EXPLANATORY NOTE

The Walt Disney Company (“Disney”) is filing this Amendment No. 1 on Form 8-K/A, which amends the Company’s Form 8-K filed on December 14, 2017 (the “Initial Form 8-K”), solely for the purpose of correcting a typographical error contained in the EDGARized version of the Agreement and Plan of Merger (the “Merger Agreement”), dated December 13, 2017, by and among Disney, TWC Merger Enterprises 2 Corp., a Delaware corporation and wholly owned subsidiary of Disney, TWC Merger Enterprises 1, LLC, a Delaware limited liability company and wholly owned subsidiary of Disney, and Twenty-First Century Fox (“21CF”) that was filed as Exhibit 2.1 to the Initial Form 8-K.

The definition of “Exchange Ratio” in Section 2.02 of the EDGARized version of the Merger Agreement filed as Exhibit 2.1 to the Initial Form 8-K incorrectly provided that the Exchange Ratio is “an amount equal to the Base Exchange Ratio plus the quotient (which may be positive or negative, and shall be rounded to four decimal places) obtained by dividing (x) the Equity Adjustment Amount by (y) \$190,857,018.174.” The correct dollar figure contained in the definition of “Exchange Ratio” in the Merger Agreement executed by the parties is \$190,857,018,174.

Exhibit 2.1 to the Initial Form 8-K should be disregarded.

The summary of the Merger Agreement contained in the Initial Form 8-K is qualified in its entirety by the full text of the Merger Agreement attached hereto as Exhibit 2.1 and the Merger Agreement attached hereto as Exhibit 2.1 is hereby incorporated by reference therein.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Disney, 21CF or their respective subsidiaries or affiliates. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Disney’s public disclosures.

with respect to the treatment of the transaction under U.S. and Australian tax laws), including a legal opinion on the tax-free treatment of the transaction to 21CF's stockholders, (iv) the risk that the anticipated tax treatment of the transaction is not obtained, (v) an increase or decrease in the anticipated transaction taxes (including due to any changes to tax legislation and its impact on tax rates (and the timing of the effectiveness of any such changes)) to be paid in connection with the Separation prior to the closing of the transactions could cause an adjustment to the exchange ratio, (vi) potential litigation relating to the proposed transaction that could be instituted against 21CF, Disney or their respective directors, (vii) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the transactions, (viii) risks associated with third party contracts containing consent and/or other provisions that may be triggered by the proposed transaction, (ix) negative effects of the announcement or the consummation of the transaction on the market price of Disney's common stock, (x) risks relating to the value of the Disney shares to be issued in the transaction and uncertainty as to the long-term value of Disney's common stock, (xi) the potential impact of unforeseen liabilities, future capital expenditures, revenues, expenses, earnings, synergies, economic performance, indebtedness, financial condition and losses on the future prospects, business and management strategies for the management, expansion and growth of Disney's operations after the consummation of the transaction and on the other conditions to the completion of the merger, (xii) the risks and costs associated with, and the ability of Disney to, integrate the businesses successfully and to achieve anticipated synergies, (xiii) the risk that disruptions from the proposed transaction will harm 21CF's or Disney's business, including current plans and operations, (xiv) the ability of 21CF or Disney to retain and hire key personnel, (xv) adverse legal and regulatory developments or determinations or adverse changes in, or interpretations of, U.S., Australian or other foreign laws, rules or regulations, including tax laws, rules and regulations, that could delay or prevent completion of the proposed transactions or cause the terms of the proposed transactions to be modified, (xvi) as well as management's response to any of the aforementioned factors.

These risks, as well as other risks associated with the proposed transactions, will be more fully discussed in the joint proxy statement/prospectus that will be included in the registration statement on Form S-4 that will be filed with the SEC in connection with the proposed transactions, as well as in the registration statement filed with respect to SpinCo. While the list of factors presented here is, and the list of factors to be presented in the registration statement on Form S-4 and the registration statement of SpinCo are, considered representative, no such list should be considered to be a complete statement of all potential risks and uncertainties.
