To Be Held April 22, 2004

INTRODUCTION

The Annual Meeting of Shareholders of Bairnco Corporation will be held on Thursday, April 22, 2004, at Bairnco's corporate headquarters, 300 Primera Boulevard, Suite 432, Lake Mary, Florida at 9:00 a.m., local time, for the purposes set forth in the accompanying notice. This Proxy Statement is furnished in connection with the solicitation by Bairnco's Board of Directors of proxies to be voted at such meeting and at any and all adjournments thereof. Proxies properly executed, duly returned and not revoked will be voted at the Annual Meeting (including adjournments) in accordance with the specifications therein.

If a proxy in the accompanying form is executed and returned, it nevertheless may be revoked at any time prior to the exercise thereof by executing and returning a proxy bearing a later date, by giving notice of revocation to the Secretary of Bairnco, or by attending the Annual Meeting and voting in person. On the matters coming before the meeting as to which a choice has been specified by a shareholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is so specified, the shares will be voted for the nominees listed in this Proxy Statement and in favor of the ratification of auditors. Abstentions (including broker non-votes) will be counted for quorum purposes, but will have no affect on the outcome of the voting.

Only shareholders of record at the close of business on March 15, 2004, are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on such date there were 7,476,605 shares of common stock of Bairnco ("Bairnco Common Stock") outstanding. Each such share will be entitled to one vote on each matter submitted to shareholders.

The Proxy Statement and accompanying form of proxy are first being sent to shareholders on or about March 17, 2004. Bairnco's Annual Report to shareholders accompanies this Proxy Statement.

PROPOSAL 1. ELECTION OF DIRECTORS

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

regular meetings, special meetings and committee meetings held on a single day and attended in person are limited to \$1,500. No fees are paid for meetings conducted via telephone. It is also the company's policy to grant to each

-4-

non-employee director an option to purchase 5,000 shares of Bairnco stock when they are initially elected to the Board and 1,000 shares of Bairnco stock annually thereafter provided they remain a Board member. The exercise price of the option is set at the fair market value of the common stock on the date of grant. One third of the options vest in each of the succeeding three years on the anniversary date of the grant. The options remain exercisable for ten years from the date of vesting.

In addition, each director and former director of Bairnco, who is not at the time an employee of Bairnco or any of its subsidiaries, is entitled to \$1,500 per day when called upon by Bairnco to perform extraordinary services (not incidental to attendance at directors' meetings) on its behalf. No such payments were made during 2003.

Effective January 1, 2003, the Board of Directors authorized an annual retainer of \$3,000 for each Audit Committee member and \$6,000 for the Audit Committee Chairman, payable in four quarterly installments, in recognition of the increased education, time and workload commitment placed upon the committee as a result of the Sarbanes-Oxley Act, and changes in New York Stock Exchange regulations and Securities and Exchange Commission requirements.

Such amount shall be payable in quarterly installments. If the retired non-employee director should die prior to receiving payments equal to the number of years served on the Board, the director's estate will have the choice of either continuing to receive the remaining payments on a quarterly basis, or receiving in a lump sum, the net present value of the remaining payments discounted at the then current thirty year U.S. Government bond yield.

Each member of the Corporate Governance and Nominating Committee is, or upon his election or appointment to the Corporate Governance and Nominating Committee will be, "independent" within the meaning of the currently effective New York Stock Exchange rules. Under the Corporate Governance and Nominating Committee Charter, the Corporate Governance and Nominating Committee is responsible for recommending to the Board of Directors the appropriate size and composition of the Board of Directors, the appropriate criteria for the selection of new directors, identifying and recommending candidates qualified and suitable to become members of the Board of Directors, overseeing the system of corporate governance, and developing and recommending corporate governance principles, which will be reviewed on an annual basis. The Corporate Governance and Nominating Committee has not established any minimum qualification for

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

candidates for election as directors. In identifying and evaluating candidates for election as directors, the Corporate Governance and Nominating Committee will identify and select candidates who can add value to the Company's Board of

-6-

Directors and advance the interests of the Company. The Corporate Governance and Nominating Committee will not consider recommendations from shareholders; the Board of Directors believes the Committee has sufficient resources and contacts to fulfill its obligations. Neither the Board of Directors nor the Corporate Governance and Nominating Committee employ any third party to identify or assist it in identifying or evaluating potential candidates for election as directors but may choose to do so in the future as circumstances warrant.

- (1) The amounts in the table reflect the market value on the date of award of restricted shares of Common Stock ("Restricted Stock") (based on the \$5.10 per share closing price of the Common Stock on April 24, 2003). Total number and value of shares of Restricted Stock held as of December 31, 2003 (based on \$6.09 per share closing price of the Common Stock on December 31, 2003) for each Named Executive officer are: Luke E. Fichthorn III - 42,000 shares/\$255,780; Larry D. Smith - 17,000 shares/\$103,350; and Lawrence C. Maingot - 12,000 shares/\$73,080. Restricted Stock is contingent upon five continuous years of employment, with "cliff" vesting of all shares upon the fifth anniversary of the date of the award. All shares are forfeited in the

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

-10-

event of termination of employment prior to the five years, for other than retirement, death or disability. Restricted Stock holders receive voting power and payment of dividends related to the shares during the vesting period.

Stock Options

The following table sets forth information concerning the grant of stock options during 2003 to Luke E. Fichthorn III. No stock options were granted to the other Named Executives during 2003.

Name	Number of Securities Underlying Options Granted (#) (1)	Percentage of Total Options Granted to Employees in 2003	Exercise or Base Price (\$/share)	Expiration Date	Potential Assumed Price Appreciation 5%
Luke E. Fichthorn III	16,666		\$5.05	2/3/14	\$59,78
	16,666		\$5.05	2/3/15	\$66,98
	16,667		\$5.05	2/3/16	\$74,53
Total	50,000	56%			

(1) The exercise price of the stock options is equal to 100% of the fair market value of the Common Stock on the date of grant (February 3, 2003). The stock options vest in increments of one-third of the total grant on each of the first, second and third anniversaries of the grant date. Accordingly, one-third of the options (16,666) become exercisable on February 3, 2004, one-third of the options (16,666) become exercisable on February 3, 2005, and one-third (16,667) become exercisable on February 3, 2006. The stock options remain exercisable for ten years from the first date they become exercisable. Accordingly, one-third of the options (16,666) expire on February 3, 2014, one-third of the options (16,666) expire on February 3, 2015, and one-third of the options (16,667) expire on February 3, 2016.

(2) The option values presented were calculated based on a per-share price of \$5.05 on the date of the grant as assumed 5% and 10% annualized rates of appreciation for the term of the award. The actual value, if any, which an individual may realize upon exercise will depend on the excess of the market price of the Common Stock over the option exercise price on the date the option is exercised. There is no assurance that the actual value realized by an individual upon the exercise of an option will be at or near the value estimated under the model described above.

The following table sets forth information for each Named Executive with regard to the value of stock options held as of December 31, 2003.

AGGREGATED OPTION EXERCISES IN 2003 AND 2003 YEAR END OPTION VALUE

Shares	Number of Securities	Value

Lawrence C. Maingot	-0-	-0-	3,750	1,125	\$ 1,500

(1) Value is determined by multiplying the number of unexercised in-the-money options by the difference between the stock price on December 31, 2003 and the option grant price.

Bairnco Retirement Plan

Bairnco maintains the Bairnco Corporation Retirement Plan (the "Bairnco Plan"), a non-contributory defined benefit pension plan, in which all salaried employees and certain hourly employees of Bairnco and its U.S. subsidiaries, Kasco Corporation and Arlon, Inc., participate.

Remuneration covered by the Bairnco Plan in a particular year includes that year's base salary, overtime pay, commissions, stock purchase plan payments, other incentive compensation and amounts that are deferred under a 401(k) plan that is at any time maintained by Bairnco, but excludes, among other items, compensation received in that year under the Management Incentive Compensation Plan in excess of 50% of the participant's basic pay rate as of the December 31 preceding the date of payment. The 2003 remuneration covered by the Bairnco Plan for each participant therefore includes management incentive compensation (up to such 50% ceiling) paid during 2003 in respect of 2002 awards.

The following table presents information regarding estimated annual benefits payable in the form of a straight life annuity upon retirement to persons in specified remuneration and years of service classifications:

In accordance with IRS regulation, the maximum allowable compensation permitted in computing a benefit is \$200,000 for 2003. However, employees will receive the greater of the benefit outlined above or the accrued benefit as of December 31, 1993 which was based on compensation in excess of \$200,000 plus a benefit based on service after December 31, 1993 and final average compensation based on the \$200,000 limit.

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

For each of the following, the credited years of service under the Bairnco Plan as of December 31, 2003, and the remuneration received during 2003 covered by the Retirement Plan, were, respectively, as follows: Mr. Fichthorn, 14 years and \$200,000; Mr. Smith, 5 years and \$200,000; Mr. Maingot, 12 years and \$151,733.

In addition, Bairnco sponsors a non-qualified retirement plan such that retirement benefits as determined under the Bairnco Plan are supplemented to provide an aggregate pension benefit based on adjusted dates of hire and remuneration. Pursuant to his employment agreement, this non-qualified retirement plan provides Mr. Fichthorn an estimated annual benefit of \$39,603 payable upon normal retirement date, based upon 25 projected years of credited service, and 2003 covered remuneration of \$200,000.

Executive Contracts

Employment Agreement with Mr. Fichthorn

On May 23, 1990, Bairnco entered into an agreement with Mr. Fichthorn, Chairman of Bairnco, under which Mr. Fichthorn became an employee. The initial term of the agreement was for four years, but the agreement generally automatically renews so that at no time will the term of the agreement be less than four years. Under the agreement, Mr. Fichthorn presently receives a base salary of \$433,600 and is entitled to participate in the Bairnco Headquarters management incentive compensation plan, where he is entitled to receive 25% of an annual pool that is generated at the rate of \$15,000 for each \$.01 per share of net income of Bairnco and its consolidated subsidiaries as reported to shareholders in excess of \$.30 per share after reflecting the management incentive compensation annual pool as a cost in arriving at pre-tax income.

In accordance with the agreement, Mr. Fichthorn received, on the date when he became an employee of Bairnco, stock options for 350,000 shares of Bairnco Common Stock at an exercise price equal to the book value of a share of stock determined on the last day of the month in which he became an employee (\$5.94 per share). One hundred thousand of the option shares became exercisable on the first anniversary of the date of grant and were exercised during 2001. Of the remaining 250,000 shares, 83,333 shares became exercisable on January 28, 1993 for earnings of \$.70 per share for the calendar year 1992 and expired in 2003 without being exercised; an additional 83,333 shares became exercisable on January 26, 1996 for earnings at \$.75 per share for the calendar year 1995; and the remaining 83,334 became exercisable on May 31, 2000, the tenth anniversary of the date of grant.

All options remain exercisable for ten years from the first date they become exercisable. Except in the case of a voluntary termination or a termination for cause, as defined in the agreement, exercisable options will generally remain exercisable for three years following termination. The exercisability of all of the options granted to Mr. Fichthorn generally will accelerate in the event of a change of control. Each option share is to be accompanied by a limited stock appreciation right that will become exercisable for six months following a change of control. Upon exercise of such right, Mr. Fichthorn will receive the excess of the fair market value per share (or, if greater, \$10 per share) over the exercise price per share for the underlying option. In the event that the payments received by Mr. Fichthorn with respect to his options and under any other provision of the agreement by reason of a change of control are subject to the excise tax on excess parachute payments, Bairnco will pay Mr. Fichthorn such amounts as are necessary to place him in the same position as he would have been in if no excise tax had been payable.

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

Mr. Fichthorn will also receive a special retirement supplement that is intended to provide him a retirement benefit comparable to what he would have received under the Bairnco Plan (described above) if his combined past service as a director of Bairnco's former subsidiary, Keene Corporation, and Bairnco (25 years) were treated as years of service under that plan. The supplemental, non-qualified benefit (as described above) is fully vested.

The Agreement provides that if Mr. Fichthorn dies while an employee, his surviving spouse or estate will receive a death benefit equal to three times the sum of (i) his base salary, and (ii) the highest bonus paid to him during the prior three years or the current year. If Mr. Fichthorn's employment terminates due to disability, he will receive 75% of his base salary for two years and 55% of such salary thereafter until the disability ends or his supplemental retirement benefits commence.

-13-

If Bairnco terminates Mr. Fichthorn's employment without cause or breaches the agreement in a material fashion leading Mr. Fichthorn to terminate his employment, Bairnco will pay Mr. Fichthorn a lump sum benefit equal to the sum of (i) four times his then base salary, and (ii) the highest bonus paid or payable to him during the prior three years or the current year. Regardless of the reason for his termination, Bairnco will also provide Mr. Fichthorn and his spouse with medical, health and hospitalization benefits following his termination until he attains age 65 (or, in the event of his death, until his spouse attains age 65).

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee consisted of the following members during all of 2003: Messrs. Gerald DeGood, Charles Foley, James Wolf, and William Yelverton.

BOARD COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Compensation Philosophy

The executive compensation program of the Company has been designed to motivate, reward, attract and retain the management deemed essential to ensure the success of the Company. The program seeks to align executive compensation with Company objectives, business strategy and financial performance. In applying these principles, the Compensation Committee seeks to:

- o Reward executives for long-term strategic management and the enhancement of stockholder value;
- o Support an environment that rewards performance with respect to Company goals, as well as Company performance relative to industry competitors;
- o Integrate compensation programs with the short and long-term strategic plans of the Company;
- o Attract and retain key executives critical to the long-term success of the Company; and
- o Align the interests of executives with the long-term interests of stockholders through award opportunities that can result in ownership of Common Stock.

Compensation Program Components

The compensation programs of the Company for its executive officers

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

and key employees are generally administered by or under the direction of the Committee and are reviewed on an annual basis to ensure that remuneration levels and benefits are competitive and reasonable using the guidelines described above. The particular elements of the compensation programs for such persons are set forth in more detail below.

Base Salary - Base salary levels are primarily determined by the Committee at levels the Committee deems necessary or appropriate to attract the level of competence needed for the position. Base salary levels are reviewed annually based on individual performance, industry conditions and market considerations. The Committee believes that base salary levels for the Company's executive officers and key employees are competitive within a range that the Committee considers to be reasonable and necessary.

-14-

Performance Bonus - The Company provides incentive compensation to its executive officers and key employees in the form of annual cash bonuses relating to financial and operational achievements during the prior year through the Company's Management Incentive Compensation (MIC) Program. The amount and form of such bonuses are determined by the Committee based primarily upon the analysis of the individual's job performance and the specific accomplishments of the individual during the preceding calendar year. In the case of corporate administrative and financial officers, incentive compensation decisions are made primarily on the basis of the assistance and performance of the officer in implementing corporate objectives within the scope of his or her responsibilities. In the case of operational officers, incentive compensation decisions are made primarily on the basis of operational results of the business operations for which the officer is responsible. Although the achievement of certain financial objectives as measured by a business segment's earnings are considered in determining incentive compensation, other subjective and less quantifiable criteria are also considered. In this regard, the Committee takes into account specific achievements that are expected to affect future earnings and results or that had an identifiable impact on the prior year's results.

Stock Incentive Plan - The Company also provides long-term incentive compensation to its executive officers and key employees through stock options and restricted shares. The 2000 Bairnco Stock Incentive Plan (the "Stock Incentive Plan") was approved by shareholders at the 2000 Annual Meeting of Shareholders. As originally established, the Stock Incentive Plan provided for stock option awards. In April 2003, the Board of directors amended the Stock Incentive Plan to add a restricted stock award program. The restricted stock award program permits the committee to grant to an employee an award consisting of shares of Bairnco stock that are subject to specified forfeiture and transfer restrictions. Upon the lapse of these restrictions, the restricted stock award becomes vested. Generally, a restricted stock award under the Stock Incentive Plan becomes vested if the recipient remains employed until the fifth anniversary of the date of the award. The restricted stock award recipient receives dividends and voting rights during the vesting period. Under the terms of the Stock Incentive Plan, the Committee has complete discretion in determining eligibility for participation and the number of stock options or restricted stock shares, if any, to be granted to a participant. Stock option and restricted stock awards may be made from the shares of Bairnco Common Stock originally approved by the shareholders for issuance under the Stock Incentive Plan. The Committee has established

Edgar Filing: BAIRNCO CORP /DE/ - Form DEF 14A

and follows guidelines with respect to the granting of options and restricted stock awards under the Stock Incentive Plan to employees. The use of these instruments is intended to provide incentives to the Company's executive officers and key employees to work toward the long-term growth of the Company by providing them with a benefit that will increase only to the extent the value of the Common Stock increases. Options and restricted shares are not granted by the Committee as a matter of course as part of the regular compensation of any executive or key employee. The decision to grant options or restricted shares is based on the perceived incentive that the grant will provide and the benefits that the grant may have on long-term stockholder value. The determination of the number of shares granted is based on the level and contribution of the employee. Consideration is also given to the anticipated contribution of the business operations for which the optionee has responsibility to overall stockholder value.

Compensation Earned by the Chief Executive Officer

In considering the Chairman's base salary, the Committee reviewed Bairnco's general financial performance and the progress in improving operating performance. The Committee also reviewed the Chairman's base salary against recent salary surveys. This information showed Mr. Fichthorn's salary to be in the average range for industrial companies the size of Bairnco. The Committee also considered the time period elapsed from Mr. Fichthorn's date of last increase in May 2002. On May 1, 2003, he received a salary increase of 2.5% resulting in a current salary for Mr. Fichthorn of \$433,600. In accordance with his contract, Mr. Fichthorn is eligible for 25% of an MIC pool generated by a formula in his contract. However, since 2001, Mr. Fichthorn has voluntarily waived this portion of his contract on a year-to-year basis and has agreed to participate in the MIC pool that covers Bairnco's officers. In 2003, Mr. Fichthorn elected not to receive a bonus even though he earned one under the Bairnco MIC program.

162 (m) Disclosure

Based on current levels of compensation, no executive officer is expected to receive compensation for 2004 services that would be non-deductible under Section 162 (m) of the Internal Revenue Code. Accordingly, the Compensation Committee has not considered any revisions to its policies and programs in response to this provision of law.

Respectfully submitted,
The Compensation Committee

Committee are independent of management and the Company in accordance with the Company's Standards of Board Independence which are based on the requirements of the New York Stock Exchange, the Securities and Exchange Act of 1934 and rules and regulations of the Securities and Exchange Commission.

During 2003, the Audit Committee met five times, and the Committee chair, as representative of the Audit Committee, discussed the interim financial information contained in each quarterly earnings announcement with the Corporate Controller and independent auditors prior to the filing of the Company's Form 10-Q.

The Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Company that might bear on the auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees", and discussed with the auditors any relationships that might affect their objectivity and independence.

The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the quarterly and annual financial statements. The Audit Committee also discussed the results of the internal audit examinations with the Corporation's internal audit department.

The Committee reviewed the audited financial statements of the Company for the fiscal year ended December 31, 2003, with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements, and the independent auditors express an opinion on those financial statements based on their audit.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2003, for filing with the Securities and Exchange Commission. The Committee also recommended the reappointment, subject to shareholder approval, of Ernst & Young LLP as independent auditors, and the Board concurred in such recommendation.
