Isle of Capri Casinos, Inc., together with its subsidiaries, is referred to herein as the "Company," "we," "us" or "our," unless the context indicates otherwise.

QUESTIONS AND ANSWERS

When is the Special Meeting?

The Board of Directors of Isle of Capri Casinos, Inc., a Delaware corporation, seeks your proxy for use in voting at our Special Meeting or at any postponements or adjournments of the Special Meeting. Our Board of Directors is soliciting proxies beginning on or about February 23, 2011. Our Special Meeting will be held at 600 Emerson Road, St. Louis, Missouri on Friday, March 18, 2011, at 9:00 a.m., Central Time. All holders of our common stock, par value \$0.01 per share, entitled to vote at the Special Meeting, will receive a Notice of Special Meeting of Stockholders and proxy materials. All stockholders may also access our proxy materials on the website referred to in the Notice of Special Meeting of Stockholders.

THE PROXY IS SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF ISLE OF CAPRI CASINOS, INC.

On what am I being asked to vote?

At the Special Meeting, our stockholders will be asked to vote on the following proposals:

- (1) To approve an amendment to our Amended and Restated Certificate of Incorporation to require a supermajority vote to authorize, adopt or approve certain extraordinary corporate transactions; and
- (2) To approve an amendment to our Amended and Restated Certificate of Incorporation to classify our Board of Directors and to provide for staggered three-year terms of service for each class of directors.

Our stockholders may also transact any other business that may properly come before the meeting.

Who is entitled to vote at the Special Meeting?

The record date for the Special Meeting is February 18, 2011, and only stockholders of record at the close of business on that date may vote at and attend the Special Meeting.

What constitutes a quorum for the purposes of voting?

A majority of the shares of our common stock outstanding, represented in person or by proxy at the Special Meeting, will constitute a quorum for the purpose of transacting business at the Special Meeting. Abstentions are counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business. As of the record date, February 18, 2011, there were 38,219,211 shares of our common stock outstanding and entitled to vote, which excludes 3,843,358 shares held by us in treasury.

What if a quorum is not present at the Special Meeting?

If a quorum is not present during the meeting, we may adjourn the meeting. In addition, in the event that there are not sufficient votes for approval of any of the matters to be voted upon at the meeting, the meeting may be adjourned in order to permit further solicitation of proxies.

How many votes do I have?

Each outstanding share of our common stock entitles its owner to one vote on each matter that comes before the meeting. Your proxy card indicates the number of shares of our common stock that you owned as of the record date, February 18, 2011.

How many votes are needed to approve each item?

The amendments to our Amended and Restated Certificate of Incorporation require the affirmative vote of at least a majority of the shares of our common stock that are outstanding and entitled to vote on the proposals. Abstentions from voting and broker non-votes, if any, will have the same effect as voting against the proposals.

What if my stock is held by a broker?

If you are the beneficial owner of shares held in "street name" by a broker, your broker, as the record holder of the shares, must vote those shares in accordance with your instructions. Certain matters submitted to a vote of stockholders are considered to be "routine" items upon which brokerage firms may vote in their discretion on behalf of their customers if such customers have not furnished voting instructions within a specified period prior to the meeting, so called "broker non-votes." For those matters that are considered to be "non-routine," brokerage firms that have not received instructions from their customers will not be permitted to exercise their discretionary authority. Each of the items listed above is a "non-routine" item.

How do I vote?

Stockholders of record can choose one of the following ways to vote:

- (1) By mail: Please complete, sign, date and return the enclosed proxy card to:
Isle of Capri Casinos, Inc.
c/o Broadridge
51 Mercedes Way
Edgewood, NY 11717
- (2) By Internet: www.proxyvote.com
- (3) By telephone: 1-800-690-6903
- (4) In person at the Special Meeting.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

By casting your vote in any of the four ways listed above, you are authorizing the individuals listed on the proxy to vote your shares in accordance with your instructions.

If you hold our voting securities in "street name," only your broker or bank can vote your shares. If you want to vote in person at our Special Meeting and you hold our voting securities in street name, you must obtain a proxy from your broker and bring that proxy to our Special Meeting.

How do I vote using the enclosed proxy card?

If the enclosed proxy is properly signed and returned, the shares represented by the proxy will be voted at the Special Meeting according to the instructions indicated on your proxy. If the proxy does not specify how your shares are to be voted, your shares represented by the proxy will be voted:

1. To amend our Amended and Restated Certificate of Incorporation to require a supermajority vote to authorize, adopt or approve certain extraordinary corporate transactions;
2. To amend our Amended and Restated Certificate of Incorporation to classify our Board of Directors and to provide for staggered three-year terms of service for each class of directors; and
3. In their discretion, upon such other business as may properly come before the meeting.

Can I change my vote after I have submitted my proxy?

Yes, a stockholder who has submitted a proxy may revoke it at any time prior to its use by:

1. Delivering a written notice to the Secretary;
2. Executing a later-dated proxy; or
3. Attending the Special Meeting and voting in person.

A written notice revoking the proxy should be sent to our Secretary at the following address:

Edmund L. Quatmann, Jr.
Senior Vice President, General Counsel and Secretary
Isle of Capri Casinos, Inc.
600 Emerson Road
St. Louis, Missouri 63141

Do I have rights of appraisal?

Neither Delaware law, nor our Amended and Restated Certificate of Incorporation nor our Bylaws provide for appraisal or other similar rights for dissenting stockholders in connection with any of the proposals to be voted upon at the Special Meeting. Accordingly, our stockholders will have no right to dissent and obtain payment for their shares of our common stock.

How will the votes be tabulated at the meeting?

Votes cast by proxy or in person at the Special Meeting will be tabulated by the election inspectors appointed for the Special Meeting, and such election inspectors also will determine whether or not a quorum is present.

Will we solicit proxies in connection with the Special Meeting?

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

Yes, we will solicit proxies in connection with the Special Meeting. We will bear all costs of soliciting proxies including charges made by brokers and other persons holding stock in their names or in the names of nominees for reasonable expenses incurred in sending proxy material to beneficial

owners and obtaining their proxies. In addition to solicitation by mail, our directors, officers, and employees may solicit proxies personally and by telephone, facsimile and email, all without extra compensation. We have retained D.F. King & Co., Inc., a proxy solicitation firm, to assist in the solicitation of proxies. The fee to be paid for such services will be borne by us and is not expected to exceed \$7,500 plus reasonable expenses.

PROPOSALS 1 AND 2

We recently completed a public offering of 5,300,000 shares of our common stock (the "Offering"). The Offering enabled us to provide additional liquidity to shareholders by adding shares of our common stock to the public float. Further, we used a portion of the net proceeds of approximately \$51.4 million to reduce our long-term debt obligations and strengthen our balance sheet. However, the Offering also resulted in the dilution of the ownership of our common stock by members of the Goldstein family, including Robert S. Goldstein, our Vice Chairman, Jeffrey D. Goldstein and Richard A. Goldstein, two of our directors, GFIL, spouses, children and grandchildren of certain members of the Goldstein family and entities associated with certain members of the Goldstein family (collectively, the "Goldstein Group") from approximately 49.5% to approximately 42.6% of our common stock.

Prior to the Offering, in June 2010, we proposed a public offering of 9,000,000 shares of our common stock (the "June Offering"). The June Offering would have resulted in the dilution of the ownership of our common stock by the Goldstein Group from approximately 50.1% to approximately 39.2% of our common stock. In connection with our Board of Director's consideration of the June Offering, legal counsel for the Goldstein Group, Thompson Coburn LLP, sent a letter to our Board of Directors, dated April 20, 2010, requesting that our Board of Directors give appropriate consideration to the effects of the June Offering on the Goldstein Group's interests. In response, our Board of Directors formed a special committee of directors consisting of Messrs. Baker, Brackenbury, Hayes, Kozicz and Wielansky (the "Special Committee"), who were disinterested and independent from the Goldstein Group, to consider any governance and other issues and concerns raised by the Goldstein Group and authorized it to retain such independent advisors as it deemed necessary or advisable. The Special Committee with the assistance of its advisors, including Cadwalader, Wickersham & Taft LLP, its independent legal counsel, and Stifel, Nicolaus & Company, Incorporated, its financial advisor, considered the effects of the June Offering on the Goldstein Group's interests and then negotiated with the Goldstein Group and its advisors, including Thompson Coburn LLP. The Goldstein Group, holding a substantial portion of our outstanding common stock and electing three directors to our Board of

Directors, has and had substantial influence over the election of directors to our Board of Directors and the outcome of the vote on substantially all other matters, including the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation, amendment of our Bylaws and significant corporate transactions, such as public offerings of common stock. Based on these discussions, the Goldstein Group indicated its willingness to support our June Offering in exchange for, among other things, amendments to our certificate of incorporation, as amended, which were substantially similar to the proposals herein. Our Board of Directors approved the amendments to our certificate of incorporation, as amended, and the Goldstein Group, holding a majority of our outstanding common stock, approved the amendments, in each case, subject to the completion of the June Offering. The parties also entered into a governance agreement substantially similar to the Goldstein Governance Agreement described and defined below. We reported these developments on a Form 8-K filed with the Securities and Exchange Commission. Because the June Offering was terminated, such governance changes were not implemented.

In connection with the Offering, the Goldstein Group reiterated to our Board of Directors its concerns regarding the dilutive impact of the Offering on the Goldstein Group's ownership interest in our common stock and asked our Board of Directors to consider implementing governance changes similar to those negotiated in connection with the June Offering if the Goldstein Group agreed to support the Offering. Our Board of Directors re-constituted the Special Committee (which no longer included Mr. Brackenbury as a result of his October 5, 2010 retirement from our Board of Directors) and, as in the June Offering, asked the Special Committee to consider the effects of the Offering on the Goldstein Group's interests. The Special Committee again reviewed and determined that it was in our and our stockholders' best interests for our Board of Directors to recommend that our stockholders approve and adopt the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation and to enter into the Goldstein Governance Agreement, provided that the Goldstein Group agreed to support the Offering. Based on these discussions and the Goldstein Group's undertaking to support the Offering, we agreed to call the Special Meeting to vote on the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation and entered into an agreement (the "Goldstein Governance Agreement"), dated as of January 19, 2011, with Robert S. Goldstein, our Vice Chairman, Jeffrey D. Goldstein and Richard A. Goldstein, two of our directors, and GFIL in respect of such amendments, which are reflected in Proposals 1 and 2. We have also agreed to use our commercially reasonable efforts to take all steps necessary to effect the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation, including causing our Board of Directors to approve and declare advisable such amendments, preparing and disseminating this proxy statement and using our commercially reasonable efforts to solicit proxies in favor of such amendments.

Our Board of Directors has determined that it is in our and our stockholders' best interests to amend our Amended and Restated Certificate of Incorporation to (1) require a supermajority vote to authorize, adopt or approve certain extraordinary corporate transactions and (2) classify our Board of Directors and provide for staggered three-year terms of service for each class of directors. These amendments are summarized below and are reflected in the proposed form of the Certificate of Amendment to our Amended and Restated Certificate of Incorporation attached to this proxy statement as *Appendix A*. The summary of the proposed changes are qualified in their entirety by reference to *Appendix A*, which you should read in its entirety.

If any of the proposed amendments to our Amended and Restated Certificate of Incorporation described below are not approved, then that amendment will not be made, and our Amended and Restated Certificate of Incorporation will retain the current provisions governing the subject matter of that proposal.

The Goldstein Group, pursuant to the Goldstein Governance Agreement, agreed to vote all of their shares of our common stock in favor of both Proposal 1 and Proposal 2.

PROPOSAL 1
AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REQUIRE A SUPERMAJORITY VOTE TO AUTHORIZE, ADOPT OR APPROVE CERTAIN EXTRAORDINARY CORPORATE TRANSACTIONS

Our current Amended and Restated Certificate of Incorporation does not provide for supermajority voting provisions to authorize, adopt or approve certain extraordinary corporate transactions. These provisions are also not included in our current Bylaws. Our Board of Directors may amend our Bylaws regarding supermajority voting provisions to authorize, adopt or approve certain extraordinary corporate transactions. However, we are not soliciting your vote to amend our Bylaws.

Delaware law permits a company to include provisions in its certificate of incorporation that require a greater vote than the vote otherwise required by law for any corporate action. The proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation includes certain of such supermajority vote requirements. The proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation provides that, until the Supermajority Expiration Time (as defined below), we may not, without the affirmative vote of the holders of at least two-thirds of our voting power, voting as a single class, (i) adopt any agreement providing for our merger or consolidation with or into any other corporation or entity, or similar transaction in which the shares of our common stock are exchanged for or changed into other stock or securities, cash and/or other property, (ii) adopt any agreement providing for the sale or lease of all or substantially all of our assets or property and our subsidiaries (taken as a whole), (iii) spin-off, split-up or issue an extraordinary dividend to stockholders, (iv) liquidate, dissolve or wind up ourselves or (v) amend, modify or repeal the provision of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation setting forth the foregoing voting requirement. Such affirmative vote or consent shall be in addition to the votes or consents of the holders of our common stock otherwise required by law or any agreement between us and any national securities exchange. The foregoing provision may not be amended, modified or repealed unless such amendment, modification or repeal is approved by the affirmative vote or consent of the holders of at least two-thirds of our voting power, voting as a single class. Other than as required by law or as provided in the following sentence, other matters to be voted upon by the holders of our common stock, other than the election of directors, require the affirmative vote of a majority of the shares present at the particular stockholders meeting. The election of directors requires a plurality of the votes cast.

"Supermajority Expiration Time" means the first to occur of (i) the Goldstein Group ceasing to hold shares of our common stock representing at least 22.5% of our outstanding common stock, not including any shares of Class B common stock or shares of common stock issued upon conversion of any preferred stock and (ii) the tenth anniversary of the effective date of the Certificate of Amendment to our Amended and Restated Certificate of Incorporation.

The supermajority voting provisions also permit a minority of our stockholders to potentially block an attempt by our majority stockholders to take the extraordinary corporate transactions described above. To the extent that any stockholder or stockholder group holds in excess of one-third of our outstanding shares of common stock following the effective date of the Certificate of Amendment to our Amended and Restated Certificate of Incorporation, such stockholder or stockholder group would effectively possess a veto right over such extraordinary corporate transactions.

The supermajority voting provisions described above may discourage or deter a person from attempting to obtain control of us by making it more difficult to amend these provisions to eliminate their anti-takeover effect or the protections they afford to minority stockholders. The supermajority voting requirement will make it more difficult for a stockholder or stockholder group to put pressure on our Board of Directors to take the extraordinary corporate transactions described above.

Edgar Filing: ISLE OF CAPRI CASINOS INC - Form DEF 14A

The supermajority voting provisions were not proposed in order to prevent an unsolicited takeover attempt, and our Board of Directors is not aware of any present unsolicited attempt by any person to acquire control of us or to put pressure on our Board of Directors to take any extraordinary corporate transactions.

If approved by our stockholders, this amendment will become effective upon the filing of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware (which is expected to occur promptly following the Special Meeting). The form of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation is included as *Appendix A* hereto.

The proposed amendment to our Amended and Restated Certificate of Incorporation to require a supermajority vote to authorize, adopt or approve certain extraordinary corporate transactions will be approved upon the affirmative vote of at least a majority of the shares of our common stock that are outstanding and entitled to vote on the proposal. Abstentions from voting and broker non-votes, if any, will have the same effect as voting against the proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE PROPOSED AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO REQUIRE A SUPERMAJORITY VOTE TO AUTHORIZE, ADOPT OR APPROVE CERTAIN EXTRAORDINARY CORPORATE TRANSACTIONS.

PROPOSAL 2

AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO CLASSIFY OUR BOARD OF DIRECTORS AND TO PROVIDE FOR STAGGERED THREE-YEAR TERMS OF SERVICE FOR EACH CLASS OF DIRECTORS

Our current Amended and Restated Certificate of Incorporation neither provides for a classified Board of Directors nor for staggered three-year terms of service for each class of directors. These provisions are also not included in our current Bylaws. Our Board of Directors may amend our Bylaws regarding a classified and staggered Board of Directors. However, we are not soliciting your vote to amend our Bylaws.

The proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation provides on the effective date of the Certificate of Amendment to our Amended and Restated Certificate of Incorporation, our Board of Directors shall be divided into three classes, as nearly equal in number as reasonably possible, designated Class I, Class II and Class III, respectively. Our Board of Directors will have assigned which directors already in office will be in each class effective upon filing of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation. Thus, we are not at this time soliciting your vote on the election of directors or assignment of directors to the three classes. The Class I directors' initial term will expire at the next annual meeting of stockholders, expected to be held in 2011, and the Class I directors elected at that meeting will have a term of three years. The directors in Class I initially will be Richard A. Goldstein, Alan J. Glazer and Shaun R. Hayes. The Class II directors' initial term will expire at the annual meeting following the next, expected to be held in 2012, and the Class II directors elected at that meeting will have a term of three years. The directors in Class II initially will be Jeffrey D. Goldstein, W. Randolph Baker and Lee S. Wielansky. The Class III directors' initial term will expire at the next annual meeting thereafter, expected to be held in 2013, and the Class III directors elected at that meeting will have a term of three years. The directors in Class III initially will be Robert S. Goldstein, James B. Perry and Gregory J. Kozicz. At each annual meeting thereafter, a single class will be elected and each elected class will have a three-year term. Any vacancy occurring during the year on our Board of Directors may be filled for the unexpired term by a majority of our Board of Directors then in office and any director elected to fill such a vacancy shall be a director until his successor is

elected by the stockholders at the next annual meeting or any special meeting duly called for that purpose. Until the Supermajority Expiration Time, we may not amend, modify or repeal provisions of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation setting forth the staggered Board of Directors without the approval by the affirmative vote or consent of the holders of at least two-thirds of our voting power, voting as a single class (among other votes that may be required by law).

A staggered Board of Directors means that only three directors (assuming a nine person Board of Directors, as is currently the case) will be up for election at any given annual meeting. This has the effect of delaying the ability of our stockholders to effect a change in control of our Board of Directors, since it will take two annual meetings to replace at least six directors, which represents the majority of our Board of Directors. This structural change will affect every election of directors going forward and may have the effect of making it more difficult and longer to replace one or more directors who are not performing adequately.

Our Board of Directors believes that it is in our and our stockholders' best interests to create a staggered Board of Directors because it provides an appropriate safeguard to enable our Board of Directors to act in the best interests of our stockholders in the event of any unsolicited takeover attempt. Moreover, the staggered election of our Board of Directors will provide continuity and stability in the management of our business and affairs since a majority of the directors will have prior experience as our directors and will have in-depth knowledge of us and our business and strategies. Directors with such understanding are a valuable resource and better able to make fundamental decisions about us and guide management in making such decisions. However, there have been no problems with continuity of our Board of Directors in the past. Further, electing directors to three-year, as opposed to one-year, terms enhances the independence of non-management directors by providing them with a longer assured term of office within which to focus on our strategic goals. Finally, maintaining three-year terms for directors will assist us in attracting director candidates who are interested in making a longer term commitment to us.

The proposal to create a staggered Board of Directors was not proposed in order to prevent an unsolicited takeover attempt, and our Board of Directors is not aware of any present unsolicited attempt by any person to acquire control of us, obtain representation on our Board of Directors or take any action that would materially affect our governance.

Pursuant to the Goldstein Governance Agreement, we agreed that until the Nomination Expiration Date (as defined below), we will take all action reasonably necessary for our Board of Directors to nominate and recommend for election by our stockholders each of Jeffrey D. Goldstein, Robert S. Goldstein and Richard A. Goldstein (the "Goldstein Directors") (or, in the event that any of them dies or becomes legally incapacitated, another descendant of Bernard Goldstein (including a person legally adopted before the age of five) who is suitable to serve as our director pursuant to applicable Nasdaq requirements and other applicable law and designated by the remaining Goldstein Directors, who then are competent; provided, however, if our Board of Directors reasonably objects to such designee, another descendant reasonably acceptable to our Board of Directors may so be designated by the remaining qualified Goldstein Directors) at any annual meeting at which their respective directorship terms are scheduled to expire.

"Nomination Expiration Date" means the earlier to occur of (1) the tenth anniversary of the date of the Goldstein Governance Agreement and (2) such time as the sum of (i) and (ii) below do not equal in the aggregate at least 22.5% of the then outstanding shares of our common stock, not including any shares of Class B common stock or shares of common stock issued upon conversion of any preferred stock: (i) the total number of Physical Shares of our common stock directly owned by members of the Goldstein Group (other than GFIL) in the aggregate; and (ii) the total number of Physical Shares of our common stock owned by GFIL multiplied by a fraction, the numerator of which

is equal to the total number of Physical Shares of the membership interests of GFIL directly owned by members of the Goldstein Group and the denominator of which is equal to the then total outstanding membership interests of GFIL. "Physical Shares" means shares, units or interests of a corporation or other entity (such as a limited liability company, limited partnership or trust) beneficially owned by any person as to which such person directly or indirectly has voting and investment power and which are held either of record by such person or through a broker, dealer, agent, custodian or other nominee who is the holder of record of such shares.

If approved by our stockholders, this amendment will become effective upon the filing of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware (which is expected to occur promptly following the Special Meeting). The form of the proposed Certificate of Amendment to our Amended and Restated Certificate of Incorporation is included as *Appendix A* hereto.

The proposed amendment to our Amended and Restated Certificate of Incorporation to classify our Board of Directors and to provide for staggered three-year terms of service for each class of directors will be approved upon the affirmative vote of at least a majority of the shares of our common stock that are outstanding and entitled to vote on the proposal. Abstentions from voting and broker non-votes, if any, will have the same effect as voting against the proposal.

OUR BOARD OF DIRECTORS RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE PROPOSED AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION TO CLASSIFY OUR BOARD OF DIRECTORS AND TO PROVIDE FOR STAGGERED THREE-YEAR TERMS OF SERVICE FOR EACH CLASS OF DIRECTORS.
