Fund currently has a retirement plan for non-interested Trustees and Trustees who are not officers of the trust. Under this plan, Trustees must retire upon reaching a specified age and thereafter are entitled to annual payments during their lifetime of up to 50% of their average annual compensation (based on the three years prior to retirement) depending on length of service. Trustees must have served as Trustees for at least five years to be entitled to these payments. A Trustee may also retire prior to the specified retirement age and receive reduced payments if he or she has completed at least 5 years of service. Under the plan, a Trustee (or his or her beneficiaries) will also receive benefits for a period of time in the event the Trustee is disabled or dies. These benefits will also be based on the Trustee's average annual compensation and length of service. The Fund will accrue its allocable portion of compensation expenses under the retirement plan each year to cover the current year's service and amortize past service cost.

The Trustees will terminate the Fund's retirement plan effective December 31, 2001 with respect to those Trustees listed in the table above, subject to shareholder approval of Item 1 relating to the consolidation of the Board of Trustees. The Trustees are considering whether adjustments should be made to the fees they receive from the Fund in consideration for the loss of future benefit accruals under the retirement plans. Upon termination of the plan, an amount equivalent to the present value of each applicable Trustee's accrued benefits thereunder through the date of termination would be calculated. The Trustees would defer receipt of these accrued benefits under a new deferred compensation plan, under which the value of the benefits would be periodically adjusted as though an equivalent amount had been invested in shares of the Fund. The deferred compensation would be paid to the Trustees upon retirement or thereafter.

The Trustees also have adopted a deferred compensation plan for disinterested Trustees of the Fund that enables these Trustees to elect to defer all or a portion of the annual fees they are entitled to receive from the Fund until a payment date elected by the Trustee (or the Trustee's termination of services). Under the plan, the compensation deferred by Trustees is periodically adjusted as though an equivalent amount had been invested in shares of one or more funds in the MFS Family of Funds designated by the Trustee. The amount paid to the Trustee on the payment date will be determined based on the performance of the selected funds. To the extent permitted by the 1940 Act, the Fund may invest in shares of these other selected MFS Funds in order to match the deferred compensation obligation. Deferral of fees in accordance with the plan will not materially affect the Fund's assets, liabilities or net income per share. The plan does not obligate the Fund to retain the services of any Trustee or pay any particular level of compensation to any Trustee. The plan is not funded and the Fund's obligation to pay the Trustees' deferred compensation is a general unsecured obligation.

MANNER OF VOTING PROXIES

All proxies received by management will be voted on all matters presented at the Meeting, and if not limited to the contrary, will be voted "for" the matters listed in the accompanying Notice of Annual Meeting of Shareholders and "for" any other matters deemed appropriate. The presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote is required to constitute a quorum at the Meeting for purposes of voting on Items 1 through 5.

For the purposes of determining the presence of a quorum, abstentions and broker "non-votes" (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular matter with respect to which brokers or nominees do not have discretionary power) will be treated as shares that are present but which have not been voted. Abstentions and broker "non-votes" will not constitute a vote "for" or "against" a matter and will be disregarded in determining the "votes cast" on an issue. Abstentions and broker "non-votes" will have the same effect as a vote "against" Items 2, 3 and 4, and will have no effect on Items 1 or 5.

Edgar Filing: MFS MULTIMARKET INCOME TRUST - Form DEF 14A

The Fund has engaged the services of Georgeson Shareholder Communications Inc. to assist in the solicitation of proxies for the Fund. The costs of the proxy solicitation are estimated to be \$76,363.75 and will be borne by the Fund. The Fund will reimburse the record holders of its shares for their expenses incurred in sending proxy material to and obtaining voting instructions from beneficial owners.

The Fund knows of no other matters to be brought before the Meeting. If, however, because of any unexpected occurrence, any other matters properly come before the Meeting, it is the Fund's intention that proxies not limited to the contrary will be voted in accordance with the judgment of the persons named in the enclosed form of proxy.

SUBMISSION OF PROPOSALS

Proposals of shareholders which are intended to be presented at the 2002 Annual Meeting of Shareholders must be received by the Fund on or prior to April 29, 2002.

SECTION 16(a) -- BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires trustees, directors and certain directors and certain officers of the Fund and MFS, and persons who own more than 10% of the Fund's shares, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange. Such persons are required by SEC regulation to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on review of the copies of Forms 3, 4, and 5 and amendments thereto furnished to the Fund with respect to its most recent fiscal year, or written representations that no Forms 5 were required, the Fund believes that, during the fiscal year ended October 31, 2000, all Section 16(a) filing requirements applicable to Trustees, directors and certain officers of the Fund and MFS and greater than ten percent beneficial owners were complied with.

ADDITIONAL INFORMATION

In the event that sufficient votes in favor of the proposals set forth in the Notice of Annual Meeting are not received by October 12, 2001, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the session of the Meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of any such adjournment those proxies required to be voted in favor of the proposal for which further solicitation of proxies is made. They will vote against any such adjournment those proxies required to be voted against such proposal. The Meeting may be adjourned as to one or more items. The costs of any additional solicitation and of any adjournment session will be borne by the Fund.

IT IS IMPORTANT THAT PROXIES BE RETURNED PROMPTLY.

APPENDIX A

AUDIT COMMITTEE CHARTER

This Audit Committee Charter (Charter) has been adopted by the Board of Trustees (the Board) of funds listed on Exhibit 1 hereto (each a Fund). The Audit Committee of the Board (the Committee) shall review and reassess this charter annually and recommend any proposed changes to the Board for approval.

The Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Fund. It may also have such other duties as may from time to time be assigned to it by the Board. The membership of the Committee shall consist of at least three Trustees, who are each free of any relationship that, in the opinion of the Board, may interfere with such member's individual exercise of independent judgment. Each Committee member shall be a non-"interested" Trustee, as such term is defined in Section 2(a)(19) of the Investment Company Act of 1940, and also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related financial management expertise, all as set forth in the applicable rules of the New York Stock Exchange. In discharging its oversight role, the Committee shall have the power to conduct or authorize investigations into any matters within its scope of responsibilities and shall be empowered to retain, at the expense of the Fund, independent counsel, accountants, or others to assist it in the conduct of any investigation. Costs incurred by the Committee in performing its function under this charter shall be borne by the Fund.

Although the Committee may wish to consider other duties from time to time, the general recurring activities of the Committee in carrying out its oversight role are described below. The Committee shall be responsible for:

- o Recommending to the Board the independent auditors to be retained (or nominated for shareholder approval) to audit the financial statements of the Fund. Such auditors are ultimately accountable to the Board and the Committee, as representatives of the shareholders.
- o Evaluating the performance of the independent auditors and, where appropriate, recommending to the Board the replacement of such auditors.
- o Obtaining annually from the independent auditors a formal written statement required by Independence Standards Board (ISB) Standard No. 1, as may be modified or supplemented, and discussing with the auditors their independence, including information furnished by the auditors detailing all significant relationships (including non-audit and/or consulting relationships) the auditors have with the Fund and its investment adviser and affiliates of such investment adviser and shall consider the compatibility of nonaudit services with the auditor's independence. The Committee will recommend that the Board of Trustees take appropriate action on any disclosed relationships that may reasonably be thought to bear on the independence of the auditors as required by the Securities Acts administered by the Securities and Exchange Commission.

The Committee's job is one of oversight. Management is responsible for the preparation of the Fund's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee and the Board recognize that management and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Fund's accounting, auditing, internal control and financial reporting practices than the Committee does; accordingly the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by the Fund to its shareholders and others or any professional certification as to the independent auditors' work.

In connection with any issuance of Shares, the Trustees may issue fractional Shares. The Trustees may from time to time divide or combine the Shares into a greater or lesser number without thereby changing their proportionate beneficial interests in Trust [[Property]]. Contributions to the Trust may be accepted for whole Shares and/or 1/1,000ths of a Share or integral multiples thereof.

Section 6.5. Register of Shares. A register [[or registers]] shall be kept at the principal office of the Trust or at an office of the Transfer Agent which shall contain the names and addresses [[(which may be addresses for electronic delivery)]] of the Shareholders and the number of Shares held by them respectively and a record of all transfers thereof. No Shareholder shall be entitled to receive payment of any dividend or distribution, nor to have notice given to [him as] [[that Shareholder as provided]] herein or in the By-Laws [provided], until [he] [[the Shareholder]] has given his [[or her]] address to the Transfer Agent or such other officer or agent of the Trustees as shall keep the said register for entry thereon. Upon such delivery the transfer shall be recorded on the register of the Trust. Until such record is made, the Shareholder of record shall be deemed to be the holder of such Shares for all purposes hereunder and neither the Trustees nor any Transfer Agent or [register] [[registrar]] nor any officer, employee or agent of the Trust shall be affected by any notice of the proposed transfer.

Any [person] [[Person]] becoming entitled to any Shares in consequence of the death, bankruptcy, or incompetence of any Shareholder, or otherwise by operation of law, shall be recorded on the register of Shares as the holder of such Shares upon production of the proper evidence thereof to the Trustees or the Transfer Agent; but until such record is made, the Shareholder of record shall be deemed to be the holder of such Shares for all purposes hereunder and neither the Trustees nor any Transfer Agent or registrar nor any officer or agent of the Trust shall be affected by any notice of such death, bankruptcy or incompetence, or other operation of law.

Section 6.7. Notices. Any and all notices to which any Shareholder may be entitled and any and all communications shall be deemed duly served or given [[(i)] if mailed, postage prepaid, addressed to any Shareholder of record at [his] [[the Shareholder's]] last known address as recorded on the register of the Trust[[, (ii) if sent by electronic transmission to the Shareholder of record at the Shareholder's last known address for electronic delivery as recorded on the register of the Trust, (iii) if mailed or sent by electronic delivery to one or more members of the Shareholder's household in accordance with applicable law or regulation, or (iv) if otherwise sent in accordance with applicable law or regulation]].

[Each whole Share shall be entitled to one vote as to any matter on which it] [[A Shareholder shall be entitled to one vote for each Share owned by such Shareholder on each matter on which such Shareholder]] is entitled to vote and each fractional Share shall be entitled to a proportionate fractional vote[, except that][[.]] Shares held in the treasury of the Trust shall not be voted.

[[Except when a larger vote is required by applicable law or by any provision of the Declaration or the By-Laws, if any, Shares representing a majority of the Shares voted in person or by proxy shall decide any questions and a plurality shall elect a Trustee, provided that abstentions and broker non-votes shall not be counted as votes cast but shall be counted as being present for purposes of determining the existence of a quorum.]]

There shall be no cumulative voting in the election of Trustees. Until Shares are issued [[and during any period when no Shares are outstanding]], the Trustees may exercise all rights of Shareholders and may take any action required by law, the Declaration or the By-Laws to be taken by Shareholders. The By-Laws may include further provisions for [Shareholders'] [[Shareholder]] votes and meetings and related matters.

WITNESSETH:

WHEREAS, the [Trust] [{"Fund"}] is engaged in business as [a closed-end] [{"an}] investment company registered under the Investment Company Act of 1940; and

WHEREAS, the Adviser is willing to provide [business management] services to the [Trust (the "Fund")] [{"Fund"}] on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the parties hereto as herein set forth, the parties covenant and agree as follows:

[[ARTICLE]] 1. DUTIES OF THE ADVISER. [(a)] The Adviser shall provide the Fund with such investment advice and supervision as the latter may from time to time consider necessary for the proper supervision of its [funds] [{"assets"}]. The Adviser shall act as [Adviser] [{"investment adviser}] to the Fund and as such shall furnish continuously an investment program and shall determine from time to time what securities [{"or other instruments}] shall be purchased, sold or exchanged and what portion of the assets of the Fund shall be held uninvested, subject always to the restrictions of [its] [{"the Fund's Amended and Restated}] Declaration of Trust, dated [January 9, 1987] [{"_____}], and By-Laws, [as] each [may be] [{"as}] amended from time to time (respectively, the "Declaration" and the "By-Laws"), to the provisions of the Investment Company Act of 1940 and the Rules, Regulations and orders thereunder and to the Fund's then[-]current Prospectus [{"and Statement of Additional Information}]. The Adviser [{"also}] shall [also make recommendations as to the manner in which] [{"exercise}] voting rights, rights to consent to corporate [action] [{"actions}] and any other rights pertaining to the Fund's portfolio securities [shall be exercised] [{"in accordance with the Adviser's policies and procedures as presented to the Trustees of the Fund from time to time}]. Should the Trustees at any time, however, make any definite determination as to the investment policy and notify the Adviser thereof in writing, the Adviser shall be bound by such determination for the period, if any, specified in such notice or until similarly notified that such determination [has been] [{"shall be}] revoked.

[[b)]] The Adviser shall take, on behalf of the Fund, all actions which it deems necessary to implement the investment policies determined as provided above, and in particular to place all orders for the purchase or sale of portfolio securities [[or other instruments]] for the Fund's account with brokers or dealers selected by it, and to that end[[,]] the Adviser is authorized as [[the]] agent of the Fund to give instructions to the Custodian of the Fund as to [[the]] deliveries of securities [[or other instruments]] and payments of cash for the account of the Fund. In connection with the selection of such brokers or dealers and the placing of such orders, the Adviser is directed to seek for the Fund[execution at the best available price. Subject to this requirement of seeking the best available price, securities may be bought from or sold to broker dealers who have furnished statistical, research and other information or services to the Adviser.] [[the best overall price and execution available from responsible brokerage firms, taking account of all factors it deems relevant, including by way of illustration: price; the size of the transaction; the nature of the market for the security; the amount of the commission; the timing and impact of the transaction taking into account market prices and trends; the reputation, experience and financial stability of the broker or dealer involved; and the quality of services rendered by the broker or dealer in other transactions. In fulfilling this requirement, the Adviser shall not be deemed to have acted unlawfully or to have breached any duty, created by this Agreement or otherwise, solely by reason of its having caused the Fund to pay a broker or dealer an amount of commission for effecting a securities transaction in excess of the amount of commission another broker or dealer would have charged for effecting that transaction, if the Adviser determined in good faith that such amount of commission was reasonable in relation to the value of the brokerage and research services provided by such broker or dealer, viewed in terms of either that particular transaction or the Adviser's overall responsibilities with respect to the Fund and to other clients of the Adviser as to which the Adviser exercises investment discretion. Subject to seeking the best price and execution as described above, and in accordance with applicable rules and regulations, the Adviser also is authorized to consider sales of shares of the Fund or of other funds or accounts of the Adviser as a factor in the selection of brokers and dealers.]]

[[c)]] The Adviser may from time to time enter into sub-investment advisory agreements with respect to the Fund with one or more investment advisers with such terms and conditions as the Adviser may determine, provided that such sub-investment advisory agreements have been approved in accordance with applicable provisions of the Investment Company Act of 1940 and any rules, regulations or orders of the Securities and Exchange Commission thereunder. Subject to the provisions of Article 6, the Adviser shall not be liable for any error of judgment or mistake of law by any sub-adviser or for any loss arising out of any investment made by any sub-adviser or for any act or omission in the execution and management of the Fund by any sub-adviser.]]

[[ARTICLE 2.]] ALLOCATION OF CHARGES AND EXPENSES. [[a)]] The Adviser shall furnish at its own expense investment advisory and administrative services, office space, equipment and clerical personnel necessary for servicing the investments of the Fund and maintaining its organization, and investment advisory facilities and executive and supervisory personnel for managing the investments[,] [[and]] effecting the portfolio transactions of the Fund. The Adviser shall arrange, if desired by the Fund, for directors, officers and employees of the Adviser to serve as Trustees, officers or agents of the Fund if duly elected or appointed to such positions and subject to their individual consent and to any limitations imposed by law.

(b) It is understood that the Fund will pay all of its own expenses

[[incurred in its operations and in the offering of the Fund's shares, unless specifically provided otherwise in this Agreement, or except to the extent that the Adviser agrees in a written instrument executed by the Adviser (specifically referring to this Article 2(b)) to assume or otherwise pay for specified expenses of the Fund,]] including, without limitation[,][[:]] compensation of Trustees [not "]"["not"] affiliated" with the Adviser; governmental fees; interest charges; taxes; membership dues in the Investment Company Institute allocable to the Fund; fees and expenses of independent auditors, of legal counsel[,],] and of any transfer agent, registrar or dividend disbursing agent of the Fund; expenses of [[repurchasing and redeeming shares and]] servicing shareholder accounts; expenses of preparing, printing and mailing [share] [[stock]] certificates, shareholder reports, notices, proxy statements and reports to governmental officers and commissions; brokerage and other expenses connected with the execution, recording and settlement of portfolio security transactions; insurance premiums; fees and expenses [at] [[of]] the custodian for all services to the Fund, including safekeeping of funds and securities [;] and maintaining required books and accounts; expenses of calculating the net asset value of shares of the Fund; [expenses of shareholder meetings,] [[organizational and start up costs; such non-recurring or extraordinary expenses as may arise, including those relating to actions, suits or proceedings to which the Fund is a party or otherwise may have an exposure, and the legal obligation which the Fund may have to indemnify the Fund's Trustees and officers with respect thereto;]] and expenses relating to the issuance, registration and qualification of shares of the [Trust] [[Fund]] and the preparation, printing and mailing of prospectuses for such purposes (except to the extent that any Distribution Agreement to which the Fund is a party provides that another party is to pay some or all of such expenses).

[[(c) The payment or assumption by the Adviser of any expenses of the Fund that the Adviser is not obligated by this Agreement or otherwise to pay or assume shall not obligate the Adviser to pay or assume the same or any similar expenses of the Fund on any subsequent occasion.]]

[[ARTICLE]] 3. COMPENSATION OF THE ADVISER. For the services to be rendered and the facilities [to be] provided, the [Trust] [[Fund]] shall pay to the Adviser [out of the assets of the Fund] an investment advisory fee computed and paid monthly in an amount equal to the sum of 0.34% of the Fund's average daily net assets plus 5.4% of the Fund's gross income (i.e., income other than gains from the sale of securities, short-term gains from options and futures transactions and premium income from options written), in each case on an annual basis for the Fund's then-current fiscal year. If the Adviser shall serve for less than the whole of any period specified in this Article 3, the compensation [[paid]] to the Adviser will be prorated.

[[ARTICLE 4. ADDITIONAL SERVICES.]] Should the Fund have occasion to request the Adviser or its affiliates to perform administrative or other additional services not herein contemplated or to request the Adviser or its affiliates to arrange for the services of others, the Adviser or its affiliates will act for the Fund upon request to the best of its ability, with compensation for the services to be agreed upon with respect to each such occasion as it arises. No such agreement for additional services shall expand, reduce or otherwise alter the obligations of the Adviser, or the compensation that the Adviser is due, under this Agreement.

[[ARTICLE 5]] [4]. COVENANTS OF THE ADVISER. The Adviser agrees that it will not deal with itself, or with the Trustees of the Fund or the [Fund principal underwriter] [[Fund's distributor]], if any, as principals in making purchases or sales of securities or other property for the account of the Fund, except as permitted by the Investment Company Act of 1940 and [the Rules, Regulations or Orders] [[any rules, regulations or orders of the Securities and Exchange Commission]] thereunder, will not take a long or short position in the

[5]

[[ARTICLE]] 6. LIMITATION OF LIABILITY OF THE ADVISER. The Adviser shall not be liable for any error of judgment or mistake of law or for any loss arising out of any investment or for any act or omission in the execution and management of the Fund, except for willful misfeasance, bad faith [or][[,]] gross negligence [in the performance of its duties,] or [by reason of] reckless disregard of its duties and obligations hereunder. As used in this [Section 5] [[Article 6]], the term "Adviser" shall include directors, officers and employees of the Adviser as well as [the] [[that]] corporation itself.

The Fund agrees that if the Adviser shall for any reason no longer serve as Adviser to the Fund, the Fund will change its name so as to delete the initials "MFS".] [[Fund further acknowledges that it is possible that, based on their investment objectives and policies, certain funds or accounts managed by the Adviser or its affiliates may at times take investment positions or engage in investment techniques which are contrary to positions taken or techniques engaged in on behalf of the Fund. Notwithstanding the foregoing, the Adviser will at all times endeavor to treat all of its clients in a fair and equitable manner.]]

[[(b) The Fund acknowledges that whenever the Fund and one or more other funds or accounts advised by the Adviser have available monies for investment, investments suitable and appropriate for each shall be allocated in a manner believed by the Adviser to be fair and equitable to each entity. Similarly, opportunities to sell securities or other investments shall be allocated in a manner believed by the Adviser to be fair and equitable to each entity. The Fund acknowledges that in some instances this may adversely affect the size of the position that may be acquired or disposed of for the Fund.]]

[[(c)]] It is understood that [[the]] Trustees, officers and shareholders of the Fund are or may be or become interested in the Adviser, as directors, officers, employees, or otherwise and that [directors, officers and employees, or otherwise and that]directors, officers and employees of the Adviser are or may [be or] become similarly interested in the Fund, and that the Adviser may be or become interested in the Fund as a shareholder or otherwise.

[[ARTICLE 8. MFS NAME. The Fund acknowledges that the names "Massachusetts Financial Services," "MFS" or any derivatives thereof or logos associated with those names (collectively, the "MFS Marks") are the valuable property of the Adviser and its affiliates. The Adviser grants the Fund a non- exclusive and non-transferable right and sub-license to use the MFS Marks only so long as the Adviser serves as investment adviser to the Fund. The Fund agrees that if the Adviser for any reason no longer serves as investment adviser to the Fund, and the Adviser so requests, the Fund promptly shall cease to use the MFS Marks and

This Agreement shall automatically terminate in the event of its "assignment".

[[(c)] This Agreement may be amended only if such amendment [[is in writing signed by or on behalf of the Fund and the Adviser and]] is approved by "vote of a majority of the outstanding voting securities" of the Fund [[(if such shareholder approval is required by the Investment Company Act of 1940).]]

[[ARTICLE 12. RECORD KEEPING. The Adviser will maintain records in a form acceptable to the Fund and in compliance with the rules and regulations of the Securities and Exchange Commission, including but not limited to records required to be maintained by Section 31(a) of the Investment Company Act of 1940 and the rules thereunder, which at all times will be the property of the Fund and will be available for inspection and use by the Fund.]]
