Item 5.02(e) Compensatory Arrangements For Certain Officers

Adoption of 2009 Stock Incentive Plan

Effective April 29, 2009, the Board of Directors of Doral Energy Corp. (the "Company") adopted the Company's 2009 Stock Incentive Plan (the "2009 Plan"). The purpose of the 2009 Plan is to enhance the long-term stockholder value of the Company by offering opportunities to directors, officers, employees and eligible consultants of the Company (Participants) to acquire and maintain stock ownership in the Company in order to give these persons the opportunity to participate in the Company's growth and success, and to encourage them to remain in the service of the Company.

The 2009 Plan allows the Company to grant awards to its officers, directors and employees. In addition, the Company may grant awards to individuals who act as consultants to the Company, so long as those consultants do not provide services connected to the offer or sale of the Company's securities in capital raising transactions and do not directly or indirectly promote or maintain a market for the Company's securities.

A total of 1,700,000 shares of the Company's common stock are available for issuance under the 2009 Plan. However, under the terms of the 2009 Plan, at any time after August 1, 2009, the authorized number of shares available under the 2009 Plan may be increased by the Company's Board of Directors, provided that the total number of shares issuable under the 2009 Plan cannot exceed 10% of the total number of shares of common stock outstanding.

Awards may be granted in the form of options to purchase shares of the Company's common stock (Option Awards) or in the form of shares of the Company's common stock (Stock Awards). Option Awards granted under the 2009 Plan may be made in the form of incentive stock options and non-qualified stock options. Incentive stock options granted under the 2009 Plan are those intended to qualify as incentive stock options as defined under Section 422 of the Internal Revenue Code. However, in order to qualify as incentive stock options under Section 422 of the Internal Revenue Code, the 2009 Plan must be approved by the stockholders of the Company within 12 months of its adoption. The 2009 Plan has not been approved by the Company's stockholders and there is no assurance that the 2009 Plan will be approved by the Company's stockholders. Non-qualified stock options granted under the 2009 Plan are option grants that do not qualify as incentive stock options under Section 422 of the Internal Revenue Code. Stock Awards may be made subject to such terms, conditions and restrictions as the plan administrator may, in its sole discretion, decide, including transfer restrictions and vesting provisions.

The above description of the 2009 Plan does not purport to be complete, and is qualified in its entirety by reference to the full text of the 2009 Plan, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.
