ITEM 5. Other Events.

On September 25, 2002, the Court in Cybershop's domain name lawsuit against Stamps.com changed part of its summary judgment order. The Court had previously ordered that all twelve of Cybershop's claims, and all three of Stamps.com's counterclaims be dismissed. The Court's new order allows Cybershop to maintain one of its claims, for quiet title, and allows Stamps.com to maintain its counterclaims for declaratory judgment and betterments and improvements. The Judge also set a pre-trial hearing for December 6, 2002.

For further information about the lawsuit, please refer to Stamps.com's quarterly report on Form 10-Q for the fiscal quarter ended June 30, 2002. That description is incorporated in this document by reference, subject to the additional information provided above.
