### Item 4. Description of Securities

Not applicable.

### Item 5. Interests of Named Experts and Counsel

Not applicable.

### Item 6. Indemnification of Directors and Officers

The Restated Articles of Incorporation of Zions provide that no director of Zions will be personally liable to Zions or its shareholders for money damages for any breach of fiduciary duty by such director while acting as a director, except for liability:

- (1) for any breach of the director's duty of loyalty to Zions Bancorporation or its shareholders;
- (2) for acts of omissions not in good faith or which involve intentional misconduct or knowing violation of the law; or
- (3) for any transaction from which the director obtained an improper personal benefit.

Part 9 of the Utah Revised Business Corporation Act contains provisions entitling directors and officers of Zions to indemnification under certain conditions from judgments, fines, amounts paid in settlement, and reasonable expenses, including attorneys' fees, as the result of an action or proceeding in which they may be involved by reason of being or having been a director or officer of Zions. Indemnification under Utah law is generally permissible if the conduct of the director or officer was in good faith and the director or officer reasonably believed that his or her conduct was in, or not opposed to, Zions' best interests, and, in a criminal case, that the director or officer had no reasonable cause to believe his or her conduct was unlawful.

Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-8

Such indemnification would not be permitted under Utah law in connection with a proceeding by or in the right of Zions in which the director or officer was adjudged liable to Zions, or in connection with any other proceeding in which the officer or director was adjudged liable on the basis that he or she obtained an improper personal benefit.

## Edgar Filing: ZIONS BANCORPORATION /UT/ - Form S-8

Mandatory indemnification is required under Utah law for a director or officer who is successful, on the merits or otherwise, in the defense of any proceeding, or any claim, issue or matter in a proceeding, to which he or she was a party because he or she is or was an officer or director of Zions. A court may order indemnification where mandatory under Utah law or if the court determines that the officer or director is fairly and reasonably entitled to indemnification in view of all relevant circumstances and regardless of whether the officer or director met the applicable standard of conduct or was adjudged liable to Zions or adjudged liable on the basis that he or she derived an improper personal benefit.

Payment of expenses for officers and directors is permitted in advance of a final disposition of a proceeding on certain conditions, including the furnishing of written affirmation by the officer or director of his or her good faith belief that he or she has met the applicable standard of conduct, the furnishing of a written agreement to repay the advance if the officer or director is ultimately determined not to have met the applicable standard of conduct, and a determination is made that the facts then known to the persons making the determination would not preclude indemnification under Utah law. This determination is to be made either by the Board of Directors, a committee of the Board of Directors, special counsel, or the shareholders, under conditions and procedures generally designed to assure the independence of the body making the determination.

The directors and officers of Zions are covered by policies of insurance under which they are insured, within limits and subject to limitations, against certain expenses in connection with the defense of actions, suits or proceedings, and certain liabilities which might be imposed as a result of such actions, suits or proceedings, in which they are parties by reason of being or having been directors or officers. Zions is similarly insured with respect to certain payments it might be required to make to its directors or officers under the applicable statutes and Zions Restated Articles of Incorporation or bylaw provisions.

### Item 9. Undertakings

Zions Bancorporation, the undersigned Registrant, hereby undertakes:

- (1) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this Registration Statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by Zions pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the Exchange Act ) that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) Zions hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of Zions' annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Zions pursuant to the foregoing provisions, or otherwise, Zions has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Zions of expenses incurred or paid by a director, officer or controlling person of Zions in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Zions will, unless in the opinion of its counsel the matter has been settled by the controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
