Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

strengthening its core business lines of retail banking, small and medium-sized business lending, residential mortgage and investment activities. The banks provide a wide variety of commercial and retail banking and mortgage-lending products and services. The banks provide commercial loans, lease financing, cash management, lockbox, customized draft processing, and other special financial services for business and other commercial banking customers. A wide range of personal banking services are provided to individuals, including bank card, student and other installment loans and home equity lines of credit, checking accounts, savings accounts, time certificates of various types and maturities, trust services, safe deposit facilities, direct deposit and 24 hour ATM access.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This prospectus and documents incorporated by reference into this prospectus contain forward-looking statements that are based upon our current expectations, assumptions, estimates and projections about our business and our industry, and involve known and unknown risks, uncertainties and other factors that may cause our or our industry's results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied in or contemplated by the forward-looking statements. We have used and incorporated by reference "forward-looking statements" in this prospectus, including one or more of the following:

- o projections of revenues, income, earnings per share, capital expenditures, dividends, capital structure or other financial items;
- o descriptions of plans or objectives of management for future operations, products or services;
- o forecasts of future economic performance; and
- o descriptions of assumptions underlying or relating to any of the foregoing.

Forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. They often include words such as "will permit," "will afford," "believes," "expects," "may," "should," "projected," "contemplates," or "anticipates." These statements are within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and are subject to risks and uncertainties that could cause actual results of Zions to differ materially. We have used these

3

statements to describe our expectations and estimates in various sections of this prospectus.

Factors that might cause such differences include, but are not limited to:

- o the timing of closing proposed mergers being delayed;
- o competitive pressures among financial institutions increasing significantly; economic conditions, either nationally or locally in areas in which we conduct our operations, being less favorable than expected;
- o the cost and effort required to integrate aspects of the

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

operations of companies that we may acquire in the future being more difficult than expected;

- o expected cost savings from proposed mergers not being fully realized or realized within the expected time frame; and
- o legislation or regulatory changes which adversely affect the ability of Zions to conduct its current and future operations.

We disclaim any obligation to update any such factors or to publicly announce the result of any revisions to any of the forward-looking statements included in this prospectus to reflect future events or developments. Our actual results could differ materially from those set forth in the forward-looking statements because of many reasons, including the risk factors listed above. This list may not be exhaustive.

USE OF PROCEEDS

We will not receive any proceeds from the sale of common stock by the selling shareholders. All proceeds from the sale of the common stock under this prospectus will be for the account of the selling shareholders. See "Selling Shareholders" and "Plan of Distribution" below.

ISSUANCE OF ZIONS COMMON STOCK TO THE SELLING SHAREHOLDERS

On October 21, 2002, we completed our merger with Grant-Hatch. In the merger, our wholly-owned subsidiary Chatting Anchors merged with and into Grant-Hatch. Following the merger, Grant-Hatch was the surviving corporation and became a wholly-owned subsidiary of Zions.

Upon completion of the merger, we issued a total of 79,693 shares of our common stock to the six former shareholders of Grant-Hatch. We issued all of those securities, which are the subject of this prospectus, under an exemption from the registration requirements of the Securities Act of 1933. All of those securities are restricted and, in general, are not freely tradable until we register them with the SEC. In the Agreement and Plan of Reorganization which governed the merger, we agreed that following the merger we would register on behalf of the six shareholders of Grant-Hatch the shares of Zions common stock that were issuable to them upon completion of the merger. This prospectus covers the resale by the six former shareholders of Grant-Hatch as selling shareholders of up to 79,693 shares of our common stock that they received in the merger.

4

INCOME TAX CONSIDERATIONS

You should consult your own tax advisor about the income tax issues and the consequences of holding and disposing of our common stock.

SELLING SHAREHOLDERS

The information provided in the table below with respect to each selling shareholder has been obtained from the selling shareholder. The following table sets forth information as of November 25, 2002, with respect to the number of shares of our common stock owned by each of our shareholders selling under this prospectus. None of the selling shareholders has had a material relationship with us within the past three years, other than as a result of the ownership of shares of our common stock or in the case of Norman D. Squires, as an executive officer and director of our Grant-Hatch subsidiary following the merger. We do not consider any of the selling shareholders an affiliate of Zions.

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

The selling shareholders will act independently of us in making decisions with respect to the timing, manner and size of the sale or sales of common stock covered by this prospectus. We cannot estimate the number of shares that each selling shareholder will hold after completion of this offering because the selling shareholders may offer some or all of the shares owned by them and further because we have no knowledge as to any agreements, arrangements or understandings with respect to the sale of any of the shares. Our registration of the shares of common stock held by the selling shareholders does not necessarily mean that the selling shareholders will sell all or any of the shares.

(1) Assumes the sale of all shares which are the subject of this prospectus. We cannot predict whether the selling shareholders will sell all or any of the shares.

* Represents less than 1/10th of one percent of the total number of Zions shares issued and outstanding. On November 20, 2002, there were 90,802,265 shares of Zions common stock outstanding.

PLAN OF DISTRIBUTION

The selling shareholders may sell the 79,693 shares of common stock covered by this prospectus from time to time. As used herein, "selling shareholders" includes the selling shareholders named in the table above and pledgees, donees, transferees or other successors-in-interest selling shares received from a named selling shareholder as a gift, partnership distribution or other non-sale-related transfer after the date of this prospectus. The selling shareholders will act independently of us, and to the best of our knowledge

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

independently from each other, in making decisions with respect to the timing, manner and size of each sale. The common stock may be sold by or for the account of the selling shareholders in transactions on the Nasdaq National Market, the over-the-counter market, or otherwise. The sales may be made at fixed prices, at market prices prevailing at the time, or at privately negotiated prices. The selling shareholders may sell the common stock by means of one or more of the following methods:

- o a block trade in which the broker-dealer so engaged will attempt to sell the common stock as agent, but may position and resell a portion of the block as a principal to facilitate the transaction;
- o purchases by brokers, dealers or underwriters as principal and resale by those purchasers for their own accounts under this prospectus;

6

- o ordinary brokerage transactions in which the broker solicits purchasers;
- o in connection with the loan or pledge of the common stock registered hereunder to a broker-dealer, and the sale of the common stock so loaned or the sale of the shares so pledged upon a default;
- o in connection with the writing of non-traded and exchange-traded call options, in hedge transactions and in settlement of other transactions in standardized or over-the-counter options;
- o in privately negotiated transactions; or
- o in a combination of any of the above methods.

In effecting sales, brokers or dealers engaged by the selling shareholder may arrange for other brokers or dealers to participate in the resales. Brokers, dealers or agents may receive compensation in the form of discounts, concessions or commissions from the selling shareholders or from the purchasers, or from both. This compensation may exceed customary commissions.

The selling shareholders and any participating brokers, dealers or agents may be deemed to be "underwriters" within the meaning of the Securities Act in connection with their sales. In that event, any commission, discount or concession these "underwriters" receive may be deemed to be underwriting compensation. In addition, because selling shareholders may be deemed to be "underwriters" within the meaning of Section 2(a)(11) of the Securities Act, the selling shareholders will be subject to the prospectus delivery requirements of the Securities Act of 1933. We will make copies of this prospectus available to the selling shareholders and have informed them of the need for them to deliver copies of this prospectus to purchasers on or prior to the date of sales of the shares offered through this prospectus. In addition, any shares of a selling shareholder covered by this prospectus which qualify for sale under Rule 144 of the Securities Act may be sold under Rule 144 rather than by this prospectus.

We have agreed to bear all expenses of registration of the common stock (other than fees and expenses, if any, of legal counsel or other advisors to the selling shareholders). Any commissions, discounts, concessions or other fees, if any, which are payable to brokers or dealers in connection with any sale of the common stock will be borne by the selling shareholders selling those shares, and

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

not by us.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In addition, if we are notified by a selling shareholder that a donee, distributee, pledgee, or other transferee intends to sell more than 500 shares, we may file a supplement to this prospectus naming the successor-in-interest.

DESCRIPTION OF ZIONS CAPITAL STOCK

Authorized Capital Stock

7

The following statements are brief summaries of the material provisions of Zions' preferred stock and common stock and are qualified in their entirety by the provisions of Zions' articles of incorporation.

PREFERRED STOCK. The articles of incorporation of Zions authorize the issuance of 3,000,000 shares of preferred stock with no par value per share. There are no shares of Zions preferred stock outstanding. Zions' articles of incorporation authorize the Zions board to provide, without further shareholder action, for the issuance of one or more series of preferred stock. The Zions board has the power to fix various terms with respect to each series, including voting powers, designations, preferences and relative, participating, optional and or other special rights, qualifications, limitations, restrictions and redemption, conversion or exchangeability provisions. Holders of preferred stock have no preemptive rights.

COMMON STOCK. Zions is authorized to issue 350,000,000 shares of common stock with no par value per share. There are approximately 90,802,265 shares of common stock of Zions outstanding at November 20, 2002. The holders of common stock of Zions are entitled to voting rights for the election of directors and for other purposes, subject to voting rights which may in the future be granted to subsequently created series of preferred stock. Shares of Zions common stock do not have cumulative voting rights. Holders of Zions common stock are entitled to receive dividends when and if declared by the Zions board out of any funds legally available therefor, and are entitled upon liquidation, after claims of creditors and preferences of any series of preferred stock hereafter authorized, to receive pro rata the net assets of Zions. Holders of Zions common stock have no preemptive or conversion rights.

SHAREHOLDER RIGHTS PLAN. As of September 27, 1996, Zions adopted a Shareholder Protection Rights Agreement (the "Rights Plan"). In connection with that plan, the Zions board (1) declared a dividend of one right for each share of common stock held of record as of the close of business on October 11, 1996 and (2) authorized the issuance of one right to attach to each share of common stock issued after October 11, 1996, and prior to the occurrence of certain events described in the Rights Plan. The rights are attached to all common stock certificates that were outstanding on October 25, 1996, or have been issued since that date, and no separate rights certificates have been or will be distributed until the occurrence of certain events described in the Rights Plan. Until such separation, no right may be exercised or traded separately from the common stock certificate to which it is attached. Following separation, the rights may, depending upon the occurrence of certain events described in the Rights Plan, entitle the holders thereof to either purchase or receive additional shares of common stock. The rights will expire at the close of business on October 11, 2006, unless earlier redeemed by Zions in accordance with the terms of the Rights Plan.

The shareholder rights will cause substantial dilution to a person or

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-3

group that attempts to acquire Zions on terms not approved by the Zions board, except by means of an offer conditioned on a substantial number of rights being acquired. The rights should not interfere with any merger or other business combination approved by the Zions board, as the rights may be redeemed by Zions prior to the time that a person or group has acquired beneficial ownership of 10% or more of the shares of Zions common stock.

8

The Rights Plan is designed to protect the interests of Zions' shareholders in the event of an unsolicited attempt to acquire Zions, including a gradual accumulation of shares in the open market. Zions believes the plan provides protection against a partial or two-tier tender offer that does not treat all shareholders equally and against other coercive takeover tactics which could impair the Zions board's ability to represent Zions' shareholders fully. Management believes that the rights should also deter any attempt by a controlling shareholder to take advantage of Zions through self-dealing transactions. The Rights Plan is not intended to prevent a takeover of Zions. Issuing the rights has no dilutive effect, does not affect reported earnings per share and does not change the way in which Zions shares are traded. However, the exercise of rights by some but not all of Zions' shareholders would have a dilutive effect on non-exercising shareholders. Moreover, some may argue that the Rights Plan has the potential for "entrenching" current management by allowing current voting shareholders to increase their voting shares, thus making a tender offer more difficult and costly.

REGISTRAR AND TRANSFER AGENT

Zions' registrar and transfer agent is Zions First National Bank, Salt Lake City, Utah.

(i) an officer of the Corporation is entitled to mandatory indemnification under Section 16-10a-903 of the Act, and is entitled to apply for court-ordered indemnification under Section 16-10a-905 of the Act, in each case to the same extent as a director;

(ii) the Corporation may indemnify and advance expenses to an officer, employee, fiduciary, or agent of the Corporation to the same extent as a director; and

(iii) the Corporation may also indemnify and advance expenses to an officer, employee, fiduciary or agent who is not a director to a greater extent, if not inconsistent with public policy, and if provided for by the Articles of Incorporation, these Bylaws, action of the Board of Directors, or contract.

Section 6.06 Other Rights and Remedies. The rights to indemnification and advancement of expenses provided in this Article shall be in addition to any other rights which a party may have or hereafter acquire under any applicable law, contract, order, or otherwise.

Article XVIII of Zions Bancorporation's articles of incorporation provides as follows:

No director of the corporation shall be personally liable to the corporation or its shareholders for monetary damages for any breach of fiduciary duty by such director as a director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its shareholders; (2) for acts or omissions not in good faith or which involve intentional misconduct or knowing violation of law; or (3) for any transaction from which the director derived an improper personal benefit. Any repeal or modification of this paragraph by the shareholders of the corporation shall be prospective only, and shall not adversely affect any limitation on the personal liability of a director of the corporation for acts or omissions occurring prior to the effective date of such repeal or modification.

ITEM 17. UNDERTAKINGS

Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended (the "Act"), may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer or controlling person of ours in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

We hereby undertake:

(1) To file during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

3-A

(i) to include any prospectus required by Section 10(a)(3) of the Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement; provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by us pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") that are

incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) For purposes of determining any liability under the Act, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act which is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
