Item 1.02. Termination of a Material Definitive Agreement.

Pursuant to its previously announced plans, on December 26, 2012, Terex Corporation (“Terex” or the “Company”) repaid the remaining \$119.9 million principal amount outstanding of its 8% Senior Subordinated Notes due 2017 (the “Notes”). The total cash paid to redeem the Notes was \$125.8 million and included a call premium of 4.00% as set forth in the indenture for the Notes, plus accrued and unpaid interest of \$9.111 per \$1,000 principal amount at the redemption date. HSBC Bank USA, National Association (“HSBC”), trustee under the indenture for the Notes, acted as the paying agent for the Company in connection with this redemption. The Company utilized cash on hand, including proceeds from its issuance in November 2012 of its 6% Senior Notes due 2021 for the redemption of the Notes. As previously disclosed, on November 26, 2012 approximately \$680 million in aggregate principal amount of the Notes were validly tendered and accepted for purchase by the Company.

As a result of the redemption, the related supplemental indenture dated as of November 13, 2007 by and among Terex, the subsidiary guarantors named therein and HSBC as trustee, terminated automatically as of December 26, 2012.

HSBC may, from time to time, be a party to other agreements with the Company and its subsidiaries, including the provision of commercial banking, investment banking, trustee and/or other financial services in the ordinary course of business of the Company and its subsidiaries.

Terex issued a press release on December 26, 2012, announcing that it has completed the foregoing redemption of the Notes. A copy of this press release is included as Exhibit 99.1 to this Form 8-K and is incorporated herein by reference.
