Item 1.01

Entry into a Material Definitive Agreement

On April 14, 2005, Specialty Laboratories, Inc. (the Company) adopted a new incentive compensation program for executive management that is performance-based and designed to assist in attracting and retaining high quality executive leadership for the Company. The incentive compensation program, which applies to the Company's executive officers, includes grants of stock options and restricted stock to certain officers, with a vesting schedule of 25% per year over a 4 year period. The incentive compensation program also includes a bonus component based on the achievement of established company and individual goals. This incentive bonus component sets a bonus target (Individual Target) for each individual officer, which represents a percentage of the executive's base salary, and a range of Company goals relating to the Company's earnings before interest, taxes, depreciation and amortization (EBITDA). At the end of the fiscal year, the Individual Target of each executive officer will be multiplied by the percentage of individual goals successfully completed by the officer, and by a factor related to the Company's performance for the year, which can range from 0% to 150% depending on the Company's EBITDA. The Individual Targets for each executive officer are as follows: Kevin R. Sayer Executive Vice-President & Chief Financial Officer (and acting senior officer): 45%; Robert M. Harman Senior Vice-President & Chief Information Officer: 45%; Nicholas R. Simmons Senior Vice-President & General Counsel: 45%; Mark R. Willig Senior Vice-President, Sales: 45%; Michael C. Dugan Vice-President & Laboratory Director: 30%; Cheryl G. Gallarda Vice-President, Business Operations: 30%; Maryam Sadri Vice-President, Laboratory Operations: 30%. Options and restricted stock are being granted to the Company's officers under the Company's 2000 Stock Incentive Plan.

Also on April 14, 2005, the Company promoted Robert M. Harman from Vice-President & Chief Information Officer to Senior Vice-President & Chief Information Officer, and promoted Nicholas R. Simmons from Vice-President & General Counsel to Senior Vice-President & General Counsel.
