- SALE TO INCLUDE 2.964 MILLION UNITS AT \$10.00 FOR GROSS PROCEEDS OF \$29.64 MILLION.
- TOTAL GROSS PROCEEDS TO MDC FROM INITIAL PUBLIC OFFERING AND SECONDARY OFFERING TO TOTAL \$208.1 MILLION.

TORONTO - July 18, 2003 - MDC Corporation Inc. ("MDC") of Toronto announced today that it has agreed to sell an additional 2.964 million units of Custom Direct Income Fund ("Fund") for gross proceeds of \$29.64 million. The sale will be completed by way of a private placement, which will be fully underwritten by a syndicate of underwriters. The private placement is scheduled to close on July 29, 2003.

The proceeds from the private placement, together with amounts received in connection with the initial public offering of the Fund, will result in MDC having realized gross cash proceeds of approximately \$208.1 million (before commissions and expenses) from the sale of its 80% interest in Custom Direct including the term loan portion of Custom Direct's credit facility.

Following the closing of the private placement, MDC will continue to own a 20% subordinated interest in the business (which it has agreed not to sell until after December 21, 2003) exchangeable into approximately 3.9 million units of the Fund.

Proceeds received by MDC from this offering will be used for general corporate purposes.

MDC CORPORATION INC. AND MAXXCOM INC.
ANNOUNCE COMPLETION OF PLAN OF ARRANGEMENT

TORONTO, ONTARIO - JULY 31, 2003 - MDC Corporation Inc. of Toronto ("MDC") and Maxxcom Inc. ("Maxxcom") today announced the completion of the previously-announced acquisition by MDC of all of the issued and outstanding common shares of Maxxcom not already owned by MDC by way of a court-approved Plan of Arrangement.

The Arrangement was approved by more than 99% of the shareholders of Maxxcom that voted on the Arrangement at yesterday's annual and special meeting of Maxxcom shareholders. The Arrangement also received final approval today by the Ontario Superior Court of Justice.

Pursuant to the Arrangement, Maxxcom shareholders (other than MDC) received 1 MDC Class A subordinate voting share ("Class A Share") for every 5.25 Maxxcom common shares they owned, resulting in the issuance by MDC of approximately 2.47 million Class A Shares to such shareholders. After giving effect to the acquisition, MDC has approximately 18.94 million Class A Shares issued and outstanding.

"We are delighted with the overwhelming support received for the transaction, which substantially completes the restructuring of MDC we began almost two years ago." said Miles S. Nadal, Chairman and CEO of MDC. "MDC has returned to its grass roots. We are once again a pure play in marketing communications but with greater strength and potential. With a strong balance sheet and upside potential in our non-core assets, we now have the ability to drive value organically and complement our growth with strategic acquisitions." added Nadal.

MDC owned approximately 36.1 million Maxxcom common shares or approximately 74% of the approximately 49.1 million outstanding Maxxcom common shares prior to giving effect to the Arrangement. Miles S. Nadal, who is presumed to be acting jointly or in concert with MDC, owned 17,634 common shares of Maxxcom.

MDC CORPORATION INC. ANNOUNCES FINANCIAL RESULTS FOR THE SECOND QUARTER
ENDED JUNE 30, 2003

Edgar Filing: MDC CORP INC - Form 6-K

TORONTO, ONTARIO (JULY 31, 2003) - MDC Corporation Inc. ("MDC") of Toronto today announced its financial results for the second quarter and six months ended June 30, 2003. Consolidated sales for the second quarter were \$187.0 million (US\$134.8 million), a decrease of 15% (7% in US\$) from the \$221.0 million (US\$144.2 million) achieved in the second quarter of 2002. Operating income before other charges declined 41% (35% in US\$) to \$8.2 million (US\$6.0 million) from the \$13.9 million (US\$9.2 million) reported for the same three-month period of the prior year. Net income for the quarter ended June 30, 2003 was \$12.2 million (US\$8.6 million) compared to \$128.3 million (US\$82.0 million) in 2002. Diluted earnings per share for the second quarter of 2003 was \$0.53 (US\$0.36) compared to \$5.43 (US\$3.86) last year. Diluted cashflow per share was \$0.13 (US\$0.09) this quarter versus \$0.25 (US\$0.16) in the second quarter of the previous year.

"To date in 2003, we have made significant progress towards our goal of transitioning to an organization focussed on the marketing and communications industry," said Miles S. Nadal, Chairman, President and Chief Executive Officer.

Maxxcom generated revenues of \$142.8 million (US\$103.0 million), a decrease of \$3.5 million (an increase of US\$8.0 million) from the \$146.3 million (US\$95.0 million) recorded in the second quarter of 2002. However, operating income before other charges increased by \$2.2 million or 42% (US\$2.0 million or 56%) to \$7.5 million (US\$5.4 million) from the \$5.3 million (US\$3.4 million) generated in the same quarter in the prior year. This improvement was primarily the result of a 3.7% increase in gross margin combined with flat operating expenses.

"Maxxcom has capitalized on increased activity in the marketplace with significant new business wins, including Virgin Atlantic Airways, JC Penny, Sam's Club Canada and Xerox, while maintaining an efficient operating cost structure," said Mr. Nadal. "During the quarter, the strengthening Canadian dollar has partially offset the operating income improvement at Maxxcom. To assist in understanding the effect, we have included U.S. dollar equivalent results."

The Secure Transactions Division reported sales of \$42.2 million (US\$30.5 million) for the second quarter, down 39% (34% in US\$) from the \$69.6 million (US\$45.9 million) achieved in the same quarter of 2002. Operating income before other charges was \$1.9 million (US\$1.5 million), down from \$10.6 million (US\$7.0 million) in the 2002 second quarter. Excluding divested operations, sales decreased \$5.3 million or 21% (US\$1.9 million or 12%) and operating income decreased \$2.6 million (US\$1.7 million) primarily as a result of reduced revenues in all of the Secure Transactions operations.

During the quarter, MDC successfully completed an initial public offering ("IPO") of its U.S.-based, direct-to-consumer cheque business, through Custom Direct Income Fund (the "Fund"). Subsequent to June 30, additional units of the Fund were sold by way of a fully underwritten private placement. The proceeds from the private placement, together with amounts received in connection with the IPO of the Fund, resulted in gross cash proceeds of approximately \$208.1 million (US\$149.3 million) (before commissions and expenses) from the sale of an 80% interest in Custom Direct including the term loan portion of Custom Direct's credit facility. MDC will continue to own a 20% subordinated interest in the business (which it has agreed not to sell until after December 31, 2003) exchangeable into units of the Fund.

"The crystallization of the significant value created in Custom Direct has

allowed MDC to further strengthen its balance sheet. Consistent with our plan to sell our non-core businesses in order to repay our existing debt, US\$89.5 million of the cash proceeds generated by the IPO were used to redeem all of the outstanding 10 1/2% Senior Subordinated Notes due December 1, 2006," said Peter Lewis, Executive Vice-President and Chief Financial Officer.

On July 30th, the minority shareholders of Maxxcom approved a plan of arrangement whereby MDC will issue one Class A Subordinate voting share for every 5.25 Maxxcom Inc. shares it does not already own. MDC will issue approximately 2.48 million Class A Subordinate voting shares. Upon completion Maxxcom will be a wholly-owned subsidiary of MDC.

"We are excited by the financial flexibility and improved liquidity that has resulted from the privatization of Maxxcom and the sale of 80% of Custom Direct. We believe that MDC is now well-positioned to capitalize on the tremendous opportunities presenting themselves in the marketing services sector which is anticipated to create significant additional value for our shareholders," said Mr. Nadal. "We have now completed approximately 75% of the transformation of MDC to a pure play in marketing services. We

believe that over the next eighteen months we will complete the process and enjoy the benefits of a significant recovery in the marketing service sector commencing in 2004."
